

A Man Like None Other Chapter 1471 – 1480

Chapter 1471

Xu Song also frowned, his face full of puzzlement. It was obvious that when they left, there were still thousands of beast pills here.

How come it has become empty in just over a month?

“Brother Xu, could there be another sect family that sneaked in here and stole these beast pills?”

Someone asked Xu Song.

Xu Song nodded: “It’s possible...”

After all, in the last trial, many people from aristocratic sects knew this place, so it was not impossible to sneak in here to take the beast pill without fear of danger.

“Let’s go, let’s go back and report to the leader, this is no trivial matter...”

Xu Song knew that this was a big deal.

If these beast pills are really acquired by a sect family, it will not be long before the Kyoto martial arts world will be shuffled again.

After all, with such a large resource, I don’t know how many masters can be cultivated.

But when Xu Song and the others were about to leave, they all stopped suddenly, and then turned their heads in confusion. remember url

Because they found that there was an aura that locked them in an instant, so that they didn't dare to move around.

When the four of them turned around and saw David coming out of the cover, they were all surprised!

"David, you didn't die?"

Xu Song said with horror in his eyes.

"You people are not dead yet, how can I die..."

David's face was gloomy, and his body was full of killing intent!

These four guys all rely on Sonya's blood to improve their strength.

Thinking of the suffering Sonya, David hated these four guys to the core!

Feeling the killing intent on David, the four of them also became very cautious!

“Brothers, let’s go together, kill David, and go back with his head. The leader will definitely reward us heavily...”

Xu Song said to the other three.

The three nodded, and then their energy exploded, attacking David together!

All four of them are in the realm of Marquis, and the strength of the four of them has greatly increased!

“Hmph, the guy who doesn’t know whether to live or die...”

David snorted coldly, and then his body shook slightly, and a terrifying spiritual force suddenly erupted.

Now that David has stepped into the third realm of Nascent Soul, his strength has doubled. Before the four of them could reach David, they were blown away by the terrifying spiritual power.

“you...”

Xu Song looked at David in horror, his face full of incredulity!

In just over a month, David’s strength has risen to such a terrifying level!

“David, you are trapped here. If you don’t have a boat, you can’t escape at all. Why don’t we make a deal, you let us go, and we take you back to the land...”

Xu Song felt the terror of David’s body, and began to negotiate with David!

“Kill you, the boat is mine, and I can go back...”

David looked at the four of them coldly, and the icy aura on his body became more and more raging!

The next second, David opened his hand, and the Dragon Slaying Sword appeared in David’s hand. Under the blessing of the divine dragon, the Dragon Slaying Sword kept humming.

And the sword spirit in the Dragon Slaying Sword has grown a lot with the improvement of David’s strength.

The Dragon Slaying Sword made a bloodthirsty hum, as if it was desperate for blood!

Seeing this, the four of them hurriedly showed their weapons and looked at David solemnly.

“I have a sword that can cut everything...”

David said it, took a step forward, and then slashed with a sword in the sky.

The terrifying Jianmang instantly brought a gust of wind and went directly towards the four!

Seeing this, Xu Song shouted loudly, holding a jet-black short blade, and instantly blocked it!

The other three also stepped forward, bursting out with terrifying energy, blocking David’s sword glow!

Chapter 1472

brush...

I saw a flash of sword light, and the weapons in Xu Song's hands were instantly cut into two pieces!

And everyone's chest left a bloodstain of tens of centimeters, and the body retreated again and again!

The four of them looked at the weapons in their hands in shock, knowing that these weapons were also made of tungsten steel by the Martial Arts Alliance. They were extremely hard, but they were easily cut off by David.

"Brothers, it seems that this time is going to be desperate..."

After Xu Song finished speaking, the aura on his body became even more rampant.

"Hmph, all of you together, it's just a man's arm blocking the car..."

David snorted coldly, followed by another sword swing!

boom...

The sword energy roared, and the entire Bliss City began to tremble under this sword!

Xu Song roared loudly, and then his hands gathered a ray of light, and rushed up to meet him.

Seeing this, the others also hurriedly activated the magic technique to welcome David's sword!

stab...

The sword energy directly shattered Xu Song's rays of light in a destructive manner, and continued to move towards the four without stopping.

Xu Song turned pale in shock and instinctively stepped back, while the other three directed countless bright rays of light towards David.

The rays of light hit David, and David did not move at all, as if he was unconscious!

shuh...

The sword qi swept across the four of them in an instant, and everyone looked at David in shock, and the movements in their hands completely stopped!

pfft...

Suddenly, one person lay down without warning, and then blood spurted from the waist up, and all the internal organs flowed out.

This sword directly cut the man in half!

Seeing his tragically dead companion, Xu Song couldn't help gasping for air.

You must know that the four of them are all powerful warriors in the Marquis Realm cultivated by the Martial Arts Alliance!

Now that the four of them joined forces, they couldn't help David, and they were killed by David's backhand sword. David's strength had completely dumbfounded them.

“I haven’t seen blood on my Dragon Slaying Sword for a long time, and today I just let your blood feed my Dragon Slaying Sword...”

David shook the Dragon Slaying Sword in his hand and said.

David could feel the bloodthirsty impulse on the Dragon Slaying Sword, and then another sword came out!

The first sword of the Nine Shadows Divine Sword, in an instant, a sword light several meters long descended from the sky, and then slashed down with a fierce sword.

Jianmang emits a dazzling light, making the entire Bliss City radiant!

The huge sense of oppression made all three of Xu Song tremble.

Not to mention whether they can defeat David, the power of David’s sword has already made them terrified and have no fighting spirit.

“Quick, fit together...”

Seeing this, Xu Song hurriedly shouted.

Immediately afterwards, the three of them suddenly stood back-to-back, shouted loudly, and waved rays of light from their hands, turning into a barrier to block them in front of them.

The thick breath made David feel a little familiar in an instant, and his mind was in a trance at this moment.

It was only a momentary event, and then the invincible Jianmang had arrived in front of Xu Song and the others.

stab...

Jianmang easily opened the barrier in front of the three of them, just like opening a piece of waste paper!

Jianmang flashed across the three of them in an instant, and finally formed a deep ravine behind them!

All the defenses on the three of them were broken open, and the sword glow was like a destructive force, leaving deep sword marks on the three of them!

The eyes of the three are full of horror!

They all looked down at their bodies. They didn't know if this sword would cut off their bodies as well!

Xu Song saw that there was only blood coming out of his chest, and when he touched it with his hand, although the wound was deep to the bone, it did not cut his body in two!

Xu Song let out a long breath, it seems that their defense just now worked.

Chapter 1473

But at this moment, the two people around Xu Song opened their eyes wider and wider, and their eyes were full of incredible!

Pfft! Pfft!

Immediately after the sound of two falling to the ground, Xu Song looked at his companions in horror. At this moment, they all fell into a pool of blood, and their bodies became two pieces.

The thick bloody smell instantly stimulated Xu Song's nerves, and Xu Song seemed to be stupid at the moment.

It wasn't that David's sword was blocked by their defenses, but that David deliberately left Xu Song's life behind!

He wanted Xu Song to die in panic. As long as they were members of the Martial Arts Alliance, David would use cruel methods to let them die.

David took the Dragon Slaying Sword and walked towards Xu Song step by step.

"Kill me, you kill me, kill me quickly..."

Xu Song was stimulated, and the whole person fell into madness. Looking at David coming over, he suddenly rushed towards David, and then tightly grabbed David's collar and let David kill himself.

A sword ended in life, and that kind of death was a little more pleasant, but this time for a general who was facing death and waiting for death was the most torturous.

"Don't worry, I will definitely kill you, but I won't let you die happily..."

David put away the Dragon Slaying Sword and said with a cold expression on his face.

“You... what are you going to do to me? We were sent by the leader of the alliance, and the leader of the alliance will avenge us...”

Xu Song gritted his teeth, and the corners of his eyes kept shaking.

“Vengeance?” David’s eyes narrowed slightly: “If Zhu Zhishan doesn’t find me, I will kill him...”

After David finished speaking, he slapped Xu Song’s head with his palm, and then Xu Song only felt that the strength in his body was rapidly draining.

Xu Song’s body began to shrink, and finally turned into a dry old man.

However, David did not let Xu Song die, but gave him a sigh of relief.

“Just stay here and wait for death slowly...”

After David finished speaking, he slowly walked out of Bliss City.

“Kill me, kill me...”

Xu Song fell to the ground, screaming desperately, but David’s figure had long since disappeared.

...

Kyoto!

After Long Xiao got Xiaoru in Medicine God Valley, he immediately brought many experts from the Long family to Medicine God Valley to arrest people.

At this moment, Long Xiao's face was filled with pride, and his heart swelled to the extreme!

He even began to imagine that the Dragon family would rule the entire Kyoto martial arts world in the future.

"As long as you catch this little girl, get the armor on her body, and absorb her strength, I believe that in Kyoto, no one will be your opponent anymore."

In his mind, the old voice of the soul sounded.

Long Xiao raised the corner of his mouth, and said with a gloomy smile: "Could it be that I absorb the strength of that little girl, can I be promoted to the realm of the Great Marquis?"

"Even if you are promoted to the realm of the Great Marquis, it is impossible for you to be invincible in the martial arts world of Kyoto. What really makes you invincible is that armor, which is a holy relic. At that time, Zhu Zhishan kicked the little girl with one foot. , that little girl was unscathed, she knew how powerful this armor is..."

The soul said excitedly.

"What if that little girl is using the Buddha's Light? Then you are not hiding again, and I have to face it myself..."

Long Xiao asked the soul.

Listening to the tone, Long Xiao was still a little dissatisfied with the spirit hiding and leaving him alone.

“Your current strength, even if I don’t show up, how many people are your opponents, not to mention that you have brought so many people, can’t you even catch a little girl?”

The soul asked with a bit of sarcasm in his tone.

“Hmph, of course I can catch it, the Yaoshen Valley can’t stop me...”

Long Xiao snorted coldly.

“All speed up for me, I can’t wait...”

Long Xiao ordered loudly, and then increased his speed.

Chapter 1474

At this moment, no one in Yaoshen Valley has recovered from the sadness of David’s death.

The entire Yaoshen Valley was enveloped by a depressing atmosphere!

“Sister Ling’er, I can feel that Brother David is definitely not dead...”

On a hilltop, Xiaoru persuaded Gu Linger.

During this time, Gu Linger would be here every day, looking to the east, the direction of Suolong Island.

Every time she wanted to see David's figure appear, but every time she was disappointed!

More than a month later, Gu Linger still couldn't accept the fact that David had died.

Gu Ling'er's eyes were blank, as if the whole person was in a daze, and Xiao Ru didn't seem to hear what she said.

"Xiaoru..."

At this time, Zhao Chuang came over with a handful of flowers picked from the mountains in his hand.

Through this period of contact, Zhao Chuang fell in love with Xiaoru, and the two were of the same age.

Seeing Zhao Chuang finding herself with flowers, Xiaoru's face became a little ugly!

Now Gu Linger is sad because of David, and Zhao Chuang brings flowers to show his hospitality at this time. When Gu Linger sees it, he will definitely feel bad.

"What are you doing here, didn't you see me talking with Sister Ling'er?"

Xiaoru gave Zhao Chuang a blank look and said.

Zhao Chuang looked embarrassed, and then said: "Sister Linger, Brother David will definitely be fine, the beasts of the Martial Arts Alliance, who can't kill Brother David, must be the fake news they released."

"I believe it won't be long before Brother David will be back, so don't be too sad."

“Sister Ling’er, I think Brother David must be fine. You are so depressed all day long. When Brother David comes back, seeing you like this, you will feel distressed...”

Xiaoru also persuaded Gu Linger.

“Xiaoru, let’s go, I want to be alone...”

Gu Linger said with a smile at Xiao Ru.

Seeing this, Xiao Ru could only nod her head and leave, while Zhao Chuang followed closely behind Xiao Ru.

In fact, Xiaoru also has a good impression of this guy Zhao Chuang. Although he looks carefree, he is very caring and loyal!

It’s just that the strength is a little bit worse, and the talent is not good.

“Xiaoru, this is the flower I picked for you, Elder Xu said, it’s called the moon liuxiang, this flower can be fragrant for a month...”

Zhao Chuang handed the flower in his hand to Xiaoru.

Xiaoru smiled shyly, took the flower, and then quickly kissed Zhao Chuang’s face!

This time, Zhao Chuang was stunned, the whole person didn’t react yet, and he lightly stroked his face with one hand, he was stupid!

Soon, a happy smile appeared on Zhao Chuang's face, and he suddenly stepped forward and picked up Xiaoru and jumped up.

"When I was young, I was so k!ssed by me..."

At this moment, a gloomy and icy voice suddenly came.

This shocked Xiaoru and Zhao Chuang, and the two immediately looked towards the place where the sound came from.

Soon, Long Xiao and the Long Family appeared in front of them.

"Long Xiao?"

Zhao Chuang saw that it was Long Xiao, and his expression changed greatly!

When Xiaoru saw Long Xiao, her face became extremely angry.

Although he didn't know Long Xiao, she knew that there was this guy in front of David in Bliss City!

"Long Xiao, what are you doing here?"

Zhao Chuang asked Long Xiao loudly.

Wearing a black robe, Long Xiao said with a gloomy smile, "I'm here for this little girl, her physique is different from that of ordinary people. This is a once in a century..."

Long Xiao's eyes stared at Xiao Ru, as if a beast saw its prey.

Seeing this, Zhao Chuang hurriedly protected Xiaoru behind him: "Long Xiao, don't mess around, this is the Valley of the God of Medicine, my father and the four villains are here..."

Zhao Chuang knew that he was not Long Xiao's opponent, so he moved out his father and the four villains.

Chapter 1475

"Hahaha, even if they are all here, what can I do? Today I will take this little girl away, who can stop me..."

As Long Xiao said, he reached out and grabbed Xiao Ru.

Zhao Chuangyi gritted his teeth: "Long Xiao, I fought with you..."

After speaking, Zhao Chuang tried his best to smash Long Xiao with his palm.

But Long Xiao didn't take Zhao Chuang into his eyes at all. After all, Zhao Chuang's current strength is not comparable to him at all.

The two were not at the same level at all. Even if Long Xiao stood still and let Zhao Chuang hit him, Long Xiao would not be hurt.

boom!

Zhao Chuang punched Long Xiao fiercely, but he took a few steps back and fell to the ground. At this moment, Zhao Chuang's wrist was hurting even more, and his hand bone was broken!

Is there anything more humiliating than this?

“Just like you, let’s save your energy and learn what kind of hero to save beauty...”

Long Xiao glanced at Zhao Chuang with a sneer, then grabbed Xiaoru.

Xiao Ru’s face was full of anger, she waved her hands lightly, and in an instant, a coldness hit, Xiao Ru’s hands actually condensed frost at this moment!

Afterwards, both palms came out, and two spiritual powers mixed with frost roared towards Long Xiao.

“The body of ice crystals, this little girl is the body of ice crystals...”

The surprised voice of the soul flashed in Long Xiao’s mind instantly!

Before Long Xiao could react, what is the body of ice crystals, his whole body was hit by those two frost powers, and then his body began to freeze.

Layer after layer of frost began to condense on Long Xiao’s body, and at this moment Long Xiao directly turned into an ice man!

“You killed Brother David, I want to kill you...”

Seeing her hand, Xiaoru froze Long Xiao, jumped up hastily, and slapped Long Xiao’s head with her palm.

But just when Xiaoru was in front of Long Xiao, the frost on Long Xiao's body began to shatter, and then Long Xiao smashed Xiao Ru's body with a punch.

Xiaoru's body flew out like a kite with a broken string, and fell heavily on the ground.

"Xiaoru..."

Zhao Chuang saw this, his eyes were full of grief and anger, and then he rushed towards Long Xiao desperately.

"Hmph, I'm not self-sufficient..."

Long Xiao waved his hand gently, and Zhao Chuang's body flew out instantly.

He fell directly beside Xiaoru, his face was pale, he vomited blood, and he couldn't get up!

"Zhao Chuang, Zhao Chuang..."

Xiaoru got up and called out to Zhao Chuang nervously.

Xiaoru has armor to protect himself, so he didn't suffer any damage, but Zhao Chuang couldn't do it. At this moment, his ribs were broken, and his internal organs were severely injured!

Blood continued to spurt out of his mouth, and his eyes stared at Xiao Ru tightly.

Zhao Chuang wanted to say something, but his mouth was full of blood, and he couldn't say a word.

"Don't say anything, if we die, we will die together..."

Xiaoru grabbed Zhao Chuang's hand tightly, and Zhao Chuang laughed at this moment.

Hearing Xiao Ru's words, Zhao Chuang smiled even though he was seriously injured and faced death.

"Little girl, follow me obediently, as long as you are obedient, I can spare his life..."

Long Xiao took a few steps forward and said to Xiaoru.

Xiaoru looked at Zhao Chuang, who was seriously injured, and got up slowly, while Zhao Chuang pulled Xiaoru tightly and squeezed out a few words: "No, don't go with him..."

Zhao Chuang didn't want to let himself become a bargaining chip to threaten Xiaoru!

"shut up..."

Long Xiao's eyes narrowed slightly, his palm suddenly sucked, and he actually grabbed Zhao Chuang directly into his hand.

Long Xiao's hand was firmly stuck on Zhao Chuang's neck, and then looked at Xiaoru: "Have you made up your mind?"

Long Xiao threatened Xiaoru. He wanted Xiaoru to follow him obediently. If Xiaoru died, it would be of no use to him.

Chapter 1476

Xiaoru looked at Zhao Chuang's blushing face due to suffocation, and her face was still painful, nodded and said, "Okay, I'll go with you, you let him go..."

Seeing Xiaoru agree, Long Xiao raised a smile on the corner of his mouth, and threw Zhao Chuang out like a dead dog.

"Don't..." Zhao Chuang yelled, even if the blood kept pouring out of his mouth, Zhao Chuang didn't care: "Long Xiao, my day. Your ancestor, you killed me, killed me..."

Zhao Chuang wanted to die, as long as he died, Long Xiao would not threaten Xiao Ru's capital!

Long Xiao didn't even look at Zhao Chuang, but said to Xiaoru, "Come with me, don't think about any crooked thoughts..."

After Long Xiao finished speaking, he then glanced at his subordinates, and soon several experts from the Long family stepped forward, and the rays of light turned into chains, directly binding Xiaoru.

Xiaoru glanced at Zhao Chuang, didn't say anything, but left with Long Xiao.

Zhao Chuang roared desperately, he wanted to stand up to catch up, but unfortunately he couldn't stand up at all.

After Xiaoru was taken away, Gu Linger heard the voice and hurried over.

When she saw Zhao Chuang who was seriously injured, she was shocked!

"Zhao Chuang, what's the matter? Where is Xiaoru?"

Gu Linger asked Zhao Chuang.

“Xiaoru was taken away by Long Xiao, taken away...”

Zhao Chuang said with a painful expression.

Gu Linger frowned, and quickly helped Zhao Chuang up and rushed back to Yaoshen Valley. She wanted to tell Long Wu about this and see how to rescue Xiaoru!

...

Kyoto, Xin family!

This is Xin Pengfei’s home. Since returning from the trial, Xin Pengfei has attached himself to the Martial Arts Alliance and the Long Family, and has obtained a lot of beast pill resources.

During this period of time, Xin Pengfei’s strength has also improved a lot. How to say he is also the number one on the Happy List. Although this Happy List is not officially recognized, Xin Pengfei is very concerned about this title.

Especially after seeing the strength of the younger generation such as David and Long Xiao, Xin Pengfei knew that he still had a long way to follow the true talents, so he practiced even harder!

At this time, outside the Xin’s house, a man shrouded in black robe appeared, the man in black robe slowly raised his head, and David’s handsome face was revealed.

David looked at the plaque at the door of the Xin family, and whispered secretly: "Let's start with your Xin family. I will not let anyone off the hook..."

David slowly put on a mask, and then pushed open the door of Xin's house!

After seeing that someone suddenly broke in, many children of the Xin family immediately gathered around!

"Who are you? Dare to break into the Xin family privately..."

Someone asked David loudly.

David didn't speak, a cold light flashed in his eyes, followed by a slight wave of his palm, a huge spiritual force moved towards the surroundings.

The children of the Xin family who surrounded David, before they had time to react, all flew out one by one, and then died tragically on the spot!

Hearing the movement, Xin Pengfei hurriedly led someone out and frowned when he saw his children were dead.

"Who are you? Why did you break into my Xin family and kill my Xin family members?"

Xin Pengfei asked David angrily.

"I am the one who killed you!"

David said coldly.

“Kill me? Do I have any grudge with you? Why do you want to kill me?”

Xin Pengfei was puzzled, he didn't feel that he had offended anyone.

“why?”

David snorted coldly, and then took off his mask.

When Xin Pengfei saw David's face, he was instantly stunned, and his face became extremely ugly.

David waved his hands, and a faint light flickered, and then enveloped the entire Xin family.

Chapter 1477

David did not intend to let the Xin family escape alone.

Xin Pengfei's eyes widened: “David, you...you didn't die?”

“Of course I'm not dead. Not only am I not dead, but my strength has improved a lot. Can't you feel it?”

David was slightly shocked, and a terrifying coercion instantly fell from the sky!

Xin Pengfei only felt his heart tighten, and he almost spit out a mouthful of blood.

However, Xin Pengfei forcibly held back, but his legs trembled.

As for the rest of the Xin family, there is no one who has the ability to Xin Pengfei. Under the terrifying pressure of David, their eyes widened and their bodies exploded to death...

The bloody aura instantly filled the air of the entire Xin family, and Xin Pengfei was dumbfounded when he looked at the tragic death of these Xin family children.

David lightly relied on the power of coercion to easily kill these people. It can be seen that David's strength has improved a lot.

"David, since you are not dead, you should find a place to hide, but you openly went to my house to kill, aren't you afraid that the Martial Arts Alliance will know?" Remember the website

Xin Pengfei questioned David.

"Why are you afraid? This time, I will completely eradicate the Kyoto Martial Arts Alliance..."

David's eyes narrowed slightly.

Xin Pengfei looked at David, knowing that it would be difficult to be kind today, so he gritted his teeth, and the breath on his body exploded.

Xin Pengfei can reach the realm of Marquis at a young age, which is not comparable to ordinary people. This punch is extremely fierce, and all the energy in his body is condensed on the fist.

David looked at Xin Pengfei, who was attacking, with a disdainful smile on the corner of his mouth!

Then he raised his hand lightly, and directly grabbed Xin Pengfei's fist. Xin Pengfei was startled and wanted to retract it, but found that his fist was tightly squeezed by David.

kakaka ...

Only hearing the sound of bone cracks, Xin Pengfei showed a painful expression on his face, his face full of hideousness!

"At the moment when you confronted me, you should think about today's..."

David suddenly exerted force, Xin Pengfei's fist shattered instantly, and Xin Pengfei screamed in pain!

Immediately afterwards, David slapped Xin Pengfei on the face and slapped Xin Pengfei out.

Xin Pengfei's mouth full of teeth was spat out, and blood was dripping from the corner of his mouth!

At this moment, he finally knew the gap between himself and David. In front of David, he had no power to fight back.

poof...

Xin Pengfei knelt down in front of David all of a sudden.

“David, Uncle Chen, please spare my life. At that time, I was forced to be helpless, so I would target you. Now the entire Kyoto martial arts world has become a member of the martial arts alliance, and I have no choice...”

Xin Pengfei cried bitterly and followed David to beg for mercy!

“The entire Kyoto martial arts world has joined the martial arts alliance?”

David couldn't help being a little scared. No matter how powerful the Martial Arts Alliance is, it is impossible for the entire Kyoto Martial Arts world to be included in it.

And it is impossible for officials to watch the Kyoto Martial Arts Alliance become bigger and stronger, and it will lose control.

“Yes, except for the Dong family and the Ge family, now almost all of them have joined the martial arts alliance, just for that little resource...”

Xin Pengfei said quickly.

“Don't Mr. Shi care?”

David was very puzzled. Why did the government ignore the expansion of the Martial Arts Alliance?

“I don't know about this. No one from the government has come forward to stop it. It seems that the Martial Arts Alliance has tacitly agreed to do so.”

Xin Pengfei shook his head, and then continued: “But now the Martial Arts Alliance is not a monolith, and many sects and families are running out of resources, and they are all looking for the Martial Arts Alliance for resources!”

Xin Pengfei's words reminded David of Xu Song. It seems that the martial arts alliance needs a lot of resources to support so many sect families, so Xu Song and the four took the risk to go to the city of bliss to get the beast pill.

Chapter 1478

Without these four people, David would not be able to come back now. Without a boat, it would be very difficult for David to get to the land.

"It seems that I will kill a good person in the entire Kyoto martial arts world..."

A cold light flashed in David's eyes. Tonight will be an earth-shaking night in the martial arts world of Kyoto!

"I've told you everything I know. Please forgive me. I won't say anything. I can leave the capital and walk far away..."

Xin Pengfei begged for mercy, and there was a lot of snot and tears, very pitiful!

"I only believe what the dead say..."

After David finished speaking, he reached out and patted Xin Pengfei's head!

Soon, Xin Pengfei turned into a mummified corpse, and the entire Xin family was left alone, with no survivors!

Putting on the mask again, David walked out of Xin's house slowly!

“The next one...”

David’s back disappeared into the night!

...

The next morning, the entire Kyoto martial arts world exploded in an instant!

In one night, all thirteen sect families were wiped out!

And without exception, the masters above Wuhou have all become mummified corpses, obviously their strength has been absorbed by others.

“The world of martial arts in Kyoto is about to change. Who is so bold to directly destroy thirteen aristocratic families?”

“These sect families have all joined the Kyoto Martial Arts Alliance. Isn’t this directly hitting the Martial Arts Alliance’s face?”

“This must be done by evil cultivators, otherwise how could people be sucked into mummified corpses...”

“It’s over, it’s over, it’s going to change in the future, and the evil cultivators have begun to blatantly haunt...”

Countless discussions drowned out the Kyoto Martial Arts Alliance!

And at this moment, within the Martial Arts Alliance!

Several mummified corpses were placed in front of Zhu Zhishan.

And every mummy has a word engraved on it!

Combining them together, it turned out to be: Join the martial arts alliance, die...

This is obviously aimed at the Martial Arts Alliance.

“Who is it? Who is making trouble with our Martial Arts Alliance?”

Zhu Zhishan slapped the table angrily.

At this moment, Ning Zhi squatted down and put his hand on each mummy body, as if he was feeling something.

Soon, Ning Zhi stood up: “I wish the alliance leader, although these people have been absorbed by others, they are not evil cultivators. The reason why this person does this may be to confuse the public and divert our attention...”

“Who is it? Since it’s not an evil cultivator, who has the power to draw strength from living people?”

When Zhu Zhishan heard what Ning Zhi said, he immediately frowned.

Ning Zhi was also a little confused at the moment. After all, with the current strength of the Martial Arts Alliance, no one dared to openly oppose the Martial Arts Alliance like this.

Moreover, these people who were killed were not ordinary people. If they could destroy thirteen sect families overnight, their strength must be very strong.

Ning Zhi didn't dare to think about how strong it was. Anyway, with his current strength, it would be a little stressful to destroy these thirteen aristocratic sects overnight.

"Is there no one alive at the scene?"

Ning Zhi asked those who had been to the scene.

"If you go back to the deputy leader, there was no one alive at the scene, and even the dog was killed..."

The man replied.

Ning Zhi frowned, the person who started the attack was too ruthless, and Ning Zhi felt a little flustered when he met such a ruthless opponent.

"It seems that we have to inform those high-level executives. This matter is beyond our ability. The other party is too powerful..."

Zhu Zhishan was a little scared and wanted to push this matter to the top to handle it!

Ning Zhi didn't speak, his face was gloomy, his eyes were slightly closed, and he seemed to be thinking about something.

Soon, Ning Zhi opened his eyes, and then looked at Zhu Zhishan: "Alliance leader, did you send Xu Song four people to get the beast pill?"

“Yes!” Zhu Zhishan nodded, and then said: “But these days, it’s time to come back. Even if you can’t come back, you should tell me how the situation is.”

Chapter 1479

When Ning Zhi heard Zhu Zhishan’s words, his face instantly became more ugly.

“Broken, broken...”

Ning Zhi’s face was gloomy.

“Ning Zhi, what’s wrong?” Zhu Zhishan asked with a puzzled face.

“I suspect that David is not dead, and what happened last night was what David did...”

Ning Zhi said solemnly.

After hearing this, Zhu Zhishan’s expression changed greatly, and then he shook his head and said: “Impossible, then how could David not die, even if he did not die, with David’s strength, it is impossible to destroy thirteen sects overnight. From a family of aristocrats, don’t be alarmist..”

Zhu Zhishan does not believe that David is not dead, and he cannot accept that David is not dead. In his heart, David is already dead, and it is impossible to live.

At this moment, Long Jingguo and Long Xiao who heard the news also came to the Martial Arts Alliance!

After hearing that Ning Zhi suspected that David was not dead, and that David destroyed these sects, the Long family didn't believe it at all!

"Vice Alliance Leader Ning, if you spread these words out, I'm afraid it will make people laugh. Even if David is alive, he doesn't have such great ability."

Long Jingguo sneered.

That Long Xiao also said: "Yes, I can't do this now with my strength, so even if David is alive, it is impossible to do it."

"You can't do it, but it doesn't mean he can't do it. During this time, your strength has increased several times, but it doesn't mean that David has not increased. Maybe his strength has increased faster than you..."

Ning Zhi gave Long Xiao a disdainful look.

It was not for no reason that he suspected that it was David's. There were various indications that David was probably not dead. Since David was not dead, he could do such a thing to destroy thirteen sects.

Moreover, David has always been ruthless towards the enemy, and he has never encountered it. What's more, now David hates the Martial Arts Alliance. All these sect families have joined the Martial Arts Alliance, which is David's enemy.

"I think you're scared of being beaten by David. Your Ning family was destroyed by David. You're being chased by David. You must have a shadow in your heart, so it's normal for you to suspect that it's David. should be your inner demon now..."

Although Ning Zhi was the deputy leader of the alliance, Long Xiao did not give face at all.

“you...”

Ning Zhi’s eyes suddenly burst into anger, but he held back and did not do anything.

Now is not the time for him to do it, the time is not yet ripe!

“I’m going to practice. Since you don’t believe it, just wait and see...”

Ning Zhi turned around and left. He was going to hurry up to practice. Fortunately, the Martial Arts Alliance had Sonya’s blood, which could help Ning Zhi practice quickly.

“Long family master, you have to be careful, maybe this person will go to your dragon family.”

Zhu Zhishan warned Long Jingguo.

“I wish the leader of the alliance rest assured, as long as that person dares to come, I will definitely be able to catch him...”

Long Jingguo didn’t say anything, but Long Xiao said it confidently.

Because he will soon be able to improve his strength again, and when he gets the armor on Xiaoru’s body and absorbs Xiaoru’s strength, he will be able to look down on the entire Kyoto martial arts world.

After sending off the Long family and his son, Zhu Zhishan immediately sent someone to investigate the matter, who did it, and Zhu Zhishan himself was not idle, he needed to appease those sect families in the Martial Arts Alliance.

Now many aristocratic sects are in fear and trembling, because they don't know when that person will appear, and they risk destroying the sect.

Some Zongmen families started to choose to withdraw from the Martial Arts Alliance. After all, the other party could not hide the fact that they were targeting the Martial Arts Alliance. The fact that several mummies were engraved on their bodies soon spread, so some Zongmen aristocratic families chose to withdraw from the martial arts. Alliance for self-preservation.

Chapter 1480

Although many aristocratic families withdrew from the Martial Arts Alliance, they still could not avoid the fate of being wiped out!

For a time, the entire Kyoto martial arts world was panicking, and even a family of sects moved out of the capital in order to avoid the fate of being wiped out!

Rumors abounded in the martial arts circles in Kyoto, saying that Fan Jiang was the one who killed the sect family in this black robe.

Talking about Fan Jiang, the younger generation of martial artists in the Kyoto martial arts world don't know much, because more than 20 years ago, this Fan Jiang was a well-known evil cultivator. How many sect families do you know!

Later, the entire Kyoto martial arts world was dispatched and cooperated with the official arrest, and finally Fan Jiang was forced off the cliff. More than 20 years later, everyone thought he was dead.

But now, such a black-robed man suddenly appeared again, slaughtering sect families everywhere, absorbing the strength of others, this has to make people think of the devil Fan Jiang!

Back then, Fan Jiang, by his own strength, beheaded several Marquis masters and was besieged by hundreds of people before he was forced to fall off a cliff.

Now that more than 20 years have passed, if it really is that Fan Jiang returns, then his strength will definitely be extremely terrifying, and he will be ruthless, and he will not stay alive. This style is too similar!

Many aristocratic sects in Kyoto have reached the point where they are full of grass and trees, including some large sects, and they have also called back the masters scattered all over the place to deal with the coming danger!

There are even many aristocratic sect families united to petition, asking Mr. Shi to take action, kill the black-robed man, and bring peace to the martial arts world in Kyoto!

Law Enforcement Pavilion!

Mr. Shi was drinking tea leisurely, as if he didn't care about the noise of those sect families!

"Mr. Shi, in the past two days, every day there are people from Zongmen aristocratic families who have come to ask to see you. Now the entire Kyoto martial arts world is in chaos, and people are panicking..."

Xing Jun said to Mr. Shi slightly tired.

In the past two days, Xing Jun has come forward. Mr. Shi has never seen those people from the sect family and let them come again and again.

“I didn’t say that, I sent them away when I found them. I won’t see them...”

Mr. Shi took a sip of tea and said.

“But...but...” Xing Jun looked embarrassed: “Mr. Shi, many people are now rumouring that the man in black robe is the big devil Fan Jiang twenty years ago. If Fan Jiang really appeared, I’m afraid it’s more than that. The sect family, I am afraid that even our officials are in danger.”

In the pursuit of Fan Jiang, the official leader was the leader. At that time, all the martial arts circles in Kyoto were united.

If that Fan Jiang is here to take revenge, maybe he will do something to the official law enforcement team, even if he doesn’t dare to do something to the law enforcement team, it is not impossible to kill a few members of the law-enforcement pavilion to vent his anger!

“Hahaha, not to mention that this man in black robe is not Fan Jiang, even if it is Fan Jiang, how dare he take action against the official? Although this Fan Jiang is a cultist and a big devil, he is not a fool...”

Mr. Shi burst out laughing.

Xing Jun was stunned for a moment, and asked curiously, “Mr. Shi, how do you know that this man in black robe is not Fan Jiang? Judging from the cruel method of killing, it is very similar to that of Fan Jiang...”

Xing Jun also suspected that the man in black robe was Fan Jiang, otherwise who would have such great strength.

“Some things, you will know later!” Mr. Shi said lightly, then waved his hand and let Xing Jun go out.

After Xing Jun left, Mr. Shi raised a smile on the corner of his mouth: “David, this kid is getting more and more bloody...”

Looking at Mr. Shi’s expression, he had already guessed that the man in black robe was David, so he didn’t stop or even let the officials come forward. He needed David to have this kind of blood. Mr. Shi knew that in the near future, there would be There are more cruel things waiting for David.
