

A Man Like None Other Chapter 1701 – 1710

Chapter 1701

Watanabe Jun looked at Zhu Hao without fear: “Are you David?”

“I’m not David!”

Zhu Hao shook his head.

“Since you’re not David, then I won’t fight you, let David come out...”

Watanabe Jun’s words deeply stimulated Zhu Hao.

Isn’t this obviously looking down on him, thinking that his strength is not as good as David?

This makes Zhu Hao angry!

“You ronin, don’t think that in our Daxia martial arts world, only David is a master. If you want to kill you, I will be enough...”

Saying that, Zhu Hao smashed Watanabe Jun with one punch.

Facing Zhu Hao’s punch, Watanabe Jun slightly turned sideways to hide, then retreated to the courtyard!

When Zhu Hao saw that the punch was not hit, he jumped up and kicked out again.

Watanabe Jun stretched out his hand to block, the huge ??? strength made him take a few steps back!

And Zhu Hao fell in front of Watanabe Jun: “Do you think my ability is not worth your shot?”

“The strength of the Great Marquis is really good, and it is worth my shot...”

After Watanabe Jun finished speaking, he suddenly grabbed the samurai sword in his hand, and then smashed it towards Zhu Hao!

Watanabe Jun didn’t even draw his sword, he smashed Zhu Hao directly with the scabbard!

“Hmph, arrogant...”

When Zhu Hao saw that Watanabe Jun didn’t have any weapons, he snorted coldly and slammed his right hand forward!

He directly grabbed the scabbard of Watanabe Jun, and the breaths of the two people collided instantly!

boom...

After a loud bang, Zhu Hao only felt a huge force coming from the samurai sword.

This power is very strange, and it instantly penetrated into Zhu Hao's body through the samurai sword!

Zhu Hao only felt his heart tremble, the breath on his body dissipated instantly, the whole person retreated again and again, and a mouthful of blood spurted out!

"That's it, don't come out and be ashamed..."

Watanabe Jun looked disdainful, then glanced at everyone with a sneer: "Who is David, come out to fight, don't act like a coward..."

"Damn, I fought with you..."

Zhu Hao lost face in front of everyone, of course he couldn't swallow this breath!

I saw Zhu Hao pull out the nine-segment whip from his waist in an instant, and with a flick of his wrist, the nine-segment whip turned into a straight stick!

"You still dare to do it?"

Watanabe Jun's eyes narrowed slightly!

"What nonsense, let's do it..."

Zhu Hao said, the nine-section whip in his hand smashed towards Zhu Hao fiercely, the whistling sounded, and the entire void began to tremble.

The strength of the Great Marquis cannot be underestimated!

Upon seeing this, Watanabe Jun sent the samurai sword in his hand forward, directly blocking Zhu Hao's nine-section whip!

Bang!

With a sound of collision, the nine-section whip in Zhu Hao's hand was instantly swayed away!

It's just that the nine-section whip that was originally a stick turned into a poisonous snake when it swung away!

At the head of the whip, like a poisonous snake spitting a letter, it exploded in an instant, and slammed towards Watanabe Jun's back!

No one would have thought that Zhu Hao's nine-section whip even had an organ on it!

Snapped!

The nine-section whip hit Jun Watanabe on the back, instantly tearing the skin of Watanabe Jun's back to pieces!

Zhu Hao succeeded in this blow, his confidence greatly increased, and his face was full of pride!

And Watanabe Jun narrowed his eyes slightly: "You are forcing me to kill you..."

"Come and kill me if you have the ability, I'm afraid you don't have that ability!"

After Zhu Hao finished speaking, he repeated his old tricks, and the nine-section whip in his hand went towards that Watanabe Jun again!

This time, Watanabe Jun didn't block directly with the katana, but pulled out the scabbard with a bang.

A dazzling cold light flashed, and Watanabe Jun waved in front of him.

Everyone only saw a flash of light disappear, and then look at the samurai sword in Watanabe Jun's hand, it has been sheathed!

But looking at the nine-section whip in Zhu Hao's hand, it was broken into several sections and could no longer be used.

Seeing this, everyone gasped, because this Watanabe Jun's swordsmanship is really fast!

Chapter 1702

Zhu Hao looked at the nine-section whip in his hand, and the whole person was stunned in place!

You must know that his nine-section whip is a treasure handed down from the Zhu family, and its texture is extremely hard, but he doesn't want to be cut off easily by the opponent!

Just when Zhu Hao was stunned, Watanabe Jun slapped Zhu Hao's head with a palm!

This palm is a dead hand, obviously to kill Zhu Hao!

When Zhu Hao reacted, it was too late!

Just in the nick of time!

David's figure was vertical, and then he followed Watanabe Jun with a palm!

Watanabe Jun kept retreating, and David also shook his body!

"who are you?"

Watanabe Jun frowned slightly.

"I'm David, didn't you come to challenge me?"

David smiled coldly.

Watanabe Jun looked at David with anger and killing intent in his eyes!

Then Zhu Hao gave David a grateful glance, and in the end he didn't say anything, and just retreated.

Following Watanabe Jun in this battle is a loss of face for him!

"You only dare to come out now, do you want me to fight with me after my strength is exhausted?"

Watanabe Jun thought that David came out at this time, he must be playing tricks!

“You don’t deserve me to use tricks against you. If you think your strength is exhausted and it’s not equal, I can let you do three tricks...”

As David said, he put his hands behind his back!

David’s actions instantly made many people feel nervous!

And that Watanabe Jun was also instantly provoked, and roared: “You are too arrogant, see if I don’t cut you in half!”

The next second, Watanabe Jun instantly pulled out his samurai sword, his figure flickered slightly, and he went directly to David, and then chopped off with one sword!

Watanabe Jun’s speed is so fast that everyone can’t see his figure at all, only the afterimage of the knife is still in the air!

Swish!

The samurai sword with Ling Lie’s blade slashed directly at David’s head!

This is to kill David with one blow!

In the face of the fierce blow, David’s hands were still behind his back, and he couldn’t see the slightest panic on his face!

Just when the samurai sword was about to reach David, David’s head was slightly sideways, and the samurai sword slipped against David’s face!

The violent blade blew David's hair, and even the clothes on David's body rattled.

But he failed to hit David, and the knife was dodged by David!

"You still have two chances..."

David looked at Jun Watanabe lightly, and said with a little playfulness.

"court death..."

Watanabe Jun was so angry that he did not withdraw the samurai sword in his hand, but cut him in the middle!

On the other hand, David stood up from the ground, his body was instantly in mid-air, and the blade slashed directly under David's feet.

The blade whistled, and several pillars not far away were instantly cut off by the blade.

David's body flutteringly fell on the samurai sword of Watanabe Jun!

Watanabe Jun only felt a heavy force in his hand, and the samurai sword in his hand almost didn't fall to the ground!

David stepped on it gently, his body rose again, and then fell steadily in front of Watanabe Jun!

"There is one last move!"

David looked at Watanabe Jun with disdain.

“what...”

Watanabe Jun almost died of anger, holding a knife in both hands, slashed at David from the middle.

This time the strength is great, and the speed is even faster!

Even if it is a big mountain, I am afraid that it can be split from the middle.

Everyone hurriedly looked at David, only to see a golden light flickering from David's body, surrounded by a golden dragon on his right hand!

On the other hand, David didn't dodge or dodge, and saw that he was grabbing the samurai sword!

“Snatch a blade with empty hands?”

Everyone was surprised when they saw this scene!

Snapped!

Watanabe Jun held the sword in both hands, and it was just when the force was exerted, but it suddenly stopped!

Chapter 1703

It's like a high-speed car that was stopped in an instant!

Watanabe Jun was stunned for a moment, and then his eyes were full of incredible!

Because he saw at this time that David directly grabbed his samurai sword with his right hand, but still grabbed it on the blade!

“This this...”

Watanabe Jun couldn't believe everything in front of him!

On the other hand, Zhu Hao watched this scene, and was even more surprised, knowing that his nine-section whip was easily cut off by Watanabe Jun with a samurai sword, but he failed to hurt David's hand!

It can be seen how powerful David's physical body is!

“Three strokes have passed...”

After David finished speaking, he squeezed his palm slightly, and Watanabe Jun's samurai sword was broken in an instant!

This time, Watanabe Jun was even more dumbfounded.

Before Watanabe Jun could react, David had already raised his foot and kicked it out. This kick directly hit Watanabe Jun's chest and kicked Watanabe Jun flying out!

Watanabe Jun's body flew more than ten meters away and fell heavily to the ground, a large mouthful of blood spurted out of Watanabe Jun's mouth!

Seeing this, everyone's expressions were complicated, and there was an indescribable feeling, especially that Zhu Hao!

You must know that just now he also vowed to challenge David and step on David's position!

Now David is almost a split second that Watanabe Jun, it can be seen that he is far from David's strength!

Zhu Hao couldn't understand, obviously David's strength is not higher than him, but in a real battle, David can easily leapfrog and fight?

They won't understand what David's golden dragon's real body represents!

This is the most powerful physique in the world, no one!

Watanabe Jun wanted to stand up, but found that David's kick almost shattered his internal organs.

The mouthful of blood keeps pouring out!

David stepped forward and stepped on Watanabe Jun's head, making Watanabe Jun's face stick to the ground tightly!

Watanabe Jun struggled, but to no avail!

This humiliation made Watanabe Jun's face very ugly!

"Could it be that your Watanabe family is gone, and you sent garbage like you to deal with me?"

David looked down at Watanabe Jun and said coldly.

Watanabe Jun struggled, his eyes full of anger: "David, do you dare to let me get up? If you let me get up, I will definitely kill you..."

At this time, Watanabe Jun is still clamoring!

"Remember? Call your ancestors, and I'll let you get up..."

David said with a sneer!

Watanabe Jun almost didn't get angry, but David stepped on his head, and he couldn't move at all!

"The Watanabe family sent you here, it really embarrassed my island country..."

With a thick voice, Kazuo Kawaguchi walked in with two other envoys!

David looked at the three of them, and found that the three of them didn't even have any aura fluctuations, they were completely ordinary people!

This made David a little strange. He didn't understand how these three ordinary islanders dared to come to him!

“Mr. Kawaguchi save me...”

When Watanabe Toshiy saw Kazuo Kawaguchi coming, he immediately shouted!

Kazuo Kawaguchi was not looking at Watanabe Jun, but looked at David and said with a smile: “You are David, right? We are a mission to visit your country, and Watanabe Jun is also a member of the mission, so you Can’t kill him...”

“Bah, your people can kill people at will, but I can’t kill him? Do you think this is in your house?”

“Today he must die, blood for blood...”

David looked at Kazuo Kawaguchi like that, and took a sip!

He didn’t understand, how could this ordinary guy with no strength dare to be so outspoken, could it be because of his mission status?

“I said, he can’t kill...”

Kazuo Kawaguchi’s eyes narrowed slightly, and the smile on his face disappeared.

“Are you a bird? You can’t if you say you can’t? I’ll kill him today and see if you can stop me...”

As David said, he raised his foot and stepped on it!

Chapter 1704

This step down, that Watanabe Jun’s head must be torn apart!

But just when David was about to step down, he suddenly felt a terrifying breath, causing David to instantly retreat back!

After retreating more than ten meters in a row, David stabilized his figure.

But when David looked at Kazuo Kawaguchi, he found that Kazuo Kawaguchi seemed to be a different person, and the breath exuded from his body made David feel terrified!

David frowned, and his eyes were full of surprise. He didn't understand what method Kazuo Kawaguchi used to hide his breath without even leaking it out at all!

"Thank you Mr. Kawaguchi..."

Watanabe Jun followed Kawaguchi Kazuo to thank him!

"Watanabe Jun, can you still fight?" Kazuo Kawaguchi asked.

"Yes!" Watanabe Jun nodded!

"Since you can fight, let's continue. Our island warriors have no tradition of returning after failure..."

Kazuo Kawaguchi said.

"Hi!" Watanabe Jun nodded, his eyes full of determination to die.

David looked at Watanabe Jun, although he could easily kill Watanabe Jun, but the sudden appearance of Kazuo Kawaguchi made David feel jealous!

Kazuo Kawaguchi seemed to see David's concern, and smiled lightly: "Don't worry, I won't take action. It's the two of you who want to learn from each other. As the head of the mission, of course I will abide by the rules!"

Seeing Kazuo Kawaguchi say this, David breathed a sigh of relief. After all, the breath of Kazuo Kawaguchi just now was too terrifying!

"bring it on!"

David waved to Watanabe Jun!

"Go..." Kazuo Kawaguchi patted Watanabe Jun on the shoulder!

But in this shot, the aura on Watanabe Jun's body changed instantly, followed by a rapid increase in strength, and soon reached its peak!

A terrifying power radiated from Watanabe Jun.

At this moment, Watanabe Jun's eyes became sharp, as if a different person!

David's face became a little ugly, because the breath he felt from Watanabe Jun was somewhat similar to that of Kazuo Kawaguchi!

David didn't understand what Kawaguchi Kazuo did to Watanabe Jun.

"Today, I will show you the true strength of our island nation..."

Watanabe Jun spoke slowly, but at this time Watanabe Jun even changed his voice!

“Hmph, it’s just a soul-possessed guy, what’s the madness, wait for me to kill you and destroy the soul in your body...”

David said coldly.

David can see that Watanabe Jun’s current performance is completely in line with being possessed by a soul and controlling his body!

David has killed many soul-possessed people, so he is not afraid!

After all, although those spirits were powerful in their lifetimes, after they were transformed into spirits, their strengths would not exist at all, so there was nothing to be afraid of.

“Hahaha, ignorant, what can you understand...”

Watanabe Jun laughed, and then his body slowly floated toward the mid-air, followed by a terrifying force that instantly enveloped the entire Long Family.

This time, many people became nervous, and now it is impossible for them to leave the Long family!

Watanabe Jun’s body was slowly wrapped in red blood mist, the thick bloody smell, coupled with the terrifying power, instantly made many people unbearable!

Some weak ones began to look ugly.

Gu Linger and the others also frowned, exuding the aura in their bodies, resisting this terrifying power!

David saw this, golden light flickered on his body, and breaths emanated from his body, followed by Watanabe Jun to resist!

With David's resistance, many people are obviously relieved!

"Hmph, a bunch of ants, really thought they could fight against me..."

Watanabe Jun was in midair, the blood red color slowly turned into a big turtle!

Chapter 1705

I saw the big tortoise sticking out its head, and every time it took a breath, a terrifying force would flow out, putting pressure on David and the others!

"David, this is Turtle's Breath Dafa, stop him quickly, you can't let him finish the spell..."

At this moment, Ge Yuhan looked at the big tortoise in the air, and shouted at David!

Ge Yuhan's roar instantly caught the attention of Kazuo Kawaguchi, and Kazuo Kawaguchi looked at Ge Yuhan coldly, with a bit of surprise in his eyes!

Because of this ancient turtle breathing method, very few people can understand it now, but they don't want to be recognized by a little girl!

Kazuo Kawaguchi didn't know that Ge Yuhan's body now contained a saint who lived thousands of years ago. Of course she knew all about the ancient method.

"Damn, it turns out that you are all turtle sons..."

David roared, and his body instantly rose from the ground!

The golden fist slammed towards the condensed turtle fiercely!

Seeing David attacking directly, Watanabe Jun didn't panic at all, using the tortoise's breath to instantly form a seal between his palms, forming a barrier in front of him!

"When the Turtle Breath Dafa is completed, none of you will want to leave here alive..."

There was a faint sneer on Watanabe Jun's face!

David's body is coming fast, his golden fist is shining, and a golden dragon roars out from David's body!

The barrier was broken in an instant, without the slightest hindrance!

"how so?"

Watanabe Jun's face changed, and the whole person was full of surprise.

Even Kazuo Kawaguchi frowned!

"Hmph, let's see how our sons of dragons teach you sons of turtles..."

David snorted coldly, and the breath that erupted from his body went straight to Watanabe Jun!

Watanabe Jun's figure suddenly retreated, his feet were on the turtle's back, and he didn't know what to say in his mouth. Then, between the turtle's breath, his finger lightly clawed, and then a dazzling white light flashed up.

"Unlimited Turtle Power..."

Watanabe Jun roared, and the dazzling white light was instantly thrown towards David!

When David saw this, his figure flashed and he wanted to hide, but the white light turned into a big net in an instant, and before David could react, it enveloped David.

David was trapped inside all of a sudden, and Watanabe Jun didn't hesitate at all. With a wave of his palm, a blood-red samurai sword appeared in his hand!

Immediately after that, he slashed down with a knife and headed straight for the trapped David!

In an instant, the sky trembled and the avenue hummed. This knife almost caused a vision of heaven and earth!

"David..."

When everyone saw this, they couldn't help but sweat for David!

But David didn't panic, I saw David waved his right hand, and the Dragon Slaying Sword appeared, and there was a dark light on the body of the Dragon Slaying Sword!

When David injected the power of the dragon into the Dragon Slaying Sword, a dragon roar resounded throughout the sky!

“break...”

With a wave of the Dragon Slaying Sword in David’s hand, the net that trapped him instantly dissipated!

Immediately afterwards, the blade and sword energy collided directly, emitting a dazzling light!

Watanabe Jun looked at David coldly: “Tell you, no one can escape from the Turtle Breath Dafa...”

But Watanabe Jun’s voice just fell, the light dissipated, and David’s sword energy was not weak at all!

The collision just now failed to dissipate the sword energy that David swung!

Watanabe Jun’s face changed, his eyes widened: “How could this be?”

Saying that, Watanabe Jun quickly retreated, not forgetting to let the transformed tortoise retreat together!

brush!

The speed of this sword qi was extremely fast, and Watanabe Jun had no time to step back, only to see the sharp sword qi passing through the turtle’s head in an instant!

Everyone saw that the turtle’s head was directly cut off, and then the whole body dissipated!

Watanabe Jun's whole body fell directly from the air to the ground, and his breath was a little weaker!

Chapter 1706

"it is good..."

The people around involuntarily started applauding David.

And Kazuo Kawaguchi's face was gloomy, but he didn't put his eyes on David, but stared at Ge Yuhan!

People who can know the Turtle Breath Dafa will definitely not be ordinary people!

Watanabe Jun's face was ugly, he got up from the ground, and a blood-red samurai sword appeared in his hand, and there were countless resentful spirits around the samurai sword, which shows that Watanabe Jun didn't know how many people he had killed.

The blood-red light flickered, and Watanabe Jun's whole body also turned red, as if soaked in blood!

Countless dead breaths emerged from Watanabe Jun, just like the breath in the sea of blood on the mountain of corpses!

At this moment, the Dragon Slaying Sword in David's hand radiated light, and there was a continuous buzzing sound, as if a hungry beast had seen its prey!

The resentful spirits around Watanabe Junna's samurai sword seemed to feel the breath of the Dragon Slaying Sword.

Seeing this, Watanabe Jun frowned!

Before the battle, the weapon in his hand is cowardly!

"Burn your blood and revive your Bushido spirit..."

At this moment, Kazuo Kawaguchi opened his mouth slowly, his voice was low, as if it came from the ancient underground!

When Watanabe Jun heard it, he bit the tip of his tongue without hesitation, and then a mouthful of blood was sprayed on the samurai sword.

The blood-red samurai sword, after encountering blood, seemed to become excited, and the resentful spirits that were dodging also became roaring, like a beast!

"The Wraith Attacks..."

Watanabe Jun shouted loudly, followed by a sudden wave of the samurai sword in his hand, a terrifying breath seemed to fall from the sky, and then those resentful spirits opened their bloody mouths and went towards David!

David looked at the resentful spirits and smiled coldly: "The Buddha's light shines..."

The Dragon Slaying Sword in David's hand instantly emitted a burst of golden light, and the light shot up into the sky, straight into the sky!

Immediately afterwards, like the sun, rays of light were scattered, shining on the entire earth!

Those originally vicious resentful spirits, after being irradiated by this golden light, suddenly all struggled in pain, and finally turned into a plume of blue smoke and dissipated in the air!

The resentful spirit disappeared, but the golden light remained, the dazzling golden light instantly shone on Watanabe Jun's body, and Watanabe Jun suddenly showed panic, followed by a painful struggle!

A black mist dissipated from Watanabe Jun's body, and then quickly disappeared, but at this moment, Kazuo Kawaguchi's body trembled slightly!

When David saw this scene, the corner of his mouth raised slightly: "It seems that it is like this..."

Just now David felt that Watanabe Jun's breath suddenly skyrocketed, and there must be a soul possessed, but he did not expect that Kazuo Kawaguchi was still alive, but he could emit a ray of soul into other people's bodies!

David had never seen this technique before, and couldn't help but have a strong interest in Kazuo Kawaguchi!

Watanabe Jun was soaked in cold sweat, and without Kazuo Kawaguchi's help, Watanabe Jun was already a lamb to be slaughtered.

David jumped up and smashed it down with a punch!

I saw that the space around Watanabe Jun was distorted and deformed by this punch, and Watanabe Jun's body was covered in blood, which was terrible!

David saw that Watanabe Jun was still alive, so he punched again!

Under this punch, Watanabe Jun could not survive anyway.

At this moment, Kazuo Kawaguchi waved his palm, and a huge force struck, causing David's body to quickly retreat. Even so, David still felt that the breath in his body was constantly rising!

"what do you mean?"

David glared at Kazuo Kawaguchi and asked.

"The outcome is already divided, there is no need to kill..."

Kazuo Kawaguchi spoke slowly.

Chapter 1707

"Hmph, just now he can kill anyone casually, why can't I kill him?" David's eyes narrowed: "If you are blocking, then kill you all!"

Kazuo Kawaguchi's face was full of sneer: "Your tone is really not small, you can kill me with all your skills? Even if you are all here, who can do anything to me?"

“Now that the outcome is decided, I won’t let you kill him.”

Kazuo Kawaguchi’s words made everyone very excited, but they also felt powerless. After all, Kazuo Kawaguchi’s strength is really unpredictable!

“Mr. Kawaguchi, in my Daxia, all you have to do is to abide by your duties, so that I can ensure your safety in Daxia. If you deceive me in Daxia, don’t blame me for leaving you...”

At this time, Mr. Shi’s figure slowly appeared at the door, with a faint smile on his face!

“Mr. Shi...”

After Kazuo Kawaguchi saw Mr. Shi, his face instantly became a little ugly!

“Mr. Shi, let’s learn skills, now the outcome is decided, I just want to leave with my people!”

Kazuo Kawaguchi said.

“Mr. Shi, as soon as this guy came, he raised his hand to kill. Could it be that his life is life, and our life is not life?”

David said to Mr. Shi.

With a wave of his hand, Mr. Shi told David to shut up, and then said to Kazuo Kawaguchi: "Competition is a life-and-death battle. I remember the Bushido spirit of your island country, which does not allow losers to live?"

Mr. Shi's words left Kazuo Kawaguchi speechless!

At this time, Watanabe Jun, who was already dying, suddenly got up and suddenly took out his dagger!

"The test is not over yet..."

After Watanabe Jun finished speaking, he stabbed his body with a knife!

Everyone was stunned when they saw this, thinking that this guy had failed and was going to kill himself!

I saw Watanabe Jun slashed his chest, and with a hand, he took out the bright red heart that was still beating!

In this scene, many girls were so frightened that they screamed and closed their eyes!

I saw Watanabe Jun's heart began to flash with a coquettish light, and then this light enveloped Watanabe Jun's whole body!

Watanabe Jun's wounds are recovering at a speed visible to the naked eye!

In the end, Watanabe Jun's heart turned black and hung out of his body, and Watanabe Jun's body also seemed to be wearing a layer of black armor, which looked very disgusting!

Everyone looked at Watanabe Jun in shock, wondering what Watanabe Jun was doing.

Only Kazuo Kawaguchi's eyes showed shock, staring at that Watanabe Jun!

At this moment, Watanabe Jun knelt on the ground, inserted his hands into the soil, and said something in his mouth: "Supreme gods and demons, please give me strength, I am willing to give my everything..."

David looked at Jun Watanabe with his brows slightly wrinkled, not sure what this guy was doing, but he could see that the breath in Jun Watanabe's body became more and more terrifying.

"God and devil eat the heart..."

"This is an ancient witchcraft unique to the island country, David, you have to be careful."

"He is sacrificing his life and soul to gain the power of gods and demons..."

"I didn't expect that for thousands of years, there are still people who can practice such witchcraft."

Ge Yuhan reminded David loudly!

Ge Yuhan's words instantly made David more vigilant, and Kazuo Kawaguchi looked at Ge Yuhan with more doubts!

Soon, Watanabe Jun's prayer-like ceremony was completed, and Watanabe Jun's body seemed to be filled with air, soaring nearly one meter.

Especially the black heart on the chest, beating constantly, makes people look very chilly!

“Hmph, even if you become a real big devil, I’ll kill you just as well...”

After David finished speaking, he put away the Dragon Slaying Sword and smashed it with a golden light fist.

Watanabe Jun snorted coldly, and his body shot towards David in an instant!

Chapter 1708

The fists of the two people collided instantly!

At the moment when his fists met, David felt a huge force attacking. This force did not seem to be emanating from the human body at all, but more like it was emanating from the ground.

David’s body was blown out instantly, and then he smashed to the ground, directly smashing a deep pit on the ground!

Seeing this, everyone took a deep breath, and Mr. Shi’s face was a little ugly!

No one would have imagined that Toshi Watanabe, who was about to die, could still use such terrifying sorcery!

Seeing Mr. Shi’s face, Kazuo Kawaguchi smiled lightly and said: “Mr. Shi, no one can survive under the devour of the gods and demons, this is the oldest witchcraft of the Watanabe family, but I don’t know why this Watanabe was used to it. Jun has learned.”

“You just said that this is a sparring and a life-and-death battle. If David is killed in a while, you are not allowed to intervene, otherwise you will not blame me...”

Kazuo Kawaguchi’s eyes were filled with pride.

“It’s uncertain who will live and who will die, just wait and see...”

Mr. Shi said lightly.

At this time, David had slowly got up, looking at Jun Watanabe in front of him, his face showed a bit of excitement.

“Today, I will use you to temper my body...”

After David finished speaking, he shot directly at that Watanabe Jun!

Watanabe Jun is also not cowardly, and rushed up directly. The two of them didn't have other fancy moves, just hit hard and punched to the flesh!

David's body was knocked out several times, but soon David will be rushing up!

At this time, David is like an unbeatable Xiaoqiang!

Ten minutes later, David turned out to be more and more brave, and the power in Watanabe Jun's body began to drain!

This time, his face turned ugly into Kazuo Kawaguchi. He didn't expect that Watanabe Jun used the oldest witchcraft of the Watanabe family, but he still couldn't kill David!

David's physical body is really too strong, and Kazuo Kawaguchi himself began to have some doubts, even if he shot, can he kill David with one punch.

“Okay, I won't play with you anymore...”

David sneered, and then his body began to be surrounded by golden light, followed by a golden dragon circling behind David, emitting bursts of dragon roars.

After this golden dragon's blessing, David's aura also began to rise!

"Look at my indestructible golden body..."

David's body began to glow with golden light, and then flickering scales covered his whole body!

Soon, David stood in front of Watanabe Jun like a dragon-riding warrior!

David's powerful body, coupled with the blessing of the indestructible golden body, instantly made David reach an indestructible level!

Kazuo Kawaguchi looked at David with a deep surprise in his eyes!

But Watanabe Jun relied on his own gods and demons, and he was not afraid of David at all, and punched David with a punch!

Bang!

Watanabe Jun's fist hit David's chest firmly.

But this time, unlike the previous ones, David's body didn't move at all!

Watanabe Jun's punch was like hitting a steel plate!

This time, Watanabe Jun's face changed, and his eyes were incredible!

He dedicated his life and soul, and even had no chance of reincarnation. In the end, he was not David's opponent.

Just when Watanabe Jun was shocked, David smashed his fist at Watanabe Jun.

Watanabe Jun's body was thrown high by a punch, and then fell to the ground!

David's body also jumped up.

Then he stepped on Watanabe Jun, and David stepped directly into Watanabe Jun's body to a depth of several meters underground!

Watanabe Jun has no strength to fight back!

Soon, Watanabe Jun's body was slowly enveloped by a black gas. When the black gas dissipated, Watanabe Jun's body disappeared, and not even a little residue was left!

Chapter 1709

"Mr. Chen is awesome..."

"Mr. Chen is great!"

"David, you are awesome, I love you..."

Watanabe Jun is dead, and everyone is cheering for David!

Kazuo Kawaguchi's face is not to mention how ugly.

"Mr. Kawaguchi, as I said, it is uncertain who will live and who will die, but what kind of sorcery in your island country is really rubbish."

Mr. Shi smiled lightly at Kazuo Kawaguchi.

Kazuo Kawaguchi's face was cold, he waved his hand and said, "Mr. Shi, farewell..."

After that, Kazuo Kawaguchi didn't forget to look at Ge Yuhan, he wanted to remember the little girl in front of him.

Kazuo Kawaguchi left, and Mr. Shi didn't stop. The reason why he came was to stop Kazuo Kawaguchi from taking action.

If Kazuo Kawaguchi shot, David would definitely not be his opponent!

David beheaded Jun Watanabe. In this battle, all the people who had wanted to step on David's position were hesitant!

Originally, they wanted to take advantage of today to compete with David, but when they saw David's true strength, they all lost their minds!

Especially that Zhu Hao, when he saw David, he didn't dare to look directly, he always felt embarrassed!

On the same day, the news of David's killing of the island warriors was instantly spread in the martial arts forum. Coupled with the sect founded by David, Mr. Shi personally came to congratulate!

This made David's status to an unprecedented height, and many people wanted to join Longmen!

In just a few days, the development of the entire Dragon Gate has rapidly surpassed that of other sect families.

This kind of development momentum is definitely the first in the entire martial arts world!

In addition to David's personal star effect, there is a more important reason, that is, David intends to release resources, select talented people, and train them to become Wuhou masters!

The Dragon Gate is getting bigger and bigger, David knows that it is useless to rely on his own strength, only the overall strength of the Dragon Gate is improved!

On this day, David called Long Xingxu in front of him.

"Xingxu, how's the development of Dragon Gate recently?"

David asked lightly.

"Brother David, there are thousands of Longmen disciples now. In the entire Kyoto martial arts world, no sect family can surpass us."

Long Xingxu said with an excited expression.

"Although there are many people, how are their strengths? Can you pick out the people I asked you to choose?"

David asked.

"The strength is uneven, the highest is only the Great Wuzong, and there is no one in the Marquis Realm. The candidates you asked me to choose have already been selected."

Long Xingxu replied.

David thought about it and was right. Wherever the realm of Wuhou is placed, it is a hegemon. Who will join their sect and become a disciple who is controlled by others.

Moreover, the Dragon Gate has just been established, and there is no future in sight, so it is understandable that there are no strong people to defect.

“Tell me about the Dragon Gate. I’ll take you to a place after a while. I hope that when you come back, you can reach the peak of Wuhou.”

David patted Long Xingxu on the shoulder and said.

When Long Xingxu heard this, he was extremely excited: “Brother David, I’ll make arrangements now, don’t worry!”

Long Xingxu left happily, to know the peak of Marquis Wu, that is a realm that Long Xingxu dared not even think about!

After Long Xingxu left, Gu Linger entered David’s room!

Seeing that Gu Linger was coming, David waved and let Gu Linger sit in his arms.

“Didn’t you go shopping with Xiaoru and the others today?”

David asked.

“Xiaomi is here, I want to invite you to sit at the Red Lotus Palace, we’ll go with you!”

Gu Linger smiled slightly.

“Red Lotus Palace? Is it too far?”

David frowned slightly.

In fact, he wanted to go too, but it was too far!

“What’s the distance? Ji Ruxue has already moved the Red Lotus Palace to Kyoto, in the valley on the outskirts.”

Gu Linger said.

Chapter 1710

When David heard it, he suddenly remembered that Xiaomin had told him that Ji Ruxue was going to move the Red Lotus Palace to Kyoto.

Did not expect to act so quickly.

“Okay, let’s go and see!”

David knew that Ji Ruxue moved the Red Lotus Palace because of her, so he wanted to go there and see if Ji Ruxue needed help.

When David went out with Gu Linger, he found that Ge Yuhan, Xiaoru and the others were also there, and they might want to go to the Red Lotus Palace together!

The group followed Xiaomin towards the Red Lotus Palace!

Ji Ruxue chose the Red Lotus Palace in a place some distance away from the capital. It is a remote place, although it is a little inconvenient, it can still be at leisure!

After all, the Red Lotus Palace is all women, so it is inevitable that some people will spy on it!

After arriving at the place, David discovered that the conditions of the place chosen by the Red Lotus Palace were really difficult, and some living facilities were not perfect!

Moreover, there are significantly fewer people in the Red Lotus Palace, and many people are busy!

“Xiao Min, why are there so few people in your Red Lotus Palace?”

David asked in surprise.

“Many people didn’t want to leave, so only these people followed...”

Xiaomin explained!

There was an indescribable feeling on David’s face, she knew that Ji Ruxue did all this for him.

But what can I give to Ji Ruxue?

When David saw Ji Ruxue, he found that Ji Ruxue’s face was a little tired.

“You are here, please sit down...”

But after seeing David and the others, Ji Ruxue still had a smile on her face!

“Sister Ruxue, you are quite old, why don’t you tell us anything, we can help!”

Gu Linger saw Ji Ruxue’s appearance and stepped forward and said.

“Sister Ling’er, I can handle this trivial matter myself. If it doesn’t stand firm, I’ll ask Xiaomin to invite you here!”

Ji Ruxue smiled lightly.

“Well, we will also live here in the future. With you, we can help each other when we have something...”

Gu Linger nodded.

This made David a little confused, and looked at Gu Linger with a look of surprise: “You also plan to live in the Red Lotus Palace?”

“Yes, we have already agreed that when Sister Ruxue moves in, we will all move in together. It’s all girls here, and it’s convenient!”

Gu Linger nodded!

“You all live here?”

David still asked in disbelief.

“Nonsense, since we are here, of course we all live here, this is not for your convenience, you can see us all once you come...”

Xiaolan threw a wink at David and said.

“If you look at it this way, wouldn’t this Red Lotus Palace become Brother David’s harem, and then Brother David will be treated like an emperor.”

Xiaoru chuckled.

David blushed suddenly, looking very embarrassed!

When several girls saw this, they all burst into laughter, and the vicissitudes on Ji Ruxue’s face were also swept away!

David didn’t stay in the Red Lotus Palace for a long time. Immediately after returning, he arranged for Long Xingxu to send someone to the Red Lotus Palace to help the construction of the Red Lotus Palace!

And the red lotus palace also announced the merger of the dragon gate for the first time.

In this way, the Red Lotus Palace has really become David’s harem!

Just when David was vigorously developing Longmen, Ning Zhi was being soaked in a big pool full of black water in the Martial Arts Alliance!

At this time, Ning Zhi’s face was hideous, and it seemed that he was suffering great pain!

Ning Zhi’s body was constantly emitting black mist, and the water in the pool was boiling. Ning Zhi gritted his teeth, and the veins on his forehead were popping out!

“As long as you persist for seven, seven, forty-nine days, your physical body can be tempered successfully. The reason why you can’t fight against David is because David’s physical body is too strong, you also need to temper your own physical body! “

“Da Neng can take out the rotten bone fluid to temper your body, which shows that Da Neng attaches great importance to you...”

The soul in Ning Zhi said.

“Don’t worry, senior, I will persevere...”

Ning Zhi gritted his teeth, and then shouted angrily, the black water in the pool boiled even more!
