

## A Man Like None Other Chapter 1691 – 1700

### Chapter 1691

“Uncle Ge, as far as I know, there will be a large number of people from the spokesperson’s family coming to Kyoto in the past two days.”

Jiang Wei said.

“Come to Kyoto?” Ge Fuhai was a little surprised: “What are they doing in Kyoto? Are they trying to attract official attention?”

Jiang Wei shook his head: “The purpose of their coming is the same as mine, to step on the top...”

This time, Ge Fuhai can be said to be stunned. These people are so powerful, do they still need to step on them?

“I see. David’s Dragon Gate will hold a ceremony in two days. These people will not come to step on David, right?”

Ge Jiayi asked.

Jiang Wei nodded: “Nowadays, in the Kyoto martial arts world, the most famous person is David, so everyone wants to step on him.”

“Then you came to the capital to step on him?” Ge Jiayi frowned slightly, her face a little ugly!

Before Jiang Wei could see that Ge Jiayi was unhappy, he nodded and said, “Of course, as long as anyone defeats David, his reputation in the Kyoto martial arts world will skyrocket, which is very important for the future development of the family.”

“Hmph, whoever steps on David will follow my Ge family against me, and we will never stand by and watch.”

Ge Jiayi said sharply.

Jiang Wei was stunned, then looked at Ge Fuhai: “Uncle Ge, what does Miss Ge mean? Could it be that the Ge family has something to do with David?”

Of course, Ge Fuhai will not say that David is the master of the Tianlong Temple, and the Ge family is the mouth of the Tianlong Temple!

So he explained: "Then David and the little girl are friends, maybe they will become a family in the future. Do you understand when I say this?"

When Jiang Wei heard this, he suddenly realized: "Oh, so it is????, in this way, I really want to meet that David soon, what kind of charm does she have to make such a peerless beauty like Miss Ge like! "

"I can tell you, if you dare to hit David's idea, our Ge family will become mortal enemies with you in the future, you can do it yourself..."

Ge Jiayi glared at Jiang Weidao.

Whoever goes against David now is the enemy of the Ge family!

Jiang Wei frowned slightly, then looked at Ge Fuhai, you must know that in the secret realm, the Ge family and Tianluolou can be regarded as a cooperative relationship. Is it just for David, the Ge family should follow Tianluolou to turn their face?

Ge Fuhai nodded: "The little girl is right, whoever follows Mr. Chen as the enemy, that is the enemy of my Ge family..."

"Uncle Ge, a David, can you actually make the Ge family pay so much? Besides, the Ge family and Tianluolou are now cooperating. Can your words represent the elders of the Ge family?"

Jiang Wei can't believe it, the Ge family really dares to turn against Tianluolou for a David!

What if David is Ge Jiayi's boyfriend?

The Ge Fuhai family has a very low status in the Ge family, otherwise they would not have been sent to the secular world to act as spokespersons!

"I advise you, what I say, our clan elder will also say the same, if you really dare to disrespect Mr. Chen, I believe that the clan elder will not only cut off the cooperation with your Tianluolou, but also at any cost, Let you Tian Luo Lou suffer."

Ge Fuhai said with a serious look on his face.

Jiang Wei looked at Ge Fuhai like that, and didn't want to make a joke, so he smiled lightly and said, "Uncle Ge, I have no grievances with that David, how could I target that David, but normal exchanges and discussions, I think Uncle Ge Would you mind?"

For Jiang Wei's sake, what else can Ge Fuhai say!

Can't let people communicate and learn from each other?

You must know that in the martial arts world, it is normal to communicate and learn from each other.

"It's okay to communicate and discuss, but you can stop here. If you think about it, you will be the one who will regret it!"

Ge Fuhai threatened Jiang Wei.

“No, since David is half of the Ge family, he is on the same front as us in Tianluolou, how could I have a crooked mind...”

Jiang Wei hurriedly assured.

## **Chapter 1692**

time flies!

Two days have passed in the blink of an eye, and tomorrow is the time for the Dragon Gate Ceremony!

The entire dragon family moved up and down!

But because Long Xingxu took care of it, David didn't have to worry about it!

In the past two days, I just took Ge Yuhan to get acquainted with the environment and the people around him.

And also let Ge Yuhan familiarize himself with his body more, so as not to reveal his stuff!

“Sister Ling'er, Brother David has been taking that woman around these two days. Shall I remind him that you are his girlfriend?”

Seeing that David was always taking Ge Yuhan around these two days, Xiaoru said to Gu Linger with some grievances.

“He can take whoever he likes. Uncle Long said, don't put too much pressure on David. If you really like someone, the more you hold him, the more he wants to break free...”

Gu Linger thought about it, then looked at Xiaoru and asked, "Where is your Zhao Chuang? Didn't I come to see you today?"

"He's busy. Brother David's Dragon Gate Ceremony will be held tomorrow. There are a lot of things to do!"

"Sister Ling'er, if you're bored, let's go for a walk..."

Xiaoru was afraid that Gu Linger would be bored alone, so she said.

"Okay!" Gu Ling'er nodded!

But just when Gu Linger and Xiaoru were about to go out for a walk, two girls who looked exactly the same and dressed very enchantingly walked in!

"Where are you two going, take us with you..."

The two girls laughed.

"Sister Meier, Sister Xiaolan..."

Seeing this, Xiaoru hurried up to meet her!

Seeing this, Gu Linger also happily stepped forward and chatted with the two!

Wu Mei'er and Xiao Lan were sent away by Long Wu, and he let the two of them go to practice. The two of them were born with the magic of charm. If they can find someone to take them with them and practice, they will definitely make great achievements in the future!

So the two sisters were sent abroad to practice the spell of charm!

It's been a few months now!

"Why did you two come back suddenly?"

Gu Linger asked curiously.

"David wants to create a sect, how can our sisters be absent for such a big event..."

Xiaolan smiled lightly.

This smile is like the wind blowing on the face, the flowers are in full bloom, and even the woman's heart is shaken when she sees it!

It can be seen that Xiaolan's charm technique has improved a lot.

"Exactly, the four of us go out for a walk together..."

Xiaoru said happily.

"What about David?" Wu Meier asked.

When Wu Meier asked, Gu Linger didn't say a word that was a little embarrassing, but Xiaoru pouted and said, "Brother David went shopping with a woman, I don't know where he brought the woman, and they are inseparable all day long. of."

When Wu Mei'er and Xiao Lan heard this, they were immediately furious!

"Let's go, take us to him, I promise to make David obedient, he will listen to what we say."

Wu Meier said.

The four girls went to look for David. They were walking on the street. The four women attracted the attention of many people!

Especially Wu Mei'er and Xiao Lan, who smiled and gave birth, and many men fought because of the two of them!

Soon, the four of them found David's figure, and Ge Yuhan followed David!

It's just that David didn't find the four of them!

"I didn't expect that after thousands of years, the world has become like this..."

Ge Yuhan looked around, his performance was very novel, but then he revealed that: "It's just that the spiritual energy of this world is too thin, there is no way to cultivate, let alone cultivation, I am afraid that the strength of my physical body will be able to exert itself. Two-thirds is not bad."

"Don't you have any other way to get back to your peak state?"

David asked.

From David's point of view, at this time, Ge Yuhan's body is a soul that has survived for thousands of years, the Holy Maiden of Guanghan Palace, is there no way?

### **Chapter 1693**

Ge Yuhan shook his head: "No, the spiritual energy of this world is thin, and it seems that there is a forbidden force between the heaven and the earth, which is hindering the growth of the strength of the immortal cultivator. What kind of forbidden force is it? It's hard to say, but it feels like something is limiting."

"Forbidden power?" David was stunned for a moment, and then thought that when he was on Penglai Island, the entire island was also set up with taboo power, so no matter how people on the island cultivate, it is impossible to reach a higher level. Strength!

At this time, David had a bold idea in his mind.

"Could it be that someone has set up taboo powers throughout the earth to control the development of immortal cultivators?"

When David thought of this, he felt ridiculous!

Who has the ability to set taboo power on the entire earth, it is simply impossible!

"Come on, I'm taking you around..."

David sighed helplessly. He originally thought that Ge Yuhan had recovered. With a martial arts master by his side, he was almost invincible.

But I don't want Ge Yuhan's strength to be limited, and now he can only exert the strength of the fifth-grade Dawuhou!

Just as David was hanging out with Ge Yuhan, two fragrances suddenly came and entered David's nose instantly!

Smelling the aroma, David only felt his head dizzy, followed by a surge of blood, and the whole body began to feel hot!

David hurriedly looked back and found that it was Gu Linger and the others.

And that Wu Meier and Xiaolan are among them!

Seeing these two people, David understood in an instant, and was about to speak, when he saw Ge Yuhan's expression changed: "Bold demon girl, she dares to use charm in broad daylight..."

Ge Yuhan didn't know Wu Mei'er and Xiao Lan. Seeing that the two used the charm technique on David, he was instantly furious and attacked them!

Wu Meier and Xiaolan did not show weakness, and said to Ge Yuhan: "You little fox, seduce other people's boyfriends, you are the demon girl..."

Soon, the three of them started fighting in the street. Because they were in a busy city, none of the three dared to use their full strength!

Otherwise, the landslides and the ground will crack, and many people will be killed and injured, which is not allowed by the government.

Because of this, Ge Yuhan's strength was limited, and he fought with Wu Meier and Xiaolan, but it was hard to tell the winner!

A lot of people watching the lively around, gathered around one after another, pointing one by one.

Don't mention how embarrassing David is at this time!

"Okay, okay, stop fighting..."

"Stop fighting..."

David was helpless, so he could only step forward and separate several people!

“Okay, this is a misunderstanding, go back and talk about it...”

David couldn't help but go back with a few people!

Although David took a few people back quickly, he was photographed by others and spread on the Internet!

At this moment, on the martial arts forum!

There were discussions about several women fighting for David.

This time, David was a little dumbfounded, but a few women were reasonable. After David explained it, they were reconciled!

At that time, Ge Yuhan also acted to protect David, and Wu Meier and Xiaolan didn't blame her either!

David looked helpless, sitting alone on the balcony smoking!

In the face of a powerful enemy, David can find a way to deal with it!

But facing so many women, David really didn't know how to deal with it!

“The dignified lord of the Dragon Gate would actually worry about women...”

At this time, Long Wu walked over to David and sat down.

“Uncle Long!” David lit a cigarette for Long Wu: “Hey, I really don’t know what to do.”

“You don’t have to do anything. I believe those girls will handle their relationship with each other well. Women shouldn’t be the source of your worries. You should spend your energy elsewhere...”

Long Wu persuaded David.

David nodded, the sad look on his face was swept away!

## **Chapter 1694**

Kyoto, Dharma Protector Pavilion!

Xing Jun hurriedly walked into the hall of the Law Enforcement Pavilion: “Mr. Shi, the island country embassy has arrived, and it’s outside now!”

Mr. Shi nodded: “Let them come in!”

Soon, Xing Jun walked in with a group of island embassies!

The leader of them is a middle-aged man with a beard named Kazuo Kawaguchi, who is also the head of the mission!

And behind Kazuo Kawaguchi, there were five people, all in suits and leather shoes, but there was only one person, wearing a samurai uniform, carrying a samurai sword, and his hair was braided behind his back!

When Xing Jun saw that the man came in with a knife, his face became slightly cold, and he immediately stepped forward and said, “Hand over the knife and meet Mr. Shi, no weapons are allowed...”

“Knives are the soul of our warriors. We never have the habit of surrendering weapons unless you kill me...”

The samurai said with a look of disdain.

Xing Jun frowned and reached out to grab the knife in the warrior’s hand.

Just when Xing Jun caught the samurai sword, he saw that the samurai’s wrist flicked, and then a huge force shook Xing Jun back a few steps!

“Watanabe Jun, don’t be rude...”

Kazuo Kawaguchi reprimanded the samurai!

Mr. Shi waved at Xing Jun at this time: “Let them do as they please...”

Xing Jun could only retreat, and Mr. Shi said to Kazuo Kawaguchi: “Mr. Kawaguchi, please sit down...”

“Thank you, Mr. Shi...”

Kazuo Kawaguchi nodded, and then everyone sat down next to him!

But just as Watanabe Jun was about to sit down, Mr. Shi flicked his fingers.

wow...

The chair under Watanabe Jun was shattered and scattered on the ground!

This time, Watanabe Jun’s face was very ugly!

“Mr. Kawaguchi, I’m really sorry, the chair has been in disrepair for a long time, and I didn’t expect it to be broken...”

After Mr. Shi finished speaking, he winked at Xing Jun and said, “Captain Xing, go and move a chair...”

Xing Jun looked at Mr. Shi’s eyes, and instantly understood, so he pretended to say: “Mr. Shi, because of the activities, the chairs have been removed, and there are no more chairs.”

“Oh, what a coincidence, that can only make this Mr. Watanabe stand...”

Mr. Shi smiled apologetically.

This made Watanabe Jun annoyed, but Kazuo Kawaguchi said quickly: “It’s okay, as an island warrior, it doesn’t matter if you stand.”

Although Watanabe Jun was angry, but Kazuo Kawaguchi said so, he couldn’t say anything, he could only stand by obediently!

“Mr. Kawaguchi, I don’t know what happened to your visit this time?”

Mr. Shi asked knowingly.

Because the mission will clarify its intentions before visiting, it is impossible for Mr. Shi to not know.

“Mr. Shi, we are here this time, just to learn about martial arts and increase the relationship between the two countries, there is no other intention...”

“We have long heard that in your country’s martial arts world, there is a rising star with extraordinary strength at a young age, so he came here to ask for advice.”

Kazuo Kawaguchi is also straight to the point. He knows that it is useless to go around with Mr. Shi!

“Indeed, there is a rookie in the martial arts world recently, but I just don’t know who Mr. Kawaguchi plans to ask for advice?”

Mr. Shi looked puzzled.

Kawaguchi was stunned for a moment, and then said: “Of course it’s our Watanabe Jun, and among our group, he is the only one who is in the martial arts!”

In fact, Mr. Shi has long seen that the others are just ordinary people, with no breath on their bodies, only the breath of this Watanabe Jun is surging!

“Okay, but because this rising star is not my official person, so if you want to ask for advice, you can only go to the gauntlet yourself. As for whether others will fight, it is not in my hands.”

“I can’t rely on the official face to force others to fight, I hope Mr. Kawaguchi understands!”

Mr Shi said.

“With Mr. Shi’s words, we can rest assured that we won’t bother you any more...”

Kazuo Kawaguchi said goodbye.

The reason why he saw Mr. Shi was what Mr. Shi said, otherwise it would be very troublesome for the officials to come forward.

### **Chapter 1695**

the next day!

The entire Long Family has become the focus of the martial arts world, because from now on, the Long Family is changed to Longmen!

The Long family has also changed from a family to a sect, so that more disciples can be recruited!

Long Xingxu was very capable. He decorated the entire venue very luxuriously, and he also gathered thousands of newly recruited disciples together.

This is also to show the strength of the Dragon Gate to the major sect families!

“Brother David, the Dragon Gate is officially established today, I have a gift for you...”

Long Xingxu said mysteriously.

“what gift?”

David asked in surprise.

“Come with me, you’ll know when you see it...”

Long Xingxu took David to a square, which was specially expanded for the establishment of Longmen.

Above the square, a towering sculpture stands in the middle!

Long Xingxu waved his hand, and the big red cloth covering the sculpture was slowly pulled down!

When the red envelope was pulled down, David was stunned.

Because the statue turned out to be himself!

The sculpture is lifelike, exactly the same as David!

“When did you do this?”

David asked in surprise.

“I’ve been doing it for a long time, in order to surprise you...”

Long Xingxu laughed.

David smiled and patted Long Xingxu on the shoulder: "I have a heart..."

David felt that Long Xingxu did have some brains, but Long Jingguo suppressed him too hard in the past, and he couldn't play it at all.

Nearly noon, people began to carry gifts to congratulate!

David said hello one by one, with a humble attitude!

In just over half an hour, dozens of people from the Kyoto martial arts world came to congratulate David.

Such a battle has never been seen by other sect families.

"The head of the Ge family is here..."

At this time, there was a loud shout outside the door, and David hurriedly greeted him!

"Patriarch Ge..." David surrendered!

"Mr. Chen, congratulations..."

Ge Fuhai hurriedly handed over the gift!

"Patriarch Ge, please..." David stepped aside.

At this time, Ge Jiayi said, "David, my dad gave a gift, I haven't given it yet, I want to give it..."

As Ge Jiayi said that, she waved her hand and a truck drove in!

I saw that all the above are some rare cultivation resources, including some old medicinal materials, etc...

David was dumbfounded, how could such a gift be given?

Ge Fuhai looked at David with a smile and said, "Mr. Chen, this child Jiayi has emptied our Ge family's warehouse..."

When David heard this, he smiled helplessly: "Miss Ge, please come in, you are too polite..."

"I'm not being polite. I'm just moving. Anyway, I'll come here and live with you in the future!"

Ge Jiayi said without hesitation.

This made David speechless for a while!

Fortunately, at this time, the door shouted again: "Northwest Jiang Jia Jiang Wei arrived..."

"Zhu Yuhao from the Zhu family in the southwest has arrived..."

"Qiao Zhiyong from the Qiao family in the northeast has arrived..."

“Hong Qianjiu from the Hong family in East China is here...”

...

This sudden scene made David and many other guests bewildered!

Because these people just shouted, but they are all aristocratic families that have only recently emerged, and these people are all powerful!

Especially that Jiang Wei, who won dozens of people in a row in one breath, became famous for a while.

David was also puzzled, not understanding how these people suddenly appeared.

He has no friendship with these people.

“Mr. Chen, these people are not good, you have to be careful...”

Ge Fuhai approached David and reminded in a low voice.

David understood in an instant, so he nodded, and then went out to greet him.

After all, the visitor is a guest, and it is impossible for David to drive people out!

Seeing this, Ge Jiayi also followed behind David and walked out together.

**Chapter 1696**

“Brother David, congratulations, congratulations...”

Seeing that David followed Ge Jiayi out, Jiang Wei stepped forward and smiled slightly.

“Happy together, rejoice together...”

David looked at Jiang Wei, slightly embarrassed, because he didn't know Jiang Wei at all, and he didn't know who the other party was!

“He is Jiang Wei from the Jiang family in the northwest.”

Ge Jiayi introduced to David.

When David heard it, he suddenly realized: “It turns out to be Brother Jiang, I have long admired the name...”

“Haha, Brother David is too famous, and now in the entire martial arts world, you are known to everyone.”

Jiang Wei laughed, then pointed to the people behind him and said, “Brother David, let me introduce you.”

“This is Zhu Hao from the Zhu family in the southwest.”

“This is Qiao Zhiyong from the Qiao family in the northeast.”

“This is Hong Qianjiu of the Hong family in East China.”

“We all admire your name and came here on purpose.”

Jiang Wei introduced it to David, and David politely greeted everyone!

It's just that these people's expressions were a little cold, they just nodded slightly, and finally walked in!

David didn't care, but ordered people to entertain them, and he continued to welcome guests at the door!

“David, you have to be careful, these guys are all ready to step on you, and they want to pass you and gain popularity.”

Ge Jiayi reminded David.

“It doesn't matter, these people are only the strength of the Great Marquis. I really want to try, I'm not afraid of them.”

“It's not certain who will step on whom then.”

David smiled lightly!

“I just like your confident look. Don't worry, our Ge family will always stand by your side. After all, we are a family.”

Ge Jiayi said very boldly.

David could only helplessly smile, not knowing what to say.

At this moment, the door suddenly shouted: "Red Lotus Palace, Ji Ruxue is here..."

When David heard the name, his body suddenly trembled slightly!

He didn't expect that Ji Ruxue would come too.

Seeing David's strangeness, Ge Jiayi immediately smiled and said, "Is it because of a romantic debt that someone came to the door?"

"Don't talk nonsense..."

David glared at Ge Jiayi, and then hurried out to greet him!

I saw Ji Ruxue wearing a white dress, exuding a fresh and refined temperament, walked in slowly, behind her were Xiaomin and several palace maids from the Red Lotus Palace!

This sudden appearance of a beauty instantly attracted the attention of many guests, and they all looked at them one by one!

"Miss Ji, I didn't expect you to come."

David stepped forward and looked at Ji Ruxue in front of him, the expression on his face was indescribably complicated!

"Mr. Chen, of course I'm here to congratulate on such a big event."

Ji Ruxue smiled lightly, and between her frowns and smiles, there were all kinds of amorous feelings...

“Come in...”

David didn't know what to say to Ji Ruxue, after all, the two hadn't seen each other for a long time.

“Yes, please come in...”

Ge Jiayi actually stepped forward at this time and gently took Ji Ruxue's arm and said.

Ji Ruxue was stunned for a moment, then glanced at David, wanting to introduce David.

However, before David spoke, Ge Jiayi said by herself, “Sister, I am David's girlfriend, and my name is Ge Jiayi.”

When she heard that it was David's girlfriend, Ji Ruxue smiled slightly and said, “Hello, sister Jiayi, my name is Ji Ruxue, and I am Mr. Chen's friend.”

“I know sister, David often mentions you, what friends are not friends, maybe we will be a family in the future.”

“Sister come with me. I want to ask my elder sister how to take care of your skin and body so well.”

Ge Jiayi can be considered to be familiar with each other, although that family makes Ji Ruxue's face a little red, but for Ge Jiayi, Ji Ruxue likes it very much!

**Chapter 1697**

David could only listen to Ge Jiayi's nonsense, but he couldn't get a word in!

"Brother Chen, it turns out that you have been thinking about my sister, so why didn't you visit us for so long?"

"My sister still calls your name in her dreams."

Xiaomin stepped forward and asked David with a playful look.

"I... I've been too busy lately to make time for..."

David said with some embarrassment.

"It'll be fine in the future, we can see each other often..."

Xiaomin looked happy.

"What's going on?" David was stunned.

"My sister has decided to move the Red Lotus Palace here, so that we can be close and we can see each other often."

Xiaomin smiled.

David was personally surprised, he did not expect Ji Ruxue to make such a big decision.

Seeing that David didn't speak, Xiaomin continued: "My sister did this for your sake, you can't let her down..."

After saying that, Xiaomin jumped up to catch up!

David was stunned on the spot, unable to react for a while.

Originally, David was worried about so many women being together, but now he didn't expect Ji Ruxue to join in the fun again...

After about an hour, most of the guests had already arrived.

David is toasting at every table. After all, these people are eating and rushing to David. Let's not say what the purpose of these people is, since they are here, they are guests!

There was only one table, and David didn't dare to go there!

That was the table of Ji Ruxue and Ge Jiayi.

I don't know which uncle arranged it, but he even arranged all the women to one table.

Ji Ruxue, Ge Jiayi, Ge Yuhan, Gu Linger, Wu Meier, Xiaolan...

With so many women at the table, David was always worried, would they fight!

But in the end, David still walked over. After all, Ji Ruxue came over a thousand miles away, and he always wanted to express it.

When David walked to the table, all the women's eyes fell on David!

David felt the gazes of these women, which was even more stressful than facing a Martial Saint!

"Girl Ji, thank you for coming so far to congratulate, I did it..."

David looked embarrassed and drank it after he finished speaking.

Ji Ruxue looked at David's embarrassing appearance, and couldn't help covering her mouth with a smile, and then she also took the wine glass and drank it!

"You drink, you continue, I will greet the other guests..."

After David stammered, he turned around and walked away.

And behind him, there was a burst of laughter from the girls!

David finally sat at the table of Jiang Wei and the others. After all, these people were also young talents. David wanted to know more about them.

Whether it is an enemy or a friend, it is always right to know more.

As soon as David sat down, Jiang Wei looked at David with envy on his face and said: "Brother David is not only the leader of my younger generation, but I didn't expect that he is also a man of temperament, surrounded by beautiful women, if I can have so many My confidante, even if my cultivation is abolished, I am still willing."

It can be seen that Jiang Wei's words are not a compliment, but a real envy!

You must know that the women at that table, one is more beautiful than the other, and the figure is good, just pick one out, they are all stunning beauties.

Especially that Ji Ruxue, many people are fascinated by it.

Because of Ji Ruxue's every move, even a glance and a smile, there is a sense of immortality.

Just like a holy fairy from heaven and earth!

If it weren't for David's presence, it is estimated that many people would have approached him.

There are also Wu Meier and Xiaolan, both of whom are naturally charming, whether it is the breath on their bodies or the light in their eyes, men can't stop!

"Brother Jiang is joking, they are all friends, they are all friends..."

David smiled awkwardly.

Immediately afterwards, David exuded a faint sense of consciousness, which enveloped several people!

He wants to find out what kind of cultivation these people are!

## **Chapter 1698**

But just as David's consciousness entered several people's bodies, he was instantly cut off by an inexplicable force.

Several people are exactly the same, and there is an inexplicable power in their bodies.

This made David frown instantly!

Looking at David like that, Jiang Wei smiled lightly: "Brother David, we are the younger generation, you are the strongest one now, wait for some time, how about we learn two tricks?"

"Brother Jiang is joking. How can I be Brother Jiang's opponent? Brother Jiang has lost dozens of people in a row, which has already caused a sensation in the martial arts world. In front of Brother Jiang, I'm just a clown."

David is very humble.

David's remarks made Jiang Wei a little surprised. After all, he was young and energetic, and each one had extraordinary strength. Of course, he refused to admit that he was inferior to others!

But he didn't expect that David would put his attitude so low, and even lowered his worth, comparing himself to a clown jumping on a beam.

David's actions made Jiang Wei look at David with admiration!

“David, since you are so low-key, why did you start a sect with a big fanfare? You are the only one who founded a sect at your age.”

“So you don’t have to be humble anymore. We all know your strength. I came here to ask you for some tips.”

“You wouldn’t even give this face away, would you?”

At this time, Zhu Hao of the Zhu family in the southwest spoke, and his tone was not good!

David’s face was slightly condensed, but he still smiled and said: “If Brother Zhu wants to ask for advice, of course I will accompany him, but not today.”

“Okay, tell me a time, we’ll see you at the martial arts field.”

Zhu Hao looked impatient.

But just when David was about to speak, suddenly came from outside the door: “The Martial Arts Alliance, the leader of the Ning Zhining alliance is here.”

When they heard that the Martial Arts Alliance was coming, everyone was surprised!

Who doesn’t know that the Martial Arts Alliance has always been a deadly enemy with David!

Why did he suddenly come to congratulate David?

Or are you looking for trouble?

David's face became gloomy at this moment, while Long Xingxu ordered someone immediately and was ready to fight!

If the Martial Arts Alliance is looking for trouble, then fight!

Soon, Ning Zhi followed a young man in casual clothes and walked in slowly.

But looking at the position, Ning Zhi was like a follower behind the young man.

"Ning Zhi, what are you doing here? Are you here to make trouble?" David looked at Ning Zhi coldly: "If you dare to make trouble today, I will destroy you."

Ning Zhi just wanted to open his mouth, but was stopped by the young man.

"You are David, right? My name is Nie Cheng. Now the leader of the Martial Arts Alliance, Ning Zhi is incompetent, so I will replace him."

"I know that there is some misunderstanding between Mr. Chen and the Martial Arts Alliance, so I came here to fight with Mr. Chen for jade and silk, and congratulate Mr. Chen for establishing a sect at a young age."

"I have a present here, not a tribute."

After Nie Cheng finished speaking, with a wave of his hand, Ning Zhi reluctantly handed over the vajra in his hand.

"This Martial Artifact is a gift from our Martial Arts Alliance, and it is not a tribute."

Nie Cheng said with a faint smile on his face.

When everyone saw that the Martial Arts Alliance actually gave away the sacred weapon as a gift, they all gasped, and some people's eyes lit up with envy!

David was also a little surprised, but he still reached out and took the weapon!

When the vajra was in hand, David instantly injected spiritual power into the vajra, and soon a sneer appeared on his face.

"If my guess is correct, I'm afraid this vajra will not be used a few times, right?"

David did not believe that the Martial Arts Alliance would be so kind!

It turned out that there was not much of the power of the Martial Saint in this vajra, and it was about to shatter.

You must know that there are also restrictions on the use of the sacred weapon. It is not the same as having a sacred weapon by your side.

### **Chapter 1699**

The sacred weapon is nothing but the weapon used by the masters of the martial arts. Because of the use of it for many years, the sacred weapon has the power of the martial arts!

However, when the power of the Martial Saint is exhausted and there is no way to replenish it, the Saint Martial Artifact will shatter.

Nie Cheng smiled awkwardly: "Even if it's a sacred weapon that can be used once, it's worth a fortune."

But David threw the vajra pestle at random and threw it to Nie Cheng, sneering: "I am not a garbage dump here, and I am not a garbage collector, so you rubbish, take it back by yourself."

Everyone was shocked when they saw that David called the sacred weapon tattered!

On the other hand, Nie Cheng frowned, the aura on his body began to rise, and a momentum of swallowing mountains and rivers instantly enveloped the entire hall.

Obviously, this Nie Cheng's aura is much stronger than David!

"If you want to fight, then let's go out and don't destroy what I have here, or you won't be able to pay."

David didn't care about Nie Cheng's aura at all.

Seeing this, Nie Cheng slowly took back his breath, and then said to David, "Then what Mr. Chen wants, as long as our Martial Arts Alliance has it, I will definitely give it to you, as long as the two of us live in peace."

"I want his life, will you give it?"

David pointed at Ning Zhi and said.

This time, it was considered that Nie Cheng was held, but Ning Zhi was frightened.

If Nie Cheng agreed, wouldn't he be dead?

“Leader, don’t believe this kid, he’s all nonsense. The last time he cheated us on the address of an ancient ruin.”

Ning Zhizhen was afraid that Nie Cheng would agree to David.

“Mr. Chen, I am here with sincerity and want to live in peace with you.”

Of course, Nie Cheng knew that David was playing tricks on himself, but he still said with a light smile.

“I get along with your mother...” David’s face turned cold, and his foul language suddenly burst out:  
“You have locked up my girlfriend for so long, now you want to get along with me peacefully? As long as my David breathes a sigh of relief, the Martial Arts Alliance will be My lifelong enemy, I will never give up until you are wiped out.”

“Don’t get in my way here, get out of here, or don’t blame me for being rude.”

David’s scolding shocked many guests.

It was obvious that Nie Cheng had an extraordinary aura, and his strength must be very strong. David dared to do so!

Hearing David’s insults, Nie Cheng’s face became ugly.

“David, I hope you don’t be ignorant of flattery, because you are not qualified to fight with the Martial Arts Alliance.”

Nie Cheng said coldly.

“Not qualified?” David sneered: “Since you are not qualified, what are you doing here? Don’t think I don’t know anything about your martial arts alliance.”

“Your martial arts alliance is just a bunch of souls to control. If I say it right, you also have a soul in your body, right?”

“When I absorb all these old guys who have survived for thousands of years, let’s see what else your Martial Arts Alliance does.”

David directly shook the scandal of the Martial Arts Alliance in public!

Everyone was surprised when they heard David say this!

“Nonsense, I don’t think I can teach you a lesson, I really thought we were afraid of you...”

As he spoke, the aura on Nie Cheng began to explode, and the temperature in the entire hall plummeted!

Some people with low strength feel that it is difficult for each other, like falling into an ice cave!

David’s eyes condensed, golden light suddenly appeared on his body, and he was resisting this breath!

However, David didn’t do it. If he did it here, then today’s ceremony was a failure.

Seeing that the war was about to break out, a breeze suddenly blew, and then the breath of David and Nie Cheng dissipated instantly!

Nie Cheng frowned and looked directly outside the door!

“Today is such a lively day, why are there still people looking for trouble? Is the security in the martial arts world in Kyoto so bad now?”

With a loud voice, Mr. Shi walked in slowly!

### **Chapter 1700**

Seeing Mr. Shi, many guests stood up one after another.

“Mr. Shi...”

These people all greeted Mr. Shi.

David was also surprised, he didn't expect Mr. Shi to come.

“Mr. Shi, why are you here?”

David hurried forward and asked unexpectedly.

“There is one of the youngest founders of a sect in my capital. Of course, I will be there to congratulate me.”

Mr. Shi smiled slightly.

When Nie Cheng saw Mr. Shi, let alone how ugly his face was!

“Mr. Shi...”

Nie Cheng walked up to Mr. Shi and shouted respectfully.

Mr. Shi glanced at Nie Cheng, then spit out a word coldly: “Go away...”

Nie Cheng didn’t say anything, he took Ning Zhi and left quickly.

The arrival of Mr. Shi instantly gave David a lot of credit. Many people just heard that Mr. Shi took great care of David.

But now it seems that this is not just as simple as taking care of it!

Even those young talents like Jiang Wei are envious of Mr. Shi’s attitude towards David!

“Mr. Shi, please take your seat...”

David said to Mr. Shi.

“No, I won’t sit down. If I stay, I believe no one here will eat well.”

Mr. Shi smiled lightly, and then continued: “I am here to inform you of one thing. The Watanabe family from the island country has come and will challenge you. You can do what you can.”

When David heard this, don’t be surprised. He didn’t expect the Watanabe family to give up after so long.

In fact, David didn't know. During this time, the Watanabe family had been trying to find a way to step into the summer and kill David, but they were all stopped at the border by Mr. Shi.

"Mr. Shi, I will pay attention."

David nodded and said.

Mr. Shi didn't stop. After following David, he left directly.

"Brother David, I didn't expect Mr. Shi to be really good to you. With the official approval now, your Dragon Gate will definitely grow."

Jiang Wei said to David very enviously.

At first, I envied David having those women around him.

Now I am envious of David's official cover!

Anyway, it makes people envious and hateful!

"David, now I'm going to challenge you even more. Hurry up and set a time. I didn't expect your fame in Kyoto to be bigger than I thought."

Zhu Hao followed David excitedly.

If this defeats David, his Zhu Hao will be even more famous in Kyoto, and even in the entire martial arts world!

Just as David opened his mouth to say something, he heard a loud noise at the door, and then he saw several disciples at the door being thrown in!

Afterwards, Toshi Watanabe, who was wearing a samurai uniform with a samurai sword, walked in slowly.

When everyone saw that it turned out to be an islander, each and everyone had a fierce look in their eyes!

But this Watanabe Jun faced the eyes of so many people without a trace of cowardice!

“Who is David here, stand up for me.” Watanabe Jun glanced at the crowd, and then continued: “I am Watanabe Jun from the Watanabe family, who came to challenge David on purpose.”

David frowned. He didn't expect that this guy from the Watanabe family would choose a day like today to challenge himself. Isn't this deliberately disgusting himself?

“What are you? Hurry up and get out of here, can any cat or dog challenge Mr. Chen?”

At this time, a guest stood up and scolded Watanabe Jun.

But Watanabe Jun grasped the samurai sword with his palm, and then he saw a flash of cold light!

brush...

The guest didn't even have time to react, only to see a bloodstain on his neck, and his body fell straight down!

And that Watanabe Jun seems to have never drawn a knife, which shows how fast Watanabe Jun is!

Seeing that Toshi Watanabe dared to openly kill people, everyone stood up instantly!

And David's eyes flashed coldly, and he was about to shoot!

But before David could take action, Zhu Hao had already jumped up.

"The mere island ronin dares to be wild here..."

Zhu Hao exuded a terrifying breath, and instantly enveloped that Watanabe Jun.
