

## A Man Like None Other Chapter 1671 – 1680

### Chapter 1671

After David and the others arrived at Ge's house, Ge Fuhai respectfully greeted David, and even the silent Ge Yuhan, Ge Fuhai carefully served him!

Seeing her father like this, Ge Jiayi was very puzzled. She didn't understand what happened to Ge Fuhai.

"Mr. Chen, please take a seat..."

Ge Fuhai gave David his position as the head of the family.

David wanted to refuse, but saw that Ge Fuhai had already sat aside.

David was helpless and could only sit in the seat of the head of the house, while Ge Yuhan stood behind David, motionless.

"Patriarch Ge, what are you doing with me?"

David asked.

Ge Fuhai glanced at Ge Jiayi: "Jiayi, go out!"

"Dad, is there anything you can't let me hear?"

Ge Jiayi pouted and asked in dissatisfaction.

“Just go out if you want to go out, where is there so much talk...”

Ge Fuhai’s face turned cold!

Seeing this, Ge Jiayi could only go out, but Ge Fuhai waved his hand, and a space magic technique wrapped several people!

Looking at Ge Fuhai’s nervous appearance, David felt that there must be something important!

“Mr. Chen, the old clan has brought a message. Now that the world has changed, it may not be far from the recovery of spiritual energy. The major sects and families in the eight secret realms are all eager to try!”

“Nowadays, many aristocratic sect families have begun to appear in the secular world. These families have been dormant for so many years, and suddenly they show up at this time, which means that the pattern of the martial arts world is about to undergo earth-shaking changes.”

“If the spiritual qi really recovers, then the eight secret realms will collapse, and the sect family in the secret realm needs to control resources and territory in the secular world in advance. The meaning of the clan elder is to hope that Mr. Chen can arrange it now!”

“When the secret realm collapses, the Ge family can quickly occupy the resource-heavy land and seize the opportunity under the leadership of Mr. Chen...”

Ge Fuhai’s words made David difficult to digest for a while!

If the secret realm really collapsed, and those sects and families who cultivated immortals in the secret realm returned to the mundane world, would the whole mundane world be in chaos soon?

But what about the martial arts world?

What about these people in the martial arts world?

You must know that there is no way for the martial arts world to compare with the immortal world.

“Patriarch Ge, if the secret realm really collapses, wouldn’t there be no martial arts world?”

David asked.

Ge Fuhai smiled slightly: “Mr. Chen, even if the secret realm collapses, the sect family of cultivating immortals returns to the secular world, and the martial arts world will not die out.”

“However, the martial arts world at that time would not be so prosperous, and the major families in the martial arts world would also become vassals of the Xiuxian family!”

“Now in the martial arts world, many martial arts families also have the support of the immortal clan behind them, and they act as the spokesperson of these immortal clans in the secular world!”

“Like our Ge family, there are very few cultivating families who personally send people to the secular world. After all, doing so will weaken the family’s strength. Like these people in our Ge family, their strength is suppressed and there is no way to improve! “

“That’s why I let Jiayi become a martial artist since she was a child, and I didn’t let her practice immortal methods. If she practices immortal methods, she won’t be able to improve much in this mundane world.”

Listening to Ge Fuhai’s words, David pondered, it seems that he really has to focus on developing his own power and territory.

For a long time, David had no idea in this regard. He only wanted to rescue Sonya???? and rescue his mother.

As for the establishment of a sect, David never thought about it!

Even these halls in the Tianlong Palace, David is in a free-range mode, and basically he seldom cares about them.

As for the Medicine God Valley, although David is the owner of the valley, he is only a position, and he rarely manages things, and Xu Changsheng takes care of it!

## **Chapter 1672**

But now listening to Ge Fuhai’s words, David felt that he should really plan!

“Patriarch Ge, I have remembered what you said, and I will consider the matter of opening a sect and establishing a faction.”

David said to Ge Fuhai.

“Mr. Chen, if you need anything, my Ge family will give it all...”

Ge Fuhai said.

“Okay, if I need it, I will find you. I have other things to do, so I won’t bother...”

David got up and left with Ge Yuhan!

He was going to Yaoshen Valley to find a way to restore Ge Yuhan.

On the way to Yaoshen Valley, David thought about Ge Fuhai’s words!

The spiritual energy is revived, the pattern has changed greatly, and the major hidden families have emerged...

David doesn’t know if this will affect him, but his top priority is to restore Ge Yuhan, and then find a way to rescue Sonya!

David took Ge Yuhan to Yaoshen Valley and found Xu Changsheng directly!

If there is no medicine for Ge Yuhan to recover in Yaoshengu, then we can only look at other methods. In the entire martial arts world, Yaoshengu’s medicine refining is the best.

“Gu master, there is only one soul and one soul left, how can you recover? Even if there is only one breath left, but the soul is still there, it can be healed!”

“But now in this situation, it’s obvious that the body is fine, that is, the soul is separated from the body. I’m afraid it will be difficult for the medicine to recover.”

“This is equivalent to going to the underworld to follow the King of Hell to grab the soul, which is not something that can be achieved by refining medicine.”

Seeing Ge Yuhan’s appearance, Xu Changsheng said with an embarrassed expression.

David is also a pharmacist himself. Of course he knows this truth, but he just wants to try it. If the medicinal pill doesn’t work, he can only go to Hu Mazi and ask about the spell.

“Hey, it looks like I can only think of another way...”

David sighed!

“Gu Master, don’t you have the Supreme Pill Record? You can look for it to see if there is a way to restore this young lady. If there is no record on the Supreme Pill Record, I am afraid there is no way.”

Xu Changsheng reminded David.

“Yeah, why did I forget...”

David slapped his head, and he almost forgot this wonderful book of medicine refining!

At that time, David obtained the Supreme Pill Record, and everyone in the Medicine God Valley copied a copy.

David hurriedly asked Xu Changsheng to bring the Supreme Dan Lu, and then checked it.

When David saw the end, his eyes suddenly lit up.

“Hahaha, found it, found it...”

David laughed.

Xu Changsheng hurried over and saw the pill recipe recorded above at a glance!

“Jupo Dan? Sure enough, there is such a pill, it’s just too symptomatic!”

Xu Changsheng was surprised when he looked at the pill recipe!

At this time, David was full of joy, and hurriedly said to Xu Changsheng: “Elder Xu, you need to find the medicinal herbs according to the pill recipe immediately, be sure to hurry!”

“Okay, I’ll go right now!”

Xu Changsheng nodded and left!

David turned his head to look at Ge Yuhan and said with a smile: “Yuhan, I can cure you right away...”

David and Ge Yuhan stayed in Medicine God Valley, waiting for Xu Changsheng to find the medicinal materials.

Because what the Soul Gathering Pill needs are some extremely rare medicinal materials, it will take a certain amount of time to find all the medicinal materials.

Just as David and Ge Yuhan were waiting for the medicinal materials in Yaoshen Valley, the martial arts pattern of the entire secular world was also quietly changing!

Some families in various places that do not care about the world suddenly become high profile, the various rankings in the martial arts world were disrupted for a while, and the younger generation of martial artists grew up like bamboo shoots in an instant!

The Kyoto martial arts world, which had always been the leader of the martial arts world, now finds that it has been surpassed by other places!

Those martial arts families that suddenly appeared, the younger generation of powerhouses, turned out to be in the realm of the Great Marquis!

This shock in the martial arts world is huge!

To know what a Great Marquis represents, since there are strong Great Marquis in these families, why have they been unable to bear it?

This is everyone's doubts!

But now, these families have all come out as if they were negotiated!

### **Chapter 1673**

...

Kyoto Budo Federation.

At this moment, Ning Zhi's face was even uglier than eating sh!t!

With the help of the soul, he cultivated to the realm of the Great Marquis. The younger generation who originally thought he could fight against him, except David, there is no one else!

As long as David is dead, the entire younger generation in the martial arts world will respect him!

But now, I don't know where many families have suddenly appeared, and the younger generation in these families are all in the realm of the Great Marquis!

This kind of blow is really unbearable for Ning Zhi!

"Why, why... where did these people come from?"

Ning Zhi screamed desperately and kept smashing things to vent the anger in his heart!

"It's time to come, it's coming, you still want to be a good person? It's a joke!"

At this moment, the hoarse voice of the soul came from Ning Zhi's mind!

"Senior, what do you mean? Can't we work together to dominate the martial arts world?"

Ning Zhi frowned slightly.

To know the soul in his body, it is also an old monster that has existed for thousands of years. With such a person to assist, how can he not dominate the martial arts world?

“Hahaha, it’s a joke, it’s a joke, if I have that strength, how can I live in your body.”

“I’m just an insignificant little guy, you still want to dominate.”

“The prophecy should be fulfilled, and when it does, you and I are nothing but ants!”

The soul laughed, but there was a bit of desolation in the laughter!

“Senior, what prophecy? What the hell is going on here?”

Ning Zhi was puzzled, he didn’t know what the soul was talking about.

It’s a pity, no matter what Ning Zhi asked, the soul didn’t speak anymore!

...

Kyoto Guardian Pavilion!

The changes in the martial arts world also attracted the attention of the official!

“Mr. Shi, recently, many families have appeared in the martial arts world, and they have made high-profile appearances. The martial arts alliances in various places, as well as the rankings of the martial arts world, have been quickly refreshed!”

“One of them is a guy named Jiang Wei. In just three days, he has fought seventy-six martial arts masters in a row, without a single defeat!”

“If this continues, I am afraid that the martial arts world will be in chaos...”

Xing Jun said to Mr. Shi cautiously.

“Let them go, it’s not just the martial arts world that will be chaotic, the real chaos is coming soon!”

“All we can do is watch. The catastrophe that happened thousands of years ago, I don’t know if it will be repeated!”

Mr. Shi closed his eyes slightly, his face looked very haggard!

Seeing Mr. Shi like that, Xing Jun was also distressed, opened his mouth, and finally closed it again, without saying a word!

“If you have anything else to say, just say it...”

Mr. Shi still closed his eyes and said lightly.

“Mr. Shi, the Watanabe family of the island country has never given up on infiltrating our country, but every time they are blocked by us.”

“But this time, the island country directly sent a note to come to our country in the name of a diplomatic mission. It’s not easy for us to intercept it!”

Xing Junhui reports.

Mr. Shi frowned slightly. Since this time, he has been blocking the footsteps of the Watanabe family. Otherwise, the Watanabe family would not know how many killers they would send to deal with David!

But now, the other party has directly changed the way, which made Mr. Shi a little unexpected!

“Since the other party has followed the formal procedures and issued a note, then it should be put in, so let me put it in, but I’m keeping a close eye on the person.”

“There are also members of the embassy, each of them must be checked carefully for me!”

Mr. Shi ordered.

“Understood!” Xing Jun nodded!

When Xing Jun walked back, Mr. Shi opened his eyes with exhaustion in his eyes.

“David, I may not be able to help you too much. You will have to go on your own...”

Mr. Shi murmured to himself!

## **Chapter 1674**

...

Medicine God Valley!

David and Ge Yuhan have been waiting here for Xu Changsheng’s medicinal materials for many days!

Every day is a torment for David.

But fortunately, Gu Linger left the 90,000-mile mountain and river map in Yaoshen Valley.

David can practice with the help of Ninety Thousand Miles of Mountains and Rivers!

On this day, David opened the 90,000-mile Mountains and Rivers Map again, and his divine sense entered it instantly!

The biting cold wind roared, but compared with the rich spiritual energy, this cold wind is nothing!

Entering here, David did not immediately enter the cultivation state this time!

Since he got the 90,000-mile mountain and river map, David didn't use it a few times, but he gave it to Gu Linger and Xiaoru!

David has not really understood this picture!

Every time you enter, you will change a scene. This kind of space magic can be applied to a picture. What a powerful character!

David stepped on the snow and slowly walked forward for a certain distance, but there was really nothing here except for the snow!

Just when David was about to practice in situ, he found that there was smoke lingering not far away!

“Is there someone here?” David was surprised: “Is this the real world?”

David hurriedly headed towards the smoky place, only to find out when he walked in, it turned out to be a hot spring!

It is so strange that there are hot springs in this icy world!

David looked at the hot hot spring water, and finally couldn't help but take off his clothes and soaked in it!

Anyway, there are no people here, it's just an illusory space, and David doesn't need to be afraid!

Sitting in the hot spring, David suddenly felt an incomparably pure spiritual energy digging into his body.

David was overjoyed, he did not expect the aura in this hot spring to be much purer than the aura of heaven and earth here!

David immediately closed his eyes and practiced, and the Concentrated Heart Technique began to work!

The pure aura spreads out in David's body!

At this time, David's whole body was wrapped in aura, as if he was sitting in a cloud and mist, and then the aura poured into his dantian!

Endless spiritual energy is constantly flowing into the body, and David's cultivation is also quietly changing!

I don't know how long it took, a violent knock on the door directly woke David up. When David opened his eyes, the body in the hot spring disappeared instantly!

But just after David's body disappeared from the hot spring, the voices of the two women getting closer and closer!

When the two girls came to the edge of the hot spring, if David was still there, they would definitely be surprised.

Because these two girls are none other than Han Qinger and Qiu Ju!

And the place David was brought to by the Nine Thousand Miles of Mountains and Rivers map is not an illusory space, but a shocking secret realm among the eight secret realms, that is, the place where Leimen and Zixiao Mansion are located!

This place is covered with snow all the year round, and the map of 90,000 miles of mountains and rivers, every time you practice, you will change a space, in fact, it is a secret realm for replacement.

Because the environment of each secret realm is different, every time David cultivates, it seems to be a different place.

The real function of this 90,000-mile mountain and river map is the teleportation map of the eight secret realms, but David doesn't know it yet!

"Sister Qiu Ju, you can also soak in this hot spring today. The last time I hurt you, you were seriously injured."

Han Qinger said apologetically to Qiu Ju.

“Miss, don’t be joking, where is this hot spring where our servants can soak.” Qiu Ju waved her hands again and again, and then said: “Miss, let me take off your clothes for you...”

Just when Han Qinger took off her clothes and entered the hot spring, she suddenly froze and frowned.

“Miss, what’s the matter?”

Seeing this, Qiu Ju asked hurriedly.

### **Chapter 1675**

“Sister Qiu Ju, why do I feel that someone has been to this hot spring?” Han Qing’er frowned slightly: “It seems that there is a breath of David.”

Seeing this, Qiu Ju giggled: “Miss, don’t make trouble, how could someone come here, even if there is someone, it can’t be that David, I think you have always mentioned that David intentionally or unintentionally since you came back. David, don’t you like him?”

“You know, he’s just a mortal in the secular world, how could he possibly be worthy of you, and you and Young Master Lu have a marriage contract, so don’t think about it.”

Qiu Ju persuaded Han Qinger.

“Who likes him, I’m just talking casually...”

After Han Qinger finished speaking, she began to slowly absorb the spiritual energy in the hot spring.

...

Medicine God Valley.

David opened the door and found that Xu Changsheng had returned!

“Elder Xu, how is it? Have the medicinal materials been found?”

David asked Xu Changsheng with a look of surprise.

“Gu master, most of the medicinal materials have been found, but there is still a hundred eyes grass, which can't be found.”

Xu Changsheng said with a look of shame.

David frowned slightly: “This hundred eyes grass is really hard to find, this thing has no roots and no fruit, and its survival time is very short. It really takes a lot of time to find it!”

“Gu master, if you can ask the wandering people, maybe they can know where it is. After all, we are looking for it on a large scale now, I am afraid it will take a lot of time!”

Xu Changsheng knew that David was in a hurry, so he couldn't have a lot of time for him to find it slowly.

This thing can be found, maybe in a year and a half, maybe in three or five years!

“Don't worry about Baimu Cao, keep the other herbs you find, I'll find another way...”

David decided to find Hu Mazi!

This guy is looking for ruins of ancient tombs everywhere, walking all over the country, he may know where there is such a thing!

Without delay, David took Ge Yuhan and flew to Baihai City!

At this time, Flax is living a leisurely life in Baihai City!

The Shen family now treats Hu Mazi as an offering from their ancestors.

After Bai Zhantang and Shen Mengchen got married, they went back to Kyoto to let Shen Mengchen give birth!

Hu Mazi stayed in Baihai City, and all life was taken care of by the Shen family!

This can turn the flax seeds upside down!

When David took Ge Yuhan to find the sesame seed, he found that this guy was surrounded by two beauties, feeding him fruit!

“Cough cough cough...”

Seeing Hu Mazi's appearance, David coughed hard twice!

When Hu Mazi saw that David was coming, he hurriedly waved his hands to let the two beauties go down!

“David, why are you here?”

Hu Mazi asked in surprise.

“If I don’t come again, there will be no Master Hu in the world in the future, and the sugar-coated cannonballs will corrupt you.”

David glared at Hu Mazi and said.

“Hahaha, don’t worry, any gold and silver jewelry, beauties and beauties are not as good as the treasures in the ancient tomb!”

“It’s not that you’re not here. I don’t dare to go to Tianfuzong. I have nothing to do, so I can only find two beauties to chat.”

“Don’t you also bring a beautiful woman? There are more beautiful women around you than me, don’t pretend to be arrogant here!”

Hu Mazi smiled and patted David on the shoulder, making David not know what to say!

“Hi, beauty...”

Hu Mazi greeted Ge Yuhan, but Ge Yuhan didn’t respond at all!

David was about to say something to Hu Mazi, but he saw Hu Mazi's face turned cold, and then he picked up a spell, chanting words in his mouth, and it suddenly stuck on Ge Yuhan's forehead!

"Master Hu, what are you doing?"

David looked puzzled!

"This woman has no life and is full of corpse aura. This is simply a puppet corpse. You have been fooled."

Hu Mazi said to David solemnly.

## **Chapter 1676**

"A puppet corpse..."

Seeing this, David stepped forward and tore off the spell!

"Hey...you guy, are you fascinated by the female corpse, why don't you believe me?"

"Or, do you like this taste as a kid?"

Hu Mazi looked at David strangely!

"You are so good at this taste!" David gave Hu Mazi a blank look, and then followed Hu Mazi to explain.

After hearing it, Hu Mazi understood and suddenly laughed: "Tell me the truth, did you succeed? Anyway, this woman doesn't know anything, so you can do whatever you want."

“I’m not as dirty as you...” David was speechless for a while, it seems that this Hu Mazi must have dealt with women a lot during his time in Baihai City, and his mind is full of this.

“Then what are you doing with a woman? I can tell you, I don’t have the ability to make this woman recover!”

Hu Mazi thought that David brought Ge Yuhan to him to help him recover.

“I don’t need you. I’ve already found the pill recipe to restore her, but I just need a kind of Herb, and I can’t find it for a while. I want to ask if you know where it is?”

David asked Hu Mazi.

“Bamboo grass?” Hu Mazi frowned slightly, but soon his eyes lit up: “I really know where it is!”

“Where?” David asked with surprise.

“I can tell you, but you have to help me go to Tianfuzong and create a set of spells...”

Hu Mazi smiled.

“Damn, don’t you know how dangerous it is in there? Isn’t this asking me to die?”

David gave Hu Mazi a fierce look!

“Don’t worry, how could I let you die? You really thought I was having fun during this time.”

“I tell you, I have entered the ruins of Tianfuzong, and I have entered it several times. As long as I don’t step into the gate of Tianfuzong, there will be no danger.”

“We can handle that little spell mechanism in the corridor!”

Hu Mazi laughed.

“If you don’t go in, how can you get a spell for you?”

David was full of surprise.

“Don’t worry about it, there’s no danger anyway, as long as you help me come up with that spell, I’ll definitely help you find Baimucaos.”

Hu Mazi even followed David to sell off!

David looked at Hu Mazi like that, and finally nodded.

“I can tell you, if you dare to harm me, I will never finish with you...”

David said to Hu Mazi with a serious face.

“Don’t worry, how could I harm you, I still hope to follow you in the future!”

Hu Mazi looked happy, and then followed David towards Xuanyue Valley!

Passing through Xuanyue Valley to the entrance of the ancient ruins of Tianfuzong, looking at the darkness at the entrance, David felt a little drum in his heart

After all, when they entered for the first time, David and the others escaped in embarrassment!

“Let’s go, it’s okay, I’ve been in there several times...”

After Hu Mazi finished speaking, he took David and walked inside!

After entering the ancient ruins, David carefully hid behind Ge Yuhan!

Because he knew that Ge Yuhan’s body was much stronger than himself!

Seeing that David was hiding behind a woman, Hu Mazi couldn’t help sneering: “David, when did you become so cowardly? Is hiding behind a woman a man?”

“What do you know, don’t think of her only as a woman, her body is stronger than mine...”

David gave Hu Mazi a blank look!

“yes?”

Hu Mazi immediately became interested in Ge Yuhan and reached out to touch Ge Yuhan’s body.

“what are you doing?”

David reached out and hit back the hand that Hu Mazi stretched out.

“I’m just curious, how can such a white and tender woman have such a strong body...”

Hu Mazi laughed.

### **Chapter 1677**

But just as the two were talking, several rays of light suddenly burst out, followed by a force like a sharp blade, coming towards them!

brush brush...

clang clang clang...

Those streaks of energy hit Ge Yuhan’s body and were directly shattered, but Ge Yuhan didn’t even leave a mark on his body!

You must know that the Martial Saint Artifact can’t help Ge Yuhan’s body, let alone these few strengths!

David hid behind Ge Yuhan and was not injured at all!

But that Hu Mazi was not so lucky, the energy from the spell directly drenched Hu Mazi with blood.

“Damn, how come there are still spells that haven’t been triggered?”

Hu Mazi yelled loudly!

David laughed out loud when he saw Hu Mazi like that!

“What are you laughing at?” Hu Mazi glared at David!

However, seeing that David was hiding behind Ge Yuhan, there was no harm at all, and Hu Mazi hurriedly escaped.

“Master Hu, don’t you say that hiding behind a woman is not a man?”

David laughed.

“I didn’t hide behind the woman, this is a woman’s corpse, it can’t be called a woman...”

Hu Mazi quibble.

David didn’t say anything, but walked forward cautiously!

Two big men, hiding behind Ge Yuhan, moved forward step by step!

Soon, several people came to the gate of the ancient ruins of Tianfuzong, and when they got here, David did not dare to move forward.

“Master Hu, where is the talisman technique you’re talking about? If you want me to go in, I won’t go...”

David said to Hu Mazi.

“You don’t have to go in, it’s just by the side...”

After Hu Mazi finished speaking, he took David and the others to the side.

Soon, a huge boulder was seen on one side, and some symbols that David could not see were densely written on the boulder!

“What is this?” David asked.

“This is the talisman stone, and what is recorded on it is the talisman technique.”

Hu Mazi said to David.

“Come on, it’s just here, can’t you just carry it down by yourself?”

David was so angry that he even deceived himself with the talisman technique in front of him!

Looking at David, Hu Mazi suddenly smiled and said, “Do you think that these spells can be performed just by memorizing them? It’s too naive. In that case, wouldn’t everyone be able to perform spells?”

“How about that?” David asked with a look of surprise.

“Like this high-level spell technique, you must conquer the rune spirit, not just memorize it.”

Hu Mazi explained.

“Fu Ling?” David was puzzled.

“In every high-level talisman technique, there will be a talisman. If you want to learn talisman technique, you must conquer the talisman, understand?”

Hu Mazi helplessly could only explain it again.

“Then go and conquer...” David said.

“Nonsense, if I can conquer it, I will call you here!”

Hu Mazi was speechless for a while!

David looked at Hu Mazi a little helplessly: “I conquered that talisman, and I was the one who learned the spell, what does it have to do with you?”

“You have learned it, you can teach it to me, so that I don’t have to conquer the rune...”

Hu Mazi said with a wicked smile.

“you...”

David was speechless, and finally sighed and said, "Okay, I'll go and conquer that talisman..."

"You just need to put your hand on that rock. I'll tell you, this is a set of transformation spells, so don't believe anything you see."

Hu Mazi told David.

"okay, I get it..."

After David finished speaking, he stretched out his hand and touched the boulder!

Immediately afterwards, the symbols on the boulder began to emit light, and finally the light enveloped David!

A white light flashed in front of David's eyes, and soon the whole person seemed to be in a trance!

## **Chapter 1678**

Then he found himself in a dungeon!

"So familiar, where is this?"

David frowned slightly. At this time, he always felt in a trance, and everything in front of him seemed like a dream, but also seemed real.

"David, David..."

Suddenly, it seemed as if someone was calling him!

David turned his head to look and found that it was Sonya, who was being locked in a cell at this time!

“Sonya, Sonya...”

David was overjoyed and hurried up.

Holding Sonya’s hand tightly, David’s face was full of excitement.

“I didn’t expect to see you, I always feel like I’m in a dream!”

David looked at Sonya tenderly!

“This is not a dream, this is true, I have been waiting for you, I miss you so much...”

Sonya looked at David tearfully and said.

“Don’t cry, don’t worry, I will save you!”

David gently wiped the tears from Sonya’s face!

“David, you don’t have to save me, as long as I can see you, I’ll be satisfied, let’s go!”

Sonya was chasing David away.

“No, I will never leave, even if this dungeon is leveled, I will save you...”

David burst out with a monstrous aura, and then he beat the cage in front of him desperately. He wanted to open the cage and rescue Sonya!

At this time, in Hu Mazi's view, David has been pressing his hand on the boulder in one posture!

But when David's breath rose and his face changed greatly, Hu Mazi became nervous.

"Bad, this kid is a lover..."

Hu Mazi screamed badly, then picked up a piece of yellow paper, bit his finger, drew on it, and muttered words.

Soon a spell was drawn, and then it was suddenly pasted on David's forehead!

A red light entered David's mind directly!

In the cage, David was waving his hands and hitting the cage constantly, but suddenly his body shook, and the whole person was stunned!

Then stared blankly at Sonya in front of him: "You, you are not Sonya, you are not..."

"David, what's the matter with you? Why do you say that?"

Sonya cried, and her face was filled with rain.

"No, you're not, you're definitely not..."

David closed his eyes slightly and began to chant the Heart Clearing Mantra, he wanted to wake himself up!

But David recited the heart-clearing mantra for a long time, but when he opened his eyes, Sonya was still in front of him, and he was still in the dungeon.

“This...isn’t this an illusion?”

David’s face was full of surprise.

“David, what are you doing? It makes me sad...”

Sonya cried bitterly and was very sad!

This time, David panicked, completely panicked.

Turns out it wasn’t an illusion at all.

“Sonya, I’m sorry, I’m sorry, I’ll save you now...”

David said, his hand shone with light, and then he slapped it out with a palm, directly smashing the cage!

Sonya rushed out and threw herself tightly into David’s arms!

David hugged Sonya, Sonya was so warm and real!

“David, don’t leave me, okay?”

Sonya looked at David tenderly.

“Okay, I’ll never leave you!”

David gently kissed Sonya’s forehead!

David fell into the town of Wenrou, but he was very anxious about Hu Mazi.

“This kind of love, this kind of love...”

Hu Mazi turned around in a hurry, and finally another spell was attached to David, and then Hu Mazi’s voice sounded in David’s mind: “David, wake up, this is all fake, fake, I Didn’t I tell you?”

David was stunned, he could hear Hu Mazi’s voice.

### **Chapter 1679**

“No, it’s not fake, it’s not an illusion...”

David shook his head!

“Nonsense, this is of course not an illusion, but your girlfriend is fake, she is just transformed into a talisman, have you forgotten, this is a transformation spell, this talisman can be ever-changing...”

Hu Mazi yelled anxiously, he hoped to let David understand that Sonya was fake.

“fake?”

David pushed Sonya away.

“David?”

Sonya looked at David, her face was full of indescribable sadness, both movements and expressions were exactly the same as Sonya!

David frowned slightly, staring at Sonya, she couldn't see anything strange, how could this be fake?

“David, what are you doing...”

Sonya rushed towards David again!

David didn't move, he didn't know what to do.

“Aura, although the appearance can be changed, but the breath can't change...”

Hu Mazi reminded David.

As soon as David heard it, his divine consciousness instantly radiated out, covering Sonya's body. Sure enough, the aura on Sonya's body was not familiar to David.

“You really are fake...”

David was taken aback, and immediately shot it out with a palm!

Sonya's body was shot and flew out, a mouthful of blood spurted out, and her body fell heavily to the ground.

“David, why, why are you doing this to me?”

Sonya looked at David resentfully, the blood on the corner of her mouth made her even more pitiful!

David was stunned, facing his girlfriend, he really couldn't tell the truth from the fake!

Sonya got up slowly, with a face of pain, she slowly walked towards David, and there was a faint aroma on her body!

It was this aroma that made David's heart tremble suddenly, and then the Dragon Slaying Sword suddenly appeared in his hand, and the sword slashed towards Sonya in front of him!

“David...”

Seeing this, Sonya was still exclaiming!

However, the Dragon Slaying Sword in David's hand did not stop at all, and the sword light flashed out, directly penetrating Sonya's body!

This time, Sonya is no longer exuding little spots of light on her body, and her appearance is also undergoing huge changes!

Sonya, who was originally fair-skinned and beautiful, has slowly turned into a monkey-like thing at this moment, with hair all over her body, extremely ugly!

Seeing this, David felt sick for a while, thinking about the thing he was hugging just now, David trembled all over!

In the end the flare dissipated and everything was gone!

And David himself saw that his palm was pressed tightly on the boulder, and the line of symbols in front of him, as if alive, all broke away from the boulder and got into David's body one after another.

The transforming avatar curse instantly appeared in David's mind, which surprised David!

"You're still laughing, your kid almost died..." Looking at the surprised David, Hu Mazi said angrily: "I told you all, but you still fell into it, what a big love!"

David was a little embarrassed by what Hu Mazi said, and smiled awkwardly: "Master Hu, the talisman you mentioned is too disgusting."

"What? You still hope that Fu Ling is a beautiful woman. If she is a beautiful woman, would you still be willing to kill him?"

Hu Mazi smiled.

David smiled, nodded and said, "Whether it's a beauty or not, anyone who hinders me will be killed..."

"Pull it down!" Master Hu waved his hand: "Okay, pass on the spell to me!"

"Oh well!"

David hurriedly stretched out his hand and gently pressed it on the top of Master Hu's head!

Soon, a ray of light lit up, and then countless symbols entered Hu Mazi's body!

Hu Mazi was full of joy, and in front of David, he chanted a spell, and then Hu Mazi's body emitted a faint light, and then his appearance began to change!

### **Chapter 1680**

In the end, it turned out to be David's appearance, and it looks exactly the same as David!

David was surprised when he saw this scene.

"This... this is too similar, so can't you become anyone and do anything?"

David asked in disbelief.

"My current strength is still too low, and this shape changing technique can only last for half an hour at most."

Hu Mazi returned to his original appearance, followed by another flash of light, and from behind Hu Mazi, a person who was exactly the same as Hu Mazi appeared.

"However, this clone technique can last for half an hour to an hour!"

Hu Mazi looked at her avatar and nodded constantly, looking very satisfied!

David looked at the two sesame seeds and was completely shocked.

Involuntarily, he stepped forward and pinched the face of Hu Mazi's clone, and then patted it with his hand!

“Damn, you pinch my face, you’re perverted...”

Hu Mazi knocked off David’s hand!

“This... this turned out to be real, not an illusion...”

David could really feel the temperature on the clone.

“Nonsense, if it’s illusion, can it still be called avatar, but this avatar can only have half of the actual strength, if it can inherit all the strength of the main body, it will be awesome!”

Hu Mazi sighed and put away the clone.

If you can inherit the same strength as the main body, it is equivalent to a person who has double his own strength!

“That’s enough bullsh!t!”

David has seen the power of talisman, although his Nine Shadows Sword Technique can also be cloned, and he can also be divided into several.

But that’s just an illusion, a shadow clone, not an entity at all!

If you have this kind of transformation avatar spell, you can directly separate a avatar, and the real self can escape, it is simply an escape spell!

Now David actually regrets passing all the spells to Hu Mazi!

“What? Sorry?”

Seeing David like that, Hu Mazi smiled lightly.

“What do you regret, but you said to help me find Baimucaao, go now...”

David asked Hu Mazi to take him to Baimucaao!

“Don’t worry, I promised you, how could I forget, let’s go...”

Hu Mazi was in a good mood and walked out with David!

When passing through the gate of Tianfuzong, David glanced at it yearningly. When his strength is stronger, he will definitely come and step into this ruins!

He believed that there must be more powerful spells waiting for him!

After coming out of the ancient ruins, David followed Hu Mazi to look for Baimu grass!

After three days of tossing and turning, we have reached the farthest edge of the southwest.

Going further is the endless sea!

“Master Hu, where is the Baimucaao you said? Don’t lie to me...”

David looked at the sea and asked silently.

“Don’t worry, I can still lie to you...”

Hu Mazi said, took out the compass card and started looking for something!

The sea breeze blew through, with a salty taste.

David followed behind Hu Mazi, he wanted to see where this Hu Mazi took him!

After walking on the beach for a long time, a small island appeared in front of them. The island was very close to the sea, only a dozen miles away.

However, there is a light red on the island, and it looks like a flaming mountain from a distance!

Hu Mazi held her breath and concentrated her spiritual power on the soles of her feet, and then began to walk on the sea, towards the small island!

Seeing this, David hurriedly followed.

With their current strength, walking on water is as easy as the palm of their hand.

And Ge Yuhan was even more like floating on the water, the three of them headed towards the island.

If ordinary people see it at this time, they must think that it is an immortal descending to earth!

Just when David and the others were about to approach the island, a wave of heat hit their faces, and the clothes of several people were soaked in an instant!
