

## A Man Like None Other Chapter 1331 – 1340

### Chapter 1331

Zhu Zhishan's analysis was immediately approved by many people. After all, Xie Xiu's magic skills are very strong, and he is also proficient in some witchcraft, so he is much stronger in controlling people's mind and body!

"You're right. It's very possible. Although we killed a lot of evil cultivators back then, those evil cultivators were brilliant."

"Many have hid their souls out of the body. Now they are appearing and attached to other people's bodies. It is very possible."

Mr. Shi nodded, agreeing with Zhu Zhishan's statement.

"Another point is that some ordinary people, after possessed by evil spirits, will suddenly become stronger, bloodthirsty, and have the art of devouring, and they can also cultivate by absorbing the essence of others!"

"And among these people here, there are some people who were previously unknown, but suddenly become powerful, and they can also swallow."

After Zhu Zhishan finished speaking, everyone was shocked and wanted to know who among them was such a person.

After all, David's details are not known to everyone.

"I wish the alliance leader, who are you talking about? Are there evil cultivators among us?"

Someone asked Zhu Zhishan.

Zhu Zhishan took out David's detailed information: "Everyone can look at these materials and naturally understand..."

Everyone looked at David's information and looked at David in shock.

At this moment, David looked very calm when facing the eyes of everyone.

Because he knew that he was not possessed by an evil spirit at all, let alone an evil cultivator.

"Everyone must know that this person is David, who has reached the realm of Marquis in just a few months. How can there be such a talented person in the world?"

Zhu Zhishan looked at David coldly, and then said.

"I'm just talented. Are you envious, jealous? If you have the ability, you can improve your strength in a few months?"

"If you don't know how to do it yourself, you can say that others can't do it. I really don't know how your mother taught you..."

David said to Zhu Zhishan with a playful look on his face.

“You bastard, you...”

When Zhu Zhishan heard this, he was immediately furious.

However, in the presence of Mr. Shi, Zhu Zhishan could only suppress his anger and did not vent it.

“Even if you are talented, how can you explain the swallowing technique? Don’t think that when you swallow other people’s skills, no one finds out...”

Zhu Zhishan questioned David.

“Why should I explain it to you? Apart from evil cultivators, there are many exercises that can devour other people’s skills, but you can’t!”

David glanced at Zhu Zhishan and said.

“Hmph, you are just arguing, you are clearly an evil spirit infiltrating your body. Since you came to Kyoto, our entire Kyoto martial arts world has turned into a pot of porridge. Today we are going to remove your evil cultivator for the Kyoto martial arts world...”

Zhu Zhishan snorted coldly, the murderous aura on his body!

Others also glared at David, as long as Zhu Zhishan made a move, they would all swarm up!

Dong Liqun, who was behind David, was shocked and embarrassed: “Mr. Chen, you...”

Dong Liqun also didn't know whether David was a cultist or not.

David looked back at Dong Liqun with a slight smile: "Do you believe I'm an evil cultivator?"

Dong Liqun looked at David and was speechless for a while, while Dong Jiahao said: "I believe Brother David, he will never be an evil cultivator. Even if he is an evil cultivator, he is a hundred times stronger than those guys who are famous and sanctimonious!"

Dong Jiahao's words deeply stung many people. In the current martial arts world, where is there any distinction between righteousness and evil, some famous and decent, for the sake of profit and strength, what they do is more abominable than evil cultivators.

The atmosphere at the scene became tense. The tense heartbeats and even breathing of dozens of people were very clear in the quiet and treacherous atmosphere.

## **Chapter 1332**

"He's not an evil cultivator..."

At this moment, Mr. Shi suddenly spoke up.

Mr. Shi's words prove that David directly took off the hat of evil cultivator that Zhu Zhishan had buckled.

"Mr. Shi, how does David prove that he is not an evil cultivator?"

Zhu Zhishan dared to ask Mr. Shi.

"Because in front of me, no evil spirit can escape my eyes..."

After Mr. Shi finished speaking, he waved his palm lightly!

I saw a white and soft light that instantly enveloped David.

David felt very comfortable instantly, like soaking in a hot spring.

This group of white light surrounded David, constantly surrounded, and finally slowly dissipated.

Seeing this scene, everyone couldn't help but marvel, because they could be sure that David was not possessed by evil spirits.

And that Zhu Zhishan sat down on the chair.

From this point of view, David is really not possessed by evil spirits, because of Mr. Shi's methods, they have all seen it, if it is really possessed by evil spirits, under this soft light, it will definitely act.

But since David is not possessed by evil spirits, how could his strength increase so rapidly?

Zhu Zhishan couldn't figure it out, and he couldn't understand it, but Long Jingguo, who was sitting on the side, kept silent and looked at David with great interest.

David's physique and the exercises David practiced were exactly what he wanted.

"Okay, this is the end of the day, you all pay more attention, if you find the whereabouts of the man in black, report it immediately!"

Mr. Shi waved his hand, and the biggest meeting in history ended so quickly.

Many aristocratic sects have a dazed expression on their faces.

They didn't understand that if Mr. Shi was only talking about the men in black, he could have issued a notice, so why bother calling them all together?

Now this meeting is over so quickly?

Although everyone was stunned, no one dared to question Mr. Shi, so they could only get up and leave.

On the other hand, Zhu Zhishan's face changed and changed, and he finally gritted his teeth and looked at Mr. Shi and said, "Mr. Shi, should David kill me in the martial arts alliance at the venue, should he give me an explanation?"

Seeing that Zhu Zhishan was going to challenge Mr. Shi, the others looked at him in surprise.

And Zhu Zhishan himself knows that now he can only do this, otherwise his life will be lost!

Mr. Shi looked at Zhu Zhishan coldly, and then said, "How can I explain it to you? You want to do it at this venue, too?"

Looking at Mr. Shi's cold eyes, Zhu Zhishan hurriedly lowered his head: "Don't dare!"

"Hey, if you don't dare, then get out!"

Mr. Shi snorted coldly: "I said I would deal with it, and I will definitely deal with it..."

Zhu Zhishan shivered all over, then glared at David fiercely, and hurriedly took the people from the Martial Dao Alliance and left the Dharma Protector Pavilion!

After Zhu Zhishan led people away, Mr. Shi looked at David and said with a cold face: "David, you are too courageous to even dare to kill at the venue?"

"Do you think I dare not do anything to you? Or do you think you are amazing?"

The breath of Mr. Shi exuded, which scared Dong Liqun and Dong Jiahao behind David to tremble, while David did not change his face.

"Mr. Shi, isn't this what you want to see?"

David said with a smile.

Mr. Shi was stunned for a moment and looked at David: "What do you mean?"

"Mr. Shi didn't arrive for a long time, didn't he just want me to mess up the venue after leaving me for so long?"

"When the water is muddy, the fish can come out. Isn't this what Mr. Shi wants?"

David said indifferently.

"Hahaha, you kid..."

Mr. Shi laughed, and the coldness on his face disappeared instantly: "But if you mess up the water, deal with it yourself, walk out of the Dharma Protector Pavilion, I don't care about your life or death..."

### **Chapter 1333**

Mr. Shi's words made David stunned for a moment, as if he was being played with.

Seeing David like that, Mr. Shi continued: "Do you still want to be blessed for a lifetime?"

When David heard this, he shook his head: "Although I haven't been able to challenge the ability of the entire Kyoto martial arts world, it's not that easy for them to kill me!"

David's face was calm, even if Zhu Zhishan set up a net outside, David had the confidence to escape, and his confidence at this time was the universe circle in his hand.

Mr. Shi smiled, did not speak, but got up and left.

Walking out of the Protectorate Pavilion, Zhu Zhishan did not leave with the people from the Martial Dao Alliance. After seeing Mr. Shi come out, Zhu Zhishan hurried forward.

"Mr. Shi, I don't know what to do with that David?"

Zhu Zhishan asked Mr. Shi.

"Then David kills someone from your Martial Arts Alliance, then you kill him. I won't care about the grievances between you..."

Mr. Shi said lightly.

Mr. Shi's words made Zhu Zhishan stunned for a moment, but then he became excited.

If Mr. Shi wants to leave it alone, then David is not certain to die!

When Mr. Shi was far away, Zhu Zhishan looked coldly at the door of the Protectorate Pavilion.

"David, come out and die..."

Zhu Zhishan shouted angrily, and the entire Dharma Protector Pavilion was buzzing.

David could hear it clearly inside.

Dong Liqun looked at Dong Jiahao next to him: "Jiahao, go out and mobilize all the Dong family's hands and escort Mr. Chen away..."

Dong Liqun wanted to use the lives of everyone in the Dong family to make a way for David.

But who knew that David waved his hand: "You don't want to participate in this matter, I will handle it myself, if you do it, it will distract me even more..."

"Mr. Chen, but there are dozens of people in the martial arts alliance, and all of them are powerful, especially Zhu Zhishan, whose strength is even more unfathomable. It is very dangerous for you to go out like this."

Dong Liqun persuaded David.

“Don’t worry, I’m measured...”

David looked confident, smiled lightly, and then got up and walked out.

Dong Liqun and Dong Jiahao hurriedly followed behind David.

Zao Wou-Ki also brought a lot of people to follow, but the strength of these people is too far behind the Martial Dao Alliance, even if they follow, they are nothing more than praising people...

When David walked out of the Dharma Protector Pavilion, dozens of people surrounded David in an instant, and they all showed their breath!

“David, I didn’t expect you to really dare to come out. Now Mr. Shi doesn’t care about you, I think you are still arrogant!”

Zhu Zhishan looked at David with a sneer.

“Stop talking nonsense, come on if you want to do it, let everyone see, there are so many people in your Martial Arts Alliance, so you can bully the less...”

David looked around and said.

“Our goal is to kill you, so what can we do to bully the less?”

Zhu Zhishan knew that David was deliberately provoking himself like this, and wanted him to fight him alone!

But Zhu Zhishan is not stupid, he will not give David this chance!

Seeing this, David knew that a war was inevitable, so a golden light erupted from his body.

Layers of scales began to appear on the hard flesh, and the breath of the body was also fully displayed at this moment.

David's fists were also glowing with golden light, and the power of the dragon was mobilized to the extreme.

Immediately afterwards, David smashed his fist towards Zhu Zhishan, and the terrifying fist force headed towards Zhu Zhishan with the momentum of destroying the dead.

Zhu Zhishan's brows wrinkled slightly, and his figure flashed away directly.

Zhu Zhishan escaped, but those behind him suffered.

boom!

Only a loud bang was heard, and a deep pit instantly appeared behind them, and a dozen people were directly knocked out by the punch.

"Do it..."

Zhu Zhishan shouted angrily, and dozens of people from the Martial Arts Alliance rushed towards David with various weapons.

### **Chapter 1334**

A series of techniques hit David's body, making a crisp sound.

David relied on his undamaged golden body to bear the attacks of these people.

The whole person's eyes were red, and he shouted: "Today I will kill you all happily..."

There was a roar, followed by a shock, a force spread from the ground, and then people kept flying out by this force.

There are even weaker ones who were directly shaken and bleed to death!

Immediately afterwards, David threw a punch, instantly smashing through the chest of a half-step Wuhou strong man who rushed over!

Seeing David so ferocious, he was simply desperate, and began to feel a little timid!

"The devil catcher..."

Someone suddenly shot, and countless claw shadows appeared in an instant, and then tightly clasped David's limbs.

Immediately after, another thread of silk came from all directions, wrapping David like a zongzi!

Several people kept urging their inner strength, and the silk was getting tighter and tighter, and it shone with light!

David was restrained, and instantly countless weapons stabbed at David's body!

Dong Liqun and Zao Wou-Ki saw this scene, and they were all anxious!

And that Zhu Zhishan had a smile on his face, David must die today.

clang clang...

The sound of metal collisions sounded, and the weapons were all broken in an instant, and the silk on David's body also shattered.

I saw David's whole body flashing with golden light, and the scales on his body fell to the ground like raindrops, and disappeared instantly!

The attack by those people just now, although not hurting David, broke David's indestructible golden body.

At this moment, David's muscles were tense, and his hard body was glowing with light!

"go to hell..."

David shouted angrily, and then punched out.

A dragon roar sounded, and I saw David throw out this fist, and the fist strength turned into a golden dragon, instantly engulfing the guy who just cast the magic hand.

Immediately afterwards, David threw out another punch and took another person's life!

Dozens of people besieged David, and David killed several people one after another.

Zhu Zhishan's face turned cold, and after shouting angrily, he jumped up and slapped David.

It seems that he will do it himself today, otherwise even if David is killed, the Martial Arts Alliance will suffer heavy losses.

When everyone saw that Zhu Zhishan had started, they also retreated. Only Zhu Zhishan was needed to deal with David completely.

David greeted him with a palm, and the terrifying energy spread out towards the surroundings, and David's body retreated a few steps one after another.

Seeing David being shaken back by his palm, Zhu Zhishan's confidence increased greatly, and then he summoned a magic weapon and shot at David.

A dangerous aura instantly enveloped David.

David did not expect that Zhu Zhishan actually had a magic weapon with the power of the Great Marquis. It seems that this martial arts alliance really has a lot of resources!

boom...

A terrifying force bombarded David, and David gritted his teeth and smashed it out with a fierce punch.

After a loud bang, a deep pit exploded on the spot!

David flew out and fell heavily on the ground, but he got up in an instant.

Zhu Zhishan looked at David in disbelief, his eyes full of disbelief.

David no longer has the protection of the indestructible golden body, can he resist the power of the Great Marquis just by relying on the flesh?

The reason why Zhu Zhishan recruited the magic weapon is to kill David with one blow.

You must know that this magical tool is very precious, and every use will cause irreversible damage. When the damage reaches a certain level, this magical tool is completely useless.

David's internal organs are also churning, although David is not injured on the surface, but at this moment David's breath has long been disordered.

David endured it, and did not let others see it, and said with a cold smile: "Even if you take out the magic weapon, what can you do to me?"

### **Chapter 1335**

David's words made Zhu Zhishan's face pale, not to mention how ugly he was!

"David, you don't have to pretend. Although the first blow failed to kill you, I don't believe you can resist the second blow..."

Zhu Zhishan said, holding the magic weapon, ready to give David a thunderous blow!

But at this moment, David's expression suddenly changed, and he looked behind Zhu Zhishan with a dignified expression: "Mr. Shi, why are you back?"

David's words made Zhu Zhishan stunned and couldn't help but look back.

But when Zhu Zhishan turned back, David had taken out the Qiankun circle and threw it in the air, and a black hole appeared in an instant!

"Zhu Zhishan, your Martial Arts Alliance wait for me, I will be back sooner or later..."

After David finished speaking, his body instantly disappeared into the black hole.

When Zhu Zhishan found out that he had been fooled, he suddenly became furious: "Damn, shameless person, you actually lied to me..."

"Go after me, find me, this space magic weapon will not be transmitted too far, if there is news about David, report it immediately..."

Zhu Zhishan roared, and those from the Martial Arts Alliance came out to look for it.

Zhu Zhishan then turned his attention to Long Jingguo. Just now, Long Jingguo had been standing, and he didn't move at all, and he didn't make a move at all. Now it seems that he doesn't want to make a move to find David.

“Patriarch Long, don’t forget that your Long family is also a member of the Martial Arts Alliance, and your son Long Xiao was injured by David. Don’t you want to kill that David?”

Zhu Zhishan asked Long Jingguo with a dissatisfied face.

“I wish the leader, a little David, if the leader of the alliance makes a move, he will not be able to escape, why should I take action, there are still some things in my family, I will say goodbye...”

After Long Jingguo finished speaking, he turned around and left.

Zhu Zhishan looked at Long Jingguo’s rage, but he seemed to have a faint feeling that Long Jingguo and David seemed to have some relationship.

...

After David passed the Qiankun circle, he immediately fled away from the capital. He planned to go to the Red Lotus Palace to explore the secrets of the cave in the Red Lotus Palace, and by the way, retreat to improve his strength.

As the level got higher and higher, David found that he needed more and more spiritual energy, and it became slow and difficult to improve his strength.

Fortunately, Sonya was not in danger, and David still had time to improve his strength.

David left the capital and headed to the south, while the Martial Arts Alliance searched for David in a large area and could not find it!

Zhu Zhishan knew that if he could not find David and let David escape, he would be out of luck.

Those high-level officials in the Martial Arts Alliance, as well as the great power, will not let him go.

“Trash, it’s all fcuking trash...”

Zhu Zhishanqi’s face was ashen, and he shouted vigorously.

After venting, Zhu Zhishan knew that he was angry, and he had to find David as soon as possible, and then kill him, otherwise his life would be lost.

He took out the token from his pocket, Zhu Zhishan glanced at it, then put it back, and then walked out of the Martial Arts Alliance and went to a slum in the suburbs of Kyoto!

These are all places where some migrant workers live. They are all low-rise houses, the environment is not good, and there is an unpleasant smell everywhere.

On the streets here, many of them are small traders. Seeing the well-dressed appearance of Zhu Zhishan, they greeted Zhu Zhishan one after another.

It’s just that Zhu Zhishan’s face was cold, he didn’t even look at it, and went straight to the end of a hutong!

This is a broken house, and it is difficult to even shelter the house from the wind and rain.

In the house, a dirty old man was smoking a dry cigarette, resting his eyes slightly closed!

On a table in the room, there are several books and a few copper coins.

### **Chapter 1336**

Zhu Zhishan pushed the door and walked in, and the old man opened his eyes instantly. After seeing Zhu Zhishan, he instantly showed a flattering smile.

“This gentleman, are you going to tell your fortune? Please take a seat!”

The old man got up, hurriedly wiped the stool with his sleeve, and let Zhu Zhishan sit down.

In his opinion, Zhu Zhishan is well-dressed and a big client!

“I’m not dead!” Zhu Zhishan shook his head.

The old man was stunned for a moment, and then asked suspiciously: “Sir, I am here to tell fortunes, you are not fortune-telling, what are you doing here?”

“I’m here to find you to draw a talisman.”

Zhu Zhishan said bluntly.

“Drawing talismans?” The old man was stunned for a moment, and then his expression changed: “I am an old fortune-teller, how can I draw talismans, no, no...”

The old man waved his hands again and again and sat back again.

Zhu Zhishan didn’t say anything, but took out the token and slapped it on the table with a snap.

Seeing the token, the old man's face instantly turned ugly.

"Hu Mazi, if I can find this place, it proves that I know your identity. Don't give me sloppy eyes and draw two tracking marks, and I will pretend that I don't know anything!"

Zhu Zhishan said coldly to the old man.

The old man looked at Zhu Zhishan, then at the token on the table, and finally sighed helplessly.

Immediately afterwards, the old man lifted the torn quilt on the bed, took out the yellow paper and cinnabar from below, took a deep breath, and quickly began to draw.

Soon, the two tracers were drawn, and the old man's forehead was covered in sweat.

Zhu Zhishan picked up the tracker and put it away with satisfaction.

"This tracer needs..."

"You don't need to tell me, I will use it!" Before the old man could finish speaking, Zhu Zhishan interrupted him directly, and then continued: "You stay here honestly, maybe it won't be long before I use it. your turn!"

After Zhu Zhishan finished speaking, he turned around and left the broken house.

After Zhu Zhishan left, the old man pondered for a moment, then took off his dirty clothes. Under the dirty clothes, there was a tight suit, and then he slapped his face and put the human skin he was wearing on. The mask was lifted.

Under the human skin mask, there is a face covered with pockmarks, but judging from the appearance, the pockmarks are not very old.

After tidying up casually, Hu Mazi also left directly.

.....

At the entrance of the Protectorate Pavilion, Zhu Zhishan brought a few people from the Martial Dao Alliance here, because the place has just gone through a big battle, and there is a mess everywhere, and there is no time to clean it up!

Zhu Zhishan took out a tracking talisman, and then pinched it in his hand as if he was thinking something, and then the tracking talisman suddenly burned in Zhu Zhishan's hand.

The tracking talisman burned, and a large amount of smoke was instantly produced. Soon a surprising scene appeared. I saw David's figure appearing in the smoke, and even the surrounding scenery could be seen clearly!

"Hmph, I didn't expect to run so fast, this time I'll see where you're escaping..."

Zhu Zhishan snorted coldly, and then led people to chase in the direction of David's escape.

While chasing David, Zhu Zhishan also posted a message on the forum in the name of the Kyoto Martial Arts Alliance!

The leader of the Kyoto Martial Arts Alliance, Zhu Zhishan, wanted to personally hunt down David, and no sect family could provide any help to David, otherwise he would be the enemy of the Kyoto Martial Arts Alliance.

Such a news shocked many people. Although David often has news about him on the forum during this time, it is the first time that such a martial arts alliance has personally released news!

Even David killed Guo Wei, the director of the Martial Arts Alliance, and the Kyoto Martial Arts Alliance did not dare to publicly say on the forum that they wanted to hunt down David.

The disclosure this time also means that there is nothing behind David that makes the Kyoto Martial Arts Alliance jealous.

### **Chapter 1337**

“Isn’t there Mr. Shi behind David? How dare the Kyoto Martial Arts Alliance be so blatant this time?”

“Who knows, maybe Mr. Shi doesn’t care about him, and now David can’t escape.”

“Wait for a good show, the Kyoto Martial Arts Alliance has released news, I don’t think any sect family dares to take in that David!”

...

David was constantly being discussed on the forum, but at this time David didn’t even know about it.

After he escaped from the capital, he went all the way to the south and went straight to the Red Lotus Palace.

But what David didn’t know was that there was a person who was extremely fast and was heading towards the Red Lotus Palace. It seemed that he arrived earlier than David.

David was on the road, and he always cared about Sonya in his heart. In this world where strength is respected, David always felt that his strength was growing too slowly.

Although in the eyes of others, David's growth rate has long been against the sky, but David himself is not satisfied.

And this time, David also clearly realized that the martial arts world is unfathomable!

Whether it is a sect family or a martial arts alliance, it seems that behind these people or these families, there are invisible big hands controlling everything.

David found a big tree and rested, looking at the vast sky in the sky, David personally fell into infinite reverie.

"If I really become an immortal, will I be able to go directly to the Heavenly Palace?"

But just when David was thinking about it, suddenly several tyrannical breaths were constantly approaching David!

David sensed it instantly, and his face changed slightly.

The strength of these breaths is above Marquis Wu, which makes David feel the pressure.

"How did these guys from the Martial Arts Alliance find me so quickly?"

David is full of puzzled, obviously he has escaped so far, how can the people of the Martial Arts Alliance still find him.

Before he could think about it, David immediately got up and left quickly.

Not long after David left, Zhu Zhishan led someone to chase him here.

Zhu Zhishan stood at the place where David rested, and looked at the big tree that David was leaning against just now.

“Hmph, this guy runs very fast, today I’m going to play a cat-and-mouse game and make fun of him...”

Zhu Zhishan snorted coldly, and then led people to continue chasing in the direction where David fled.

David fled forward with all his strength, thinking constantly in his mind, how did these guys in the Martial Arts Alliance find themselves.

If it was chased by breath, it was obviously impossible. David had already escaped so far, how could he still be detected by breath?

At this moment, David felt those tyrannical breaths again.

“So fast?”

David frowned and stepped up.

If it wasn't for the limited use of the Qiankun Circle and it could not be used frequently, David would have used the Qiankun Circle to escape again.

Zhu Zhishan and the others were chasing after him closely, not daring to relax in the slightest. Zhu Zhishan knew that this time David did not die, but he died!

"Damn, these people are too perverted, they have chased so far, and they are still chasing..."

David couldn't understand why the Martial Arts Alliance didn't seem to give up if it didn't catch up with him this time.

David hid the breath of his body so as not to be noticed by others, and then scattered his consciousness around to check whether there was any danger around him.

Finding that no one was blocking in front, David quickly changed direction. This time there was no breath, and he was relieved. David did not believe that these people could catch up with him.

Zhu Zhishan chased after David's change of direction, stopped suddenly, and then frowned slightly, as if he was sensing something, but after a while, Zhu Zhishan frowned!

"Damn, this kid has hidden his breath..."

Zhu Zhishan cursed, and could only take out the tracer again.

## **Chapter 1338**

As the tracking talisman burned in Zhu Zhishan's hand, David's whereabouts appeared again.

Seeing that David actually changed his direction, Zhu Zhishan smiled coldly: "I'm still playing this sh!t with me, I don't want to take out my palm today..."

After finishing speaking, Zhu Zhishan led the people to chase after David again.

After running a distance, David began to sit down to recover his strength. He felt that the people from the Martial Arts Alliance should not be able to catch up this time.

But not long after David sat down, a few familiar breaths struck again, which made David suddenly violent.

"Damn, it's not over..."

Just as David got up, four figures surrounded David.

Zhu Zhishan looked at David coldly: "You can escape, but no matter how much you can escape, you can't escape from my palm."

"I'm running away from your mother, I just don't want to play with you, do you think I'm afraid of you guys from the Martial Arts Alliance?"

"A bunch of sanctimonious guys, colluding with evil cultivators, are you also worthy of being the leader of the Martial Arts Alliance?"

"Just like you, your parents have spirits in the sky, and they are embarrassed for you!"

David was chased all the way, and he was so angry that he simply poured his anger on Zhu Zhishan.

Zhu Zhishan was stunned by David's scolding.

He had never encountered such a thing.

You must know that David is also a Marquis now. How can a master of this strength be like a shrew?

Seeing Zhu Zhishan's dazed look, David said again: "Quickly, let your mother do it, I'm not afraid of you, you guys will go up together!"

Zhu Zhishan's face became more and more gloomy, and the murderous aura spread out from his body. Even the guy from the hurried martial arts alliance he brought, felt the murderous aura in Zhu Zhishan, and could not help but tremble.

"Boy, if I don't tear you to pieces today, I won't be the leader of the alliance..."

Zhu Zhishan roared, and the terrifying aura on his body exploded.

David's body is also golden, and the golden scales cover David's body.

Before Zhu Zhishan could react, David shot directly at Zhu Zhishan.

Zhu Zhishan's eyes narrowed slightly, and he pushed his palm forward, and a white light suddenly condensed in front of him.

This white light is a barrier, blocking Zhu Zhishan.

David slammed the punch, and the barrier in front of Zhu Zhishan shattered, and Zhu Zhishan grabbed David's fist as soon as David's punch was released.

David was slightly startled, although the barrier just now made David's punch release a lot of energy, but even so, the power of this punch can crack mountains and rocks.

However, Zhu Zhishan was able to directly grab David's fist with one hand, so that David could not move forward at all. This strength is not comparable to ordinary Wuhou.

The strength of Zhu Zhishan is much stronger than that of Ning Dahai, and Zhu Zhishan also brought a few subordinates. David knew that it was almost impossible for him to win today. He could only search for and almost continue to escape. Just do it.

"Hmph, things that are beyond your own power, show off in front of me, you are still a little tender..."

After Zhu Zhishan finished speaking, the other palm instantly slapped David's chest!

bang...

David's body was shot flying out in an instant, and after hitting a lot of trees, David's body stopped.

This palm caused a lot of scales on David's chest to fall off, revealing his firm muscles!

David didn't care about those, but gritted his teeth and charged towards Zhu Zhishan again.

Seeing David's desperate attitude, Zhu Zhishan not only did not dodge, but looked at David with a sneer.

“Let me see how strong your body is...”

After Zhu Zhishan finished speaking, the aura on his body also began to soar, and then the whole person turned into a ray of light and collided with David.

### **Chapter 1339**

bang bang bang ...

The two people collided constantly like this, and every time they collided, they would cause waves of space distortions and tremors!

bang...

Another collision, the bodies of the two people separated.

David's undead golden body has long been fragmented, and there are also scars on his powerful body.

David's fist is even more bloody, and his appearance is very miserable!

On the other hand, Zhu Zhishan's body did not suffer many scars, but when he took out the Dawuhou magic weapon from his arms, he found that the magic weapon had cracks!

After Zhu Zhishan was taken out, the magic weapon instantly turned into fragments and fell to the ground.

Only then did David understand. It turned out that the mountain of Zhuzhi just now relied on the power of the magic weapon to follow him head-on.

“You cheat...”

David’s eyes narrowed slightly, and he gritted his teeth and looked at Zhu Zhishan.

“Cheat?” The corner of Zhu Zhishan’s mouth twitched: “Hahaha, I didn’t promise you anything, why did I cheat?”

“If you have the ability, you can also take out your magic weapon, but no matter what you take out today, you must die...”

Zhu Zhishan has made up his mind, he must kill David, if David does not die, he will die.

After Zhu Zhishan finished speaking, the terrifying fist force bombarded David again.

David is now seriously injured, and Zhu Zhishan has completely ignored David.

Seeing this, David suddenly stretched out his hand and took out the Dragon Slaying Sword, and then put the Dragon Slaying Sword across his chest.

clang...

With a crisp sound, David’s body quickly retreated, and two deep marks were drawn on the ground under his feet!

And Zhu Zhishan's wrist was numb, and he looked coldly at the Dragon Slaying Sword in David's hand.

David stabilized his body, and his forehead was covered in cold sweat. Fortunately, he hurriedly took out the Dragon Slaying Sword to block it for himself. Otherwise, if the punch from Zhu Zhishan just hit him, even if he didn't die, he was afraid it would be his internal organs. The six internal organs will also be injured!

"Hmph, no matter what you take out, it won't save your life..."

The breath in Zhu Zhishan soared here, and then charged towards David.

Looking at Zhu Zhishan rushing over, David didn't dodge or dodge, and seemed to be thinking about something.

Just when Zhu Zhishan was in front of him, David suddenly put away the Dragon Slaying Sword, and then hung his chest in front of Zhu Zhishan.

Zhu Zhishan didn't know what David meant, but he didn't stop, instead he punched David's chest fiercely.

David spurted out a mouthful of blood, and his internal organs were almost shattered, and then his body flew away like a kite with a broken string.

When he was in the air, David gritted his teeth, suddenly raised the spiritual power in his dantian, and then stared at the tree with his feet and rushed into the distance!

David was injured and escaped with the help of Zhu Zhishan's power.

Seeing David jumping up to escape, Zhu Zhishan did not panic, but a playful smile appeared on the corner of his mouth!

David turned his head to look and found that Zhu Zhishan was looking at him, but not chasing him, which made David very puzzled.

But just when David was wondering, suddenly his body seemed to hit something and fell straight to the ground.

David looked intently, and found that he didn't know when, the guys brought by Zhu Zhishan had already set up a net all around, and David just fell off after hitting the light curtain.

Seeing David's embarrassed appearance after he fell, Zhu Zhishan laughed out loud.

"Hahaha, you didn't expect you to have today, right? I said it, you can't escape today."

"Any last words, I can pass on to your girlfriend for you."

"When your girlfriend is useless, I can let her go underground to accompany you!"

Zhu Zhishan looked at David mockingly. In his opinion, David is now a piece of meat being slaughtered on the chopping board, and he cannot escape.

## **Chapter 1340**

The veins on Zhu Zhishan's forehead burst out. He didn't expect David's last blow to be so powerful.

When Zhu Zhishan slowly looked not far away, he found that David was lying on the ground alone, and he was motionless.

Walking over slowly, Zhu Zhishan found that David had lost his breath, and his entire body was scarred!

“Damn, this kid is so ruthless that he wants to die together in the end!”

Zhu Zhishan looked at David’s body and cursed involuntarily.

However, since David was dead, Zhu Zhishan breathed a sigh of relief, and he could also explain it to the top.

Just when Zhu Zhishan turned around and was about to leave, he suddenly stopped, and he seemed to think of something.

Then he slowly walked to David again, slowly raised his foot, and stomped hard on David’s chest.

A big hole appeared in David’s chest instantly, and his internal organs were clearly visible!

Seeing this, Zhu Zhishan was convinced that David was really dead.

He was afraid that David would come back to life. Some time ago, Ning Dahai killed David and took pictures, but David came back to life.

Zhu Zhishan was also afraid that David would come back to life after he left, so he stepped on it.

Seeing that everyone is like this, even if Daluo Jinxian came, it would be impossible to save him, so Zhu Zhishan left with peace of mind!

On the martial arts forum, the news that David was killed once again came out!

The last time was released by Ning Dahai, and this time it was from the Martial Arts Alliance.

“This David has died twice, and I don’t know if he really died this time...”

“This time, it is the news released by the Martial Arts Alliance. I wish the leader of the alliance will do it himself, and it will not be bad...”

“This David is too crazy, but he wants to provoke the Martial Arts Alliance. Isn’t this courting death?”

“Mr. Shi stops supporting David, he will be killed immediately, this is the reality...”

...

There was a lot of discussion on the martial arts forum, but this time most of them chose to believe in the martial arts alliance.

After all, Zhu Zhishan went out in person, and David’s chances of survival were very low.

Once again, hearing the news of David’s death, whether it was the Valley of the Evil and the Valley of the Medicine God, they all fell into great grief.

Even Ji Ruxue and Xiaomin from the Red Lotus Palace seemed to be lost for a moment. They couldn’t believe it. David was separated from them by yin and yang, but David promised them that he would definitely come back to see them.

At this time, David was lying in the barren hills and woods. It was already the third day, and the scene was still very bloody.

Several eagles hovered overhead, and their eyes fell on several corpses on the ground.

After finding that there was no danger, several eagles plunged down.

Then he nibbled on the corpses of several members of the Martial Arts Alliance.

And there was an eagle slowly walking towards David, looking at the blood hole in David's chest and the exposed internal organs, the eagle was about to peck it down when it opened its mouth.

But at this moment, a white light suddenly flashed in David's body. This sudden white light scared the eagle and fled in an instant.

I saw David's body, the palm-sized Nascent Soul was flashing white light, and a blood hole could be clearly seen on Nascent's chest.

The white light wrapped Yuan Ying, and finally wrapped David's entire body.

The wound on David's body was healing at a speed visible to the naked eye, and even the damaged internal organs were growing again.

I don't know how long it took, David's hand suddenly moved, and then he slowly opened his eyes.

Looking at the dim sky, David let out a heavy sigh.

After struggling to get up, David looked at his intact body and finally showed a smile!

He has never experienced physical rebirth. When David chose to die with Zhu Zhishan, he was afraid that he would really die.
