

A Man Like None Other Chapter 1871 – 1880

Chapter 1871

The Sect Master of the Demon Sect was silent for a moment, then continued: “I can tell you a secret...”

“What secret?” David asked.

“Now the spiritual energy is about to recover, but where is the place of recovery, everyone is looking for it, but I can tell you now, where is the place of recovery, if you plan it now, you will definitely get great benefits in the future!

” said the sovereign.

“Don’t be mother-in-law, if you don’t tell me, then I’ll leave. If you don’t shed some blood, you want me to give you the fleshly body of the blood demon. That’s impossible.”

David said bluntly.

“It’s Penglai Island. The place where the spiritual qi first recovered is Penglai Island. That’s why the Gorefiend seals his body on Penglai Island.” The

Sect Master of the Demon Sect was afraid that David would really leave, and hurriedly said.

“Penglai Island?”

David was stunned for a moment, his brows slightly wrinkled.

It’s no wonder that Penglai Island has been experiencing frequent anomalies recently. Long Xingxu and the others couldn’t stay any longer, so they had to return to the capital!

It seems that this should be a precursor to the recovery of spiritual energy!

“That’s it?” David asked pretending not to be interested.

“Yes, that’s all I can offer you...”

said the Sect Master of the Demon Sect.

“That’s fine. I feel it’s not worth it. The cooperation between us requires fairness. I hand over the Gorefiend’s body, but you can’t give me anything. Why should I cooperate with you?”

“If I Give the blood demon body to the Demon Heart Sect, maybe they will let my girlfriend go, and I don’t need to find their secret realm by myself!”

David said slowly.

“Then what do you want?” The

Sect Master of the Demon Sect seemed a little anxious.

He might be really afraid that David would give the Gorefiend's body to the Demon Heart Sect!

"I want resources, precious medicinal herbs for tens of thousands of years, it's not difficult for a sect like you in the secret realm, right?"

David laughed!

As soon as these words came out, David couldn't see the expression of the Sect Master of the Demon Sect, but Song Qingping's face became extremely ugly by the way!

David said this just to test them and see if the place he found was the resource place of the Demon Sect!

But looking at Song Qingping's expression, it doesn't seem like it!

"Mr. Chen, I hope you want to know the value of a ten thousand-year-old medicinal herb. That's not to say that it exists."

"We have been living in a secret realm, and resources are already scarce. Where can we find ten thousand-year-old medicinal herbs?"

"I hope Mr. Chen will proceed from reality and not deliberately embarrass us."

Song Qingping explained following David.

David looked at Song Qingping, obviously not convinced, so he asked: "There are so many people in your Demon Sect, since there are no resources in the secret realm, where did the cultivation resources come from?"

"Don't hide Mr. Chen, Many of our resources are purchased from outside to support the cultivation of the disciples of the Demon Sect!"

David frowned: "Since you are not sincere when you don't talk about it, then don't talk about today's cooperation. Meaningless..."

After David finished speaking, he turned around and walked out!

Seeing this, Song Qingping hurriedly stepped forward to stop David and said, "Mr. Chen, how do you say this... I didn't lie to you at all."

"Do you take me for a fool? The current resources are very expensive and scarce. Which aristocratic family is willing to sell resources and support your Demon Spirit Sect for so many years."

"Obviously your Demon Spirit Sect has its own resources, but you don't believe me, so you deceived me."

After David finished the analysis, he turned sideways and continued to walk out.

“Mr. Chen, wait...”

Song Qingping stopped David, then his eyes flashed with embarrassment, but in the end he gritted his teeth and said, “Don’t hide Mr. Chen, our Demon Sect really doesn’t have any resources, but the old man Zu has left a map, and every time a precious herb is born, it will be displayed on the map!”

“For so many years, our Demon Sect has obtained a lot of resources according to the instructions of the map.”

Chapter 1872

When David heard it, he immediately became interested. He didn’t know there was such a map in the world?

Could it be that the map, like a radar, can scan the surrounding environment?

“Vice Sect Master Song, can you take me to see that map?”

David asked.

“Okay!” Song Qingping nodded, this time without hesitation!

Now that you have chosen to tell David, you are ready to tell David the whole story.

Song Qingping walked towards the back of the hall with David, but the Sect Master of the Demon Sect didn’t move, and he didn’t speak.

This made David feel a little surprised. For such an important matter, Song Qingping is the deputy suzerain. Does the suzerain have any opinions?

When passing by the Sect Master of the Demon Sect, David couldn’t help but take a few more glances. Except that the Sect Master couldn’t feel any breath, the others didn’t see anything wrong!

David followed Song Qingping to a secret room, and saw that the area of the secret room was very large, more than one hundred square meters.

On one wall of the secret room, there is a very detailed map drawn, and even the flowers and plants on the map are lifelike!

If you don't look carefully, you might think it's a picture played on a big screen!

David looked at it and found that although the map was large, the area of the map was not large. Only the hundreds of miles around Nanhu City were drawn in it.

"Do you rely on this map to obtain resources?"

David was very surprised, and he couldn't see anything special about this map!

"Yes, as long as there are precious medicinal herbs that are more than a thousand years old around here, the location will be displayed immediately."

Song Qingping nodded.

"It's really strange!" David looked at it carefully again, and even touched it with his hand, but found nothing special.

"Then you go grab resources, won't you have a conflict with the Zheng family? After all, this is the Deng family's territory?"

David was very puzzled, the Demon Spirit Sect must have acquired a lot of resources, isn't the Deng family not ? People block?

Knowing that these resources are extremely valuable to anyone.

"There are very few conflicts, because we can get the resource location at the first time, and then send someone to fetch it. Nanhu Zheng family doesn't know it at all."

“Even if they got the news, we would have already sent the information when they went there. The resources are brought in.”

Song Qingping explained.

When David heard it, he also felt reasonable. After all, the Demon Sect has such a map, and it is like having a radar. How can other people compare with the Demon Sect!

“No matter how you get the resources, I can’t just rely on you to open my mouth and give you the body of the Gorefiend.”

“I have to get some benefits, right?”

David confronted Song Qingping asked.

“No problem, according to the past rules, there will definitely be a big resource in the recent period. No matter how precious the herbs appear this time, we will give them to Mr. Chen. What do you think?”

Song Qingping asked.

“Okay, if I think it’s suitable, I will give you the blood demon body!”

David nodded.

Anyway, this Gorefiend’s body is on him, and it has no other use other than as a shield.

The most important thing is that David also wants to rescue Sonya with the help of Demon Sect!

Sonya was detained for so long, and David was already anxious.

Just tried many times without success.

Leaving the secret room, Song Qingping called Zhou Jie over and asked her to accompany David during this time.

After the Zhou family followed David, Song Qingping, who was originally smiling, instantly turned cold!

“Do you think he will really believe you and give you the body of the Gorefiend?”

At this time, a man shrouded in black robes walked out from behind the hall and asked Song Qingping!

Chapter 1873

“If he wants to save his girlfriend, he definitely will, but the resources that will appear recently will be given to him.”

Song Qingping said with a gloomy expression.

“This kid’s anti-bone is too heavy, but if he can make good use of it, he might become a good helper.”

The man in black robe said lightly.

“I will find a way to use him. You should leave as soon as possible to avoid being discovered.”

Song Qingping urged the man in black robe to leave quickly!

“Then the matter here is handed over to you. When the spiritual energy recovers, it will be the time when our demons will raise their eyebrows.

“

The black-robed man quickly disappeared into the light!

After the black-robed man left, Song Qingping glanced at the motionless Demon Sect Sect Master, and slowly stepped forward to take off the Demon Sect Sect Master's mask.

And under that mask, there is a skeleton head, without the slightest flesh and blood.....

After

Zhou Jie sent David to his residence, he said to David: "Mr. Chen, if something happens, feel free to You can find me, I'm really sorry for today's matter, Deacon Lu is a little reckless."

Zhou Jie is apologizing for Deacon Na Lu's shot against David!

"This has nothing to do with you!" David smiled lightly, he knew that Zhou Jie's status in the Demon Sect was not high, so he had no right to speak.

"Then Mr. Chen, rest more, I won't disturb you!"

Zhou Jie said, and was about to leave!

At this time, Hu Mazi was already waiting at the door, and immediately opened the door and said to Zhou Jie, "Miss Zhou, come in and sit down and chat for a while?"

Zhou Jie just rolled her eyes when she saw Hu Mazi. She knew that if she went in, she would definitely be eaten by Hu Mazi!

But just when Zhou Jie was about to turn around and leave, David suddenly stopped Zhou Jie: “Miss Zhou, how long have you joined this Demon Sect?”

Zhou Jie turned to look at David and said, “Mr. Chen, you Is there anything wrong with asking this?”

“Oh, I just think that we will have a cooperative relationship in the future, and I want to know more about each other!”

David explained.

Zhou Jie smiled slightly and said, “I’ve been here for more than ten years. I was brought here when I was a few years old.”

“Why did you think of joining the Demon Sect? Or maybe they forced me to do so. Yours?”

David asked curiously.

“No, no, our Demon Sect will never force others to join. It’s just that when I was a few years old, my whole family was hunted down by enemies. Later, my parents died. It was someone from the Demon Sect who was rescued. I, brought me to the Demon Sect.”

Zhou Jie explained.

When David heard it, he seemed a little embarrassed. He didn’t expect Zhou Jie to have such a miserable past.

“Miss Zhou, I’m sorry...”

David felt very embarrassed to recall Zhou Jie's painful past!

"It's okay, it's been so many years, and I live here quite well. Although outsiders call us demons, I feel warmth here."

"And I've been here for more than ten years, our Sect Master. Always teach us to cultivate our body and nature, and don't lose our original mind because of cultivation!"

"If we are practicing the exercises, if our personal concentration and greed are too great, we will be eaten by the exercises and become tortured. , cruel and inhumane, so many people misunderstood us."

"After you came, the people who saw our Demon Sect were different from what you imagined?"

When Zhou Jie introduced the Demon Sect, her eyes were full of pride.

"It's really different!" David nodded.

Although Deacon Na Lu saw David, he found fault with David, and the first shot was a killer move!

Chapter 1874

But those people didn't have that evil spirit.

And those black-robed people in the Martial Arts Alliance have souls residing on their bodies, and they are full of evil spirits!

Perhaps it was because of the different ideas of the two demons that they were completely separated.

David felt that he really had to re-examine the so-called evil cultivators and demons in the future.

"Actually, our Sect Master is the most loving person I have ever met. Every time I see him, I feel like a father!"

Zhou Jie's eyes flashed with admiration.

Looking at Zhou Jie like that, David frowned slightly and said, "Your suzerain is wearing a mask, and he speaks strangely, and he doesn't feel that what you said is so good?"

"I have never seen our suzerain before, and our suzerain looked more polite than the current deputy suzerain."

"It's just that a fire five years ago caused our suzerain's face to be destroyed, and the suzerain's temperament was destroyed. It has also changed a lot, and since then, I haven't said a word to the sect master."

Zhou Jie said this incident, with a bit of sadness on her face!

"Is your vice sect master very old in your Demon Sect?"

David saw that Song Qingping was not very old, but he was able to become the vice sect master of the Demon Sect!

And looking at Song Qingping's performance today, it seems that he has more power than the suzerain.

So David asked curiously.

"Our deputy leader has only been here for six years, which is later than me. It's just that our deputy leader is very capable. Since our suzerain's accident, we have made him the deputy leader to help with the affairs of the Demon Sect."

Zhou Jay said.

David frowned slightly when he heard it. He always felt that something was wrong, but he couldn't tell what was wrong!

That Song Qingping was also respectful to him and seemed sincere, and told David all the secrets in the Demon Sect!

But David always felt that Song Qingping was very fascinated, and he couldn't see through it!

"Hmph, what kind of ability is outstanding, doesn't he look handsome? At first glance, he looks like a little white face..."

Seeing Zhou Jie complimenting Song Qingping, Hu Mazi immediately became unhappy, so he snorted coldly.

"What nonsense are you talking about..."

Zhou Jie frowned slightly, looking at Hu Mazi angrily!

Seeing this, David hurriedly said to Zhou Jie: "Miss Zhou, I'm sorry, we went to rest..."

After that, David took Hu Mazi and left!

"Hmph, when I see that little white face is definitely not a good person, this silly girl must have been deceived..."

Seeing that Zhou Jie cared so much about Song Qingping, Hu Mazi seemed very jealous!

"Okay, whether I was cheated or not, that's someone's business, but that Song Qingping, I always feel that something is wrong, but I can't tell!"

David frowned slightly.

“What? Didn’t we talk about it today? Is that place a resource for the Demon Sect?”

Hu Mazi looked at David and asked.

David shook his head: “The Demon Sect doesn’t have any resources, but they have a very magical map.”

Then David explained his affairs in the hall carefully to Hu Mazi!

“It’s incredible that there is such a magical map in this world.”

Hu Mazi exclaimed after hearing this!

A map that predicts the growth of precious herbs is unheard of!

David stayed with Hu Mazi in the secret realm for another day, and the two of them were very bored!

After all, the secret realm is too small and basically has nothing, so the two plan to go out and play two laps in Nanhu!

Another important reason why David wants to go to Nanhu is that he wants to know if Zheng Anguo really has the ability to absorb the good fortune of a city!

After getting permission, Zhou Jie took David and Hu Mazi out of the secret realm, and then went to Nanhu!

Chapter 1875

Zhou Jie took David and Hu Mazi around Nanhu for a long time. Nanhu City was very small, and in half a day, the entire Nanhu was almost covered.

“I’m too tired, you two turn around, I’m going to find a place to rest!”

Hu Mazi made an excuse and left in a hurry!

David knew at a glance what Hu Mazi was doing, this guy can’t do without a woman!

Zhou Jie also seemed to know what Hu Mazi was going to do, and rolled her eyes involuntarily: “Are men so intolerant of that kind of thing?”

“Look at that impatient look...”

Zhou Jie’s words made the David was instantly embarrassed, and he coughed softly: “Miss Zhou, not all men are like Master Hu, I’m still a big guy...”

David’s words instantly made Zhou Jie’s face full of surprise , looked at David incredulously: “You...you have so many women and girlfriends around you, don’t you have...”

“No, absolutely not, I always feel that that kind of thing is sacred, and we have to wait until we get married. That’s it ...”

David waved his hands again and again.

Zhou Jie looked at David like that, and suddenly laughed: “I didn’t expect that in such a society, there would still be a simple guy like you, if it wasn’t because I already had a sweetheart, I really wanted to chase you... “

Your sweetheart is that Song Qingping?”

David asked directly.

Zhou Jie blushed slightly, and then nodded: “Well, our deputy leader treats me very well...”

David looked at Zhou Jie’s shy look, and for some reason he always had a strange feeling in his heart. Qing Ping, he couldn’t see through, always felt that Song Qingping was not what he saw on the surface!

David and Zhou Jie walked and chatted, and soon it was noon, and the two found a place to eat!

In such a small border town, although there is no high-end hotel like a big city, it also has its own special food!

Zhou Jie ordered a large table of dishes, and they all looked good!

“Do you often come here to eat?”

David asked.

Zhou Jie shook his head: “The rules of our Demon Sect are very strict, and we can’t go out of the secret realm casually, but because of my position, I need to go out of the secret realm often and have eaten here twice!

” Others, after joining the Demon Sect, have never stepped out of the secret realm again.”

“That’s the same as being in jail...”

David couldn’t help but smile, trapped in such a small place, unable to take a step, It’s like going to jail!

“As a cultivator, shouldn’t you not ask about world affairs and concentrate on your cultivation? In fact, the sect master does not allow people in the sect to enter and leave the secret realm at will, and the sect master protects them.

” According to the laws of heaven and earth, if we stay here for a long time, our cultivation will not only fail to grow, but may even regress, and even cause irreversible damage to our body!”

“Otherwise, the monks would all come out of the secret realm, where would there be a martial arts world in this world? It’s a matter!”

“But the spiritual energy is about to recover, maybe a fight will start again...”

Zhou Jie’s eyes flashed a bit of worry!

It’s really time for the aura to recover, and then a battle for resources will be staged again!

What immortals, demons, will do whatever they can for their own interests!

“Actually, it’s good to live like this. If the spiritual qi really recovers, it will be a catastrophe for ordinary people...”

David could even imagine that when the spiritual qi recovered, the major secret realms would open, and the whole world would be in chaos.

At that time, in the eyes of these monks, those ordinary people are just ants, worthless...

Chapter 1876

“This may be the destiny, no one can change it, the destiny cannot be violated...”

Zhou Jie actually didn’t want to go to that step, because then he would be faced with lifeless and endless fighting!

“By the way, Miss Zhou, your Demon Spirit Sect and the Demon Heart Sect behind the Martial Arts Alliance are in the same line, why are their people free to walk in this world without being controlled?”

David asked in surprise.

It turned out that David always thought that the law of heaven and earth was only for immortal practitioners, and had no restrictions on demon practitioners.

But now it seems that the Demon Sect is also obviously being restricted, so his idea is wrong.

“The Demon Heart Sect is also subject to restrictions. Otherwise, you are so provocative of the Martial Arts Alliance, why has the Demon Heart Sect never sent a master to kill you directly?”

” The spokesperson of the world, and those people are possessed by souls. The law of heaven and earth can’t control the souls without bodies, so the Demon Heart Sect used this loophole to let its disciples commit suicide, and then control the souls to come to the world!”

“” However, this method has a fatal disadvantage, that is, the strength of the soul possessed will be greatly reduced, and not everyone can become a host, and the selection of a host is also very harsh.

” The entire secular world has already paid for itself, but their practice of killing one thousand enemies and self-defeating eight hundred is too cruel...”

Zhou Jie told David in detail, while David said With a look of shock on his face, he did not expect that the Demon Heart Sect would do such a thing and let his disciple commit suicide, just to create a soul.

However, at this time, David suddenly remembered that in the secret realm of Demon Sect, his soul passed through the chaotic space and was not blocked by that mysterious force. It seems that that force should be the force of the law of heaven and earth.

But soon, David seemed to find a problem, Zhou Jie’s status in the Demon Sect was not high, how could he know so many things?

It stands to reason that the recovery of the spiritual energy and the layout of the Demon Heart Sect are all confidential. How did Zhou Jie know?

“Miss Zhou, I can take the liberty to ask you, how do you know so much?”

David asked with a puzzled look.

When David asked this question, Zhou Jie realized that she seemed to have said too much.

With an identity like her, it stands to reason that she shouldn't know so much.

But now David is beginning to be suspicious, and Zhou Jie can't hide anything!

"Mr. Chen, I took you as a friend, so I told you so much without knowing it. I tell you, don't tell the sect master, okay?"

Zhou Jie looked at David with a look of pleading.

"Don't worry, Miss Zhou, since you are my friend, how could I betray my friend..."

David nodded.

Zhou Jie hesitated for a moment, then gritted his teeth and said, "Since Mr. Chen asked, then I'll tell you. In fact, what I know is what the deputy sect master told me."

"Our deputy sect master seems to be very fond of Demon Heart Sect. I understand, and you told me a lot of things."

"Don't tell me, or the Sect Master will definitely punish the Deputy Sect Master if he finds out."

"Miss Zhou, don't worry, I won't say anything." Chen Peace assured.

However, David still doesn't understand, so why did Song Qingping follow Zhou Jie to say this?

Even if the two are now boyfriend and girlfriend relationship, there is no need to say this, right?

After all, in such an environment, the more you know, the more dangerous it will be. If Song Qingping was thinking about Zhou Jie, he wouldn't tell her these things.

"Miss Zhou, I still don't understand. Then, the deputy leader of the Song Dynasty, why should I tell you all this?"

"After you know these secrets, it won't do you any good, right?"

David asked.

Chapter 1877

Zhou Jie blushed slightly and said, "Our deputy leader was drunk once. He came to my room to tell me, and he also said that he would give me an unimaginable life in the future..."

"Drunk Now, go to your room? Could it be that you already..."

David looked at Zhou Jie, which made Zhou Jie's face even redder!

"I'm already the deputy leader..."

Zhou Jie lowered his head and said in a low voice.

David smiled awkwardly, without asking any further questions, he could only bow his head and start eating!

Just when David was eating with Zhou Jie, he suddenly felt a strange feeling, as if someone was staring at him behind him!

David frowned slightly, and his consciousness dissipated in an instant, but soon David's mouth showed a smile, and he took his consciousness back!

“Mr. Chen, what’s wrong with you?”

Zhou Jie looked at David and frowned for a while, then laughed for a while, so she asked inexplicably.

“It’s nothing, let’s eat, it is estimated that some people are waiting...”

David smiled slightly.

“Wait? Who is waiting for us?”

Zhou Jie looked confused.

“You’ll find out later, hurry up and eat.”

After David finished speaking, he started to eat quickly!

After eating and paying the bill, David followed Zhou Jie out!

David seems to be walking on the street casually, but he has already secretly observed the people behind him!

“Are you all ready? People will be here soon...”

At this time, Zheng Kai asked eight servants at the corner of a street.

“Young master, everything is ready, don’t worry,”

said one of the servants.

“That’s good!” Zheng Kai nodded, and then the corner of his mouth raised: “Stinky boy, dare to hit me in the face, today I will let you taste the power of our Zheng family’s soul chain.”

Soon, David followed Zhou Jie to When he reached the corner of the street, Zhou Jie frowned slightly, as if he felt a hint of danger!

“Mr. Chen, no, there should be people coming and going here now, why is this street so quiet?”

Zhou Jie raised her vigilance and said to David.

“Maybe they all went home to eat, nothing wrong.”

David smiled and continued to walk forward.

“Mr. Chen, be careful there is an ambush, I don’t think it’s right here...”

Zhou Jie stood in front of David, and looked at both sides of the street vigilantly!

Zheng Kai, who was hiding in the dark, saw that Zhou Jie had actually blocked David and prevented David from moving forward.

“Damn, this stinky b!tch, don’t spoil my good deeds...”

Zheng Kai cursed at Zhou Jie in the dark.

“Miss Zhou, you are too cautious. I think it’s quite safe here, don’t worry...”

David pushed Zhou Jie away and continued to walk forward!

Seeing this, Zheng Kai laughed secretly in his heart: “You idiot, this is God’s will...”

Zhou Jie looked vigilant, and slowly grabbed one hand on the hilt of the sword!

David turned the corner of the street, then glanced at the empty street, then glanced to both sides, the corner of his mouth raised slightly, and he walked forward without caring.

Zheng Kai clenched his fists tightly, sweat inside his nervous palms!

David walked into the trap immediately, but stopped suddenly.

This time, Zheng Kai directly mentioned it in his throat, and his whole body was exerting force!

“Go in, go in, go in...”

Zheng Kai muttered in his heart!

“Miss Zhou, you said there is danger, I don’t see anything at all...”

David turned around, took two steps back, and said to Zhou Jie who was following behind.

Zhou Jie looked around. Although she felt a sense of danger, she was not sure. Now that she found that nothing was wrong, her heart relaxed.

“Maybe I’m really sensitive...”

Zhou Jie put away her tense expression.

Chapter 1878

This time, Zhou Jie was no longer nervous, but Zheng Kai in the dark was extremely nervous. Seeing that David was about to step into the trap, he didn’t want to take the last step and retreated again.

“Mr. Chen, although there is no danger, let’s go back...”

After Zhou Jie finished speaking, she walked forward first.

Zheng Kai saw that Zhou Jie was going to walk in front, and his heart suddenly raised, if Zhou Jie triggered the trap, then David would escape!

At this moment, Zheng Kai is anxious and scratching his head!

“Miss Zhou...”

At this moment, David called Zhou Jie, and Zhou Jie stopped to see David.

“Mr. Chen, what’s wrong?” Zhou Jie asked.

“It’s nothing, I think it’s more appropriate for me to walk in front, after all, I’m a guest...”

David said with a faint smile.

Zhou Jie was stunned, but then smiled: “That’s right, honorable guest, please first...”

Zhou Jie made a gesture of invitation, while David swaggered forward!

Zheng Kai was overjoyed when he saw this scene.

“Idiot, let you pretend, just wait for you to take the bait...”

Zheng Kai smiled secretly, his eyes fixed on David!

Just after David stepped into the trap that Zheng Kai had set up a long time ago, the sky suddenly darkened, and then eight people suddenly appeared on both sides of the street, each holding a black chain in his hand.

When the eight people were thrown at the same time, the eight chains instantly moved towards David, and at this moment David's body seemed to be sucked to the ground, unable to move at all!

The eight chains, like pythons, wrapped around David's body, directly tying David to death.

Seeing this, Zhou Jie drew his sword and wanted to save David!

But David shouted loudly: "Miss Zhou, run away, leave me alone, or we won't be able to escape..."

Zhou Jie paused after hearing this, and then said, "Mr. Chen, don't worry. , I'm going to call someone to save you..."

Zhou Jie jumped up and disappeared instantly!

Zhou Jie knew that the only person who caught David was Zheng Kai from the Zheng family.

With Zhou Jie's strength, it is not enough to fight against the entire Zheng family!

Zhou Jie ran away, and Zheng Kai didn't chase after him. His main purpose was to target David!

Seeing that David was locked by his own soul chain, Zheng Kai came out of the dark with a proud face!

"David, I said that in Nanhu, no one dares to disrespect me, you are the first, so today I will make you pay the price."

Zheng Kai looked at David with a sneer.

Seeing Zheng Kai coming out, David didn't seem to panic, but smiled lightly: "You caught me, what are you going to do to me? Kill me?"

"No, no, no, how could I kill you? , you are now a big celebrity in the martial arts world, and I, Zheng Kai, want to let the martial arts world know who is the first person in the younger generation."

"No matter how good you are, you are also my prisoner now, and I want to let my father know. Look, he thinks you are too high, you are just a fake."

After Zheng Kai finished speaking, he waved his hand and said, "Take it away, I want to show the whole martial arts world, this dazzling new star in the martial arts world. In the end, it was planted in my Zheng Kai's hands."

David did not resist in the slightest, and followed Zheng Kai back to Zheng's house obediently!

"Dad...Dad..."

Zheng Kai shouted loudly as soon as he entered the door!

He wanted to let Zheng Anguo see that David didn't want to be as arrogant as the rumors said, and he wasn't caught by his own shot.

At this time, Zheng Anguo was talking with several senior officials of the Zheng family!

Hearing Zheng Kai's yelling, Zheng Anguo frowned: "This bastard, I don't know what's wrong with it."

"That's it for today, you all go back, today's affairs, with everyone. Don't talk about it."

Zheng Anguo waved his hand and let those high-level officials leave!

Then he walked out of the secret room and yelled at Zheng Kai who was yelling: "What are you yelling about all day? What do you have to do with me?"

Chapter 1879

When Zheng Kai saw his father come out, he immediately said with a smug expression: "Dad, didn't you say that David is very good? In Niubi, I haven't caught it yet, I want to let the martial arts world I know everything, Zheng Kai caught David..."

Zheng Kai posed towards Zheng Anguo, raised his head, not to mention how happy he was.

But Zheng Anguo looked shocked and said, "What did you say?"

"I said I captured David..."

Zheng Kai said.

“How is that possible, that David is the master who is not even afraid of the Martial Arts Alliance. How many masters of the Martial Arts Alliance are dead in his hands. How could you capture him?”

Zheng Anguo didn't believe it. After all, how strong is his son, Zheng Anguo An Guo is very clear in his heart.

“Dad, why don't you believe me, I caught him with our soul chain.”

Zheng Kai explained.

When Zheng Anguo heard this, his anger immediately rose: “Damn, you bas****, you are going to be mad at me, can you use the Soul Chaining Chain casually?”

“Dad, I used it anyway, so I will also arrest David. In the future, our Zheng family will become famous in the entire martial arts world.”

“At that time, we won't have to live in this small Nanhu Lake, and we can go to a big place to develop.”

Zheng Kai said indifferently.

“You...you...” Zheng Anguo's whole body was trembling slightly, and then he said, “Where is David?”

“It's in the front yard, I'll show you, that guy is not a three-headed and six-armed... ..”

Zheng Kai took Zheng Anguo and walked to the front yard!

At this time, David was being chained to a large stone pillar in Zheng's courtyard by the Soul Chain!

When Zheng Anguo saw that David was really locked, the expression on his face became very complicated.

After hesitating for a moment, then Zheng Anguo walked towards David and said, "Mr. Chen, I'm so sorry, the dog is ignorant and offended Mr. Chen..."

"You know me?" David was a little surprised, he had no friendship with the Zheng family. , Why is Zheng Anguo being so polite to himself?

"Mr. Chen's name, no one in the entire martial arts world knows, Mr. Chen is the head of the younger generation in the martial arts world..."

"I don't know that Mr. Chen is far away, what are you doing in Nanhu?"

Zheng Anguo wanted to know, David came to Nanhu, What is going to happen with South Lake is not relevant!

"A friend of mine brought me here to play..."

David said casually.

Of course he couldn't tell Zheng Anguo about his cooperation with the Demon Sect.

"Is Mr. Chen just here to play casually?"

It seemed that Zheng Anguo didn't quite believe what David said.

Seeing Zheng Anguo's reaction and expression, David seemed to have something to do, so he asked back, "Patriarch Zheng, what do you think I am doing here at Nanhu?"

Zheng Anguo was asked by David at this time, not knowing what to do, so he smiled awkwardly. : “I think Mr. Chen is also here to play casually, but with Mr. Chen’s prestige and identity in the martial arts world, when he came to Nanhu, my Zheng family should be warmly entertained...”

Zheng Anguo touted David.

Then Zheng Anguo will release David!

“Dad, you’re crazy, I finally caught him.”

Zheng Kai stepped forward to stop Zheng Anguo and asked.

Pa...

Zheng Anguo stepped forward, slapped Zheng Kai directly, and then said viciously, “You bas****, I’m still the head of the Zheng family, are you going to rebel?”

Zheng Kai was slapped, and his heart was even more angry, so he said: “Dad, anyway, I won’t let you let him go, or you will kill me, I can’t swallow this breath anyway...”

Zheng Kai is threatening Zheng Anguo. Zheng Anguo is just such a son, so he might kill him!

“You...”

Zheng Anguo’s face flushed with anger when he was threatened by his son like this!

Chapter 1880

The palm was raised, but it was not falling. He couldn't really beat Zheng Kai to death.

"Your father and son are arguing about not letting me go, which makes me feel embarrassed." David smiled lightly: "I'll do it myself, save your father and son from conflict!"

After David finished speaking, his body It began to emit bursts of golden light, and a terrifying aura permeated the entire Zheng family!

Feeling the terrifying aura on David's body, Zheng Anguo and Zheng Kai both widened their eyes and were shocked!

Crash...

Suddenly, the eight soul-locking chains tied to David's body broke directly, and the broken soul-locking chains fell to the ground!

Seeing this scene, Zheng Anguo and Zheng Kai were instantly dumbfounded!

You must know that this soul lock chain is the heirloom of their Zheng family. It is an upper-level magic weapon, but it was easily destroyed in David's hands.

David stroked the dust on his body, and then said to Zheng Anguo lightly: "Patriarch Zheng, I'm sorry, I broke your baby..."

Zheng Anguo didn't speak, he didn't know what to say. .

And that Zheng Kai was looking at David, just like seeing a devil, the arrogance he had just now disappeared!

"For your father's sake, I will spare you once today. If there is another time, your Zheng family will prepare a coffin."

David looked at Zheng Kai, and after he finished speaking, he turned and walked out. go!

Just when David walked to the door, Zheng Anguo reacted and quickly chased after him.

"Mr. Chen, please stay, please stay..."

Zheng Anguo shouted.

David turned to look at Zheng Anguo: "Patriarch Zheng, do you want me to accompany your baby?"

"No, no, it's the dog's fault first, how dare I ask Mr. Chen to compensate."

"I just want to invite Mr. Chen to sit in the humble house, so that the dog can apologize to Mr. Chen."

"And I also admire Mr. Chen's name for a long time, so I want to chat with Mr. Chen..."

Zheng Anguo left David because he wanted to Talk to David.

"Yes!" David nodded in agreement without hesitation.

He also wanted to know what method Zheng Anguo used to capture the power of fortune in a city!

Zheng Anguo invited David into the room, and then ordered Zheng Kai: "You bas****, don't pour tea for Mr. Chen in person..."

At this time, Zheng Kai put away the look of the younger brother and respectfully gave it to Mr. Chen. David poured a cup of tea!

Just as David broke the Soul Locking Chain with ease, you can know that David's strength is not comparable to that of Zheng Kai. The difference between the two is 108,000 miles!

"Mr. Chen, it's because I have no way to teach and let the dog offend Mr. Chen. I apologize to Mr. Chen on his behalf..."

"I hope Mr. Chen has a lot of money, don't care about the dog."

Zheng Anguo took the tea, full of said respectfully.

“Patriarch Zheng is polite, it’s just a small misunderstanding...”

David said with a faint smile.

Seeing David say this, Zheng Anguo felt more at ease. Otherwise, if David really attacked Zheng Kai, Zheng Kai would be in danger.

“Mr. Chen, you came to Nanhu, that is my luck in Nanhu. I will send someone to prepare a mansion for Mr. Chen right away. In the whole of Nanhu City, Mr. Chen can choose any place.”

“And here, what Mr. Chen wants to do. You can do whatever you want, and live as long as you want, I still have the right to Zheng Anguo.”

Zheng Anguo began to curry favor with David!

“Patriarch Zheng, don’t be so polite. As I said, I’m just here to play with my friends for two days, and I’ll be leaving soon.”

David reiterated that he was here to play casually for two days.

He felt that Zheng Anguo was very cautious about coming to Nanhu suddenly, as if he was afraid of what he wanted to do with Nanhu!
