

## **A Man Like None Other Chapter 1501 – 1510**

### **Chapter 1501**

More than a dozen sword qi disappeared without a trace in an instant!

“who?”

Ge Jiayi’s face changed greatly, and she hurriedly looked around.

Dong Liqun was also full of doubts, because he could just feel that the strength of the person who can emit that golden light is absolutely unfathomable!

“Miss Ge, you are an eldest lady with such a rude personality, isn’t it good?”

At this time, a figure came slowly!

After seeing this figure, several people stayed on the spot for a moment.

“Brother David, you...you’re not dead...”

Dong Jiahao regained his senses, ran over suddenly, and gave David a hug!

“Mr. Chen, you...you...”

Dong Liqun was too excited to speak when he saw David!

Only Ge Jiayi still stared blankly at David with a very complicated expression in his eyes.

After David said a few words to Dong Jiahao, he looked at Ge Jiayi and asked, “Miss Ge, why do you have to kill Brother Dong?”

Ge Jiayi said angrily, “This beast gave me medicine and defiled me. Do you think I should kill him?”

“Brother David, I didn’t, I really didn’t, how could I do such a thing!”

Dong Jiahao quickly explained!

David raised his hand slightly and stopped Dong Jiahao’s explanation: “Miss Ge, you are still perfect, how can you say that Brother Dong has defiled you?”

“How is that possible?” Ge Jiayi was stunned. When she woke up, her clothes were all gone, so how could she still be in perfect shape.

“Can’t I still lie to you, you can look at your left arm yourself!”

As David said, a ray of spiritual power instantly penetrated into Ge Jiayi’s body, and soon a red mark appeared on Ge Jiayi’s left arm!

Seeing the mark, Ge Jiayi was full of excitement: “This... is this Shougongsha?”

“Yes, this is Shougongsha, Miss Ge’s Shougongsha is still there, how could it not be a perfect body?”

David asked.

Ge Jiayi was speechless for a while, but still said in an atmosphere: “This Dong Jiahao tricked me into going to the hotel, gave me medicine, and took off my clothes. This is an indisputable fact...”

“Miss Ge, you must have misunderstood. When did I go to the hotel with you? That’s not me...”

Dong Jiahao explained with a face full of grievances.

“How could I have misunderstood the hotel I went to with you, can I still be wrong?”

Ge Jiayi also swore that what she said was true.

David frowned slightly, he looked at Dong Jiahao’s expression, it didn’t look like he was lying, and Ge Jiayi didn’t look like he was lying!

Then there must be some misunderstanding!

Suddenly, David seemed to have thought of something, so he asked Ge Jiayi, “Miss Ge, do you know that there is a disguise technique in this world?”

“What do you mean?”

Ge Jiayi was taken aback!

“I think there must be a misunderstanding here. Maybe someone has disguised themselves as Brother Dong and deceived you, in order to incite conflicts between the two of you?”

David followed Ge Jiayi to analyze.

Ge Jiayi fell into silence and said after a while, “I will investigate this matter in detail. If it is what Dong Jiahao said, I will never forgive him.”

“Miss Ge, if I did it, I’d like to apologize to myself...”

Dong Jiahao said firmly.

Ge Jiayi is also a little overwhelmed now, so she can only leave first and wait until the investigation is clear!

“Brother David, thank you so much, go to the house and tell me what you have been doing during this time...”

When Ge Jiayi walked back, Dong Jiahao impatiently pulled David into the room!

David didn’t hide it either, and told Dong Jiahao about his own experience!

When he heard that the more than ten sect families in Kyoto were all destroyed by David, Dong Jiahao couldn’t close his mouth in shock.

## **Chapter 1502**

“Mr. Chen, when you come to Dong’s house, do you have anything to tell us to do?”

Dong Liqun knew that when David came to Dong's house, there must be something to explain!

David nodded: "Patriarch Dong, tomorrow I will go to the martial arts field to meet with Long Xiao, and use Long Jingguo to exchange Xiao Ru, I am afraid that Long Xiao will not keep his word, so I want to borrow the Dong family's hand to exchange this Spread the word."

"On the day of the exchange, many colleagues from the martial arts world will go, I believe that Long Xiao will not dare to play tricks in front of everyone!"

"What? Xiaoru was taken away by Long Xiao's grandson?"

After Dong Jiahao heard this, his face suddenly became angry!

"Mr. Chen, don't worry, I will definitely handle this matter."

Dong Liqun nodded!

"One more thing, that is, let the sect family who offended me come to the Dong family to apologize. I will sit in the Dong family today and wait for those sect families and tell them that they only have one day!"

"After today, what is waiting for them is to destroy the door..."

David said with murderous intent in his eyes.

Feeling the murderous aura on David's body, Dong Liqun's body trembled!

But he knew that the reason why David did this was to support the Dong family.

Now in the situation of the martial arts world in Kyoto, the Dong family is isolated, and sooner or later, it will become the mouthful Chinese food of many aristocratic families!

And David acted so high-profile this time, and he took the opportunity to warn those sect families not to attack the Dong family's idea!

Soon, David was still alive, and the news of his return to Kyoto spread in the martial arts forum!

And some time ago, there was a lot of uproar, and the black-robed man who killed thirteen sect families was David!

This makes many sect families who have targeted David panic!

"This David is too good, he actually destroyed thirteen sect families in a row..."

"At the beginning, there were people who guessed that the man in black robe was Fan Jiang, but no one thought it was David!"

"Wait, the Kyoto martial arts world, I am afraid that another sect family is unlucky!"

Everyone was talking about it, and many aristocratic sects had prepared generous gifts, and they set foot in the Dong family one after another and followed David to make amends!

After all, there are lessons from those sect families ahead, and no one is trying to provoke the evil star David!

...

In the Martial Arts Alliance!

Long Xiao hurriedly found Zhu Zhishan.

“I wish the alliance leader, then David has advanced the exchange time, and also announced the address. There will definitely be many people going to the martial arts field tomorrow. What should we do?”

Long Xiao asked anxiously.

It was originally planned to attack David at the martial arts field, but even if there are people in the know, there will not be too many.

But this time, David directly stabbed the matter out, and I don't know how many people will go there!

If they are attacking David, the Martial Arts Alliance will be criticized by everyone in the martial arts world.

“Tomorrow, we will still act as planned. Things have come to this point. The most important thing is to kill David. As for public opinion, we will suppress it strongly!”

Zhu Zhishan has already been arranged, and the four masters of black copper robes have also been arranged properly, and it is impossible to change it temporarily!

“How sure is it to kill that David?”

Long Xiao asked.

“100%, four black copper robe masters come out, and David can’t escape, this time I want to watch him die...”

Zhu Zhishan’s eyes narrowed slightly, and he said confidently.

Long Xiao heaved a sigh of relief and followed David to fight. After being hanged and beaten by David, Long Xiao was a little afraid of David!

“Before killing David, in order to stop the official’s mouth, I think it is necessary to go to Mr. Shi and let the official come forward to punish David.”

“After all, David destroyed more than a dozen sect families, no matter what kind of grievances they have, they will not change to do so.”

At this time, Ning Zhi slowly walked in from the outside and said.

“Then Mr. Shi wears a pair of pants with David, how could he punish that David?”

Zhu Zhishan said.

### **Chapter 1503**

“Yes, then if David hadn’t been backed by Mr. Shi, how could it have developed to this day, he would have died long ago...”

Long Xiao also said angrily.

“It’s better if Mr. Shi doesn’t care. Since Mr. Shi doesn’t care, then our Martial Arts Alliance can eliminate the harm for the people. When the time comes to kill David in public, the official can’t trouble us...”

The corner of Ning Zhi’s mouth slightly raised.

He guessed that Mr. Shi would not control David, let alone punish David, so they just used this as an excuse.

“Then who is going to talk to Mr. Shi?”

Zhu Zhishan asked.

Anyway, he didn’t dare. Seeing Mr. Shi, Zhu Zhishan trembled all over, and he was afraid that he would be too scared to say a word!

“As the leader of the alliance, of course it’s you, but you can contact some other sect families to go with you to put pressure on Mr. Shi...”

Ning Zhi looked at Zhu Zhishan and said.

“Me?” Zhu Zhishan was taken aback!

“Don’t you dare?” Ning Zhi’s eyes flashed a bit of mockery!

After hesitating for a moment, Zhu Zhishan gritted his teeth: "Dare, how could I dare not!"

...

Law Enforcement Pavilion!

Outside the door, Zhu Zhishan brought more than a dozen other sects and aristocratic families, and they wanted to ask Mr. Shi for an explanation.

Xing Jun reported to Mr. Shi: "Mr. Shi, David is really not dead, he is the one who killed more than ten sects and families, and now that Zhu Zhishan brings more than ten sects and families to ask the official to come forward, Punish David!"

"Let them all come in..."

Mr. Shi said calmly.

Xing Jun nodded, and soon Zhu Zhishan was put in along with those from the sect family.

When these people saw Mr. Shi, they were all slightly shocked, and they began to take a cold breath from the bottom of their hearts.

"sit down..."

Mr. Shi said lightly.

However, no one like Zhu Zhishan dared to do it. Facing Mr. Shi, the sense of oppression made it difficult for them to breathe!

Seeing that these people didn't do it, Mr. Shi slowly opened his mouth and said, "You come to me, what's the matter?"

When Mr. Shi said a word, many people bowed their heads and dared not look directly at Mr. Shi!

Zhu Zhishan looked left and right, no one dared to speak, and finally he had to speak.

"Mr. Shi, that David destroyed more than ten sect families in the Martial Arts Alliance, and now he is openly provoking. We hope that the official will come forward to punish David and give an explanation to those sect families that have been destroyed..."

Zhu Zhishan is full of energy, and his heart is mentioned in his throat!

"Well, I know about this!" Mr. Shi nodded: "Then what?"

Zhu Zhishan was stunned for a moment, then shook his head: "No...nothing. Then, we just ask David to be punished, just kill David."

"You brought so many people here, are you just telling me about this?"

Mr. Shi asked in a calm tone.

"Yes, they all hope Mr. Shi can uphold justice."

Zhu Zhishan's face turned red at this moment, and his heart was about to burst out.

"Do you all mean that?"

Mr. Shi glanced at everyone and asked.

But no one spoke, everyone lowered their heads, not daring to breathe!

"Zhu Zhishan, they don't seem to mean that..."

Seeing that everyone was silent, Mr. Shi asked Zhu Zhishan.

Zhu Zhishan suddenly panicked, and quickly said to everyone: "When you talk, Mr. Shi asked you. When we came, didn't we all agree?"

Zhu Zhishan roared loudly at the crowd, but still no one spoke, all bowed their heads!

No matter what Zhu Zhishan said, no one spoke, and the cold sweat on Zhu Zhishan's forehead instantly flowed down.

"Zhuzhishan..." Mr. Shi shouted!

"Shi... Mr. Shi..."

Zhu Zhishan trembled, he knew that Mr. Shi was angry.

“You lead people to surround the Dharma Protector Pavilion and put pressure on me, it’s simply lawless...”

Mr. Shi’s tone became cold, and then he raised his hand and waved lightly!

A huge force came, and before Zhu Zhishan could respond, the whole person flew out and fell heavily to the ground.

#### **Chapter 1504**

When the others saw this, they all trembled with fright, and they didn’t dare to breathe!

Zhu Zhishan hurriedly got up, lowered his head in front of Mr. Shi, and didn’t dare to let go of his farts!

“You people, give me ten slaps to show punishment. If you dare to confront the authorities, you will kill without mercy...”

After the three words “Sha Wushe” came out of Mr. Shi’s mouth, all the people from the sect family were almost scared to pee!

No one dared to hesitate in the slightest, and they all began to slap their mouths, one by one, and one louder than the other!

And Zhu Zhishan’s body was shaking like a sieve.

During this period of time, no matter what the Martial Arts Alliance does, it seems that the official has never come forward to stop it, not even Mr. Shi!

This also made Zhu Zhishan have an illusion, feeling that the current strength of the Martial Arts Alliance made Mr. Shi start to be afraid!

But at this moment, Zhu Zhishan realized that these people, in Mr. Shi's eyes, are not sh!t!

When the slaps were over, Mr. Shi said coldly, "Get out of here. As for David's affairs, you can handle it yourself..."

Zhu Zhishan nodded again and again and hurriedly left!

After Zhu Zhishan took the people away, Xing Jun looked at Mr. Shi with a puzzled look: "Mr. Shi, if you say this, don't you put David in a dangerous situation? The guys from the Martial Arts Alliance will definitely find a way to kill them. David's."

Mr. Shi raised the corner of his mouth: "The strength of this guy David is beyond my imagination. It seems that the more pressure he has, the faster his strength grows, so I have to put pressure on him..."

Xing Jun didn't understand what Mr. Shi meant, but when Mr. Shi did things, Xing Jun was not qualified to intervene.

...

Zhu Zhishan, who walked out of the Dharma Protector Pavilion, is now slapping his chest and gasping for breath!

"I almost lost my life just now. If there is such a thing, I won't come..."

Zhu Zhishan wiped the cold sweat on his forehead and said!

And the other members of the sect family were also angry and accused Zhu Zhishan one after another!

The original call for them to come over was to help Wei Wei, and Zhu Zhishan also swore that there would be no problem.

But now all of them have become pig heads, and they will be ridiculed when they go back!

Back to the Martial Arts League!

Ning Zhi asked Zhu Zhishan, "Leader, does Mr. Shi have any comments?"

"There is a fart statement, and there is something to put pressure on the government, you can do it, I almost died in the Dharma Protector Pavilion..."

Zhu Zhishan roared angrily!

Seeing Zhu Zhishan's attitude, Ning Zhi laughed. It seemed that he had already guessed the result!

"Did Mr. Shi say let our Martial Arts Alliance figure it out?"

Ning Zhi asked.

Zhu Zhishan was stunned: "How did you know?"

“I guess!” Ning Zhi raised his mouth: “If Mr. Shi wants to control, he can’t watch the Kyoto martial arts world become a mess, it seems that Mr. Shi is waiting, waiting for the most chaotic time in the Kyoto martial arts world, It’s just to rebuild the order of the entire martial arts world...”

“Damn, you know, you asked me to find Mr. Shi, right? I was almost killed by Mr. Shi...”

When Zhu Zhishan heard this, he immediately followed Ning Zhi angrily and roared!

However, he just roared, but he didn’t dare to really do anything to Ning Zhi. In the Martial Arts Alliance, Ning Zhi’s real power was greater than his leader.

Ning Zhi looked at Zhu Zhishan’s furious look, and smiled lightly: “Go and prepare to kill David, this time I missed, Da Neng will not let you go...”

After hearing the great power, Zhu Zhishan shuddered and his face became solemn. He hurriedly walked out of the martial arts alliance and went to the martial arts field to make arrangements. He had to be foolproof.

After Zhu Zhishan left, Ning Zhi sneered: “It’s really a pig, just like this, I can sit on the position of the leader of the alliance!”

Ning Zhi returned to the backyard and went to continue practicing.

## **Chapter 1505**

...

the next day!

There are tens of thousands of people in the martial arts field, and David’s miracles again and again make many people want to come and watch the excitement!

The exchange of hostages in the martial arts field is the first time in the martial arts world!

Especially when the head of the Long family was caught and became a hostage, such a rare thing, I want to come and see!

Zhu Zhishan looked at the crowd of people at the scene, his face was very gloomy.

“I wish the alliance leader, will we still do it in a while?”

At this time, a black copper robe asked Zhu Zhishan.

There are so many people on the scene, if you openly do it, I am afraid it will affect the reputation of the Martial Arts Alliance!

“Go ahead, as long as you kill that David, everything else will be easy!”

Zhu Zhishan gritted his teeth and said.

The black copper robe nodded, then turned to leave, and went to make arrangements!

Soon, Long Xiao and Xiao Ru also came to the martial arts field and sat directly beside Zhu Zhishan!

“I wish the leader of the alliance, that David made such a big battle, it is estimated that he was afraid that the martial arts alliance would attack him. After a while, David will come, we must not miss the opportunity...”

Long Xiao was afraid that Zhu Zhishan would give up on David when he saw so many people!

“Don’t worry, David must die today...”

Zhu Zhishan’s eyes narrowed slightly!

“That’s good...” Long Xiao nodded!

At this time, not far from the martial arts field, the four villains have brought Long Jingguo, and Dong Liqun also brought all the masters of the Dong family to the scene!

They know that as long as David shows up, the Martial Arts Alliance will definitely not let David go. If the Martial Arts Alliance really disregards his reputation and takes action against David, they can still help!

“Mr. Chen, if you don’t show up, we will take Long Jingguo to return Miss Xiaoru...”

Ding Dao said to David.

“No, if I don’t show up, wouldn’t it mean I’m afraid of the Martial Arts Alliance, and there are so many people here today, no matter how shameless the Martial Arts Alliance is, they won’t do anything to me in front of so many people...”

David didn’t believe that the Martial Arts Alliance would be so shameless that it dared to play yin in front of tens of thousands of people.

It seems that David still thinks highly of the shameless lower limit of the Martial Arts Alliance!

“Hahaha, Brother Chen, you still think highly of the people in the Martial Arts Alliance...”

Just as David finished speaking, a hearty laugh suddenly came.

Then Ge Fuhai walked over with Ge Jiayi.

David knew Ge Jiayi, but he had never seen Ge Dahai. When he saw Ge Dahai, he was stunned for a moment!

Because he felt the majestic spiritual power surging from Ge Dahai’s body!

Cultivator?

David was slightly surprised, he did not expect this Ge Dahai to be a cultivator.

“Mr. Chen, this is Ge Fuhai, the head of the Ge family...”

Dong Liqun introduced to David.

David frowned, this Ge Fuhai is obviously a cultivator, but how could Ge Jiayi, as Ge Fuhai’s daughter, be a cultivator?

what’s the problem?

David’s face was full of doubts, but this was not the time to ask such a question, not to mention Ge Fuhai would not necessarily tell him.

“Brother Dong, some time ago, the little girl has been looking for trouble with your Dong family. I’m really sorry. I’m here to apologize to you...”

“I’ve already investigated. It’s really not Dong Jiahao who did that kind of thing. I’m still looking for that person.”

Ge Fuhai followed Dong Liqun to apologize.

“Patriarch Ge is polite, it’s just a misunderstanding, just explain it clearly!”

Dong Liqun said quickly and politely.

And that Ge Jiayi looked at Dong Jiahao with a little more apology!

Although this incident made Ge Jiayi very embarrassed, but fortunately, she still retains her perfect body, which is also a fortune in misfortune!

“Patriarch Ge, I don’t know what you just said, what do you mean?”

At this time, David stepped forward and asked Ge Fuhai.

## **Chapter 1506**

“Then Zhu Zhishan set up a formation in the martial arts field, obviously to deal with you. It seems that the martial arts alliance must kill you. Even in front of so many people, they will do something to you.”

Ge Fuhai said.

Hearing what Ge Fuhai said, David frowned.

“Mr. Chen, you still don’t want to go. As long as we take Long Jingguo, even if you don’t show up, it’s impossible not to exchange Long Xiao. We will definitely bring Miss Xiaoru back safely...”

Ding did not persuade David.

Now that you know that the Martial Arts Alliance has set up a formation in the martial arts field, you can’t let David show up!

“I’m still going!” David’s eyes narrowed slightly: “I really want to do it in a while, you bring Xiaoru back to Yaoshen Valley, don’t worry about me, even if I can’t beat it, I can escape freely...”

Ding didn’t want to say anything, but Davidyi stretched out his hand to stop it!

There was no way, everyone followed David towards the martial arts arena!

In the martial arts field, Long Xiao saw that David had not come yet, so he was a little anxious!

“This David, wouldn’t he be afraid? Or if he found out that we were going to deal with him, he didn’t dare to come?” Remember the URL

Long Xiao frowned and said.

“Impossible, with David’s temperament, even if he knew there was an ambush, he would still come, we are waiting...”

Zhu Zhishan was not in a hurry and said lightly.

After waiting for another ten minutes, everyone saw that David really came!

“Look, David...”

Immediately after David appeared, someone shouted.

Many people looked at David one after another, and behind David was Long Jingguo, who was being held by the four villains!

At this time, Long Jingguo looked embarrassed, obviously he had been beaten, and there was still a bit of the demeanor of the head of the Long family!

The moment Long Xiao saw David appear, killing intent burst out in his eyes!

And Zhu Zhishan’s eyes narrowed: “You’re here...”

David took Long Jingguo to the martial arts arena, and then looked at Long Xiao with cold eyes: “Long Xiao, I brought your father, and now I let Xiaoru go, and I let your father go home...”

“David??, you villain, you actually did something to my father, remember it to me, our dragon family will never spare you...”

Long Jingguo was beaten like this, of course Long Xiao wanted to speak ruthlessly to save face for the Long family!

After speaking, Long Xiao waved his hand and let Xiaoru go.

Xiaoru quickly came to David's side, her eyes full of excitement: "Brother Chen, I didn't expect you to be alive, it's great..."

Tears in Xiaoru's eyes kept falling, she was so happy to see David still alive.

"Xiaoru, now is not the time to say goodbye, you immediately leave with the four villains..."

David whispered to Xiaoru.

Although Xiaoru didn't know what was going on, she obediently came to the four villains. Under David's stern eyes, the four villains could only take Xiaoru away!

"David, I let your people go, why didn't you let my dad go?"

Long Xiao shouted at David coldly.

"Don't worry, I will definitely let your father go, but not now, you Long Family and the Martial Dao Alliance are despicable and shameless, and you have set up a formation in this martial arts field. If you want to catch me, I will not give you a chance."

"Let your father escort me out of Kyoto first, and I will naturally let him go..."

David smiled coldly and said while holding Long Jingguo in one hand.

“David, you are too despicable, you shameless villain...”

Long Xiao cursed at the moment of anger!

“Yes, I’m just a villain, if anyone provokes me, I’ll kill his whole family...”

David didn’t care about Long Xiao’s abuse at all, he was about to leave with Long Jingguo in his arms!

Seeing this, Zhu Zhishan hurriedly said to the four black copper robes: “Do it...”

In an instant, four black copper robes jumped up, instantly surrounding David in the middle!

### **Chapter 1507**

“Be careful with my father...”

Long Xiao hurriedly reminded.

Facing the four black copper robes, David frowned slightly: “The four middle-level martial arts masters, it seems that the Martial Arts Alliance has really spent money in order to kill them...”

Four black copper robe masters, standing in four directions, blocked David’s road so tightly that David could not escape at all.

“David, just grab your hands, don’t make unnecessary struggles...”

The four of them burst out with chills, and the breath that burst out from their bodies made people feel terrified!

David's face changed, and he was holding Long Jingguo with one hand. As long as Long Jingguo was in his hand, these people would be afraid, and he could find an opportunity to escape!

David's hand slowly touched the Qiankun circle, and he would use the space technique of the universe circle to escape from here.

Although David was able to fight even with the four mid-level Marquis masters, this is Kyoto, who knows if the Martial Arts Alliance still has a backer, so David does not plan to fight recklessly!

"This Long Jingguo is in my hands, so dare to do something to me?"

David looked at the four black copper robes coldly and said.

"Haha, if you kill him, why not? Our character is to take your life, and the lives of others have nothing to do with us..."

One of the black copper robes laughed instantly.

Not to mention Long Jingguo, they don't even care about Zhu Zhishan's life, in their eyes, they can only complete the task!

Seeing that the black copper robe said this, Long Jingguo's face was very ugly, and he felt that he could not hang on his face.

Long Xiao, on the other hand, looked at Zhu Zhishan on the side: "Zhu Alliance Leader, what do you mean?"

“Young Master Long, don’t worry, they just said casually, and the Dragon Family Master will be fine!”

Zhu Zhishan comforted Long Xiao.

In fact, Zhu Zhishan himself has no right to order these four black copper robes.

“Since this Long Jingguo is useless, then I will kill him...”

After David finished speaking, he slapped Long Jingguo with a palm.

Seeing this, one of the men in black robe suddenly punched David, while the other man in black copper robe stepped forward and caught Long Jingguo instantly!

David didn’t want to kill that Long Jingguo, he just wanted to attract these four black copper robes!

Seeing that there was a chance, David suddenly threw the universe circle, and a black hole appeared in the air instantly.

But when David was about to get into the black hole to escape, he found that a golden light flashed in the sky, and then he saw a magic weapon suspended in the air, and bursts of golden light emanated from the magic weapon!

This light instantly enveloped the entire martial arts field, and blocked David’s escape route!

The hole that appeared disappeared, and the Qiankun Circle fell to the ground!

“Hahaha, we already knew you would play this game, so we were ready...”

Zhu Zhishan laughed.

At this time, Ge Fuhai in the crowd, after seeing the magic weapon in mid-air, couldn't help being a little surprised: “This martial arts alliance is really hidden, and there is such a space magic weapon...”

“Dad, what is a space instrument?”

Ge Jiayi asked curiously.

“You'll understand later, David is in big trouble now...”

Ge Fuhai stared at the martial arts field.

At this moment, David, after realizing that he couldn't escape, instantly sacrificed the Dragon Slaying Sword, the light on his body began to flicker, and the undamaged golden body covered his whole body!

“Let me see how strong your formation is...”

David said it, the Dragon Slaying Sword in his hand suddenly swung towards the magic weapon in mid-air!

An incomparably sharp sword qi instantly slashed towards the magic weapon in mid-air!

It's just that the sword qi disappeared without a trace in an instant before it touched the magic weapon!

David frowned, and then waved a sword energy again, but the result was still the same, let alone breaking the formation, even touching the magic weapon!

Seeing this scene, the corner of Zhu Zhishan's mouth raised!

"Don't waste your energy, this is a space magic weapon, your sword qi has not disappeared, it has just been sent to another space."

At this moment, a secret voice rang in David's ear.

## **Chapter 1508**

David was slightly startled, because when he heard this voice, it was obviously from Ge Fuhai.

But David looked down and found that Ge Fuhai was hundreds of meters away from him and was looking at him!

David didn't understand why Ge Fuhai told himself this, but he didn't have time to think about it now!

"Boy, aren't you very good? Why can't you break this formation?"

A black copper robe looked at David, his voice full of sarcasm.

David's eyes were slightly condensed, and he held the Dragon Slaying Sword tightly in his hand. He knew that this time, he was afraid that it would be a fierce battle!

"Let's start..."

Immediately afterwards, a loud shout sounded, like a thunderbolt, in David's ear.

Then David and the others began to shake violently, and the space began to distort.

David looked at the people around him and found that the people around them were slowly disappearing. In the end, there were only a few of them left. In this martial arts field, the surroundings were already empty.

David knew that the people around did not disappear, but the other party activated the space magic tool, and they should be in another space now!

However, the people around can really see David and the others, but what they see is not a real scene, but more like a mapped picture!

“Suffer to death...”

The four black copper robes spoke at the same time!

David only felt that there was a loud noise coming from all directions at the same time, and then he felt dizzy, and the whole person almost lost consciousness!

“God attack...”

David's face changed, and then a white light flashed in his mind. He didn't expect that these four guys would suddenly launch a divine attack. Taking advantage of David's tense moment, he directly attacked David's mental power!

Because a person's mental strength will become very fragile when he is extremely tense, and it is easy to be defeated.

Just when David was a little lost, the four black copper robes shot at the same time, and the four brilliance went straight to David and hit David in an instant!

David's body flew out directly, and there was obviously nothing in front of him, but after flying out for hundreds of meters, David's body suddenly hit something and fell to the ground!

David got up and saw that there was nothing in front of him, but when he reached out to touch it, an invisible barrier suddenly appeared.

"In this alien space, unless you are dead, or we are dead, or this space will not be destroyed, you don't have to think about escaping, come up with your greatest ability..."

After a black copper robe finished speaking, the sleeves waved, and the black sleeve robe was like a snake, and instantly moved towards David.

When the other three black copper robes saw this, they also waved their sleeves instantly, and the four sleeve robes like spirit snakes entangled David's body in an instant!

Immediately after the four people suddenly exerted force, David's body was directly pulled back and hung in the air!

David's face changed, golden light suddenly appeared on his body, the power of the terrifying dragon broke out, and his whole body began to soar, trying to break free!

But the four sleeve robes are extremely resilient, no matter how hard David struggled, he couldn't break free, but he was so tired that his forehead was covered in cold sweat!

"Mr. Chen..."

Seeing that David made a move, he was controlled by the other party. Dong Liqun frowned and was about to rush out.

Dong Jiahao also brought many masters of the Dong family, got up instantly, and was eager to try!

They want to save David.

The Dong family is today all because of David, so it is impossible for Dong Liqun to watch David die in front of him and remain indifferent.

As the so-called repayment of gratitude, otherwise how could their Dong family have a foothold in the Kyoto martial arts world!

“Brother Dong, don’t be reckless. You can’t save David if you rush up. You can’t even see him, so you’re crushed by the space barrier.”

“The matter is not over yet, David should not have been subdued so easily.”

Ge Fuhai stopped Dong Liqun and said.

## **Chapter 1509**

Seeing this, Dong Liqun could only sit back slowly, but his eyes kept staring at the martial arts field.

On the other side, looking at Zhu Zhishan, who was under David’s control, the corners of his mouth raised proudly: “The black copper robe is the black copper robe, and the strength is really strong, and he subdued this David at once, this time I see that David. How can you escape!”

“This David will not be so easily controlled, this is just the beginning...”

Long Xiao is not so optimistic, because he has played against David and knows how terrifying David's strength has grown.

"Hmph, then wait and see..." Zhu Zhishan glanced at Long Xiao and raised the corner of his mouth slightly.

At this time, David wanted to cut off the sleeve robe with the Dragon Slaying Sword in his hand, but unfortunately his hands were bound and he couldn't move!

"Hmph, with this little skill, I don't know how to make waves in the martial arts world."

Seeing David being controlled, a black copper robe snorted coldly, looking very disdainful.

"Stop talking nonsense with him, kill him directly, and we have completed the task."

After finishing speaking, another black copper robe held a sharp blade and stabbed David fiercely.

David was bound, and there was no way to dodge at all, he could only make the undamaged golden body play to the extreme!

The golden masterpiece on David's body is as bright as the sun in the sky!

The power of the dragon is even more protective of the whole body, he needs to resist the opponent's blow, David does not dare to be slighted.

After all, the opponent is in the middle stage of Wuhou's strength, and each of them is no worse than that Long Xiao!

clang!

With a crisp sound, the sharp blade made a white mark on David's body, but it did not hurt David's body.

On the contrary, the black copper robe was shaken so that his wrists numb, and the sharp blade in his hand was instantly broken!

"Damn, this kid's body is really perverted, too strong..."

The black copper robe whose wrists were numb from the shock cursed angrily.

"Let's go together, don't give this kid a chance..."

Another black copper robe said coldly.

The other people didn't say much, but moved towards David together!

David frowned, if four people attacked at the same time, even if David had a golden body, he would not be able to hold it.

But no matter how hard David struggled, he couldn't break free from the shackles of this sleeve robe!

At this moment, David's Dragon Slaying Sword trembled.

David's thoughts moved, and the Dragon Slaying Sword was instantly released from his hand!

However, David found that the Dragon Slaying Sword at this time did not seem to be under his own control, but had an independent consciousness!

"Could it be that the sword spirit generated consciousness?"

David was overjoyed!

I saw the Dragon Slaying Sword leap into the sky, followed by a ray of light, and a terrifying sword energy descended from the sky!

The aura that this sword qi exudes is not owned by David, but emanating from the Dragon Slaying Sword himself.

The four black copper robes froze on the spot for a moment, and looked at the Dragon Slaying Sword in disbelief!

The terrifying sword energy instantly cut off the sleeves that bound David, and at the same time, the Dragon Slaying Sword seemed to have consumed all the breath and instantly fell from the air.

David broke free, and then waved his hand to catch the Dragon Slaying Sword, and the power of the dragon was continuously injected into the Dragon Slaying Sword!

The Dragon Slaying Sword, which was re-infused with the power of the dragon, began to emit light again, and a humming sound resounded throughout the martial arts arena!

“Nine Shadow Swordsmanship, the first sword...”

David waved his backhand and used the Nine Shadows Sword Technique!

I saw a terrifying sword glow followed, and the entire alien space began to twist and shake under this sword!

“Hmph, how dare you resist...”

A few people snorted coldly, and then activated the magic technique at the same time, only to see the space magic weapon in mid-air, bursting out with a ray of light in an instant!

In an instant, David’s terrifying sword glow disappeared and was swallowed up by the light!

## **Chapter 1510**

David frowned, he knew that his sword glow was sent to another dimension, not disappeared!

“Space rotation...”

I saw a black copper robe shouting loudly!

Then the four of them grabbed the space magic tool in midair at the same time.

The space instrument seemed to be gravitationally affected, and it suddenly turned, and then reversed its direction!

I saw the space fluctuate, and after a while of distortion, David found that the people who could not see it had come back.

But the people around at this moment suddenly couldn't see David and the others on the martial arts field.

It's as if the entire space has turned around!

With the shaking of the space instrument, a terrifying aura shot out from the space instrument!

brush brush...

One after another, sharp sword beams shot out from the space magic weapon and went straight to David. remember url

"I rely on..."

David's expression changed, and he couldn't help but utter a foul language, and hurriedly waved in front of him to form a barrier, and his undead golden body was also exerted to the extreme, exuding brilliant golden light!

Jianmang, whose breath was all too familiar, instantly arrived in front of David.

These sword lights all disappeared inexplicably after David swung out one after another, but they all came back and came towards him!

clang clang clang...

One after another sword light hit the barrier in front of David, and instantly defeated the barrier, and then hit David!

The terrifying power caused a large number of scales on David's body to fall off and disappear, and the undamaged golden body was directly destroyed.

And David's body also flew upside down and hit the ground directly!

Although he was not injured, David's golden body was broken, which made David lose his advantage directly.

"This magic weapon is too terrifying..."

David looked at the magic weapon in midair, his face became very ugly!

"Hahaha, is it cool to hit yourself with your own moves?"

One of the black copper robes laughed wanton.

David didn't speak, his brows were wrinkled, he was thinking about the way to crack!

If it goes on like this, the four people don't have to do anything, and they are afraid that they will die in their own hands.

At this time, Dong Liqun outside became a little impatient because he suddenly couldn't see David's situation.

“Dad, do you think something will happen to David?”

Ge Jiayi asked Ge Fuhai.

Ge Fuhai’s face at the moment is also not very good-looking, looking at the empty martial arts field, his expression is solemn!

“It’s hard to say, this time it depends on David’s good fortune, the other party’s space magic weapon is too strong...”

Ge Fuhai said.

“Then you find a way to save him, the guys in the Martial Arts Alliance have nothing good...”

After listening to Ge Jiayi, she prayed to Ge Fuhai.

Ge Fuhai gave Ge Jiayi a stern look: “You forgot how I told you, our Ge family will never be allowed to participate in any battles, and will never join any organization, just do your own thing...”

Seeing that her father was angry, Ge Jiayi was too frightened to speak again!

At this time, David was still cautiously looking at the four black copper robes. He didn’t dare to make a move easily. Every time he made a move, he was the one who was finally attacked.

“Why, don’t you dare to do it? If you don’t dare to do it, then we can do it...”

After all, the four black copper robes rushed towards David together.

Seeing this, David reluctantly raised his sword and slashed at the four with a fierce sword beam!

But the four of them didn't seem to really attack David.

And above the space magic weapon, a ray of light instantly swallowed David's terrifying sword glow!

"Space rotation..."

Then the four of them repeated their old tricks, and with a wave of space fluctuations, the terrifying sword glow suddenly moved towards David.

David tried his best to block, the undamaged golden body on his body was completely shattered, and disappeared without a trace!

And he himself was shocked with blood from his nose and mouth, and his face was very ugly!
