

A Man Like None Other Chapter 1411 – 1420

Chapter 1411

But the Cancer was not hurt in the slightest, but such an attack angered the Cancer.

I saw the giant crab waving two big pincers and suddenly attacked the young man.

The young man was startled, his body was in mid-air, and he fell rapidly.

It was a pity that it was too late. One of the giant claws of the Cancer grabbed the young man at once, and then blood splashed, the young man was instantly clamped in two, and the internal organs and body fell into the sea.

The thick bloody smell instantly attracted a lot of sharks, and instantly devoured the young man's corpse.

This time, everyone was stunned, and no one dared to shoot at Cancer rashly.

But the irritated Cancer didn't seem to stop, waving two big pincers and rushing towards the crowd, the huge waves surged onto the deck and wet everyone's clothes.

Many people started to get scared, and they backed away in fear. Even if these people were the younger generation of strong families from various sects, they were powerless in the face of Cancer and had to run for their lives.

Seeing this, Ge Jiayi saw that she raised her right hand, and then fluttered towards the front, and a stormy wave suddenly erupted on the sea surface, and the waves dozens of meters high slapped towards the giant crab.

The waves hit the Cancer, slowing the attack of the Cancer, but this did not solve the crisis, and the Cancer would soon attack the ship.

Seeing this, David was about to shoot, but saw a black shadow rising into the air, followed by a long sword in his hand that made his debut.

This person was Long Xiao, and the long sword in Long Xiao's hand swung a huge sword light, as if the sword light was falling from the sky, heading straight for the giant crab.

stab...

Jianmang instantly split a gap in the sea, and then slashed at the giant crab.

The shell on the Cancer Crab is extremely hard. Long Xiao's sword only caused the Cancer Crab to feel pain, but did not kill the Cancer Crab!

The pain made the Cancer go mad instantly, and the body swayed in the water. The huge impact made the cruise ship sway, as if it was about to capsize.

Long Xiao frowned, and then a few sword beams swung out, hitting the Cancer Crab with firelights, unable to cut through the Cancer Crab's hard shell at all!

The Cancer was furious, and a large pincer slammed towards Long Xiao. When Long Xiao saw this, he quickly retreated and did not dare to step forward.

Seeing that the Cancer was about to get on the cruise ship, David stepped down and jumped out directly towards the Cancer.

David's body was like a cannonball, rushing straight towards the Cancer, and then stopped steadily on the Cancer's back.

This time, the Cancer twisted its body desperately, and no longer climbed towards the cruise ship!

David's whole body shone with golden light, and the top of his fist was also covered with golden light, and then he smashed the back shell of the Cancer with a punch.

Under David's punch, the back shell of the Cancer actually had a small crack.

The Cancer twisted its body desperately, trying to throw David down, and then two big pincers kept attacking David.

The speed of the Cancer's attack was very fast. Although David hid on the Cancer's back, he still couldn't escape the attack of the Cancer's two big pincers.

Seeing this, David could only jump up again, and then he stepped on the water surface and walked on the water!

The Cancer saw David jump off his body, and then slapped David with a paw.

boom!

The big pliers slapped the water fiercely, causing huge waves to slap on the ship in an instant.

The ship was shaking, and everyone on the boat looked over, wanting to see how David was doing.

But above the sea, there is still the shadow of David.

“This David won’t die so easily, right?”

“This Cancer is so powerful that even David, the most talented young man, was easily beaten to death.”

“I didn’t expect that the person known as the proud son of the sky would die so miserably in the end...”

Everyone was talking in a low voice, but Long Xiao’s eyes narrowed slightly, not only looking at the sea!

He didn’t believe that David would be shot to death so easily.

Chapter 1412

After a while, the water suddenly clattered.

Immediately afterwards, a golden light shot up from the water, and I saw a golden light erupting from David’s body, with golden scales covering his whole body, like a dehydrated golden dragon!

David stared at the Cancer in front of him with vigilance, and seeing that David was not dead, Dong Jiahao breathed a sigh of relief.

Somewhat unexpectedly, Long Xiao felt relieved when he saw that David was not killed by the Cancer Crab. He didn’t want David to be killed by the Cancer Crab. He wanted to kill David with his own hands.

The Cancer saw David soaring into the sky, and then patted it with big pliers again.

The huge crab claws arrived in front of David in an instant.

David shouted angrily, the golden light on his body suddenly appeared, he did not dodge, but mobilized the power of the dragon in his body, and then slammed it with a punch.

Seeing that David dared to follow the Cancer head-on, everyone was shocked!

In the room at the moment, Zhu Zhishan is staring at the sea through the window!

“This kid really doesn’t know whether to live or die. You must know that the bodies of these monsters are all extremely hard, but they are not comparable to his indestructible golden body.”

Zhu Zhishan smiled coldly.

boom!

With a loud bang, David punched the giant crab’s pincers, sending out endless aftermath, spreading out all around!

Above the water surface, a deep pit was directly blown out by the huge aftermath, and the sea water was blown all around.

David’s body exuded golden light, and his fists closely followed the giant pincers of Cancer.

David's body seemed so insignificant under the giant claws of the Cancer!

The Cancer kept baring its teeth, and the big pincers suddenly pushed David down.

boom!

David, who was in the air, was directly shot into the water by the giant claws of the giant crab. This time, the water column splashed dozens of meters high.

Seeing this scene, everyone knows that David is afraid that this time it will be more fortunate.

However, David's courage was admired by everyone who dared to follow such a monster head-on.

"Brother David..."

Dong Jiahao watched as David was shot into the water, his eyes became scarlet, he took out his weapon and prepared to go forward to kill the monster.

But before Dong Jiahao started, he saw the golden light under the water, and the giant crab, which was floating on the water, seemed to be suddenly pulled by something, and his body instantly entered the water.

Through the surface of the water, everyone could see that the golden light flickered from below, as if David was still fighting with the giant crab.

Soon, the fighting under the water stopped, and the water slowly returned to calm.

It's just that David and the Cancer have disappeared, and no corpses have floated up.

Just when everyone was puzzled, a huge vortex suddenly appeared on the water surface, and then David's seemingly thin body directly lifted the giant crab that was more than ten meters high and rose into the sky.

You must know that this Cancer is afraid of thousands of pounds, David directly rushed the Cancer out of the water and came into the air!

Everyone looked at David in shock, and saw that David's figure began to skyrocket, like swelling!

The Cancer was lifted out of the water by David, and his claws were constantly waving and struggling.

And David roared hard and threw the Cancer directly into the air. When the Cancer fell, David's aura began to rise rapidly, and then his fists were clenched, and the golden fists smashed into the Cancer!

At this time, David had turned into a golden light, as if a shooting star was drawn towards Cancer.

boom!

David's devastating punch slammed into the Cancer Crab's abdomen, and then without the slightest pause, it directly penetrated the Cancer Crab's body.

When David shot out from the back of the Cancer, there was already a colorful beast pill in his hand, and the 10,000-pound Cancer was silent for a moment, and slammed heavily on the water!

Chapter 1413

The splashing water was as high as several floors, and the body of the giant crab floated on the water, attracting a lot of sharks in an instant.

David was suspended in the air, holding the beast pill in his hand, and looked coldly at the people on the ship below.

At this moment, David is like a god descending from the earth, his body exudes golden light, giving people a strong sense of oppression!

Looking at David in midair, Long Xiao felt a little uneasiness in his heart. This David's strength broke through his cognition time and time again.

Zhu Zhishan in the room also had a very ugly face, and the killing intent in his heart was even stronger. He knew that David would never stay.

David slowly fell from mid-air to put it on, but no one was paying attention to David, they were paying more attention to the corpse of the Cancer.

Although these people failed to obtain the Cancer Beast Pill, the meat of the Cancer is also a rare cultivation resource!

These people jumped into the sea one after another, and began to slaughter the sharks that came frantically.

These people are not strong enough to deal with monsters like Cancer, but they are more than enough to deal with ordinary sharks.

Many people compete for various parts of the Cancer body, and some people even fight for it!

Looking at the people who were vying for their shots, David smiled coldly. These children of noble families, in the face of interests, will become no different from robbers!

“Brother David, you are too good...”

Dong Jiahao walked to David’s side with a look of excitement: “Let me see, this is the Crab Beast Pill, it’s really beautiful...”

Dong Jiahao took the beast pill in David’s hand and looked at it carefully.

“If you like it, I’ll give it to you...”

David smiled slightly.

Although this beast pill is very good, a beast pill, for David, is just a drop in the bucket, and it will not play a big role in the growth of his strength.

After all, David is now promoted to a realm, and he needs a lot of spiritual energy. Besides, David still has Duda’s Nascent Soul that has not been refined.

“No no no... I can’t have it. This thing is too precious. It would be a waste to give it to me. I am afraid that I will never break through to Marquis Wu in my lifetime.”

Dong Jiahao waved his hands again and again and hurriedly stuffed the beast pill back into David’s hands.

Dong Jiahao knew that he was not talented enough, so even if he ate this beast pill, he probably wouldn't increase his strength much.

When David saw this, he didn't say anything, but put up the beast pill.

At this time, Ge Jiayi came over and said to David, "David, can you sell me that beast pill?"

This beast pill is a very important cultivation resource for Ge Jiayi!

David glanced at Ge Jiayi and spit out two words: "Not for sale..."

David is not short of money now, so there is no need to sell the beast pill. It is not very effective to eat it by himself. He can take it for others after he goes back.

Ge Jiayi was stunned for a moment, but did not give up, and continued: "I can exchange other resources, elixir, magic weapon, anything..."

"No change!" David replied to Ge Jiayi with two words.

Ge Jiayi's face was a little unhappy, but there was nothing she could do, so she couldn't just grab it.

At this moment, Long Xiao's expression was extremely difficult to see, and anger burst out in his eyes.

Zhu Zhishan in the room narrowed his eyes slightly, then waved to one of the four martial arts alliances and said, "Xu Song, you go out and say this with Young Master Long..."

Zhu Zhishan whispered something in Xu Song's ear. After speaking, Xu Song walked out of the room with the other three.

After arriving on the deck, Xu Song whispered a few words in Long Xiao's ear!

After Long Xiao heard this, his face suddenly became happy.

Just when David was about to leave the deck and return to his room, he was directly stopped by Long Xiao.

"David, you can't go, you can go, hand over the beast pill..."

Long Xiao said to David.

Chapter 1414

"Why hand it over?"

David looked at Long Xiao coldly and asked.

"This trial was organized by our Long Family. All the resources obtained from the trial need to be handed over to our Long Family, and then distributed. This is the rule..."

Long Xiao explained.

"Long Xiao, how shameless are you? When did your Long family have such a rule? Before the trial, they never said there was such a rule!"

After listening to Long Xiao's words, Dong Jiahao immediately asked cursingly.

“This is my new rule. This trial is organized by our dragon family, so the rules are also set by our dragon family. I am the person in charge of this trial, and I can make rules at any time!”

The corner of Long Xiao’s mouth lifted slightly, and he said with a high attitude.

Long Xiao’s words immediately aroused many people’s dissatisfaction, but Long Xiao didn’t care, because many people here would become resources for his cultivation and would be killed sooner or later.

David’s eyes narrowed slightly: “What if I don’t hand it over?”

“Hmph, if you don’t hand it over, that’s a violation of the rules. If you violate the rules, I can only grab it...”

The breath of Long Xiao began to rise.

David’s eyes were full of disdain, and he snorted coldly: “If you have the ability, then come and grab it...”

David actually took out the beast pill and shook it in front of Long Xiao, provoking Long Xiao!

“David, the last time I lost in your hands, I have long been unconvinced. Today I must take revenge...”

Long Xiao no longer concealed it, and directly stated his purpose.

He just wanted to seek revenge from David. As for the rule for handing over the beast pill, that is to find David’s fault!

“I didn’t kill you last time, you were lucky, but today, you won’t be so lucky...”

After David finished speaking, golden light flashed on his fist, and then he punched Long Xiao.

Since World War I cannot be avoided, David must first strike first.

David had consumed a lot of spiritual power in the battle with Cancer just now, and now he must surprise Long Xiao!

Long Xiao didn’t expect that David would suddenly take action, one of them couldn’t dodge in time, and was severely punched in the chest by David, and his body flew out instantly.

If it wasn’t for Xu Song and the others to catch Long Xiao, Long Xiao’s body would probably have fallen into the sea.

Long Xiao looked at David angrily, the faint pain in his chest made Long Xiao look extremely hideous.

“what...”

Long Xiao roared, his hands quickly slid in front of him, and a black energy continued to solidify.

At this time, Long Xiao couldn’t care too much, and now he wanted to kill David.

David’s body glowed with golden light, and then he slammed down with a punch!

boom!

The two fists collided, and the huge energy fluctuation caused the whole boat to shake violently.

This time, everyone was shocked. If two Wuhou really wanted to fight on the ship, the ship would definitely not be able to bear it.

Ge Jiayi waved her sleeves, and two white horses shot out instantly, directly separating David and Long Xiao.

“You two can fight, but you can’t take our lives as a joke.”

“If the ship was destroyed, in a place like this, we would all die on the sea.”

Ge Jiayi shouted at David and Long Xiao.

At this time, everyone started to accuse David and Long Xiao, and they were all furious.

They don’t want to be buried in the sea.

But David was already struggling with Long Xiao, how could he stop so easily!

“David, do you have the guts to pack up your energy and fight with pure strength?”

Long Xiao stared at David and asked.

“What dare you not!” David snorted coldly!

As long as they don't use their strength, the two of them only rely on the strength of muscle contraction, and they will not have such a big aftermath, nor will they endanger the safety of the ship.

Chapter 1415

Seeing David's promise, Long Xiao took back the black energy, and the golden light on David's body slowly disappeared!

"Holy Light Fist..."

David made a preemptive strike and smashed it with one punch!

The Holy Light Fist can be used perfectly without spiritual power. Back then, in the Demon Suppression Tower, David relied on pure power to use the Holy Light Fist to forcefully open the gate of the Demon Suppression Tower.

Seeing David rushing over, Long Xiao did not dodge or dodge, a sneer raised at the corner of his mouth.

puff!

Soon, David punched Long Xiao's body, and a strange scene appeared.

Long Xiao's body, which was supposed to be incomparably hard, was now soft, like a puddle of mud.

David punched it, and the power was instantly absorbed and disappeared, which made David almost stumble and hit Long Xiao's body.

A huge depression appeared in Long Xiao's body, wrapping David's fist, and then a shock force hit, causing David to back up a few steps, while Long Xiao's body slowly recovered.

Long Xiao smiled coldly: "Hahaha, you are so powerful that you can't hurt me at all."

David frowned slightly, staring at Long Xiao, it seems that Long Xiao's entire body has already been transformed, whether it is internal organs or bones, it is no longer hard!

"It seems that the soul living in your body is still a capable guy..."

David narrowed his eyes and said coldly.

With a sneer on Long Xiao's face, he didn't refute or admit it, but the corners of his mouth curled up, and then he punched David.

Although David didn't use an indestructible golden body, his current body was already forged to be extremely hard.

Relying on sheer strength, it is impossible to hurt yourself at all.

So David didn't dodge, but let that Long Xiao punch him.

boom!

With a loud bang, this punch hit David without causing any damage. For David, with such power, there is no difference between tickling and tickling!

However, after punching David, Long Xiao immediately took a few steps back, still with a sneer on his face.

Just when David was surprised, what the hell was this Long Xiao doing, suddenly a mass of power exploded in his body, followed by a huge impact, causing David to fly out in an instant.

“Hahaha, my power is designed to deal with someone like you who is physically tyrannical. Although you feel that this punch has no power, the power has already penetrated the skin and entered the body!”

“This time I’ll see what you can do to fight with me. Obediently hand over the beast pill, and I can let you live for a while longer...”

Long Xiao laughed loudly, at this moment he was full of confidence.

As long as David hands over the beast pill, he will not kill David. When he arrives on Suolong Island, he will torture David well and not let David die too happily.

David got up, looked at Long Xiao coldly, and then rushed up abruptly.

Punch after punch, he swiped towards Long Xiao like rain.

Every punch on Long Xiao’s body would deform Long Xiao’s body, but it would soon recover.

David’s every punch was like being hit in the mud. Not only did his strength disappear, but his body would also receive a shock!

In a short period of time, David threw a hundred punches, and at this moment, David's forehead was covered with beads of sweat!

"Hahaha..."

Looking at David like that, Long Xiao laughed heartily, and then suddenly punched David!

David's body flew out and fell heavily on the deck!

"David, today I'm going to give you a taste of being abused..."

After Long Xiao finished speaking, he stepped forward abruptly and stepped towards David.

David rolled, then stood up suddenly, and followed Long Xiao away!

"I can't give you this beast pill..."

After David finished speaking, he directly swallowed the beast pill into his stomach.

Regardless of whether this beast pill has any effect on David's cultivation, David will never give it to Long Xiao.

Chapter 1416

Seeing David swallowing the beast pill, Long Xiao's face became extremely ugly!

"Master Long, since David has swallowed the beast pill, forget about it. Besides, I don't agree with the rules you made privately..."

At this time, Ge Jiayi took two steps forward, looked at Long Xiao and said.

“Yes, what are your rules? Even if the trial is organized by your Long family, you can’t treat us as fools...”

“That’s right, everything has to be handed over to your Long family for distribution, so what have we become? We have become the big wage earners of your Long family?”

“If you don’t go, if you can’t, just turn around and go back and have a trial. There are so many things to do...”

With Ge Jiayi taking the lead, many people also expressed their dissatisfaction!

Originally, the trial was for whoever got the resources or treasures, and that was his own. Now, if Long Xiao said a word, all of them belonged to the Long family, and then distributed it. During the trial, who would give his life?

Seeing the excitement of the crowd, Long Xiao’s face changed and changed, and finally he narrowed his eyes and looked at David coldly: “David, wait, Suolong Island is your grave...”

After Long Xiao finished speaking, he left, and David followed Dong Jiahao back to the room!

“Brother David, look at this, this trial, you are afraid that it is very dangerous...”

Dong Jiahao said solemnly.

“It’s alright, I’ve already thought about it...”

David smiled lightly, he had long known that Long Xiao would deal with him, but David was not afraid!

As for Long Xiao's evil power, David also has a countermeasure, but just now on the deck, he deliberately looked embarrassed!

He just wanted to let Long Xiao relax his vigilance and then give him a fatal blow!

David is not worried about Long Xiao, what he is worried about is the four guys who appeared in the Martial Arts Alliance!

If these people join forces with Long Xiao, David will be very difficult to deal with.

After another day of sailing, the ship finally docked at Suolong Island. At this time, it was getting dark.

At this time, Suolong Island was lush and full of life.

Although it is winter now, the environment on Suolong Island is like spring all year round.

It is no wonder that this place has become a place for tourism, but at this time there is no tourist on the island, it should be controlled by the Long family in advance.

Arriving at Suolong Island, David felt inexplicably emotional!

This is his third time on the island.

And Xiaoru should be still on the island at the moment, but David doesn't know where Xiaoru is.

In this trial, David didn't plan to get any resources. He mainly wanted to find Xiaoru and see if he could take Xiaoru away!

David tried to exude divine consciousness, which slowly spread to the depths of Suolong Island.

As the consciousness continued to spread, David's brows could not help but wrinkle.

He found that there was a thick aura emerging from the ground on Suolong Island, and the area where the aura emerged was extremely vast.

"Could it be that there are still ruins underground on Suolong Island?"

David was a little shocked. After all, this is the first time David has seen such a huge spiritual energy!

The problem is that David did not sense that there is still spiritual energy in the underground of Suolong Island after waiting for the first two times.

It is also possible that there was a relationship between Ice Dragon and Yanlong at that time, so people's eyes were fixed on these two dragons.

"Brother David, what's wrong?"

Dong Jiahao saw David's brows slightly wrinkled, so he asked.

"Oh it's all right..."

David withdrew his consciousness and smiled lightly.

Soon, the people on the boat came down one after another. There were nearly a hundred people, all according to their own social circles, gathered in groups of three or five to chat. After all, trials are very dangerous, so it is very important to make friends and help each other. Necessary.

At the moment of David, only Dong Jiahao is standing by his side, the two of them seem so lonely, they don't fit in at all!

Chapter 1417

While everyone was chatting, on the cruise ship, a person walked out slowly. This person only had one arm, and the other arm was empty!

Seeing this person who suddenly appeared, everyone stopped talking and looked at him in shock!

This person is the Mountain of Blessing!

Now that he is on Suolong Island, there is no need for Zhu Zhishan to hide himself. Even if David knows about it, he will not be able to escape.

Suolong Island is far away from the inland and surrounded by the sea, so it is impossible to escape without a boat.

David's eyes narrowed, and the moment he saw Zhu Zhishan appear, David's heart became nervous.

"Damn, why is this Zhu Zhishan also on board? Isn't he here to try?"

Dong Jiahao couldn't help being surprised when he saw Zhu Zhishan appearing.

"He should have come to kill me..."

David clenched his fists slightly, ready to deal with emergencies at any time!

Now that Zhu Zhishan has also come secretly, David knows that this time it will be a battle of life and death. remember url

With the four members of the Martial Arts Alliance plus Long Xiao, David may not be sure to win, and now with Zhu Zhishan, David has no chance of winning!

When Dong Jiahao heard that Zhu Zhishan was here to kill David, he couldn't help but grit his teeth and said, "Brother David, don't worry, they really want to kill you, let's go together..."

"If you really want to do it for a while, you must not do it, otherwise you will just lose your life in vain..."

David persuaded Dong Jiahao.

Dong Jiahao's strength can't help David at all, even if he does it, he will die in vain!

Dong Jiahao wanted to say something else, but at this time Zhu Zhishan had already walked up to David, with a sneer on his face: "David, we met again, I admit that you are very strong, but today you will never The one who walked out of Suolong Island alive..."

"Your dignified martial arts alliance leader, but secretly followed the boat, just to bring people to kill me, aren't you afraid of being laughed at?"

“This is the world of martial arts in the capital. The sons and brothers of the various sects and families are here. Is that what you are doing to the leader of the martial arts alliance?”

David pretended to be calm and asked Zhu Zhishan.

David wanted to stimulate the Zhu Zhishan, maybe Zhu Zhishan would not do it to himself here because of his face.

As long as Zhu Zhishan and the others don't work together, David is sure to defeat them all!

“Hahaha, David, don't use aggressive tactics with me, it's of no use to me at all, as long as I can kill you, it's a waste of face, as long as I can see you dead, I, the leader of the alliance, can stop doing it. ...”

Zhu Zhishan laughed loudly, and then stared at David with wicked eyes.

“If that's the case, then don't talk nonsense, let's do it...”

David's body began to flicker with golden light!

The breath of Zhu Zhishan also began to rush, and then he glanced at everyone coldly: “I have nothing to do with you here, this is my personal grievance with David, if any of you dare to help him, then it is against my martial arts alliance. , no one wants to walk out of the Dragon Lock Island alive!”

Zhu Zhishan is afraid that someone will suddenly jump out and help David. This is the best opportunity. Zhu Zhishan cannot let anyone ruin this opportunity!

Everyone evacuated towards the distance. These people did not have any intersection with David. Of course, they would not offend Zhu Zhishan for David's sake.

On this island surrounded by the sea, Zhu Zhishan has the power of life and death, and no one can escape.

Ge Jiayi originally wanted to say a few more words, but seeing Zhu Zhishan mentioning that he was dead, he could only slowly step back.

It's just that Dong Jiahao has been standing beside David without moving!

"Dong Jiahao, do you want to die?"

Seeing that Dong Jiahao did not move, Zhu Zhishan said with murderous intent in his eyes.

Chapter 1418

"Zhu Zhishan, if you dare to kill me, my dad will definitely..."

"What kind of sh!t is your Dong family now, if I kill you, your dad still dares to trouble the Martial Arts Alliance, don't think too much of your Dong family..."

Without waiting for Dong Jiahao to finish speaking, Zhu Zhishan directly sent Dong Jiahao back.

Dong Jiahao wanted to say something, but was interrupted by David waving his hand: "Brother Dong, stand back, no matter what I do, don't take action, or you will waste your life..."

Dong Jiahao looked at David's firm face, and finally he could only sigh and step back.

Seeing everyone retreating, Zhu Zhishan raised his mouth: "David, I can tell you the truth, these four masters of our Martial Arts Alliance are all fed with the blood of your girlfriend, don't you? Don't you feel your girlfriend's breath on them?"

"Now I let the four of them deal with you, so even if you die, you will be killed by your own girlfriend. In the future, our martial arts alliance will use your girlfriend's blood to cultivate more masters. And your girlfriend can only be locked in a dungeon for the rest of her life!"

Zhu Zhishan's face was full of sneer, and he spoke so lightly that only the two of them could hear him.

David's face turned cold, and a murderous aura burst out instantly!

"I'll kill you..."

David couldn't bear it anymore, his eyes were extremely scarlet!

A fist smashed towards Zhu Zhishan, Zhu Zhishan hurriedly raised his hand to block, but was still a few steps back by David's punch!

"Today, you are all going to die..."

David's face was hideous, and the breath on his body exploded to the extreme!

Zhu Zhishan was not afraid, but showed a sneer: "Hahaha, I'm in a hurry, I like to see you like this..."

David stepped out one step, and the terrifying breath on his body was overwhelming towards Zhu Zhishan.

The four martial arts alliance masters who were originally behind Zhu Zhishan suddenly jumped up, and the four people instantly blocked David's terrifying aura.

"David, you are rude to the leader, damn..."

Among the four, Xu Song looked at David coldly and said.

"You have eaten Sonya's blood, and today I will drain all of your blood..."

After David finished speaking, the Dragon Slaying Sword instantly appeared in his hand, and there was a buzzing sound on the blade!

Sword Qi rose into the sky, with bloodthirsty killing intent, instantly enveloped Xu Song and the others.

The four of them also instantly formed a battle formation, ready to fight with David!

But this is, Long Xiao walked over.

"I wish the alliance leader, the matter of killing David, leave it to me. I don't share the sky with David, so I will kill him with my own hands..."

Long Xiao said to Zhu Zhishan.

At this moment, Long Xiao was extremely confident, because David was beaten and could not fight back when he was on the boat, so now Long Xiao plans to kill David alone.

Zhu Zhishan glanced at Long Xiao: "Master Long, are you sure you will kill this David?"

“Hahaha, of course I’m sure. Although David’s strength is strong, I found a way to restrain him...”

Long Xiao laughed and said.

Zhu Zhishan nodded: “Even if Young Master Long is so confident, then let you do it first. This David is already a turtle in the urn, and he can’t escape at all. When you lose to that David, I will take action...”

After Zhu Zhishan finished speaking, he waved his hand, and Xu Song and the others followed Zhu Zhishan back.

David’s eyes narrowed slightly, and he held the Dragon Slaying Sword tightly in his hand. It seems that he deliberately failed to defeat this Long Xiao on the ship, but it really worked!

“David, now you and I can do our best, but I hope you can resist for a while. If I kill you too soon, I will be disappointed...”

After Long Xiao finished speaking, he saw a sudden wave of his palm, followed by a black aura surrounding his body!

Chapter 1419

This breath instantly turned into a sharp edge, heading directly towards David.

David didn’t dare to stand by, he held up the Dragon Slaying Sword, and slashed it down with a ruthless sword!

The sword qi was vertical and horizontal, and the sound of breaking the wind suddenly sounded.

David's sword is extremely powerful, and he has no reservations about it. He wants to kill that Long Xiao with one move!

In this way, when dealing with Zhu Zhishan, they have one less helper.

The fierce sword energy instantly collided with Long Xiao's black aura.

But without the slightest sound, the black aura emanating from Long Xiao instantly turned into a soft form, and he even wrapped David's fierce sword energy in it, instantly absorbing the power of the sword energy in one fell swoop!

David frowned. His sword can sever all things. Even in a huge breath, it can be shattered in an instant, but in the face of Long Xiao's breath, this vigorous slash has no effect. !

boom!

Just when David frowned, the black aura instantly solidified, and then smashed hard on David's chest!

David's body flew backwards.

"Haha, David, this is what I call conquering rigidity with softness. Even if you encounter me with your ferocious power, you will not be able to use it."

Long Xiao laughed proudly.

Accompanied by Long Xiao's proud laugh, behind Long Xiao, a slowly rising black mist turned into a figure!

Long Xiao's body took a step back, instantly covering his entire body with that black shadow.

When the black mist dissipated, Long Xiao's entire body was covered with black robes at this moment, and the aura on his body became extremely terrifying!

"Jie Jie Jie..."

"David, I'm going to cramp you, drink your blood, and take all your strength for myself..."

Long Xiao's laughter became eerie and terrifying, which made people panic!

Everyone looked at Long Xiao in shock, not knowing what they were thinking, but at this time, no one dared to help David.

"One force breaks all methods, do you really think your femininity technique can restrain me..."

David's eyes narrowed slightly, and the power of the dragon followed David's meridians to the body of the Dragon Slaying Sword.

The light on the Dragon Slaying Sword continued to flicker, and a sound of dragon roar sounded, resounding throughout the entire Dragon Lock Island!

The entire Suolong Island seemed to have heard the call of Longyin and began to tremble.

You must know that David's divine dragon power came from this Suolong Island, so when the divine dragon's power broke out, Suolong Island also responded!

Long Xiao frowned, and then raised his hands, the black aura condensed again and swept away towards David.

David just raised the Dragon Slaying Sword this time, and suddenly from all directions of Suolong Island, countless light spots converged towards the Dragon Slaying Sword in David's hand!

At this time, the sky had completely darkened, and countless light spots converged on the tip of the Dragon Slaying Sword, and then a dazzling white light erupted, illuminating the entire night as bright as day!

"cut..."

David slashed the Dragon Slaying Sword fiercely, and a white light instantly shot out from the Dragon Slaying Sword.

Like a laser, it went straight to Long Xiao.

The black aura that Long Xiao exudes, after touching the white light, instantly wraps the white light, trying to absorb the white light.

At this moment, everyone saw a big black ball in their eyes, with white light flashing inside, and the big black ball was constantly changing its shape, trying to make the white light disappear.

boom!

Suddenly there was a violent fluctuation in the air, and I saw white light emitting from the black sphere.

Every white light shot straight into the night sky, illuminating the stars one by one!

Like bright fireworks blooming in the night sky, many people looked up involuntarily.

In the end, the black breath disappeared, and the white light condensed together and slashed directly on Long Xiao's chest.

Chapter 1420

Long Xiao's chest instantly rose with a bloody flower, and his body flew out.

Looking at the wound on his body, Long Xiao's face became extremely ugly. At this moment, he realized that David's strength was far superior to himself.

However, David's blow did not kill Long Xiao, and the wound on his chest began to be covered by a cloud of black mist, which soon healed.

David stared at Long Xiao, and his expression became solemn.

The blow just now failed to kill Long Xiao. It can be seen that Long Xiao's strength has also been greatly improved. After seeing Long Xiao's wounds heal quickly, David knew that he wanted to kill Long Xiao quickly. It's hard.

Not far from Zhu Zhishan, seeing Long Xiao being hit by David's sword, a sneer appeared on his face.

After this, Long Xiao should not refuse him to join hands.

“The power of this kid’s dragon is just suppressing me. You can’t kill him now, you can only join forces...”

At this moment, an old voice sounded in Long Xiao’s mind.

Long Xiao looked at David coldly. Although he really wanted to kill David, he couldn’t deal with David’s strength now.

“Master Long, if you need help, just say it, my people are ready to take action at any time...”

Zhu Zhishan said to Long Xiao.

Long Xiao was silent, he just said that there is no need for Zhu Zhishan, and now in front of everyone, he is asking for help, which is disgraceful!

David saw that Long Xiao was still hesitating, it was a good time to kill Long Xiao alone, so he roared, the breath all over his body began to burst, golden light flashed on the tip of the sword, and then he swiped on the ground, and instantly a beam appeared on the ground. Imprints!

Soon, this imprint wrapped David and Long Xiao in it. As light burst out from the ground, a small world shrouded in light appeared.

In this one, only David and Long Xiao are isolated from the others!

Seeing this, Long Xiao’s face suddenly became extremely ugly.

“I wish the leader, let’s do it...”

Long Xiao didn’t care about his face, and shouted at Zhu Zhishan.

When Zhu Zhishan saw this scene, he also guessed that David wanted to defeat them all, so he immediately ordered: “Xu Song, you guys hurry up and help...”

Xu Song nodded, then jumped up with the other three, and then slammed into the shield formed by the light!

This is a space formation, and Xu Song intends to forcibly destroy this formation!

Seeing this, David knew that he was running out of time, the Dragon Slaying Sword in his hand flashed again, and then a sword stabbed Long Xiao.

Seeing this, Long Xiao kept retreating, but because of the space formation, Long Xiao couldn’t escape this small world at all!

“waste...”

In his mind, an old voice sounded, and then a black mist escaped from Long Xiao’s body, and then a fierce fist smashed on David’s Dragon Slaying Sword.

A huge force hit David’s heart directly along the Dragon Slaying Sword. David’s heart seemed to be hit by a heavy hammer, and blood flowed out from the corner of his mouth in an instant.

However, after this blow, the black mist has obviously weakened a lot. After all, it is a spiritual body. After using such a large amount of energy, the breath will weaken a lot in an instant.

After blocking David's blow, the black shadow returned to Long Xiao's body, and Long Xiao's confidence was instantly boosted.

wow...

At this time, David's space formation shattered, and Xu Song led someone to stand beside Long Xiao!

This time, Long Xiao became more confident and looked at David with a sneer: "David, if you have any last words, just say, there will be no chance for a while..."

"Just a few of you are worthy of killing me..."

David roared, and a huge golden dragon rose slowly behind him!
