

## A Man Like None Other Chapter 1441 – 1450

### Chapter 1441

“Long Xiao, I fought with you to avenge Brother David...”

Suddenly, Dong Jiahao, who was constantly rolling on the ground, suddenly burst into flames and charged towards Long Xiao.

And Dong Jiahao’s body actually began to swell, and the breath on his body continued to rise.

“Damn, this kid is going to blow himself up...”

Long Xiao’s face was startled, and his body quickly retreated!

In this airtight palace, although Dong Jiahao is only Wuzong, he has great power to explode himself.

Zhu Zhishan suddenly turned his head and saw that Dong Jiahao was crazy, he was going to explode himself, and his face became extremely ugly!

“Quick, control him...”

Zhu Zhishan knew that in such a place, if Dong Jiahao really blew himself up, even if they didn’t die, they would be seriously injured.

Xu Song led the people to jump up, and Zhu Zhishan also followed.

Several white rays of light appeared, which instantly turned into chains, directly binding Dong Jiahao.

At the same time, Zhu Zhishan pointed at Dong Jiahao's Huizhong Point, and Dong Jiahao's bulging body instantly shrank back like a deflated ball!

Seeing that the danger was lifted, Long Xiao looked furious: "You fcuking want to blow yourself up and take us all away, now I'll take you on the road..."

After Long Xiao finished speaking, he slapped Dong Jiahao on the head.

Just at the crunch time, Ge Jiayi, who had never spoken for a long time, suddenly shot!

A palm slapped on Long Xiao's palm, and the two of them took a few steps back at the same time!

"Ge Jiayi, what do you want to do? Why did you stop me?"

Long Xiao looked at Ge Jiayi with dissatisfaction and asked angrily.

"Long Xiao, how do you say that Dong Jiahao is also a son of a great family in the martial arts world in Kyoto, so it's not appropriate for you to kill him like this?"

Ge Jiayi said slowly.

“What’s inappropriate? Trials are inherently dangerous. Could it be that the trials can only kill the children of the lower-level sect families?”

Long Xiao snorted coldly.

“Ms. Ge, this trial was originally organized by the Long family. If you want to get something, don’t worry about it...”

At this time, Zhu Zhishan said.

Ge Jiayi frowned slightly: “I wish the leader of the alliance, as the leader of the Martial Arts Alliance, you can’t see what kind of exercises Long Xiao used, right? How many people died at the hands of Long Xiao when they were on the shore? You won’t be able to see it after he absorbs his strength, right?”

“Don’t you just let it be like this, can’t you make the entire Kyoto martial arts world become an evil cultivator?”

When Zhu Zhishan was questioned by Ge Jiayi like this, his face instantly became extremely ugly!

At this time, there were already quite a few people who, after filling up the beast pills, also walked into the palace, wanting to see what treasures were in the palace!

It happened that Ge Jiayi was confronting Zhu Zhishan, and everyone else seemed a little surprised!

Especially when Ge Jiayi said that Long Xiao absorbed the strength of others, it was even more shocking!

Because Long Xiao was very secretive, no one noticed, plus they were all killing monsters and fighting for beast pills, even more no one would notice Long Xiao.

Now Ge Jiayi actually said that many people were killed by Long Xiao, just to absorb their strength, which made these people who participated in the trial start to panic.

“Ge Jiayi, what nonsense are you talking about, when did I absorb the strength of others? You don’t want to spit your blood. This trial was organized by our Long family. Look at how many treasures there are in this ancient ruins?”

“Do you know how valuable the countless beast pills are outside? These are all dedicated by my Long family. How dare you slander me like this...”

Long Xiao’s words made many people choose to believe him.

After all, this trial site is also the territory of the Long family. There are so many beast pills in this ancient ruin. If the Long family can get it by themselves, this is a huge fortune, and it can also cultivate a lot of masters for the Long family!

## **Chapter 1442**

Now that the Long family is selflessly dedicated, everyone can benefit, and everyone can’t do things like scolding mother after eating milk.

Ge Jiayi turned her head and glanced at the crowd, and then said, “Then Long Xiao practices evil arts, and you have all seen him do it. Can you believe what he says? Now you don’t want to be treated as lambs to be slaughtered, so you must unite... ..”

Ge Jiayi wanted to persuade these people to unite against Long Xiao and the others, but everyone was at a loss, and no one believed what Ge Jiayi said.

“Miss Ge, don’t blame us for being rude if you are fooling the crowd.”

Zhu Zhishan stared at Ge Jiayi with a cold face: "Be your eldest young lady, your talent is so good, and your future prospects are limitless. When the trial is over, it will naturally benefit you!"

"If you are obsessed with it, even if you die in the trial ground, the children of the great sect family, I believe that no one will doubt anything!"

Zhu Zhishan threatened Ge Jiayi in public, because Zhu Zhishan knew that no one of these trials would make such an early bird, and no one would follow the Martial Arts Alliance and the Long Family!

Because the beast pills everywhere are capital, and each of these people has hundreds of beast pills on them, which is a huge amount of resources, and no one will give up these resources.

Seeing this, Ge Jiayi stopped talking, because she knew that she couldn't do anything now, and these people were crazy.

She believes that if she cares about Zhu Zhishan, whether it is Zhu Zhishan or Long Xiao, she will definitely kill herself!

Dong Jiahao glanced at Ge Jiayi gratefully: "Miss Ge, thank you, my life and death are no longer important." Remember the URL

Dong Jiahao was already very grateful that Ge Jiayi could help him block.

"Long Xiao, you took Dong Jiahao out and solved it..."

Zhu Zhishan said to Long Xiao,

Long Xiao nodded, then stepped forward and picked up Dong Jiahao. Zhu Zhishan's meaning was obvious. Taking Dong Jiahao out to solve the problem was to let Long Xiao absorb Dong Jiahao's strength.

At this moment, David, who was behind the throne, saw that Dong Jiahao was in danger, and knew that he could not hide!

"Xiaoru, you hide it, don't go out."

After explaining Xiaoru, David suddenly jumped up from behind the throne.

"stop!"

With an angry shout, everyone was startled, and no one thought that there were still people in this palace.

When everyone saw that it was David who jumped out, they were all shocked.

Especially Zhu Zhishan and Long Xiao, their faces turned green.

"Brother David, you are not dead, you are not dead, hahaha..."

Dong Jiahao laughed excitedly after seeing David.

While David was in a moment when everyone was stunned, he instantly arrived in front of Long Xiao, and smashed it out with a punch of the Holy Light.

Long Xiao couldn't dodge in time, and was directly smashed by David and flew out, while David was pulling a few light chains on Dong Jiahao's body, and his hands were slightly forced, and the light chains instantly turned into little rays of light and disappeared.

"Brother Dong, are you alright?"

David asked Dong Jiahao.

"It's okay, I can't die..."

Dong Jiahao smiled slightly.

David injected some spiritual energy into Dong Jiahao's body, which made Dong Jiahao's complexion look much better.

"David, you're still not dead like this, you really have a great fate..."

Long Xiao rubbed his chest and looked at David coldly with his eyes.

"You're not dead yet, how can I die?"

David smiled coldly.

"David, since your life is big, then this time, I want to see how big your life is. This time I want to watch your body get chopped into flesh..."

Zhu Zhishan squinted his eyes, and the murderous aura on his body instantly permeated!

Xu Song and the others tacitly blocked the exit of the palace to prevent David from escaping!

### **Chapter 1443**

Long Xiao's body emitted bursts of black light, and then he slapped David with a palm.

This time, Long Xiao's energy was almost at its limit, and the terrifying energy shook the entire palace with a humming sound.

David snorted coldly: "Just yourself, not my opponent at all, let's go together."

Although David despised Long Xiao, his eyes were full of solemnity, the golden light on his body skyrocketed, and the scales covered his body with light.

Just after David's indestructible golden body was activated, the eyes of the mermaid sculpture on the throne flashed a bright light!

It can be seen that the mermaid sculpture was very excited after seeing the scales on David's body.

It's just that no one noticed the change in the eyes of the mermaid sculpture, and they all focused on David and Long Xiao.

boom!

With a loud bang, David and Long Xiao slammed into each other fiercely, and the terrifying air wave centered on the two of them spread out towards the surroundings.

Many people exuded aura to resist the aftermath, and some of the aftermath passed through the formation of the throne and were quickly absorbed by the mermaid sculpture.

David's collision this time, followed Long Xiao to a draw!

"Hahaha, David, your inner strength is empty now, you must have been injured and have not healed yet, you can't run away today..."

Zhu Zhishan saw that David's strength had obviously dropped a lot, so he guessed that David's wounds had not healed, so he caused this.

After all, when David fell into the sea, he was already seriously injured. In just a few days, it was impossible for David to recover so quickly.

Long Xiao also felt the lack of energy in David's body, and instantly gained confidence!

"David, this time, let's make a real decision..."

After Long Xiao finished speaking, he clenched a heavy fist in his hand, and the black mist shrouded his fist. Then, with the momentum of destroying the dead, it was a series of outputs towards David!

David frowned slightly, but he was not afraid. The spiritual power in his dantian was all mobilized, the power of the dragon was surrounded by his arm, and then he suddenly punched!

The two people are on top of this palace, and the head-to-head fight begins. Every time they punch, there will be a lot of aftermath spreading around!

The mermaid sculpture greedily absorbs this part of the energy, and slowly the mermaid sculpture begins to have subtle cracks!

Xiaoru, who was hiding behind the throne, carefully observed David's battle, but did not find that the mermaid sculpture in front of her had changed.

boom boom boom...

The two confronted dozens of punches in a row, and everyone was covered in blood and was severely injured, but there was no winner!

David's forehead was covered in cold sweat, he was panting heavily, and the spiritual power in his body was almost exhausted!

And that Long Xiao was not much better, the black glow from his body was much weaker.

"Okay, there's no time to play anymore, it's time to end..."

At this time, Zhu Zhishan stood up, he didn't want Long Xiao to fight with David, it would be a waste of time!

"David, do you still have last words for your girlfriend?"

Zhu Zhishan looked at David with a proud smile on his face.

When David heard this Zhu Zhishan mentioned Sonya again, the killing intent in his eyes kept rising.

And Zhu Zhishan was deliberately stimulating David. He knew that David's inner demon was his girlfriend, so he said this on purpose.

"I have a last word, and my last word is... send you to h3ll..."

David shouted angrily, raised the last spiritual power in his body, and punched Zhu Zhishan out.

Zhu Zhishan also shrank his pupils, followed by a fierce punch to greet him. Now David is already at the end of his force, so Zhu Zhishan has no fear at all!

boom!

David was smashed and flew out, and fell heavily to the ground, with blood constantly flowing out of his mouth!

The corner of Zhu Zhishan's mouth raised slightly: "Go to h3ll..."

Zhu Zhishan flew up, and there was a ray of light on the tip of his toes, and the foot went straight to David's door.

"Brother David..."

Seeing this, Xiaoru jumped out from behind the throne and stood in front of David.

**Chapter 1444**

“Xiaoru...”

Seeing this, David roared, trying to push Xiaoru away.

He knew that Xiaoru was only Wuzong’s strength, and couldn’t stand Zhu Zhishan’s foot at all.

However, it was too late, and Zhu Zhishan’s swift kick slammed into Xiao Ru’s chest.

Zhu Zhishan was also stunned. He never thought that there would be another woman here suddenly.

boom...

A burst of light flickered, Xiaoru’s body flew straight upside down, and slammed into the throne!

The formation on the throne shook Xiaoru’s body out of here.

When Xiaoru landed, her whole body became bloodless, and her expression looked very painful!

David jumped vigorously, came to Xiaoru’s side, and hurriedly hugged Xiaoru.

“Xiaoru, are you alright, are you alright...”

David hurriedly took Xiaoru’s pulse and wanted to check Xiaoru’s body.

“Brother David, I’m fine, it just hurts a little...”

Xiaoru smiled slightly.

David checked and found that Xiaoru was not in danger of life, but only suffered some minor injuries!

This made David very strange, Zhu Zhishan was a Marquis of Wu, let alone a Martial Sect, even a Marquis of the same rank would be seriously injured, but Xiaoru didn't have much problem.

Just when David was puzzled, he suddenly remembered the white armor, which had been integrated into Xiaoru's body, it seemed that the armor saved Xiaoru's life!

This time, David sighed very much, even after thousands of years, he did not expect that the armor is still so indestructible!

click, click...

A subtle cracking sound sounded, and the cracks on the mermaid sculpture got bigger and bigger.

And the formation on the throne is also starting to weaken, but no one is paying attention!

"David, I didn't expect that someone would suddenly appear to save you and you in times of crisis, but she can only save you this time. Let me see who can save you this time..."

Zhu Zhishan walked in front of David with a sneer.

David's face was solemn. At this moment, his spiritual power had already been depleted. Facing the people like Zhu Zhishan, David had no chance of winning.

“It looks like I’m really going to die here today?”

David looked around, feeling a little unwilling in his heart!

“I wish the leader, you should give him to me to kill...”

Long Xiao stepped forward and said to Zhu Zhishan.

Zhu Zhishan glanced at Long Xiao, he understood what Long Xiao meant, he was interested in David’s strength, and wanted to absorb David’s strength and use it for himself!

Zhu Zhishan didn’t mention it, but nodded and took two steps back, which was considered the beauty of an adult.

Long Xiao walked in front of David with a cold face, and the corner of his mouth raised slightly: “David, soon your ability will become mine, and I will let you watch yourself slowly become one. A mummified corpse...”

Saying that, Long Xiao patted David’s head with his hand, and he wanted to absorb David’s strength.

Seeing this, David’s eyes flashed fiercely for a moment, and when he finally gritted his teeth, he directly took out Du Da’s Nascent Soul, and then swallowed it.

boom...

In an instant, the spiritual power in David’s body exploded, and the dantian, which was dry, was now full of spiritual power!

David's aura also began to become rampant.

Long Xiao's expression changed slightly, the hand he stretched out was retracted unconsciously, and he took three steps back.

Although David's spiritual power has recovered, his face is extremely distressed!

If this Nascent Soul can be cultivated and absorbed slowly, it may be able to improve David's realm one step further.

But now, David swallowed Nascent Soul. Although his spiritual power was restored, the effect of Nascent Soul would be greatly reduced, which was a waste.

#### **Chapter 1445**

But things have come to an end, and David has no other way, and this is the only way.

Seeing the sudden recovery of David's breath, Zhu Zhishan's face also became extremely ugly!

David helped Xiaoru to get up slowly, and then stared at Long Xiao with his eyes slightly condensed: "Long Xiao, don't you want to suck my strength? You can do it now, I'll show you later, the two of us. Who becomes a mummy first..."

Killing intent erupted from David, Long Xiao forced him to waste a Nascent Soul, David was already full of anger at this moment!

Long Xiao's face is getting more and more ugly, David's breath has reached its peak now, Long Xiao knows that he is not necessarily David's opponent.

“David, you don’t have to be complacent, don’t forget that I’m not the only one here, there are so many of us, even if you return to your peak state, we can still kill you easily...”

After Long Xiao finished speaking, he turned his head to look at Zhu Zhishan!

Although he didn’t speak, Long Xiao’s eyes showed the meaning of asking for help!

Zhu Zhishan nodded slightly, he understood what Long Xiao meant, so he winked at Xu Song and the others who were guarding the gate of the palace.

David has already noticed the glances of several people, it seems that they are planning to repeat the same trick, but David is not afraid!

“Come on...” Remember the URL

David took a step forward, and a terrifying atmosphere swept through the entire palace!

Long Xiao didn’t dare to neglect, and he also pushed his aura to the extreme!

Xu Song took the other three and surrounded David.

For a time, five terrifying breaths continued to put pressure on David!

David has no fear, his body is full of golden light, and his breath is rushing out!

“Hands on...”

Long Xiao shouted at Xu Song!

Xu Song and the others immediately turned their breath towards Long Xiao, while Long Xiao waved his hands slightly in front of him, and black mists filled the air.

Immediately afterwards, the breath of Xu Song and others merged with the black mist, and finally transformed into a human shape!

This human figure moved towards David and transformed into the appearance of Sonya!

David had been prepared for a long time, and before his eyes were enveloped by several spiritual consciousnesses, all he could see at the moment was a gray figure.

In this way, he will not be disturbed by inner demons, nor will he lose his mind!

“Sister Sonya...”

But at this moment, Xiao Ru, who was behind David, shouted excitedly after seeing the transformed Sonya, and was about to go forward and hug Sonya.

Seeing this, David hurriedly reached out to stop Xiaoru: “Xiaoru, that’s not your sister Sonya, wake up...”

David shouted at Xiaoru, and exuded spiritual power, trying to pull Xiaoru out of her fantasy.

However, Xiaoru's eyes were dull and her expression was dull, and she didn't listen to David's dissuasion at all, and went straight towards the phantom Sonya.

Just when David wanted to hold Xiaoru, he realized that it was too late, and the illusionary human figure had already arrived in front of him!

Xiaoru hugged the transformed Sonya and burst into tears!

But just after Xiaoru hugged Sonya who had transformed out of her arms, she saw Sonya struggling desperately with a painful expression on her face!

I saw that Xiaoru's body exuded a faint white light. This light was soft and holy. It shone on people's bodies and instantly made people feel very comfortable!

Immediately afterwards, a pair of white armor appeared on Xiaoru's body, and this soft and holy white light was emitted by this armor.

"what..."

Sonya, who had transformed into a phantom, screamed and disappeared without a trace in an instant.

All the black mist in the palace disappeared at the same time. At this moment, Xiaoru was like a fairy, which made people feel fearful.

At this moment, Xiao Ru was also awake, looking at the armor on her body, she seemed a little lost, she didn't know what was going on.

**Chapter 1446**

Others looked at the armor that suddenly appeared on Xiaoru's body, felt the holy light, and showed awe in their eyes.

Even David felt very surprised at this time. This seemingly ordinary armor has such power!

Long Xiao was shocked, and hurriedly started to activate the magic on his body, wanting to re-attack!

But no matter what Long Xiao did, there was no more black mist coming out, and even the black light on his body had disappeared.

At this time, the aura on Long Xiao's body instantly shriveled a lot.

"Senior, senior..."

Long Xiao shouted in his heart, wanting to ask what went wrong.

It's a pity that no matter how Long Xiao shouted, he couldn't hear the response from the soul in his body.

Long Xiao's face became even uglier than eating sh!t, and his body trembled involuntarily.

As for the mermaid sculpture on the throne, the moment he saw the white armor appear, surprise and fear appeared in his eyes.

"Brother David, this... what's going on?"

Xiaoru asked David blankly.

Just now, Xiaoru seemed to have lost her mind and didn't care about anything.

"It's okay, you just stay by the side, don't be afraid..."

David comforted Xiaoru softly.

Xiaoru nodded, and the armor on her body began to gradually fade, and finally disappeared. ,

Zhu Zhishan, who was on the side, looked at the armor that disappeared from Xiaoru's body, and his eyes were full of fire. He now knew why his kick just now didn't cause any damage to Xiaoru.

This armor must be a good magic weapon, and now Zhu Zhishan can't wait to rush up and take the armor.

Just when everyone was still immersed in the holy light, David comforted Xiaoru and began to attack Long Xiao.

Long Xiao's face changed greatly, and his body quickly retreated.

However, David's speed was too fast, and he saw a golden light streak across, followed by a punch that slammed into Long Xiao's body.

Bang!

Long Xiao was hit hard in the chest, and then his body flew upside down.

It also smashed on the throne, and was then knocked out by the formation on the throne.

This violent impact has weakened the formation on the throne a lot again!

Long Xiao's face was pale, and he climbed up from the ground with difficulty. His eyes were full of anger, but there was nothing he could do. If there was no soul, Long Xiao would now be even less powerful than David.

Seeing Long Xiao's embarrassed appearance, David walked over slowly.

"Do you have anything else to do? Don't you want me to be a mummified corpse?"

David had a sneer on his face.

Long Xiao looked at David and felt the breath on David's body, his whole body started to twitch, his eyes were full of fear!

Long Xiao instinctively looked at Zhu Zhishan, and now only Zhu Zhishan can save him.

"Today, no one can save you..."

After David finished speaking, he slapped Long Xiao with his palm.

"stop..."

It was impossible for Zhu Zhishan to watch Long Xiao being killed by David, so he jumped up and kicked David, making David have to dodge!

“I wish the lord, save me, save me...”

Long Xiao hid behind Zhu Zhishan and desperately asked for help!

David looked at Zhu Zhishan coldly: “Zhu Zhishan, you can’t save him...”

“Really? Maybe I can’t, but don’t forget, I’m not alone...”

After Zhu Zhishan finished speaking, Xu Song had already surrounded him with people.

Xu Song and Zhu Zhishan were enough to deal with David.

David’s eyes narrowed slightly: “Just the five of you can’t kill me at all, it’s a big deal that we die together...”

Zhu Zhishan said with a gloomy face, “Who said there were only five of us...”

### **Chapter 1447**

After Zhu Zhishan finished speaking, he then said to the people on the side: “Listen, this David is arrogant and arrogant, if you can take action now, kill him with me, and you can take the treasures here... “

“Yes, this trial site belongs to our Long family. As long as you help me kill David, everything here can be given to you. After this trial is completed, I can ask you to come back here again. Pick up the beast pill!”

“You have also seen that there are thousands of beast pills outside, and they are simply inexhaustible...”

At this time, Long Xiao also hurriedly said loudly.

Long Xiao's words instantly moved many people's hearts.

Although they followed David without any injustice or enmity, in the face of huge interests, who could resist the temptation!

"This David is indeed damned, arrogant, disrupting the order of the Kyoto martial arts world, we should kill him together..."

Xin Pengfei jumped out first, and then accused David!

Xin Pengfei is the number one on the Free and Easy List after all, so his words still carry a lot of weight, and he actually hates David to the core.

Since David continued to show his strength, he was replaced by David as the number one person on the Free and Easy List.

Moreover, the fact that he challenged David became a laughing stock and was ridiculed by many people.

Now that there is such an opportunity, after killing David, he will be able to sit on the No. 1 position on the Free List again.

As Xin Pengfei stood up, many people also began to criticize David, and they all stood up.

These guys are nothing more than being driven by interests, but they always have to find an excuse for themselves and say it in a high-sounding manner!

Soon, except for Ge Jiayi and Dong Jiahao, everyone turned their attention on David!

For a time, David became the target of public criticism!

Seeing everyone stand up, Long Xiao laughed arrogantly.

“Hahaha, David, did you see it, your death is what everyone expected...”

Long Xiao laughed, and the tears were about to flow out of his laughter.

And David glanced at these people who jumped out. There was no anger in his eyes, but only sadness and ridicule!

“Do you think you can get what you want by killing me? It’s just stupid...”

“You will pay the price for today’s actions sooner or later...”

David’s tone was calm, and he couldn’t hear a trace of panic!

“Hey, David, don’t talk too much. These people here are all people from various sects and families in the Kyoto martial arts world. Can you still follow the entire Kyoto martial arts world?”

Zhu Zhishan snorted coldly, he didn't think David had the guts to fight against the entire Kyoto martial arts world!

"If these people dare to make a move today, and if I don't die, when I go out, I will kill everyone..."

David's eyes burst into cold light, and everyone saw David's eyes, and they all trembled unconsciously!

"Hahaha, it's ridiculous. Just like you, you also want to fight against the entire Kyoto martial arts world? It's just a joke..."

Long Xiao laughed again: "Do you think you still have a chance to survive today?"

David was not talking, but the breath on his body began to rise, and the golden light flashed!

Xiao Ru stood behind David with a look of death. This is the end of the matter, Xiao Ru will accompany David to die together!

Dong Jiahao also came over tremblingly. Although he was seriously injured, Dong Jiahao did not flinch!

For a time, Xiaoru and Dong Jiahao stood behind David, and they confronted everyone in the entire Kyoto martial arts world.

Only Ge Jiayi's face kept changing, and she didn't know what she was thinking.

After a while, Ge Jiayi took a few steps back, not wanting to get involved or help anyone.

"Do it..."

Zhu Zhishan gave an order, and dozens of breaths began to press towards David.

## **Chapter 1448**

Dozens of breaths mingled together, causing the entire palace to roar, and it began to tremble, as if it could not bear such a powerful force.

David's body was full of golden light, and the undead golden body was exerted to the extreme, and the power of the dragon spread throughout his body.

"Xiaoru, take the opportunity to leave with Brother Dong, it's useless for you to stay..."

David said softly to Xiaoru.

"Brother David, I'm not leaving, I'm going to fight with you to the end..."

Xiaoru shook her head with tears in her eyes.

"Brother David, it's worth it to die with you, and I won't leave..."

Dong Jiahao also shook his head.

"The two of you staying here will only distract me. Whoever said that I would definitely die, you escaped, and I don't care about it, so I have the opportunity to escape..."

David said to the two in a deep voice.

After listening to David's words, Dong Jiahao and Xiaoru both fell into contemplation, maybe what David said was true.

They stay, it's just a burden...

Seeing that the two did not speak, David continued: "Brother Dong, after going out, Xiaoru will be handed over to you and sent to Yaoshen Valley."

"Brother David, don't worry, as long as you can go out, sister Xiaoru will be handed over to me..."

Dong Jiahao nodded vigorously.

But Xiaoru's face was full of reluctance, she didn't want to leave, and she didn't want David to stay and fight alone.

"Xiaoru, Uncle Long and your sister Ling'er are in Yaoshen Valley. When you see her, don't say anything, let alone mention my current situation, lest they worry..."

David warned Xiaoru.

Xiaoru bit her lip and nodded vigorously, only then did David relax completely.

A pair of scarlet eyes swept to the crowd, and the huge spiritual power was constantly rising, resisting the coercion of these people!

"Remember, all of you who started today, as long as I live, will eventually make you pay the price..."

David's eyes are sharp and cold!

Looking at David's eyes, everyone was terrified!

"Hey, David, don't talk too much. We have so many people to deal with you. If you are still alive, wouldn't our Kyoto martial arts world become a joke?"

Zhu Zhishan snorted coldly.

"Come on then..."

David's body was shocked, and he even preempted the attack. The Dragon Slaying Sword appeared in his hand instantly, and a terrifying sword energy moved towards Zhu Zhishan.

David still understands the principle of capturing the thief first and capturing the king.

And David started first, also to create opportunities for Xiaoru and Dong Jiahao to escape!

In the face of David's terrifying sword energy, Zhu Zhishan did not dare to be careless, and hurriedly stimulated his energy, a black light enveloped his body.

At this moment, the black ball on Zhu Zhishan began to emit a dazzling light!

boom...

The sword qi slashed at Zhu Zhishan, instantly knocking Zhu Zhishan back a few steps, and the black light on his body also dimmed.

At this moment, David is holding the Dragon Slaying Sword, his eyes are scarlet, and his breath is surging, like a god!

“Brother Dong, take Xiaoru away...”

David said to Dong Jiahao.

After Dong Jiahao heard this, he stepped forward and grabbed Xiaoru, and rushed out of the palace.

“Stop them...”

Seeing this, Zhu Zhishan hurriedly shouted.

He couldn't let Dong Jiahao and Xiaoru escape, and what happened here couldn't be known to outsiders.

Hearing Zhu Zhishan's order, two disciples of the aristocratic family jumped up and grabbed Dong Jiahao and Xiaoru.

“court death...”

David's eyes narrowed, and then the Dragon Slaying Sword in his hand flashed, and a sharp sword light came out of his hand!

shuh...

I saw a flash of light, followed by a thick bloody smell.

The two children of the noble family were cut in half by David's sword. The blood was mixed with the internal organs and scattered all over the place. The scene was very bloody and terrifying!

#### **Chapter 1449**

David's hand instantly stunned everyone, and no one dared to step forward to stop Dong Jiahao and Xiaoru.

And the two of them also took the opportunity to run out of the palace, Xiaoru looked back at David with a face full of tears, and was finally pulled by Dong Jiahao and disappeared without a trace...

Seeing Dong Jiahao and Xiaoru leave, David breathed a sigh of relief, and his eyes shone with swearing light!

"come on..."

David has no worries at all!

"kill him..."

Zhu Zhishan's face was gloomy, he punched David, the fist wind roared, and there were bursts of air explosions in the air.

At the moment when Zhu Zhishan made his move, Long Xiao also made his move, and Xu Song and the people from the Martial Arts Alliance also attacked David at the same time!

Several breaths were mixed together, and the Dragon Slaying Sword in David's hand was vigorously swung, and the terrifying sword energy shot out!

boom...

The sword qi collided with these several breaths, and there was a huge sound.

The terrifying aftermath caused the others to be blown away, but David took a few steps back and slammed heavily on the wall.

At this moment, the aftermath was quickly absorbed by the mermaid sculpture, and the cracks on the mermaid sculpture became larger and larger, and some even began to fall off.

David's face was extremely ugly, a mouthful of blood poured into his mouth, and David pressed him down abruptly. He didn't want Zhu Zhishan to see his embarrassed appearance.

Seeing several people join forces, David actually resisted, and it seemed that he was not hurt, which made Zhu Zhishan's face a little embarrassed.

"No wonder you must die. If you live, you are a threat to everyone..."

Zhu Zhishan said with a gloomy face.

"What I threaten are only those wicked people. If you don't have any ghosts in your heart, how can you think I'm a threat..."

David sneered.

“It doesn’t matter whether there is a ghost in my heart, the important thing is that you must die today...”

Zhu Zhishan suddenly took out the black ball in his arms: “Go, kill him...”

Zhu Zhishan threw a black ball, and the black rays of light appeared in an instant, and Xu Song and others directly injected their breath into the black rays of light!

When Long Xiao saw this, he also waved his hands. The black mist that had disappeared was now filled, and the entire palace instantly became eerie and terrifying.

The black mist combined with the illumination of the black light made the palace look like an underworld!

I saw that in this black fog, one after another humanoid, with different shapes, attacked David!

David frowned slightly, and the Dragon Slaying Sword in his hand was raised high.

The power of several divine dragons poured into the body of the Dragon Slaying Sword, and David chanted the Heart Purification Mantra silently in his mouth!

With David prepared, it is impossible for this evil cultivation technique to disturb the mind!

As the Qingxin Mantra in David’s mouth became faster and faster, the Dragon Slaying Sword in David’s hand became brighter and brighter.

Soon, the golden light made a masterpiece on the Dragon Slaying Sword. The palace, which was originally like hell, filled with black light, actually flashed with golden light at this moment.

The black fog subsided, and the black light was instantly engulfed by the golden light. Zhu Zhishan only felt a tightness in his chest, and he spit out a mouthful of blood!

David was overjoyed, seized this opportunity, and hurriedly waved the Dragon Slaying Sword in the air.

I saw a lotus flower flashing on the tip of David's sword, and the lotus flower appeared, burning a light blue flame!

This is a spell, lotus seal, and the burning flame is a spiritual fire, as long as it is stained on the body, it cannot be extinguished at all.

As the Dragon Slaying Sword in David's hand swung faster and faster, a terrifying coercion filled the air, and the entire palace instantly became extremely hot!

"Repression..."

David waved the tip of his sword, and the flaming lotus flower went directly towards Zhu Zhishan and them, and it became bigger and bigger in the air.

## **Chapter 1450**

The expressions of Zhu Zhishan and Long Xiao changed greatly, and they hurriedly turned their energy, forming a huge protective cover around their bodies!

Zhu Zhishan and Long Xiao exerted their strength at the same time, and a pitch-black protective cover enveloped several people.

boom!

The lotus flower exploded above several people, and the terrifying air waves spread around, and countless sparks fell, but they were blocked by the protective cover.

But soon, the protective cover began to break under the burning of the flame, and finally collapsed!

A little bit of fire light fell and fell on several people. Although the power of the spiritual fire had weakened at this time, it still burned several people, and the clothes on their bodies were also tattered, very embarrassing!

David's forehead was full of cold sweat, and the huge mental power consumption made him a little dizzy at the moment!

Everyone was shocked when they saw David alone, making Zhu Zhishan so embarrassed.

If it was one of them, he would have already become a roast suckling pig at this moment.

And Ge Jiayi, who has been in the corner, has curiosity and reverence in her eyes. At this moment, her view of David has changed a lot!

She didn't expect David's strength to exceed her imagination time and time again. remember url

There is also David's strong perseverance, which is beyond the reach of ordinary people.

"What the fcuk are you all looking at? fcuk me..."

Long Xiao roared and looked at everyone, his eyes were full of anger.

Everyone looked at each other, even Zhu Zhishan and the others joined forces, and they were so embarrassed by David, aren't they under fire?

Seeing that no one was taking the initiative, Long Xiao roared, "If you don't take action, you won't get a single point for the resources here..."

As soon as Long Xiao said this, someone finally moved!

"Damn, let's go together, what are you afraid of..."

Xin Pengfei cursed angrily and rushed towards David.

Others followed, and dozens began to attack David.

Seeing this scene, Zhu Zhishan and Long Xiao showed some pride on their faces!

David was holding onto the Dragon Slaying Sword, his eyes full of killing intent and anger!

"kill..."

An angry shout sounded, and the Dragon Slaying Sword in his hand was desperately swung out.

A sword light flashed and instantly penetrated the bodies of the two people, but the others rushed forward as if they were crazy.

bang bang bang ...

ding ding ding ...

The Dragon Slaying Sword in David's hand swung desperately to block the attacks of these people!

But at this moment, David's resistance seemed so helpless.

In a moment, David's body was already bloody and bloodstained, and David didn't even look like a human being!

Even so, David still supported him with the Dragon Slaying Sword and did not fall down. Under his feet were the corpses of more than a dozen other sect families.

"All right..."

Long Xiao shouted, causing everyone to retreat!

He can't let David be killed by these people, he needs David, he needs to absorb David's strength.

Long Xiao walked slowly to David, who had only half his life left, with endless pride on his face!

"David, look at yourself now, you're not even a dead dog, how do you want to fight with me?"

Long Xiao smiled proudly and patted David's face with his hand.

“Pooh...”

At this moment, David didn't even have the strength to raise his hand, so he could only spit at Long Xiao fiercely!

Long Xiao was not angry, he slowly stretched out his palm and gently pressed it on David's head.

“Your strength will become mine immediately. When I absorb your strength, even if you are immortal, what can you do...”

Long Xiao sneered, and then a faint black mist entered David's body and began to absorb David's strength.

A sneer suddenly appeared at the corner of David's mouth, and then the Ning Xin Jue began to turn far away!

Originally, Long Xiao wanted to absorb strength from David's body, but he suddenly found that the energy in his body was rapidly moving towards David.
