

## **A Man Like None Other Chapter 1571 – 1580**

### **Chapter 1571**

The stone statue actually began to greedily absorb the spiritual power from this light ball!

When David saw this, his entire body instantly blocked the light, cutting off the connection between the stone statue and the ball of light!

The huge spiritual power hit David's body and began to pour into David's body crazily!

This power is even more violent than the blood energy emitted by the rupture of the gem!

Soon, David's dantian was filled, and every part of his body was full of spiritual power, but in this way, the power in the light ball still did not stop conveying!

David felt that he was about to burst, his body was getting bigger and bigger, and his skin started to crack!

“what...”

David roared, he could feel the constant explosion in his body!

At this time, Hu Li Daxian, the aura in the body has undergone great changes, and the strength is climbing towards the transformation.

Soon, there was a huge energy fluctuation, and the body of Hu Li Daxian changed instantly. The scary tiger head began to disappear slowly, and it turned into a young man!

It was this huge energy fluctuation that caused the ball of light to shrink instantly, and David also took the opportunity to get some breathing time!

“Hahaha... Breakthrough, I broke through...”

Hu Li Daxian touched his face, and then kowtowed heavily!

“Master, I will accompany you in this life and help you rebirth...”

After Hu Li Daxian finished speaking, he looked greedily at the ball of light in the air!

Such a huge spiritual power, but for the tiger power immortal who has broken through to the shape, it just makes his strength to a higher level!

David felt the breath of Hu Li Daxian, his face was unspeakably ugly!

However, seeing that Tiger Power Immortal was greedily looking at the spiritual power light ball, David knew that he must not be allowed to devour these spiritual powers!

Otherwise, let alone Penglai Island, I am afraid that no one in the whole world can stop this guy!

David gritted his teeth, the fiery heat in his eyes gradually gathered into a cluster of intense light, he stared at the spiritual light ball in front of him, and finally rushed directly towards it.

He wants to detonate the entire spiritual light ball with his body, and he must not let this tiger power immortal get it!

In an instant, David’s figure was engulfed by the ball of light!

A dazzling light burst out, and no one could see David's figure!

At this moment, David, who is in the middle of the light ball of spiritual power, is constantly distorting and deforming, as if he has entered another dimension!

The severe torture caused David to faint already!

If it weren't for David's strong body, now his body would have been torn apart and turned into sgum!

A large amount of spiritual power kept pouring into David's body!

David's body is getting bigger and bigger, and the blood seeps out from the skin, turning blood red!

boom...

A loud explosion sounded.

All the rays of light dissipated in an instant, and there was no trace of spiritual power in the sky!

But at this time, David's figure also disappeared.

"It's a pity for him..."

Great Immortal Hu Li shook his head. He was not a pity for the lost spiritual power. After all, the spiritual power was lost, and he could still use the people on Penglai Island to slowly rise back up.

It's a pity that David's perverted body, the real body of a golden dragon, can't be encountered at any time.

Even in the Dragon Clan, the true body of the Golden Dragon is very rare...

The sky over Penglai Island has returned to calm, and the light shield surrounding it has disappeared in an instant!

Everyone continued to work, the scene just now, they just regarded it as a spectacle!

Du Nan, who really saw this scene, felt like a fool at this moment!

The battle in front of him was beyond his understanding!

For so many years on Penglai Island, he always thought that Du Da's Nascent Soul was about to reach the pinnacle of the Immortal Cultivation World!

But at this time, David, who was Nascent Soul, turned into dust and disappeared!

## **Chapter 1572**

"You know too much, so you're going to die too..."

Hu Li Daxian looked at Du Nan and said slowly!

In the face of Hu Li Daxian, Du Nan did not panic at the beginning, but instead looked helpless!

He knew that if the other party let him die, he had absolutely no chance of life!

Slowly closing his eyes, Du Nan is waiting for his fate to come!

“Everything you have is given by me, and now I want to take it back...”

Saying that, Hu Li Daxian slowly raised his palm, and in his palm, a black ball of light appeared!

There seems to be lightning flowing in the ball of light!

A suction hit Du Nan instantly, and the spiritual power in Du Nan’s body was slowly passing away!

Just when Hu Li Daxian absorbed Du Nan’s strength, he did not find it in a deep pit not far away!

David, whose body has been completely broken, is now shining brightly in the Nascent Soul!

David’s body is recovering at a speed visible to the naked eye!

In the blink of an eye, David’s body no longer had a single wound, and his skin glowed with luster.

At this moment, David’s physical body has become a little more tyrannical again, and even his strength has broken through to the Eighth Realm of Nascent Soul!

Only one step away from the peak of Yuan Ying, David did not expect that he would break through a realm by fighting to the death.

Suddenly, David opened his eyes, and there was a cold gleam in his eyes!

David rose into the air, and then saw the tiger power immortal, ?? At this moment, he was actually absorbing Du Nan’s strength!

Du Nan's eyes were tightly closed at the moment, without a trace of struggle!

He confessed his life!

Seeing this, David frowned, and then with a loud shout, he punched the tiger power immortal!

Hearing David's loud shout, the Hu Li Daxian was startled!

Turning his head to see David, Hu Li Daxian hurriedly stepped back with surprise in his eyes!

"How is this possible? How can you survive an explosion like that?"

"Even if you have Nascent Soul, under that kind of explosion, Nascent Soul has long since been shattered!"

The eyes of Hu Li Daxian are incredible!

Du Nan also opened his eyes at this moment and saw that David was still alive, and there seemed to be no injuries on his body, and his jaw dropped in shock.

"You haven't died a tiger spirit, how can I die..."

David looked at the Huli Daxian coldly and said.

After hearing this, Hu Li Daxian was slightly shocked, and a huge breath instantly enveloped David!

“I have now broken through the realm of transformation, even if you are not dead, how can you be my opponent.”

Hu Li Daxian snorted coldly, his eyes full of contempt!

Even if David hadn't died, it was impossible for a Nascent Soul to beat a transformed one. There is a big gap between this kind of big realm strength!

David frowned, feeling the breath of the tiger power immortal, which really made David feel a lot of pressure!

“Is it your opponent, and how could it be the words of your family? You can only know if you try it...”

David's aura also burst out. The aura of Nascent Soul Eight Realms was stubbornly resisting the coercion of Hu Li Daxian!

“Do you still want to try it? You really don't know what to do...”

After speaking, Hu Li Daxian raised his palm, and then patted it out with a fluttering palm.

An unprecedented force suddenly rushed towards David!

David's body glowed with golden light, the undamaged golden body started, and scales began to cover David's body, resisting this terrifying power!

Ling Lie's strong wind, like sharp knives, left scars on David's body.

The indestructible golden body shattered immediately, leaving David completely exposed to this terrifying power!

David glanced at Du Nan who was not far behind him. If he escaped at this moment, this Du Nan would definitely die. The residents of Penglai Island didn't know what would happen to him!

### **Chapter 1573**

How could a noble human being be dominated by a tiger spirit?

Thinking of this, David gritted his teeth and directly greeted him, golden light shining on his fist.

boom...

An unprecedented explosion sounded, and the huge sound could be clearly heard by everyone on Penglai Island!

Outside the palace, Hu Mazi and Zhao Chuang listened to the huge roaring sound inside, and their hearts calmed down a little.

After the huge explosion just now, the fighting stopped immediately, and there was no sound of fighting in the forbidden area. Hu Mazi and Zhao Chuang instantly became worried about David.

The fighting stopped, there was no sound, and they didn't know what happened to David.

Now the two people's skills have not responded, so there is no way to check!

The loud voice that just sounded again let Hu Mazi and Zhao Chuang know that David was still alive and was still fighting!

David's blow almost consumed all of his spiritual power, but this blow gave that Hu Li Daxian a new understanding of David.

David is just a cultivator in the Nascent Soul Realm, and now he is fighting against him in the metamorphosis realm, but he is not at a disadvantage, which makes Hu Li Daxian very incomprehensible!

Even though David's physical body is stronger than others, the spiritual power in David's body also seems to have been blessed!

There are also cultivators who can cross a large realm without losing in the slightest, but those are all genius-level characters!

“Although you blocked my blow, but you spent all your spiritual power, I see what you can do next?”

Hu Li Daxian said with a cold snort.

David didn't speak, but he was running the Condensation Secret Art frantically. The surrounding spiritual energy rushed into David's body. Around David, spiritual energy vortices had already formed!

“The speed of absorption is so fast?”

Hu Li Daxian's pupils shrank, and then his brows furrowed.

Soon, Hu Li Daxian's eyes widened, and his expression became a little weird: “No wonder you can fight against each other. You practiced the best practice. Who passed this practice to you?”

Hu Li Daxian asked incredulously.

“Who passed it on to me, I can't tell you, you're dead...”

David snorted coldly!

“Do you think that you have a superior cultivation technique and a golden dragon real body, so I dare not kill you?”

Hu Li Daxian’s face turned cold, and the breath on his body continued to rise!

“Stop talking nonsense, come on...”

David stopped at his feet, and the whole person went straight to the tiger power immortal.

David’s speed and strength have reached a new level!

The surrounding spiritual energy was quickly absorbed and digested by David, converted into spiritual energy, and stored in his dantian!

boom...

Another blow, obscuring the sky and the sun, the sun and the moon have no light...

David is full of fighting spirit, at this moment he knows that he has no way out!

This blow once again consumed all the spiritual power accumulated by David!

The Heart Condensation Art has been operating to the extreme, desperately transforming the spiritual energy, but to consume it like this, even if it is a superior cultivation method, I am afraid that it cannot be afforded.

“I want to see how long you can last...”

The corner of Hu Li Daxian's mouth slightly raised, with a bit of contempt in his eyes!

At this moment, Du Nan, who had been fighting all the time, lit up, seemed to think of something, and hurriedly ran out!

Because of David's presence, the Huli Daxian ignored Du Nan who escaped!

However, Du Nan did not escape, but ran out of the forbidden area and found the Great Elder directly.

Although they knew that something must have happened to the forbidden area, the Great Elder and the others did not dare to enter.

"Elder, please notify immediately and let everyone go to the temple to worship..."

Du Nan said to the Great Elder.

"Prince, what happened inside? Where's King Du?"

The first elder asked Du Nan.

#### **Chapter 1574**

"Don't ask so many questions, just do as I tell you..."

Du Nan frowned and roared.

Seeing this, the Great Elder could only take orders to leave.

Soon, all the residents of Penglai Island went to the temple to worship, and they dared not refuse to obey!

Du Nan did not run, but returned to the forbidden area!

At this time, David has fallen into the disadvantage, and scars have begun to appear on his body!

“This time, I must personally crush your Nascent Soul to see how you can live...”

Hu Li Daxian snorted coldly.

“Come if you can!”

David exuded murderous aura, and once again walked towards Hu Li Daxian!

David is ready to die. At the last moment, David can choose to self-destruct and directly take away the tiger power immortal!

However, the self-destruction of a Nascent Soul, that is, Marquis Wu, I am afraid that the entire Penglai Island can't bear it!

David has no reservations, he has used all his moves, exploded all kinds of techniques, and even used the real fire of Samadhi!

But still can't do anything about this tiger power immortal.

Don't look at this guy as a tiger spirit, but he knows a lot, and David can't take advantage of it at all!

“David, you will have spiritual power soon, you have to be ready...”

Du Nan yelled at David!

David was stunned, he still didn't understand what Du Nan meant!

But before David asked, he saw Penglai Island in all directions, and bursts of spiritual power began to rise, and those spiritual powers were gathering here!

This time, David understood that Du Nan wanted to absorb these spiritual powers. Only in this way, David's strength could reach the peak in an instant!

The tiger power immortal also saw it, those overwhelming spiritual power will soon gather above their heads!

This should have been absorbed by the stone statue, but at this time, it can only be David fighting with Hu Li Daxian.

The spiritual power was very fast, forming a ball of light in mid-air, but this time the ball of light was obviously much dimmer than the one at the beginning.

After all, the light ball of spiritual power just now is the magic circle emitted by the stone statue, and the spiritual power forcibly absorbed!

But now things are different!

“Go to hell...”

Hu Li Daxian shot out with a palm, and the power like a hurricane went straight to David, trying to repel David.

David quickly turned his body. This time, he would not face the frontal bar, but rely on his flexible body to avoid this attack!

David rushed towards the light ball of spiritual power, and at the same time, the Heart Concentration Technique in his body also began to run rapidly!

The huge suction force directly sucked the spiritual power in the spiritual light ball into David's body!

Seeing this, the tiger power immortal, holding the palm of his hand, a black ball appeared, followed by a huge suction force, constantly absorbing spiritual power!

At this moment, David's superior cultivation technique of condensing the heart appeared!

I saw that the speed of David's absorption of spiritual power was more than ten times that of the tiger power immortal.

The golden light on David's body is getting brighter and brighter, and the flickering light almost illuminates the entire Penglai Island!

At this moment, even David's eyes shone with light!

Without the slightest nonsense, David jumped up instantly after absorbing the spiritual power!

"Holy Light Fist..."

With the huge spiritual power in the body, coupled with the blessing of the power of the dragon, David threw this punch, making the universe shake, and the avenue roared!

Seeing that David dared to attack first, Hu Li Daxian's face was full of disdain!

I saw Hu Li Daxian raised his hand, and a barrier appeared out of thin air!

boom!

This punch slammed hard on the barrier.

Hu Li Daxian, who was fearless and didn't care at first, was suddenly stunned.

### **Chapter 1575**

I saw that the barrier was shattered in an instant, and then the huge power caused the palm of Hu Li Daxian to crack instantly!

The blood was pouring out, and the Huli Daxian stepped back again and again, his face full of shock!

David's hand with a punch greatly increased his confidence.

"Good boy, it looks like I'm going to have a good time with you..."

With that said, the human head that Hu Li Daxian had originally transformed into has changed back to the appearance of a tiger's head.

With a roar of a tiger, the whole body of Hu Li Daxian lit up with black light!

This light is getting stronger and stronger, and it has the momentum to compare the golden light on David!

With the black light on Huli Daxian's body lighting up, the entire sky began to become dark!

A terrifying, ominous aura shrouded the entire Penglai Island!

David felt this breath, and his face became very ugly!

The Dragon Slaying Sword was sacrificed in an instant, and a raging spiritual fire burned on the sword body!

David had never encountered this kind of aura before, he could only use his spirit fire to see if he could restrain this gloomy death aura!

Hu Li Daxian slowly raised his hands, and between his hands, a black ball of light flashing with lightning appeared!

There is a huge suction force in the light ball, and it seems to be sucking away the strength of all the signs of life around!

A terrifying force rushed towards his face, David held a sword in both hands, and his face became more and more solemn!

This Tiger Power Immortal was promoted to the metamorphosis realm, and if you want to defeat him, it is not just one move.

Hu Li Daxian's body floated up, like a god of death, suspended in the dark mid-air!

“go to hell...”

“Boom...”

The black ball of light was thrown directly at David by Hu Li Daxian.

Endless coercion and terrifying power immediately came to David.

The terrifying dead aura made the entire Penglai Island depressed.

David felt this breath, as if he saw countless gods of death with scythes, constantly waving the scythes at him.

The terrifying breath made David's legs involuntarily want to step back!

But David clenched his teeth and said something in his mouth, and the spirit fire on the Dragon Slaying Sword became even more vigorous!

The power of the gods was also injected into the Dragon Slaying Sword at the same time, and the power of the gods helped to ignite the spirit fire, burning more violently!

The Dragon Slaying Sword began to make a humming sound, accompanied by tremors!

The Dragon Slaying Sword seems to be a little unbearable!

“Nine Shadows Divine Sword...”

With an angry shout, David stood there, and four identical Davids appeared in an instant!

There are five Davids in total, all of them holding the Dragon Slaying Sword that burns with spirit fire.

“Hmph, you dare to use it in front of me...”

Seeing that David had suddenly become five, Hu Li sneered with disdain.

David ignored him, but slashed the Dragon Slaying Sword in his hand angrily!

A huge sword beam erupted from the Dragon Slaying Sword.

Five sword qi shot out, and finally they came together, causing a huge tremor!

David’s hand holding the Dragon Slaying Sword was shaking slightly.

This sword came out, and the four phantoms that David had transformed into disappeared instantly!

This sword consumed most of David’s spiritual power, and he couldn’t hold it any longer, so he continued to use the Nine Shadows Divine Sword.

The sword qi exuded a raging spiritual fire, and instantly collided with the black light ball.

The spirit fire enveloped the black ball of light, and it was roasted violently, and some crackling sounds could be heard!

The black light ball stopped attacking David, and the sword just blocked the black light ball directly!

Seeing this, Hu Li Daxian waved his hand to take the black light ball back into his hand!

However, above the black ball of light, the spirit fire is still wrapped, and the spirit fire rises up to a flame more than one meter high. The Huli Immortal is afraid that the spirit fire will burn him.

## **Chapter 1576**

wow...

Soon, the black ball of light shattered, and the little dots of light disappeared!

Hu Li Daxian looked at it, his eyes were full of anger!

The scepter was destroyed, and now the black ball of light is also destroyed...

Huli Daxian has fewer and fewer cards in his hands!

Although Hu Li Daxian has no trump cards, David is not much better, and there is not much spiritual power left in his body at this moment!

The huge consumption made it too late for him to replenish his spiritual power. Now the two of them are in a tie, looking at each other's opponents, and no one is taking it lightly!

If at this time, either side has a helper, it can have the absolute upper hand.

"Master of my gods, I beg you, grant me strength again..."

Hu Li Daxian knelt down in front of the stone statue again, begging for strength!

But this time, the stone statue didn't react at all, which made the Hu Li Daxian look extremely ugly!

David was desperately running the Concentration Technique, madly absorbing the surrounding spiritual energy, but now on Penglai Island, the spiritual energy is not as full as before, coupled with David's crazy absorption, there is not much left of the spiritual energy!

It seems that the rich spiritual energy on Penglai Island is not naturally formed, but the action of the tiger power immortal in front of him!

For a time, the two sides fell into an embarrassing situation, looking at each other, no one was shooting!

Hu Li Daxian stared at David, but he forgot Du Nan who was beside him!

At this time, Du Nan has quietly climbed up, and then quickly ran out of the forbidden area!

He is going to find a helper. In this situation, as long as someone helps David, David will definitely win!

However, there were no strong people on Penglai Island, so Du Nan set his sights on Hu Mazi and Zhao Chuang.

Du Nan sent someone to find Hu Mazi and Zhao Chuang immediately, but they didn't leave the palace because they were worried about David's safety!

"Du Nan, what do you want to do?"

Zhao Chuang asked with an ugly face when he saw Du Nan led someone to find them.

Now that Hu Mazi and Zhao Chuang's skills have been blocked, they are ordinary people, so if Du Nan wants to kill them at this time, there is no room for them to resist.

"You two, don't be nervous, I'm asking you to help Mr. Chen..."

Du Nan said, and hurriedly took out two pills: "If you eat first, you will be able to release the San Gong pills in your body..."

Hu Mazi and Zhao Chuang looked at each other, and they couldn't believe Du Nan.

I don't understand that Du Nan and his son have just been deceived, they don't want to be fooled.

"Don't hesitate, I really didn't lie to you, my father is dead, and now Mr. Chen is following the tiger spirit at the moment of life and death. As long as you help, Mr. Chen will definitely win..."

Du Nan was a little anxious, and followed Hu Mazi and Zhao Chuang to explain!

Hu Mazi glanced at Du Nan, then took the medicinal pill and threw it into his mouth without hesitation!

Seeing that the sesame seeds were eaten, Zhao Chuang also took the medicine pill.

After taking the medicine pill, the power of the two people really recovered!

Seeing this, Hu Mazi was overjoyed.

"let's go..."

Soon, several people hurried towards the forbidden area!

At this time, in the forbidden area, David and the Huli Daxian are still facing each other, and both sides are very cautious!

“Boy, you and I have no grievances, why are you targeting me like this?”

“As long as you leave Penglai Island, I can teach you a few methods. I have lived for thousands of years and have learned countless spells.”

Huli Daxian wants to follow David to make peace!

Consuming like this will not benefit anyone, nor is it necessary!

“You can leave if you want me, but you have to tell me what’s going on with the statue behind you? Who the hell are you!”

David curiously asked Hu Li Daxian.

### **Chapter 1577**

Hu Li Daxian hesitated for a moment, probably in order to show sincerity, so he said: “It’s okay to tell you, the statue behind him is my master, the blood demon, and I’m just a pet beside him.”

“In the battle of gods and demons thousands of years ago, our blood demon clan was defeated, and the master sealed himself up and let me guard it, waiting for one day to wake up again.”

“Master helped me transform into a human body, but unfortunately it was not completely successful, he was instantly petrified...”

“Over the years, I have been guarding the master’s side, using the power of everyone’s faith to resurrect the master.”

“It will take another hundred years at most, and after another hundred years, the master will be able to resurrect...”

“That time...”

Hu Li Daxian’s eyes flashed with light, but he did not continue to speak.

“Could it be that the exhaustion of spiritual energy started at that time?”

David continued to ask.

“Yes, after that battle between gods and demons, the Dao of Heaven collapsed, everything was destroyed, and the whole world fell into a cycle of reincarnation!”

“Since then, the spiritual energy began to dry up, the gods and demons fell, and the martial arts ran rampant...”

“Now what you want to know, I have told you, can you leave?”

Hu Li Daxian looked at David and said.

“Leave?” David sneered: “If I leave, do I need you to continue to use these people on Penglai Island to resurrect your master?”

“When your master is resurrected, it will be a waste of life and a disaster for mankind!”

“You...” Hu Li Daxian saw David playing with himself, and he was immediately furious: “Ordinary humans are just ants. As a person who cultivates immortals, how can you pity those ants?”

“An ant?” David frowned: “You are just a tiger spirit, and you dare to say such a thing without shame...”

David’s body jumped up, and a golden light appeared on his fists!

After recovering part of his spiritual power, David immediately launched an attack on Huli Daxian!

“you wanna die...”

Huli Daxian roared and was teased by David, Huli Daxian should not be completely irritated.

I saw Hu Li Daxian’s hands constantly waving, and soon a black light ball slowly condensed, but this time the black light ball was obviously much smaller.

David smashed out a golden light fist, and then collided heavily with the black light ball.

boom...

With a loud noise, the black ball of light exploded, and he blew David’s body out!

However, the Tiger Power Immortal was not feeling well either, his body trembled as if he had been struck by lightning!

This time, the collision is once again half a catty, no winner or loser!

“Are you going to die with me?”

Tiger Power Immortal roared!

He couldn't understand why David was so stubborn!

“Are you afraid of death?”

David sneered.

“Fart, I have lived for thousands of years, and I have never been afraid of death. It's a joke...”

Tiger Power Immortal shouted angrily!

“Since you're not afraid of death, don't talk nonsense, come on...”

David beckoned towards the tiger power immortal!

But Hu Li Daxian didn't move. At this time, whoever made the first shot would be at a disadvantage. He still knew this.

Davidyuan originally wanted to deliberately stimulate this Huli Daxian to do it first, but this Huli Daxian didn't look stupid.

For a time, the two fell into a confrontation again!

“Brother Chen...”

“David...”

At this moment, Hu Mazi and Zhao Chuang had already entered the forbidden area!

Looking at the forbidden area that had turned into ruins, Hu Mazi and Zhao Chuang couldn't help but gasp.

What a fierce battle it is to make this place like this.

When David saw that Hu Mazi and the others had returned, he frowned and said, “What are you two doing here?”

## **Chapter 1578**

David can't protect himself now. If he is protecting the two of them, he is really powerless, and he is afraid that Hu Li Daxian will catch the flaw.

“David, we have recovered our skills now, come here to help you deal with this tiger spirit...”

After Hu Mazi finished speaking, he walked straight towards the Tiger Power Immortal.

“You monster, you are not honest and stay in the cave, and you dare to make trouble. After a while, I will peel off your tiger skin, slap your tiger tendons, and turn you into a dead tiger...”

Hu Mazi scolded Hu Li Daxian!

“you wanna die...”

Hu Li Daxian gritted his teeth, but he didn't expect a little Jindan cultivator to dare to speak madly to himself!

Hu Li Daxian stepped out in one step, and then punched Hu Mazi.

“Be careful...”

Seeing this, David knew that Hu Mazi was not the opponent of the Huli Daxian at all, so he jumped up and greeted him with a punch.

At this time, Hu Mazi hurriedly took out a spell, bit his finger, and wrote a spell with blood on the spell!

The talisman in his hand was instantly lost, and it was directly attached to David's back!

“Zhao Chuang...”

Hu Mazi then shouted towards Zhao Chuang.

“Got it, Master Hu...”

Zhao Chuang understood what Hu Mazi meant, he stepped forward and grabbed Hu Mazi's hand, and the energy in his body spread into Hu Mazi's body!

Hu Mazi recited something, and the spell behind David flashed red light.

Soon, one after another spiritual power entered David's body.

Hu Mazi used the spell again to transport his own spiritual power into David's body!

Although Zhao Chuang's strength is not that strong, but at this time, mosquitoes are small and meat!

If you can send a little more to David, that's a little bit!

"I'm coming too..."

Seeing this, Du Nan, who was on the side, stepped forward and grabbed Zhao Chuang, and instantly released the little spiritual power in his body.

At this time, David suddenly felt that the dantian that had been depleted suddenly became extremely full, and his body was also full of strength!

David couldn't help but look back, his eyes were full of surprise!

"David, we are sending spiritual power into your body now, you can beat this tiger spirit with confidence..."

Hu Mazi shouted at David.

Only then did David understand that it was Hu Mazi and the others who were behind the spiritual power he delivered!

This time, David instantly gained the upper hand, and followed the Hu Li Daxian with a punch!

There was a violent explosion, and the body of the Huli Daxian was like a kite with a broken string, smashing heavily on the stone statue!

And the stone statue suddenly radiated a ray of light, and the body of Hu Li Daxian was shocked and flew out!

This blow made Hu Li Daxian's face become extremely ugly, and blood flowed from his mouth!

David looked at the injured Huli Daxian with a bit of playfulness in his eyes!

"A bunch of ignorant children, I have lived for thousands of years, how can I be defeated by you..."

"Today I will make you pay a terrible price..."

Hu Li Daxian said, the body began to emit light, and then the whole person lay on the ground and began to shrink slowly!

In the end, it turned into a tiger directly and returned to its original body!

After returning to the original body, Hu Li Daxian knew that he was thinking of transforming into a human form, and it was more difficult than going to the sky!

But this was the end, and he had no choice.

“Roar...”

Hu Li Daxian roared, and then instantly spit out a spiritual power from his mouth, and slammed into David fiercely!

boom...

With a loud bang, the spiritual power exploded on David in an instant!

David’s body glowed with golden light, he didn’t dodge at all, he didn’t even move!

“how can that be?”

Hu Li Daxian was immediately shocked.

“Do you think that you have changed back to a beast and are my opponent?”

David sneered, and then his body disappeared in a flash!

### **Chapter 1579**

David’s fist, which was shining with golden light, smashed hard on Hu Li Daxian’s head!

“Roar...”

Hu Li Daxian let out a roar and was sent flying.

The entire tiger's head was instantly smashed and dented, and it looked very terrifying.

Hu Mazi looked at David and swallowed involuntarily.

He felt that David's strength was a little too perverted.

Seeing this scene, Hu Mazi waved his hand instantly, and the spell behind David broke away from David's body instantly.

Even without the help of Hu Mazi and the others, it would be easy for David to kill this Tiger Power Immortal now.

If you lose one move, you will lose the whole game!

Hu Li Daxian has no power to fight back now!

Huli Daxian struggled to stand up and wanted to continue roaring, but his collapsed head made him unable to open his mouth.

In the eyes of Hu Li Daxian, there was only endless anger left, and then he jumped up and rushed towards David!

Seeing this, David shot out instantly, grabbing Hu Li Daxian's neck at once.

“You still want to struggle...”

David said, pressed Huli Daxian to the ground, and began to punch at Huli Daxian.

“David, don’t beat him to death, it’s best to get rid of the skin and cramps alive, that tiger skin and tiger tendons are treasures...”

Hu Mazi was afraid that David would directly kill Hu Li Daxian, so he shouted.

As soon as David heard it, he stopped in an instant. He also understood the truth, and he waved his hand directly, and the Dragon Slaying Sword appeared!

Looking at the gleaming Dragon Slaying Sword, Hu Li Daxian panicked!

He didn’t expect that he would survive for thousands of years, but today he was going to be skinned and cramped.

“Please... please let me go, I can teach you everything I have learned...”

Hu Li Daxian begged David in a low voice!

David looked at him coldly: “You are a monster, if I learn from you, wouldn’t I be laughed to death...”

“I beg you, let me go, let me go...”

Hu Li Daxian continued to plead.

It's really uncomfortable to be skinned and cramped alive!

"Let you go? You are a god, you can deprive everyone on Penglai Island, why can't I deprive you of everything?"

"A monster that has reached the metamorphosis realm, do you know how much the beast pill is worth?"

David sneered.

"Okay, since that's the case, then we don't have anyone to live..."

With that said, Hu Li Daxian's body began to expand rapidly, and the aura in his body began to become chaotic!

"He's going to blow himself up..."

Hu Mazi roared.

A monster in the metamorphosis realm blew up, and the entire Penglai Island should not be wanted.

"Hahaha, even if I die, it's impossible for you to succeed..."

Hu Li Daxian laughed.

"Hmph, it's so easy to want to blow yourself up."

David snorted coldly, and then the Dragon Slaying Sword in his hand instantly pierced an acupoint of Huli Daxian!

The swollen body of Hu Li Daxian shriveled in an instant.

There is no hope in Hu Li Daxian's eyes anymore, he has no chance to even explode himself, how could he still have a chance to survive!

David looked at Huli Daxian, and the Dragon Slaying Sword in his hand slashed down!

Hu Li Daxian's head was instantly cut open, and a beast pill rolled out instantly!

David picked up the beast pill and put it in his pocket, while the hu Mazi rushed over with a pity face.

"It's a pity, it's a pity, how could you kill him, so the value of tiger skin and tendon will be greatly reduced."

Hu Mazi quickly took out a dagger and started to peel and cramp!

Du Nan, who was not far away, looked at the scene in front of him, and felt an indescribable feeling in his heart. They had been worshipping the gods for many years, but now they were being skinned and cramped. Thinking about how ironic they have been over the years.

## **Chapter 1580**

David didn't care about those, no matter how valuable Hu Li Daxian's tiger skin and tiger tendons were, it would not be more valuable than the stone statue in front of him.

This stone statue has stood for thousands of years, constantly absorbing spiritual power, so the spiritual power in this stone statue is probably an immeasurable amount!

If this stone statue can be used as his supply station, David believes that his strength can be improved a lot, even if he breaks through to the transformation, it is not impossible.

A spiritual consciousness slowly emanated from David's body, and slowly enveloped the entire stone statue!

Now that there is no guardian of Huli Daxian, David hopes to find out all the secrets of this stone statue!

But David's consciousness was just shrouded on the stone statue, and a golden light flashed, instantly severing David's consciousness!

Immediately afterwards, the stone statue's eyes glowed with light, as if it had come alive!

"Stupid and ignorant humans, you will be punished..."

Immediately afterwards, there were bursts of Hong bell-like sounds from the stone statue!

This sound alone made David feel a burst of pressure, his throat sweetened, and then a mouthful of blood spurted out!

Hu Mazi and Zhao Chuang even covered their ears with their hands and rolled on the ground in pain!

"Get out of here..."

David roared, then turned around and ran!

Although the stone statue did not really come to life, nor would it move, but just relying on the sound, David and the others could not bear it. David did not know what the consequences would be if he stayed here!

At this moment, David has long lost the desire to obtain the spiritual power of the stone statue, and now he can survive!

Soon, David and the others fled the forbidden area, and then the forbidden area collapsed and was submerged in a rubble!

With the complete collapse of the forbidden area, the spiritual energy above Penglai Island began to slowly disappear, and it became extremely thin in the end!

Except for some real monks, the others did not feel the change in spiritual energy. Originally, they were just ordinary people, but they later became the feeder for the resurrection of the blood demon.

Not many people know about the changes in the forbidden area, and the entire Penglai Island is still running smoothly.

But Du Ziteng is dead, and Du Nan will naturally become the new King Du!

But Du Nan knew that the real king of Penglai Island in the future would be David, not him, he was just a puppet!

“Du Nan, you immediately order people to tear down all the stone statues in the temples. Don’t let him kneel down again, otherwise the blood demon will be resurrected, and one will not even think about living...”

David said to Du Nan.

Du Nan nodded, and immediately ordered people to start knocking down the stone statues in the temple. Although everyone was confused, they could only obey orders!

David did not leave Penglai Island immediately after he had ordered everything. Although the spiritual energy on the island was as thin as that in other places, David had the beast pill of the Huli Daxian, so he wanted to rely on this beast pill, Shock the Great Marquis!

If he really steps into Dawuhou, David will have the confidence to go to Kyoto again!

Relying on the invincible body, coupled with David's cultivation of immortality, when David stepped into the realm of the Great Marquis, even if he encountered a master in the middle of the Great Marquis, he would be able to deal with it.

David found a secluded place and began to devour the beast pill to practice!

Zhao Chuang was not idle either, he practiced hard, and attacked Marquis Wu's strength!

Because Zhao Chuang's cultivation in the past few months has been suppressed, his realm has not improved, and now the taboo on Penglai Island has been lifted.

Zhao Chuang practiced, like sitting on a rocket, his strength was growing rapidly!

Only Flax, playing with the tiger skin and tendons all day, seems to be making something!

Du Nan manages the entire Penglai Island and changes the management system. Instead of being managed by a monarchy, he obeyed David's advice and began to slowly reform!

Penglai Island is slowly developing in the direction of civilization and beauty...
