

## A Man Like None Other Chapter 1401 – 1410

### Chapter 1401

Dragon family!

After Long Jingguo returned home, his face became extremely ugly.

David fought with Du Da, which made Long Jingguo very worried at this time.

“Dad, what’s wrong with you?”

Long Xiao saw Long Jingguo’s sad face, so he came over and asked.

Long Jingguo raised his head and looked at Long Xiao. At this time, Long Xiao’s body had almost recovered, and the body covered by the black robe had also grown firm muscles!

“Xiaoer, for this trial, Mr. Shi personally named David to participate...”

Long Jingguo said to Long Xiao.

When Long Xiao heard it, he immediately showed excitement: “That’s great, just in the name of the trial, I killed that David directly and absorbed his strength.”

“Xiaoer, don’t underestimate that David too much. Now David’s strength has grown by leaps and bounds, and even that Zhu Zhishan has been cut off by David.”

“Today, Duda, who disappeared for decades, fought with David. I watched David kill Duda with my own eyes. The method was extremely cruel!”

“This time, if David also goes, I’m afraid you are not his opponent...”

Long Jingguo expressed his worries.

When Long Xiao heard this, his expression became solemn. He did not expect David’s strength to reach such a terrifying height in such a short period of time.

After a while, Long Xiao said: “Dad, this trial is held by our Long family, so we can control who participates, we can do this...”

Long Xiao whispered a few words in Long Jingguo’s ear, Long Jingguo’s eyes lit up, and then nodded: “Okay, I’ll get in touch now, although David is very powerful, he is still invincible with two fists! “

After speaking, Long Jingguo got up and left quickly.

And that Long Xiao had killing intent flashing in his eyes: “David, this time I will definitely make your life worse than death...”

...

Kyoto, the martial arts alliance!

Zhu Zhishan fled back a little embarrassed, panting heavily, his heart was already extremely angry!

Now that even Duda is no match for David, who else can he find to kill David?

“I wish the leader, come back so soon? I don’t know how the battle is going?”

Ning Zhi asked with a smile when he saw Zhu Zhishan who came back in a state of embarrassment.

“Do you still need to ask? If that David is dead, I will carry his head when I come back!”

Zhu Zhishan said a few words in anger.

He cast all his anger on Ning Zhi’s body.

It’s just that Ning Zhi was not angry, but continued to laugh: “I wish the leader of the alliance not to be discouraged, the four masters trained by our martial arts alliance can be dispatched now, and David will not be able to jump for a few days!”

Hearing Ning Zhi talking about the four masters trained by the Martial Arts Alliance, Zhu Zhishan’s eyes suddenly lit up: “Yes, how could I forget them...”

“This time, the four of them will participate in the trial held by the Long family, and David will also participate. At that time, in the trial ground, life and death will be left to fate...”

Ning Zhi said with a sneer.

After Zhu Zhishan heard this, he suddenly laughed out loud, the haze on his face was also swept away, and when he looked at Ning Zhi, he seemed a lot more pleasing to the eye.

“Leader, the head of the Long family asks to see you...”

At this time, a member of the Martial Arts Alliance walked into the report.

“What is Long Jingguo doing to me at this time?”

Zhu Zhishan frowned slightly.

At this time, Ning Zhi turned his eyes slightly: “Alliance leader, if my guess is correct, then Long Jingguo must be here to discuss with you how to deal with David.”

“The Long family also has deep hatred with David, especially Long Xiao, who was directly beaten by David and made a crippled person. This hatred of the Long family will definitely be avenged.”

“And today David defeated Du Da, and Long Jingguo must have realized the danger, so he came to discuss with the leader to deal with David together.”

I have to say that this guy Ning Zhi is extremely meticulous, and his scheming is very deep. Few people can see through him. This guy's emotions are indistinguishable, and he will be David's rival in the future!

## **Chapter 1402**

...

On the way to the Valley of the Wicked, David is moving fast!

He wanted to find a safe place to refine the Nascent Soul as soon as possible, and finally he chose to go to the Valley of the Wicked. After all, refining the Nascent Soul could not be accomplished overnight, just the four evil men could protect himself!

But just as David had just left the boundary of Kyoto, someone in front of him suddenly blocked his way!

Seeing the person standing in front of him, David suddenly looked helpless.

“Captain Xing, why is it so coincidental? Can I meet you here?”

David stepped forward and said to Xing Jun.

“David, it’s not all together, I’m here to wait for you.”

Xing Jun said lightly.

“Waiting for me specifically?” David looked surprised: “What are you waiting for?”

“Mr. Shi has a request.”

Xing Jun said to David.

“What do you want me to do?” David asked cautiously.

“Then I don’t know. Mr. Shi asked me to wait for you here. After seeing you, I will invite you back...”

Xing Jun spread his hands and said.

David hesitated, and finally said: "I still have something to do, I don't have time to see Mr. Shi, you go back and tell him, don't mess with me and lock me up again..."

After David finished speaking, he jumped forward, went out more than ten meters in an instant, and then quickly ran forward.

David is not going to see Mr. Shi. He has no time now. He needs to refine Nascent Soul as soon as possible to improve his strength.

Seeing that the end of the year is approaching, David still can't save Sonya and his mother, and he is very anxious.

"Hey hey..."

Seeing that David suddenly ran away, Xing Jun hurriedly chased after him.

But just as David ran a certain distance, he felt a huge aura coming towards him, which instantly stopped David's rapid body.

David was shocked. He didn't know who the owner of this huge aura was. If he could make himself unable to move by just relying on his breath, then the opponent's strength must be unfathomable.

Just when David was nervous, as if he was facing a big enemy, he saw a middle-aged man in a suit and glasses walking towards him.

This person is Mr. Shi.

“Are you so afraid of seeing me?” Mr. Shi asked David with a smile.

“I...what am I afraid of? I just have something important to do.”

David’s eyes dodged.

Since Mr. Shi revealed his strength, David was indeed a little apprehensive when he saw him. After all, the gap between his and Mr. Shi’s strength was too great. As soon as people waved, David probably hung up.

“Important thing? Isn’t it just that you are in a hurry to refine that Nascent Soul? You can refine Nascent Soul at any time, but this opportunity I found for you is an opportunity that cannot be missed, and it will never come again!”

Mr. Shi broke David’s small calculation in one sentence.

“what chance?”

David was stunned for a moment, then asked.

At this moment, Xing Jun chased after him out of breath: “Mr. Shi, you guessed too correctly, this kid really didn’t go to see you, and ran away even after breaking through...”

Mr. Shi smiled, and then said to David: “The Long family will hold a trial in two days, and I have signed up for you.”

“Trial?” David frowned, then shook his head hurriedly: “No, I won’t go to any trial, it’s boring...”

David didn't want to waste time doing any trials, and it was the most important thing to refine Nascent Soul in the shortest time.

"Don't rush to reject me, don't you want to hear where the trial is?"

Mr Shi said.

"Where?" David asked.

"Dragon Lock Island..."

When Mr. Shi said the words Suolongdao, David showed a look of surprise.

"No, what else is there to try on Suolong Island? Now it has become an ordinary island for tourism."

David's face is full of questions!

### **Chapter 1403**

"There is still a ruin on Suolong Island. This time, the Long family took out Suolong Island as a trial site. It is a once-in-a-lifetime event."

"It's rare that you don't want to go to Suolong Island? I remember that you still care about Suolong Island, right?"

Mr. Shi smiled lightly.

David was silent, because Suolong Island carried too many things for David.

Moreover, Xiaoru has been frozen on Suolong Island, but David followed Ning Zhi to Suolong Island, and after getting the Yanlong Dragon Crystal, David looked for Xiaoru, but couldn't find it.

The scenery on the whole island has changed, so David can no longer find where Xiaoru is, but David has never forgotten it, he has always wanted to find an opportunity to save Xiaoru!

After being silent for about a few minutes, David gritted his teeth: "Okay, I promise to go here to try..."

David also took advantage of this trial to find Xiaoru on the island to see if he could find it.

"Since you agreed, then come back with me!"

After Mr. Shi finished speaking, he then reached out to David: "Give me Yuan Ying, and I will keep it for you."

David clasped his hands tightly on his chest, then shook his head, this Nascent Soul was the most precious resource for David, how could he just give it to him.

Seeing David like that, Mr. Shi smiled: "It's fine if you don't give it, but if someone else steals it, you don't have to regret it..."

"I won't regret it..."

David said firmly.

Mr. Shi didn't say anything, but the group returned to Kyoto.

.....

Time flies, two days have passed in a blink of an eye.

On this day, in a certain square in Kyoto, a lot of people gathered. The experience held by the Long Family this time was much larger than that held by the Martial Arts Association.

After all, the experience held by the Martial Arts Association is only for the selection of members of the sect family who have participated in the Martial Arts Association. At that time, Ning Zhi and Dong Jiahao, also through the relationship of Zhu Zhishan, could be regarded as following long-term knowledge, but they could not win the trial land. baby.

This time, the Dragon Family is different. All the sects and families can choose their children to participate, but the lowest strength is also the Wu Zong, and there are many young talents in the realm of Marquis!

At this time, David discovered that the younger generation is also full of talents, but many people don't like to show their faces.

As for the Free and Easy List, the experts who can be ranked on it are all people who like to show off.

"David..."

Just when David was about to see if he had any acquaintances, he heard someone calling him.

So David turned his head and saw that three people of the same age as him were walking towards him.

One of the leaders is already in the realm of Marquis, and the aura on his body is not hidden, so he is exposed!

David looked at the three people and found that they didn't know each other at all, so he asked the leader, "Do you know me?"

"Of course I know you. You are famous now. There are a few people in the entire Kyoto martial arts world who don't know you."

The leader smiled slightly.

David was a little embarrassed by what he said, and David didn't want to be so famous, but he was always being troubled by people.

David didn't know the intention of several people, and just when he didn't know what to say, he suddenly found an acquaintance, so he hurriedly chased after him.

"Brother Dong..."

David patted Dong Jiahao on the shoulder.

Dong Jiahao turned around and saw that it was David, and instantly revealed a surprise: "Brother David, are you also here to participate in the trial?"

David nodded.

“I really didn’t expect that the Long family would be so generous. If you beat that Long Xiao to death, they would still allow you to participate in the trial...”

Dong Jiahao was very surprised. After all, this was a private trial organized by the Long family, and David could not be allowed to participate.

David smiled and did not explain, this is what Mr. Shi asked, and I believe the Long family would not dare to refuse.

#### **Chapter 1404**

“Brother Dong...”

At this time, the three people who had just spoken to David also came over.

“Xin Pengfei, I didn’t expect you to come too!”

Dong Jiahao glanced at the leader and said with contempt.

Looking at Dong Jiahao’s expression, Xin Pengfei just smiled lightly: “This kind of good thing, of course, can’t be let go. This time, we can follow Brother David and see the ability of Brother David, we are lucky for three lives.”

“Brother David is now the number one on the Free and Easy List. He is considered the leader of the younger generation. Almost all the geniuses of the younger generation have been overshadowed by Brother David!”

Xin Pengfei praised David!

David didn't change his expression, but he heard the name a little familiar, but he couldn't remember it for a while.

When Dong Jiahao listened to Xin Pengfei's praise, he smiled coldly: "Why didn't you say that Brother David is the best when you wrote the gauntlet at the Martial Arts Forum? Is it the first person on the Free and Easy List?"

After Dong Jiahao finished speaking, David instantly remembered that it was the guy in front of him who wanted to fight with him on New Year's Day at the Martial Arts Forum.

When Xin Pengfei was asked by Dong Jiahao, he immediately seemed a little embarrassed: "I was just joking at the time, how can I be the opponent of Brother David in this skill."

"Hmph..." Dong Jiahao snorted coldly, and directly pulled David to the side, seemingly not wanting to pay attention to Xin Pengfei and them.

"Brother David, don't worry about Xin Pengfei's grandson in the future, this guy is just a piece of sh!t, he's full of bad water..."

Dong Jiahao told David.

David smiled lightly: "I don't know him, and I don't even want to know him..."

Just as David was talking to Dong Jiahao, there was a sudden commotion in the crowd, and then the crowd automatically moved out of the way.

David saw that a girl slowly walked into the crowd. The girl was very beautiful, with a fairy-like air on her body.

That kind of temperament makes many people stunned, especially the aura emanating from the girl, which is actually Marquis Realm!

This made David a little surprised. It was incredible that such a young girl could cultivate to the Marquis Realm!

David wanted to ask Dong Jiahao who this girl was, but he saw that Dong Jiahao had long since looked straight, his mouth was slightly open, and the harazi was about to come out.

“Brother Dong, Brother Dong...”

David gently pushed Dong Jiahao twice, and Dong Jiahao woke up instantly.

Wiping the corners of his mouth hastily, Dong Jiahao said with light in his eyes: “Brother David, this trial is going to be lively, do you know who this girl is?”

David shook his head blankly, he didn't know the girl at all.

“This girl's name is Ge Jiayi. She is the jewel of the Ge family. She has already reached the realm of Marquis at the age of nineteen. A proper genius, and a young woman in the entire Kyoto martial arts world, this Ge Jiayi should have the highest strength.”

“She is not only talented, but also beautiful, and she speaks with a celestial air. Back then, how many young masters in Kyoto were fascinated by her, and people fought for her all day long!”

“But then Ge Jiayi retreated. This retreat has been going on for many years. Slowly, people are not so crazy, but I don’t want this Ge Jiayi to come to participate in the trial today!”

The more Dong Jiahao spoke, the more excited he became, and his eyes never left Ge Jiayi’s body.

Those who participated in the trial on the spot were all the sons of major sects, or the role models of the younger generation. Now that Ge Jiayi appeared, their eyes widened!

“Miss Ge, I didn’t expect you to leave!”

At this time, Xin Pengfei stepped forward first and said hello to Ge Jiayi.

Ge Jiayi also politely nodded towards Xin Pengfei: “I haven’t seen you for a few years, and you are now the number one on the Free and Easy List.”

#### **Chapter 1405**

Xin Pengfei blushed: “That’s all made up by many netizens. With my little strength, what can I count in front of Miss Ge, and Miss Ge’s talent is enviable...”

Ge Jiayi smiled slightly: “It’s overrated, what kind of talent do I have? I just need to work hard. When it comes to talent, there is only one person who is talented...”

After Ge Jiayi finished speaking, she turned her attention to David.

David felt Ge Jiayi’s gaze, and he didn’t understand. How did Ge Jiayi know about her just after leaving the customs?

Dong Jiahao, who was beside David, became nervous when he saw Ge Jiayi looking towards them, and his breathing began to be short.

When You Qi saw Ge Jiayi walking towards this side, Dong Jiahao trembled all over, and hurriedly arranged his hair with his hands.

Looking at Dong Jiahao like that, David wanted to laugh. It seems that Dong Jiahao is not much different from himself in terms of emotional intelligence towards women...

Ge Jiayi stopped in front of David, then stretched out her fair and delicate hand and smiled slightly: "Hello David, my name is Ge Jiayi..."

Seeing this, David followed Ge Jiayi and shook hands. Ge Jiayi's hands were soft and boneless, and there was a faint fragrance on her body, which made it difficult for men to control themselves.

Just when David was about to let go, he suddenly found a surging force coming from Ge Jiayi's hand, and David's hand seemed to be caught by a vise!

This force continuously invaded David's body, and David's entire arm began to go numb. remember url

Ge Jiayi showed a faint smile on the corner of her mouth, with a bit of provocation in her eyes.

David's face was calm, looking at Ge Jiayi like that, he suddenly grinned, and then the power of the dragon in his body erupted, instantly rebounding Ge Jiayi's power back.

The smile on Ge Jiayi's face disappeared instantly, replaced by a strong look of shock.

“Miss Ge, hello...”

Dong Jiahao saw that David and Ge Jiayi kept holding hands and did not let go, and he was envious for a long time, so he stretched out his hand and said to Ge Jiayi.

Ge Jiayi took the opportunity to let go of David’s hand. After looking at David, she smiled slightly and shook hands with Dong Jiahao.

Dong Jiahao shook Ge Jiayi’s hand, but he released it immediately, but it was this touch that made Dong Jiahao so excited that he almost jumped up.

“Mr. Chen’s strength is really extraordinary, I really hope to have time to experience two tricks...”

Ge Jiayi looked at David and said in disapproval.

“Anytime...”

David said with a flat face.

At this time, David instantly attracted the attention of many people, and these eyes were filled with unspeakable hostility and jealousy.

Among these hostile gazes, there was a boy with a slightly fat body and a rose in his hand. The hostility and murderous intent in his eyes were the strongest!

“David, I want to challenge you...”

At this moment, the slightly fat boy rushed out and shouted at David!

David looked at the man who rushed out in surprise, not sure why this guy suddenly went crazy.

And when Ge Jiayi saw the boy who rushed out, her face instantly turned gloomy.

“Sun Peng, are you a mad dog? You bite people wherever you go...”

Ge Jiayi reprimanded the boy angrily.

Hearing such reprimands, David was very surprised. He couldn't understand how cruel a girl like Ge Jiayi was!

And in front of so many people, this Sun Peng would definitely be anxious when he was so insulted.

But who knows, Sun Peng, instead of being anxious, said to Ge Jiayi in a soft voice: “Jiayi, I must compare with this David and let you see who is the most talented...”

“Dude, I don't know you at all, why should I compete with you? Besides, this is not a place to compete. Let's talk about it when I have time...”

David didn't want to fight with this Sun Peng, so after he finished speaking, he turned around and dragged Dong Jiahao away.

**Chapter 1406**

“Brother David, this Sun Peng is Ge Jiayi’s first dog licking. I guess I’ve been jealous after seeing you shaking hands with Ge Jiayi for a long time.”

Dong Jiahao looked at David and smiled playfully.

David smiled helplessly: “Lick the dog, lick the dog, lick the dog until there is nothing...”

But before David’s words fell, he suddenly felt a strong wind blowing behind him!

That Sun Peng took advantage of David’s inattentiveness, clenched his fists, and smashed at David with an endless domineering aura.

Looking at this posture, it’s like following David to have a bloody feud!

David’s expression turned cold, and then he turned around to avoid the punch.

Looking at Sun Peng’s murderous eyes, David’s face also became very ugly.

He followed Sun Peng without any grievances, but this guy actually killed him. He really regarded himself as a soft persimmon, and he wanted to kick him casually.

Soon, the golden light on David’s body flickered, and his fists also flickered with golden light.

Originally, Ge Jiayi wanted to persuade and pull that Sun Peng away, but when she saw that David was about to make a move, Ge Jiayi didn’t move. She wanted to see if David’s true skills were as miraculous as the legends said.

The people around were all watching the excitement, and no one came forward to stop it!

And that Sun Peng didn't even know it, he even punched David again.

David greeted him head-on, without any bells and whistles, just a ruthless punch!

boom!

There was a loud noise, a huge fluctuation of energy, and a gust of wind was set off!

Immediately afterwards, I saw that Sun Peng's body flew out, otherwise there were too many people around and Sun Peng was stopped.

On the other hand, David had a gloomy face and did not move!

Sun Peng stood up angrily, but his right arm could no longer be lifted, and David's punch just now broke him.

But in front of Ge Jiayi, Sun Peng didn't want to appear too embarrassed.

"Boy, I'm not in a good state today, you remember it for me, I'll clean up you sooner or later..."

With a fierce look, Sun Peng pointed at David: "If you let me know that you bullied Jiayi, I'll kill you..."

After speaking, Sun Peng looked at Ge Jiayi with a smile: "Jiayi, if this David dares to bully you, tell me, I'll find someone to kill him, I still have something to do, go first..."

At this moment, Sun Peng's forehead was covered in cold sweat, and the pain from his arm made him unable to stay for long.

Just when Sun Peng turned to leave, David stopped him.

"Shoot me and leave if you want?"

David said coldly.

"What? What do you want to do to me?"

Sun Peng turned to look at David, his eyes narrowed.

"If people don't offend me, I won't offend others. If anyone offends me, then I will kill..."

As soon as the word "kill" came out, David's murderous aura instantly filled his body, and the temperature in the entire square also dropped instantly!

I saw the golden light flickering on David's body, and the time came to Sun Peng in the blink of an eye.

Sun Peng didn't have time to react at all, and was directly slapped in the chest by David.

boom!

The ferocious spiritual power slapped Sun Peng fiercely, sending Sun Peng's body flying out.

This palm caused Sun Peng to vomit blood in mid-air, screaming in agony!

Soon, Sun Peng's body slammed heavily on the ground, smashing all the cracks out of the ground!

David's body followed closely behind, falling in front of Sun Peng again.

Sun Peng was lying on the ground with a very ugly face.

On the other hand, David stepped on Sun Peng's head, his face was terrifyingly cold!

Sun Peng felt the killing intent on David, and his heart began to become frightened!

Just when he asked for mercy, when he saw Ge Jiayi coming over, Sun Peng's vanity instantly made him hard.

"David, kill me if you fcuking have the ability, or wait for me to stand up and I'll kill you..."

Sun Peng's expression was very tough, but in fact he was already scared to death!

### **Chapter 1407**

However, he didn't want Ge Jiayi to underestimate him.

David narrowed his eyes slightly, then bent down and picked up Sun Peng.

"You're up now, you can kill me..."

David said lightly.

Sun Peng was so angry in his heart, he was just pretending to be coercive, but David really got him up.

But the matter has come to this point, this compulsion can only be forced on.

Sun Peng raised his left arm and swung an uppercut at David.

David grabbed Sun Peng's wrist and used light force to break Sun Peng's left arm.

Then, David slapped Sun Peng in the face!

Sun Peng's face was instantly swollen, and his teeth flew out several times.

Sun Peng's face flushed and he roared, "David, you fcuking..."

Snapped!

Before Sun Peng finished speaking, David slapped him again.

Immediately afterwards, there was the sound of slaps, and Sun Peng was like a dead dog, being beaten by David!

This scene made many people sigh!

“Taking me as the steps on the road for you to lick the dog is the worst choice in your life...”

“go to h3ll...”

After David finished speaking, he slapped Sun Peng’s head with a fierce palm.

Seeing this, Ge Jiayi on the side suddenly waved his hand, a burst of energy hit, and instantly blocked David’s palm!

David let go, and Sun Peng lay on the ground like a dead dog!

But there was excitement in his eyes, because he saw that Ge Jiayi had rescued him.

He must have been in his heart to save him.

Now Sun Peng felt that his beating was too worth it.

“He has already been taught by you to be like this, so why kill him...”

Ge Jiayi said to David.

“Just now he shot at me, and he used the ultimate move. If I can’t dodge, I will die. Why don’t you stop it?”

“Now jump out and be the good guy? Don’t you think it’s funny?”

“I still say the same thing, if people don’t offend me, I won’t offend others. If anyone offends me, I will kill them...”

“I have no grievances with him, but he murdered me, so he deserves to die!”

“If you stop me, I don’t mind killing you together...”

David’s face was cold, and the killing intent on his body continued to rise!

“you...”

Ge Jiayi didn’t expect David to talk to her like this, and her face flushed with anger!

The others were also amazed. They didn’t expect David to dare to talk to Ge Jiayi like this.

David suddenly kicked and kicked towards Sun Peng.

Sun Peng’s head was kicked out like a watermelon in an instant, and he didn’t even have time to call for help!

Looking at the tragic death of Sun Peng, Ge Jiayi’s face was indescribably ugly.

When other people saw this, they also felt a chill in their hearts. Many people wanted to take action against David, and they all took it back at this moment.

Sun Peng never thought that he would be a licking dog by himself, and he would lose his life in the end!

“Who is so courageous to make trouble and kill people at the trial ceremony held by my Long family?”

At this time, a cold and cold voice came from a distance, and then I saw a figure, from far to near, slowly falling from the air.

The person here is none other than Long Xiao, the eldest young master of the Long family!

With the arrival of Long Xiao, Long Jingguo also arrived with some elites from the Long family.

Seeing the Long family coming, everyone got out of the way, and then they all wanted to see how the Long family handled this matter.

After all, Long Xiao and David have hatred, and if they don't, they will fight on the spot.

Long Xiao glanced at Sun Peng, who died tragically, and then looked at David gloomily: “David, you blatantly murdered at the trial ceremony held by my Long family, and you didn't take my Long family seriously, even if Mr. Shi supports you, and you can't kill people indiscriminately...”

David looked at Long Xiao, his eyes were slightly condensed, and there was light in his eyes, as if he wanted to see through Long Xiao!

Long Xiao felt David's eyes, and seemed a little nervous.

## **Chapter 1408**

“I can't kill if others are allowed to kill me?”

David looked at Long Xiao coldly: "I have killed this person, what do you want?"

Long Xiao didn't expect David to speak so arrogantly as if he had eaten gunpowder!

Anger appeared on Long Xiao's face, and a terrifying aura began to rise from his body.

At this time, Long Jingguo came over and patted Long Xiao on the shoulder, instantly suppressing the breath on Long Xiao's body.

Long Jingguo knew that this was not the time to attack David, nor was it a good time!

Long Jingguo just glanced at David, and then walked slowly to the high platform!

"Everyone, this year is the day when our dragon family holds a trial. This is the first time our dragon family has held a trial. You are also a dragon and a phoenix. In order to express our dragon family's sincerity to all the participants, I specially give you Prepared the gas-gathering pills..."

"This is a high price for our Long family. We have invited foreign pharmacists to make it alone. It has great benefits for the body."

After Long Jingguo finished speaking, the Long family immediately came out with a plate of Qi Gathering Pills, and then began to distribute them to everyone!

Everyone showed excitement, and without hesitation, they picked up the Qi Gathering Pill and swallowed it.

Many people are grateful to the Long family...

When it was David and Dong Jiahao's turn, Dong Jiahao picked up the Qi Gathering Pill and wanted to swallow it, but was stopped by David.

I saw David pick up the Qi Gathering Pill and sniff it lightly, then crush it lightly and lick it with the tip of his tongue.

Immediately afterwards, David frowned, and his face became a little ugly!

Seeing this, Dong Jiahao hurriedly whispered, "Brother David, is there something wrong with this Qi Gathering Pill?"

"There is musk in this gas-gathering pill. I know the process of refining gas-gathering pills. This musk is not a medicine for refining gas-gathering pills at all!"

"Although I still don't know what harm this Qi Gathering Pill does to people, there must be something wrong, we'd better be careful!"

David said cautiously to Dong Jiahao.

"Damn, the fucking Long family is too bold. There are so many sons and brothers from aristocratic sects here. He dares to come up with a questionable medicine pill. This is to follow the entire Kyoto martial arts world as an enemy..."

Dong Jiahao scolded angrily, and then threw the Qi Gathering Pill in his hand on the ground.

The reason why many people did not suspect that the Long family would act on the Qi Gathering Pills was because of so many people, covering almost the entire sect family in the martial arts world of Kyoto, the Long family might not have the courage.

If something really happened, I'm afraid that the Long family will be destroyed directly.

Ge Jiayi, who was not far away, saw that David and Dong Jiahao did not eat the Qi Gathering Pills, so they also secretly threw the Qi Gathering Pills on the ground.

Long Jingguo saw that everyone ate the Qi Gathering Pills without hesitation, and a faint smile appeared on his face.

Just after the release of the Qi Gathering Pills, I saw four tall young men in uniform navy blue clothes walking over.

The four people were expressionless. After walking to the square, they found a corner and stood there, waiting for the trial ceremony to end!

Seeing the four people who suddenly appeared, everyone cast a suspicious look, because these four people are very familiar.

It seems that he is not a member of a certain noble family in the martial arts world of Kyoto, but if he can come to participate in the trial, the Long family has not stopped him, and it is not easy for others to ask.

However, at this time, David narrowed his eyes slightly, staring at the four people who had just arrived.

"Brother David, do you know these four people?"

Dong Jiahao asked David a question.

David shook his head, frowned slightly and said: "I don't know them, but the breath of these four people makes me feel a sense of familiarity..."

David thought hard, although the familiar aura was very light, but David could still feel it.

### **Chapter 1409**

Whose breath is it that makes you feel this way?

Dong Jiahao looked at David with some puzzlement. Since David didn't know the four people in front of him, how could he have a sense of familiarity from these four people?

Suddenly, David's slightly squinted eyes suddenly opened, and Senhan's incomparable light appeared in his eyes.

"Sonya, it's Sonya's breath..."

David finally remembered that this aura belonged to Sonya. Although it was very weak, David could still feel it.

But how could Sonya's breath be reflected in these four men?

Is it? ? ?

David's body instantly erupted with monstrous killing intent. If Sonya was just spoiled by the four men in front of him, then these four people had Sonya's breath on them, and they could explain it.

Dong Jiahao, who was on the side, felt the sudden killing intent on David, and shocked him directly.

Even Ge Jiayi, who was not far away, could not help but turn to look at David.

But soon, the killing intent on David disappeared.

The thought just now almost made David lose his mind, but now that I think about it, that kind of possibility does not exist at all. Sonya is the best resource for the Martial Arts Alliance, so the Martial Arts Alliance will not let Sonya suffer such damage.

“Could it be...”

David frowned again: “Could it be that these four people have Sonya’s blood in them?”

Now that the Martial Arts Alliance has known Sonya’s bloodline, it can help with cultivation and quickly improve the cultivation of warriors. Maybe these four people cultivated with Sonya’s bloodline, so they will have Sonya’s breath on them.

It must be so, it must be...

David turned his head to look in the direction of the Martial Arts Alliance, the murderous aura in his eyes was hard to hide!

Now the Martial Arts Alliance should be using Sonya’s blood to continuously cultivate masters. Thinking of this, David felt extremely uncomfortable!

“hateful...”

David gritted his teeth and clenched his fists tightly.

“Brother David, what happened to you?”

Dong Jiahao asked in confusion.

“fine...”

David shook his head.

At this time, Long Jingguo, who was on the stage, began to introduce the precautions for this trial. Of course, the life and death certificate must be signed. The life and death of the trial site has nothing to do with the Long family, and the Long family does not have to be responsible for it. !

After the explanation, everyone started to set off. They first took a plane to Nanhua City, and then made a ship to Suolong Island!

On the cruise ship, in a luxurious room, the one-armed Zhu Zhishan was quietly sipping tea.

Soon, the door of the room was pushed open, and Long Xiao walked in, followed by the four young people who were tested by the Martial Arts Alliance.

Zhu Zhishan looked up, and then said lightly, “Young Master Long, sit down...”

Long Xiao sat in front of Zhu Zhishan and asked Zhu Zhishan, “Zhu Alliance Leader, when will we attack David?”

“No hurry, I’ve just set off now, wait until Suolong Island, it’s not too late to kill that David...”

Zhu Zhishan sneered: “There are so many of us, even if David has great skills, he will never want to leave alive this time.”

Seeing this, Long Xiao could only resist the urge to kill David, and wait until after Suolong Island.

The cruise ship is sailing on the sea, because there are various facilities on the ship, so everyone does not feel bored!

David followed Dong Jiahao in the same room. Because David didn’t want to deal with those young masters in Kyoto, he had been lying in the room.

Dong Jiahao stayed with David and didn’t run around!

As the evening approached, the cruise ship, which was sailing fast, suddenly slowed down, and then swayed twice.

## **Chapter 1410**

Immediately afterwards, a strong sense of oppression struck, which surprised everyone on the boat!

“what happened?”

David stood up suddenly.

Dong Jiahao also sat up instantly and looked out the window, but in the endless sea, there was nothing but water.

“Isn’t there a pirate?”

Dong Jiahao asked.

David shook his head: "Pirates won't have such a strong aura."

After finishing speaking, David walked out of the room and walked towards the deck, and Dong Jiahao hurriedly followed behind.

Soon, on the deck where the two people came, they saw that it was already crowded with people, and they all looked at the sea in front of them!

David looked around and found that on the calm sea, a white wave was constantly rolling over. It was obvious that there must be a huge monster under this huge wave!

When everyone watched this scene, some were happy and some were afraid. After all, if such a big monster can be killed, the beast pill is very precious, and it is a good resource for cultivation!

Being able to survive to such a size also proves that the monster is very powerful. If you can't kill this monster, you may be buried in the monster's belly.

The huge waves were getting closer and closer, and the huge impact made the ships slowly stop and could no longer drive forward.

Soon, there was a bang, followed by splashes of water!

On the surface of the sea, there was a monster beast with a pair of tongs, its whole body was dark red, showing a row of fangs.

This monster looks like a crab at first glance, but its volume is ten million times larger than that of an ordinary crab.

“Deep Sea Cancer, this is the Deep Sea Cancer...”

After seeing this monster, someone suddenly shouted loudly.

Immediately afterwards, everyone’s eyes showed greed and shock!

David didn’t know much about these monsters, so he didn’t know what this deep-sea giant crab was, which made everyone suddenly so excited.

David looked at Dong Jiahao and wanted to introduce Dong Jiahao, but Dong Jiahao shook his head, seeing that he didn’t understand this monster very well.

“This deep-sea giant crab is the best of the monsters in the sea. Generally, it only lives under the deep sea, and few people see it.”

“However, this deep-sea giant crab’s inner pill is the best. I heard that a deep-sea giant crab’s beast pill can make a Marquis enter a realm.”

“And the meat of this deep-sea giant crab is also a good resource, but it’s just a rare opportunity. I haven’t heard anyone say that I have eaten the meat of this deep-sea giant crab!”

At this time, Ge Jiayi came over and explained to David.

“In this way, we are very lucky today to have the opportunity to eat this giant crab meat.”

David looked at the deep-sea cancer in front of him, and his eyes lit up.

Ge Jiayi glanced at David: “Don’t think so beautifully, this divine sea giant crab is very powerful, and it is impossible to travel without seeing such a big cruise ship, and this giant crab’s body is extremely hard, especially the shell. Son, ordinary people can’t hurt it at all.”

Ge Jiayi instantly poured a basin of cold water on David, making David dispel his thoughts.

It’s just that Ge Jiayi doesn’t know David. Her persuasion can only make David more eager to do it!

But before David could do it, he saw a person in the crowd jumping up high.

This is a half-step Wuhou young man, maybe he really can’t stand the temptation of the giant crab in front of him!

If you know that if you kill this giant crab and get the beast pill, he can be promoted to the realm of Marquis.

Many people have been trapped in the half-step Wuhou for decades, and there is no way to break through, so this young man plans to fight.

This half-step Wuhou young man, after jumping into the air, then punched out both fists, and the strong energy bombarded the giant crab.

bang bang bang ...

Three consecutive explosions sounded, and the water surface was bombarded with water columns.
