

A Man Like None Other Chapter 1641 – 1650

Chapter 1641

He is going to fight to the end with the Kyoto Martial Arts Alliance!

After finishing speaking, David slapped it with a palm, instantly smashing the head of the black copper robe!

Although this black copper robe is stupid, David will not let him go!

When the people from the Broken Heart Sect saw this, they all kowtowed like pounding garlic!

“Master, we are not from the Kyoto Martial Arts Alliance, we are not...”

The Sect Master of the Heartbroken Sect tried his best to explain!

“No? Since it’s not, how can you obey the orders of these men in black?”

David asked.

“It was the leader of the alliance, the leader of the martial arts alliance, who found us with the token and ordered us to relocate here.”

The Sect Master of Broken Heart Sect said.

“Then Zhu Zhishan has long since died, you don’t know yet? What other token did he hold that makes you so jealous?”

David asked in surprise.

“I have seen that token. It was the token that Xie Xiu Fan Jiang carried with him 20 years ago. This token can call on the entire Xia Xia sect, but I don’t know how it got into the hands of Zhu Zhishan. !”

“But now that Zhu Zhishan is dead, and the token is nowhere to be found, the future Evil Xiu sect gatekeeper will be scattered, and no one will be able to mobilize it!”

Hu Mazi explained to David!

After hearing this, David suddenly laughed: “It doesn’t matter if the token is gone, I can make that Fan Jiang appear!”

After David finished speaking, he opened the storage ring, and a black mist appeared instantly!

Immediately afterwards, the black mist condensed into a human shape, and it was Fan Jiang who became a soul!

Seeing this scene, Hu Mazi was a little dumbfounded. He never knew that David still had Fan Jiang’s soul on him!

Isn’t Fan Jiang already dead?

And the Sect Master of the Heartbroken Sect was extremely excited when he saw Fan Jiang!

“Mr. Chen...”

After Fan Jiang appeared, he respectfully called out David!

Now everything he has is in David’s hands, and he can only obey David!

“Look at these people, are they your disciples and grandchildren...”

David asked Fan Jiang.

Fan Jiang glanced at the people from the Broken Heart Sect, and then asked, “Which sect are you from?”

“Ancestor Hui, we are members of the Broken Heart Sect.”

The Sect Master of the Broken Heart Sect hurriedly replied.

“Broken bowel sect?”

Fan Jiang frowned, I remember that your suzerain is not this strong?

The Sect Master of the Broken Heart Sect said with an embarrassed expression: “Back to the ancestors, most of the evil cultivators were hunted down and killed, and only a part of them survived. Our current strength, in the sect of evil cultivators, is also considered a good strength.”

Fan Jiang was fine, he sighed heavily, and then said, “Listen to me. In the future, you must follow Mr. Chen’s lead and follow Mr. Chen’s orders...”

“As ordered...” The Sect Master of the Broken Heart Sect hurriedly kowtowed and agreed!

The ancestors have spoken, that is more powerful than a token!

“Mr. Chen, in the future, when you encounter a sect of evil cultivators, just let me come forward...”

Fan Jiang said to David flatteringly.

“Okay!” David nodded, then asked Fan Jiang: “You also know some ancient ruins, how much do you know about the ancient ruins of Fuzong?”

“Mr. Chen, I know the ancient ruins, but they are only a thousand years old. Like this Tianfu Zong, I am afraid it is thousands of years old. I really don’t understand this kind of thing!”

Fan Jiang replied!

“If that’s the case, then you can go back. When there is a suitable opportunity, I will find you a body...”

After David finished speaking, he opened the storage ring and put away Fan Jiang’s soul!

The Sect Master of Broken Heart Sect led the crowd to kowtow to David desperately.

“I, everyone from the Broken Heart Sect, swear to follow Mr. Chen to the death...”

The Sect Master of the Broken Heart Sect shouted loudly!

Now that their ancestors are in the hands of others, do these guys still dare to disobey?

David glanced at the Sect Master of the Broken Heart Sect and said, "You can follow me, but you must not be cultivating evil arts and sucking the essence of innocent people. If I find out, I will kill you without mercy..."

Chapter 1642

"I will follow the teachings carefully..."

The Sect Master of the Broken Heart Sect promised again and again!

David glanced at Hu Mazi: "Master Hu, shall we go in and have a look?"

Hu Mazi forgot to glance at the dark entrance and sighed: "Let's go, life and death are fate and wealth is in the sky..."

"Don't worry, as soon as the situation is not right, we will withdraw. This time it is just to explore the way!"

David smiled lightly, and then walked in first!

As soon as he stepped into the entrance, David adjusted the breath on his body to the extreme, and he did not dare to be careless here!

Then David wanted to send out his divine sense to explore the way, but found that the divine sense could not be distributed at all!

David and Hu Mazi took every step carefully, and they were full of energy!

“Master Hu, do you think there are still people alive in these ancient ruins?”

David suddenly said such a sentence!

“possible...”

Hu Mazi nodded.

David was stunned for a moment, and then looked at Hu Mazi in disbelief: “Master Hu, this is a sect from thousands of years ago, is there anyone who can live for thousands of years?”

“The magic spells are ever-changing, and they are full of secrets, just like the medicine pill. If you eat the elixir of life, you can live forever. Is there no magic spell that can make people survive for thousands of years?”

Hu Mazi smiled lightly.

“Then what do these spells look like? Are they like the ones you drew? Need a piece of yellow paper?”

David asked curiously.

“Don’t compare me all the time. My tricks are not even a fart in the eyes of a true master of spells.”

“The real spell can be anything, it can be any object, it can even draw a spell in the void, and even a human brain can plant a spell.”

“These are all spells. If you ask me what a spell looks like, how should I answer you?”

Hu Mazi looked at David and asked.

David was speechless for a while. He didn't know much about spells, and he didn't know much. He only knew the most basic things, so he asked such unprofessional words!

The two cautiously took a few steps forward, and suddenly the entire ruins began to vibrate!

“Damn it, is it going to collapse?”

Hu Mazi couldn't help but burst out a foul language!

At this moment, a heat wave suddenly hit in front of David and the others, followed by a raging fire!

With the light of the fire, David and the others saw that there were several corpses lying on the ground, obviously those from the black copper robe and the Broken Heart Sect!

“Fast back...”

David pulled the flax, and the two quickly stepped back!

But in the process of retreating, the stone walls on both sides were also engulfed in flames, and the entire entrance turned out to be a blazing fire!

David's face changed greatly, and even their retreat was on fire at this time!

The raging fire has surrounded them!

“Damn, the fire talisman can actually exert such power today. It seems that the guy who drew these spells is definitely a spell master...”

Hu Mazi said solemnly.

“what should we do?”

David asked Hu Mazi.

In such a place, David could only ask Hu Mazi if there was a better way.

“I’ll try to see if the Fire Avoidance Talisman can lead us through...”

After Hu Mazi finished speaking, he took out a writing brush from his arms, bit his fingertips, and dipped the writing brush on his own blood.

Immediately afterwards, Flax was in mid-air, but waving a brush!

Soon, a rune appeared in the air, and the rune flashed red light, finally covering David and Hu Mazi.

“Walk...”

Hu Mazi pulled David, and then rushed forward!

David looked at Hu Mazi in shock: "I didn't expect you to use the talisman paper?"

Chapter 1643

Hu Mazi rolled his eyes at David: "Damn, I say I'm trash, that's humility, don't underestimate me..."

Hu Mazi followed David, used the fire escape charm to block the heat wave of the flame, and kept running forward!

zizizi

The heat wave kept making noises in the ears of Hu Mazi and David.

boom...

Suddenly, the Fire Avoidance Talisman was destroyed, and then the flames were mixed with a terrifying power and attacked the two people!

David and Hu Mazi didn't have time to dodge at all!

It was directly blown away by this force!

"Not bad golden body..."

David's body flickered with golden light, and the faint golden light turned into scales, covering David's body!

While Hu Mazi was being lifted off, he instantly took out a spell from his arms and stuck it directly on his body!

The two were hit by the heat wave, their bodies rolled over and over again, their bodies hit the stone wall, and then they were pushed back by a heat wave.

In this way, the two people were tossed for a few minutes before the burning flame went out, and the heat wave disappeared!

David coughed and slowly became afraid. He was a great Marquis of Wu, and he was so embarrassed!

If it weren't for David's decisive decision, he would activate the Indestructible Golden Body.

Now he is afraid that there is not a single piece of clothes left on his body, and they are all burned!

"Master Hu..."

David looked not far away, laying on Hu Mazi, who was motionless, and hurried over to help Hu Mazi up.

Looking at Hu Mazi's dark face, David couldn't help laughing.

"Damn, you still laughed, we two almost died..."

Hu Mazi glared at David!

The talisman on Hu Mazi was burnt, and the clothes were torn a few holes, but fortunately it was still intact!

“Fortunately, I protected my clothes, otherwise I would have to meet you frankly now!”

Seeing that the clothes were all right, Hu Mazi was relieved!

If this is naked, it will be a shame!

“I just entered the entrance. I didn’t even see the gate of Fuzong that day, and I encountered such a powerful spell. Isn’t it even more dangerous?”

David said with a frown.

“That’s needless to say, I think we should go back...”

Hu Mazi is starting to back off!

“I have come, I have to see the gate of Tianfuzong and say it again...”

David activated the indestructible golden body and slowly walked forward!

Seeing this, Hu Mazi could only take out a few spells and stick them on his body!

“Bless the ancestors, the disciples are just here to see, no other intentions, please don’t embarrass us!”

Hu Mazi kept talking!

It may also be that what Hu Mazi said was really effective. Along the way, David and the others were not in danger!

Soon, an open space appeared in front of the two of them, and in this open space, a rubble appeared.

At a glance, you can see that there has been a war here.

Between the ruins and the broken walls, a towering gate tower seems to indicate that it was once a prosperous and glorious sect!

“Tianfuzong, here is Tianfuzong...”

Hu Mazi looked at the three characters of Tian Fuzong on the gatehouse and shouted excitedly!

A surprise flashed in David’s eyes, and he ran directly to Fuzong that day!

Seeing this, Hu Mazi was about to remind David aloud, but he was stunned when he saw David.

Immediately afterwards, a powerful and domineering energy attacked, making David unable to dodge in time, and was instantly smashed and flew out.

“I was about to remind you, why are you so reckless, there must be a mystery in Fuzong this day, if you break in, isn’t it courting death!”

Hu Mazi hurriedly helped David up and said.

David wiped the blood from the corner of his mouth, frowned slightly and said, "What a terrifying energy..."

That energy just now, the strength displayed, I am afraid it is not worse than the peak of Dawuhou!

Chapter 1644

"If we leave first, we have nothing to prepare for today, so rushing in like this, I'm afraid it won't work."

Hu Mazi persuaded David.

"I'm trying it once, and if it doesn't work, we'll quit..."

David was a little unwilling, and slowly approached the gate of Tianfuzong again!

This time, David walked very carefully, and he exerted his spiritual power to the extreme with every step!

hum

Just when David stepped into the gate of Tianfuzong, suddenly the void trembled!

Seeing this, David hurried back in fright.

At this moment, in midair, with the shaking of the void, a white-haired old man appeared.

Just like a projection, it is mapped in mid-air!

"Who are you waiting for, hurry back..."

The old man had a serious face and roared in a cold voice.

David was startled, and looked at the old man in mid-air at a loss!

And that Hu Mazi fell to his knees with a thud: "Disciple, bow down to the ancestor..."

“Who are you waiting for, hurry back...”

The old man roared coldly again!

“Senior, we just admire the magic spells of Tianfuzong, and we came here to ask for advice.”

David clasped his fists towards the old man and said.

“You ba5tard, Fuzong can come and go at will on this day. If you don’t retreat quickly, don’t blame the old man for being rude...”

After that, the old man in mid-air disappeared!

Immediately after that day, a terrifying energy shot out from the Fuzong that day!

This time, David had already made preparations, and after that Qi Jin shot out, David also punched it!

The golden fist shone with light, directly meeting the energy!

boom!

The huge collision caused the space to vibrate and the roar continued!

On the other hand, David felt a tightness in his chest, and his body kept retreating backwards!

“David, let’s go, we must not be reckless...”

Hu Mazi got up, grabbed David, and hurriedly fled towards the ruins!

“I didn’t expect that there are still living people in the ancient ruins of thousands of years...”

David’s face was full of surprise, but he didn’t expect to meet an old man.

“It’s not a living person, it’s just using a spell to save images for thousands of years...”

“I didn’t expect that thousands of years ago, it was expected that someone would come to snatch the treasure of this day’s Fuzong.”

Hu Mazi said with panic in his eyes.

When David looked at Hu Mazi, he could guess how scared Hu Mazi was in his heart just now!

“It seems that this day Fuzong, we have to plan well, no wonder the ruins of the Tianfuzong will be behind the book...”

David let out a long sigh!

He has an indestructible golden body to protect his body, and in addition to his perverted physique, even if it is, he can’t bear the energy that is shot at will in the Tianfuzong.

What will happen next, no one dares to predict, no one can predict!

After coming out of the ancient ruins, the Sect Master of the Broken Heart Sect was still waiting outside with his people!

Seeing David and Hu Mazi come out alive, surprise and admiration flashed in his eyes!

“Mr. Chen, let’s go back to the sect and have a rest...”

The Sect Master of Broken Heart Sect saw that David and Hu Mazi were all dark and solemn, so he said.

David nodded, and before leaving, he did not forget to look back at the entrance to the ruins!

Now he has stepped into the Marquis of Great Wu, but he doesn’t want to be tyrannized by unknown men in black, and suppressed by Han Qinger’s servants, which has already hit David very much!

But now there is no way to explore and search for even an ancient ruin. It seems that he still has a long way to grow!

In today’s martial arts world, the Great Marquis is almost the strongest, and Martial Saint is almost unheard of. It can be seen that the martial arts world is not inferior to the Xiuxian world.

If it weren’t for the depletion of the spiritual energy of heaven and earth, which gave the martial arts world room to survive, in this society, where would the martial arts world still exist!

Chapter 1645

David asked the Sect Master of Broken Heart Sect to guard the entrance of the ruins, while he and Hu Mazi returned to Baihai City!

The Shen family is still busy planning the wedding of Shen Mengchen and Bai Zhantang!

Because David agreed to stay for the wedding, he could only stay at the Shen family for a few more days, and also to see if Shen Mengchen's cousin Teng Chenglin had any intentions!

Soon, the wedding of Shen Mengchen and Bai Zhantang was held as scheduled, and elites from all walks of life in Baihai City came to participate, and there were hundreds of people!

Teng Chenglin was busy and did his best, which made Shen Mengchen feel more at ease about his cousin!

Among these guests, the table in the corner looked a little weird. These people were expressionless, as if they were not interested in the wedding held!

"David, did you see the people at that table? It turned out that all of them were from the Great Martial Sect. I guess they didn't come to Hexi!"

Hu Mazi said to David.

David had already discovered the people at that table. Just now, David's consciousness spread, and everyone present couldn't escape David's eyes!

"Wait and see, it should jump out after a while, and it will jump out eventually."

David smiled faintly!

Soon, the wedding ceremony of Shen Mengchen and Bai Zhantang was over, and Teng Chenglin, the elder, stepped onto the stage and said to everyone with a microphone, "Thank you for coming to my niece's wedding during your busy schedule..."

“Now Mengchen is married as a wife, and she is still pregnant. The next day is to take care of the baby and live some ordinary and happy days.”

“So today I’ll take this opportunity to announce that the future Shen family will be fully managed by me, and my niece Shen Mengchen will live in Kyoto and will never come back!”

“I hope that after I accept the Shen family, everyone will continue to cooperate with the Shen family!”

After Teng Chenglin finished speaking, all the guests below were full of surprise and started talking about it!

On the other hand, Shen Mengchen looked angry and asked Teng Chenglin, “Cousin, who said I would go to Kyoto and never come back? Who would allow you to take over our Shen family?”

“Mengchen, you don’t have to be angry. Cousin is for your own good. You are a girl. It’s good to have a husband and a child at home. You can all see how I have managed the Shen family over the past year, right?”

“So it’s most appropriate to leave the Shen family to me, otherwise the Shen family will be defeated in your hands sooner or later.”

When Shen Mengchen heard this, she was so angry in her heart, she said loudly: “The Shen family was defeated by me, and that’s also our Shen family’s business. What does it have to do with you? I asked you to take care of the Shen family, just for you. Do you really think of yourself as a master?”

“You are just hired by my Shen family. I can drive you away now and let you follow the Shen family. It has nothing to do with it!”

“Mengchen, don’t be angry, be careful with fetal gas!” Bai Zhantang comforted Shen Mengchen, and then looked at Teng Chenglin with a cold face: “What kind of thing are you, you still want to take over the Shen family?”

“What am I, I don’t know, but what are they, you should know!”

After Teng Chenglin finished speaking, the table in the corner jumped up and landed on the stage!

Everyone exudes the breath of the Great Martial Sect, causing the temperature of the entire banquet hall to plummet, and everyone shudders!

Bai Zhantang looked at these Great Martial Sects without the slightest fear.

Although his own strength is not enough to deal with these people, but with David as the backing, Bai Zhantang is not afraid at all!

“Do you just want to rely on this person to snatch the Shen family’s property?”

Bai Zhantang asked and Teng Chenglin.

“Just this few people, let alone the Shen family, even if it is the entire Baihai City, who can be the enemy?”

“Today, I will not only be in charge of the Shen family’s property, but also all the noble families in Baihai City, I will have a share of the pie!”

Teng Chenglin glanced at the many guests below and said.

Chapter 1646

As soon as he heard that Teng Chenglin was going to intervene in other families' businesses, some people were immediately unhappy!

"What kind of thing are you? Do you want to intervene in other families' businesses?"

A tall and thin middle-aged man insulted and accused Teng Chenglin!

But as soon as the voice fell, he saw Teng Chenglin jumped up and arrived in front of the tall and thin middle-aged man.

puff!

Without the slightest hesitation, Teng Chenglin actually penetrated the man's chest in an instant, digging out the bloody heart forcibly!

Seeing this bloody scene, everyone was so frightened that they didn't dare to breathe.

Seeing everyone's performance, Teng Chenglin's face was a bit hideous and arrogant.

"Who dares to say more, this is the end..."

Teng Chenglin held up the bright red heart and shouted loudly!

At this moment, Shen Mengchen's face became very ugly, while Bai Zhantang was tightly protecting Shen Mengchen and looked at Teng Chenglin coldly!

"Teng Chenglin, let me tell you, you don't want to take over the Shen family, and don't think that you are invincible. If you are in the capital, you are not a fart!"

Bai Zhantang cursed at Teng Chenglin.

“Haha, you’re right, my ability is really nothing in Kyoto, but this is not the capital, who can stop me here?”

Teng Chenglin laughed arrogantly.

“I can...”

At this moment, David stood up and walked slowly onto the stage!

“Mr. Chen...”

Seeing David stand up, Bai Zhantang hurriedly stepped forward and shouted!

With David around, these people in front of them are just jumping clowns.

“You?” Teng Chenglin glanced at David: “Boy, are you trying to stop me? I tell you, if you don’t want to die, get away.”

“What if I want to die?”

David looked at Teng Chenglin and said with a smile!

“If you want to die, then I will fulfill you...”

Saying that, Teng Chenglin’s breath surged, and then he slapped David with his palm.

David stood still, with his hands behind his back, his eyes were full of disdain!

This time, Teng Chenglin was even more furious!

Bang!

Teng Chenglin slapped David's chest fiercely!

It's a pity that David didn't move, and even the expression on his face didn't change, but the wrist that escaped was directly broken!

"This..."

Teng Chenglin's face was full of shock, and the others looked at David in disbelief!

Looking at Teng Chenglin's shocked expression, David raised the corner of his mouth slightly: "I want to die, do you want to come again?"

Teng Chenglin's face was extremely ugly, and he gritted his teeth!

"I want to die too, so give it to me too!"

At this moment, Hu Mazi jumped up and also landed on the stage, then looked at David and said, "Okay, you pretended to be forced once, let me this time, this kind of pretending scene is not good. See you more..."

Pretending to be aggressive in front of hundreds of people is cool!

David looked at Hu Mazi, not knowing whether to laugh or cry, but he moved aside and let Hu Mazi stand facing Teng Chenglin!

“Boy, grandpa, I want to die, but I can’t die. Just give it to grandpa, I promise not to fight back...”

Hu Mazi put his hands behind his back and said to Teng Chenglin.

Teng Chenglin’s angry face turned purple. In front of hundreds of people, he had just boasted about Haikou, and now he was slapped in the face in public!

And more than once, there are still people provoking him now!

Hundreds of guests under the stage watched this scene, and the expressions on their faces were very rich!

They did not expect that such a thing would happen!

“Don’t deceive people too much...”

Teng Chenglin gritted his teeth, the breath on his body swelled again!

I saw light lingering on Teng Chenglin’s hand, and all the energy was condensed in the palm of his hand!

Seeing this, Hu Mazi couldn’t help frowning: “Damn, why didn’t you beat him just now? Are you fcuking targeting me?”

Chapter 1647

Hu Mazi is only the pinnacle of the Golden Core Realm, which is the pinnacle of the Great Martial Sect. If he didn't use the spell, he would be able to resist Teng Chenglin's palm, but it would certainly not be easy.

That's why Hu Mazi yelled at Teng Chenglin very dissatisfied, and then pulled David over and said, "It's better for you to come, this grandson doesn't talk about martial arts..."

Teng Chenglin is also angry, this is a fight, and it's a matter of life and death with one palm, it's not a family game!

David smiled, and then stood in front of Teng Chenglin casually!

At this moment, Teng Chenglin is already on the verge of an arrow, and he has to send it!

"Kid, die..."

Teng Chenglin slapped it with a palm, and the lingering light on the palm smashed into David's chest!

David didn't move, but Teng Chenglin was blown away by the huge anti-shock force!

Teng Chenglin's body slammed heavily on a table, smashing the table to pieces, scaring many guests to dodge in a hurry!

A mouthful of blood spurted out from Teng Chenglin's mouth, and the breath on his body dissipated instantly.

Seeing this scene, the surrounding guests unexpectedly applauded unconsciously!

Seeing that everyone looked at David in shock and applauded for David, Hu Mazi said a little disappointedly: "Damn, you pretended to be a kid again..."

It can be seen that this Hu Mazi wants to pretend to be a force in front of these people!

Teng Chenglin's teeth hurt at the moment, he stood up vigorously, gritted his teeth and said, "Boy, you are dead this time, I tell you, I am a member of the Broken Heart Sect, and our Sect Master will definitely kill you."

When David heard the Broken Heart Sect, he immediately laughed: "Are you really a Broken Heart Sect?"

"Yes, are you afraid?"

Teng Chenglin raised the corner of his mouth.

He thought that there would be no one in Baihai City who would not be afraid of the Broken Heart Sect.

“I’m afraid of your mother!” David sneered, then looked at Hu Mazi and said, “Master Hu, the last one forced you to pretend...”

Hearing that, Hu Mazi immediately became happy and walked directly in front of Teng Chenglin!

“You...what do you want to do?”

Teng Chenglin looked at Hu Mazi in panic and asked.

Hu Mazi stretched out his hand and gave that Teng Chenglin a slap: “Now contact your Sect Master and let him come and kill me...”

Teng Chenglin was stunned for a moment, he was a little confused, who was this old man and the young man in front of him?

Why don’t you seem to be afraid of their Heartbroken Sect at all?

Just when Teng Chenglin hesitated, Hu Mazi slapped him out again!

“fcuk you to contact your suzerain, can’t you hear?”

Hu Mazi reprimanded Teng Chenglin like he was teaching a child.

Teng Chenglin's heart was hit at this moment, and he was about to collapse!

He hurriedly contacted the Sect Master of the Broken Heart Sect, and the Sect Master of the Broken Heart Sect hurriedly brought people here!

“Wait, our Sect Master will bring someone soon...”

Teng Chenglin said fiercely.

Seeing this, many guests were so frightened that they wanted to leave. If the Sect Master of the Heartbroken Sect really brought people here, they should not be implicated again!

Seeing that many guests were leaving, Hu Mazi was anxious!

If everyone left, who would he pretend to force?

“Everyone, everyone, don't leave, just sit and watch, you'll be fine.”

Hu Mazi said loudly to the crowd.

But where no one believes in him, there are still guests who want to leave!

Seeing this, Hu Mazi directly took out two spells and threw them at the door.

This time, everyone found that although the door was open, they couldn't get out!

"I told you not to let you go, but you just don't listen, you have to force me to take action!"

"Go and sit down, I promise you'll be fine!"

Hu Mazi said confidently.

When everyone saw this, they could only sit back and wait for the arrival of the Sect Master of the Heartbroken Sect!

Chapter 1648

Soon, the Sect Master of the Broken Heart Sect brought people, and as soon as he entered the door, he shouted loudly: "Teng Chenglin, who dares to look down on our Broken Heart Sect?"

Teng Chenglin hurried over: "Sect Master, it's them, they asked me to call you..."

The Sect Master of the Broken Heart Sect looked in the direction of Teng Chenglin's fingers. When he saw David and Hu Mazi, his whole face turned green.

"I look down on you Broken Heart Sect, what's wrong?"

This is Hu Mazi walking towards the Sect Master of the Broken Heart Sect.

"Grandson, this is our sect master, you dare to be so crazy, you just wait..." Teng Chenglin roared when he saw that Hu Mazi was still crazy.

But before he could finish speaking, he was slapped in the face by the Sect Master of the Heartbroken Sect!

"Damn, you ba5tard, even dare to disrespect Master Hu?"

After the Sect Master of Broken Heart Sect finished speaking, he immediately said with a smile: "Master Hu, I didn't know you were here, it's my subordinates being rude."

Teng Chenglin, who was slapped, was dumbfounded when he saw that his suzerain was polite to Hu Mazi!

And those guests also looked at Hu Mazi in surprise, with envy and admiration in their eyes!

Feeling the eyes of everyone, Hu Mazi felt so happy!

“It’s not that your subordinates are rude, it’s that he wants to take over the Shen family!”

“I don’t care if it’s your idea or not, I’ll tell you that the Shen family has a relationship with me.”

“If something happens to the Shen family in the future, I’ll be the first to cut you off...”

At this time, David came over and said.

“Mr. Chen, the villain really doesn’t know, don’t worry, as long as my Broken Heart Sect is still here in the future, the Shen family will definitely be fine!”

The Sect Master of the Broken Heart Sect hastily guaranteed it!

“Get out of here with your people!”

David waved his hand!

The Sect Master of the Broken Heart Sect hurriedly took people away!

The wedding scene was cleaned up again, and the wedding banquet continued!

This time, David and Hu Mazi became more important figures than the bride and groom!

People keep coming over to toast sets almost!

David took the opportunity to leave, while Hu Mazi would not refuse!

At the end of the drink, I was dizzy and drunk!

The next morning, when Hu Mazi woke up, he found that David had left and returned to Kyoto.

He left a letter to Hu Mazi and asked Hu Mazi to stay in Baihai City, so that he could study the ancient ruins of Fuzong under Heaven!

When there is a chance, David will come to explore again.

“This guy, do you think I’m working for him?”

Hu Mazi crumpled the letter and threw it away, and lay back down again!

...

Kyoto, the dragon family!

In just a few days, the scene of the Long family became even more lively!

Not only the Long Family, Zhao Liguó's Shadowless Villa, and the Valley of the Four Evils, all moved back to Kyoto!

In the past, in order to avoid the Martial Arts Alliance, Zhao Liguó and the four evil men had to unite and go to Yaoshen Valley together!

And now, the Martial Arts Alliance is setting in the west, and there are countless aristocratic families who follow David!

So they moved back!

The Long Family, Shadowless Mountain Villa, and the Valley of the Evil Man, the three families in Kyoto have become a thorn in the sidelines, echoing each other.

Coupled with the Dong family's die-hard loyalty to David, and the identity of the owner of Yaoshen Valley, David's influence in Kyoto is already the biggest!

As the saying goes, one person attains the Tao and ascends to heaven, not only in Kyoto, but even Lin Tianhu and Chifeng in Horendel have become the largest sect in the area!

The current David can be said to be unparalleled in beauty, and in the eyes of others, he is the object of worship!

David did not expect that so many things had happened in the past few days after he left!

Just when the major families followed David, Ning Zhi's face was gloomy all day in the Kyoto Martial Arts Alliance!

The Martial Dao Alliance just got into his hands, and this kind of thing happened!

The current Martial Arts Alliance has long lost its former glory!

Chapter 1649

“David, I must kill him, I must...”

Ning Zhi roared, he already hated David at this moment, and wished to kill David immediately!

“If you want to kill him, it’s not impossible, but you have to go through a careful plan...”

In Ning Zhi’s mind, an old voice said.

“Senior, how can I kill him?”

Ning Zhi hurriedly asked.

“You have the sacred weapon in your hand now, you are gathering some black copper robes, trying to find a way to lead that David to the Martial Arts Alliance, and then kill him...”

said the soul.

“Then David probably won’t come to the Martial Arts Alliance easily, right? Now that we have torn our faces, will he still come?”

Ning Zhi asked.

“Of course, you forgot that he has the handle in our hands!”

The soul smiled faintly.

Ning Zhi instantly remembered Sonya who was locked up in the dungeon, and said with a smile: “Yes, I can use his girlfriend to lead that David to the Martial Arts Alliance!”

“As long as that David dares to come, I must not let him escape this time. If he doesn’t die, the Martial Arts Alliance will never have peace...”

The soul said: "It's not terrible that the martial arts alliance will never have a peaceful day. The terrible thing is that if David grows up, you will lose your value, and the power will not value you..."

"Yes, I can't lose the respect of the almighty, this time I must kill David..."

Ning Zhi's eyes flashed with firm determination, and then he used his identity to start calling the black copper robe!

And David didn't know Ning Zhi's plan for him, and he was still staying in Kyoto!

He was waiting for Ge Fuhai to come back and inquire about the news of Zixiao Mansion!

On this day, Ge Jiayi's phone call came.

David saw that it was Ge Jiayi's call, and the whole person became a little excited!

Ge Jiayi is looking for herself, which shows that Ge Fuhai should be back!

Sure enough, Ge Jiayi informed David to go to Ge's house and said that her father had returned!

David hurried to Ge's house!

Ge Fuhai was waiting for David in the living room. Seeing David coming, he got up quickly and said, "Mr. Chen, please sit down..."

“Patriarch Ge, you are too polite, just call me David...”

David said quickly.

After all, there is something to ask for, and David doesn't dare to ask for it!

“Hahaha, during the time I was gone, so many things happened in Kyoto, you can bear this sentence, Mr. Chen...”

Ge Fuhai laughed haha: “I heard Jiayi say, you have found me, is there something wrong?”

“Patriarch Ge, I want to inquire with you about the Zixiao Mansion. Where is the Zixiao Mansion, do you know?”

David asked Ge Fuhai.

“What are you doing in Zixiao Mansion? Even if you tell you the location, you won't be able to enter Zixiao Mansion!”

Ge Fuhai said.

“Why?” David was puzzled!

“Sects like Zixiao Mansion all live in secret realms, and you can't find them in this mundane world at all.”

“Just like our Ge family, the real power of our Ge family is also in the secret realm.”

“Now many immortal clans are also hidden in secret realms, and they almost never come to the mundane world!”

“I remember telling you all these things. Immortal cultivators who stay in the mundane world will not have too high achievements after all!”

Ge Fuhai followed David to explain!

“Patriarch Ge, then you live in the secret realm with Zixiao Mansion, can you lead me to Zixiao Mansion?”

David asked.

Ge Fuhai smiled: “Although we live in the same secret realm, we are not in the same secret realm!”

“The battle between the fairy and the devil, when the world collapses!”

“Eight secret realms were opened up by the Eight Vajra Buddhas, and some immortal cultivators who were retained entered these eight secret realms.”

“I explained it like this, you should understand it?”

Ge Fuhai looked at David and asked.

Chapter 1650

David nodded: “Patriarch Ge, can’t we communicate with each other between these eight secret realms?”

“That’s not true. There are teleportation arrays between the eight secret realms, which can be teleported to the secret realm you want!”

“But after one transmission, you need to wait three days before you can continue to transmit the same person, so few people use it!”

Ge Fuhai replied.

“Why?” David was a little puzzled. Since there was a teleportation formation, why didn’t he go to another secret realm.

“May I ask Mr. Chen, will you suddenly be teleported to a very unfamiliar place? And you have to stay there for three days, let alone three days, I am afraid that in three hours, all the treasures and resources in your body will be taken away. of.”

Ge Fuhai smiled: “The immortal cultivators in the secret realm are just like ordinary people, and the characters that ordinary people have are the same as immortal cultivators.”

This time, David understood, it seemed that in the secret realm, the major families were also intriguing and hostile to each other.

David suddenly remembered Han Qinger he met some time ago, as well as those powerful men in black, as well as domestic servants.

“Patriarch Ge, can people in the secret realm enter the mundane realm?”

David asked.

“Of course, didn’t I just come back from the secret realm?”

“However, people in the secret realm will rarely come to the mundane world, because once the people in the secret realm come to the mundane realm and stay for a certain period of time, it will cause the danger of stagnation or even regression!”

“So people in the secret realm rarely come to the mundane world except for urgent matters, and some things in the mundane world can’t get into their eyes at all!”

“As the spokesperson of the Ge family in the secular world, I have stayed in the secular world for a long time, so my strength has not improved!”

Ge Fuhai smiled helplessly, and it could be seen that he was eager for strength, but it was a pity that he was chosen to be a spokesperson in the secular world, and he could only obey!

David thought about it for a while, and indeed the cultivators he met in the mundane world were not very powerful, but he was an exception!

It’s just that David still doesn’t know if there will be a bottleneck in the later strength improvement!

If there is really no way to improve in the secular world, David wants to practice in the secret realm!

“Patriarch Ge, I have an unkind request. I wonder if Patriarch Ge can agree?”

David asked slightly embarrassedly.

“Mr. Chen, but it doesn’t matter...”

Ge Fuhai laughed.

“Can the Ge family take me to a secret realm to see your immortal clan?”

David asked cautiously, he was very afraid of Ge Fuhai’s rejection!

After all, these all involve family secrets!

“Of course you can, to be honest, when I came back this time, our Ge family elders specially told me to take you to the Ge family land!”

Ge Fuhai said without concealment.

David was stunned for a moment: “Patriarch Ge, this... what’s going on? Do you guys from the Ge family still know me?”

“Of course, I have reported all your deeds in the secular world to the clan elder, so the clan elder is very interested in you!”

Ge Fuhai said.

David did not expect that Ge Fuhai would actually talk about himself with the Ge family, but thinking about it is right, Ge Fuhai, as the spokesperson of the Ge family in the secular world, of course Ge Fuhai will report what happens in the secular world!

“Patriarch Ge, when do we leave?”

David couldn’t wait in his heart!

“Don’t worry, Mr. Chen, you stay at my Ge’s house for one night, and we’ll leave tomorrow!”

Ge Fuhai said to David.

Seeing this, David could only nod his head and promised to stay at Ge’s house for one night.

Ge Fuhai smiled and then winked at Ge Jiayi, who was blushing!

I don’t know what the father and daughter are doing.
