

## A Man Like None Other Chapter 1631 – 1640

### Chapter 1631

The next morning!

David's strong body, the injury is no longer serious!

Xu Changsheng came to the Long family in a hurry with all kinds of medicinal herbs and herbs!

Knowing that David was injured, Xu Changsheng was very anxious, so he came with the medicine in person!

"Gu master, are you alright?"

After seeing David, Xu Changsheng asked nervously.

"I'm fine..." David shook his head: "Have you brought the medicinal materials I want?"

"Bring it, and some medicinal herbs..."

Xu Changsheng hurriedly gave David all the medicinal herbs and medicinal herbs he brought!

David took these things and knocked on the door next door!

The door opened. After a night of healing, Han Qinger's face was obviously much better, but her breath was still a little unstable!

However, Han Qinger was surprised to see David as if nothing happened!

It's only been one night, and the spiritual energy between heaven and earth is so deficient, David's injury has healed so quickly!

"Are you all right?"

David asked Han Qinger.

Han Qinger nodded: "It's okay..."

"Here are some herbs and medicinal herbs that can help you heal..."

David gave Han Qinger all the medicinal pills and herbs that Xu Changsheng brought.

Han Qinger looked at these things in front of her. She knew that in the secular world, these things must be invaluable!

"Why are you helping me?" Han Qinger asked in confusion.

She and David are not related, and they don't know each other. It makes Han Qinger very strange that David treats her so well!

“Don't worry, I have no intention of helping you. When you are well, you can leave completely free.”

David was afraid that Han Qinger would misunderstand what he had planned for her, so he said quickly.

“I...” Han Qing'er opened her mouth, she didn't know what to say, and finally she could only say, “Thank you, I will repay you.”

David smiled, without saying anything, turned around and left, he helped Han Qinger, but not for her repayment!

...

Zixiao Mansion!

Qiu Ju dragged her severely injured body back!

When Han Fusheng heard that his daughter was missing, he was instantly furious, and An Lingrong cried because he was worried about his daughter.

“Damn it, who on earth dares to do something to my Han Fusheng's daughter...”

Han Fusheng's anger continued to rise!

“Palace Master, those people will definitely not be people from the mundane world, they should also be people in the secret realm, their strength is very strong...”

Qiu Ju said to Han Fusheng.

“The people in the secret realm, the people in the secret realm, who is going to target my Zixiao Mansion behind the scenes?”

Han Fusheng frowned, thinking hard.

He knew that what these people really had to deal with was not Han Qinger, but Han Qinger was just a bargaining chip. What they really had to deal with was their Zixiao Mansion!

“Qiu Ju, where is Lu Chang? I sent someone to inform him to find Qing’er. Didn’t you see it?”

An Lingrong asked.

An Lingrong had already sent someone to inform the Waning Moon Fort and asked Lu Chang to find Han Qinger.

If Lu Chang had found Han Qing’er, this might not have happened.

“I didn’t see Young Master Lu...”

Qiu Ju shook her head.

“What the hell is this Lu Chang doing? Why did he ask him to find Qing’er, but there is no trace of him there?”

An Lingrong’s face was full of regret, so it would be better to send the people from Zixiao Mansion to go out and find Han Qinger.

That way, nothing like this would happen.

“Qiu Ju, go down and rest, don’t mention the matter of Miss Miss’s disappearance to anyone...”

Han Fusheng waved his hand!

He was afraid that after the news spread, many people with ulterior motives would be even more detrimental to Han Qinger!

“Resurrection, what should I do? Hurry up and send someone to find Qing’er...”

An Lingrong said anxiously to Han Fusheng.

Han Fusheng nodded, and immediately dispatched dozens of people to look for Han Qinger in Kyoto.

However, in order not to arouse the vigilance of people and officials in the secular world, these people can only get out of the secret realm in batches!

## **Chapter 1632**

Another day has passed!

With the medicinal herbs and medicinal herbs, Han Qinger’s injuries have almost recovered!

Han Qinger took the initiative to find David and followed David to thank him!

“Thank you so much, I’m leaving, or my parents will be in a panic...”

Han Qinger found David and said.

“Do you need me to take you back?”

David asked.

David said this because he just wanted to know where Han Qinger was from and what her identity was!

But David was afraid that Han Qinger would be disgusted, so he didn’t ask directly!

Han Qinger shook her head: “No, I know you really want to know my identity, but I can’t tell you. All I can tell you is my name. My name is Han Qinger. What’s your name?”

“My name is David...”

David smiled slightly.

“Okay, I remember, if I have the opportunity in the future, I will definitely repay you.”

As Han Qinger said, she took a piece of transparent jade from her body and handed it to David!

“This is what I have worn since I was a child. Now I give it to you as a repayment for your life-saving grace!”

Han Qinger handed the jade to David, and David wanted to refuse, but seeing that there was nothing special about the jade, it was not very valuable, so he accepted it!

David didn't know that in the near future, it was this piece of jade that saved David's life!

“Let's go, I'll take you out of Kyoto...”

David can now conclude that Han Qinger is not from Kyoto.

Han Qinger did not refuse, and followed David out of Long's house and walked on the streets of Kyoto.

Looking at the prosperous Kyoto, Han Qinger has an indescribable feeling in her eyes!

After this time, Han Qinger knew that she might never have the chance to leave the secret realm in her life!

Although the secret realm is very good, it has a strong spiritual energy and a lot of resources!

But for Han Qinger, what she likes and yearns for is the world of the world...

David looked at Han Qinger like that, and felt very strange. Han Qinger looked at ordinary high-rise buildings and looked at the people passing by, and seemed very nostalgic and fresh.

Could it be that this Han Qinger is a fairy from the sky and descended to earth? Never seen these?

But at this moment, a terrifying aura suddenly struck in the direction of David and the others!

David's face changed greatly, he could feel that these breaths were all terrifying, and each of them was no worse than himself!

"It's broken, let's go..."

As soon as David pulled up Han Qinger, he was about to run!

But it was too late, more than a dozen people had already surrounded David and Han Qinger!

These people exuded aura, and they suppressed David in an instant, making David unable to move!

David's eyes were full of horror. He originally thought that he had reached the Marquis of Great Wu, and even if he was defeated by a master, he could easily escape.

But at this time, David discovered that his own strength was actually powerless to fight back!

"You all stop me..."

Han Qinger suddenly frowned and shouted angrily at the dozen or so people.

With Han Qinger's angry shout, the breath suppressed by David instantly dissipated, and David also regained his freedom!

"Miss, please come with us..."

One of them respectfully said to Han Qinger.

Han Qinger nodded, then looked at David: "David, thank you..."

David's face didn't show the slightest expression at the moment, just in the part where he lost his ability to move, David's heart was hit a lot!

Han Qinger followed those people away, while David stood there dumbfounded!

It took a long time for David to react!

"So strong, I didn't expect that in this world, there are still people with such strong strength..."

David looked at the direction Han Qinger was leaving, and he suddenly felt like a frog in the bottom of a well.

### **Chapter 1633**

For many days in a row, David stayed at Long's house, not eating, drinking, or even going out!

No one knows what David is doing these days!

dong dong dong ...

On this day, Long Xingxu knocked on David's door!

"What's up?"

David's voice came from the room!

"Brother David, someone is looking for you outside the door, saying it's your old friend..."

Long Xingxu said.

"what is it call?"

David frowned slightly, he didn't know what old friends he had in Kyoto!

"He said his name was Hu Mazi..."

Just as Long Xingxu finished speaking, he saw David suddenly open the door, his eyes shone with light!

It's just that David at this time, with a full beard, looks very decadent!

"Where are the others? Bring them in..."

David said anxiously to Long Xingxu.

Long Xingxu didn't dare to delay, and hurriedly brought Hu Mazi in!

When Hu Mazi saw David, he was shocked!

“Damn it, did you fall into the Savage Mountain? How did you become like this?”

Hu Mazi looked puzzled.

You must know that David was a handsome guy in the past, but now he has become an uncle with a stubble face!

“Master Hu, come in and say, I happened to be looking for you on something...”

David pulled Hu Mazi into the room at once!

He then instructed Long Xingxu to send someone to guard the door, and no one was allowed to enter!

“What’s the matter? Make it so mysterious?”

Hu Mazi looked puzzled!

“Master Hu, let me ask you, who did you learn this spell from?”

David asked.

“Of course it’s with my master, isn’t this nonsense?” Hu Mazi looked at David strangely.

“No, I know it was taught by your master. Are you from that sect?”

David was a little anxious, so his speech was incoherent!

“Tianshijiao, the ancestor of our Tianshijiao is the famous Zhang Tianshi...”

When Hu Mazi talked about his division, he looked proud.

“Then do you know Tianfuzong? He is also a man who specializes in magic spells.”

David asked.

Hu Mazi was stunned for a moment, then looked up and down David: “Why did you suddenly ask about Tianfuzong? It was an ancient sect that disappeared many years ago.”

“Later, most of the sects specializing in talisman practice came from Tianfuzong. Even Zhang Tianshi, the ancestor of our Tianshi teaching, was only a young disciple of Tianfuzong...”

When David heard it, his eyes widened in shock: “I didn’t expect Fuzong to be so powerful today?”

“That’s of course. I think that the sect master of Tianfuzong wrote a rune himself. It was this rune. It suppressed the demons for a hundred years. It can be seen how much energy this rune has!”

“Let me tell you, now that martial arts are rampant, many people feel that spells are useless. In fact, spells can save people, kill people, and even keep one party safe!”

“The spell drawn by a real senior talisman can instantly kill a Martial Saint, and the same spell of a senior talisman can instantly increase the strength of a great Marquis to Martial Saint!”

“You must know that the spells are ever-changing and endless. Isn’t the legendary Sun Monkey pressed on the Wuzhi Mountain because of a spell of the Buddha?”

Hu Mazi followed David to talk about talisman techniques, which also gave David a deeper understanding of talisman techniques!

“I’ll show you something...”

David said, took out the map of the ancient ruins of Tianfuzong, and there are some detailed records on it!

When Hu Mazi saw this map, his whole body trembled with excitement.

“This...this...how could Fuzong still exist on this day? It’s incredible.”

“Where did you get this map from? Could it be fake?”

Hu Mazi couldn’t believe it, how could such a map still exist in the world!

David didn’t hide it, he told Hu Mazi about how he drew the map in the Martial Arts Alliance!

## **Chapter 1634**

“Since it was obtained from the Martial Arts Alliance, it can’t be wrong. It’s great, it’s great. I didn’t expect that in my lifetime, I would be able to see the oldest sect with magic spells...”

“Let’s go, let’s go now, I can’t wait...”

Hu Mazi took David to go out.

“Wait a minute, I have to clean up!”

David is like a savage now, he has to clean up before leaving!

These days, David has always fallen into a huge inferiority complex. In his current state, it is difficult to improve one step!

Unless you encounter a big opportunity, but the opportunity is unavoidable. If you want to meet another opportunity again, I don’t know what year and month you have to wait!

And if David can comprehend this spell technique and draw the kind of spell that stuns all things and protects the common people, then David’s strength can grow rapidly like a rocket.

At that time, draw a talisman for each of the people around you, so you don’t have to worry about anyone being caught!

David cleaned himself up, and the whole person regained his energy!

“Oh, a big gentleman, like a woman, what are you doing, hurry up and leave...”

Hu Mazi couldn’t wait any longer, he took David and went straight to the airport!

“Master Hu, didn’t you say you dare not go back to the capital? Why did you come back this time?”

David asked in confusion.

“Then Zhu Zhishan is dead. I’m still afraid of a bird. Once Zhu Zhishan dies, no one will know my identity except you...”

Hu Mazi’s face was full of smiles, and it seemed that Zhu Zhishan’s death made him very happy.

The two got on the plane and went straight to Baihai City.

The ancient ruins of Fuzong that day were near Baihai City, thousands of miles away from Kyoto!

David looked out the window of the plane and was in a daze!

I remember the last time I went to Baihai City, it was a year ago. I went to Baihai City with Bai Zhantang for the matter of Xuanyue Valley.

“I don’t know what happened to that boy Bai Zhantang following Shen Mengchen...”

David looked out the window and smiled faintly!

Since David’s hostile forces have become stronger and stronger, David has rarely let the Bai family get involved, and he doesn’t want the Bai family to be implicated because of himself!

After all, the Bai family is just an ordinary business family, and even if there are a few martial arts masters, they are just looking after the house!

If you really step into the martial arts world, just a few martial arts are simply not enough to watch!

“Mr. Chen...Mr. Chen...”

Just as David stared out the window in a daze, he suddenly heard a familiar shout!

David hurriedly turned his head, and the whole person was stunned: "Bai Zhantang? Why are you here?"

David was very pleasantly surprised, he just thought of this guy, but he met him when he didn't want to!

"Mr. Chen, it really is you, just now Mengchen said it was you, I still can't believe it!"

Bai Zhantang was very surprised when he saw David, and then waved to the seat not far away.

Soon, Shen Mengchen came over, but at this time Shen Mengchen's belly was a lot bigger, obviously pregnant!

"Mr. Chen, I just looked just like you, so I asked Zhantang to come and see, but I didn't expect it to be you!"

Shen Mengchen also said happily.

David looked at Shen Mengchen's belly and said in surprise, "Are you two married?"

Bai Zhantang nodded: "Yes, I'm already married, so it can be regarded as a marriage with a child. This time I'm back in Baihai City to hold a wedding there!"

Shen Mengchen blushed and lowered his head slightly, after all, girls are shy when they are pregnant before marriage!

“Hahaha, it’s really great, you can be considered as lovers finally getting married.”

David laughed happily!

“Mr. Chen, what are you doing in Baihai City?”

Bai Zhantang asked strangely.

After all, Baihai City is not a big city, and there are not many tourist places. Generally, few people go there to play.

### **Chapter 1635**

“I’ll accompany my friend to do something...”

David smiled lightly.

“David, is this your friend?” asked Hu Mazi on the side.

“Yes!” David nodded, then followed Bai Zhantang and Shen Mengchen to introduce: “This is Master Hu!”

“Hello, Master Hu...”

“Hello, Master Hu...”

Bai Zhantang and Shen Mengchen both said hello to Hu Mazi!

Hu Mazi nodded slightly, and then stared straight at Shen Mengchen’s stomach!

This look made Shen Mengchen a little shy, while Bai Zhantang’s expression changed slightly and his brows furrowed.

If it wasn’t for David, it is estimated that Bai Zhantang would have done something against Hu Mazi.

Looking straight at someone’s daughter-in-law like this, it’s no wonder she doesn’t do anything!

“Master Hu, what are you doing?”

David pushed the flax seeds!

Hu Mazi said with a solemn expression: "This lady, did you know that you are pregnant with twins?"

Shen Mengchen nodded: "I know, the inspection has been done!"

"You twins, one of them has suffered from evil spirits, and it is estimated that it will be difficult to keep it."

Hu Mazi frowned and said solemnly.

"What?" Shen Mengchen was shocked!

On the side, Bai Zhantang said with a cold expression, "Master Hu, what do you mean?"

As soon as he opened his mouth and said that his child could not be kept, Bai Zhantang was a little anxious in an instant!

David waved his hand at Bai Zhantang, motioning Bai Zhantang to stop talking, and then said to Hu Mazi, "Master Hu, is there a way to solve it?"

David knew the ability of this flax, although his strength was not high, but in terms of exploring tombs, searching for caves, and drawing talismans to ward off evil spirits, few people can match it!

“I can only draw a spell now, let this lady wear it on her body every day, and add some more nutrition, I guess it will be fine!”

Hu Mazi said, took out the yellow paper he carried with him, and quickly drew a spell.

Then he folded the spell, put it in a delicate sachet, and handed it to Shen Mengchen!

Shen Mengchen looked at it blankly, not knowing what to do, or whether he should take this sachet or not, so he looked at Bai Zhantang!

“Listen to Master Hu, Master Hu will not talk nonsense!”

David said lightly.

Seeing David say this, Bai Zhantang hurriedly took the sachet and thanked Hu Mazi again and again!

After several hours of flight, the plane landed smoothly in Baihai City!

After getting off the plane, Shen Mengchen and Bai Zhantang invited David to Shen’s house to witness their wedding.

David did not refuse either. Finding the ancient ruins of Tianfuzong is not something that can be done overnight, and I don’t know how long it will take, so it is not impossible to live in the Shen family!

Several people were waiting for the Shen family to send a car to pick them up at the exit, but after waiting for half an hour, no car came!

“What is the uncle doing? It’s clearly agreed, when will it arrive?”

Shen Mengchen frowned slightly, his face full of displeasure!

Let David and the others also wait here, Shen Mengchen is very embarrassed.

“Why don’t we take a taxi back, don’t wait...”

Bai Zhantang helped Shen Mengchen, so he stopped a car!

Afterwards, several people came to Shen’s house by car!

At this time, the Shen family’s house was obviously much larger and more imposing than it was a year ago.

After Shen Dianshan died, Shen Mengchen, a girl, started to control the entire Shen family!

In addition, Xuanyue Valley has also become the property of the Shen family, so this year, the status of the Shen family in Baihai City has continued to rise!

Especially the resort in Xuanyue Valley has also brought a lot of benefits to the Shen family!

“Mengchen, you guys are back, I just told the driver to pick you up...”

At this moment, a thin middle-aged man with a sharp mouth and monkey cheeks came over and said to Shen Mengchen.

“Cousin, didn’t I tell you the time in advance? Why is it still delayed?”

Shen Mengchen frowned, obviously a little unhappy.

### **Chapter 1636**

“I forgot, I won’t next time.” Uncle Shen Mengchen smiled awkwardly, then looked at David and followed Hu Mazi: “Who are these two?”

“Cousin, these are my two friends...”

Bai Zhantang said.

“Oh, then please come in, come in quickly...”

Shen Mengchen’s cousin, hurriedly invited David and the others into the room!

After ordering someone to serve the tea, Shen Mengchen’s cousin left!

Shen Mengchen went to the room to rest because he was too tired on the plane, while Bai Zhantang accompanied David and Hu Mazi!

“Master Hu, did you see the weirdness of the man just now?”

David asked with a smile.

“Well, there is an evil spirit on my body, most of which is an evil cultivator!”

Hu Mazi said lightly.

“Xie Xiu?” At this moment, Bai Zhantang on the side sucked in a breath of cold air!

“Zhantang, who is this person? Why is he in the Shen family, it seems that he has a high status in the Shen family...”

David asked Bai Zhantang.

“Mr. Chen, that person is a cousin of Mengchen, called Teng Chenglin. After Mengchen’s father died, the huge family business was given to Mengchen. It is difficult for her to manage as a girl. It happened that her cousin found here, So stay!”

“But this person is also a business genius. In just one year, he has managed the Shen family in an orderly manner, and he has also made a lot of money.”

“Mengchen plans to let her cousin take care of the Shen family after we get married. After all, after giving birth to the child, Mengchen has to cultivate in Kyoto, and it is impossible for him to come to Baihai City every day.”

Bai Zhantang said to David.

“In this way, this cousin is also very good, maybe I am too sensitive...”

Hearing what Bai Zhantang said, David relaxed a little bit of vigilance!

To be able to help manage the family business for a year and still make such achievements, then this Teng Chenglin is really good!

After chatting a few more times, David and the others also went to rest!

At this time, in a room of the Shen family, a dozen people were hidden inside, and everyone exuded the aura of a great master!

In a place like this, being able to have so many great masters at the same time is definitely the most powerful force!

Teng Chenglin looked around, then entered the room!

“How’s it going?”

asked one of the leaders.

“Go back and report to the sect master, the girl of the Shen family has returned, and the wedding will be held in three days. When the time comes, everyone in Baihai City will be there!”

“At that time, it’s an opportunity. Our Broken Heart Sect can occupy the entire Baihai City, and we won’t have to sneak around in the future. I’ve worked hard to hide in the Su family for a year, and it’s worth it.”

Teng Chenglin said to the leader.

“Okay, I’ll go right now, but you have to keep an eye on them to see if they bring experts here. That Bai Zhantang is from Kyoto. If you bring two experts, we’ll be in trouble.”

The leader advised Teng Chenglin.

“Don’t worry, bring one old and one young, no strength...”

Teng Chenglin said confidently.

The Shen family was preparing for the wedding of Bai Zhantang and Shen Mengchen, so no one noticed that the Shen family had more than a dozen members!

After resting at Shen’s house all night, David and Hu Mazi got up early.

They plan to find the ancient ruins of Tianfuzong!

Although there is a map showing the general location, it is not so easy to find the entrance to the ancient ruins.

If the entrance was seen at a glance, other people would have discovered the ruins long ago!

Because Bai Zhantang wants to take care of Shen Mengchen, he cannot accompany David and Hu Mazi!

However, they still sent a car that David and the others could use at will!

According to the location on the map, David and Hu Mazi soon came to the place!

David looked at the towering mountains and the canyon between the two mountains, and a familiar feeling struck instantly!

“Could it be that the ancient ruins are in this Xuanyue Valley?”

David looked at Xuanyue Valley and felt a little incredible!

“Have you been here?” Hu Mazi asked.

“Well, I was there a year ago...”

David nodded!

## Chapter 1637

Now, the entire Xuanyue Valley is a tourist attraction, and there are amusement facilities everywhere, which is much larger than it was a year ago!

David asked the driver to wait outside, and then walked towards Xuanyue Valley with Hu Mazi!

After David entered Xuanyue Valley, he let go of his consciousness and wanted to find out some clues!

But it went a long way without capturing any useful information.

Only some martial artists such as grandmasters play among the tourists.

But as the two walked farther and farther, there were gradually no more tourists, and the air began to become gloomy and cold.

“What are you two doing? You can’t just enter here, there will be danger...”

At this time, two men in security uniforms appeared from both sides, stopping David and Hu Mazi!

At a glance, the two are the security personnel of the scenic spot!

However, David found that two people were abnormal. How could a scenic spot hire two masters as security guards?

David’s consciousness had already detected the strength of the two people!

It’s just that these two people didn’t know anything about David and Hu Mazi.

After all, the difference in realm strength is too great, they can't detect the breath of David and Hu Mazi at all, and treat them as ordinary tourists!

"I'm sorry, we just walked around and came here!"

David smiled slightly, then pulled Hu Mazi and turned his head back!

When the two security guards saw David and the others leaving, they turned around and went back!

"Let's go back like this? There must be something weird in here..."

Hu Mazi said to David.

"Of course I know, but I can't startle the snakes. The two security guards are obviously not from the scenic spot!"

David said, looked at the mountain on the side, and then jumped up, and went directly to the middle of the mountain!

At this time, David was the Marquis of Great Wu. Even if he was walking halfway up the mountain, he would still be walking on the ground!

"Damn, bullying me is not as strong as you, right?"

Hu Mazi looked at David and exclaimed in dissatisfaction!

However, Hu Mazi took out two spells, and then drew a volley with his finger, and then the two spells flew into the air, directly taking Hu Mazi up!

The two of them walked halfway up the mountain like this, avoiding the security guards below!

As David and Hu Mazi went deeper, David's consciousness soon noticed a strange force.

"There are experts here?"

David frowned and quickly took back his consciousness to avoid being discovered.

"It seems that there are still a lot of people hidden here?"

Flax also felt it.

"We slowly dive in..."

David followed Hu Mazi, concealed his figure, and moved forward slowly!

Soon, houses appeared, and there were patrols patrolling around, obviously it was a sect camp!

"Damn, I didn't expect that in just a year, someone else would occupy this place!"

David did not expect that Xuanyue Valley would have a new owner so soon!

However, there will definitely be many sects who like this kind of geographically superior place, so it is normal to occupy this place.

At this time, in Xuanyue Valley Broken Heart Sect, the Sect Master of Broken Heart Sect is anxiously waiting for something!

Soon, three men in black robes with a copper-colored logo on their chests appeared!

When the Sect Master of Broken Heart Sect saw this, he hurriedly greeted him.

“My subordinates meet the black copper robe adults...”

The Sect Master of the Broken Heart Sect hurried forward and knelt down in front of the black copper robe.

“Excuse me, how did you do the things you explained?”

black copper robe asked.

“It’s done, just wait for the black copper robe to enter the ruins to explore...”

The Sect Master of the Broken Heart Sect hurriedly said.

“En!” The black copper robe nodded!

It turned out that the map of the ancient ruins of Fuzong was taken away by David that day. After Ning Zhi knew that he had been tricked, he immediately sent people to prepare to explore the ruins first.

And this Heartbroken Sect was also arranged here in advance by the Martial Arts Alliance. In some important ancient ruins, there will be sects arranged by the Martial Arts Alliance in advance!

## **Chapter 1638**

Soon, three black copper robes and several people from the Broken Heart Sect walked towards the entrance of the ruins!

“Damn, it turns out that there are also people from the Kyoto Martial Arts Alliance here, and three black copper robes came all at once...”

David cursed involuntarily!

However, with his current strength, it would be easy to deal with the three black copper robes, not to mention that there is a flax beside him!

“what should we do?”

Hu Mazi asked David.

David frowned slightly and thought for a moment quietly!

“You said that ancient ruins like Tianfuzong will be dangerous inside?”

David asked Hu Mazi.

“Then there is no need to ask, it will definitely be. Like this kind of sect, before it perishes, there will definitely be lower levels of institutions.”

“If it’s not good, if you go in and get nothing, people will be gone!”

Hu Mazi said solemnly.

“Since this is the case, then we will wait. The strength of the three black copper robes is estimated to be difficult to gain from the ancient ruins...”

David said.

“Then we wait like this?”

Hu Mazi looked at the cliff and asked with some displeasure.

“Then why wait?”

David was taken aback!

“Of course I’m going down to drink tea and wait. You won’t be afraid of the ants below, right?”

Hu Mazi smiled!

The entire Heartbroken Sect does not even have a Marquis, only the Sect Master of the Heartbroken Sect is a great master!

With such strength, not to mention David, even Hu Mazi has dealt with it!

For David to take action, it would be anti-aircraft guns to hit mosquitoes!

David smiled helplessly and could only nod his head.

The two jumped down from the air and landed firmly in the Broken Heart Sect!

“who?”

At this time, several members of the Broken Heart Sect on patrol saw that someone suddenly broke in, and hurried over to surround David and Hu Mazi.

David and Hu Mazi didn't even look at these little fellows of the Heartbroken Sect!

“Don't say it, the environment here is good...”

Hu Mazi swept around and said.

“I just don't know if the tea here is to your liking!”

David laughed.

“Whether it suits your appetite, you'll know if you taste it!”

After Hu Mazi finished speaking, he walked straight to the depths of the Broken Heart Sect.

David followed behind and walked towards it together!

When the two of them sang in harmony, they looked at the little ones of the Broken Heart Sect in a daze.

“Bold, trespassing on my Heartbroken Sect, how dare you be so arrogant...”

A member of the Broken Heart Sect couldn't stand it anymore, waving a wide-backed knife in his hand, rushing towards David and the others fiercely!

The other members of the Broken Heart Sect also rushed towards David and Hu Mazi!

David and Hu Mazi did not stop and kept walking forward.

Immediately afterwards, David waved his hand, an incomparably huge breath, like a gust of wind.

In an instant, those people from the Broken Heart Sect were blown away a hundred meters away, and they fell to the ground one by one, dead and wounded!

Soon, David followed Hu Mazi to the hall of Broken Heart Sect!

At this time, the Sect Master of the Broken Heart Sect was following the senior leaders in the sect, waiting for the news of the three black copper robes!

Seeing that someone suddenly broke in, the Sect Master of the Broken Heart Sect frowned!

"Who are you? How dare you break into my sect?"

"Are the guards outside all dead?"

The Sect Master of the Broken Heart Sect shouted!

David didn't speak, while Hu Mazi swept it with a punch, and found that several high-level officials of the Broken Heart Sect were all sitting in their seats, with just-brewed tea in front of them!

Hu Mazi walked towards a senior of the Broken Heart Sect, and the senior of the Broken Heart Sect got up and looked at Hu Mazi vigilantly!

“What do you want to do?”

Broken Heart Sect senior brows slightly wrinkled, the breath of the body began to rise.

“I’m just having a cup of tea, you are so nervous!”

After Hu Mazi finished speaking, he suddenly stretched out his hand, grabbed the collar of the top of the Broken Heart Sect, and threw it out!

### **Chapter 1639**

bang...

The senior of the Broken Heart Sect fell heavily on the wall, vomited blood, and died out of breath!

This time, everyone was stunned and looked at Hu Mazi in disbelief!

You must know that someone who can become a senior of the Broken Heart Sect is at least above the fifth rank of the Great Martial Sect.

At this moment, all the senior members of the Broken Heart Sect stood up, trembling slightly.

And the Sect Master of the Heartbroken Sect also looked extremely ugly!

Hu Mazi picked up the tea, took a sip, then nodded and said, “Well, yes, it’s a good tea, the top grade Biluochun, come and try it...”

Hu Mazi waved at David!

David walked over, and a senior of the Broken Heart Sect saw this, and hurriedly gave up his seat without waiting for David to make a move!

David sat next to Hu Mazi, sipping tea quietly!

And those people from the Heartbroken Sect were all sweating profusely, so scared that their hearts would stop!

“You... who are you?”

The Sect Master of the Broken Heart Sect asked cautiously.

Snapped!

The voice just fell!

I saw David waved his hand, and a burst of energy was instantly slapped on the face of the Sect Master of the Broken Heart Sect.

“Our identity, you don’t deserve to know...”

David gave the Sect Master of the Heartbroken Sect coldly!

This time, the Sect Master of the Heartbroken Sect hurriedly shut his mouth!

“I’m a little hungry, go get something to eat!”

After taking a sip of tea, Hu Mazi said to the Sect Master of Broken Heart Sect.

“Good good...”

The Sect Master of the Broken Heart Sect nodded again and again and hurriedly ran out!

And those seniors of the Broken Heart Sect also went out, David and the others did not stop him!

After running out of the hall, the people from the Broken Heart Sect breathed a sigh of relief.

“Sect Master, what should we do? These two guys are very strong, they must be masters of Marquis.”

A Broken Heart Sect senior asked.

“Stabilize these two people first, and when Lord Black Copper Robe comes out of the secret realm, he will naturally be able to deal with these two people...”

The Sect Master of Broken Heart Sect said.

Soon, the sumptuous wine and dishes were served, and David and Hu Mazi began to eat and drink!

The two of them are as comfortable as they are in their own home!

Don't care at all, many people around the hall are eyeing them both!

This kind of dimensionality reduction blow is really refreshing!

After eating and drinking, Hu Mazi picked his teeth: “It's really cool that someone is serving you...”

David didn't speak, but spread out his divine sense, exploring everything in the ancient ruins!

However, after David's consciousness entered the ancient ruins, he couldn't detect anything at all, as if he had entered a chaotic world!

Immediately followed by an extremely domineering and tyrannical breath, David's consciousness was cut off in an instant!

David was startled, his body shook involuntarily!

"What's wrong with you?"

Seeing this, Hu Mazi asked quickly.

David said with an ugly face: "In this ancient ruin, it looks really dangerous..."

Just as David finished speaking, he heard a loud noise from the depths of Xuanyue Valley!

boom...

A terrifying breath rushed towards the face, and many people in the Broken Heart Sect were blown away in an instant, and fell heavily on the cliff. The dead can't be dead!

Many houses of the Broken Heart Sect were also destroyed by this breath!

Everyone looked at the depths of Xuanyue Valley in shock, their faces extremely ugly!

"what happened?"

Hu Mazi got up quickly.

And David had already rushed out and went straight to the entrance of the ancient ruins!

Flaxseeds are close behind!

Soon, at the entrance of a cave that was as dark as hell, a black copper robe was running out desperately!

“Help, help...”

The black copper robe shouted, and behind the black copper robe, a thing that looked like a ghost with its teeth and claws kept roaring.

When the black copper robe ran out of the cave of the ancient ruins, the guy who looked like a ghost didn't want to stop at all!

## **Chapter 1640**

Roaring loudly, still rushing towards the outside!

“What is this?”

David frowned, he didn't expect that there would be such monsters in this ancient ruins?

“This is not a monster, it's just a transforming spell!”

Hu Mazi said, chanting words in his mouth, and then he took an extra spell from his hand, and then flew towards the monster!

boom!

Just after the spell approached the monster, a flame suddenly rose, the monster roared a few times, and disappeared instantly!

On the ground, there was an extra piece of yellow paper on which the monster that had just appeared was drawn!

It's just that this yellow paper is also burned into ashes in an instant!

David looked at it in disbelief, then looked at Hu Mazi and asked, "Is this... this metamorphosis talisman so powerful? If you draw yourself on this talisman, wouldn't there be one more person?"

Hu Mazi nodded: "Theoretically, yes, but I have never seen such a glyph."

"If it wasn't for the lowest form of metamorphosis, it would be impossible for me to crack it!"

David's eyes flashed brightly when he heard it. If he learned this spell and drew a few people, wouldn't he have a lot of helpers?

Hu Mazi seemed to see what David was thinking, so he smiled and said, "There are limits to this metamorphosis, even if you can draw yourself, you can't survive for three days with the metamorphosis, and your strength is only limited. There will be only half of you."

"So, don't think too much about things, but if you really learn this glyph, you can get away at a critical moment!"

After hearing this, David was a little disappointed, and then he looked at the black copper robe that was already frightened!

"You went inside, what did you see?"

David asked towards the black copper robe.

And the black copper robe's eyes were dull, and he kept nagging: "Hell, this is hell, this is hell..."

"Looks like this guy is frightened..."

Hu Mazi smiled disdainfully.

David's expression is solemn, and the ancient ruins that can scare a Marquis into a fool can imagine how dangerous it is!

At this time, the Sect Master of the Heartbroken Sect had hurried over, and when he saw a black copper robe, he immediately knelt down and worshipped!

"Master Black Copper Robe, these two people in front of me broke into my sect privately, and I ask you to take action and arrest them..."

Heartbroken sectarian said indignantly.

He still doesn't know that the black copper robe in front of him has lost his mind and has become a fool!

David and Hu Mazi looked at each other, then laughed.

The laughter of the two made the Sect Master of the Heartbroken Sect instantly stunned!

"You want a fool to catch us?"

Hu Mazi asked with a smile.

“Fool?” The Sect Master of the Broken Heart Sect was puzzled!

“Look, is he a fool...”

After Hu Mazi finished speaking, he kicked the black copper robe fiercely and kicked the person directly in front of the Sect Master of the Broken Heart Sect.

“Hell, this is hell, help...”

The black copper robe kept muttering to himself!

The Sect Master of Broken Heart Sect looked at it in disbelief, and then shouted cautiously: “Master Black Copper Robe? Master Black Copper Robe?”

But the black copper robe seemed to have not heard it, and kept talking about hell!

This time, the Sect Master of Broken Heart Sect was dumbfounded, completely dumbfounded!

“Do you think he can still arrest us now that he is like this?”

David asked with a faint smile.

pfft...

The Sect Master of the Broken Heart Sect instantly knelt to the ground.

“Forgive your life, please forgive your life...”

The other members of the Broken Heart Sect also knelt to the ground one after another!

“You are all from the Kyoto Martial Arts Alliance, how can I spare you?”

David’s face turned gloomy!

As long as he is a member of the Kyoto Martial Arts Alliance, David will not let one go!
