

A Man Like None Other Chapter 1681 – 1690

Chapter 1681

“It’s too hot? Why does it feel like the stones on that island are all burned red?”

David frowned slightly.

“This is a volcanic island. The stones on the island are formed by volcanic eruptions. The reason why it is so hot now is because the volcano under the island is about to erupt again!”

“That’s why the stones are dark red and still hot.”

Hu Mazi explained to David.

“Damn, you won’t play with me, will you? How can a hundred eyes grass grow in a place like this?”

David was very surprised.

“The worse the place is, the better the grass will grow. You, a pharmacist, don’t understand this...”

Hu Mazi rolled his eyes at David, then jumped up and landed on the island!

Seeing this, David could only follow the island.

The feet just landed, and a burning feeling made them very uncomfortable!

David can only condense his spiritual power on his feet, so that he can feel more comfortable!

Hu Mazi took out two spells, stuck them under his feet, and continued to walk forward!

The heat wave became more and more difficult to resist as it continued to deepen.

“Have you arrived yet?”

David wiped the sweat from his forehead and asked.

“It’s just ahead!”

Flax is also hot and out of breath!

Only Ge Yuhan remained expressionless, she left when David left, and when David stopped, she stopped...

Soon, a few people came to a deep pit, and Hu Mazi pointed to the deep pit and said, “Hundred eyes grass is in it.”

David looked down, then looked at Hu Mazi: “Isn’t this a crater? The magma is rolling inside, can there be a hundred eyes grass?”

David can’t believe it, a hundred eyes grass can grow in this kind of place!

“It’s fine if you don’t believe me, I didn’t lie to you anyway...”

After Hu Mazi finished speaking, he took out the kettle and drank it loudly!

David was speechless for a while, and he could only look at the deep pit again. He saw that the heat waves were surging upwards, and it looked like the volcano was about to erupt at any time!

Picking up a stone, David threw it in!

But the stone fell into the magma and instantly turned into a plume of blue smoke!

“This...how to get this?”

David looked embarrassed!

“You have a strong physical body, and you are afraid of this little heat when you add an indestructible golden body!”

“It really doesn’t work, let that little girl go down, anyway, her body is stronger than you, and she doesn’t feel it at all!”

Hu Mazi pointed to Ge Yuhan and said.

“How about that, even if she goes down, she doesn’t know how to pick at all, and she doesn’t even know what a hundred eyes grass is!”

David shook his head directly, then looked at Shenkeng again, feeling the rolling heat wave, and continued: "Master Hu, do you have any spell to resist this heat wave and pluck off that hundred-eye grass?"

"What do you think? If I had that ability, Baimucaos would already be gone, and it's your turn to come?"

Hu Mazi rolled his eyes!

"Then give me a fire escape charm. You can't say you don't have this type of charm, right?"

David continued to ask.

"I have the Fire Avoidance Talisman, but it is useless, because the flame here is the fire of the earth, and the Fire Avoidance Talisman will not work at all."

"If you don't believe me, I'll try it for you!"

Hu Mazi said, then took out a spell, and then read a few spells!

Then throw the spell into the pit!

Before the spell fell to the bottom of the pit, it was directly ignited by the heat wave and instantly turned into ashes!

"See, I didn't lie to you, did I?"

Hu Mazi spread his hands.

David was speechless for a while, and looked at the deep pit again, his heart was beating, he didn't want to become a roast suckling pig!

"Master Hu, is there any other place, as well as Baimucaao, let's change the place!"

David wanted to look elsewhere, but he really didn't dare to go down here!

"No, I know this place, if you don't go down, then I'll go..."

Hu Mazi said, turned around and left!

Chapter 1682

"Master Hu, wait a minute, I'll go down..."

David hurriedly stopped Hu Mazi.

Hu Mazi stopped and said, "I can tell you, if you are burned to death, don't blame me..."

"Don't worry, it's not your fault!"

David's eyes are firm!

Soon, David's body radiated golden light, and the undamaged golden body was activated, and golden scales covered David's whole body!

David glanced at the deep pit again, and with the last bite of his teeth, he suddenly jumped in!

The rolling heat wave instantly wrapped David, and then David's whole body burned with flames!

The raging fire surrounded David. Fortunately, there was an undamaged golden body, which could block the flames. David's clothes would not be burned!

But the heat wave kept digging into David's body. The feeling of being roasted made David grit his teeth and his eyes were full of bloodshots!

At this time, David is like being in a closed cauldron, and then being roasted by the fire!

Although it can prevent the flame from directly contacting the clothes, there is no way to isolate that kind of heat!

zizizi

David could hear the direct skin being roasted, making a sizzling sound!

He felt that he was about to be cooked, and at this time, the smell of barbecue came out!

"Damn it, it won't be really cooked, will it?"

With sesame seeds on it, after smelling the smell of barbecue, his face couldn't help but look ugly!

But at this time, David's body is still falling, and David is suffering the most painful pain in the world!

The whole body's spiritual power and the power of the dragon have been exerted to the extreme, but they still can't stop the rolling heat!

pfft...

David's body fell directly into the magma, and then his body began to fall rapidly!

David was shocked and instinctively wanted to pull his legs out, but the magma seemed to have a huge suction force, constantly pulling David down!

Soon, the magma passed over David's chest, and David's eyes were full of despair!

"It's over, it's over..."

In David's mind, pictures from the past began to flash, his parents, Sonya, Gu Linger...

David never thought that he would die like this!

In the end, I am afraid that not even the bones will be left, and even the soul will disappear!

But just when David was about to be engulfed by the magma, suddenly a figure jumped down from above!

This figure was instantly engulfed by flames!

David looked up and was full of emotion.

“Master Hu, I didn’t expect that at the juncture of life and death, you could give up your life and forget your death...”

David thought that the one who jumped down was Flax!

But it wasn’t until the figure fell in front of him that David realized that it was Ge Yuhan who jumped down!

At this time, Ge Yuhan was naked, and the clothes on his body had been burned to ashes by the fire!

It’s just that Ge Yuhan’s crystal clear skin was not damaged in the slightest!

Ge Yuhan fell onto the magma, and then looked at David blankly.

“Yuhan, pull me, pull me quickly...”

David hurriedly called out to Ge Yuhan for help!

Ge Yuhan seemed to understand, he stretched out his hand and grabbed David.

David’s sinking body was stopped, but Ge Yuhan’s body was starting to sink!

Soon, Ge Yuhan’s calf was swallowed by the magma!

Seeing this, David hurriedly let go of Ge Yuhan, and then shouted: “Come on, leave me alone, you hurry up...”

But no matter how David shouted, Ge Yuhan's eyes were blank, as if he didn't hear him at all!

Gradually, Ge Yuhan's body was also engulfed by the magma, David was very anxious, but there was no way!

In the end, David and Ge Yuhan's bodies were all engulfed, and there was no trace of them to be seen again!

Chapter 1683

As the bodies of David and Ge Yuhan continued to sink, the hot feeling was gradually disappearing.

In the end, there was a hint of coolness, which made David feel very strange!

It has clearly entered the magma, how could it be cool?

But soon, David discovered that the magma not only felt cool, but also could breathe freely, completely like a closed space, isolating the magma from the outside.

David hurriedly reached out and grabbed Ge Yuhan. In order to prevent Ge Yuhan from falling too fast, David hugged her tightly!

But at this time, Ge Yuhan was naked, and David hugged her tightly. That kind of man's hotness instantly made David react.

David hurriedly recited the Qingxin mantra silently, and then looked at the bottomless pit, and the two slowly fell like this!

In the end, the two people's bodies stopped and they were not falling. David hurriedly looked and found that the two people were standing on a red coffin!

"Why is there a coffin here?"

David was surprised for a while.

And David felt that the coolness was emanating from the coffin.

The coffin wrapped in magma can still exude a burst of coolness, which is simply too strange.

David guessed that there must be some treasures in this coffin!

David carried Ge Yuhan down from the coffin, and then the bodies of the two people began to fall again!

Just as David fell, David slapped the coffin with his palm and opened the lid of the coffin.

Before he could see what was inside, David rolled in with Ge Yuhan in his arms!

If they didn't get into the coffin, the two didn't know where they would descend.

David and Ge Yuhan entered the coffin, and they were instantly enveloped in a chill!

A burst of frost condensed on the two of them!

David took a closer look at the coffins. Under them, there was a corpse, and only a pile of skeletons remained!

And in the position of the skull, a bead that is only the size of a thumb, sparkling with light!

And this cold air comes from this bead.

“What is this?”

David picked up the bead curiously, and from the bead, a penetrating chill hit David’s body instantly, causing David to shiver uncontrollably.

Just as David was observing the bead, he did not notice that Ge Yuhan, who was beside him, had originally dull eyes, and began to glow.

There was also an expression on the dull face, and he kept looking at his body!

“What a strange bead. If I swallow this bead, will I no longer be afraid of flames?”

David thought, he was going to swallow that bead!

Seeing this, Ge Yuhan hurriedly reached out and snatched the beads: “This is my orb, how can you bastard eat it?”

David was stunned for a moment, looked at Ge Yuhan with a face full of surprise, and then let out an incredible shout.

“what...”

David seemed to be stimulated by something, and shouted desperately!

Ge Yuhan also followed and yelled.

“You... have you recovered?”

David stared at Ge Yuhan and asked incredulously.

“Recover what? You big pervert, don't look at me...”

Ge Yuhan said, and covered David's eyes with his hands.

David pushed Ge Yuhan's hand away, grabbed Ge Yuhan's shoulder tightly and said, “How did you recover? Don't you remember me?”

David was excited and kept asking Ge Yuhan.

“I don't know you at all, what do I remember?”

“You are not allowed to watch, hurry up and undress for me...”

Ge Yuhan looked shy and asked David to take off his clothes for her!

David didn't say anything, just took off his clothes and put them on Ge Yuhan.

Chapter 1684

Now that Ge Yuhan has recovered, of course he is shy when he is naked.

After putting on David's clothes, Ge Yuhan's mood stabilized a little.

"Yuhan, do you really not remember me at all?"

David asked Ge Yuhan.

Ge Yuhan looked at David, then put his eyes on the dry bone, and there was a tear in his eyes!

This time, David was confused, and he didn't understand what happened to Ge Yuhan!

David looked at Ge Yuhan, and then a divine sense instantly enveloped Ge Yuhan!

David's face changed: "Say, who are you?"

Ge Yuhan's mood seemed to calm down, then looked at David and said, "I'm not your friend, I just borrowed your friend's body. I didn't expect that after thousands of years, someone would come here."

"This may be God's will. The person who came here turned out to be a soulless person, otherwise I wouldn't be able to survive..."

"God's will, this is God's will..."

Ge Yuhan was chattering, not knowing what he was talking about!

David frowned. He did not expect that Ge Yuhan was not recovered, but was brought back to life. In this way, how could he explain to Ge Cangsheng?

“I don’t care what kind of soul you are, leave my friend’s body immediately, otherwise don’t blame me for being rude to you?”

David threatened the soul in Ge Yuhan’s body.

“Hahaha, why are you being rude to me? Are you trying to kill me? Don’t forget that this is your friend’s body. If you kill me, only your friend will die...”

Ge Yuhan laughed.

David was speechless for a while, but still said: “I tell you, I have a way to force you out, and then your soul will disappear.”

“I advise you to come out by yourself, and find someone again at that time!”

“I don’t believe you have such ability!” Ge Yuhan smiled.

“If you don’t believe me, then try...”

After David finished speaking, the golden light on his body flickered, instantly surrounding Ge Yuhan, and then he placed his palm on top of Ge Yuhan’s head.

Soon, Ge Yuhan’s expression became hideous. There was a look of horror in his eyes!

“No, no, please let me go, as long as you take me away from the power, I will never pester your friends.”

“Your friend’s soul is not the same, I just borrowed her body temporarily, there is absolutely no malicious intent!”

“Please, please...”

Ge Yuhan cried and began to beg for mercy loudly!

Seeing this, David softened his heart, took his hand back, and then asked, “Then tell me, who are you? Why are you here?”

With tears on his face, Ge Yuhan started talking about himself with David!

David listened slowly, and finally became very angry!

It turned out that this soul was a saint from Guanghan Palace.

Thousands of years ago, Guanghan Palace was besieged by the demons, and the Holy Maiden of Guanghan Palace fled with the holy relic of Guanghan Palace.

In the end, he was caught up by the Demon Race, and finally forced to, the Holy Maiden swallowed the Fire Orb!

Finally, the demons put the saint into the coffin and sealed it in the crater!

Fortunately, there is a fire prevention pearl. For thousands of years, although the body of the saint has been corrupted, it still retains a trace of her soul!

But as time goes by, this trace of soul is getting weaker and weaker!

If Ge Yuhan is a person with a sound soul, it is impossible for the soul of the Holy Maiden of Guanghan Palace to enter Ge Yuhan's body!

"It seems that this is really God's will..."

David sighed involuntarily.

Because this is too coincidental, there are very few people with incomplete soul like Ge Yuhan.

"Seeing that you are also a miserable person, so stay in my friend's body temporarily, but when I help my friend find his soul, you must leave."

"But I'll find a way to help you find a body."

David said to Ge Yuhan.

Chapter 1685

"Thank you sir..."

Ge Yuhan said, and knelt down for David!

"But I hope you will live as my friend and don't let the outside world know about it."

David was afraid that the news of Ge Yuhan's being possessed by a soul would spread, and the Ge family's reputation would be ruined!

After all, this kind of thing is very taboo for these immortal cultivating families!

"I understand!" Ge Yuhan nodded: "Then let's go up now!"

"Not yet, I'm here to find Baimucao, and I can only go up when I find Baimucao..."

David said.

"Bamboo grass?" Ge Yuhan frowned slightly, then suddenly remembered something and said, "Are you talking about something that has only three leaves and the patterns on the leaves are like eyes?"

"Yes, yes, do you know where?"

David asked with a look of surprise.

Ge Yuhan looked embarrassed: "I'm sorry, that thing has been growing on my coffin and I have absorbed it..."

It is precisely because of absorbing the energy of the Bamboo Grass that the Holy Maiden's soul has persisted until now, and it has not vanished!

When David heard it, he was a little disappointed, but this is the end of the matter, and there is no way to do it!

I can only go up with Ge Yuhan!

At this time, Ge Yuhan swallowed the fire prevention beads, so David and Ge Yuhan were together and could not feel the heat wave at all.

But just as the two of them were going upstream, waiting for Hu Mazi on it, they were already anxious.

Hu Mazi looked at the bottom of the pit, the figures of David and Ge Yuhan have not appeared, it has been a long time, it is obvious that something unexpected happened, Hu Mazi is full of grief and indignation!

“Brother David, I didn’t expect you to die like this...”

Hu Mazi took out a handful of yellow paper, and then threw it toward the sky: “But it’s okay, there is a beautiful woman on the road to Huangquan, and you won’t be too lonely when you get to hell...”

Hu Mazi turned around and was about to leave. He didn’t expect this trip to be David’s last stop!

“Master Hu, you called me here, but you secretly left without waiting for me. This is your fault...”

Just when Hu Mazi turned to leave, David’s voice sounded from behind!

Hu Mazi was full of surprise, and hurriedly turned around to look, and found that it was David, but at this time David was only wearing underwear, and he looked very funny!

“David, you are not dead, I thought you were dead...”

Hu Mazi rushed over and hugged David fiercely.

“Cough, cough, Master Hu, I didn’t get burned to death, but I’m going to be strangled by you...”

David’s face was flushed, and he coughed a few times loudly!

When Hu Mazi heard this, he quickly let go of David apologetically, and then asked, “How is it, did you get the Baimucaos?”

David nodded: “I got it, now Yuhan has recovered...”

David lied to Hu Mazi!

Hu Mazi looked at Ge Yuhan and found that Ge Yuhan really had a spirit in his eyes, with a smile on his face, he was no longer so rigid!

“Sure enough, it has recovered.” Hu Mazi looked at Ge Yuhan, and then smiled: “After this recovery, I also have aura in my body, and I am even more beautiful than when I was dull. David, you are really beautiful...”

“Cough, Master Hu, what nonsense are you talking about...”

David glared at Hu Mazi.

Hu Mazi smiled, then stretched out his hand towards Ge Yuhan and said, "Little girl, since you have recovered, let's get to know each other again. My name is Hu Mazi, you can just call me Master Hu!"

Ge Yuhan smiled, stretched out his hand, and shook hands with Hu Mazi: "My name is Ge Yuhan, and I hope Master Hu..."

But before Ge Yuhan's words were finished, he saw Hu Mazi's face change, and then several spells rose from his body, instantly surrounding Ge Yuhan.

Chapter 1686

"Bold soul, dare to show ugliness in front of this master..."

As Hu Mazi said, several spells flickered, and these rays of light shone on Ge Yuhan's body, making Ge Yuhan's face very ugly!

"Master Hu, stop..."

David hurried forward, grabbed Hu Mazi, and then knocked those spells to the ground!

"David, are you fcking crazy? Are you fascinated by this woman, he is possessed by a soul, not a recovery at all..."

Hu Mazi said loudly to David.

"Master Hu, I know, you listen to me first..."

David stopped Hu Mazi and hurriedly followed Hu Mazi to explain!

At this time, Ge Yuhan was also teary-eyed, and she didn't want to invade other people's bodies. It would be very unfair to the owner of this body!

But she had no choice. If she didn't enter Ge Yuhan's body, her only remaining soul would dissipate.

Hearing David's explanation, Hu Mazi was full of surprise!

"The Holy Maiden of Guanghan Palace? This is a super sect from thousands of years ago."

"But I heard that although Guanghan Palace was destroyed after the war between gods and demons, many people in Guanghan Palace survived. The sect of Guanghan Palace should still be alive somewhere!"

Hu Mazi said lightly.

"Master Hu, do you know where it is? Where is Guanghan Palace?"

Seeing this, Ge Yuhan hurried forward to kneel down for Hu Mazi!

"Don't, I just heard that the specific Guanghan Palace is still there, and I don't know where it is!"

Hu Mazi hurriedly supported Ge Yuhan without letting her kneel!

When Ge Yuhan heard this, his face was full of disappointment!

rumbling...

Suddenly, the whole island began to tremble, and then a roar was heard!

“Broken, the volcano is about to erupt, let’s go...”

Hu Mazi’s face changed, he turned around and ran towards the sea!

David also hurriedly pulled Ge Yuhan up, swept across the sea, and ran towards the land!

As soon as the three of them left the island, they saw magma tens of meters high, which spewed out instantly, fell into the sea water, and bursts of smoke rose!

“Let’s go back...”

David glanced at the small island engulfed by magma, and then said!

“Let’s go, I’m going to Baihai City, the secret realm of Tianfuzong is guarded by a group of evil cultivators, I don’t worry...”

Hu Mazi didn’t plan to go with David!

David glanced at Hu Mazi: “I think you are reluctant to bear the women of the Shen family?”

“Nonsense, we cultivators have to put aside three emotions and six desires, how could a few women disturb my pure heart.”

Hu Mazi said with a serious face.

“Master Hu really has the demeanor of a master. Many immortal cultivators are trapped in love in the end, and they have not been able to become extraordinary and step into the ranks of true immortals...”

Ge Yuhan looked at Hu Mazi with admiration and said.

As the saint of Guanghan Palace, a cultivator who existed thousands of years ago, Ge Yuhan at this time has the deepest understanding of the journey of cultivating immortals!

When Hu Mazi was praised by Ge Yuhan, his beard was upturned, and he said proudly: “I have already seen through the world, I have no desires and no desires, and it is impossible for anyone to shake my heart of cultivating immortals!”

David looked at Hu Mazi like that and couldn't help covering his mouth and laughing.

“What are you laughing at, am I wrong?”

Hu Mazi glared at David!

David shook his head: “Master Hu is right, even if a woman is naked in front of you, you won't even take a look.”

“Of course!” Hu Mazi nodded.

David quietly pulled at the clothes on Ge Yuhan's body, Ge Yuhan's shirt slipped off instantly, and his snow-white skin was exposed!

Seeing this, Ge Yuhan hurriedly grabbed the clothes with his hands and wrapped himself up.

Chapter 1687

And at this moment, the flax child's eyes are wide open, his Adam's apple rolls, and the hala child is about to flow out!

David couldn't help laughing when he looked at Hu Mazi.

On the other hand, Ge Yuhan blushed and glared at Hu Mazi.

Just now, she really thought that Hu Mazi was a master of immortality, with no desires and no desires...

But I don't want to be an old-fashioned batch...

Hu Mazi suddenly looked embarrassed, and hurriedly wiped the saliva from the corner of his mouth: "You two go slowly, I have to go first..."

After speaking, Hu Mazi left without looking back in embarrassment!

David took Ge Yuhan back to Yaoshen Valley!

Originally, the plan was to get Baimucao so that Ge Yuhan could recover, but now that Baimucao was not obtained, Ge Yuhan was possessed by a soul, but fortunately, this soul is not an evil person, but also a pitiful person. .

David returned to Yaoshen Valley and lied that he had recovered Ge Yuhan, but no one doubted him!

"I didn't expect that after thousands of years, the spiritual energy in this world would be so thin!"

“How can such a thin spiritual energy support cultivation?”

Ge Yuhan felt the spiritual energy of heaven and earth, and said with emotion.

“After the battle between gods and demons, the immortal realm collapsed, and the spiritual energy of heaven and earth was exhausted. It has been thousands of years.”

“In the whole world today, there are very few immortal practitioners, and it is already the world of martial arts.”

“Immortal cultivators can only hide in the secret realm, slowly waiting for the aura to recover...”

David followed Ge Yuhan to explain!

“The reincarnation of heaven, I believe it won’t be too far from the recovery of spiritual energy, but when the spiritual energy recovers and the fairy world is prosperous, those guys from the demon world will also be born...”

Ge Yuhan’s eyes were a little worried!

David did not speak, because what Ge Yuhan said was the same as what Ge Fuhai told him.

It seems that the spiritual energy is really about to recover, and the pattern of the world is about to change!

Thinking of this, David decided to return to the capital. He wanted to establish the sect as soon as possible!

If you really wait until the spiritual qi recovers, it is not enough to be close to one person's strength.

David returned to the Dragon Family in Kyoto from Yaoshen Valley!

Immediately, Long Xingxu was found.

"Brother David, are you looking for me?"

Long Xingxu asked respectfully.

"Xingxu, I plan to establish a sect, the name is Longmen, and it is based on the Long family."

"As for recruiting disciples, you must remember to check the good ones, and those with evil deeds must not be recruited, understand?"

David warned Long Xingxu.

"I understand!" Long Xingxu nodded, and then asked David, "Brother David, if you establish a sect now, you need to go to the official report. Do you want to report it?"

"Tomorrow, I'll report to you. You should start preparing for Longmen to recruit disciples, and spread the news."

“Don’t be afraid of low realm, as long as there are no evil deeds!”

David warned again.

“Okay, I’ll go right now!”

Long Xingxu left!

David stood at a high place and stared at the capital. He knew that the road ahead would be more and more difficult, but he would never back down!

Soon, the news of Longmen recruiting disciples on the Martial Dao Forum exploded the entire forum!

“Damn it, David founded the sect, and the name is Longmen. Based on the Long family, it has widely accepted disciples!”

“This David is really awesome. He has been suppressed by the Martial Arts Alliance, but the more suppressed he becomes stronger.”

“I’m going to join this Dragon Gate, David is too good!”

Many people have expressed their desire to join Longmen!

One of the main reasons why many people want to join Longmen is that Yaoshengu will give priority to supplying Longmen for their worries in the future.

After all, the owner of Yaoshengu is David, and now the owner of Longmen is also David.

Chapter 1688

It's like David running two companies by himself. Of course, people will give priority to him.

Just after the news of David's establishment of a sect was released, many aristocratic families began to congratulate him!

The Bai Family, Dong Family, Ge Family, Shadowless Villa, and the Valley of the Wicked in Kyoto all congratulated them.

Originally, Zhao Liguo and the four villains wanted to join Longmen, but they were rejected by David!

They all belong to the Tianlong Temple. It's true that David is the owner of the temple now. These people listen to him.

However, the Tianlong Palace does not belong to the sect established by David himself. Although this Tianlong Palace may have been created by his father to pave the way for himself, David did not want to sit back and enjoy it.

David wants to create a career through his own efforts. If he can meet his father one day, he hopes that his father will be proud of having a son like him!

And the identity of David Tianlong Palace's hall master is also a secret, which can be used as David's trump card.

The next morning, in the Dharma Protector Pavilion in Kyoto, Mr. Shi sat in the hall very early!

"Mr. Shi, why are you so early today?"

Xing Jun asked.

“Waiting for someone!” Mr. Shi said with a faint smile.

“Are you waiting for that David?”

Xing Jun guessed.

“Yes!” Mr. Shi nodded.

“This David is really getting bigger and bigger. He wants to start a sect, and he has built a dragon gate. I heard that there were thousands of people who signed up to join the dragon gate in the martial arts forum yesterday.”

“This kid might not be able to get out of the biggest sect in the martial arts world in Kyoto!”

Xing Jun said in surprise.

“Young people, aggressiveness should be supported, but a person with strength, leading a sect to develop, is not the same concept at all. I hope he can improve the strength of the sect in addition to improving his own strength...”

Mr. Shi knows that being able to fight alone and being an excellent leader is completely different.

After Mr. Shi finished speaking, he looked at Xing Jun and asked, “How’s the island country mission?”

“We have reached the port, and we will be in Kyoto in two days!”

Xing Jun replied.

“Well, remember to monitor closely, and never let one of them leave your sight before entering the capital!”

Mr. Shi ordered.

“Understood!” Xing Jun nodded!

At this moment, Zao Wou-Ki walked in and said to Mr. Shi, “Mr. Shi, Mr. David, Mr. Chen is here!”

“Well, let him in!” Mr. Shi nodded!

Zao Wou-Ki then walked out.

Since Mr. Shi chose to work in the Law Enforcement Pavilion, Zao Wou-Ki, the pavilion owner, has become an errand runner.

Soon, David walked into the hall. After seeing Mr. Shi, he saluted slightly: “Meet Mr. Shi...”

Mr. Shi had a faint smile on his mouth: “When did you become so polite? Are you asking me for something?”

David smiled, then nodded: “I want to establish a sect, so I need to report to Mr. Shi.”

“Xing Jun, go and bring him the formalities...” After Mr. Shi finished speaking to Xing Jun, he looked at David again: “I have finished the formalities for you, so you can go ahead and do it, but I have to warn you. You say, leading a sect is far more difficult than you think.”

“Thank you Mr. Shi for reminding me, but I’m confident!”

David has the confidence to carry forward Longmen!

Soon, Xing Jun took the procedures and gave it to David, and David didn’t stay for long, and went straight back to the Long family!

Right now, Longmen is under construction, so there are a lot of things to deal with!

After the formalities are complete, Longmen can officially recruit disciples, and the gate of Long’s family will be crowded out in a time.

Long Xingxu led people to carry out the screening work. If anyone had bad habits, they would be rejected directly.

It doesn’t matter how strong you are!

Chapter 1689

The recruitment of disciples is progressing steadily, and the official change of the facade of Longmen is set in three days!

The martial arts world in Kyoto and many other places were invited.

A great Marquis in his twenties, such a realm is enough to make many people in the martial arts world envy!

Some people are jealous and some people are jealous!

Similarly, some people will think of ways to curry favor with David!

The entire martial arts world started to boil because of the Dragon Gate, but within the Kyoto martial arts alliance, Ning Zhi's face became more and more ugly!

Ning Zhi couldn't understand, how did David grow up step by step?

David, who was originally a year ago, is not sh!t.

You can crush him with just one finger!

But in just one year, has such a big change happened?

Ning Zhi couldn't accept it, but he couldn't help it!

This is a fact!

"Hey, I hope that David's establishment of a sect can attract the attention of the great master and send the black silver robe to deal with him..."

Ning Zhi sighed.

He felt that he had worked hard enough and was absolutely smart enough, but he just didn't understand why he couldn't compare to David!

Now in the entire Kyoto martial arts world, except for David, he is the only one who can reach the Great Marquis at a young age.

There is another Long Xiao, who has long since become a dead soul!

“You have the sacred weapon in hand, and you have no fighting spirit suppressed by David. It seems that your cultivation will not improve much after all...”

The soul in Ning Zhi said in disappointment.

“I... What can I do? Even with the sacred weapon in hand, I couldn't kill that David!”

“The woman next to David is too perverted, and even the sacred weapon can't hurt her in the slightest.”

Ning Zhi said with a decadent look!

“It seems that your position as the leader of the alliance has dragged down your cultivation. I think you are still concentrating on your cultivation, and don't worry about the martial arts alliance.”

The soul persuaded Ning Zhi!

Ning Zhi smiled bitterly: “Why don't I think about it, if I don't have the strength, even if I sit in the position of this alliance leader, it's like sitting on needles!”

Ning Zhi doesn't want to do it for a long time now, and David is now in the limelight, and he created Longmen again!

In the entire Kyoto martial arts world, how many sects and noble families still obey their martial arts alliance?

The prestige of the Martial Arts Alliance has long since plummeted.

At this moment, a black mist suddenly blew past, and then a man wearing a black robe appeared in the hall of the Martial Arts Alliance!

Ning Zhi fixed his eyes and found that the other party's Peugeot entry was silver, so he immediately knelt down and said, "My subordinates pay tribute to the black and silver robes!"

The other party just glanced at Ning Zhi contemptuously: "Da Neng is very dissatisfied with your recent performance, and specially asked me to take your place.

"

The black silver robe said coldly.

When Ning Zhi heard this, he was instantly overjoyed. He just didn't want to be the leader of the Martial Dao Alliance!

"My subordinates are incompetent, and I am ashamed of the great respect!"

Ning Zhi said quickly.

"Humph!" The black robe snorted coldly, and then waved his hand, and the black robe covering his body disappeared instantly!

One was only in his twenties, and his pale face was revealed!

Seeing this, Ning Zhi gasped, because they all covered their faces with black robes. Ning Zhi never thought that there would be such a young person in black silver robes!

The person in front of him looked a few years younger than Ning Zhi, but his strength was no longer comparable to Ning Zhi!

At this moment, Ning Zhi was hit hard again!

“Then David will hold a sect ceremony in three days?”

Black Silver Robe asked.

“right...”

Ning Zhi nodded, facing the black silver robe who was younger than himself, Ning Zhi had mixed feelings in his heart!

“Prepare a generous gift, and come with me to Longmen in three days...”

Black Silver Robe said lightly.

“His Holiness, we and David...”

Before Ning Zhi finished speaking, he was slapped in the face by the other party!

“Didn’t you hear what I said?” Hei Yinpao stared at Ning Zhi.

“My subordinates dare not!”

Ning Zhi lowered his head and did not dare to say a word.

Chapter 1690

...

Kyoto, the Ge family!

Ge Fuhai said to Ge Jiayi, “Jiayi, choose some valuable gifts and send them to Mr. Chen’s Dragon Gate on the day of the ceremony.”

“Dad, I have already prepared, and I have emptied the warehouse at home!”

Ge Jiayi laughed.

“What are you doing with emptying the warehouse?”

Ge Fuhai’s face was full of surprise!

“I will be David’s person in the future, and David’s gantry is also mine. Of course, I have to do more things now...”

Ge Jiayi said without any shyness.

Ge Fuhai felt a little heavy when he heard it, because he knew David’s true identity, how could his daughter be worthy of David.

But if David is really with Ge Jiayi, then Ge Fuhai and the others will greatly improve their status in the Ge family.

“It’s really a girl who doesn’t stay in college...”

Ge Fuhai smiled bitterly, he decided not to care about Ge Jiayi and let her pursue David freely!

At this moment, a servant of the Ge family came to report: "Patriarch, there is a young man who asked to see him, saying that it is from the Jiang family."

"The Jiang family?"

Ge Fuhai frowned slightly, then waved his hand and said, "Let him in!"

Soon, a young man with dark skin in casual clothes walked in.

"Jiang Wei, the younger generation, meet Uncle Ge..."

Jiang Wei saluted Ge Fuhai.

"Jiang Wei?" Ge Fuhai was somewhat familiar with the name. After thinking for a moment, he said, "I remembered, you are the Jiang Wei from the Jiang family in the northwest, who beat dozens of people in a row and became a blockbuster?"

Jiang Wei smiled awkwardly: "It's me, but in front of Uncle Ge, I'm just a little trick!"

Ge Fuhai shook his head: "Your strength is much stronger than mine. You are now in the realm of the Great Marquis, and you are so young, your future achievements are limitless."

"But my Ge family doesn't seem to have any friendship with your northwest Jiang family. I wonder why you came to my Ge family this time?"

Ge Fuhai didn't remember what kind of friendship the Ge family had with the Jiang family, and did not know why Jiang Wei came to his house.

Jiang Wei smiled lightly: "Uncle Ge doesn't know about the Jiang family, but you should know about Tianluolou, right?"

Jiang Wei's words made Ge Fuhai's eyes suddenly open: "Is your Jiang family the spokesperson of Tianluolou?"

Ge Fuhai knew that a lot of powerful families have suddenly appeared recently, and they must be the spokespersons of a certain sect family in the major secrets!

But Ge Fuhai didn't know that behind these sect families was the force in the secret realm!

But when Jiang Wei mentioned Tianluolou, Ge Fuhai understood it instantly!

Because only the spokesperson will know what is going on in the secret realm.

Like the Ge family, Tianluolou is in the secret realm that has left his position, that is, Huomen!

In the secret realm, the Ge family and Tianluolou have cooperated several times, and it can be regarded as some friendship.

So this Jiang Wei found the Ge family and called Ge Fuhai uncle Ge, it was understandable!

"Uncle Ge, my Jiang family is the spokesperson of Tianluolou in the secular world. Our Jiang family has been secretive in the martial arts world for hundreds of years, and only recently did we choose to make a high-profile comeback."

Jiang Wei followed Ge Fuhai truthfully.

After all, these things are known to everyone, and Jiang Wei doesn't need to hide them!

Ge Fuhai looked at Jiang Wei's strength, and said with a wry smile: "I thought our Ge family was forbearing enough, but I didn't think that the other endorser families would be able to forbear!"

Ge Fuhai chose to establish a foothold in the martial arts world of Kyoto, regardless of world affairs, and forbear the life, also because the various life and resources in the martial arts world of Kyoto are better than other places!

But he did not expect that so many aristocratic families would choose a very remote place to forbear. In a remote place, the resources are obviously scarce, but in this environment, these families can even cultivate such masters as Dawuhou. !

Ge Fuhai couldn't help looking at Ge Jiayi, he felt that he was a failure, no matter in any way, he was a failure...
