

## A Man Like None Other Chapter 1651 – 1660

### Chapter 1651

Ge Fuhai ordered someone to prepare a room for David!

When David entered the room, he found that the room was very clean, with a faint fragrance, and all kinds of decorations were readily available. At first glance, it was a woman's boudoir!

David was a little stunned, wondering why Ge Fuhai arranged himself in such a room?

However, David didn't think about it, he just lay on the bed, looking forward to entering the secret realm tomorrow!

After chatting with Ge Fuhai today, David realized that the world is so big that there is not only a Kyoto martial arts alliance.

Unconsciously, David fell into a deep sleep.

But I don't know how long it took, David felt that someone was groping for something in him!

David was suddenly shocked, and he shot it out with an instinctive palm!

David's forehead was covered in cold sweat, and he was shocked. He had never slept so carelessly before, and he didn't realize it until he was in front of him!

"what..."

A woman exclaimed, causing David to stop the palm he was about to wave again!

He hurriedly turned on the light, and David was surprised to find that Ge Jiayi was standing in front of him.

The person who was groping on himself just now was Ge Jiayi!

At this time, Ge Jiayi was only wearing thin pajamas, and under the reflection of the light, she was very transparent!

"Miss Ge, are you alright?"

David didn't dare to look directly at Ge Jiayi, he turned his head aside and asked.

"You are too ruthless, you don't know Lianxiangxiyu at all!"

Ge Jiayi pouted and seemed a little angry.

"I'm sorry, I didn't know it was you, and at night, what did you sneak into my room for?"

David asked.

“This is my room, why can’t I come?”

Ge Jiayi asked back.

When David heard this, he panicked and quickly apologized: “Miss Ge, I’m sorry, maybe I went to the wrong room.”

David was very embarrassed at this time, and thought it was his own fault that he went to the wrong room!

Just when David was about to go out, he was stopped by Ge Jiayi: “You are right, I let you live in my room.”

David was taken aback and looked at Ge Jiayi in disbelief.

At this time, Ge Jiayi was obviously dressed in a simple way, and there was a hint of ruddy on her fair face!

“I like you, so I want you to live in my room, I want to be your woman...”

Ge Jiayi said to David bluntly.

David was startled, and quickly stepped back two steps: “Miss Ge, I’m really sorry, I... I already have a girlfriend.”

“I know, I don’t care, I don’t want a name, as long as I can be with you!”

Ge Jiayi said indifferently.

“Miss Ge, I’m really sorry, I really can’t...”

David said, some embarrassed ones are about to go out.

But who knows, Ge Jiayi hugged David from behind, and asked with some resentment: “Is it because I am not beautiful? Is it because of my strength? Is it because of the status of our Ge family? Why? why?”

David felt the warmth on Ge Jiayi’s body, recited the Qingxin mantra in his heart, and said slowly, “Miss Ge, you are very beautiful, and among women, you are also the most powerful.”

“Your Ge family also has status in the capital, but... it’s just that my girlfriend is still being held by the Martial Arts Alliance. Now I just want to rescue her...”

David gently opened Ge Jiayi’s hands, trying to break free from Ge Jiayi’s embrace!

“I really don’t need anything, really, just use me as a tool for you to vent. Why can your girlfriend get you, but I can’t?”

“I like you, I really like you, I like you so much that you are your shadow every night...”

“Do you think I’m cheap now? But I don’t care.”

“You know how many people in Kyoto are chasing me, but I can’t even look at them. I am a girl, and I am so proactive, why can’t you pity me?”

Ge Jiayi cried, and the tears couldn’t stop flowing.

## **Chapter 1652**

When David saw Ge Jiayi panicked, he was also a little confused. In fact, David’s emotional intelligence is really low. He can’t coax girls, and he can’t say sweet words!

David himself doesn’t know why, these girls are all actively pursuing him, which makes him a little overwhelmed!

“You, don’t cry, it’s not what you think at all, really...”

David watched Ge Jiayi cry, and felt a little helpless. He wanted to wipe Ge Jiayi’s tears, but he didn’t dare!

“Why not, don’t think I don’t know, what’s your relationship with that Gu Ling’er? I’ve already inquired about it.”

“Why is your girlfriend locked up in the Martial Arts Alliance, but you can sleep with Gu Ling’er?”

“She’s still your girlfriend’s best friend...”

Ge Jiayi questioned David. It seemed that she had already inquired about the relationship between David and his surroundings!

“No, I didn’t sleep with Ling’er, who are you listening to?”

“Don’t talk about Linger, I haven’t slept with Sonya, I’m still a big boy!”

David explained anxiously.

When Ge Jiayi heard it, she was stunned, and her tears stopped flowing!

Looking at David in disbelief, she couldn't believe that David was actually a big boy!

"Is what you said true?"

Ge Jiayi asked incredulously.

"I swear to God, I really haven't done anything to them, I just want to get married and do what I need to do..."

David said with a serious face.

Seeing David's serious look, Ge Jiayi suddenly burst out laughing!

"I didn't expect that such a powerful person, you are still a big boy!"

"Since this is the case, then I am relieved. In this way, at least we are all at the same starting line, then I am not afraid!"

"I'm confident that you will fall in love with me!"

Ge Jiayi's face was full of confidence.

Since David hadn't touched anyone, Ge Jiayi was relieved.

Seeing Ge Jiayi burst into laughter, David looked helpless, he was really frightened by Ge Jiayi just now!

Fortunately, there is a heart-clearing mantra, otherwise he is a normal man, who can withstand it!

“It’s getting late, take a rest, I’m going out...”

David moved to get out of here quickly!

“Don’t go, just sleep here...”

Ge Jiayi said to David.

“No no no, I’m afraid...”

Before David finished speaking, Ge Jiayi interrupted him: “You sleep here, I’ll go, I have another room!”

With that said, Ge Jiayi turned and left the room, and when she walked to the door, she suddenly turned around and smiled at David: “Good night...”

After Ge Jiayi walked out of the door, David hurriedly went to close the door!

David, who was sitting on the bed, gasped heavily, wiped the cold sweat from his forehead, and David couldn’t help but let out a wry smile!

His dignified Marquis of Great Wu was actually frightened into this by a woman!

“Hey, in today’s society, women are too active...”

David sighed and started to practice cross-legged. He would definitely not be able to fall asleep!

The next morning, David got up early!

Breathing in the fresh air, David couldn’t help but sigh that the garden of the Ge family was built very well!

“Mr. Chen, did you sleep well last night?”

At this time, Ge Fuhai came over and asked David with a playful face.

“Patriarch Ge, it’s very good, very good...”

David was a little embarrassed, and nodded quickly.

Seeing David like that, Ge Fuhai’s smile grew even stronger, he stepped forward and patted David’s shoulder, with a gesture of elders talking to juniors: “Just sleep well, I will take you there in a while. Our Ge family land, we must know that our Ge family land is forbidden for outsiders to enter.”

### **Chapter 1653**

Ge Fuhai’s sentence made David seem to understand something.

No wonder Ge Jiayi went to her room in the middle of the night last night. It turned out that it had been arranged a long time ago.

If David wants to go to the Ge family land, he must be a member of the Ge family.

If he was with Ge Jiayi, he would become a member of the Ge family, and it would be reasonable to take him to the Ge family land!

It's just that Ge Fuhai didn't know that David did nothing with Ge Jiayi last night!

Ge Jiayi didn't blackmail David because of the clan, it seemed that she was thinking of making David fall in love with her through her own efforts!

"Patriarch Ge, let's go now, I can't wait..."

David urged Ge Fuhai.

He was really afraid that in the future, Ge Fuhai knew that he did nothing with Ge Jiayi, and suddenly regretted it and didn't take him with him.

"Okay, since you're in a hurry, let's go!"

After Ge Fuhai finished speaking, he waved his palm lightly, and suddenly a light enveloped the two of them!

David knew that this was a space technique, and Ge Fuhai had already reached the point of perfection for space techniques!

The light flashed, and David closed his eyes tightly. When he opened his eyes, he found that he had already arrived in the wilderness!

"This...is this a secret realm? It's no different from the secular world!"

David looked around curiously and said in surprise.

Looking at David like that, Ge Fuhai laughed: "We haven't entered the secret realm yet, and space magic can only be performed in the same space."

“The secret realm and the mundane world are not in the same space. How can space magic bring people directly into the secret realm!”

When David heard this, he was immediately embarrassed!

David followed Ge Fuhai for another distance and came to the foot of a mountain!

I saw Ge Fuhai took out something with a gossip graphic, and then said something in his mouth!

Soon, light flashed in the void, and then a door slowly opened!

This seems to be the gate of heaven. David can't see what's inside at all!

“This is Huomen. The eight secret realms at that time were all created on the basis of gossip. Our Ge family's secret realm is leaving, and Li means fire. We call it Huomen!”

“The others are Tianmen, Dimen, Thunder Gate, Wind Gate, Water Gate, Mountain Gate, Zemen!”

“The secret realm where Zixiao Mansion is located is in the shock position, that is, Leimen!”

Ge Fuhai followed David to explain, and David finally understood!

“Patriarch Ge, how many sects are there in each secret realm? Is there a limit to the number?”

David wanted to know how big this secret realm was and how many hidden families there were.

But Ge Fuhai shook his head: “Then I don’t know how many sect families survived back then. I haven’t counted them, and they’re no longer within my knowledge...”

David followed Ge Fuhai into the gate of light. After the two entered, the gate of light disappeared instantly!

What caught David’s eyes was another scene. He saw the deserted desert, and the Gobi Desert was everywhere. At first glance, he could see nothing!

This time, David was a little dumbfounded, and looked at Ge Fuhai with a puzzled face!

“Patriarch Ge, is this...is this a secret realm?”

In David’s cognition, in the secret realm, there should be green trees, groups of animals, and a very good environment.

How could it be so desolate?

Looking at David like that, Ge Fuhai smiled: “What? Is it different from the secret realm you imagined?”

“It’s different!” David shook his head.

“Hahaha, the secret realm is not as you imagined, in each secret realm, there is the environment of each secret realm!”

“The Leimen where the Zixiao Mansion is located is covered with snow, and the snow is constantly accumulating all year round...”

Ge Fuhai laughed.

### **Chapter 1654**

David looked embarrassed, because he was still a cultivator himself, but he knew nothing about the world of cultivators!

That’s why there are so many jokes!

“You will understand slowly. From now on, we are all a family. I will often take you around the secret realm.”

Ge Fuhai looked at David, smiled meaningfully, and then waved his hands, a beam of light enveloped the two of them.

The two people appeared in a bustling town in an instant. I saw that there were hawkers doing business everywhere in this town, and they were no different from the secular world!

“Let’s go...”

Ge Fuhai took David through a street, and then stopped in a courtyard!

David looked at the courtyard and asked incredulously, “Patriarch Ge, isn’t the Ge family land you’re talking about right here?”

Ge Fuhai nodded: “Yes, here it is!”

David didn't know what to say for a while, because the implementation of this hospital was not good, and it didn't look like the clan of a big family!

Even following Ge Fuhai's courtyard in Kyoto is incomparable.

Ge Fuhai saw David's thoughts, but he didn't say anything, but smiled faintly, and then walked in with David!

But as soon as David entered the gate, a huge spiritual energy rushed to his face, and then a majestic manor appeared in front of him!

At the entrance of the manor, two guards are standing upright, exuding the aura of Marquis. Are both guards Marquis?

David's jaw almost dropped!

David looked at Ge Fuhai in disbelief, knowing that Ge Fuhai is now in the realm of Marquis, so it seems that he will follow the guard at the door!

"This is the clan of our Ge family..."

Ge Fuhai smiled!

"Patriarch Ge, you...what's your status in your Ge family land?"

David asked curiously.

Ge Fuhai smiled lightly: "I'm just an errand in our Ge family's land. The real Ge family's direct line, who would go to the mundane world..."

When Ge Fuhai said this, he was a little helpless. After all, the main goal of immortal cultivators is to improve their strength.

Going to the secular world is tantamount to limiting the improvement of one's own strength.

"Do other secret realm families also have spokespersons in the secular world? I really want to have never met!"

David was a little puzzled. For so long, he only met Ge Fuhai, the spokesperson of the Ge family in the secular world!

"There should be. This kind of thing is confidential, and I don't know!"

"Go in quickly, it is estimated that the clan elders are in a hurry."

Ge Fuhai took David to the depths of the clan.

When passing the guard, Ge Fuhai showed his waist card, and was released.

It seems that Ge Fuhai's position in the Ge family's land is indeed not very high!

Going through several courtyards, Ge Fuhai brought David to a stop at a three-story courtyard.

“Disciple Ge Fuhai, please see the clan elder...”

Ge Fuhai was at the door and shouted loudly!

At this time, a middle-aged man walked out from the inside, with a beard on his face and a fierce look on his face.

He glanced at Ge Fuhai and David, and then waved his palm lightly!

A spiritual power instantly wrapped the two of them!

Ge Fuhai didn't show any expression, but David was shocked, and then the golden light on his body appeared, resisting this spiritual power!

Because David discovered that this spiritual power was actually sealed by his own cultivation.

How could David have his cultivation base sealed for no reason?

The golden light on David's body kept flickering, and the power of the dragon in his body was carrying that spiritual power, preventing him from entering his body!

Seeing this, the bearded man frowned slightly!

“Mr. Chen, don't resist, this is a necessary process to see the clan elders, everyone must seal the cultivation base!”

Ge Fuhai entered the door and explained to David.

## Chapter 1655

Seeing this, David could only put away the power of the dragon in his body!

In an instant, the dantian in David's body entered a sealed state and turned into an ordinary person!

“go in...”

The big man with a beard said.

“Thank you Third Elder...”

Ge Fuhai respectfully followed the bearded man and gave a salute, and then walked in with David!

As soon as he entered the courtyard, David smelled a faint fragrance, David sniffed hard, and then the whole person frowned!

As a pharmacist, David is too familiar with this kind of thing, but this fragrance comes from a kind of tree. After this tree is burned, it will emit a faint fragrance.

However, this fragrance is not used for fresh air, but for embalming. After some corpses are fumigated by this kind of smoke, they can achieve the effect of embalming.

David couldn't understand, how could such a thing be used as a spice in a place where the dignified Ge family lived?

But before David could figure it out, Ge Fuhai knelt down directly.

“The disciples meet the elders of the clan, and people have brought them...”

Ge Fuhai kowtowed heavily and said loudly.

David then looked intently, and found that on the top seat, there was an old man sitting. The old man's gray beard and eyebrows almost covered his entire face!

It seems that the old man is very old, his skin is covered with folds, and he is sitting on the seat, as if he is about to die at any time.

The old man didn't move, as long as his eyes were bright, if he didn't look at those eyes, he would have thought he was dead!

David looked at the elder of the Ge family for a while, without salute!

"Mr. Chen, hurry up and salute..." Ge Fuhai looked at David, and said anxiously, "You are also a member of the Ge family now. It is a crime to see the clan elders not salute!"

But David didn't kneel, because he was not from the Ge family, and he didn't have the habit of kneeling!

"Good clan!"

David just clenched his fists.

This time, cold sweat broke out on Ge Fuhai's forehead, he was afraid that the clan elder would be angry!

But who knows, the clan elder was not angry, but said lightly: “You all sit down...”

Ge Fuhai was stunned for a while, because he had never sat down in front of the clan elder, and had always been kneeling.

Why did you bring David here today, this clan elder was so polite and let them sit down?

David was not polite, but walked to the chair beside him and sat down.

But Ge Fuhai did not dare, and still knelt on the ground!

“Look at the tea...”

The clan elder gave an order.

At this time, from the room on the side, a woman in a white dress walked out. The woman’s face can be said to be overwhelming, like a fairy in the sky.

It’s just that his face is very pale, without the slightest breath, just like a walking dead!

The woman took small steps, walked to David’s step by step, bowed slightly, and put the tea in front of David’s!

David looked at the woman’s face, and the whole person fell into huge doubts!

Because he couldn’t feel the breath of a living person from this woman.

“Is this woman a puppet corpse?”

David thought to himself, his scalp started to tingle!

If this is the case, then this Ge family land is probably not a good place.

Just when the woman turned around, David pretended to touch the woman’s hand inadvertently.

Starting with a cold hand, without the slightest temperature, David can conclude that this woman is a corpse!

This time, David’s breathing began to become rapid.

His strength is now sealed, and he is completely slaughtered and has no ability to resist.

Gently picked up the tea, David’s hands trembled slightly.

He had never been so nervous.

## **Chapter 1656**

Looking at the tea in front of him, David didn’t dare to take a sip for a long time.

He didn’t know what was in the cup of tea.

“Please use tea...”

The clan elder spoke up at this time, with a bit of respect in his tone, which shocked Ge Fuhai, who was kneeling on the ground!

He had never heard that the clan elder was so polite to others.

David was helpless and could only take a sip of tea.

Now that his cultivation base has been sealed, there is no room for resistance at all, he can only take a step by step!

But when David took a sip of tea, a warm current flowed in his body.

Immediately afterwards, the sealed dantian opened instantly, and the spiritual power in the body was also boiling!

David tried it for a while, and found that his strength was restored, and the seal was lifted!

David was very surprised, how could this sip of tea have such a great effect?

So he looked up at the old clan, and wanted to ask what was going on?

But when David looked up, he found that a huge relief appeared on the wall behind the clan elder.

And there is a giant dragon carved on the relief, and the appearance of this giant dragon is exactly the same as that on David's Tianlong ring!

David looked at it with surprise, and the whole person fell into huge doubts!

But the clan elder had long since floated up, and his body fell steadily in front of David.

The old body knelt down to David!

"My subordinate Ge Cangsheng, meet the palace master..."

The elder of the Ge family actually knelt in front of David and shouted respectfully!

This time, Ge Fuhai, who was on the side, was dumbfounded, and his jaw dropped!

You know, he has never seen the clan elder leave that position!

And I have never seen the clan elders kneel down and worship anyone.

In the Ge family land, the clan elders are the gods, and they are all objects to be worshipped by others.

But now, the clan elder actually bowed to David, a young man in his twenties, and shouted one by one.

How can this make Ge Fuhai not shocked?

And David looked at the elder Ge family who was kneeling in front of him, looking at the relief, and seemed to understand something!

“Are you also a member of the Tianlong Temple?”

David asked the old Ge family.

“Back to the hall master, our Ge family is one of the thirteen halls of the Tianlong Palace. I have been waiting for the hall master to appear for twenty years...”

When the Ge family elder said this, his voice was trembling and excited!

As soon as David heard it, he immediately understood, but at this time, David was full of yearning for his father!

He didn't know what kind of strength his father was, and even a cultivator family like the Ge family was only one of them!

David didn't know what kind of shock it would give him among the thirteen halls, those that had not yet appeared!

But there is one thing David has discovered, that is, the order in which Tangkou appears is getting stronger and stronger, and it is always following his own trajectory!

It's as if David's life has long been designed by others!

"Get up and talk..."

David waved his hand and made Ge Cangsheng stand up!

Ge Cangsheng nodded, then stood up and stood beside David respectfully!

"Patriarch Ge, get up too..."

David said to Ge Fusheng.

Ge Fusheng shook his head again and again: "Don't dare, don't dare..."

He didn't dare to get up, even the clan elders stood beside David respectfully, he only had the right to kneel!

"The hall master asks you to get up, you just get up..."

Ge Cangsheng spoke up!

Seeing this, Ge Fuhai slowly got up, but bowed his body very low.

Although Ge Fuhai didn't know what Tianlong Hall was, and he didn't even know what the hall was, he only knew one thing, that was the elder of the Ge family, and they all listened to David, and David would be the boss of the Ge family in the future.

### **Chapter 1657**

"I ask you, what happened to that girl?"

David asked Ge Cangsheng.

He didn't want things like refining puppet corpses to appear at the entrance of his Tianlong Palace!

When Ge Cangsheng heard this, he quickly explained: "Palace Master, this girl is the daughter of his subordinates..."

"Your daughter?" David's face was full of incredulity: "Then she... Then why does she have no life at all? Could it be a corpse?"

Hearing this, Ge Cangsheng's face was a little moved, and then said: "Back to the hall master, the little girl was assassinated to death many years ago, and the subordinates did their best to find a soul and soul for the little girl, so to be precise, The little girl is not a corpse!"

"However, in order to prevent the little girl's body from rotting, the subordinates can only burn incense in the hall every day to control the little girl's body not to rot."

Speaking of which, Ge Cangsheng had a few tears in his eyes!

It is unbearable for anyone to see their daughter become like this and get along with her all day long.

David couldn't help but look at the girl more, looking at the girl's appearance, but in his early twenties, and looking at this Ge Cangsheng, he was already in his twilight years, already over a hundred years old. If Ge Cangsheng didn't say anything, David would not dare to think that this girl is actually Ge Cangsheng's daughter!

"How long has your daughter been like this?"

David asked curiously.

"Twenty years..."

David was stunned by Ge Cangsheng's words.

"She... She looks only in her early twenties, how is that possible?"

David looked at Ge Cangsheng's daughter in disbelief. No matter what he thought, this girl didn't look like a forty or fifty year old woman.

"Palace Master, the little girl was assassinated at the age of twenty-four, so her body has remained at that age."

"And our immortal cultivators will increase their lifespan with the improvement of their strength. It can be hundreds of years, or even thousands of years, so dozens of years old are nothing..."

Ge Cangsheng followed David to explain.

David nodded slightly and continued to ask: "After all these years, have you thought of a way to completely revive your daughter?"

"Hey!" Ge Cangsheng sighed, "I've tried my best over the years, but it's useless, but when the little girl became like this, her subordinates had a dream, and a golden dragon told her subordinates in the dream, The next Tianlong Palace Hall Master can completely revive the little girl!"

"So the subordinates have been waiting for the appearance of the palace master. This wait has been 20 years. Today, I really waited for the palace master..."

Ge Cangsheng said, and suddenly knelt down to David: "I beg the hall master to revive the little girl, my subordinates will follow the hall master to the death, and I will never give up..."

This time, David was a little panicked. How could he have the ability to resurrect Ge Cangsheng's daughter? His current strength is not as good as that of an elder of the Ge family.

"Old Ge clan, with my current strength, I'm afraid I can't revive your daughter, or are you thinking of other ways?"

David said with an embarrassed expression.

"Palace Master, since Jinlong is dreaming, it is definitely possible. Even if the Palace Master can't now, he will definitely be able to revive the little girl in the future."

"I hope that the little girl will follow the hall master and seek a chance to revive!"

“The little girl is the out-of-body realm, that is, the treasure of the Martial Saint in the martial arts world. Although the little girl only has one soul and one soul left, this body is also invincible.”

“?? He follows the palace master and can also help the palace master to solve problems...”

Ge Cangsheng hoped that David would bring his daughter.

This can make David embarrassed enough. If Ge Cangsheng’s daughter is normal, that’s fine, and if there is a Martial Sage by his side, David can go to the Martial Arts Alliance to directly rescue Sonya.

But now Ge Cangsheng’s daughter is like a puppet corpse, with David by his side, it’s hard to explain!

## **Chapter 1658**

The most important thing is that David knew that he did not have the ability to resurrect Ge Cangsheng’s daughter.

But looking at Ge Cangsheng like that, David could only helplessly agree in the end!

Ge Cangsheng was overjoyed, ordered a banquet, and then let David live in Ge’s house!

David has been living in the Ge family land for three days, and during these three days, David also has a deeper understanding of the world of immortality and the secret realm!

It turns out that the secret realm is no different from the secular world. The major sects and families are also fighting for resources!

David asked Ge Cangsheng, with the strength of the Ge family at this time, if he was sure of dealing with Zixiao Mansion.

But Ge Cangsheng didn’t know, because he was not in a secret realm, so Ge Cangsheng didn’t know the strength of Zixiao Mansion, so he had no way to determine whether he could beat Zixiao Mansion.

However, if you are fighting across the secret realm, the strength requirements of the attacking party are very strict, or if you go to other people’s territory, you can only go back and forth!

This is also the reason why there are teleportation arrays between various secret realms, but few people are teleported to other secret realms!

And in the three days here, David can be regarded as from Ge Cangsheng's mouth, thoroughly know the background strength of the Martial Arts Alliance!

It turns out that the current martial arts alliance has long since left the martial arts world!

The ones who really control the Martial Arts Alliance are some demon spirits that survived after the war between gods and demons.

Although these people died back then, there are still many souls left!

Now these souls are revived from the dead, ready to rule the entire world, and then slowly regain their strength!

Because of this, these souls are not restricted by laws in the mundane world, and their strength can grow without limit!

However, these immortal practitioners in the secret realm cannot stay in the secular world for a long time.

We can only wait for the heaven and earth to change, when the spiritual energy recovers, the secret realm disappears, and these immortal cultivators can reappear!

At that time, these immortal cultivators can get rid of the artificially created secret cage!

"Hey..."

Sitting upright on the head of the Ge family's highest honor, David sighed softly!

The more he knew, the more powerless he felt!

At this time, he found that he was in the world of immortal cultivation, like a speck of dust, he could only go with the flow...

After staying in the Ge family land for three days, David planned to leave, although the Ge family land was full of spiritual energy and had far more resources than the secular world.

But David can't stay here forever, he still has his own things to do!

"Palace Master, the little girl will leave it to you..."

Ge Cangsheng reluctantly gave his daughter to David!

Because the spiritual energy of the secular world is exhausted, Ge Cangsheng doesn't have to worry about the decay of his daughter's body.

"Old Ge Clan, don't worry, I will find a way to revive your daughter." David could only speak to comfort Ge Cangsheng, but David himself had no idea whether he could be resurrected!

"Palace Master, the little girl's name is Ge Yuhan. Although she only has one soul and one soul, she can still understand some words after staying for a long time."

Ge Cangsheng said to David.

"Okay, old Ge, don't worry!"

David took Ge Yuhan and followed Ge Fuhai away from the Ge family land and returned to the secular world!

When David and Ge Yuhan appeared at the Ge family, the jealousy on Ge Jiayi's face suddenly exploded!

Ge Jiayi didn't understand, why did David go to the clan's land and bring a girl back!

"David, you're so fussy, you brought a girl back after a few days' walk?"

"It seems that you were all a liar that night, right?"

Ge Jiayi said to David very dissatisfied.

"Miss Ge, you misunderstood..."

David smiled awkwardly.

But before David could explain, Ge Fuhai on the side changed his face greatly and shouted at Ge Jiayi, "Shut up for me, why are you talking to Mr. Chen? Can you manage what Mr. Chen is going to do??"

"Hurry up and go back to my room?? What nonsense are you talking about here?"

## **Chapter 1659**

Ge Fuhai was frightened, what character is David now?

Ge Jiayi dares to speak to David in such a tone that even the clan elders kneel down, isn't that courting death?

In addition, that Ge Yuhan is the daughter of the clan elder, and now that Ge Jiayi is eating Ge Yuhan's vinegar, she will also be courting death!

"Dad, what's wrong with you? He..."

Ge Jiayi wanted to say something, but Ge Fuhai had already thrown it into the room!

"Mr. Chen, don't pay attention to her, this child is like this..."

Ge Fuhai hurriedly apologized to David!

David smiled lightly: "I think you should explain it to Miss Ge, I'm not as promiscuous as she thinks..."

"Yes, I will explain!"

Ge Fuhai nodded again and again.

David took Ge Yuhan away, while Ge Fuhai found Ge Jiayi and solemnly warned her!

"I tell you, when you see Mr. Chen in the future, you must treat me with respect. You can't be disrespectful any more, and you can't speak like just now, understand?"

Ge Fuhai reprimanded Ge Jiayi!

Ge Jiayi looked confused: "Dad, what's wrong with you? After a trip to the clan, how did you become like this?"

"Then David has some skills, but you don't have to be afraid of him to this level, right? Who is that other woman? Did she have a leg with David?"

When Ge Fuhai heard it, he immediately reprimanded loudly: "Shut up for me. In the future, you can do whatever Mr. Chen wants you to do. You are not allowed to question it, let alone talk back."

"Dad, why, why exactly?" Ge Jiayi asked in confusion.

“You’ll find out later, just listen to me now!” Ge Fuhai didn’t dare to reveal the true identities of David and Ge Yuhan!

Ge Fuhai walked back, and Ge Jiayi threw the pillow to the ground angrily. She didn’t understand what happened in the past few days to make her father become like this!

...

Dragon family!

As the head of the Dragon family, Long Xingxu is gathering many masters of the Dragon family. Zhao Liguo and the four villains are also gathering in the Dragon family!

At this time, the Long family can be described as a gathering of many masters!

It’s just that everyone’s faces are not good-looking, and their faces are solemn!

“Everyone, today is the last day for the Martial Arts Alliance to post. If you can’t find Brother David, then we can only fight to the death with the Martial Arts Alliance.”

Long Xingxu said with a frown.

“Go, fight with the Martial Arts Alliance, what’s there to be afraid of!”

Ding Busan shouted loudly!

“Third, keep your mouth shut!” Ding Buda glared at Ding Buo, and then said, “If so many of us go to work with the Martial Arts Alliance, what should we do if we hurt Miss Su?”

Ding Dao’s words made everyone silent!

“Uncle Long, why don’t you come up with an idea?”

At this time, Long Xingxu looked at Long Wu and asked.

At this moment, only Long Wu has the highest status. This kind of decision requires Long Wu to be the master!

Long Wu glanced at Gu Linger beside him: “Linger, what do you say?”

Gu Linger did not speak, but held the battle post of the Martial Arts Alliance tightly in her hand, her eyes were full of anger!

It turned out that after David left, Ning Zhi from the Martial Arts Alliance sent a battle post and asked David to go to the Martial Arts Alliance. If he could not see David within three days, then cut off one of Sonya’s arms!

It’s the third day now, but I still can’t get in touch with David, so everyone got together to discuss countermeasures!

But now no one dares to make up their minds to follow the Martial Arts Alliance desperately. If so, the Martial Arts Alliance will attack Sonya, and no one can afford this responsibility!

But just when everyone was at a loss, David came back with Ge Yuhan!

“Mr. Chen is back...”

Someone shouted outside! ! !

## **Chapter 1660**

When everyone heard it, they rushed out in a hurry, and they were all excited!

David frowned when he saw everyone was there: “Did something happen?”

“David, look...”

Gu Linger stepped forward and handed the battle post of the Martial Arts Alliance to David!

And Gu Linger’s eyes glanced at Ge Yuhan behind David, but didn’t say anything!

David took over the battle post, and his whole body was full of anger!

“This Ning Zhi, damn it...”

David gritted his teeth, and the battle post in his hand instantly turned to ashes!

“You guys are waiting here, I’ll go to the Martial Arts Alliance...”

After David finished speaking, he turned around and walked out!

“David, that Ning Zhi has many tricks, it’s too dangerous for you to go by yourself!”

Long Wu said to David.

“Uncle Long, don’t worry, I will be careful!”

After David finished speaking, he hurried towards the Martial Arts Alliance.

Because it was stated in the battle post that only David was allowed to go there alone, and for Sonya’s safety, David could not take anyone there.

But as soon as David left, Ge Yuhan followed closely behind him!

“David, this...this girl she...”

Gu Linger wanted to remind David that this girl was following him!

David looked back at Ge Yuhan and said slowly, "You stay here..."

But who knows, Ge Yuhan is expressionless, his eyes are dull, but he shakes his head!

Gu Linger looked at David with strange eyes.

"When you come back, I'll explain it to you again. If she follows, then Ning Zhi shouldn't care."

After David finished speaking to Gu Linger, he took Ge Yuhan straight to the Martial Arts Alliance!

Ge Yuhan looked at it at a glance, and there was no difference between following the wooden man, and there was not the slightest aura fluctuation on his body!

So even if David brought it, Ning Zhi wouldn't say anything!

...

Martial Arts Alliance!

The ten black copper robes have been arranged, and Ning Zhi, holding a vajra, entered the dungeon and brought Sonya out.

When the sun shines on Sonya, Sonya can't help but close her eyes!

She hasn't seen the sun for a long time!

Sonya's face was very pale and looked a little weak!

Although the Martial Arts Alliance gave Sonya a lot of medicinal herbs and nutritional supplements every day, Sonya's body still looked weak.

"Are you finally going to start?"

Sonya's face was calm and expressionless!

"Miss Su, don't worry, we won't kill you, just use you as bait..."

Ning Zhi smiled coldly!

After Sonya was taken out of the dungeon, she was locked in a huge iron cage!

This iron cage is made of black gold stone, which is extremely hard and wrapped in a formation. It is very difficult to open it forcefully!

After Sonya was locked in a cage, she was hung up high. At this time, Sonya was like an animal that was admired!

"Have you made up your mind? Do you know the consequences of doing this? If this woman is rescued, you and I will both die..."

In Ning Zhi's mind, the voice of the soul appeared.

"Don't worry, senior, I have the sacred weapon in my hand, and the surrounding is closely guarded, so David can't save it."

"I just want David to see his girlfriend's tragic state, and I want to disturb his mind!"

"When people panic, they are in chaos. As long as David is in chaos, he will surely die..."

Ning Zhi had a sly smile on his face.

In terms of tactics and strategy, Zhu Zhishan is far behind Ning Zhi!

Ning Zhi looked at the time and quietly waited for David's arrival!

"David, I prepared such a big gift for you, I hope you don't let me down..."

Ning Zhi looked at the gate of the Martial Arts Alliance with a hideous smile on his face!
