

A Man Like None Other Chapter 1921 – 1930

Chapter 1921

You must know that although the Demon Sect is a demon sect, its purpose is to be free from the world and cultivate with peace of mind!

For so many years, the Demon Heart Sect rarely walked out of the secret realm and had disputes with the sects and families in the secular world outside!

Moreover, the Demon Spirit Sect and the Demon Heart Sect are almost incompatible, and now Song Qingping suddenly announced this, so many people can't bear it at all!

"Vice Sect Master, what do you mean? Sect Master? Why didn't the Sect Master come out to announce such an important matter?"

A high-level executive stood up and asked Song Qingping.

In their eyes, the one with the highest power is still the suzerain.

As for Song Qingping, many people are still a little unconvinced. After all, Song Qingping is too young.

"The sect master is still in his body, so I will announce it on his behalf. The sect master has already decided on this matter, so you just need to obey."

Song Qingping glanced at everyone, and then said coldly.

"The sect master is ill, then we should go and see, let's go see the sect master, and listen to the sect master's orders in person."

Another high-level executive stood up and said loudly.

"Bastard, as the deputy suzerain, I don't have any rights at all, it's really against you."

Song Qingping finished speaking, his palm waved suddenly, and a terrifying energy hit instantly, directly knocking the high-level executive into the air. go out!

Song Qingping's move instantly stunned many people!

Everyone didn't know Song Qingping's true strength, only that he was young and polite, so it was estimated that his strength would not be too high!

Therefore, everyone is not afraid of Song Qingping, the deputy suzerain. If the suzerain hadn't ordered it personally, it is estimated that no one would listen to Song Qingping.

But now Song Qingping only showed one hand and stunned everyone!

Seeing that no one dared to speak, Song Qingping showed a sneer on his face.

"Vice Sect Master, I'm afraid that what you said is not what the Sect Master meant, but your own?"

"Because our Sect Master should have been killed by you long ago."

Deacon Lu stood up and asked Song Qingping .

"Deacon Lu, what do you mean?"

Song Qingping's eyes narrowed slightly.

"What do I mean, you should know best. Our Sect Master suddenly started wearing a mask a few years ago, saying that he was disfigured and afraid of seeing people."

"Actually, at that time, our Sect Master should have been killed by you. You have been controlling the sect master's corpse with your demon method."

“The current sect master, I’m afraid it’s just a skeleton!”

Deacon Lu’s aura began to erupt, and he looked at Song Qingping coldly and said.

“Deacon Lu, what nonsense are you talking about, be careful that I will punish you for the crime of misleading the public!”

Song Qingping roared.

“I’m bewitching people, today I’ll let you see if I’m bewitching people.”

After Deacon Lu finished speaking, he immediately shouted: “Bring the

sect master in...” Soon, the two Demon Spirit Sect members brought The sect master brought it in, and the sect master still wore a mask on his face!

Seeing this, everyone knelt down and shouted: “Sect Master...”

Song Qingping saw that Deacon Lu had sent someone to bring the Sect Master secretly, his eyes were full of killing intent, but his fists were slightly clenched!

“Everyone can see clearly what our Sect Master has become...”

Deacon Lu took off the mask, revealing the dense skull inside!

Everyone was shocked when they saw this.

“Song Qingping, what’s your explanation?”

Deacon Lu asked Song Qingping.

“Hmph, there is nothing to explain. Those who obey me will prosper and those who oppose me will perish. If you submit to me, everyone’s cultivation resources will be doubled in the future.”

Song Qingping promised everyone!

When everyone saw this, it was a complete tear, and many people stood behind Song Qingping!

Song Qingping has been the deputy suzerain for so many years, and of course he also has some cronies of his own!

On Deacon Lu’s side, only a few people stood with him.

There are also some people who are indecisive and do not know which side they should stand on!

Chapter 1922

Deacon Lu looked at the people standing behind Song Qingping, and couldn’t help scolding: “You perfidious people, have you forgotten how the sect master taught us?”

“Deacon Lu, the person who knows the current affairs is Junjie, I advise you It’s better to listen to the vice sect master obediently, now that the sect master is dead, it’s not good for you to be so persistent!”

a senior of the Demon Sect said to Deacon Lu.

“Bah, shameless thing, our Demon Spirit Sect and Demon Heart Sect are incompatible, and now we are going to mix together, I will never agree.”

After speaking, Deacon Lu jumped up and moved towards the high-level one who just spoke. I slapped it with the palm of my hand!

“Looking for death...”

Seeing this, Song Qingping waved his hand, but Deacon Lu only felt a huge force hit, and then the whole person was directly knocked out!

It can be seen that the strength of Deacon Lu and Song Qingping is still very different.

Deacon Lu’s mouth was bleeding, and his internal organs were churning!

This palm made him seriously injured!

“Deacon Lu, hurry up, let’s stop them...”

After the few people who were standing with Deacon Lu finished speaking, they rushed up to give Deacon Lu time to escape!

When Deacon Lu saw this, he could only grit his teeth and run towards the outside world!

On the other side, David was waiting quietly. He knew that after Zhou Jie took the medicine, the Demon Sect would have the next move, so he was waiting!

Wannian He Shouwu was placed on the table at will.

Soon, David felt a faint breath, and it was obvious that the other party deliberately hid his breath.

David's face showed a trace of excitement, he felt that Song Qingping must be here!

But at this moment, outside David's room, a man was wearing a black robe with a gloomy aura on his body!

Beneath that black robe is Ning Zhi's pale face!

Ning Zhi pushed open the door of David's room, and found that David had put Wannian Polygonum multiflorum on the table!

"This David is too arrogant, he dares to place the ten thousand years of Polygonum multiflorum so casually."

Ning Zhi's soul in the body said when he saw it.

But Ningzi didn't think so. When he saw David casually placing the Wannian He Shouwu on the table, his heart suddenly froze, and he seemed a little nervous.

Ning Zhi followed David for such a long time, he knew that David was not such a careless person!

Now David put Wannian Polygonum multiflorum on the table at will, obviously he is prepared, or deliberately, who is waiting for someone to come!

“Don’t hurry up and get the Wannian He Shouwu, and take David away by the way, don’t hurt his body.”
The

soul urged Ning Zhi.

Ning Zhi frowned: “Senior, I always have a bad premonition, is this David intentional?”

“Hasn’t David already taken San Gong water? Even if he knows you’re here. , what can you do?”

“I found out why you are becoming less and less timid?”

said the soul dissatisfied.

When Ning Zhi heard this, he could only step forward helplessly and carefully get the Wannian He Shouwu!

Seeing that David who was lying on the bed didn’t have the slightest reaction, Ning Zhi was relieved, and at the same time, he completely let go of his breath!

David is now taking San Gong water, and he is just like an ordinary person, so Ning Zhi doesn’t have to be afraid!

With Wannian Polygonum multiflorum in his hand, Ning Zhi’s heart was filled with excitement.

“Take that David too. If you can see this David, you will definitely reward us.”

said the soul.

Ning Zhi stepped forward, patted David and said, "Wake up, wake up..."

David pretended to be sleepy, and muttered dissatisfiedly: "Who, in the middle of the night, let no one sleep?"

Chapter 1923

"David, we meet again..."

Ning Zhi looked at David with a grin!

"Ning Zhi?"

David was stunned, he didn't expect it was Ning Zhi!

Originally, David thought that Song Qingping would come, but he didn't want it to be Ning Zhi, which surprised him!

"Yes, it's me, aren't you surprised? The ten thousand-year-old He Shouwu you have worked so hard to get is mine now."

Ning Zhi held the He Shouwu and posed it towards David, then reached out and grabbed David's shoulder: "Now not only this He Shouwu is mine, but even you, I will take it away."

Ning Zhi thought that David had lost his skill, so he just grabbed it casually!

But David's eyes flickered, he shot directly, grabbed Ning Zhi's wrist, snatched the Wannian He Shouwu from Ning Zhi's hand, and then punched Ning Zhi's chest fiercely!

Ning Zhi was beaten so hard that he couldn't guard against it, and his whole body was instantly knocked out, hitting a big hole in the wall!

Ning Zhi looked surprised, got up and looked at David and said, "You, your skill didn't disappear?"

"Disappeared? Why did you disappear? Do you want to say that if you poison me, my skill will disappear?"

David looked at Ning Zhi coldly and said.

Ning Zhi's face was very ugly at the moment: "Damn, a bunch of trash..."

But now it's useless for Ning Zhi to scold anything, the matter has come to this point, and he can only grab it!

But the loud noise just now made Hu Mazi and Jiang Wei all rush over.

"Don't fight, let's go..."

Soul said to Ning Zhi.

If you only face a David, Ning Zhi is adding the soul in his body, and he can still fight!

But now that David has come to help again, Ning Zhi can only escape temporarily!

At this moment, David felt the breath in Ning Zhi's body, and his eyes narrowed slightly: "No wonder I always felt a breath of familiarity just now. It turns out that the hunchbacked old man is now living in you."

"The hunchbacked old man?"

Ning Zhi looked confused . Damn, he didn't know that David had followed the magic envoy living in the body of the hunchbacked old man before!

"Don't talk nonsense with him, let's go..." The

soul urged!

Ning Zhi nodded, and then a flame suddenly rose from his body, the flame wrapped around Ning Zhi's body, and then it began to slowly disappear!

When David saw this, his eyes were full of surprise. He didn't know when this Ning Zhi actually had such a technique!

"Hahaha, David, let me tell you, not only do you have a special physique, but Lao Tzu is also a flame demon body."

Ning Zhi laughed, and his body was slowly about to escape into the void!

"Hmph, the mere spatial technique, I also want to escape..."

Suddenly, Jiang Wei snorted coldly, and suddenly there was a rope shining in his hand!

Suddenly, Jiang Wei threw the rope towards Ning Zhi!

Soon, a golden light flashed, and Ning Zhi, who was about to disappear, appeared again at this moment, and the rope wrapped around Ning Zhi.

“Binding the Immortal Rope?”

Ning Zhi’s eyes showed panic.

“I didn’t expect you to know the bundle of immortal rope...”

Jiang Wei looked proud, this bundle of immortal rope is the sacred weapon of their Jiang family, this time Jiang Wei brought it out!

“David, quickly imprison this space...”

Hu Mazi said, and several yellow talismans suddenly appeared on his body, flying directly to David!

Seeing this, David immediately understood, bit his finger in an instant, and waved it casually, there were dense blood-colored runes on the Dao Talisman paper!

These spells shone with light, imprisoning David’s entire room, preventing Na Ningzhi from using space magic to escape!

Ning Zhi looked at the flickering spell, and said with a surprised expression: “David, you... how can you still know spells?” You

know, David knows too many things, and now he can even know spells, and so on. Proficient, this makes Ning Zhi's heart full of horror!

Chapter 1924

"Ning Zhi, I know more than that. Today I will let you taste them all..."

David said, a faint golden light appeared on his hands!

This time, both Ning Zhi and the soul in his body were a little panicked!

In the face of David, Hu Mazi and Jiang Wei, and the other party has a sacred weapon, Ning Zhi has no chance of winning!

"Jin Chan escapes." The

soul reminded Ning Zhi.

Seeing this, Ning Zhi could only grit his teeth, and his body began to shrink instantly, breaking free from the shackles of the bundle of immortal ropes!

But just as Ning Zhi broke free, David smashed it with a punch!

"Shengguang Fist..."

David's terrifying fist wind swept in, but Ning Zhi didn't dodge. David's ferocious punch directly penetrated Ning Zhi's chest!

Ning Zhi spurted out a mouthful of blood and looked at David with anger on his face: "David, you... do you have to kill them all?"

"Nonsense, people like you are just a scourge in the world."

David's eyes were cold . , without the slightest pity, rushed towards Ning Zhi again!

boom!

This time, David broke out with all his strength. With one blow, Ning Zhi's entire upper body was almost shattered, blood all over his body, and his breath became very weak!

Seeing Ning Zhi like this, Hu Mazi and Jiang Wei relaxed their vigilance. After all, Ning Zhi was like this, and David could kill him with one punch!

David also felt a little strange at the moment. Although Ning Zhi might not be as strong as himself, it was impossible for him to be so weak. He was punched twice by himself, and he was dying immediately.

But looking at Ning Zhi's dying appearance, it didn't seem like he was pretending, which made David very surprised!

"David, you wait for me, if I don't die, I must smash your corpse into ten thousand pieces..."

Ning Zhi yelled at David with a grim face, and was still provoking David!

"Don't worry, I will never let you leave alive today."

After speaking, David kicked Ning Zhi!

And Ning Zhi followed David's kick, his body suddenly smashed through the wall, and his body fell outside!

"Broken..."

When David saw this, he instantly reacted and chased after him.

But when David chased out, he saw that Ning Zhi instantly turned into a black light and disappeared without a trace!

On the ground, the black robe on Ning Zhi's body remained, covered with blood.

"Damn, let him run away..."

David cursed while holding the black robe.

At this time, Hu Mazi and Jiang Wei also rushed out, and David hurriedly said to Hu Mazi: "Master Hu, go and see if Zhou Jie is still there..."

Hu Mazi nodded, and then rushed into Zhou Jie room, and found that Zhou Jie was not in the room!

"No, I guess I have returned to the Demon Sect."

Hu Mazi said.

“Let’s go, let’s go to the Demon Spirit Sect. I want to see what’s going on. Is this Demon Spirit Sect really a nest of snakes and rats with the Martial Arts Alliance?”

David is going to have a look. Has it become that Song Qingping’s world?

David took Hu Mazi towards the Demon Sect, and Jiang Wei followed with the Jiang family masters.

But just when David and the others arrived at the entrance to the secret realm of the Demon Sect, they found that the gate of the entrance was shining brightly, and a man covered in blood ran out of it!

This person stumbled and ran straight to David and the others, and behind this person, there were several people chasing after him!

It was only when he got closer to David that he realized that the man covered in blood was actually the Deacon Lu who had played against him!

And the people chasing behind are also from the Demon Sect. David had seen them in the Demon Sect Hall!

Deacon Lu was obviously stunned when he met David, and then said anxiously to David: “David, you came just in time, now the Demon Sect has rebelled, and they have all become Song Qingping’s people, now the demons Zong and Demon Heart Sect are no longer separated from each other.”

“The cooperation between Demon Spirit Sect and you is probably fake, so hurry up and escape...”

Chapter 1925

David was stunned by Deacon Lu’s words, and it seemed that the situation was similar to what he expected.

That Song Qingping really wasn't what he appeared to be, this guy was very ambitious.

"Deacon Lu, what happened to the Demon Sect?"

David asked Deacon Lu to clarify!

Deacon Lu sighed and said: "Then Song Qingping killed the sect master very early, and has been secretly controlling the Demon Spirit Sect, cultivating his own cronies, now the time is ripe, this is going to annex our Demon Spirit Sect."

Deacon Lu said A few high-level Demon Spirit Sect leaders behind him have already caught up!

When they saw David, several people were slightly taken aback, and one of them pointed at Deacon Lu and said, "Deacon Lu, you go back with us obediently, this is what the Deputy Sect Master meant, otherwise we can only be polite."

"Hmph, you traitors, the sect master treated you well in the past, but now the sect master has been killed, you don't even want to avenge the sect master, but you are still traitors."

Deacon Lu cursed at several high-level officials!

The senior members of the hurried Demon Sect also looked ugly, after all, no one wants to be called a traitor!

"Deacon Lu, we just want to live, I hope you don't embarrass us."

The high-level executive walked towards Deacon Lu slowly!

Deacon Lu gritted his teeth and put on a desperate gesture!

“You are from the same clan, how can you kill each other in a blink of an eye? Is it because of that Song Qingping?”

David stepped forward and said in front of Deacon Lu.

Seeing this, the top of the Demon Spirit Sect said with a slightly cold expression: “David, this is our Demon Spirit Sect’s family affair, and it has nothing to do with you. You’d better not interfere.

” There is something wrong with the Demon Sect, so of course I have to ask.”

“Now you go back and tell Song Qingping that I am here to kill him.”

David smiled coldly.

Seeing David say this, the expressions of the senior members of the Demon Sect all turned ugly!

“Damn, didn’t you hear what Mr. Chen said?”

Jiang Wei cursed, followed by a clatter from the Jiang family’s masters behind him, and surrounded the senior members of the Demon Sect!

Several senior members of the Demon Sect were shocked when they saw this!

They can betray the sect in order to survive, and now they are facing danger, and the expressions of several people have changed greatly!

If they really fight, they are definitely not opponents!

“Okay, let’s go back and notify the deputy

sect master now.” The high-level Demon Spirit Sect nodded, and then slowly stepped back!

Until there was no dangerous position, then turned around to open the door of the secret realm and walked in directly!

When the senior officials of the Demon Sect walked back, Deacon Lu suddenly knelt down to David: “Thank you Mr. Chen for saving his life, and I also hope that Mr. Chen can save our Demon Sect from fire and water. Now many people are being killed by Song Qingping. Forced.”

“Deacon Lu, you don’t need to tell me, I will also get rid of Song Qingping.”

David and the martial arts alliance are inseparable, and behind the martial arts alliance is the Demon Heart Sect, and Song Qingping is now leading the Demon Spirit Sect It is impossible for David to let him succeed in surrendering to the Demon Heart Sect. “If you have Mr. Chen’s words, then our Demon Sect

will be saved. I will take you into the secret realm...”

“If the method of entering the secret realm is improved later, then we will not be able to enter.”

With David, they passed through the gate of the secret realm and came to the Demon Sect!

At this time, Ning Zhi, after dealing with several high-level Demon Spirit Sect who resisted him, took control of the entire Demon Spirit Sect!

Now he is the real suzerain of the Demon Sect, and Song Qingping is still looking forward to his future. When the spiritual energy recovers and the blood demon is resurrected, the whole world will be theirs.

An excited Song Qingping returned to the room, Zhou Jie was lying on the ground exhausted at this time, Zhou Jie tried her best to break through the magic circle around the room, but she still failed to rush out.

Chapter 1926

Seeing Song Qingping coming back, Zhou Jie instinctively wanted to stand up, but she had no strength left!

Zhou Jie looked at Song Qingping angrily, she never thought that Song Qingping was such a person!

Seeing Zhou Jie's angry eyes, Song Qingping didn't care at all, but slowly squatted down, gently stroked Zhou Jie's face and said, "You don't have to look at me like this, I tell you, now the whole demon

Lingzong is all mine, and you will be the wife of the sect master in the future, so you should be happy." Song Qingping said, jumped directly on Zhou Jie, and kissed Zhou Jie desperately!

Zhou Jie refused, and bit Song Qingping fiercely!

Song Qingping slapped Zhou Jie directly, causing blood to flow from the corner of Zhou Jie's mouth!

"Let me tell you, you are already mine, so what are you pretending to be?"

After that, Song Qingping carried Zhou Jie to the bed and began to vent his unfinished beast desires!

Zhou Jie could only turn her head to the side and cry silently!

At this moment, Deacon Lu has already rushed into the hall of Demon Sect with David!

As soon as they rushed in, they were surrounded by people from the Demon Sect!

Deacon Lu looked at these Demon Spirit Sect winning people, inexplicable sadness flashed on his face!

“You are all from the Demon Sect, how could you be a traitor? Where is Song Qingping?”

Deacon Lu yelled!

The people from the Demon Sect didn't say anything. In fact, they didn't want to do anything to Deacon Lu.

“Deacon Lu, you'd better run away while the deputy sect master is away, we won't make it difficult for you...”

At this time, a senior of the Demon Sect stood up and said.

“I don't leave. If I leave, the Demon Sect will really be over. I brought Mr. Chen here. We are here to kill Song Qingping.”

Deacon Ru said.

“Hmph, Deacon Lu, you are too arrogant, can you kill the deputy suzerain too?”

Several of Song Qingping's cronies came over, and these guys are the ones who support Song Qingping the most.

Deacon Lu was about to speak, but David said, "It's not that he wants to kill Song Qingping, it's me who wants to kill him."

"David, this is a family affair of our Demon Sect, what does it have to do with you?"

one of them said. .

"It doesn't matter, I just see that Song Qingping is not pleasing to the eye, and I want to kill him, okay?"

David asked with a defiant expression.

"You..."

This time, several of Song Qingping's cronies were left speechless!

"Go and call Song Qingping out, or you will die."

David said coldly.

"David, don't be too..."

One of them just opened his mouth, and saw a terrifying aura suddenly burst out of David's body, and then he smashed it out with a punch!

The terrifying fist wind swept through, and this punch hit the man fiercely, and I saw that the man was blown up!

boom!

The scattered flesh and blood made the entire hall filled with blood!

The reason why David is like this is that he knows that to suppress these people, he can only use thunder to make them afraid, and then it will be easy to deal with!

Sure enough, David's punch instantly shocked everyone!

Even a few of Song Qingping's cronies were so frightened that their expressions changed drastically and they stepped back!

"Go and call Song Qingping, or you will end up dead..."

David said expressionlessly.

A few guys looked at the already smashed corpse of their companion, and they turned around and ran away in fright!

The remaining members of the Demon Sect in the hall did not dare to breathe. They did not expect that David's strength would be so terrifying!

At this time, Song Qingping was desperately venting in the room!

At this moment, the door of the room was suddenly pushed open, and the few of Song Qingping's cronies hurried in!

But when they saw the scene in front of them, they were instantly stunned!

Chapter 1927

They never thought that Song Qingping was in the mood to play with women just after taking over the Demon Spirit Sect!

Seeing this, Song Qingping was instantly furious and shouted: "Get out..."

Several cronies hurried out, and then exclaimed anxiously: "Sect Master, it's not good, Deacon Lu rushed in with David. I've brought a lot of people."

Song Qingping was stunned when he heard this, then jumped off the bed and asked loudly, "Who are you talking about?"

"David, it's that David!"

A close friend said.

"Impossible, then David should have been arrested long ago, how could he come to the Demon Sect?"

Song Qingping knew that David had taken San Gong water, and Ning Zhi went to arrest David, what could he do? may appear here.

"Sect Master, it's really that David, and he just killed one of us."

Another close confidant also said anxiously.

Song Qingping had no choice but to believe it when he heard it. He frowned and said, "It's really strange. Could it be that David didn't take San Gong water at all?"

Thinking of this, Song Qingping suddenly glanced at Zhou Jie, who was lying on the bed. , followed by eyes full of anger!

David's skill did not disappear, and it still appeared here. The only explanation is that Zhou Jie lied to them and did not give David San Gong water.

After glaring at Zhou Jie fiercely, Song Qingping led the people towards the hall quickly!

Song Qingping left, but he forgot to restart the array, Zhou Jie quickly dressed, got up from the bed with difficulty, and walked out of the room!

Soon, Song Qingping came to the hall!

When he saw that it was David, Song Qingping's face became very ugly!

It's just that Song Qingping still maintained the polite and courteous attitude before, and stepped forward to David and said, "Mr. Chen, I don't know what you are doing here at my Demon Sect so late?" At this time, I was still pretending, and I couldn't help but snorted coldly!

"Song Qingping, you Jiayi cooperated with me, and then tricked me into coming here, what is your intention?"

David asked bluntly.

“What are you talking about, Mr. Chen? I really want to cooperate with Mr. Chen, and everything I told Mr. Chen is the truth.”

“Did I tell you Wannian Herb?”

” Land, did I tell you?”

“How can you doubt my sincerity?”

Song Qingping even pretended to be aggrieved and said to David.

David looked at Song Qingping’s acting appearance and raised his mouth slightly: “Song Qingping, what’s going on with this Deacon Lu? I heard that your Demon Spirit Sect is going to merge with Demon Heart Sect.”

“You must know that Demon Heart Sect. Zong Ke is the sect behind the Kyoto Martial Arts Alliance, and you also know that I follow the hatred of the Martial Arts Alliance.”

“My girlfriend is still in the hands of the Demon Heart Sect, and you said you would help me save my girlfriend.”

David He questioned Song Qingping, and Song Qingping didn’t seem to panic about it, but smiled lightly: “Mr. Chen, the matter of Deacon Lu is an internal matter of our Demon Spirit Sect. Although we are in a cooperative relationship, It doesn’t mean that you can interfere in our sect’s affairs.”

“I cooperated with the Demon Heart Sect to help you save your girlfriend as soon as possible, isn’t that bad?”

Song Qingping is still arguing!

David didn't expect that Song Qingping was so shameless, and he wanted to lie to himself at this time!

"Song Qingping, you are a beast with a human face and a beast-like heart. You asked me to poison Mr. Chen and send someone to get the He Shouwu. It's also what you did. Is this also for Mr. Chen?"

At this time, Zhou Jie walked in. After entering the main hall, he leaned on the wall with one hand, and said to Song Qingping angrily.

Chapter 1928

At this time, Zhou Jie was exhausted, his hair was messy, and his face was very ugly.

Hu Mazi glanced at Zhou Jie, and there was a hint of pity in his eyes, even if Zhou Jie put medicine in their tea, Hu Mazi didn't hate her at all.

Seeing Zhou Jie coming out, Song Qingping's face instantly turned cold, and he said with murderous aura, "How dare you betray me, I asked you to give them a lot of power, why didn't you do it and lied to me?"

"She didn't lie?" You, she did put that San Gong water in our tea, but I am immune to all poisons, and that kind of San Gong water has no effect on me."

David said with a cold smile.

Zhou Jie looked at David, then lowered her head in shame, she finally put San Gong water in David's tea, which made Zhou Jie feel ashamed to see David!

“I didn’t expect you to have such a physique.”

Song Qingping had a gloomy face. Now that he has made it clear, Song Qingping can’t keep it up if he knows it!

“There are so many things you don’t know...” As

he spoke, a terrifying aura began to erupt from David’s body!

Seeing this, Song Qingping snorted coldly: “David, you are no match for me at all.”

“And don’t forget that this is the Demon Sect and my territory, so we are demons. You’d better not interfere in Zong’s affairs.”

“I can let you go now, whether you go to save your girlfriend or go to Penglai Island, I can continue to help you.”

“But if you insist on interfering in our Demon Spirit Sect Don’t blame me for being rude.”

Song Qingping faced David without panic.

“I’m not your opponent? Are you narcissistic?”

David said with a cold smile.

“Narcissism?” Song Qingping snorted coldly, and then the terrifying aura erupted from his body, instantly suppressing David’s aura: “This time, do you still think I am narcissistic? Can I be the deputy suzerain? It depends not only on means, but also on strength in the future.”

“Peak of Great Marquis?”

David frowned slightly, he did not expect that Song Qingping’s strength would be so strong, it turned out to be the pinnacle of Great Marquis.

Everyone else looked at Song Qingping in shock, and even Deacon Lu was full of surprise!

Obviously, he has been deceived by Song Qingping for so many years, and no one knows his true strength!

“What? Are you afraid? If you are, then leave obediently. I won’t embarrass you, and I won’t force you to stay with the Gorefiend’s body.”

Song Qingping looked contemptuous as he looked at David’s indifferent expression. said!

David frowned slightly, this Song Qingping negotiated cooperation with him in order to get the body of the Gorefiend!

But at this time, Song Qingping didn’t want the blood demon body, which made David feel a little surprised!

But no matter what, it’s not easy for David to leave!

“You are so crazy, don’t you know that the seven Martial Marquis of the Martial Arts Alliance, and even the Martial Saint Weapon, were all beheaded by me?”

” Arrogant .”

“You should know that Ning Zhi who suddenly appeared, even if he sees me, he can only escape for his life.”

David sneered.

“Don’t compare that idiot to me. If he didn’t have the spirit of Lord Demon Envoy in his body, what would he be?”

“I want everyone to know that even without the blessing of the spirit, I can still break through the Great Marquis. Reaching the level of Martial Saint.”

Song Qingping’s face was full of disdain, and he didn’t even pay attention to Ning Zhi!

The reason why he respects Ning Zhi so much is also because of the spirit of the demon in Ning Zhi’s body!

“If God wants to let him perish, it will definitely make him crazy, I think your death is coming...” As he

said, there was a chill in David’s cold eyes!

Chapter 1929

“Don’t destroy my hall, I’ll be waiting for you outside...”

After that, Song Qingping actually carried his hands on his back and walked out slowly, followed by the few cronies!

“Damn, this guy is too rude, I’ll meet him.”

Seeing Song Qingping’s tugging appearance, Jiang Wei couldn’t bear it any longer.

“Brother Jiang, don’t be angry, I’ll do it.”

David smiled lightly!

At this time, David had the Dragon Slaying Sword in his hand, and he was not afraid even in the face of the peak of the Great Marquis.

Everyone walked out of the hall, and when Hu Mazi walked out of the hall, he couldn’t help but sneak a glance at Zhou Jie!

He really wanted to come forward to comfort Zhou Jie, but he didn’t know how to comfort him!

Coming to the courtyard of the Demon Sect, David stood opposite Song Qingping!

I saw Song Qingping slowly raise his hand, and a powerful breath suddenly burst out!

boom!

With him as the center, a huge force rushed towards David like a tsunami!

The wind swept through, and the entire secret realm was shaking!

The bricks on the ground were all torn apart, and the house was shaking, as if the secret realm was about to collapse!

Feeling this terrifying power, everyone hides away and watches silently!

“The peak of the Marquis of Great Wu is really amazing...”

David felt the explosion-like pressure around him, and couldn't help frowning slightly!

“Haha, David, if you only think that I am the power of the peak of the Great Marquis, then you are very wrong.”

“This is a secret realm, there are laws, and I am the one who made the laws.”

Song Qingping said, from the chaotic space in all directions, invisible forces attacked, like mountains, constantly pressing on David!

The floor tiles under David's feet collapsed directly, and the bones on his body also made a gurgling sound!

At this time, David understood. In this secret realm, Song Qingping was like those masters of the formation. After the formation of the formation, the strength of the people in it will greatly increase, and he can adjust it at any time.

Although this secret realm was not created by Song Qingping, Song Qingping has lived in this secret realm for many years and must know the rules!

David's complexion began to slowly change, and his body trembled slightly.

If he just resisted Song Qingping's power, David was very confident, but this Song Qingping was actually the power of the law in the secret realm, which made David a little overwhelmed.

But soon, David felt that this power was very familiar!

When David crossed the chaotic space, he also needed to grit his teeth to carry this power!

This is the power of the law. This should be that the bigger the secret realm, the stronger the power of the law!

Looking at David's trembling body, Song Qingping couldn't help but sneer: "The outside world really overestimates your strength, I don't know why some people like your body."

"David, I said, I If you don't kill you, don't meddle in the affairs of our Demon Sect, otherwise, as soon as I wave my hand, the huge force will tear you apart."

Song Qingping was still thinking of reconciling with David, just don't have a conflict!

David's physical body is very attractive, Song Qingping has no way to start, even if he fights, he will be afraid.

For fear of reaching David's body, Song Qingping did not want to fight with David!

As long as David leaves, whether he is saving his girlfriend or going to Penglai Island, there are traps waiting for him, so Song Qingping is not in a hurry to deal with David!

“Hmph, I can handle the power of mere laws.”

After David finished speaking, he suddenly shouted, and the Dragon Slaying Sword instantly appeared in his hand!

The Dragon Slaying Sword slashed out, causing a vision of heaven and earth, an extremely ferocious sword energy, and went straight to Song Qingping.

Seeing this, Song Qingping quickly turned sideways, avoiding the sharp sword qi of David’s sword.

Chapter 1930

“You still have the ability to fight back?”

Song Qingping looked at David in surprise.

But at this moment, there was a painful cry from behind Song Qingping!

When Song Qingping turned to look, he found that several of his cronies had already been injured by the sword energy at this moment, and the heaviest one had been cut off by David’s sharp sword energy!

Several cronies looked at Song Qingping in pain. They chose to betray the Demon Spirit Sect and chose to follow Song Qingping, but they didn’t want to end up like this!

Song Qingping himself did not expect that David’s strike just now would actually hurt his cronies behind him!

To know this, he just wouldn’t dodge and stopped that sword qi.

But it's too late now, several of his close friends that he has carefully cultivated are already dying under the sword of David!

You must know that these cronies will be the chess pieces for Song Qingping to control the Demon Spirit Sect. This time Song Qingping controls the Demon Spirit Sect alone, he does not know how many people are sincerely obedient!

Song Qingping turned his head slowly and looked at David with cold eyes!

On the other hand, David smiled faintly, with a golden light emitting from his body, illuminating the entire Demon Sect!

The power of the law is powerful, but unfortunately the secret realm of the Demon Sect is too small, so even if Song Qingping mobilized the power of the law, David could still resist it with his strong body.

You must know that David walked into the chaotic space, and the power in the turbulent flow was carried down by David!

"You don't have to look at me like this, you will be like them soon."

David said lightly.

"David, I really underestimate you. I didn't expect you to be able to resist the power of this law." "It looks like I'm going to have a real fight

with you today."

Killing intent!

This guy has killed David!

Because he felt a threat from David, a threat of death!

“Could it be that you were just joking?” David raised the corner of his mouth: “I’m sorry, I just warmed up, but your lackeys really didn’t live up to their expectations.”

“You...”

Song Qingping almost died of anger. You must know that these cronies of him are all high-level members of the Demon Spirit Sect, but they are all powerful Marquis of Great Wu.

They were injured by David’s sword because they never thought that David’s sword energy would suddenly go towards them!

After all, David was suppressed by the power of the law. Who would have thought that he would still be able to fight back?

The sword that went away was aimed at Song Qingping. Who would have thought that Song Qingping would dodge?

These kinds of coincidences caused several of Song Qingping’s cronies to be directly injured by David’s sword qi!

“David, in this secret realm, under the blessing of the power of this law, I am the master here, and I will let you know the price of arrogance.”

Song Qingping finished speaking, and his body disappeared in a flash. Almost to the extreme!

David frowned, because at this moment, even his eyes could not accurately capture the figure of Song Qingping!

Song Qingping's speed was so fast that David's eyes and brain couldn't keep up!

When David saw this, he could only close his eyes, and his divine sense emanated instantly. Since he couldn't see it, he could only rely on his divine sense to capture Song Qingping's figure!

Soon, David found that Song Qingping was by his side, and immediately punched Song Qingping out!

The golden fist radiated light, and the entire void trembled under this fist!

It's a pity that this punch was still slow. The fist directly rubbed Song Qingping's body, while Song Qingping twisted his body and punched David's left waist heavily.

Bang!

David was hit by a punch, and his body couldn't help but take a few steps back!

And Song Qingping stood still and looked at David with a sneer!
