

A Man Like None Other Chapter 1551 – 1560

Chapter 1551

After practicing for so long, his strength has not changed at all. When will he be able to cultivate to Marquis Wu and marry Xiaoru!

David was staring at Zhao Chuang's lower abdomen. In Zhao Chuang's dantian, the energy that had been condensed had already undergone qualitative changes, but Zhao Chuang's strength could not be seen to increase!

"Don't worry, I believe you will soon reach Marquis Wu..."

David comforted Zhao Chuang, although David didn't know why Zhao Chuang's strength did not increase, but he was sure that as long as he found the crux of the problem, Zhao Chuang's energy in his dantian would definitely make his strength grow by leaps and bounds!

David, Hu Mazi, and Zhao Chuang walked towards the nearest temple.

At the same time, in the mansion in the forbidden area of the palace, Hu Li Daxian looked at the sky with a solemn expression!

"With such terrifying spiritual power fluctuations, are there still masters breaking through on Penglai Island?"

Hu Li Daxian murmured to himself!

Soon, Du Ziteng was ordered to rush over, and after seeing Huli Daxian, he fell to his knees!

“Hu Li Daxian, I don’t know if you are looking for me, what’s the matter?”

Du Ziteng asked.

“Let me ask you, has the youth of the Nascent Soul Realm you mentioned left Penglai Island?”

Hu Li Daxian asked.

“No, he has been on Penglai Island, but he has never left the house. He should have been cultivating...”

Du Ziteng replied.

Hearing this, Hu Li Daxian was silent for a moment: “Send someone to take a look immediately, this young man may have broken through again, and his realm is not low. When you find out the news, come to me directly...”

“Understood...”

Du Ziteng nodded and left!

Hu Li Daxian is still looking at the sky, his face is full of worry...

“Master, when will you be resurrected??, I always have a bad feeling...”

Hu Li Daxian murmured.

...

Penglai Island, inside a temple!

Every day here, people come here to offer incense and kowtow, and the people who come here are all very pious and respect the stone statue in front of them!

David looked at the people who came in and went out, and there was nothing unusual. Although these people were immortal cultivators, they all lived the life of ordinary people, as if they didn't know they were immortal cultivators at all, and no one was obsessed with cultivating to become immortals. !

The robustness of the body and the increase in life span have already made these people ecstatic, and no one has ever thought of longevity!

"Come on, let's go in and see..."

David walked into the temple first!

Looking at the stone statue in front of me, it is very ordinary, and there is nothing special about it, and the stone statue is a little black because it has been smoked for many years.

David instantly exuded divine consciousness, and then divine consciousness covered the stone statue, trying to find out if the stone statue was weird.

However, under investigation, it was found that the stone statue was carved from ordinary stone, and nothing was found, which made David feel very puzzled!

“Brother, let me ask, why do you keep kneeling and worshiping this ordinary stone statue? Who is this stone statue?”

David stopped a middle-aged man and asked.

The middle-aged man glanced at David, and then said: “This is the god in Penglai Island. It is said that this Penglai Island was built by this person. Of course, we have to thank others for the benefits of Penglai Island...”

After the middle-aged man finished speaking, he ignored David and went straight to kneel and worship the stone statue!

At this moment, several guards in armor came, all of them were fierce, and they surrounded David and the others.

The leader among them was a young man with a folding fan in his hand and dressed in satin, but even though he was young, his aura was not weak.

David took a look at this person, just like the image of a playboy in the TV series, it is estimated that he will not survive two episodes!

“Who are you? Why don’t you worship when you enter the temple? Dare to use your spiritual sense to probe?”

The young man glanced at David and the others, and then shouted angrily!

Only then did David know that it was he who had just released his divine sense and provoked these people.

Chapter 1552

"I'm sorry, we just came from outside and don't know the rules..."

Seeing this, Hu Mazi hurried forward and explained to the young man!

"From outside?"

After the young man looked at David and the others again, he said indifferently, "Since I don't understand the rules, I won't bother with you anymore, go and bow down..."

Hu Mazi nodded again and again: "Okay..."

On the other hand, Zhao Chuang, looking at the arrogant appearance of the young man, has long been unhappy. Seeing Hu Mazi's submissive performance, he feels very embarrassed!

How to say, Zhao Chuang used to be a dude, a rich and powerful son, he can't stand this anger!

"You ask us to kneel, and we'll kneel. A broken stone man, what the hell is there to worship?"

Zhao Chuang asked the young man.

Zhao Chuang's words instantly aroused the anger of the young people, and the guards in armor directly surrounded Zhao Chuang.

"Bold, dare to be rude to the prince, court death..."

With that said, the machete in the hand of a guard slashed towards Zhao Chuang at once!

Zhao Chuang showed disdain on his face. The strength of these guards was simply no match for him, so Zhao Chuang was not afraid!

He reached out and grabbed the machete, then kicked it out.

The guard was instantly kicked to the ground, and the other guards rushed towards Zhao Chuang!

“Okay, okay, don’t fight...”

Hu Mazi stepped forward, and the breath on his body exploded, instantly making those guards feel the pressure and couldn’t take a step forward!

Feeling the breath of Hu Mazi, it was obvious that the young man’s face changed, and then his brows wrinkled, looking at Hu Mazi in surprise.

“Go back...”

The young man spoke, and the guards all retreated.

“We’re going to kneel here, we’re going to kneel down here...”

Hu Mazi nodded to the young man again and again, and then pulled Zhao Chuang and David to kneel and worship!

“Don’t make trouble here, otherwise how can we investigate the secrets here...”

Hu Mazi whispered to David!

Zhao Chuang was still a little dissatisfied, but David said, “Zhao Chuang, listen to Master Hu...”

Seeing David speak, Zhao Chuang didn't dare to say anything.

The three walked into the temple, and then knelt down and worshipped!

When they knelt down and bowed, a faint white light radiated from them, and was immediately absorbed by the stone statue!

Neither Zhao Chuang nor Hu Mazi felt anything different, but David suddenly frowned, and then stared straight at the stone statue in front of him.

At the moment when he just knelt down and worshipped, David felt a trace of spiritual power inexplicably being sucked away from his body, and then entered the stone statue!

“This stone statue is weird...”

David said in a low voice.

“What's weird? Didn't you probe it?”

Hu Mazi asked strangely.

“I just checked my consciousness, but I didn't find it out. I need to check it again...”

David said, then got up and walked towards the stone statue, and placed his palm gently on the stone statue!

David's scene instantly shocked the others around him.

"Bold, how dare you touch the gods with your hands, it's too presumptuous..."

"Come back, you are courting death..."

"kill him..."

When the people around saw David's actions, they all became angry!

And the young people outside heard the shout and rushed in quickly!

When he saw that David actually touched the stone statue with his hand, he suddenly became extremely angry!

"Let go, you are courting death..."

The young man instantly burst out with terrifying killing intent!

However, the young man did not act on David, fearing that he would act here and damage the statue.

But David didn't seem to hear it, he ignored the young man at all, but the strength in his hand increased, and cracks appeared in the stone statue in an instant, and then it shattered in an instant.

Chapter 1553

At the moment when the stone statue collapsed, the power of a magic circle dissipated instantly!

David muttered to himself: "Sure enough, there is a formation, it seems that my guess is good..."

Seeing that David actually destroyed the stone statue, the anger of the young people is even more intense!

"court death..."

The young man slapped David with a palm.

At the same time, several guards rushed forward with machetes in hand!

Seeing this, Zhao Chuang stepped forward and stopped several guards, while Hu Mazi frowned and waved at random, and all the guards were knocked out!

And the young man had already arrived in front of David, and immediately slapped David's chest with a slap in the face!

boom!

After a muffled sound, David's body didn't move at all, and he was still thinking, but the young man was shocked by the force of the shock!

This scene made the young man's face change greatly, and he looked at David in shock!

“David, what are you thinking? Why did you destroy this stone statue? How can we investigate the secrets here!”

Hu Mazi asked David puzzled.

“How many temples like this are there in total?”

David did not answer Hu Mazi, but asked Hu Mazi.

Hu Mazi was stunned and said: “I don’t know very well, but there are at least hundreds of them...”

David’s eyes narrowed slightly: “I seem to know something...”

With that said, David walked out, and Hu Mazi heard a haze, but he followed behind.

At this moment, outside the temple, Zhao Chuang was confronting the young man. At this time, dozens of guards had already arrived and surrounded the place.

David just glanced at these people, didn’t pay any attention to them at all, and continued to walk out!

“Hmph, the stone statue is damaged, and you still want to leave, it’s impossible...”

“Next, I want to let you know the power of the gods!”

The young man said, and began to mutter something in his mouth!

“God Punishment... The Crown Prince used God Punishment!”

“This person deserves it. If he dares to destroy the stone statue of the gods, he deserves to die!”

“God’s punishment comes, no one can live!”

All the people around were talking in shock, and then hid away.

The young people recited the technique, and soon above David’s head, a ray of light appeared, the ray of light was like a pillar, and it was extremely dazzling!

Hu Mazi’s eyes suddenly widened, with a look of surprise on his face.

“Ancient technique? How come there are still people who know this technique?”

Hu Mazi was shocked, his eyes almost popped out!

“What ancient magic?”

David still didn’t understand why Hu Mazi was so shocked!

After all, in terms of spells and spells, Hu Mazi is much more professional!

“Let’s go, get out of here...”

Hu Mazi didn’t have time to explain, so he pulled David and wanted to leave!

However, black chains suddenly appeared under David’s feet, instantly binding David!

Immediately after the beam of light above his head, it fell from the sky and bombarded David in an instant!

boom!

There was a loud noise, the dust flew up, and the whole ground began to shake!

Hu Mazi and Zhao Chuang on the side were also knocked out by the huge force.

Seeing this scene, the corner of the young man’s mouth raised slightly.

At the same time, in the forbidden area of the palace, Hu Li Daxian stared at the stone statue more than ten meters high in front of him, looking at the incomplete piece of the stone statue, his eyes were full of anger!

“Since someone dares to damage the stone statue, it’s just damn...”

Then Huli Daxian held a scepter in his hand, and a white gem on the scepter radiated light, and the light shot up into the sky!

It turned out that the so-called divine punishment was not the magic technique that the young man cast!

What he recited was not a divine punishment spell, just some ordinary psychic spells. As long as he chanted the spell, the Huli Great Immortal could sense it.

Afterwards, the great immortal Hu Li was using a spell, and the divine punishment came directly!

Chapter 1554

Such an approach not only made everyone on Penglai Island believe in gods, but even those high-level officials in the palace were convinced!

Obviously, the young man did not know that this formation was not performed by him!

“God’s punishment comes, no one can survive, this is the end of blasphemy and damage to the statue...”

The young man spoke to the people around him in a high-spirited tone.

Obviously, the people around were also frightened enough, and all nodded desperately, but none of them dared to blaspheme the statue.

Hu Mazi and Zhao Chuang were shaken and dizzy, and got up slowly.

Looking at the smoke and dust in front of them, neither of them knew what happened to David.

“Who said that no one will survive under God’s punishment...”

At this time, in the dust, David's figure slowly walked out!

This time, the young man was dumbfounded for a moment, and the eyes of the people around were widened, their faces were incredible!

The gods in their hearts, David was afraid that they would be broken at this moment.

David could not see any scars on his body, and even his clothes were intact. At the moment when the divine punishment came, David had already activated his indestructible golden body!

"This...how is this possible? How is it possible?"

The young man was dumbfounded and looked at David in disbelief: "Who the hell are you?"

"It doesn't matter who I am, the important thing is that I want to know who you are?"

"Why do you want to absorb other people's spiritual power? No wonder the people here can't improve their strength..."

"And the rich spiritual energy here is definitely not a natural formation, right? There must be hands and feet in this spiritual energy!"

David walked towards the young man step by step and asked with sharp eyes.

The young man stepped back step by step, and David asked him for a long time. In fact, he didn't know what David said.

“What nonsense are you talking about? I don’t understand at all...”

The young man stepped back, and then his face turned cold: “Give it all to me, grab these people...”

The young man ordered that dozens of guards rushed up and charged towards David and Hu Mazi.

David instantly burst into coercion. Before dozens of guards could reach him, they were directly pressed to the ground by this coercion, unable to even move.

The young man suddenly took out a jet-black dagger and stabbed it towards David.

“God’s punishment can’t hurt you, let me see if this ancient divine weapon can hurt you...”

The young man’s face turned fierce, and he pinned all his hopes on the jet-black dagger in his hand.

clang...

With a crisp sound, the dagger stabbed David fiercely, but it failed to hurt David.

A sneer appeared on David’s face, and then he grabbed the jet-black dagger.

“What ancient magic weapon, a deceiving thing...”

With that said, David exerted a little force, and the jet-black dagger shattered instantly!

The young man was stupid, he stepped back again and again, and finally sat on the ground!

Feeling the terrifying coercion on David's body, cold sweat broke out on the young man's forehead!

David walked towards the young man step by step, then looked down at him.

"You... what do you want? I'm the crown prince of the palace, and my father is Du Ziteng. You can't kill me, otherwise my father won't let you go."

The young man was cowardly and moved out of his father.

"Du Ziteng?" David sneered at the corner of his mouth: "I still have a headache. If I asked you just now, answer me honestly..."

"I don't know, I don't even know what you asked!"

The young man shook his head desperately!

"I don't know?" David's face turned cold, and the coercive force on his body became a little more arrogant.

The young man instantly knelt in front of David and kept kowtowing.

"Brother, I really don't know, I really don't know..."

Young people are scared!

Looking at the prince of the court, kowtowing in front of David, the expressions of the people around him changed and changed, and there was an indescribable feeling in my heart!

Chapter 1555

“It looks like he really doesn’t know...”

At this time, Hu Mazi came over and said to David.

David also saw it, this prince of the palace doesn’t know anything!

“What’s wrong with the Crown Prince, I don’t know what to ask...”

David cursed, but the young man didn’t dare to fart!

However, Hu Mazi asked the young man, “I ask you, who taught you your ancient techniques?”

“Yes Yes...”

The young man was hesitant, and it seemed that he didn’t want to say anything!

Hu Mazi slapped it up with a slap, instantly making the young man’s face red and swollen.

David was taken aback by Hu Mazi’s actions!

Just now, Hu Mazi had a calm attitude, nodding and bowing to the young man, but now he doesn’t agree and hits people!

“Master Hu, what are you doing?”

David asked in confusion.

“Anyway, it’s like this, and I can’t hide it anymore, why are you still accustomed to him...”

Hu Mazi explained!

After David heard this, he was speechless for a while!

“Yes, I can’t get used to him...”

After Zhao Chuang finished speaking, he also rushed over, raised his foot and kicked the young man.

But before Zhao Chuang’s foot fell, the young man immediately shouted: “I said, I said, this magic spell was taught to me by my father, there are only a few people in Penglai Island who understand this kind of divine punishment. sorcery!”

“Go, take me to your father...”

Hu Mazi picked up the young man immediately.

“Master Hu, are you planning to break into the palace?”

David asked.

“Anyway, we can’t investigate secretly. Just ask that Du Ziteng directly. He’s not your opponent anyway...”

Hu Mazi smiled at David!

Seeing this, David could only smile and follow along!

“Boy, let me tell you, don’t play tricks, your father is only a peak Jindan strength, my little brother is in the Nascent Soul Realm!”

Hu Mazi carried the young man, then pointed to David and said.

The young man looked at David with an unbelievable expression in his eyes.

He didn’t quite believe that David’s age could actually be Nascent Soul Realm!

Seeing that David didn’t believe him, the aura from his body unreservedly exuded.

Just now, David only used half of his strength, or just coercion would cause these people to collapse and die!

Feeling David’s breath again, the young man’s eyes were full of horror!

Then he said tremblingly: “You... are you really Nascent Soul Realm?”

“How can this be fake? Can’t you feel the breath yourself?”

David smiled coldly.

“I feel it, I feel it, I was offended just now, I hope you don’t take it offense, I will definitely cooperate with you, you can do whatever you want, gold and silver jewelry, rare beauties, our court has them!”

The young man said hurriedly.

“We’re not robbers, what do we want from you, and a rare beauty, because you are still a cultivator, and we want gold and silver jewelry, what’s the use of a rare beauty?”

Hu Mazi gave the young man a slap on the back of the head!

“Master’s lesson is right, there are pharmacists in our court who can give you some medicinal herbs!”

The young man was slapped, not only was he not angry, but he said with a smile to please!

Hearing the pharmacist, David was instantly interested, he wanted to see what level the pharmacist here was!

After all, David was only in the Medicine God Valley. He had seen Elder Xu and the others refining medicine, but he had never seen anyone else refining medicine!

A few people walked and chatted, David and the others also had a deep understanding of young people!

This guy's name is Du Nan, the only son of Du Ziteng!

Although it is a bit playful and exaggerated, it is not bad, and it does not bully the ordinary residents of Penglai Island!

It was this name that made David speechless for a long time!

I feel that the person who named these two men has a feud with the Du family...

Chapter 1556

Inside the palace!

Du Ziteng was resting, but the first elder hurried in!

“King Du, it's not good, someone reported that the prince was taken away...”

The elder said anxiously.

Du Ziteng's body that was lying down suddenly stood up.

“Who? Who dares to arrest my son?”

Du Ziteng asked angrily.

“I heard that there are a few foreigners who just came to our Penglai Island not long ago.”

the elder said

“Come on, call me a team, and dare to touch my son on Penglai Island. I’m really tired of living.”

Du Ziteng was full of murderous aura.

You must know that their Du family has absolute authority on Penglai Island, who would dare to touch the Du family?

Soon, Du Ziteng gathered hundreds of people and headed out of the palace in a mighty manner.

At this time, Du Nan also brought David and the others to the palace.

Several people were talking and laughing, obviously familiar with a lot!

“This is my home...”

Du Nan pointed to the palace in front of him.

“Damn it, it’s too imposing...”

After Zhao Chuang saw it, he couldn’t help sighing!

Originally, he thought that his family’s Wuying Villa was quite good, but when he saw this palace and his own house, it was like rubbish.

I saw that the palace was built with a very special method, and it obviously has a history of many years.

Every brick and stone in the construction of the palace seems to be directly polished by humans.

David's consciousness spread out and instantly covered the city wall of the palace. He wanted to see if such a magnificent palace was protected by a formation!

But after investigating for a long time, there was no response from the palace, which means that the palace was not protected by a formation, which made David feel a little strange.

In the world of immortality on Penglai Island, such an important place, logically speaking, should have a defensive formation.

"Du Nan, how many years has your palace been built?"

David asked Du Nan.

Du Nan shook his head: "I don't know, I heard from my dad, when our Du family came to Penglai Island, there was this palace."

"Isn't it your house?"

Zhao Chuang asked in surprise.

Du Nan shook his head: "No, according to the genealogy, our Du family has only come to Penglai Island for more than 400 years."

“This palace has existed for more than a thousand years. How could it be built by our family!”

“Okay, let’s go in and have a look...” David took the lead and walked towards the palace.

Since the Du family was not the original owner here, there must be a lot of secrets hidden here.

When David and the others just took two steps forward, they saw hundreds of people walking out of the palace, each of them wearing armor, very mighty!

One of the leaders was covered in golden armor, with a majestic spear in his hand!

“Why did my dad come out?”

Du Nan murmured when he saw the person in the front covered in golden armor!

Before Du Nan could speak, Du Ziteng came to David and the others angrily.

“Bold madman, dare to arrest my son, let me go, or you will die without a burial.”

Du Ziteng roared angrily, his aura undisguisedly burst out.

And the Great Elder beside Du Ziteng saw David, his expression changed instantly: “Is it you?”

“You know them?” Du Ziteng asked the Great Elder.

“King Du, this person is what I told you, the guy who has reached the Nascent Soul Realm at a young age.”

The elder pointed to David and said.

Hearing what the first elder said, Du Ziteng’s face instantly became extremely ugly!

The opponent is Nascent Soul Realm, and he is only the peak of Jindan, and he is not an opponent at all.

“Dad, you made a mistake. They didn’t arrest me. It’s not good for me. It’s just a misunderstanding. Let’s talk about it after you go in.”

Du Nan hurried forward and explained to Du Ziteng.

Chapter 1557

Seeing this, Du Ziteng saw that his son was fine, so he put down his guard and waved his hand, “Let’s go in and talk!”

Du Ziteng was also unwilling to follow a master of the Nascent Soul Realm as his enemy!

It would be the best if it could be turned into jade and silk.

Soon, everyone came to the palace, and Du Ziteng sent people to prepare a lot of rich items to entertain David and them.

However, it can be seen that Du Ziteng is still a little wary in his politeness to David and the others!

After all, David and the others suddenly came to Penglai Island, and Du Ziteng didn't know their intentions!

And now people like Du Ziteng don't know David's true identity. If they know that he is David who killed Duda, I don't know if they will be so polite to David.

"Several, I don't know if you came to Penglai Island for fun or something else?"

Du Ziteng asked David and the others.

"King Du, we are just curious, come and take a look..."

David said.

"Curious? What's so curious about?" Du Ziteng didn't understand what David was curious about.

"King Du, since you asked, then I'll tell the truth, your Penglai Island is full of spiritual energy, and it is an excellent place for cultivation. The people on the island should be powerful, but why are you people on Penglai Island, The highest is the peak of Jindan?"

David asked bluntly.

Although David knew some of the secrets, he still wanted to get confirmation from Du Ziteng's mouth!

When Du Ziteng heard this, he sighed helplessly: “In fact, we have already known about this problem you mentioned, but I don’t know the reason, but even if we can only cultivate to the peak of Jindan, we are all satisfied. already.”

“You should know that many of the immortal cultivators on Penglai Island are just ordinary people. In their eyes, there is no distinction between realms. They only know that there is no disease or disaster, and a peaceful life is good.”

“And all the people on Penglai Island can live to be more than 100 years old, which is incomparable outside.”

“As for why you can’t continue to cultivate to a higher realm, no one will investigate it. Maybe there is some kind of suppression here.”

After listening to Du Ziteng’s explanation, David was stunned for a while.

He did not expect that Du Ziteng, this guy, has no desire for strength at all. It seems that when he reaches the peak of Jindan, he is already very satisfied.

Looking at Du Ziteng’s expression, David wasn’t sure if Du Ziteng lied to him.

So he closed his eyes slightly, and an extremely terrifying divine consciousness suddenly radiated out overwhelmingly.

With the improvement of David’s realm, David’s consciousness has also skyrocketed a lot!

The scene was very afraid that the range covered by divine consciousness was much wider.

David's consciousness was scattered throughout the palace, trying to find out what secrets were in the palace.

Du Ziteng didn't stop David when he saw David exuding his consciousness!

Soon, David took back his consciousness, and there was no expression on his face, as if he had found nothing!

"Dad, they accidentally broke a god statue, you remember to ask the gods for sin and forgive them..."

At this time, Du Nan spoke out about David breaking the stone statue.

However, he did not say that David broke it on purpose, but said that he was not careful, and it could be seen that Du Nan also wanted to help David and the others.

"What? Broken the idol?"

Du Ziteng's expression changed instantly!

When David saw this, he opened his mouth and said, "King Du, I accidentally broke a stone statue. I will pay you one. King Du is so surprised. Is there any secret in the stone statue?"

Du Ziteng quickly regained his expression, shook his head and said, "There's no secret, it's just to create a belief for everyone. After two days, let the craftsman carve one!"

"It's getting late now, so you can stay here." After Du Ziteng finished speaking, he looked at Du Nan and said, "Nan'er, take a few of them to find a room to rest."

Chapter 1558

Seeing this, David didn't say much, but got up and cupped his hands, ready to leave with Du Nan!

"Wait a minute!" Just as David was about to leave, Du Ziteng suddenly shouted: "This little brother, dare to ask your honorable name?"

After talking for a long time, Du Ziteng still doesn't know what David's name is!

"David!"

David said his name lightly!

When David said his name, the atmosphere instantly became awkward on the spot!

Du Ziteng's complexion also changed instantly again, including that Du Nan, his eyes on David also changed several times!

After a while, Du Ziteng said, "Do you know Du Da?"

David nodded: "I know, he was killed by me..."

Seeing David admit it, Du Ziteng took a deep breath and tried his best to calm down.

After a moment of silence again, Du Ziteng continued to speak: "Du Da is my elder brother, his desire was too strong, and he ended up taking his own life, I also understand a little about you and my elder brother, everything is his own fault, I listened to the nonsense of Zhu Zhishan!"

David was quite surprised by Du Da's words. He originally thought that Du Ziteng would turn his face on the spot and fight with him, but he didn't think that Du Ziteng would say such a thing.

In this way, David didn't know what to say!

"Mr. Chen, let's go..."

In this awkward atmosphere, Du Nan took David and others away.

Although there was no change in Du Nan's face, it was obvious that he spoke a lot less.

"Just live here, someone will take care of you..."

After Du Nan found a room for David and the others, he turned around and left!

After Du Nan left, Hu Mazi looked at David: "Didn't you just make up a name?"

"I did it on purpose!" David said.

"Intentionally? Did you intentionally let them know that you were the one who killed Duda?"

Hu Mazi was very puzzled, why did David do this!

"Yes, I just want to see their performance. That Du Ziteng hides too deeply, and he doesn't say a word of truth."

David's eyes narrowed slightly.

Although Du Ziteng's strength is not high, but in this conversation, David knew that Du Ziteng's heart is really strong.

In the conversation just now, no one could tell the truth of what he said!

"Then you use your divine sense to investigate, is there any secret in this palace?"

Hu Mazi asked hurriedly.

David nodded: "Yes, at the end of this palace, my consciousness was blocked, as if it was cut off by something out of thin air, indicating that there must be some secrets hidden there!"

"And I found that the stone statues that were kneeling and worshipping were all applied with formations, which could absorb spiritual power from others. Although it is weak, it can also add up."

"This kind of ability is definitely not something that Du Ziteng can achieve. Behind Du Ziteng, there must be someone controlling everything here."

"That Du Ziteng, or even the entire Du family, is just a puppet!"

David analyzed it carefully!

"Then let's sneak a look at it at night."

As soon as Hu Mazi heard it, he was excited!

David nodded: "That's what I mean!"

"I'm going too..." When Zhao Chuang heard this, he also wanted to join in the fun!

"Don't go, if your strength is discovered, there is no way to run!"

David rejected Zhao Chuang directly!

Soon, the moon was dark and the wind was high, and the two figures quickly walked towards the end of the palace!

These two figures are David and Hu Mazi!

Dodging all the sentries, the two reached the end and were blocked by a wall.

"Why is there no way?"

Hu Mazi was surprised.

"There's no way, there must be something here!"

After David finished speaking, he searched carefully.

Chapter 1559

Hu Mazi couldn't help laughing when he saw David bending over to look carefully!

David was stunned, then looked at Hu Mazi: “Master Hu, what are you laughing at?”

“I laugh at you looking for an agency like this, but you can’t find it at dawn...”

Hu Mazi said.

“How to find it?” David asked.

“You forgot what I do? What are you doing in front of me?”

As Hu Mazi said, he took out a spell, and then chanted words in his mouth, and the spell suddenly glowed light green!

This ray of light began to sweep, and soon in a hidden place, a light spot was flickering!

“This is the organ...”

Seeing this, Hu Mazi stepped forward and prepared to press the mechanism!

But he was stopped by David, David shook his head, and then listened carefully.

Then he glanced at Hu Mazi, and Hu Mazi understood it, and slowly pressed the button!

Soon, the wall in front of them began to recede to both sides, and another scene was exposed in the vision of the two.

The moment the organ was opened, David and Hu Mazi rushed in, then shot at the guards on both sides, knocking them unconscious.

Before the two guards could see who was coming, their eyes darkened and they fainted!

David and Hu Mazi looked at the peach blossom-like scene in front of them and a mansion not far away, and they were a little excited!

It seems that this is the hub of the entire Penglai Island. The person who controls Penglai Island must live here!

The two walked cautiously towards the mansion!

But soon, one after another taboo blocked the way of the two in an instant!

“What a powerful forbidden power...”

Hu Mazi’s face is full of surprise!

David frowned slightly and put his hand gently in front of him, only to feel that something was touched on his hand, which was very hard and could not penetrate.

David slowly activated his spiritual power, trying to destroy the taboo in front of him!

He didn't dare to burst his breath directly, that would be instantly discovered.

But just as David's spiritual power was activated, a tremendous anti-shock force struck in an instant, and David's body flew upside down.

"Are you OK?"

Hu Mazi looked at David and asked.

David shook his head: "It's okay, this taboo formation has some meaning..."

David said, a faint golden light wrapped around his palm, and then pressed hard on the forbidden power in front of him!

rumbling...

Suddenly, there was a huge roar, followed by a burst of shaking!

This kind of movement shocked both David and Hu Mazi!

"Damn, this taboo formation has an alarm, and if it is forcibly broken, it will be activated, let's go..."

Hu Mazi stepped forward and grabbed David!

Seeing this, David also knew that it was impossible to continue the investigation, so he followed Hu Mazi and ran away!

This huge roar suddenly awakened many guards.

Even the tiger power immortal in the mansion suddenly woke up!

Du Ziteng came in a hurry. When he opened the door and saw the two guards who had been knocked out, Du Ziteng's face was very ugly!

At this time, in the mansion, a terrifying aura was constantly radiating out.

Feeling this terrifying breath, Du Ziteng's body was shaking.

Du Ziteng bit his head and walked slowly towards the mansion, he didn't know what he was going to face next!

It is a great sin to be secretly intruded into a forbidden area!

Passing through the forbidden power, Du Ziteng knelt on the ground with a thud, and even crawled towards the mansion!

Du Ziteng's forehead was covered in cold sweat, and he began to regret it!

He regretted letting David and the others stay in the palace. He never thought that David and the others would discover the forbidden area, and they dared to sneak in!

You must know that when David used his divine sense to probe, there was no change in his expression. Du Ziteng thought that David had found nothing.

Chapter 1560

“Great Immortal Tiger Power, spare your life, Great Immortal Tiger Power spare your life...”

Du Ziteng shouted for mercy while crawling!

After climbing into the mansion, Du Ziteng didn't dare to raise his head, but feeling the majesty of Hu Li Daxian, Du Ziteng was about to urinate.

“How did you do it? Someone dared to break into the forbidden area at night?”

Hu Li Daxian snorted coldly.

Du Ziteng shivered all over, and hurriedly explained: “Immortal Huli spare your life, it's David who sneaked in secretly, and they didn't know how they opened the forbidden area, so they broke in!”

“David?” Hu Li Daxian frowned.

“Yes, he killed my brother Duda.”

Du Ziteng said quickly.

“Since he killed your brother, why do you keep him? Today, someone damaged the statue, and someone broke into the forbidden area at night. I see how you are the Du King?”

Hu Li Daxian was obviously very angry.

“Great Immortal Huli, then David is already in the realm of Nascent Soul. I’m not his opponent at all. He also broke the statue, and the dog’s divine punishment failed to hurt him one bit...”

Du Ziteng’s words instantly attracted Hu Li Daxian’s interest.

“Can you even bear the punishment of God?” Hu Li Daxian’s eyes flickered: “It seems that this kid’s body is really a good thing, maybe with his body, the master can be resurrected...”

Du Ziteng listened to the words of the Huli Daxian, and he didn’t understand at all, and he didn’t know who the master Huli Daxian said was!

Du Ziteng only knew that in the entire Penglai Island, only the tiger power immortal in front of him was the real master behind the scenes!

“Tomorrow, you bring that kid to me...”

Tiger Li Daxian said.

Du Ziteng looked embarrassed, he didn’t know if David would listen to him.

If David didn’t listen, he wouldn’t have the ability to bring David in.

At this time, Huli Daxian took out some pills and threw them directly to Du Ziteng!

“As long as you think of a way to let him eat these pills tomorrow, he will temporarily lose his power. Listen to your words, remember, taking one will have an effect, and you must not hurt him, I still have use!”

Hu Li Daxian warned Du Ziteng.

“My subordinates understand!” Du Ziteng nodded, then heaved a sigh of relief and exited the mansion!

After David and Hu Mazi escaped, they went back to their room to sleep, pretending they didn’t know anything.

As a result, no one traced it overnight.

Early in the morning, David and the others were invited to have breakfast with Du Ziteng!

Du Ziteng was very enthusiastic, as if nothing happened last night!

This made David and the others suspicious!

“Several, you are here as guests, please feel free to use them!”

After Du Ziteng finished speaking, someone soon brought a few plates in front of David and them.

After opening it, it is not a nutritious breakfast, but a pill!

This scene made David and the others look a little dumbfounded!

They have never seen that breakfast is replaced by medicine pills.

“Several, for those of us who cultivate, eating whole grains is a waste of food. Here are the nutritional pills refined by our court pharmacists, which can help in cultivation, please try it!”

After Du Ziteng finished speaking, he took the lead to pick up one and eat it!

Hu Mazi and Zhao Chuang looked at David together. The two of them didn't know about refining medicine, and they didn't know that there was no bomb in it!

David nodded slightly towards the two of them, and then he picked up a pill in front of him and threw it into his mouth!

Hu Mazi and Zhao Chuang saw this, but they devoured it!

As a result, they all take medicine pills, and such a luxurious life is not something that happens every day.

At the entrance of the medicinal pill, a warm current hits, it is indeed a good thing!

But as there were fewer and fewer pills on the plate in front of him, David picked up the last pill and was about to throw it into his mouth, but he was suddenly stunned!
