

A Man Like None Other Chapter 1751 – 1760

Chapter 1751

Originally, the entire Martial Arts Alliance was protected by a formation, but at this time, under the terrifying aura of the Gorefiend, the magnificent buildings instantly turned into ruins!

Looking at Gorefiend's terrifying ability, David couldn't help but be speechless!

This **** is too powerful. If the Gorefiend is not dead at the moment, and what remains is not a physical body, then is there anyone else who is his opponent?

Nie Cheng watched the entire martial arts alliance turn into a mess, and his face suddenly turned ashen!

He knew that when he was finished, David would not kill him, and Da Neng would not let him go.

In the blink of an eye, the Martial Arts Alliance no longer exists, only the rockery still stands intact!

The members of the Martial Arts Alliance can't even find their bodies, they have become sgum!

David looked at Nie Cheng, at this moment Nie Cheng couldn't help but feel tight!

As the Great Marquis, the black silver robe of the Martial Arts Alliance has become a prisoner now, and he is still so embarrassed!

"David, I opened the dungeon for you, and I have told you everything I know, can you stop killing me?"

Nie Cheng is begging for mercy, he is afraid of death!

David stared at Nie Cheng closely, and then said with a cold face: "I gave you a chance, but you didn't cherish it, don't blame me, blame yourself for not being the leader of this alliance."

David did not kill Nie Cheng immediately, but let the Gorefiend carry Nie Cheng and walk towards the Long family!

David kept Nie Cheng in order to publicly sentence Nie Cheng to death. He wanted everyone to know what happened to the Martial Arts Alliance.

The leaders of the Martial Arts Alliance have all been sentenced to death, and the Martial Arts Alliance has been destroyed. Who else will join the Martial Arts Alliance?

David is going to follow the Martial Arts Alliance to the end, and he will never die...

At the same time, in an extremely fluctuating space, a person hiding under a black robe slowly stood up!

"There are still people in the secular world who can shake my magic circle. The fluctuation of the breath just now is too terrifying. Is the spiritual energy really going to recover, are some old things alive?"

The man in black robe spoke lightly, but there was no one in front of him!

“Great power, all the secret realms seem to have received news. The era of spiritual energy recovery is coming, and the major hidden families seem to be preparing.”

“Many powerful family spokespersons have emerged in the secular world, and the martial arts alliance we have worked so hard to manage has lost its glory at this time and was destroyed in one fell swoop.”

In the fluctuating space, an old man with a wrinkled face and a somewhat hunchback appeared.

“Hahaha, the Martial Arts Alliance is just a bait for me. Even if it is a bait, it cannot be easily destroyed. Take someone to see it. If possible, bring David.”

“Golden Dragon’s real body, perhaps with his body, we can enter another world and see our long-lost Demon Venerable...”

Da Neng laughed wildly, and didn’t seem to be angry because the Martial Arts Alliance was destroyed.

“As ordered...”

The hunchbacked old man slowly stepped back, and soon his body was hidden in the turbulent space.

In Kyoto, the Martial Arts Alliance was destroyed, and the news of the arrest of Nie Cheng, the new leader of the Martial Arts Alliance, spread instantly!

This time, David's reputation has reached its peak!

However, for David, all his prestige was meaningless. He had to find a way to break through the cell and rescue Sonya.

Now that the Martial Arts Alliance no longer exists, but looking at the dungeon, David is helpless, which makes him very desperate!

"Mr. Chen, are you worried about not being able to break the cell of the Martial Arts Alliance?"

At this time, Fan Jiang came over and asked.

David looked at Fan Jiang, and then nodded: "The formation in that cell is so powerful that it can't even break through the Gorefiend."

"I've been in the Martial Arts Alliance dungeon for 20 years. The formation in that dungeon is very strange, but as long as the formation eye is found, it may be possible to break the formation."

Fan Jiang said.

Chapter 1752

When David heard this, he rolled his eyes immediately. Everyone knows that the formation can be broken if the formation is found. After all, the formation is the weakest point of every formation!

But the most difficult thing is how to find the array eye!

Fan Jiang also seemed to see what David was thinking, and said quickly: "Mr. Chen, Master Hu is a master of spells, and each spell corresponds to a magic circle. If you find him, maybe Master Hu can know where the formation eye is, or maybe you can break the formation."

When David heard it, his eyes suddenly lit up. Indeed, the reason why each talisman has different abilities is because the arrays given to each talisman are different, so the abilities are different!

For example, the killing formation and the mountain protection formation are just condensing the formation into the talisman paper, which makes each talisman have different abilities!

It's just that this ability to draw talismans is not available to everyone.

You can make formations, but you may not be able to draw talismans. Arrange the formations on the talisman paper!

In the same way, Hu Mazi can draw talismans, and the talisman technique is almost invincible, but if he really wants to set up a mountain protection formation in a sect, he can't do it!

All things are interoperable, yet have their own differences!

David, who wanted to understand, decided to go to Hu Mazi immediately after beheading Nie Cheng in public tomorrow.

If Hu Mazi can't do it, they can go to the ruins of Tianfuzong, maybe they will have an adventure!

Now that the Gorefiend is in the flesh, it is like a walking tank, and there is absolutely no need to be afraid of the organs set up in the ruins!

The next morning!

The martial arts field was crowded with people because David decided to publicly execute Nie Cheng here today!

This is still the first alliance leader to be executed by the Martial Arts Alliance to this day!

This kind of thing should be stopped by the official. After all, David's Dragon Gate is just a sect, and he has no right to execute the leader of the Martial Arts Alliance!

The official word is needed, but David decided to execute Nie Cheng, but the official did not say a word.

Everyone also understands that it is normal for the government to remain silent because of the relationship between David and Mr. Shi.

Longmen, in a dungeon, David personally took Nie Cheng out!

Nie Cheng also seemed to know his fate, and his face became extremely pale!

"David, you... can you not kill me, I can tell you more secrets of the Martial Arts Alliance..."

Nie Cheng said with a trembling body.

When David heard it, he was taken aback and said, "Do you still know the secrets of the Martial Arts Alliance?"

"You promise not to kill me before I tell you..."

Nie Cheng said.

"Do you think you have the right to bargain with me?"

David's face turned cold.

Feeling the icy chill on David's body, Nie Cheng hesitated for a moment, then finally gritted his teeth: "Okay, I'll tell you, I hope you can let me go..."

Nie Cheng was about to speak, but he heard an old voice from the side: "You know it's just a fur, how dare you call yourself a secret?"

David and Nie Cheng were startled at the same time, and hurriedly turned to look!

It was discovered that at some point, behind them, a hunchbacked old man appeared!

David was startled and asked the old man, "Who are you? How did you come in?"

You must know that the Dragon Gate is now heavily guarded, how can there be any strangers who can enter casually.

Moreover, this person is already very close to David at this time, and David has not discovered it yet, which shows how strong the opponent is!

"It doesn't matter how I got in, the important thing is that the dignified black silver robe is so afraid of death, it's really a shame for the Martial Arts Alliance."

The hunchbacked old man sighed and shook his head.

"Are you from the Martial Arts Alliance?" David frowned.

And that Nie Cheng was so frightened that his face was extremely ugly. He didn't know the hunchbacked old man, because when they were in the meeting, they were all dressed in black robes, and no one knew the identity of the other party.

Chapter 1753

Now that the Martial Arts Alliance has sent people, Nie Cheng's heart is terrified!

"Senior, save me, save me, I was just a stopgap measure, and I didn't reveal any secrets of the Martial Arts Alliance."

Nie Cheng shouted for help at the hunchbacked old man!

"It seems that under the black gold robe, it's all rubbish, that's right..."

The hunchbacked old man snorted coldly!

Immediately after a ray of light shot out from his eyes, David wanted to shoot, but found that it was too late!

I saw that ray of light entered Nie Cheng's mind instantly, and then Nie Cheng's head exploded instantly, and he died as soon as he saw it.

David looked at Nie Cheng who had died tragically in front of him, and his aura began to increase rapidly!

He knew that the strength of this old man was too strong, and he was not an opponent at all!

A ray of divine consciousness emanated, and David urgently began to summon the Gorefiend!

“Just because of you, you are not qualified to fight with us at all. If you can submit to us, we can consider letting go of your girlfriend.”

“And the resources in our hands can also allow you to quickly improve your cultivation. Otherwise, it would be a pity for you to be a golden dragon.”

The old man looked at David with a sneer and said.

“If you are sincere, let go of my girlfriend first. I am considering whether to join you.”

David was deliberately delaying time to let the Gorefiend come.

“Hahaha, do you think of me as a fool?” The old man laughed loudly: “Don’t worry, I will give you time, but I want to see who the masters around you are.”

The old man’s words surprised David, so he asked, “Could it be that you arranged the formation in the dungeon?”

Because only those who set up the formation can feel the fluctuations of the formation and know that there are masters around David who have created the formation!

“You look at me too highly. That formation is not something I can arrange. I also advise you not to waste your efforts. No one can break that formation.”

“It’s impossible for your girlfriend to be rescued by you. You can only let her out when her value disappears.”

“However, with the physical body of the fire spirit body, coupled with the blood that is comparable to spirit medicine, it is almost impossible for you to let your girlfriend leave the dungeon.”

The hunchbacked old man sneered.

Seeing Sonya, David’s body rose with anger, golden light suddenly appeared, and the undamaged golden body began to cover David’s whole body!

At the same time, the Gorefiend has also arrived behind David, waiting for David’s order with a blank expression!

Seeing the Gorefiend appearing behind David, the eyes of the hunchbacked old man instantly flashed with rays of light!

“I thought it was an old thing that was resurrected, but it turned out to be the Gorefiend...”

When the hunchbacked old man saw the Gorefiend, he instantly sneered: “But you are relying on this old thing, do you still expect to be invincible in the world?”

When David saw that the old man could see the blood demon at a glance, the whole person was surprised, and his eyes were about to pop out.

To know that this Gorefiend has been dead for thousands of years, how could anyone still know it?

Could it be that the old man in front of him is also a monster who has lived for thousands of years?

Seeing David's surprised expression, the hunchbacked old man said: "If this Gorefiend was still alive, I might not be able to escape his palm, but now he is just a flesh, you have trained it into a puppet corpse, and with you At the current level, even if it is possible to refine a blood demon into a puppet corpse, the control ability will never exceed seven days."

"I really thought there were some masters around you, so I expected a dead man to show off his power..."

The disdain of the hunchbacked old man made David's face extremely ugly!

He really didn't understand, who the old man in front of him was, and how did he know so much?

"Even if it's a dead person, it's easy to kill you now."

David urged the Gorefiend to attack the hunchbacked old man.

Chapter 1754

"Hmph, ignorant and fearless guy..."

The hunchbacked old man snorted coldly!

"Do it..."

David ignored him, but directly let the Gorefiend do it.

Gorefiend slapped the hunchbacked old man directly with a palm!

The hunchbacked old man snorted coldly, and then began to sing something in his mouth, and ripples of breath began to flash above his hands.

The hunchbacked old man chanted faster and faster, and the quaint and mysterious atmosphere began to erupt!

Then a light instantly penetrated into the Gorefiend's head!

But the gorefiend who started the action suddenly stopped, and David felt it instantly. He was connected with the gorefiend's consciousness and was cut off by something!

This time, David's face changed greatly, and he looked at the hunchbacked old man in disbelief.

He couldn't figure out what method the old man used to cut off the connection between him and the Gorefiend.

The hunchbacked old man looked at David with a sneer: "It's just a puppet corpse. As long as you lose the control of your consciousness, it's just a dead corpse. Do you really think he can help you solve our martial arts alliance?"

The eyes of the hunchbacked old man were slightly condensed, and the obsidian-like eyes exuded a cold and fierce light, which brought an endless sense of oppression.

David's brows were wrinkled, his consciousness was constantly impacting, and he wanted to regain control of the Gorefiend's body!

But every time it hits, it seems to be blocked by something!

The cold sweat on David's forehead began to drop!

Suddenly, the Gorefiend moved, but the one who controlled the Gorefiend turned into a hunchbacked old man!

The consciousness of the hunchbacked old man wanders in the body of the Gorefiend, controlling the actions of the Gorefiend!

“This corpse is comparable to the power. I didn’t expect you to be able to make a puppet corpse, but your consciousness is too weak...”

The hunchbacked old man sneered all over his face, and controlled the Gorefiend towards David!

David closed his eyes slightly, and the golden power of consciousness rushed out in his mind, directly wrapping the Gorefiend!

He didn’t believe that his divine consciousness could not enter the Gorefiend’s body!

Seeing that the Gorefiend was in front of David, suddenly a golden light burst out from the center of the Gorefiend’s eyebrows, and then David’s consciousness instantly connected with the golden light!

It turned out that when the puppet corpse was being refined, David’s blood essence left in the Gorefiend was exerted.

When David’s consciousness entered the Gorefiend, he immediately followed the hunchbacked old man and began to fight for the control of the Gorefiend!

The consciousness of the two people began to compete with each other in the Gorefiend.

The sneer on the face of the hunchbacked old man, in his eyes, David is nothing but an ant!

The battle of the two people’s consciousness is getting more and more fierce. If it wasn’t for the strong body of the Gorefiend, it would have been completely torn apart by now!

With the battle of the two gods, the hunchbacked old man’s face became solemn!

He didn't expect David's power of consciousness to be so powerful!

I saw David's power of consciousness pouring into the Gorefiend's body crazily. These powers of consciousness turned into sharp swords, constantly attacking the consciousness of the hunchbacked old man.

The consciousness of the hunchbacked old man has begun to retreat, and the blood of David is in the blood demon. David is now a double attack!

Soon, the consciousness of the hunchbacked old man was instantly shattered, and the control of the Gorefiend returned to David's hands.

The hunchbacked old man's face became very ugly, and he looked at David in disbelief.

And David is not much better at the moment. The battle for consciousness just now took David's energy that he understands well, and now David feels a little dazed.

However, David didn't dare to rest. After he got control of Gorefiend, he immediately ordered Gorefiend to do it.

The Gorefiend slammed a punch at the hunchbacked old man.

The hunchbacked old man snorted coldly, and then the breath on his body continued to rise, then raised his hand and slapped it out, trying to block the attack of the Gorefiend.

Chapter 1755

boom...

With this random punch from the Gorefiend, the instant the two of them came into contact, the hunchbacked old man's face became extremely ugly!

Because he found that the Gorefiend's seemingly random punch contained a very terrifying and huge power, and it was too late to react, and the hunchbacked old man was instantly knocked out.

The hunchbacked old man got up and said with an ugly face: "This old thing, thousands of years old, has such a strong power in a fleshy body?"

The hunchbacked old man underestimated the power of the Gorefiend. He didn't even know that the Gorefiend's body was not just a corpse.

The Gorefiend's body still retains a trace of breath, and it has absorbed the energy of the people on Penglai Island for so many years. If David hadn't appeared, the Gorefiend would have been completely resurrected.

Therefore, the hunchbacked old man only regarded the Gorefiend as a corpse, which was a big mistake!

David was overjoyed when he saw that the hunchbacked old man was not a Gorefiend opponent, and immediately controlled the Gorefiend to attack the hunchbacked old man again.

The hunchbacked old man's expression changed, his palms swung, and then he swung towards the mid-air. In an instant, the sky became dark, and rolling black clouds began to densely cover.

Immediately afterwards, the black clouds turned into a huge fist and smashed into the Gorefiend in an instant!

David's face became very dignified when he looked at the technique performed by the hunchbacked old man!

This terrifying technique shows how powerful this old man is!

At this moment, David really felt the power behind the Martial Arts Alliance!

The Gorefiend looked up at the giant fist that was slammed down in midair, and smashed it straight up!

The Gorefiend's body seemed so small under that giant fist, but this one punched out!

A hurricane soared, instantly shattering the giant fist!

The figure of the hunchbacked old man suddenly stepped back, and a trace of blood flowed out from the corner of his mouth!

“How can this happen? This old thing is just a puppet corpse, how can it emit such a powerful force?”

The hunchbacked old man has all kinds of puzzles!

After the Gorefiend smashed the giant fist, he stepped towards the hunchbacked old man, and when the hunchbacked old man saw this, his hands suddenly plunged into the ground, and the spells from his mouth began to drift in the sky!

rumbling...

After a loud noise, the whole earth began to tremble, and immediately left a gap nearly one meter wide. Under the bottomless gap, only a roar was heard.

“Come out, hell dog...”

With the constant shouting of the hunchbacked old man, in the depths of the bottomless gap, a black wolf dog suddenly came out.

The wolf dog that came out looked very gentle, and couldn't think of it at all with the abyss of hell!

David frowned slightly as he looked at the wolf dog that suddenly sprang from the ground!

He couldn't believe it, was there really hell in this underground?

And this hunchbacked old man was able to connect this ordinary world with hell and release the vicious dog inside?

Just when David was puzzled, he saw the wolf dog meekly ran to the hunchbacked old man, the hunchbacked old man cut his fingers, and blood gushed out instantly!

Then the wolf dog began to lick the blood of the hunchbacked old man, and the blood of the hunchbacked old man entered the wolf dog's body!

The aura on the wolf dog began to change, the body size was also getting bigger, and the eyes were extremely scarlet!

The terrifying aura of the wolf dog began to spread!

David looked at the wolf dog whose body was constantly changing, and his eyes were bright!

David was not afraid, just a little excited. If he could kill the hell dog and get the beast pill, David felt that his strength could be improved a lot.

Or catch the hunchbacked old man and directly absorb his strength, and David's strength can also be improved.

Chapter 1756

Obviously, the strength of this old man exceeds David by a lot. If David can absorb his strength, the gains will be huge.

At this moment, the wolf dog, who had sucked the blood of the old man, set his eyes on the Gorefiend.

The aura on the wolf dog was full of bloody aura!

"This god dog, kept in hell, absorbs yin all year round, and also devours souls. Now this god dog is sucking my blood, and now it has become invincible..."

The eyes of the hunchbacked old man flickered. Obviously, the appearance of this wolf dog gave him a lot of confidence!

"Hmph, do you really take me for a fool? If you can open the gates of the world and hell, how can you not even beat a Gorefiend's corpse? It was just a trick for you."

"What is being kept in hell and devouring souls, I think you were raised in the secret realm of space, are you releasing it now to scare people? It happened that you were slaughtered for meat, and that beast pill also happened to help me practice. .."

David snorted coldly.

The hunchbacked old man's face turned cold, obviously this was what David said!

In fact, David is just guessing. The person who can really open the gates of hell can't possibly have this ability.

"Do it..."

The hunchbacked old man knew that David could not be swayed, and immediately let the vicious dog attack the blood demon.

The vicious dog bared his fangs, his eyes were fierce, and every time he breathed, he could set off a gust of wind!

But no matter how vicious the vicious dog showed, the Gorefiend showed no expression at all, because the Gorefiend was just a corpse, and it was useless to intimidate the vicious dog.

Seeing that the Gorefiend could not be frightened, the evil dog could only open the bloodbath and bite directly at the Gorefiend.

The Gorefiend did not dodge or dodge, and was directly bitten on the arm by the vicious dog!

But how could the powerful body of the Gorefiend be injured by a vicious dog.

I saw the vicious dog bite down suddenly, and the Gorefiend's body didn't have a trace of scars, but the vicious dog's teeth broke in an instant, and the pained vicious dog had to let go of his mouth.

At the moment when he let go of his mouth, the Gorefiend slapped out a palm, and saw that the huge body of the vicious dog was knocked into the air.

But soon, the vicious dog became afraid again, and I have to say that the body of this vicious dog is also very powerful!

Under the same strength, the physical body of the monster is much stronger.

Moreover, this vicious dog was not afraid at all, roaring and rushing towards the Gorefiend again, at an extremely fast speed, and bursts of black mist continued to emerge from its body!

Accompanied by the black mist, the sides of the vicious dog's head began to change, and then two huge heads grew.

“Three-headed monster?”

David was a little surprised when he saw this!

One body, three heads, each with a big mouth!

Just when David was surprised, he suddenly felt a strong wind blow.

Just as David reacted, the hunchbacked old man had already arrived in front of David, and the dry palm immediately grabbed towards David!

It seemed that he wanted to capture or control David. As long as he controlled David, the Gorefiend would not be the slightest threat.

David was startled, and hurriedly punched the hunchbacked old man.

bang...

David's body was directly knocked into the air and fell heavily to the ground!

And the figure of the hunchbacked old man was just a meal, and then he grabbed David again!

David knew that he was not the opponent of the old man at all, so he took out the vajra pestle directly, and injected the power of a divine dragon into the vajra pestle.

The power of this vajra in David's hands is much greater than that in Nie Cheng's hands.

The sacred weapon is also divided into who uses it. The stronger the user's strength, the greater the power of the sacred weapon. In the hands of the sacred weapon, the sacred weapon can exert its full power.

Chapter 1757

If only a Martial Sect uses the weapon holy weapon, that power will not be exerted at all.

The hunchbacked old man felt the power of the huge Martial Saint, and his body was obviously stunned, and the speed slowed down a lot!

But in the end, the hunchbacked old man gritted his teeth and still grabbed David.

With a wave of the vajra pestle in David's hand, a force of Martial Saint went directly towards the hunchbacked old man!

boom...

The body of the hunchbacked old man slammed into each other with the strength of the Martial Saint, and then flew out.

Seeing that the hunchbacked old man could not withstand the attack of the power of the Martial Saint at all, David was overjoyed, and the power of the dragon was injected into the vajra again.

The vajra flickered with a faint light, and the breath of the power of the Martial Saint continued to spread!

The hunchbacked old man's face became a little ugly, he slowly got up and looked at David, but he didn't do anything!

"Damn, you old man, keep doing it?"

Seeing that the hunchbacked old man was afraid, David sneered.

The hunchbacked old man's face was very ugly, despite David's humiliation, he did not do anything!

And David didn't know yet that the vajra in his hand, under the blessing of his divine dragon's power, had begun to crack!

Originally, the vajra would not last long, but Nie Cheng activated the vajra and fought with the Gorefiend.

Now that David is using the vajra again, it is clear that this has reached the limit of the vajra.

It could be broken at any time!

“Roar...”

Just when David confronted the hunchbacked old man, he suddenly roared, causing the two to look at them all.

I saw the three vicious dogs, and there were still two heads left at this moment. The Gorefiend was waving his iron fist and smashing towards the vicious dog's head.

With this punch, the entire space began to tremble, and the head of the vicious dog was smashed and flew out!

The two extra heads of the vicious dog were all smashed by the Gorefiend at this time!

When the hunchbacked old man saw this, his face instantly became extremely ugly, and there was no time for any sadness. He said something in his mouth, only to see spatial fluctuations beginning to appear around the hunchbacked old man!

David knew that this guy was seeing something bad and wanted to use space magic to escape!

“It’s not that easy to leave...”

David urged the vajra and smashed it directly at the hunchbacked old man.

But just as David exerted force, the vajra in his hand cracked instantly and turned into pieces!

At this moment of delay, the body of the hunchbacked old man slowly disappeared!

“David, when the time for your puppet corpse is up, I’ll kill you again...”

The voice of the hunchbacked old man echoed in David’s ears!

David snorted coldly: “It should be me who took your dog’s life...”

But the hunchbacked old man had already left, so he couldn’t hear it at all.

David looked at the vicious dog again, and at this moment, it had been smashed into flesh by the Gorefiend!

“stop...”

David hurriedly stopped the Gorefiend, if he continued like this, he might even destroy the beast pill!

The Gorefiend stopped, and David hurried forward to find the beast pill from the pile of meat.

Feeling the coldness in the beast pill, David did not expect that this vicious dog was indeed nourished by yin qi.

Fortunately, David’s condensed heart technique and refining Yin Qi are the same, otherwise this beast pill would be wasted.

Putting away the beast pill, David sent someone to the martial arts field to inform everyone that the public beheading of Nie Cheng was canceled, and Nie Cheng had already been killed.

Nie Cheng’s head was gone, and David couldn’t kill Nie Cheng again in public!

After everyone got the news, there was a lot of discussion. This incident did affect David a little in the eyes of everyone, but David didn’t care. The most important thing for him now is to rescue Sonya.

David brought Gorefiend and Fan Jiang, went to Penglai Island to find Hu Mazi, and then went to Tianfuzong!

In order to rescue Sonya, David had no choice but to run around like this!

Chapter 1758

...

The Martial Arts Alliance, on top of the ruins, the hunchbacked old man stands in front of the rockery!

Immediately afterwards, the hunchbacked old man recited the magic technique silently, and a mysterious and unpredictable force instantly enveloped the entire rockery!

With a wave of space fluctuations, the old man's body disappeared, and even the entire rockery disappeared!

But when the hunchbacked old man and the vanished rockery reappeared, they were already in another green place!

This is a secret realm of the Martial Arts Alliance, and the dungeon is in a secret realm!

The dungeon in the Martial Arts Alliance outside is just a reflection of the dungeon in the secret realm!

All the scenes are exactly the same, but it is not impossible to rescue people from the dungeon.

Because those are all fake, even if David can open the cell and rescue Sonya, once he is out of the control of the dungeon formation, the Sonya that David saw will disappear in an instant!

The real Sonya was imprisoned in this secret realm, which is why the great master said that the Martial Arts Alliance was a bait. Even if it was destroyed, the great master would not feel bad!

Being able to open up a secret realm and even map the entire dungeon to the mundane world, this kind of generous approach shows how powerful the strength behind the Martial Arts Alliance is!

But at this time, David didn't know it, and was still working hard to save Sonya!

After the hunchbacked old man entered the secret realm, a black-silver robe quickly stepped forward and said: "Magic envoy, the great power has orders, you need to open the secret realm and restore the martial arts alliance..."

The hunchbacked old man's face was a little ugly at this time, he waved his hand and said: "I see, the Martial Dao Alliance will recover in three days. Have you found the place of recovery you were looking for?"

Heiyinpao shook his head: "Not yet, but I already know the general direction..."

"You have to speed up. You have to find that place and occupy it before the major secret realms are discovered. Now the laws of heaven and earth have no restrictions on us. This is our advantage..."

The hunchbacked old man said.

Heiyinpao nodded, then turned and left!

The hunchbacked old man took off his shirt, and a clearly visible wound on his chest was left by David with a vajra.

"David, I will kill you sooner or later and get your body..."

The cold glow in the eyes of the hunchbacked old man kept flickering...

...

Penglai Island.

Hu Mazi's injury has been healed long ago, and now he is hugging from left to right, living very casually!

Du Nan offered Hu Mazi as a grandfather.

In particular, Flax's requirements for women are extremely satisfied!

This made Hu Mazi feel that in Penglai Island, it was much better than when he was in the Shen family. At this moment, he had already forgotten the two beauties of the Shen family.

"Master Hu is really elegant. I'm still worried about your body. It seems that I'm worried for nothing..."

David walked into the hall, looked at Hu Mazi with a comfortable face and said.

Seeing David coming, Hu Mazi got up, clutched his chest and said, "I'm still short of breath right now. To save you, I almost died..."

David saw that Hu Mazi was pretending, but he didn't expose it. He smiled and said, "Get ready, go to Baihai City with me..."

"What are you going to do?"

Hu Mazi was stunned.

"Didn't you keep making trouble and go back to the Shen family? Someone is waiting for you in the Shen family..."

David laughed.

"Don't go, don't go, I'm still injured, I'm not suitable for fatigue, it's good to recuperate here."

Hu Mazi waved his hands again and again, and then sat back!

“Master Hu, do you like the new and hate the old?” David asked.

“No way, I’m very single-minded, I just don’t allow my body to go back now...”

Flax shook his head.

“Hey, I originally wanted to ask you to go to Tianfuzong to excavate the ruins. Now if you don’t go, then I will go by myself.”

David sighed, then turned around and was about to leave!

Chapter 1759

However, Hu Mazi stood up and stopped David: “With your strength, are you not afraid of dying in the ruins of Fuzong?”

“What are you afraid of, don’t forget that there is a perverted body like the Gorefiend. This is a good shield. What kind of hidden weapon can hurt us?”

David patted the Gorefiend on the shoulder and said to Hu Mazi.

Hu Mazi slapped his forehead: “Yes, how could I forget this guy...”

“Wait for me to clean up, we’ll leave right away...”

In front of the woman and the Tianfuzong ruins, of course Hu Mazi had to choose the ruins!

But just as David took Hu Mazi and the others out of the hall, he saw a woman walking towards him with a group of people!

The woman’s long white legs made Hu Mazi’s eyes look straight in an instant!

David frowned, because this woman was the one who failed to snatch the Gorefiend’s body and escaped some time ago!

This woman almost beat Hu Mazi to death, but looking at Hu Mazi’s expression at this time, she doesn’t seem to be angry!

A pair of eyes squinted at the woman’s legs!

“Are you here for revenge?”

David stepped forward and asked the woman.

With the Gorefiend, David was not afraid of these people at all.

The woman had a light smile on her face: “Don’t be nervous, I’m not here to take revenge, I’m here to talk to you about something.”

“What to talk to me about?”

David looked puzzled, didn’t understand what this woman was talking to him about?

Besides, I followed that Demon Sect, and I didn’t have any intersection!

The woman glanced at the crowd, and then said, “There are too many people here, are you going to talk here?”

David looked at it, and then said, “Come with me...”

David took the woman into a room, and Hu Mazi followed behind, until David closed the door, and Hu Mazi responded.

“Damn, it’s so long, so white...”

Hu Mazi muttered!

After entering the room, David said with a cold face: “If you have anything, just say it quickly, I don’t have much time to chat with you...”

The woman was not angry, but still had a faint smile on her face: "My name is Zhou Jie, and I was entrusted by my suzerain to discuss cooperation with Mr. Chen."

"Cooperation?" David glanced at Zhou Jie up and down: "What cooperation are we talking about? What else do we need to cooperate?"

"We know some secrets that Mr. Chen doesn't know, and we also know that Mr. Chen is troubled by his girlfriend recently. Our Demon Sect can help Mr. Chen solve all this..."

Zhou Jie said lightly.

"You investigate me?" David frowned slightly, obviously this Demon Sect investigated himself.

"Of course, if you haven't investigated Mr. Chen, what kind of cooperation is there!"

Zhou Jie admitted it directly.

"You have investigated me, but I don't know your Demon Sect at all. Isn't this kind of cooperation a bit unfair?"

David asked.

"If Mr. Chen is willing to cooperate, I can definitely take you to our sect to see. We are sincere about the cooperation with Mr. Chen, so there is no reservation, you can rest assured."

Zhou Jie said frankly.

“What benefits do you want to get from cooperating with me? Is it because you want to get the body of the Gorefiend?”

David looked curious!

It is impossible for this Demon Sect to be generous, and to cooperate with itself, without any benefits.

Zhou Jie nodded: “Yes, we only hope to get the body of the Gorefiend. If Mr. Chen doesn’t like to hear it, the fleshly body of the Gorefiend is in Mr. Chen’s hands, it’s a waste...”

“Although you have tried to refine the blood demon body into a puppet corpse, it will not take too long. In this way, the blood demon body will be wasted in vain, but if it is in the hands of our Demon Spirit Sect, we have a way. Let the blood demon body come alive.”

“But don’t worry, Mr. Chen. At that time, our Demon Sect will be Mr. Chen’s strong backing. What kind of Kyoto Martial Arts Alliance, you can destroy him at any time...”

Chapter 1760

David stared at Zhou Jie, only to see that Zhou Jie’s eyes were sincere and did not lie.

“You said just now that you can rescue my girlfriend, and there is a secret that I don’t know. What is the secret?”

David asked.

“Mr. Chen, I’m sorry I can’t tell you now, only if we both reach a cooperation, this secret can be told to you...”

Zhou Jie shook his head!

“You’ve been talking for a long time, and it’s all nonsense. How can you convince me that your Demon Sect has strength?”

Seeing that Zhou Jie didn’t tell any secrets, David said aggressively.

Zhou Jie smiled, not angry, and exposed David's aggressive tactics: "Mr. Chen is using aggressive tactics against me, you don't have to, in order to express our sincerity, I will still have a secret to tell you. "

"You are trying so hard to save your girlfriend now. In fact, what you see is nothing but a map. Even if you find a way to open the door, your girlfriend will not be able to leave the dungeon!"

"As long as she leaves the circle, her body will dissipate in an instant, and her body is not in the dungeon..."

Zhou Jie's words instantly stunned David.

"Impossible, absolutely impossible. I have seen Sonya several times. The breath on her body, everything is real, how could it be a reflection?"

"You don't have to take me for a fool, I trust my intuition, it can't be fake at all..."

"If it's fake, why won't Sonya ask me to tell me? It can't be fake."

David shook his head, not believing it at all.

Zhou Jie smiled coldly: "I have already said what I should say, whether you believe it or not is up to you. As for the cooperation with our Demon Spirit Sect, I hope Mr. Chen will think about it..."

After finishing speaking, Zhou Jie turned around and left the room. As soon as he opened the door, he saw Hu Mazi outside the door, and the two of them collided!

Seeing Zhou Jie coming out, Hu Mazi quickly looked towards Zhou Jie's thigh, and breathed in the fragrance of Zhou Jie's body desperately!

Seeing Hu Mazi's wretched appearance, Zhou Jie rolled her eyes. If she hadn't come to discuss cooperation with David, she would have really beaten Hu Mazi!

However, the last time Hu Mazi was able to escape from death, Zhou Jie was a little surprised. He felt that Hu Mazi was not only lustful, but also powerful!

Zhou Jie took the people away, and David also walked out of the room!

Hu Mazi hurriedly smelled David's body!

David said in surprise: "Master Hu, what are you doing?"

"I heard what you guys are doing in there? That's my woman, don't mess around..."

Hu Mazi warned David.

When David heard this, he couldn't help laughing and crying: "Your woman, almost killed you..."

"Then don't worry about it, I'm happy, peony flowers are also romantic..." Hu Mazi shook his head and said, "By the way, what did the little girls say to you?"

David didn't hide it, and said directly: "She wants to cooperate with me..."

"Cooperation?" Hu Mazi was taken aback: "Did you agree? If we cooperate, then we are our own people, right?"

David nodded: "Yes, if you cooperate, you will be your own, and you can often see her..."

"Really?" Hu Mazi's eyes lit up: "Promise her, promise her quickly, cooperate with her..."

Hu Mazi grabbed David's shoulder and shook it vigorously, looking very excited!

Looking at Hu Mazi's excited look, David said with a puzzled face, "Master Hu, what do you like about that woman?"

"Leg..." Hu Mazi replied without hesitation: "Long, thin, and white..."

David was speechless for a while, and could only say: "Let's go to the Tianfuzong ruins first, and we'll talk about it in two days..."
