

## A Man Like None Other Chapter 1451 – 1460

### Chapter 1451

Long Xiao's heart suddenly turned pale, he hurriedly wanted to take his hand away, but found that his hand seemed to be sucked!

At this moment, even the soul inside Long Xiao panicked.

"Quickly withdraw, he is an immortal..."

In Long Xiao's mind, the old voice shouted hurriedly.

Long Xiao also wanted to withdraw, but unfortunately he couldn't withdraw at all, his palm seemed to be sucked.

Zhu Zhishan, not far away, still had a smug look on his face. He thought that Long Xiao was taking advantage of David's strength, but he didn't know that it was the opposite at this moment!

Long Xiao was sweating profusely at this time, and seemed at a loss!

"Broken arm, hurry up and cut off the arm..."

The soul shouted anxiously, asking Long Xiao to cut off his arm.

Long Xiao hurriedly took out his sharp blade, but facing his arm, he really couldn't do anything.

If he cuts off his arm, he will become one-armed just like Zhu Zhishan.

He was still young and only had one arm left.

Just when Long Xiao hesitated, the soul became angry and shouted loudly, "Hurry up and do it..."

There was hesitation in Long Xiao's eyes, and when he finally gritted his teeth, he swung out the sharp blade in his hand, but instead of his own arm, he slashed directly at David's neck.

He thought about cutting off David's head, so that he would be fine and his arm would be saved!

But with a flash of cold light, David seemed to have been prepared for a long time, and the Dragon Slaying Sword in his hand instantly blocked in front of him, directly blocking the sharp blade in Long Xiao's hand.

"damn it..."

The soul in Long Xiao's body was in a hurry, only to see Long Xiao's eyes roll, and then the aura on his body changed instantly!

The soul directly controlled Long Xiao's body, and then forcefully pulled his arm off!

This sudden scene terrified everyone, and they didn't understand what happened to Long Xiao.

Why is it so good that he ripped off his arm.

Even Zhu Zhishan was stunned, wondering if Long Xiao was crazy!

“Kill him, kill him...”

Long Xiao roared and asked everyone to kill David!

Seeing this, Zhu Zhishan knew that something must have changed, so he jumped up first.

“Go ahead, kill David...”

Zhu Zhishan roared, and the others followed closely and rushed towards David.

Although David at this moment absorbed some of the energy in Long Xiao’s body, it was only a drop in the bucket. Facing Zhu Zhishan’s attack, apart from waiting to die, he was powerless to fight back!

None of these people noticed that the mermaid sculpture on the throne actually cracked, revealing its true colors!

And the formation around the throne, also at this moment, a huge vibration occurred!

rumbling...

For a time, the entire palace began to shake, accompanied by a rumbling sound.

Then I heard a shattering sound, followed by a terrifying aura that filled the entire palace!

So everyone was stunned for a moment. They were a little overwhelmed by this sudden change, and no one knew what happened!

“Look, look...”

At this time, someone shouted in horror.

Everyone turned their heads to look, each with a surprised look on their faces, looking at everything in front of them in horror.

I saw that the mermaid sculpture on the throne came to life, and the formation around the throne made a sound at this moment, and finally collapsed directly.

The mermaid stretched out in front of everyone, with extreme excitement on her face!

“Everyone be careful...”

Panic flashed across Zhu Zhishan’s face and reminded everyone.

Everyone looked at the mermaid in earnest, not knowing what happened to the mermaid!

rumbling...

There was another violent shaking, and the entire palace seemed to collapse!

The soil began to fall continuously, and there seemed to be a huge vibration above the head!

“Come on, this palace is going to collapse...”

Long Xiao suddenly frowned and hurriedly rushed out of the palace.

When the others saw this, they also ran out one after another, and no one was taking care of David’s life and death...

## **Chapter 1452**

Seeing this situation, David hurriedly mobilized his last strength and ran outside. If the entire Bliss City collapsed, even if Daluo Jinxian was here, he would die here.

Especially the recovered mermaid sculpture gave David a great sense of threat!

In that dream, David watched the mermaid with his own eyes, and killed many masters as soon as he made a shot. With his current strength, he was afraid that he would be blown to death by someone in one breath!

“Ha ha ha ha...”

“Thousands of years, thousands of years...”

The mermaid got rid of the shackles completely, and laughed loudly.

With the laughter of the mermaid, one after another terrifying murderous intent kept coming!

Puff puff...

People began to vomit blood and die, which made everyone panic even more and ran out desperately.

With a wave of the mermaid's palm, the gate of the palace began to slowly close.

This time, everyone began to scramble to crowd out, for fear of dying here.

One after another murderous intent is still pounding down, and people continue to fall to the ground, being harvested for their lives!

And the mermaid looked at everything in front of him indifferently, as if these people were just ants in his eyes.

puff...

A ray of murderous intent penetrated David's chest and instantly knocked David to the ground. David, who was already weak, looked even more ugly at this moment!

Blood kept pouring out, David gritted his teeth and stood up again desperately.

He can't die, he can't die here.

He is dead, what will Sonya do? What about your own mother?

Who is the father that you have never met?

David still wants to know all this!

David struggled to get up and rushed towards the door with difficulty, but at this moment, most of them had already escaped from the palace and headed out of the city without looking back.

After Zhu Zhishan escaped from the palace, he looked at the gate of the palace that was about to close slowly, and his eyes showed a bit of joy!

I thought you David was still inside, but didn't escape.

"David..."

Just when David arrived at the door and the palace gate was about to close, Ge Jiayi suddenly shot and pulled David, trying to pull David out.

Seeing this, Zhu Zhishan's face turned cold: "Mind your own business..."

After all, Zhu Zhishan patted Ge Jiayi with a palm, Ge Jiayi hurriedly dodged to the side, but failed to catch David!

"David, just stay inside and die inside..."

With a sneer on Zhu Zhishan's face, he swung his fist away, and a terrifying energy went straight to David.

David, who originally arrived at the door, was hit directly on the body by this terrifying energy, and his body flew back upside down.

At this moment, the gate of the palace was also directly closed.

Looking at the closed door, David roared: “Zhu Zhishan, you despicable villain...”

“Hahaha, I’m a despicable villain, what can you do to me?”

Zhu Zhishan raised his mouth proudly.

rumbling...

The entire City of Bliss shook, and Zhu Zhishan didn’t dare to stay any longer when he saw this, and hurried out of the city.

After taking a look at the palace, Ge Jiayi also turned around and left, and now no one can save David.

At this time, David was lying on the ground, and he didn’t even have the strength to stand up. One after another murderous intent hit him, and every blow was a terrifying wound!

David was helpless and stared at the mermaid in front of him!

David knew that he would never have the chance to escape from here again!

But just when David thought that he was bound to be bombarded to death by this murderous intention, he didn’t want that terrifying murderous intention to suddenly disappear.

And the mermaid, who was originally arrogant, turned pale at this moment, his forehead was covered in cold sweat, and he was panting heavily.

**Chapter 1453**

Seeing this, David couldn't help feeling overjoyed. He suddenly bit the tip of his tongue, leaning on a strand of blood essence, and stood up directly.

The mermaid was surprised when she saw that David was still able to stand up.

"As expected of the son of the dragon, his body is really strong..."

The mermaid said in surprise.

David once again heard the words "Son of the Dragon" from the mermaid's mouth. He couldn't help but be stunned and asked hurriedly, "Who are you? Do you know what I am?"

The merman gasped for breath, but did not answer David, but his body was slowly absorbing the spiritual energy from the beast pills on the ground.

After being sealed for thousands of years, the strength of this mermaid has long been lost.

If the mermaid's strength is still preserved, he will definitely not let these people in front of him, because these people are the best cultivation resources for him.

David found that the mermaid was recovering his strength, he suddenly fought with the last ounce of strength, and smashed it with one punch.

The golden light on the fist is extremely dim, and even the power of the dragon is not much left!

The mermaid frowned, dodging David's punch.

"Boy, if I still have the strength, I can kill you thousands of times with a single spit. How dare you do something to me?"

"When my strength recovers, I will make your life worse than death..."

The mermaid looked at David angrily.

At this moment, David's consciousness is not light because of forcibly urging blood essence, and his eyes are blurred!

But he knew that if he didn't want to kill the mermaid now, after he absorbed the spiritual energy to restore some of his strength, his soldiers would surely die.

"I won't give you a chance..."

David suddenly bit the tip of his tongue again, followed by a mouthful of blood mist, David's breath instantly increased a lot.

The golden light on the fist began to become bright, and then he shouted angrily, and smashed the mermaid with one punch!

There was endless anger on the mermaid's face, and he had never been ignored by the ants like this.

It's just that the strength in the body is gone, the mermaid is angry, and there is no way to do it.

Seeing David's punch coming in front of his eyes, the mermaid gritted his teeth and shot a white and transparent fishbone from his body!

This fishbone is about half a meter long, with a cold light on it, like it was carved from white marble!

When the fishbone penetrated David's body, it disappeared in an instant, and David fell to the ground with a thud, and then it became darker and darker, and he fainted directly...

Looking at the fainted David, the mermaid's eyes narrowed slightly: "Okay, you stinky boy, force me to waste the stabbing thorns in my body, I will peel your skin and cramp your muscles in a while, and suck everything from your body. net..."

The mermaid looked at David angrily, and then began to absorb the spiritual energy in the beast pill and slowly regained his strength!

.....

On the other side, Zhu Zhishan and the others escaped from Bliss City, but only after they came out did they discover that Suolong Island had begun to collapse. The originally huge island had only a small area left, even These places are also collapsing towards the bottom of the sea.

Fortunately, there was a cruise ship, and everyone hurriedly boarded the ship, and then watched Suolong Island disappear into the sea.

Soon, everything became calm, as if there had never been an island here!

"What a pity..."

“So many beast pills are wasted...”

“I also hope that I will have the opportunity to come again in the future. This is all over.”

Many people began to regret it.

Long Xiao looked at the silent Suolong Island, and his face was full of regret!

Only Zhu Zhishan’s face darkened slightly, staring at the sea where Suolong Island disappeared, not knowing what he was thinking.

Long Xiao walked over, both of them were missing an arm at this time, and it was the same person who caused all this, that is David!

#### **Chapter 1454**

It can be said that both of them now hate David to the core!

“Do you think that David will escape?”

Zhu Zhishan asked suddenly.

Long Xiao was stunned for a moment, and then said, “This time, he will never be alive. Even if he escapes, how many days can he survive in this vast sea without a boat?”

Zhu Zhishan was right when he heard it, and a smile finally appeared on his face.

“It’s just that I couldn’t kill him with my own hands. It’s a pity...”

Long Xiao always wanted to kill David with his own hands, but in the end this wish could not be fulfilled.

Zhu Zhishan looked at Long Xiao: “When you killed David, what happened? Why did you cut off your arm suddenly?”

Zhu Zhishan remembered the incident in the palace where Long Xiao forcibly tore off his arm, so he asked curiously.

Long Xiao forgot to glance at his severed arm, with an indescribable look on his face.

There are some things he can't say with Zhu Zhishan. remember url

Zhu Zhishan looked at Long Xiao like this, and knew that Long Xiao didn't want to say anything, so he smiled slightly and said, “It's the soul in your body who is in charge and broke your arm, right?”

Long Xiao was stunned for a moment, then looked at Zhu Zhishan in disbelief, but quickly nodded: “Yes, that David practiced the exercises at that time, it was very strange, originally I wanted to absorb his strength, but I didn't want to be swayed. He controls and continuously sucks the strength in my body.”

When Zhu Zhishan heard that David's exercises were so powerful, he couldn't help but gasped.

“Fortunately this guy is dead now, otherwise the strength of this guy in the future is absolutely immeasurable...”

“At that time, we people, I am afraid that we will have to die.”

Zhu Zhishan said with some fear.

After hearing this, Long Xiao smiled awkwardly. Originally, he was the most talented person in the younger generation, but now, he was forcibly suppressed by David. Although David will never appear again in the future, the legend of David is very scary. It will take a long time to fade.

“Long Xiao, what’s the matter with the soul in your body? Why did your breath drop significantly during the battle just now?”

Zhu Zhishan asked strangely, not understanding why Long Xiao suddenly lost his strength!

In fact, Long Xiao himself didn’t understand, and he was just about to ask what happened to the soul.

It’s just that I didn’t have time to ask!

Soon, Long Xiao’s consciousness dived and asked the soul: “Senior, when the girl’s armor appeared just now, where did you go? Why can’t I feel you?”

“The armor on the girl is the treasure of the Buddhist family, and the light is Buddha’s light.”

“That’s the light of the Buddha. If I didn’t hide it, where would I be able to talk to you now, it would have disappeared long ago...”

The soul said in a fearful voice.

It seems that the Buddha’s light just now really gave him a lot of pressure.

But after Xiaoru escaped, the spirit came out again.

When Long Xiao heard this, a light flashed in his eyes. He didn't expect a seemingly ordinary armor to be a treasure!

"Long Xiao?"

Seeing Long Xiao's expression, Zhu Zhishan let out a soft cry.

Long Xiao reacted and said to Zhu Zhishan, "I wish the alliance leader, that Dong Jiahao escaped with the girl. In this sea, he will definitely not be able to escape. He should still be on this boat. Let's look for it..."

After Long Xiao finished speaking, he ran to look for it impatiently.

Zhu Zhishan frowned, not understanding why Long Xiao was suddenly interested in these two people.

Long Xiao searched the whole ship, but there was no sign of Dong Jiahao and Xiaoru. It turned out that the two put down the lifeboat and escaped.

This made Long Xiao feel very regretful!

"If the two of you escape, escape, as long as David can't escape."

"Let's get down to business now..."

Zhu Zhishan patted Long Xiao on the shoulder and said.

#### **Chapter 1455**

Long Xiao nodded: "Okay, let's get down to business!"

Afterwards, Long Xiao gathered all the people on the cruise ship who participated in the trial.

In this trial, it can be said that the casualties were heavy. They fought with the monsters on the shore, and some people died. After the battle with David, more than ten more died.

At the end of the escape, several were killed in the palace!

More than 20 people died in one trial, this is the first time!

But in the same way, in the trial, it is the only time to get so many resources!

Everyone has at least a hundred beast pills on them. You must know that there are many rare beast pills in them, but their efficacy has been reduced due to the age.

But these beast pills are absolutely priceless!

“Everyone, I gathered everyone to tell you that this trial was organized by our Long Family, so the resources obtained this time need to be handed over to our Long Family, and then distributed to all of you.”

“I hope you can hand over the beast pills you got, and I will redistribute them at that time.”

Long Xiao said loudly to the crowd.

Long Xiao's words instantly caused everyone to shout in dissatisfaction.

"Mr. Long, what do you mean? Although the trial was done by your Long family, you didn't say that you need to allocate resources?"

"Long Xiao, what the hell did you say when you killed David just now?"

"Yes, what are you doing? Now that David is dead, and Suolong Island is gone, you will fall into trouble?"

"If I don't pay, I'll do it if I can. With so many of us, are you afraid that you won't succeed?"

Everyone roared, how could anyone be willing to hand over the resources they got.

Listening to the roars of the crowd, Long Xiao was not angry, and the corner of his mouth raised slightly:  
"You can either not pay, then wait for seven days, and then die from rotten stomach..."

"Long Xiao, what do you mean?"

someone. asked loudly.

"Nothing else. Before you set off, do you remember the Qi Gathering Pill you ate? If you don't want to die, then hand over the Beast Pill obediently, and I will redistribute it to you."

Long Xiao said with a sneer.

Hearing what Long Xiao said, everyone began to curse.

It's shameless to scold the Long family, and it's not a good death to scold the Long family...

No matter how much he scolded him, Long Xiao was not angry, even Zhu Zhishan, who was beside him, looked at Long Xiao with admiration.

But scolding and scolding, when it comes to the moment of life and death, someone will compromise after all.

Soon, someone handed over the beast pill.

Immediately afterwards, more and more people handed over the beast pill!

In the end, only Ge Jiayi did not hand over the beast pill.

"Miss Ge, aren't you afraid that your bowels will be rotten?"

Long Xiao looked at Ge Jiayi suspiciously: "I can tell you, I didn't lie to you at all. If you don't hand over the beast pill, I won't give you the antidote."

"I'm not afraid, I can die, but the beast pill will not be handed over."

Ge Jiayi sneered.

Because Ge Jiayi didn't eat the Qi Gathering Pill at all, so there was nothing to be afraid of.

Long Xiao looked at Ge Jiayi angrily, but because of Ge Jiayi's identity, Long Xiao didn't treat her like that.

Long Xiao put all the beast pills together and began to distribute them uniformly!

It's just that the distribution is not evenly distributed, but distributed according to the size and strength of the sect family.

The children of those big sect families get more, while the children of some small sect families get very little.

Although the children of the small sect family were dissatisfied, they had no choice but to curse in their hearts!

And the children of those big sect families are very satisfied, so they will not trouble the Long family!

This is a society where the strong eat the weak, and this is the law of survival.

In this trial trip, Long Xiao got a lot of beast pills, and also destroyed David, which can be said to be a double harvest.

The only regret is that Long Xiao lost an arm.

## **Chapter 1456**

Bliss City, inside the palace!

David still fainted on the ground, and the mermaid's eyes became sharp after absorbing part of the spiritual energy.

Looking at David on the ground, the corner of the mermaid's mouth raised slightly.

"I didn't expect that thousands of years later, I would be able to meet the son of the dragon just after waking up. It seems that this is God's favor for me..."

The mermaid slowly walked to David.

The eyes of the mermaid radiated red light, like a scanner, they swept across David's body, and then the light disappeared!

"The young monk Yuanying, the son of the dignified dragon, is so weak."

"However, the dragon crystal in the body is not small. I absorbed your kid first, and I am slowly recovering my strength..."

The mermaid said, and suddenly grabbed Longjing in David's body.

But just when the mermaid got it right away!

hum...

Suddenly, a golden light flashed, and then a figure flew out of David's body!

This figure is incomparably tall, covered with dazzling scales, and the breath exuding from his body makes people shudder!

After the mermaid saw the sudden appearance of the figure, she was so frightened that she hurriedly backed away!

His eyes were full of fear and anxiety!

“A mere stinky fish can’t do anything wrong?”

The figure said coldly!

The mermaid trembled all over and knelt directly on the ground!

His eyes were full of incredible: “You...you are...you are a dragon...”

But before the mermaid finished speaking, I saw the figure wave lightly with one hand, and a fluttering breath instantly moved towards the mermaid.

The mermaid didn’t even dodge, and disappeared in an instant, as if it had never been here before.

Only a crystal clear shark bead appeared on the ground, indicating that this mermaid had appeared!

The figure turned his head slowly, his deep eyes fixed on David, his angular face had some similarities with David.

“Child, the road in the future can only be taken by yourself...”

There was a hint of tenderness in the figure’s eyes.

David seemed to sense something, his eyelids moved slightly, but he didn't wake up!

rumbling...

Bliss City is still collapsing, and the sound is shocking!

I saw a slight wave of the figure, and the city of Bliss, which had vibrated violently and collapsed quickly, was quiet at this moment!

The wind and waves caused by the collapse on the sea also subsided in an instant.

Soon, the figure slowly disappeared, as if it had never been here!

And David was still in a coma and knew nothing about the outside world!

...

Kyoto!

Returning from this trial, how much joy and how much sorrow!

Many sect families have lost their best children, but there are also many sect families who have received generous rewards, and a large number of beast pills can allow them to cultivate a few more masters.

It's just that this trial has also brought the Long family and the Martial Dao Alliance into the cusp of the storm. Some small sect families have taken place in the forum to denounce the Long family's practices!

At this moment, Long Jingguo of the Long family looked at Long Xiao who had broken his arm, and he had an indescribable feeling in his heart!

“Xiaoer, your trial this time is too reckless. Isn’t this creating an enemy for our Long family?”

Long Jingguo said to Long Xiao.

Many aristocratic sects denounced the Long family, making the reputation of the Long family a complete failure!

“Dad, how can you care about the little section when you do things? Look at how many experts I brought back so many beast pills this time, how many masters can I train for our Long family?”

“And with these beast pills, I have the confidence to become the number one person in the martial arts world in Kyoto in a short period of time.”

Long Xiao’s eyes narrowed slightly, and he said arrogantly.

“Hey...” Long Jingguo sighed slightly, and then said, “Then David, did you see the death with your own eyes?”

“No, but the entire Suolong Island has collapsed and disappeared into the sea, so David can’t live at all, but it’s just a pity for those beast pills in the city of bliss.”

A trace of pity flashed in Long Xiao’s eyes.

## **Chapter 1457**

“Then it’s good that David is dead, and now it’s time to quell the anger of those martial arts families.”

After Long Jingguo finished speaking, he walked straight out. He had just taken two steps, but he stopped and turned around and said, "Xiaoer, don't go anywhere during this time, and cultivate well at home. The way you are now, you are being If people know it, it will be very troublesome..."

After Long Jingguo finished speaking, he walked straight out of the Long family and went straight to the Martial Arts Alliance!

In the hall of the Martial Arts Alliance, Zhu Zhishan was in a good mood. This time he not only killed David, but also brought back so many beast pills to the Martial Arts Alliance!

I believe that the high-level will definitely not punish him, maybe the almighty can reward him with some treasures!

Just when Zhu Zhishan was happy, Long Jingguo walked in!

"Patriarch Long, please sit down..."

Zhu Zhishan was very polite to Long Jingguo.

This time the trial was done by the Long family. The ability to kill David and get so many beast pills is also a credit to the Long family, so of course Zhu Zhishan should be more polite to Long Jingguo.

"I wish the ally, this trial, Xiao'er was young and energetic, and changed the rules randomly, which made a lot of martial arts families dissatisfied, and now there is negative news about my Long family everywhere, so I would like to ask the lord of the alliance to think of a way to put this Things are down."

Long Jingguo said straight to the point.

When Zhu Zhishan heard this, his brows were slightly wrinkled: “Long Family Master, your Long Family is also a member of the Martial Dao Alliance. Of course, our Martial Dao Alliance should take care of this kind of thing, but you also know that there are many noble families here. I didn’t join the Martial Arts Alliance, so I said it doesn’t count.”

“However, I can guarantee that I will punish all the aristocratic families belonging to the martial arts alliance who dare to make irresponsible remarks to the Long family.”

When Long Jingguo heard this, his brows were tightly knit together.

However, what Zhu Zhishan said is indeed right. Many aristocratic sects have not joined the Martial Arts Alliance, so even if Zhu Zhishan speaks, no one may listen!

But if these people are allowed to make trouble, the reputation of the Long family will be ruined. After all, the Long family is also a famous martial arts family in Kyoto. If such a thing happens, it is better to find a way to suppress it.

Could it be that there is still a rumored national martial arts circle that knows about this matter, then the Long family can’t be ashamed.

“I have a solution here, I don’t know if it is suitable or not...”

At this moment, Ning Zhi walked out from the side.

Ning Zhi always had that kind of faint smile on his face, no one could guess what he was thinking!

“Ning... what can the deputy leader of Ning do?”

Long Jingguo wanted to call Ning Zhi, but now Ning Zhi is the deputy leader. Besides, this trial was approved by Ning Zhi, so Long Jingguo also wanted to give Ning Zhi a face.

“Patriarch Long, these sect families have not joined the Martial Arts Alliance, so we can’t control it, but from now on, we can let them join.”

“As long as these sect families have joined the Martial Arts Alliance, then I wish that the leader of the alliance was talking, wouldn’t it be easy?”

Ning Zhi smiled lightly.

When Long Jingguo heard this, he suddenly smiled bitterly: “Vice Alliance Leader Ning, after so many years, these sect families have already joined the Martial Arts Alliance.

“Long Patriarch is right. Many aristocratic sects don’t want to join the Martial Arts Alliance. They feel that they are bound. We can’t force them to join.”

Zhu Zhishan also explained.

“This is so easy to do. This time, Young Master Long got a lot of beast pills. We can use some of them as resources. As long as they join the Martial Arts Alliance, we can give them resources and increase the resources of our Martial Arts Alliance. shared.”

“In addition to the annual trial, there are other benefits that can be added. In the face of interests, who can refuse?”

Ning Zhi said to Zhu Zhishan and Long Jingguo.

## Chapter 1458

Hearing what Ning Zhi said, Zhu Zhishan nodded with satisfaction. After all, the more Martial Dao families joined in the Martial Dao Alliance, the stronger their Martial Dao Alliance would be.

However, Long Jingguo was a little hesitant. After all, these beast pills are now the resources of the Long family. Let him take them out and recruit members for the Martial Arts Alliance. Long Jingguo is a little reluctant.

“Vice Alliance Leader Ning, if there are so many benefits, what if there are still aristocratic families who don't join?”

Long Jingguo asked.

The corners of Ning Zhi's mouth twitched, revealing a sneer: “Since you don't eat toast, then you will be punished. Anyone who doesn't join the Martial Arts Alliance will just...”

Ning Zhi wiped his neck, which startled Zhu Zhishan and Long Jingguo.

Killing without joining the Martial Arts Alliance is not forcing others to join?

“Ning Zhi, you are thinking well, but have you forgotten that there is a Mr. Shi in Kyoto?”

Zhu Zhishan reminded Ning Zhi.

“Leader, we are recruiting members normally, and Mr. Shi can't stop him, right?”

“Those stubborn sect families, leave it to me to deal with, and I will deal with it in secret, and Mr. Shi will not know.”

“Without evidence, can Mr. Shi still dissolve our Martial Arts Alliance?”

Ning Zhi said with a sneer.

After Zhu Zhishan heard it, he pondered for a moment, then nodded and said, “Then you can do it. When our martial arts alliance grows, you will be the most credited.”

Zhu Zhishan got up, patted Ning Zhi on the shoulder and said.

Ning Zhi nodded, then looked at Long Jingguo: “Long Patriarch, I’ll ask you to send someone to deliver the resources.”

Seeing this, Long Jingguo could only agree: “Okay, I will send someone to deliver it.”

Long Jingguo got up and left, while Zhu Zhishan looked at Ning Zhi: “Ning Zhi, you must be careful not to cause serious trouble...”

Zhu Zhishan is still in the position of the leader of the alliance, and he has finally settled down. He does not want to cause trouble, nor does he want to take responsibility.

“Don’t worry, Alliance Leader!”

Ning Zhiman said confidently.

Zhu Zhishan then nodded, got up and went to the back to rest, while Ning Zhi looked at Zhu Zhishan's back with a gloomy smile on his face.

.....

Inside the Kyoto Protectorate!

The atmosphere is very depressing, everyone is silent, and Mr. Shi is sitting in the main seat, with a cigarette in his hand, taking a sip from time to time, frowning!

Xing Jun on the side didn't dare to breathe. He had been with Mr. Shi for more than ten years, and this was the first time he saw Mr. Shi's expression.

And that Zao Wou-Ki was trembling slightly all over. Although he had been with Mr. Shi for a while, every time he faced Mr. Shi, Zao Wou-Ki felt nervous all over.

After smoking a cigarette, Mr. Shi slowly looked at Zao Wou-Ki: "Is the news you heard accurate?"

"Mr. Shi, it is absolutely true, and I also brought Dong Jiahao, the boy of the Dong family, who is outside the Dharma Protector Pavilion."

"There is also a girl named Xiaoru, they all escaped from Suolong Island."

Zao Wou-Ki hurriedly said to Mr. Shi.

As soon as Mr. Shi heard Xiaoru, he quickly said, "Bring the two of them in quickly..."

Zao Wou-Ki didn't dare to neglect, he hurriedly brought Dong Jiahao and Xiao Ru in!

After seeing Xiao Ru, Mr. Shi's eyes looked up and down, making Xiao Ru a little scared!

Facing Mr. Shi, Dong Jiahao was extremely nervous, and hurriedly bowed to Mr. Shi: "Dong Jiahao, see Mr. Shi."

"Dong Jiahao, tell me everything you see and know!"

The realization asked Dong Jiahao.

Dong Jiahao hurriedly explained everything after he met David, without any concealment.

#### **Chapter 1459**

After Xing Jun and Zhao Wuji heard it, they were all filled with righteous indignation. They did not expect that at the last moment, all the guys in the Kyoto martial arts world would target David for their own benefit, and it would be shameless to kill David.

Is this still a well-known sect, or the style of a martial arts family? What's the difference between following those evil cultivators?

Mr. Shi's face was also extremely ugly. He did not expect such a change. It seems that he still overestimated human nature.

"Could it be that David really died at the bottom of the sea?"

Self-reproach flashed across Mr. Shi's face.

“Mr. Shi, the only information I heard was that Mr. Chen was trapped in the city of Bliss. When those people escaped, Mr. Chen was not dead.”

Zao Wou-Ki explained to Mr. Shi.

“Trapped in Bliss City, there is no difference with death. Since Bliss City collapses, I am afraid that the entire Suolong Island will no longer exist. If you are trapped in the bottom of the sea, how can you live?”

Mr. Shi looked solemn!

“Mr. Shi, where is the city of Bliss? Have you been to that place?”

Xing Jun asked Mr. Shi curiously.

He had never heard of this Bliss City.

Mr. Shi shook his head: “I just heard that it was an ancient city thousands of years ago, and it suddenly disappeared overnight. No one knew where the city of bliss went, and I didn’t expect it to sink to the bottom of the sea.”

“Mr. Shi, do you want me to take someone to find David, even if David is trapped at the bottom of the sea, with our current strength, we can rescue him.”

“It’s really not good, we have to find his body, right?”

Xing Jun asked.

Mr. Shi did not speak, lit a cigarette again, and then inhaled hard.

Suddenly, a white light flashed in Mr. Shi's mind, and Mr. Shi, who was originally gloomy, now smiled.

The change in Mr. Shi's expression stunned everyone!

I don't know if this Mr. Shi is stupid, why he suddenly grinned.

"Okay, don't worry about David, you go out."

Mr. Shi kicked everyone out.

"This kid's life is really big, I know he can't die, I hope this time is his good fortune!"

Mr. Shi put out the cigarette, and his face returned to a cold state.

.....

"Miss Xiaoru, why don't you rest at our house for a few days, and I'm taking you to Yaoshen Valley?"

After walking out of the Law Enforcement Pavilion, Dong Jiahao said to Xiaoru.

“Brother Dong, I want to go to Yaoshen Valley now. Now that Brother David is alive or dead, I want to discuss with Uncle Long and the others. I believe that Brother David will not die.”

Xiaoru looked at Dong Jiahao gratefully and said.

After coming to Kyoto, Xiaoru is not familiar with the place of life, but fortunately there is Dong Jiahao, which makes Xiaoru very grateful to Dong Jiahao!

“Alright then, I’ll take you to Yaoshen Valley now.”

Dong Jiahao nodded and said.

Dong Liqun sent several half-step Wuhou and Wuhou masters to escort Dong Jiahao and Xiaoru to Yaoshen Valley!

In this trial, David was targeted by the entire Kyoto martial arts world, Dong Jiahao was injured, and Dong Liqun was very angry!

It’s just that the current Dong family is not enough to compete with the entire Kyoto martial arts world, so he can only bear it!

When the Dong family is strong enough, he will definitely avenge David!

Because without David, there would be no Dong Family!

There is also the Valley of the Wicked with the same idea. David is dead. Whether it is Zhao Ligu or the four villains, as David’s subordinates, they have the responsibility to avenge David.

But they also know that their strength is not enough to fight against the entire Kyoto martial arts world, but this hatred has been recorded in each of them, and one day, this blood feud will be avenged.

## **Chapter 1460**

On the martial arts forum at this time, the news of David's death is also flooding all sections!

"This is David's third death, right?"

"In a short period of time, David died three times. I don't know if this time is true."

"I heard it's true. Almost everyone in the entire Kyoto martial arts world saw that David was trapped at the bottom of the sea and must have died."

"Have you heard? It's the first time that people in the entire Kyoto martial arts world have dealt with David alone."

"The trial that was promised, the leader of the Kyoto Martial Arts Alliance, Zhu Zhishan, also went. Isn't this an obvious trap? It seems that the Kyoto Martial Arts Alliance hates David to the core."

For a while, there was a lot of discussion and everything was said, but a large number of people did not believe that David was really dead.

After all, this is the third time David has died, and every time it is the same as the truth, and there are pictures to prove it.

What happened in the end?

David is not alive and well, maybe this time too!

In Yaoshen Valley, after Xiaoru saw Gu Linger and Long Wu, she immediately hugged and cried together!

Xiaoru was frozen for several months. Whether it was Long Wu or Gu Linger, they felt that it was impossible to see Xiaoru in their entire life, but they didn't want to see Xiaoru again, which made them a little unbelievable.

After crying, Long Wu followed Xiao Ru to understand the situation at that time. After hearing that David was trapped in Bliss City, Long Wu's face was very ugly.

"Uncle Long, I believe it's impossible for David to die like this, he will definitely be fine..."

Xiaoru persuaded Long Wu.

At this moment, Gu Linger was also surprisingly calm. She always believed in her heart that David would be fine.

David encountered danger again and again, and was declared dead on the forum several times, but every time he was safe and sound.

This time, she believed that David would be all right.

Time passed day by day, and the Martial Arts Alliance finally took hold of the entire Martial Arts world in Kyoto.

Under the huge interests, many aristocratic sect families announced to join the martial arts alliance, and some sect families hesitated, but they were destroyed!

In an instant, the Kyoto martial arts world was in chaos, and in the end most of them joined the martial arts alliance!

Only a few big sect families are still competing, such as the Dong family, such as the Ge family.

And the Martial Arts Alliance has also begun targeting these big families, as well as the Valley of the Wicked, and the Valley of the Medicine God, who are relatively close to David, and are ready to start.

Zhu Zhishan wanted to completely erase the traces of David's existence. Anyone who came close to David became the enemy of the Martial Arts Alliance.

During this time, Long Xiao was also taking the time to cultivate. With a large number of beast pills as resources, Long Xiao's strength was also advancing by leaps and bounds.

Ten days passed in the blink of an eye, and still no David appeared, and everyone began to believe that David was dead.

And the most important festival in the summer, the Spring Festival is also slowly approaching!

Many people are starting to prepare things for the New Year.

...

Bliss City, inside the palace!

David slowly opened his eyes, he didn't know how long he had been in a coma, let alone what happened outside during this time!

Looking inside the palace, I didn't see the figure of the mermaid, which made David very strange!

I don't understand where the mermaid went and why he let him go.

"What's this?"

David suddenly saw the shark bead on the ground!

This shark pearl is different from other beast pills. Under the glossy exterior, there is actually a hint of chaos inside!

David took the shark pearl in his hand, and a huge spiritual energy instantly swept through David's body.

"What a terrifying aura..."

David couldn't help being surprised.

He found that the aura emanating from this shark bead was no less than that of Du Da's Nascent Soul.

"What the h3ll is this? How can there be such a strong spiritual energy?"

David carefully looked at the shark bead in front of him.
