

A Man Like None Other Chapter 1911 – 1920

Chapter 1911

In fact, David doesn't know this, but this Zhu Hao has a muscle, and no one else wants to fight for Wannian He Shouwu, but he keeps shouting!

"Zhu Gongzi, the ten thousand years of Polygonum multiflorum is not an ownerless thing. He is on the boundary of Nanhu City, and that is my Zheng family. As the city owner of Nanhu City, I have the qualifications to allocate the entire Nanhu City resources.

", Zheng Anguo stood up and said to Zhu Hao.

Zhu Hao looked at Zheng Anguo, and then snorted coldly: "Zheng Anguo, are you sick in your head? With your little Zheng family, you dare to say such a thing?"

"Even if Wannian He Shouwu is your Zheng How is the family? Let me tell you now, I want the Polygonum multiflorum this ten thousand years, what can you do?"

"If you don't want the Zheng family to be destroyed, don't go to the muddy waters!"

Zhu Hao didn't look at it at all. The Zheng family, although the Zheng family also has a great Marquis of Wu, in Zhu Hao's eyes, it is also a small family that is not in the mainstream!

You must know the back of the Zhu family, but those aristocratic sects in the secret realm are not comparable to these sects and sects in the secular world.

"Zhu Hao, you are too arrogant, our Zheng family is not made of mud."

Zheng Anguo was full of anger, and several big Wuhou of the Zheng family stepped forward, exuding a terrifying aura, and there were more than a dozen Wuhou behind him. , covetous!

"Zheng Anguo, do you mean to stand with David?"

Zhu Hao narrowed his eyes slightly.

"Yes, even if I fight for the old bottom of the Zheng family this time, I will help Mr. Chen!"

Zheng Anguo said firmly.

But he is also gambling. Looking at it now, Zhu Hao's strength is obviously much greater than David's, but Zheng Anguo knows that David's real strength may be much stronger than what he sees!

"Since you helped that David, don't blame me for being rude!"

Zhu Hao winked, and a great Marquis next to him jumped up instantly and went straight to Zheng Anguo!

Zheng Anguo himself is also a great Marquis, so facing the attack, he was not afraid at all, he quickly clenched his fist and slammed it out!

boom!

The moment the fists collided, terrifying energy spread from all around!

A large pit with a diameter of several meters appeared on the ground, showing that the two of them had all done their best.

After Zheng Anguo's figure rolled in the air, he fell to the ground and took a few steps back!

His arms were also faintly numb, and it was obvious that Zheng Anguo was slightly inferior to the opponent!

The opponent repelled Zheng Anguo, but he didn't give up and attacked again, punching Zheng Anguo in front of him.

This is a one-shot kill.

Seeing this, Zheng Anguo stretched out his hand and drew it around his waist, and a Xuanhua axe appeared in his hand!

The Xuanhua Axe shone with the light of Senhan, and the aura of the Martial Saint began to spread!

“Saint weapon...”

Seeing the Xuanhua axe in Zheng Anguo’s hand, everyone gasped involuntarily!

And the attacking Zhu family master, after seeing the sacred weapon in Zheng Anguo’s hand, stopped quickly, and there was a trace of horror in his eyes!

“Go to hell...”

Zheng Anguo shouted angrily, and the Xuanhua axe in his hand slashed upwards!

A ray of light soared into the sky, and the gust of wind raged for a while, and the terrifying power went straight to the master of the Zhu family!

The master of the Zhu family was shocked, and his body quickly retreated, but it was too late, and his body instantly penetrated the light!

Everyone saw that the Zhu family master in mid-air was penetrated by light, and then a violent surge occurred!

boom!

The body of the Zhu family master was directly blown into powder, and a blood mist fell from the sky!

Seeing this, Zhu Hao, let alone how ugly his face was!

He never thought that a small Zheng family would have a sacred weapon!

You must know that those big sect families in Kyoto may not have a sacred weapon.

“Could it be that this Zheng family is also a secret family, a spokesperson family for a secret realm?”

Zhu Hao frowned!

Chapter 1912

“Zhu Hao, don’t look down on others, my Zheng family is not something you just want to pinch.”

Zheng Anguo held the Xuanhua axe, and his confidence was instantly boosted.

“Zheng Anguo, you are courting death...”

Zhu Hao’s eyes narrowed slightly, and then he took out a folding fan from his sleeve, and then the folding fan opened, and golden lights flickered, this folding fan turned out to be made of gold.

And the breath emanating from the folding fan is even more huge and terrifying!

This folding fan is actually a holy weapon!

Zheng Anguo saw this, his face changed, and he was stunned on the spot!

And the old man beside Zhu Hao also exudes aura, and the aura is extremely tyrannical.

The peak of the Marquis of Great Wu, the person closest to the Martial Saint.

Moreover, the people brought by Zhu Hao are obviously stronger than the Dawuhou of the Zheng family.

Most of the Great Marquis of the Zheng family are only rank one or two Great Marquis, and the highest is only Zheng Anguo, the fourth rank Great Marquis!

But the Marquis of the Zhu family, the lowest is probably the fourth rank!

This is not an order of magnitude battle at all!

Zheng Anguo stopped talking, David's face was also cold, he took a deep breath, and slowly mobilized the power of the dragon in his body!

The Dragon Slaying Sword is also ready and ready to come out!

"Zhu Gongzi, it's not good to fight so much for a thousand-year-old Polygonum multiflorum? Besides, you have brought so many people here, but there are more important things. If the losses here are heavy, how will you explain it when you go back?"

"Why not?" You sell me a face, and give Wannian Polygonum multiflorum to Mr. Chen, how about my Jiang family owe you a favor?"

Seeing that the two sides were already at each other's throats, Jiang Wei came out and started to smooth the game!

Zhu Hao looked at Jiang Wei, his face was cold: "Jiang Wei, what do you mean? Don't you want to help that David?"

“Zhu Gongzi, if you insist on fighting for Wannian He Shouwu with Mr. Chen, then I will also help Mr. Chen. You can only help Mr. Chen.”

“If you include my Jiang family, do you think you still have a chance of winning? Why don’t you sell me a favor!”

Although Jiang Wei’s tone was flat, he was full of threats!

When Zhu Hao heard this, his face immediately flushed with anger, and his brows were wrinkled: “Jiang Wei, are you willing to be an enemy of my Zhu family for a David?”

“ Even if there is no such thing, can you and I still become friends? We will become enemies sooner or later...”

Jiang Wei said with a cold smile.

Jiang Wei’s words left Zhu Hao speechless, because he knew that their families would become enemies sooner or later, because they were all competing for common interests, and since there was a struggle for interests, they would definitely become enemies.

Zhu Hao stopped talking, his face was extremely ugly!

Because if Jiang Wei also helps David, then he has no chance of winning!

Just when Zhu Hao was hesitating whether to retreat, Hong Qianjiu, who had been watching the excitement, took a step forward and said with a faint smile: “Jiang Wei, what does it have to do with you when you say that people are fighting for He Shouwu? Bangzi, I can’t even watch the fun if you want to.”

“I tell you, if you watch the show, I don’t care, but if you insist on helping David, then I can only help. Zhu Hao, I believe that the Zhu family will not forget my kindness.”

Hong Qianjiu is forcing Jiang Wei to watch the show, don’t care about anything!

“Hong Qianjiu, you...”

Jiang Wei glared at Hong Qianjiu.

But Zhu Hao laughed at this time: “Ninth brother, don’t worry, our Zhu family will never forget your kindness, when the time comes...”

“Shut up...”

Just when Zhu Hao was about to say something, Hong Qianjiu glared at Zhu Hao angrily, making Zhu Hao swallow his words instantly!

Seeing this, David frowned slightly. It seemed that these families were all heading to the same place, and they all chose to keep it secret.

It can be seen that this place is very important to several families!

Chapter 1913

Others looked at it with a confused look, not knowing what the relationship between these families was, how you helped him, he helped you, all of them were confused.

Equally confused are Ning Zhi and Song Qingping hiding in the dark!

“Master Demon Envoy, what is the relationship between David and the Jiang family? And Zheng Anguo, why did he take such a big risk to help David?”

“And the Zhu family and the Hong family, it seems that they do not It ‘s like it came from the He Shouwu for ten thousand years.”

Song Qingping asked Ning Zhi in a low voice.

Ning Zhi frowned slightly, and his eyes were full of doubts.

He didn’t know the identity of David Tianlong Hall’s hall master, and he didn’t even know that the Ge family in the secret realm was a hall of Tianlong Hall!

The Jiang family is the spokesperson of Tianluolou in the secular world, and Tianluolou has a good relationship with the Ge family.

Therefore, Jiang Wuya, the owner of Tianluolou, ordered the Jiang family to help David if he was in trouble!

It is impossible for Ning Zhi to know this kind of complicated relationship.

But there was one thing that Ning Zhi had guessed, and that was where these families were going in the end!

“Have everything on Penglai Island been arranged?”

Ning Zhi asked Song Qingping.

“It has been arranged, as long as David goes to the island, he will be caught in our trap.”

Song Qingping nodded.

“Don’t be careless, these guys are probably going to Penglai Island, and they must know that the place where the aura recovers is in Penglai Island!”

“That’s why they brought so many masters to Penglai Island because they wanted to. Before the spiritual qi revived, they set up a territory on Penglai Island, in order to give their masters a place to live in the secret realm behind them!”

Ning Zhi’s eyes narrowed slightly, and he said with a worried expression.

“If this is the case, then there will definitely be a bloody storm on Penglai Island. Can the fake ruins we created deceive them and trap these people?”

Song Qingping asked worriedly.

“Let’s take one step at a time, but David must get the Polygonum multiflorum in this ten thousand years, otherwise we will have no chance to get it.”

Ning Zhi said to Song Qingping.

If Zhu Hao got the Ten Thousand Years Polygonum multiflorum, the Demon Sect would have no chance. If they openly snatch the Zhu family, they may not be able to grab it, and the secret realm of the Demon Sect will also be exposed!

But if David got it and Zhou Jie was by his side, as long as David was fed San Gong water, then Wannian Polygonum multiflorum could be easily obtained.

“Okay, I’ll go back to the Demon Spirit Sect to call someone. If David is defeated, I’ll help him, so that he can trust me more.”

Song Qingping hurriedly left to call someone!

At this moment, David followed that Zhu Hao, still arrogant!

At the same time, Jiang Wei glared at Hong Qianjiu, and he couldn’t make up his mind for a while!

“Brother Jiang, thank you for your kindness, you can just watch it, I will handle this matter myself!”

David said to Jiang Wei.

Jiang Wei could only helplessly nodded and stepped aside.

If he helps David, then Hong Qianjiu will help Zhu Hao, and it will be even more worth the loss!

For a while, the two sides fell into a stalemate, and the ten thousand years of Polygonum multiflorum still exudes luster, the sky is covered with dark clouds, and blue lightning keeps streaking across the night sky!

However, with the passage of time, the light emitted by the ten thousand years of He Shouwu began to weaken, and the entire He Shouwu began to become more and more blurred, as if it was about to disappear!

“It’s broken, He Shouwu is going to disappear in the past ten thousand years...”

Seeing this, David instantly remembered what he saw in the resource area of the Demon Sect!

At that time, Wannian He Shouwu was also like this, and then it slowly became transparent, and finally disappeared completely!

Looking at the ten thousand years of Polygonum multiflorum, it is like this. It is estimated that it will not take long before it will disappear. As for where to go after the ten thousand years of Polygonum multiflorum disappears, David does not know!

Chapter 1914

“Do it, Wannian He Shouwu is going to disappear...”

After David finished speaking, the whole person shot at Wannian He Shouwu!

But when David rushed towards Wannian He Shouwu, Zhu Hao also rushed out a few people in an instant to intercept David!

David’s face changed slightly, and his figure speeded up again!

Boom...

At this moment, a terrifying aura suddenly attacked David, and then I saw a black shadow shot towards David!

“Holy Light Fist...”

David shouted and smashed it with one punch!

At this time, David didn’t dare to hold back the slightest bit, as soon as he made a move, he would do his best!

The shadow was instantly repelled by David!

At the same time, the old man at the peak of Dawuhou around Zhu Hao also shot.

His goal went straight to David!

David frowned slightly, and if he fought like this, he would have no way to get the Wannian He Shouwu.

Right at this moment, Zheng Anguo held the Xuanhua axe and slashed towards the old man with a single axe. A dazzling ray of light contained the might of the Martial Saint, directly forcing the old man back!

“Mr. Chen, you go and get the Polygonum multiflorum, here it is handed over to us...”

Zheng Anguo said loudly to David with the Xuanhua axe.

David nodded and went straight to the ten thousand years of He Shouwu.

At the same time, Hu Mazi and Zhou Jie both started, directly following the people brought by Zhu Hao into a melee!

Zhu Hao was holding a folding fan, and when he saw David walking towards Wannian He Shouwu, he hurriedly waved the folding fan in his hand, and rays of light shot out towards David!

Seeing this, David instantly saw the Dragon Slaying Sword in his hand. The Dragon Slaying Sword shone with a faint cyan light, and the terrifying sword energy exploded in an instant. It even compared the breath of the martial arts folding fan in Zhu Hao's hand!

Dangdangdang.....

With a few crisp sounds, David directly blocked those rays of light.

But just when David was about to reach out and take the ten thousand year He Shouwu!

Within the rolling black cloud, a blue lightning bolt instantly fell!

The lightning directly hit David, and David's own blue light appeared, and then he was thrown out heavily and fell to the ground!

Seeing this, Zhu Hao knew that his own was almost here, and his body jumped up and went straight to the ten thousand years of He Shouwu!

This Zhu Hao completely disregarded the danger of David being hit by the lightning just now!

But just after Zhu Hao approached Wannian He Shouwu, the same lightning struck!

Seeing this, Zhu Hao threw the folding fan in his hand upwards and shouted: "Body protection..."

I saw that the folding fan instantly became bigger in mid-air, covering Zhu Hao's whole body, and the blue lightning flashed instantly. Hit on the folding fan, and Zhu Hao below was not hurt!

Zhu Hao was overjoyed and stretched out his hand to grab the 10,000-year-old He Shouwu.

When David saw this, his body jumped up, and the Dragon Slaying Sword in his hand instantly cut out a sharp sword energy, the sword energy was like a dragon, and a deep ravine appeared on the ground, heading straight for Zhu Hao!

Zhu Hao felt the dangerous aura, so he could only give up to catch the Ten Thousand Years Polygonum multiflorum, his figure flashed, and he escaped the sword energy!

But at this time, David's figure was already in front of him, and Zhu Hao lost the chance to get the Wannian He Shouwu!

After reaching Zhu Hao, David slashed out again, a golden dragon appeared, roaring towards Zhu Hao!

Seeing this, Zhu Hao could only wave his hand and take the folding fan back to his hand, and then he waved the folding fan vigorously, and a gust of wind swept through, even blowing the golden dragon away!

However, David didn't care, his goal now is to get the He Shouwu in Wannian!

Just when Zhu Hao made his move, David had already made his move towards the Wannian He Shouwu!

Seeing that David was about to get the 10,000-year-old He Shouwu, blue thunderbolts fell from the black cloud!!!

Chapter 1915

Boom...

The terrifying power instantly blasted David and that Zhu Hao out!

The power of this lightning is so powerful that it is difficult for David to bear it!

After these two bombardments, neither David nor Zhu Hao dared to approach the Wannian He Shouwu.

Zhu Hao looked at the folding fan in his hand, and there was a crack on it. He just blocked the power of lightning, and even the sacred weapon was damaged. It is estimated that it will not be used many times.

David and Zhu Hao stared at each other, but no one was shooting!

On the other side, Hu Mazi and Zheng Anguo are fighting with the people brought by Zhu Hao!

Although Zheng An owns the Xuanhua Axe, the sacred weapon, but facing the old man at the peak of the Great Marquis of the other side, coupled with the fact that the other side's overall strength is much higher, this makes them very passive.

It is estimated that the defeat is only a matter of time. At that time, only David will be left. If he wants to get the Wannian Polygonum multiflorum, it will be a fool's dream.

Seeing that Zheng Anguo and Hu Mazi were losing ground, suddenly a group of people came in a hurry!

“Mr. Chen, I’m here to help you...”

After that, Song Qingping brought the people from the Demon Sect and joined the battle instantly!

With the family of the Demon Sect, the balance began to tilt towards David, and the people brought by Zhu Hao became a little tired of dealing with it!

And those warriors who chose to stand with the Zhu family and wanted to get some benefits, when they saw this, they all chose to flee.

These guys are just watching the food and drinking, seeing that David is weak, so they help Zhu Hao!

Now that David’s strength has improved, they will turn around and run away.

This sudden change made Zhu Haomeng circle. He didn’t understand, how could a group of people suddenly appear to help David?

“stop.....”

Zhu Hao shouted loudly, he knew that if he fought like this, everyone on his side would die!

Seeing Zhu Hao’s order, many masters of the Zhu family all retreated to Zhu Hao’s side!

Almost all of these Zhu family masters were injured, and even the old man at the peak of the Great Marquis was looking ugly at the moment, and his blood was disordered!

“Mr. Chen, are you okay?”

At this time, Song Qingping stepped forward and asked David.

“I’m fine, thank the Vice Sect Master Song for helping.”

David said gratefully.

“Mr. Chen, if you say this, it will be a shame. We have a cooperative relationship, and this herb is also our sincerity. If it is taken away by others, it means that we have no sincerity.”

Song Qingping smiled lightly.

Seeing the sudden appearance of Song Qingping and others, Zheng Anguo was also puzzled at the moment. You must know that this is Nanhu, his territory, and when did such a group of people appear on his territory, and all of them are masters, even He doesn’t even know it himself!

Also feeling puzzled are Hong Qianjiu and Jiang Wei. They looked at Song Qingping and others carefully, because it is very possible that this group of people will become their enemies!

At this time, they still don’t know how many sect families know the secrets of Penglai Island, and how many sect families of the spokesperson of the secret realm have not been exposed!

However, with the imminent recovery of spiritual energy on Penglai Island, I believe that these hidden sect families will all come forward one after another.

Because no one wants to watch the first piece of aura recovering to be occupied by others!

“Who are you?”

Zhu Hao looked at Song Qingping coldly: “Do you know who I am?”

Song Qingping looked at Zhu Hao, his mouth slightly raised: “I don’t care who you are, this thousand Nian He Shouwu belongs to Mr. Chen, and no one is allowed to rob him, otherwise it will be against us.”

“As for who we are, you don’t deserve to know. It’s better to take your people and get out now, or else don’t even think about leaving.”

Song Qingping’s arrogance directly made Zhu arrogant.

Chapter 1916

Although Zhu Hao was angry, he did not do it, because he knew that at this moment, if he did it, he would definitely lose.

“Okay, I remember you. Our Zhu family will have revenge. Today, none of you will have a good end.”

After Zhu Hao finished speaking, he waved his hand and said, “Let’s go...”

Zhu Hao led people away Now , seeing this, Hong Qianjiu shook his head: “It’s boring, it’s boring...”

Hong Qianjiu also took people away, and now only Jiang Wei is left with people!

David looked at the Wannian He Shouwu that was getting weaker and weaker, and knew that he couldn’t delay any longer, so he rushed towards the Wannian He Shouwu!

Rumbling...

A lightning strike, David’s body was instantly hit, and David was directly knocked to the ground!

David gritted his teeth, jumped up abruptly, and charged towards the Ten Thousand Years He Shouwu again!

David’s body was radiating a faint golden light, and his eyes were staring at the ten thousand-year-old He Shouwu!

Boom.....

It's another thunder and lightning, and the black clouds in the mid-air also seem to become crazy at this moment, constantly rolling, and blue lightning is constantly shuttled in the clouds!

The Dragon Slaying Sword in David's hand began to hum and trembled, as if he wanted to break free from David's hand!

Seeing this, David suddenly threw the Dragon Slaying Sword into the air: "Go..." The

Dragon Slaying Sword was like a wild horse that had lost its rein, and it went straight towards the thunderbolt!

The lightning struck directly on the body of the Dragon Slaying Sword, causing the Dragon Slaying Sword to emit blue rays of light!

Although struck by lightning, the Dragon Slaying Sword did not lose its power and rushed directly into the black cloud!

I saw the Dragon Slaying Sword in the black cloud, fighting with the blue lightning!

When David saw this, he couldn't help but be surprised. He was very afraid that the Dragon Slaying Sword would not be able to withstand the power of lightning and would be damaged!

You must know that in David's heart, the Dragon Slaying Sword is not just a weapon, but a friend.

"David, what are you still hesitating about, hurry up and take down the Wannian He Shouwu..."

Seeing David looking up at the sky, Hu Mazi shouted anxiously!

Only then did David react, he hurried forward, and grabbed the 10,000-year-old He Shouwu!

With a slight effort, the Wannian Polygonum multiflorum broke off the ground!

Feeling the vigorous spiritual energy of the Wannian He Shouwu, David was very excited!

With the Wannian Polygonum multiflorum taken by David, the black clouds in the sky began to dissipate quickly, and the blue lightning also disappeared.

The Dragon Slaying Sword fell from the sky and was instantly taken by David!

When David just got the Dragon Slaying Sword, he felt the power of thunder and lightning spread all over his body from the palm of his hand!

David looked surprised, and couldn't help but look at the Dragon Slaying Sword, only to see the blue lightning power flashing on the sword of the Dragon Slaying Sword!

"This..."

David was shocked, he was afraid that his Dragon Slaying Sword would be damaged by the power of lightning!

A divine dragon power entered the Dragon Slaying Sword, and then David's consciousness began to communicate with the Dragon Slaying Sword!

Zhanlongjian also felt David's communication, and it was buzzing constantly, as if responding to David!

"Zhan..."

David held the Dragon Slaying Sword and waved it abruptly into the distance. He wanted to know if the power of the Dragon Slaying Sword was still the same as before!

Rumbling.....

David slashed out this sword, suddenly the world changed, and the wind roared!

A blue lightning bolt shot out from the Dragon Slaying Sword in an instant!

The mountain top not far away was instantly flattened by the power of lightning.

The rocks flew and the trees turned to ashes, like the end of the world!

David looked at the Dragon Slaying Sword in his hand in disbelief. He did not expect this Dragon Slaying Sword to possess the power of lightning!

And the other people looked at this scene, and their shocked eyeballs were about to fall out!

Chapter 1917

Zheng Anguo held the Xuanhua Axe in his hand. At this moment, he felt that this sacred weapon in his hand was a pediatrician compared to David's Dragon Slaying Sword!

Song Qingping's eyes narrowed slightly, and the muscles at the corners of his eyes twitched a few times.

Ning Zhi, who was hiding in the dark, was full of envy and worry in his eyes!

Now that David's strength is getting stronger and stronger, and with such a terrifying weapon bonus, it will be very difficult for Ning Zhi to beat David.

"What? Are you afraid? Are you afraid?"

Feeling the change in Ning Zhi's heart, the soul in Ning Zhi said!

"I...I didn't..."

Ning Zhi hurriedly began to adjust his mentality!

"You can't lie to me, but you don't have to worry, the higher David's strength is, the better it will be for us."

"When his body is strong enough, Da Neng can use his body to return to the heaven and human world, saying Maybe I can see Lord Mozun again."

Soul Spirit said excitedly.

Ning Zhi wanted to ask what the Heaven and Human Realm was, but he guessed that the other party couldn't tell him, even if he did, he didn't understand it, so he didn't ask!

"David, Wannian He Shouwu has got his hands, let's leave as soon as possible..."

Hu Mazi reminded David!

After all, holding this kind of unattainable thing in hand, it is inevitable that someone will be jealous, and finally take the risk!

In the face of absolutely great interests, no cooperation or friendship is reliable.

David nodded, then followed Zheng Anguo and Song Qingping to thank him, and was about to return to the hotel, while Jiang Wei led people to follow David!

With Wannian He Shouwu in his hand, David did not dare to go to Zheng's house, let alone the Demon Spirit Sect, but David still trusted Jiang Wei.

After all, Jiang Wuya from Tianluolou personally ordered the Jiang family to help him. He believed that the Jiang family would not dare to violate the order.

David took Wannian Polygonum multiflorum and planned to refine Wannian Polygonum multiflorum into a medicinal pill in the hotel, so that there was no need to be afraid that someone would be concerned about this ten thousand-year-old Polygonum multiflorum and would snatch it!

It is possible to refine the medicinal herb of Ten Thousand Years Polygonum multiflorum. Ordinary medicinal cauldrons are definitely not acceptable. David remembered the Shennong cauldron that was placed in Yaoshen Valley!

So David informed Xu Changsheng overnight and asked him to bring the Shennong Ding immediately!

"Mr. Chen, are you tired too? Let me make you a cup of tea!"

Zhou Jie said to David when he returned to the hotel.

"Miss Zhou, thank you very much for today. You should rest quickly. Just let the waiter do the tea-making."

David said politely.

“It’s okay, I’ll do it!”

Zhou Jie smiled slightly, then walked out of the room. In the tea room, Zhou Jie took out the San Gong water given by Song Qingping and looked at the teapot in front of her. Zhou Jie hesitated!

During this period of time, Zhou Jie had a good impression of David, so when Song Qingping asked her to do this, Zhou Jie was very resistant!

But as a member of the Demon Sect, she must obey orders!

In the end, Zhou Jie gritted his teeth and poured the San Gong water into the teapot. After shaking it a few times, he brought the teapot into the room!

Zhou Jie put down the teapot and poured a cup of tea for David and Hu Mazi himself!

It’s just that Zhou Jie’s face was not very good, and he didn’t dare to look at David!

Hu Mazi glanced at Zhou Jie unexpectedly, because in normal times, Zhou Jie would not be able to pour him tea.

Today, Hu Mazi was a little surprised, but at this time, the knot in Hu Mazi’s heart was untied, and he did not intend to use women to numb himself!

“Miss Zhou, are you too tired? I see that your face is not very good!”

Seeing that Zhou Jie's face was wrong, David asked.

"Oh, it's alright, it might be fine to rest!"

Zhou Jie said with a smile.

"Oh, then you go to rest quickly, don't worry about it here."

David urged Zhou Jie to rest quickly!

"Mr. Chen, I'd better wait for you to finish drinking tea, and then go to rest after cleaning up."

Zhou Jie had to watch David and the others drink the tea with his own eyes.

Chapter 1918

Seeing this, David didn't say anything else, but said to Hu Mazi: "Master Hu, this is Miss Zhou's kindness, we've done it..."

Hu Mazi also raised the teacup, and the two of them asked for it without hesitation. Drink the tea!

"Wait

a minute..." Seeing this, Zhou Jie hurriedly stopped David and Hu Mazi!

At this time, Zhou Jie was still entangled in her heart. She didn't know what fate David and Hu Mazi would have after this cup of tea went down!

I don't even know if Song Qingping would kill the two of them!

"Miss Zhou, what's wrong?"

David asked suspiciously.

“Mr. Chen, I’m afraid that the tea I just poured is too hot and will burn you.”

Zhou Jie explained with an excuse.

David smiled slightly: “It doesn’t matter...”

After saying that, David drank the tea, and he drank the sesame seeds directly!

Seeing David and Hu Mazi drinking all the tea, Zhou Jie felt an indescribable feeling in his heart.

“Let’s talk, I’m going to rest...”

Hu Mazi got up and walked out of the room. During this period, Hu Mazi didn’t even look at Zhou Jie!

This made Zhou Jie very strange, and he couldn’t help asking: “Mr. Chen, is there something wrong with Master Hu? It feels like he has changed.”

David knew what Zhou Jie was referring to, and smiled slightly: “Master Hu has indeed changed...”

Then David told Zhou Jie what happened to Hu Mazi.

After Zhou Jie heard this, she couldn’t help but look surprised.

“Master Hu is still such an infatuated person? I really didn’t expect it. I always thought he was a big pervert, but I didn’t want to have this kind of experience. It’s also pitiful.”

Zhou Jie is actually a little pitiful at this moment.

After all, the person he loves the most, ran away with someone on the eve of his marriage, and is dead now, but even so, Hu Mazi has not forgotten that woman, which shows that Hu Mazi is also a person who is devoted to love.

“Everyone may have their own secrets in their hearts, but outsiders don’t know it.”

David smiled lightly. At this time, he was very beautiful, but who would have thought that more than a year ago, his experience was worse than Hu Mazi!

Going to jail for his girlfriend, but being abandoned by his girlfriend in the end, this kind of bloody thing, didn’t it happen to me too?

It’s just that David didn’t say it, and no one knew about his history.

“Mr. Chen, when you go to bed, remember to lock the doors and windows, I’m going to rest.”

Zhou Jie reminded David, then cleaned up and left.

Watching Zhou Jie leave, David sighed softly and said, “It’s a good girl, I hope you can cherish the opportunity I gave you.”

After David finished speaking, Hu Mazi flashed into David’s room Room!

“David, how did you know that Zhou Jie was going to poison us?”

After entering the door, Hu Mazi asked suspiciously.

David smiled slightly: “After she came back from the Demon Sect, I smelled a strange smell on her body, which was something she never had before, so I was a little suspicious.

” Wannian Polygonum multiflorum, that Song Qingping led people to appear at a critical moment, proves that Song Qingping has been observing us long ago, otherwise it would not be such a coincidence.”

“And the tea that I just brought, obviously I was in Zhou Jie that day. The smell on the body, and Zhou Jie’s expression today is very unnatural, don’t you find it?”

Hu Mazi shook his head: “I didn’t find it, and I didn’t smell any strange smell in the tea?”

“Of course you won’t be able to smell it, otherwise you’ll become a pharmacist, but they do everything, but they don’t know that I’ve already been immune to all poisons, and the poison they put down can only be a resource for my cultivation.”

David’s condensing heart art, that is the real superior art, which can refine everything.

No matter what toxins it is, when it enters David’s body, it will be refined by the Condensation Art!

Chapter 1919

“You are immune to all kinds of poisons, but what should I do? But I don’t seem to feel anything strange, are you guessing wrong?”

Hu Mazi’s body was not unusual at this time, and there was no sign of poisoning.

“Poisoning doesn’t necessarily mean that they want our lives, maybe they want something else.”

After that, David looked at the Wannian He Shouwu.

“Could it be that the Demon Sect poisoned us just for the ten thousand years of Polygonum multiflorum? Then why didn’t they just take it themselves? They want you to take it and are trying to get it out of your hands?”

Hu Mazi asked inexplicably. .

“I don’t know either, but their goal is by no means only the 10,000-year-old He Shouwu, Song Qingping always gives people a feeling that they can’t figure it out, and the Sect Master of the Demon Sect, I have only seen it once, and when there is no I’ve seen it.”

“I suspect that the Sect Master of the Demon Sect doesn’t exist at all, and the one who really controls the Demon Sect is Song Qingping.”

David said slowly.

“What are these guys trying to do? I can’t believe these demons.”

Hu Mazi said angrily.

“That’s not true. The people of this Demon Sect should not know that their suzerain is gone at this time, and they are all obeying Song Qingping.”

“And the people of this Demon Sect are definitely not like other Demon Races. , indiscriminate killing, and now it’s just being deceived by Song Qingping.”

“What’s going on, I guess we’ll know tonight. I have a detox pill here. No matter if your body is abnormal, you should take it first.”

David took out a pill and gave it to Hu Mazi. Although Hu Mazi was no different at the moment, it did not mean that there was nothing wrong.

Hu Mazi took the pill, swallowed it, and left David's room!

.....

In the Demon Sect, Zhou Jie returned to his life!

"Zhou Jie, did David take the San Gong water?"

Song Qingping asked.

Zhou Jie nodded: "Well, I've taken it..."

"That's great, you really did a great job for our Demon Sect."

Song Qingping said, got up and walked in front of Zhou Jie, a hand gently He touched Zhou Jie's face!

Then he kissed deeply.

Zhou Jie's heart is very complicated at this moment. If Song Qingping was like this, Zhou Jie would have been elated long ago, and An couldn't bear it anymore!

But today, Zhou Jie did not feel the slightest, and even had a slight resistance!

Song Qingping kissed Zhou Jie for a long time and found that Zhou Jie did not respond at all, so he could not help asking: "What happened today?"

"I..." Zhou Jie looked a little worried: "Vice Sect Master, you Are you going to kill that David?"

"What? Are you worried about him?"

Song Qingping frowned slightly.

"No, I just think we can get what we want, there's no need to kill people."

Zhou Jie quickly explained.

Song Qingping stared at Zhou Jie, and suddenly he slapped it, and slapped it hard on Zhou Jie's face!

Snapped!

Zhou Jie was knocked to the ground in an instant!

"Damn, you b!tch, I think you like that kid? You're actually worried about his life."

"Tell me, have you slept with that kid?"

Song Qingping pulled him From Zhou Jie, he asked with a grim face.

Zhou Jie looked at Song Qingping like this and was a little overwhelmed with fright, because she had never seen Song Qingping look so terrifying.

The usual Song Qingping looked polite and courteous, but this sudden change made Zhou Jie unable to adapt for a while!

Seeing that Zhou Jie didn't speak, Song Qingping pushed Zhou Jie onto the bed, and then tore Zhou Jie's clothes!

Zhou Jie wanted to resist, but what he got in return was Song Qingping's beating!

In the end, Zhou Jie was desperate, tears kept flowing, and Song Qingping could only let Song Qingping vent his animalistic desires on his body.

Chapter 1920

At this time, Zhou Jie's eyes were empty, and she still couldn't understand, where was Song Qingping, who was polite and gentle to herself?

Just as Song Qingping was struggling to vent, suddenly the door was pushed open!

Song Qingping was startled, turned around and wanted to reprimand the person who broke into the room, but when he saw the person coming, Song Qingping's words stopped instantly, and he quickly put on his clothes.

"Master Demon Envoy..."

Song Qingping shouted respectfully.

The person who came was Ning Zhi. At this time, Ning Zhi was dressed in black, and his eyes swept over Zhou Jie's body!

Zhou Jie hurriedly covered her body with a quilt.

"Song Qingping, in this situation, you are still in the mood to play with women, you are really interested..."

Ning Zhi smiled coldly, and the voice from his mouth was old and hoarse!

Hearing this voice, Zhou Jie, who was lying on the bed, frowned slightly. She could conclude that there was definitely a soul residing in this person's body!

You must know that the Demon Spirit Sect absolutely does not allow this, and only the Demon Heart Sect does this.

Zhou Jie stared at Ning Zhi, such an unfamiliar face suddenly appeared in the Demon Sect, which made Zhou Jie's heart instantly have a bad premonition!

"Master Demon Envoy, I...I..."

Song Qingping wanted to explain, but he didn't know how to explain it!

"Okay, I don't want to hear your explanation, how is your business going?"

Ning Zhi asked.

"Then David has already taken San Gong water, and it is estimated that he has become an ordinary person now."

Song Qingping replied.

"That's good, since David has been solved, then all those who went to Penglai Island will be dealt with. After today, your deputy suzerain will become official."

Ning Zhi patted Song Qingping on the shoulder.

“Thank you for the cultivation, Master Demon Envoy, I’ll go right now...”

Song Qingping nodded, then looked back at Zhou Jie, then turned and left the room!

At this moment, only Zhou Jie followed Ning Zhi in the room.

Ning Zhi’s eyes narrowed slightly, looking at Zhou Jie’s fair shoulders and skin, his eyes were full of desire!

“Do the things that should be done, are women afraid that there will be nothing in the future?”

The soul in Ning Zhi said lightly.

When Ning Zhi heard this, he quickly backed out!

Although Zhou Jie didn’t know who Ning Zhi was at this time, he knew that David was going to be in danger, and I’m afraid the whole Demon Sect was going to be in danger.

After getting dressed in a hurry, Zhou Jie wanted to rush out of the room, but found that the door of the room was locked, and a magic circle was set up to prevent Zhou Jie from escaping.

In the main hall of the Demon Sect, many high-level officials of the Demon Sect were summoned.

“What did the deputy sect master call us to do at night?”

“I don’t know, I’ve already fallen asleep!”

“I went out to fight today, my body is sore, and I just want to rest!”

“We have been in the Demon Sect for many years. I have never had such a big conflict with anyone before.”

Many high-level officials were discussing, but only Deacon Lu frowned slightly and said nothing!

“Deacon Lu, you didn’t go today, the deputy sect master took us to a fight, and directly knocked the other party down.”

One person said to Deacon Lu.

Deacon Lu nodded and said nothing, still worried!

It seems that Deacon Lu seems to know something!

Soon, Song Qingping arrived, and everyone shut up and took their seats!

“Everyone, I called everyone together in the evening. I have something to announce. You all know that now facing the recovery of spiritual energy, disputes will resume.

”, so I decided to join forces with the Demon Heart Sect before the aura recovers. We are in the same blood, so why kill each other!”

“As long as we unite, the other sect families will be vulnerable and will surrender to Ours .”

Song Qingping's words instantly caused an uproar!
