

## **A Man Like None Other Chapter 1741 – 1750**

### **Chapter 1741**

The man's speed was very fast, and he caught up with David in the blink of an eye!

David gritted his teeth and turned around with another sword!

clang...

This time, the Dragon Slaying Sword in David's hand was instantly blown away, and David's tiger mouth cracked, and blood flowed out!

David's face changed, without the Dragon Slaying Sword, David could only fight hard...

bang bang bang ...

The man threw three punches in a row, and David threw the same three punches!

After three punches, David's body flew out and fell heavily on the ground!

"True Nima perverted..."

David got up with a worried look on his face, the strength of the man in front of him is too strong!

David took a deep breath, and the Dragon Slaying Sword returned to David's hands, followed by the infusion of divine dragon power into the Dragon Slaying Sword!

The Dragon Slaying Sword made a humming sound, followed by a golden dragon circling above David's head!

But the man didn't pay any attention to David's changes, and smashed David with a punch!

This punch, with a monstrous momentum, turned into a fire dragon, roaring towards David!

Seeing this, David vigorously waved the Dragon Slaying Sword in his hand!

The golden dragon made a sound of dragon roar and rushed out!

boom!

The two dragons collided, and the earth shook!

David's golden dragon instantly turned into a little spot of light and dissipated, but the fire dragon roared and continued to come towards David!

David frowned, feeling the powerful breath of the fire dragon, David could only use the undamaged golden body to the extreme, and he desperately carried this blow!

bang...

David's body flew out, and in mid-air, the undamaged golden body shattered, and there were wounds on David's body!

David slammed heavily on the ground, smashing a deep hole into the ground!

The man jumped up, without any unnecessary nonsense, he volleyed down directly, and punched David.

Under this punch, David is afraid that he will not be able to bear it anymore!

But at this moment, with a coquettish shout, Ge Yuhan, who was looking at it, flew out and blocked directly in front of David. From bottom to top, his body exuded a light blue aura, forming a barrier in an instant!

boom...

The man's punch came and hit directly on the barrier, the barrier shattered, and at the same time offset the power of the punch!

However, Ge Yuhan's face turned pale.

Obviously, with Ge Yuhan's body and the saint's soul, his strength has dropped a lot, and he is no match for the man in front of him at all.

But the appearance of Ge Yuhan gave David a chance to breathe!

"I didn't expect that there is still a master hidden, so you two can go together..."

Seeing Ge Yuhan, the man did not panic at all, on the contrary, there was a trace of excitement!

Flames began to rise from the man's body again, and the whole person was like a burning man, and the terrifying aura was rippling around!

Immediately afterwards, the man punched out together, and rounds of flames, mixed with terrifying power, rushed towards David and Ge Yuhan!

Ge Yuhan and David hurriedly shot, and bursts of explosions rang in their ears!

boom...

In the end, neither Ge Yuhan nor David could hold on, and were directly hit by the flames. The huge force made both of them tumbling.

Ge Yuhan and David got up. Although they were injured, they still gritted their teeth. They couldn't let the man enter the forbidden area!

But just as the two of them were about to deal with the man together, the ice came one after another, and the woman rushed out of the hall.

Seeing the woman appear, David felt sad in his heart, he knew that Hu Mazi might have encountered an accident!

Anger rose in David's eyes, and the terrifying killing intent filled David's body at this moment!

"Don't waste time, kill the two of them quickly, I feel the aura of the Gorefiend has changed..."

The woman said to the man.

The man nodded, and then the two of them shot at David and Ge Yuhan together!

## Chapter 1742

David knew that if it was two-on-one, he and Ge Yuhan would still be able to hold back the man, but now that they were two-on-two, they had no chance of winning, and they were afraid they wouldn't be able to survive even a single move.

Just when David was about to go all out, the mountain suddenly shook like an earthquake!

Immediately afterwards, a white light shot up from the forbidden area, followed by a violent explosion!

The man and the woman stopped at the same time, and Yan Su looked at the direction of the forbidden area!

The light slowly disappeared, and then an extremely terrifying breath came out from the forbidden area!

"This is?"

The man and the woman's eyes widened at the same time, and their faces became very ugly!

In the darkness, two figures came out of the forbidden area!

Fan Jiang was walking in front, but at this time, Fan Jiang's breath was very sluggish, and his face was ugly. It could be seen that he spent a lot of energy in performing this technique!

And behind Fan Jiang, is the fleshly body of the Gorefiend, and now it has become a puppet corpse!

Gorefiend's eyes were blank, standing like a robot.

"Mr. Chen, it was successful..."

Fan Jiang said weakly.

“Okay, take a rest first...”

David asked Fan Jiang to sit down and rest, and he himself entered the Gorefiend’s body with a divine sense, and instantly connected with the bloodline divine sense left by the Gorefiend in his body!

David was overjoyed, even if he was so embarrassed at this time, he couldn’t help laughing!

But at this time, the faces of the man and the woman were surprisingly ugly!

“Quick, kill that kid, that kid’s consciousness is connected with the body of the Gorefiend...”

The woman seemed to see something and hurriedly said.

The man jumped up, the flame on his body burned more vigorously, and his breath was brought to the extreme!

The terrifying breath shrouded David, he wanted to kill David with one blow, and he couldn’t let David live!

David felt the terrifying aura, and immediately activated his consciousness, the Gorefiend’s body jumped up and stopped directly in front of the man!

The man didn’t withdraw his hand at all, but punched the Gorefiend. After a loud noise, there was no trace of the Gorefiend!

On the contrary, it was the man who only felt a huge anti-shock force strike, and his arm bent down strangely.

Looking at his broken arm, the man's heart was greatly shocked!

"This...how can it be so powerful?"

The man couldn't believe it. The Gorefiend obviously didn't shoot. He punched the Gorefiend without causing any damage to the Gorefiend. Instead, his arm was broken.

"Go, I can't stay here anymore..."

The man said to the woman.

The woman also saw it, so she nodded, and the two jumped up!

"Kill them..."

David ordered to Gorefiend.

How could David let them go after beating himself up so embarrassingly.

The Gorefiend received the order, and his body didn't seem to move, but he went directly behind the man.

The man was startled, and instinctively turned around and punched out!

But the Gorefiend raised his hand directly, grabbed the man's fist, and crushed the fist with force!

"what..."

Painful screams came from the man's mouth!

When the woman heard the man's screams, she didn't dare to stop at all, she didn't even dare to look at it, and quickly ran into the distance!

Immediately afterwards, the Gorefiend slapped the man, and this slap directly blew the man's head!

puff!

The man's head splattered with blood in an instant, and he died immediately, and even the soul disappeared!

At this time, the woman seemed to feel the disappearance of the man's breath, and after looking back, she continued to run away!

Gorefiend was about to chase the woman, but was stopped by David.

"Come back, stop chasing..."

Hearing David's order, Gorefiend's figure was like a shuttle, and he arrived in front of David in an instant!

**Chapter 1743**

Seeing the strength of the Gorefiend, David simply couldn't put it down, he was happier than seeing a woman.

With such an invincible younger brother by his side, what kind of martial arts alliance is all garbage!

When David was excited, Fan Jiang directly poured cold water on David!

"Mr. Chen, hesitantly, I don't have a body, so I can't fully use the spell. This puppet corpse can only last for seven days, and after seven days it will become a corpse again."

Fan Jiang said to David.

When David heard it, his original excitement disappeared instantly: "After seven days, can't you continue to refine him after using the spell?"

Fan Jiang smiled bitterly: "Mr. Chen, you can't refine a puppet corpse of this strength a second time, but you can keep the corpse, and when you have a suitable soul, you can use the soul to control the corpse."

When David heard this, there was a glimmer of hope in his heart that was originally discouraged, but in seven days, it was enough to destroy the Martial Arts Alliance!

"How long do you think it will take for this puppet corpse to destroy the Martial Arts Alliance?"

David asked.

Fan Jiang has been in the Martial Arts Alliance for more than 20 years, and he must know some inside information about the Martial Arts Alliance!

But Fan Jiang shook his head: "Mr. Chen, the water in the Martial Arts Alliance is very deep. I don't know much about the Martial Arts Alliance, but this puppet corpse is not invincible. He is just a corpse, and his strength is definitely not as good as when he survived."

“And for the puppet corpse, the strength of the manipulator also has a lot to do with it, but to deal with those people in the martial arts alliance, it should be easy to capture.”

When David heard this, he nodded and said, “That’s fine. My own strength will always increase, and I can’t rely on a corpse for protection all day.”

“Mr. Chen, what about Master Hu?”

At this time, Ge Yuhan thought of Hu Mazi and never saw him.

“Damn, it’s broken, I forgot about Master Hu...”

When David heard this, he immediately ran towards the hall!

At this moment, Hu Mazi was lying in the hall with scars, blood was pouring out of his mouth!

“Master Hu, Master Hu...”

Seeing Hu Mazi like that, David felt guilty for a while.

If it wasn’t for Hu Mazi to save him, he wouldn’t be like this.

David put his hand on Hu Mazi’s body and found that Hu Mazi was not dead and still had breath, so he hurriedly transported a path of spiritual power into Hu Mazi’s body!

“Cough cough cough...”

Hu Mazi coughed twice, and finally slowly opened his eyes!

Seeing that Hu Mazi was awake, David quickly asked happily, “Master Hu, are you alright?”

“Smooth...tender...white...”

Hu Mazi was chattering, and David was stunned for a while. He didn’t know what to say about Hu Mazi!

But soon, David heard it, and was speechless. This fluffy man was about to die, and he was still thinking about the snow-white thighs of the woman just now!

Because David knew that the Gorefiend’s body wouldn’t last for a few days, so he put the sesame seeds on Penglai Island, let Du Nan watch it carefully, and then brought Ge Yuhan and the others back to Kyoto directly!

Ge Yuhan came back, which made Gu Linger and the others very happy. A group of girls can play happily in the Red Lotus Palace again!

As for David’s plan to destroy the Martial Arts Alliance, he did not follow Gu Linger and the other girls to say, one is that they are worried about themselves, and the other is that they are in danger if they follow.

David took Fan Jiang and Gorefiend back to the Long family, and now the Long family is in charge of Long Wu.

“David, during the time you left, the Martial Arts Alliance has not been idle. I don’t know where they got the masters. Now I heard that there are eight Great Marquis in the Martial Arts Alliance.”

After seeing David, Long Wu hurriedly said.

“Eight Great Marquis?”

David was slightly taken aback: “Where did they find so many great Marquis?”

#### **Chapter 1744**

At this time, Fan Jiang, who was on the side, said, “It’s not surprising that the Martial Arts Alliance has found eight great Marquis. I know that even the Martial Saints have them in the Martial Arts Alliance.”

“Wu Sheng?” This time, David was even more surprised.

“Yes, the ranking system of the Martial Arts Alliance is very strict, and the Martial Arts Alliance you see is just a corner of the Martial Arts Alliance.”

“Those people in the real martial arts alliance should be in the secret realm and directly control all this.”

“They will use the Peugeot on the black robe to distinguish the grade. I heard that the highest black gold robe is the Martial Saint, but I have never seen it.”

Fan Jiang said to David.

Long Wu looked at Fan Jiang and asked David very curiously: “David, who is this person? It seems that he knows the Martial Arts Alliance very well?”

“It’s a friend of mine.” David explained casually, and then asked Fan Jiang, “How do you know so much about the Martial Arts Alliance?”

Fan Jiang shook his head: “I only know this, but there are still many secrets of the Martial Arts Alliance. These are what Zhu Zhishan told me.”

“But the power of the leader of the Martial Arts Alliance is very small, so he doesn’t know much, but the Martial Arts Alliance will never be like what you see before your eyes.”

“If you want to directly destroy the Martial Dao Alliance and uproot it, I’m afraid it is impossible.”

“But if you want to rescue your girlfriend, now you may be able to succeed with this puppet corpse.”

Fan Jiang followed David to talk in detail, a friend of David just now really warmed Fan Jiang’s heart a lot!

“Whether you can succeed or not, you have to try...”

David’s eyes showed a firm look.

...

Kyoto Budo Alliance!

Since Nie Cheng replaced Ning Zhi as the leader of the alliance, he has gathered a lot of black copper robes, and even seven black silver robes.

Since David established Longmen, the Martial Arts Alliance has almost become an object of avoidance by everyone. No sect family is joining the Martial Arts Alliance!

Even the former sect families have chosen to leave the martial arts alliance!

Nie Cheng is almost a bare commander, but in order to increase the strength of the Martial Arts Alliance and let many aristocratic sects know the power of the Martial Arts Alliance, Nie Cheng applied directly, mobilized many black copper robes, and even seven black silver robes came over !

You must know that these black and silver robes are all Great Marquis, each of them is extremely powerful, even those black copper robes are also very powerful!

This time, after seeing the strength of the Martial Arts Alliance, many aristocratic families began to move closer to the Martial Arts Alliance!

There is no way, there are too many people on the wall. In this society where strength is respected, only those who are strong will fall to whom!

In the hall of the Kyoto Martial Arts Alliance, Nie Cheng was holding a vajra, his face was not very good-looking!

He didn't understand, that guy Ning Zhi, He De He Neng, could actually let him go to the secret room to practice. Originally, Nie Cheng thought that if he replaced Ning Zhi, Ning Zhi would have no value and would definitely be executed. Went to the secret room to practice!

But even if he was dissatisfied in his heart, Nie Cheng did not dare to complain at all, because of the power of the almighty, none of them dared to try!

"Recently, David has not been tracked, but this is a good thing for us. As long as he doesn't trouble us, we won't be looking for him."

"Everyone just needs to practice with peace of mind. I will give you priority to supply that girl's blood."

"Now that the Martial Arts Alliance has become like this, Da Neng is very angry, so we must work together to make the Martial Arts Alliance prosperous."

Nie Cheng said indifferently, facing the black copper robe and black silver robe below.

However, none of these black-robed people said a word. They knew how difficult it was to make the Martial Dao Alliance flourish again.

### **Chapter 1745**

Nie Cheng looked at these people without saying a word, and his face became slightly ugly!

These people are very shrewd in their hearts. They know how difficult it is to make the Martial Dao Alliance brilliant again. If it is not done by then, the great power will be blamed, and none of them will be able to escape!

Now these people just want to put the blame on Nie Cheng, who made Nie Cheng the leader of the alliance, they are nothing more than the helpers they invited!

Nie Cheng also regretted at this moment, regretted such a mess, why did he come to be the leader of this martial arts alliance in the first place?

But what's the use of regretting at this time!

Now Nie Cheng only hopes that David will stop making trouble in the Martial Arts Alliance and let him develop the Martial Arts Alliance well.

But at this moment, there was a sound of reprimand outside the door of the Martial Arts Alliance!

“Who are you? Do you know what is the crime of trespassing on the Martial Arts Alliance?”

Someone is yelling, proving that someone is breaking into the Martial Arts Alliance!

After Nie Cheng heard this, his face became extremely ugly: “Hmph, these guys really don't care about my Martial Arts Alliance at all. This time, I must teach them a lesson.”

During this period of time, there were always people who broke into the Martial Arts Alliance without notice, and looked down on the Martial Arts Alliance in their eyes.

Nie Cheng got up and walked out, while those black robes followed closely behind!

As soon as he walked to the door, Nie Cheng looked at it. David pushed away the guard of the Martial Arts Alliance and walked in swaggeringly. There was another person behind him, but that person was expressionless and sluggish, like a fool!

“David?”

Watching David break into the Martial Arts Alliance, Nie Cheng frowned!

Just now, he was hoping that David would not come to the Martial Arts Alliance to make trouble, but he didn't want David to come now!

David glanced at Nie Cheng, and then said lightly: “Now the Martial Arts Alliance, you have the final say?”

Nie Cheng nodded: “Yes, I am the leader of the alliance now...”

“Okay, then I'll talk to you...”

After David finished speaking, he walked straight into the hall, completely ignoring Nie Cheng and those people in black robes!

At this moment, there is a blood demon behind David, of course, he will not be afraid of these guys from the Martial Arts Alliance.

Seeing David like that, Nie Cheng was instantly furious, but for the sake of the overall situation, Nie Cheng suppressed his anger and followed suit!

“David, what are you doing in my Martial Arts Alliance? Aren’t you afraid that there will be no return?”

Nie Cheng admired David’s courage.

“I’m here, I didn’t plan to leave, you know what I’m here for!”

“If you can let my girlfriend go, I can spare your Martial Arts Alliance!”

“Otherwise, the Martial Arts Alliance will disappear from this world today!”

David said with a stern expression.

When Nie Cheng heard this, he suddenly burst into laughter: “David, you do have some skills, aren’t you a great Marquis? Do you really think you are invincible in the world?”

“Let me tell you, we now have eight Great Marquis, and none of them are weaker than you. Why do you want someone here?”

“I can make you still alive now, you should kowtow and thank you!”

Nie Cheng held a vajra in his hand with a sneer on his face.

And those people in black robes also had sarcasm in their eyes. If David summoned all the power of the Dragon Gate and came to fight to the death with the Martial Arts Alliance, maybe they would be afraid!

But now David is bringing one person here, and that is to die. There are so many of them, how could they be afraid of David.

David didn't care about Nie Cheng's words at all, but continued to say calmly, "I'm giving you a chance. If you don't cherish it, then you can't blame me."

Nie Cheng smiled: "David, let me tell you, your girlfriend is locked in a dungeon, no one can let her out, and no one can save her, I don't have the right."

"Even if I have this right, why would you let me let go of your girlfriend? With your bragging mouth?"

While speaking, a strong aura erupted from Nie Cheng's body, and this aura instantly wrapped David!

## **Chapter 1746**

David's body exudes a faint golden light, resisting the oppression of Nie Cheng's breath!

The aura on Nie Cheng became more and more manic, while the golden light on David became more and more dazzling!

The two resisted like this, no one moved, and no one retreated!

The two breaths kept colliding with each other.

Nie Cheng frowned slightly. He didn't expect David to look weaker than himself, but this time, David was not at a disadvantage!

At this moment, Nie Cheng had exerted his breath to the extreme, but David remained motionless.

The surrounding people in black robes took a few steps back in unison. They didn't want to waste their strength to resist this coercion!

At this time, no one noticed that the atmosphere in the entire hall had already raged to the extreme. The two breaths were intertwined, and the terrifying coercion had already turned the tables, chairs and benches into powder!

But the Gorefiend, who had been standing behind David, did not change at all, his body was motionless, and his face was expressionless!

boom...

In the end, Nie Cheng and David took a step back at the same time, and the breath on their bodies dissipated instantly!

In this confrontation, the two were half a pound, and neither one took advantage of it!

"David, you are so ignorant and fearless if you dare to break into my martial arts alliance alone."

"I don't need anyone else, I can easily kill you with a vajra!"

Nie Cheng looked at David disdainfully and said.

“Really? I’m standing here, you want my life, you can come and take it at any time...”

David spread his hands, his face was indifferent!

Seeing David’s indifferent appearance, Nie Cheng really didn’t dare to do it for a while. He didn’t know if David had something behind him.

“What? Don’t dare to do it? If you don’t dare to do it, let my girlfriend go. If you force me to do it, the Martial Arts Alliance will cease to exist!”

David sneered when he saw Nie Cheng like that.

“Hmph, to kill you, why should I do it...”

Nie Cheng snorted coldly and stepped back: “You killed him...”

Nie Cheng didn’t do it, but let the others in the black silver robe do it!

The black and silver robes of the seven Great Marquis are more than enough to deal with David!

One person and one move can knock David into sgum.

When Nie Cheng spoke, the seven black and silver robes couldn’t help but listen, they all took a step forward and surrounded David in an instant!

The breath emanating from the seven black and silver robes made the entire Martial Arts Alliance tremble!

David looked at the seven people coldly, with a cold glow in his eyes!

“Kill them all, leave none of them...”

David said coldly.

Nie Cheng was stunned for a moment, then looked out hastily, and found that there was no one outside at all. Who was David speaking to?

Could it be the sluggish guy behind him?

Nie Cheng checked it right away, and the Gorefiend had no breath on his body, like a dead person!

How powerful can such a person be?

Gorefiend got David’s order and took a step forward to block David.

David, on the other hand, with a cold smile on his face, retreated directly to the wall!

Facing the Gorefiend, the seven black and silver robes all looked at each other, not knowing what to do for a while.

A guy with a sluggish face stood up, and there was no breath on his body. They didn’t know if they should shoot!

“Kill this fool together.”

Nie Cheng said.

A black and silver robe nodded, and then punched the Gorefiend with a punch!

Heiyinpao didn't use all his strength in this punch. After all, to deal with such a breathless person, it only takes 10% of his strength to smash people into flesh!

When David saw that the black silver robe was so contemptuous of the blood demon, he laughed and watched the show!

It would be better if there were melon seeds at this time!

The black silver robe punched in front of the Gorefiend, and then hit the Gorefiend in the chest!

### **Chapter 1747**

bang...

Although he didn't use his full strength, this punch was tens of thousands of pounds of power, and it was not a problem to knock off a mountain!

But this punch hit the Gorefiend like a fart!

The Gorefiend didn't react at all, but the black silver robe felt a huge anti-shock force, and then the arm bones broke instantly, directly piercing the skin and exposing it!

Bai Sensen's bones, with bright red blood, made the scene very terrifying!

At this scene, everyone was stunned.

Especially the black and silver robe who started the hands, the heart was shocked, and then the figure quickly retreated!

He knew that the breathless guy in front of him was far more powerful than they thought.

But just as the black silver robe retreated, the Gorefiend moved, and the Gorefiend slapped it out!

This slap may seem slow, but it is extremely fast!

The black and silver robe didn't have time to react, only to be hit by a slap!

puff...

Heiyinpao's head was blown up by a slap from the Gorefiend, scarlet blood splattered everywhere, and a terrifying bloody smell spread out!

This time, Nie Cheng and those black robes were dumbfounded!

"This...how is this possible?" Nie Cheng looked at the black silver robe who died tragically, his face full of disbelief.

This is the Great Marquis, Great Marquis!

How can you be slapped to death?

Just want to kill a fly?

Is this too outrageous?

What kind of strength would be able to slap the Great Marquis to death?

Wu Sheng? Transformation environment?

At this moment, Nie Cheng's mind felt a little out of order!

And those black and silver robes looked at their companions and were slapped to death by a slap, and they all looked extremely ugly!

This time, no one dared to move the remaining black and silver robes, and involuntarily took a step back!

"If you release my girlfriend now and apologize on your knees, I can spare your life."

David said.

Nie Cheng said with a cold face, "David, don't be complacent, although I don't know where you invited the masters, but don't underestimate our Martial Arts Alliance."

"Even if the person you invited is a Martial Saint, what can you do? Do you think our Martial Arts Alliance doesn't have a Martial Saint?"

"The Martial Saint weapon in my hand can also exert the strength of Martial Saint."

Nie Cheng is holding a vajra, his aura is constantly rising!

“Okay, then let’s all die...”

David stopped talking nonsense and directly controlled the blood demon!

“Let’s go together, even if it’s Martial Saint, we don’t have to be afraid.”

Nie Cheng said loudly.

The remaining six black and silver robes could only grit their teeth together. Could it be that they dared to escape?

To know the punishment of the mighty for the escapee, it is better to die than life.

The six black and silver robes all headed towards the Gorefiend, but Nie Cheng was at the end, holding a vajra, ready to find an opportunity to give the Gorefiend a fatal blow!

But before Nie Cheng could make a move, he saw the Gorefiend waving his big palm!

One slap and one, and go very fast!

In the blink of an eye, the six black and silver robes became headless corpses, and the entire hall was filled with a thick bloody aura.

Nie Cheng, who originally wanted to do it, suddenly became an idiot!

Staring blankly at the corpse on the ground, his face was full of horror!

You must know that these black silver robes are all Great Marquis, and some even have the strength of the late Great Marquis, and each of them is not weaker than him.

But this kind of existence at the top of the martial arts world was just shot to death?

The problem is that one is slapped to death, and even the souls in these black silver robes have not had time to escape.

In an instant, the ashes vanished...

Seeing this, those black copper robes could no longer control them, and they all ran out desperately. The black and silver robes couldn't withstand a slap in the face. These black copper robes were afraid that they would be blown to death in one breath!

"Don't let them escape..."

David said a word, the figure of the Gorefiend swayed slightly, and then the whole person appeared in front of those black copper robes!

## **Chapter 1748**

No one saw how the Gorefiend moved, it was like teleportation!

"what..."

When the black copper robes saw this, their eyes were full of fierceness, and then they rushed towards the Gorefiend!

They know that only by working hard can they have a chance!

More than a dozen black copper robes rushed towards the Gorefiend.

The Gorefiend, on the other hand, slapped both palms together, and slapped one of them, and directly scattered the souls of those black copper robes, and not even a slag was left.

More than a dozen black copper robes, that is, in the blink of an eye, not a single one is left, and no corpses are left!

Nie Cheng looked at the scene in front of him, his face was extremely cold!

He was holding the vajra in his hand, and now it seemed that this vajra was his life-saving talisman.

This is a sacred weapon, even if it can't deal with the Gorefiend, but with the sacred weapon in hand, Nie Cheng has the confidence to escape!

“Do you want to talk to me now? If you let my girlfriend go, I can keep you alive...”

David said to Nie Cheng.

“As I said, I'm not qualified to let your girlfriend go. I tell you, even if you kill me, you can't open the dungeon...”

Nie Cheng said with an expressionless face.

“Since you are useless, there is only one dead end...”

After David finished speaking, he glanced at the Gorefiend, and the Gorefiend slowly walked towards Nie Cheng!

“Hmph, don’t forget the holy weapon in my hand...”

Saying that, Nie Cheng’s aura entered the Vajra pestle instantly, and then the Vajra pestle radiated light, and the terrifying aura began to spread!

The aura of the martial sage in the vajra is not only condensed, but the hall is full of terrifying coercion!

Under this pressure, David’s legs began to tremble, and he finally knelt on one knee with a thud!

Under the aura of Martial Saint, David couldn’t bear it at all!

Seeing David kneeling down, Nie Cheng was full of confidence.

“I promised you this sacred weapon, but you still dislike it. Now you know its power?”

Nie Cheng sneered for a while, then raised the vajra in his hand high.

In an instant, terrifying breaths continued to spread out, followed by a dazzling ray of light on the vajra, and that ray of light went straight to the Gorefiend!

David was instantly blown away by this dazzling light. In front of the sacred weapon, David didn’t even have the slightest power to fight back!

At this moment, David has truly seen the power of Martial Saint!

This is just a wisp of aura emanating from the Martial Saint Artifact. If it is a true Martial Saint Master, wouldn’t the strength be even more terrifying?

Thinking of Fan Jiang's words, saying that there are Martial Saints in the Martial Arts Alliance, this makes David's face full of worry!

But now fortunately he has the Gorefiend, and it is not a problem to deal with that Nie Cheng, otherwise David himself would really not be able to deal with this sacred weapon.

The Gorefiend ignored the rays of light emanating from the Vajra pestle, and strands of the Martial Saint's power kept hitting the Gorefiend!

But to the terrifying fleshly body of the Gorefiend, it was just like tickling!

Arriving in front of Nie Cheng, the Gorefiend slapped him in the face!

Nie Cheng was startled in his heart and shouted loudly. The vajra in his hand was a little more radiant!

The Gorefiend still ignored the light, and slapped Nie Cheng's Vajra pestle directly.

Nie Cheng only felt that his arm was about to be broken, and the vajra in his hand flew out instantly!

Without the coercion of Martial Saint's breath, David got up instantly, jumped straight up, and walked towards the Vajra pestle.

Nie Cheng was very anxious when he saw that David wanted to get the vajra pestle, but in the face of the blood demon, he could only escape for his life, and the vajra pestle had no choice!

Nie Cheng turned around and ran away, and after David got the Vajra pestle, a force of Martial Saint went towards Nie Cheng!

Nie Cheng only felt a terrifying aura coming towards him from behind him. Before he could react, his whole body was knocked out!

Nie Cheng fell heavily to the ground, his whole body vomited blood and he was obviously seriously injured!

### **Chapter 1749**

Gorefiend was about to go forward and deal with Nie Cheng, but was stopped by David!

“Don’t kill him...”

David planned to let Nie Cheng take him to the dungeon and rescue Sonya!

The Gorefiend stopped and then stepped back, while David walked in front of Nie Cheng with the vajra pestle, and said coldly, “Now you have no chance to talk to me, take me to the dungeon...”

Nie Cheng looked at the Gorefiend, then looked at the vajra in David’s hand, took a deep breath and said, “Even if you enter the dungeon, it is impossible to save your girlfriend.”

“Stop talking nonsense, just take me in. Whether or not you can save it is my own business...”

David reached out and picked up Nie Cheng.

Like a dead dog, Nie Cheng followed David to the back of the Martial Arts Alliance!

In front of the rockery, David said, “Go and open the dungeon...”

Nie Cheng did not dare to open because he knew the consequences of betraying the great power.

“David, even if you open the dungeon, you really can’t save your girlfriend. She is locked in a special cell, and you can’t save her.”

Nie Cheng said with a bitter expression.

David looked at Nie Cheng coldly, and suddenly a consciousness entered Nie Cheng’s mind.

Nie Cheng, who was seriously injured, how could he bear it? David's consciousness was torturing Nie Cheng with all his might!

Nie Cheng felt a splitting headache, and it was as uncomfortable as ten thousand worms!

"Open the dungeon, you don't have to suffer..."

David said to Nie Cheng.

Nie Cheng was helpless, so he could only agree, and then walked to the front of the rockery, activated the magic technique, and slowly moved the rockery, revealing the entrance to the dungeon!

Seeing that the dungeon was opened, David was overjoyed!

He was about to rush in, but after thinking about it, he was afraid that there might be an agency inside, so he let Nie Cheng walk in front!

Nie Cheng walked in front, and David followed behind!

Going all the way to Sonya's cell, David couldn't hold back, and suddenly rushed towards the cell!

Holding the iron door of the cell tightly with both hands, she shouted Sonya loudly!

At this time, Sonya was sitting on the bed. The facilities in the cell were very good, and there were all the necessary living items!

Hearing David's cry, Sonya was surprised and hurriedly turned her head to look. When she saw David, her tears couldn't help but flow out instantly!

"David, David..."

Sonya rushed to the old door and held David's hand tightly: "How did you get in, are you also caught by them?"

"No, I'm here to save you, I'll save you right away."

David stroked Sonya's face lightly!

Although Sonya looks good, she has been detained here for a long time, and her mood is very low.

"Quick, open the dungeon, open the dungeon immediately..."

David couldn't wait to command Nie Cheng.

"I can't open this prison door."

Nie Cheng said.

"Fart, you can definitely open it. If you don't open it, believe it or not I'll kill you?"

David's face was full of anger, and then he punched and kicked Nie Cheng!

In front of David, Nie Cheng could only shrink his body and let David punch and kick on his body!

Soon, Nie Cheng was beaten with scars all over his body, but still shook his head: "I really can't open it, I have no right to open this prison door."

"Then you say, who can open this prison door? Who can open it?"

David picked up Nie Cheng, grabbed his collar tightly and asked.

"Ning Zhi, he can open it. He has a way to open the prison door."

Looking at David who was almost crazy, Nie Cheng was also a little scared, so he sold Ning Zhi!

"Where is Ning Zhi? Let him get out, get out..."

David roared, telling Ning Zhi to get out.

But Ning Zhi didn't join the Martial Arts Alliance at all, but practiced in the secret training room unique to the Martial Arts Alliance!

## **Chapter 1750**

Even Nie Cheng didn't know where Ning Zhi's address was!

"No... I don't know, Ning Zhi was recruited from above to practice..."

Nie Cheng explained carefully.

"I can't believe it can't be opened..."

David clung to the prison door with both hands, his body was constantly rising, and he wanted to try his best to open the prison door!

But no matter how hard David tried, the prison door was still intact!

“Open the prison door...”

David ordered to Gorefiend!

Gorefiend stepped forward, and then punched it out!

boom...

The ground shook for a while, and the entire dungeon was almost collapsed, but the prison door could not be opened!

This made David very surprised. To know the strength of the Gorefiend, it was a big demon from thousands of years ago. Why can't even a prison door be opened now?

Just when the Gorefiend was about to smash the second punch, Nie Cheng hurriedly said, “You can't force it to open, otherwise the entire dungeon will collapse, and none of us will survive.”

Nie Cheng prevented the Gorefiend from forcibly breaking open the prison door again.

Seeing this, David hurriedly said, “Stop...”

Although he follows the Gorefiend's body and is strong, even if the dungeon collapses, the two of them may not be in trouble, but Sonya can't do it. If the dungeon really collapses, Sonya will surely die!

This made David anxious and angry, and he didn't know what to do!

“You must have a fcuking way to open the door for me, or die...”

David grabbed Nie Cheng by the neck!

If you can't force the door to open, then you can only let Nie Cheng find a way. After all, Nie Cheng is the leader of the Martial Arts Alliance.

Nie Cheng couldn't move at all with David's neck strangled, so he could only blushed and said, “I really can't open it, it's useless for you to kill me.”

David didn't listen, and the strength in his hand became stronger and stronger.

“Since you want to die, I will fulfill you.”

David's eyes glowed red.

At this moment, Nie Cheng could hardly even breathe, his face turned purple, and he was about to return to the west at any time.

“David, it looks like he really doesn't know...”

At this time, Sonya spoke.

Only then did David regain his senses and let Nie Cheng go!

Nie Cheng kept coughing and breathing heavily: “I really don't know, I was just temporarily dispatched to replace Ning Zhi to be the leader of the alliance, and he has no rights.”

David looked at Sonya in the prison, feeling as uncomfortable as a needle pierced.

“David, don’t be sad or discouraged, I believe there is always a way, and they won’t kill me, let alone abuse me.”

Sonya comforted David!

“Well, I will definitely find a way to break this cell, Sonya, please wait patiently.”

David said firmly.

“I believe in you. Now that your strength is so high, you can rush into the dungeon. I believe that the day when we truly reunite is not far away.”

Sonya nodded.

David held Sonya’s hand tightly and was reluctant to let go for a long time, but just like this, a terrifying aura suddenly began to rise in the dungeon, and it seemed that something terrible was waking up!

Feeling the terrifying aura, David knew that he couldn’t stay in the dungeon. After saying goodbye to Sonya, he immediately picked up Nie Cheng and ran out.

As soon as he ran out of the dungeon, the gate of the dungeon closed automatically, and there were waves of light like fish scales around, which seemed to re-shroud the dungeon with a layer of formation.

David frowned as he looked at the dungeon that had re-shrouded the formation.

He knew that someone must be controlling all of this behind his back, and he also knew that he had entered the dungeon!

“Destroy this martial arts alliance to me...”

Since the dungeon cannot be destroyed, David will destroy the Martial Arts Alliance!

The Gorefiend received the order, and a terrifying aura began to erupt from his body, followed by tornadoes around him!
