

A Man Like None Other Chapter 1931 – 1940

Chapter 1931

“Mr. Chen...”

“David...”

When Jiang Wei and Hu Mazi saw this, they hurried forward to surround David!

David waved his hand, indicating that he was fine!

“Mr. Chen, otherwise I will trap this kid with the immortal rope!”

Jiang Wei said to David.

“No, I want to have a good fight with him.”

David rejected Jiang Wei’s proposal, put away the Dragon Slaying Sword, and his breath began to skyrocket!

“Hmph, David, you’re too crazy...”

Seeing that David didn’t even use a weapon, Song Qingping felt humiliated and suddenly kicked out!

The speed of this kick was extremely fast, and it instantly turned into countless afterimages!

The sound of breaking the sky roared, as if countless feet were attacking David!

“Holy Light Fist...”

David roared, and his huge fist suddenly smashed forward!

This punch seems to be slow, but it is approaching the extreme, countless fist shadows appear, exuding golden light in the sky!

Bang bang bang...

It seems that both of them have only made one move, but they burst into flames in an instant, and the surrounding void trembled!

The entire Demon Sect compound began to roar violently, making Hu Mazi and the others have to hurriedly retreat!

David showed his unbreakable golden body, and then resisted the heavy pressure, followed by Song Qingping!

And that Song Qingping is also constantly attacking!

In the blink of an eye, the two were shaking together!

No one can see the figures of the two people clearly, and no one knows how many tricks they have gone through!

Song Qingping relied on the power of the law and the strength of his own Great Marquis Peak, constantly launching attacks!

And David is not afraid of relying on his indestructible golden body and his strong physical body!

For a while, the two of them fought so hard to decide the outcome!

David is getting more and more brave, while Song Qingping is getting more and more frightened. This is still in the secret realm, Song Qingping has mastered the power of the law!

If this is not in the secret realm, in the secular realm, Song Qingping is probably defeated at this time!

Bang bang.....

After two dull noises, David and Song Qingping separated!

The faces of the two of them were a little ugly, and their breathing became rapid!

“It’s so fu**** happy...”

David wiped the sweat from his forehead!

He found that fighting with Song Qingping was more enjoyable than fighting with Ning Zhi. Ning Zhi himself was not strong, he just relied on the soul in his body!

And this Song Qingping’s strength is very solid. It can be seen that although this guy is gentle and weak, he will definitely lose his life when he cultivates.

Seeing David shouting happily, Song Qingping’s face was even uglier than eating shit!

You must know that he is now the strength of the peak of the Great Marquis, and he has also used the power of the law of the secret realm!

As for David, at best, he is a mid-term Great Marquis Marquis, but he can follow him to a tie!

This made Song Qingping very shameless, and the people around the Demon Sect looked at Song Qingping with a bit of a strange look!

Song Qingping knew that today he had to defeat David no matter what, otherwise he would not be able to control the Demon Spirit Sect at all.

“As expected of the real body of a golden dragon, your body is so powerful, but even if you are a real dragon, I will rip off your dragon’s skin and slap your dragon’s tendons...”

After that, Song Qingping’s head began to flash a green light!

Seeing this scene, David was a little stupid, and even the other people looked at Song Qingping in confusion!

“Fuck, what does this kid mean? Are you wearing a cuckold?”

Hu Mazi shouted involuntarily, but when he saw Zhou Jie at the door of the hall, he instantly closed his mouth!

After all, the relationship between Song Qingping and Zhou Jie, David had already told him that the two had already slept!

If Song Qingping is wearing a green hat now, that means Zhou Jie is wearing it for him!

Chapter 1932

When the others heard Hu Mazi’s words, they all covered their mouths and laughed!

Even Deacon Lu, who had been nervous all the time, laughed outright at this moment!

“Are you showing that you are different? With a green hat on your head, you are awesome?”

David sneered at Song Qingping.

At this time, Song Qingping's angry face was deformed, and he gritted his teeth fiercely: "You guys laugh, I will let you know how powerful my

Lingmu Jue is..." After speaking, Song Qingping's head was unexpectedly high. Green shoots began to grow, and then vines appeared, entangling Song Qingping's entire body.

At this time, Song Qingping seemed to be wearing a piece of rattan armor, and his two hands also became like vines, attacking David instantly!

Seeing Song Qingping turn into a ghost and a ghost, David's eyes showed a bit of surprise!

He didn't know whether Song Qingping was a human being or a tree demon.

But just as David was stunned, the two vines had already reached David's eyes, they entangled David in an instant, and directly lifted David up high!

David struggled hard, but the vines were getting tighter and tighter, it seemed to strangle David to death!

"Hahaha, David, don't think I'm that easy to bully."

Song Qingping laughed when he saw David being controlled!

"Are you a human or a demon?"

David was very puzzled, what kind of magic trick did Song Qingping practice to become like this!

“Hmph, I’m a human and a demon, aren’t you afraid?”

Song Qingping snorted coldly.

At this time, Song Qingping has become extremely ugly, and there is no connection with the personable appearance at the beginning!

Zhou Jie at the entrance of the main hall, seeing Song Qingping like this, couldn’t help but start to feel sick when he remembered the days when they rolled sheets together!

She never thought that the person she has always admired and liked turned out to be such a person who was neither a ghost nor a ghost!

“Afraid? I, David, have never known what fear is. Even if you are really a demon, then I am the one who slays demons and eliminates demons.”

After speaking, a golden light suddenly flashed, and the Dragon Slaying Sword suddenly appeared in the Mid-air, followed by a sword cut!

The sharp sword energy instantly slashed towards the vines that bound David!

brush!

The vine was cut off in an instant, and David fell directly to the ground!

Immediately after, he stretched out his hand, took the Dragon Slaying Sword in his hand, and looked at Song Qingping coldly!

Song Qingping looked at the Dragon Slaying Sword in David's hand, and the severed vines were growing at a speed visible to the naked eye!

Song Qingping suddenly shouted and stepped on the ground, and then cracks began to appear on the ground!

Countless vines emerged from the ground, instantly surrounding David.

And every vine erupted with enormous power, slashing towards David's body!

The sound of breaking the sky suddenly sounded, whistling towards David!

The power wielded by each of these vines is enough to break people down!

"Nine Shadows Divine Sword..."

Seeing this, David waved the Dragon Slaying Sword in his hand instantly!

Immediately afterwards, David was seen as a clone, and six identical Davids appeared in an instant, and each of them had a Dragon Slaying Sword in their hands!

The six Davids swung a sword vigorously at the same time!

The dazzling sword energy shot up, and countless sword lights slashed at those vines!

Jianmang and the vine were handed over, and the vine was cut off in an instant, making a loud noise!

Song Qingping looked at the six Davids who suddenly appeared, and was stunned for a while!

He didn't expect David's methods to be so powerful!

At first he thought it was a clone, but each sword beam carried substantial power, and he realized that these six identical Davids were all able to cause substantial damage!

After a round of sword glow, the ground was full of cut off vines, and David's face was a little ugly at the moment, his breath was heavy, and there was sweat on his forehead!

Chapter 1933

Just used the Nine Shadows Divine Sword to transform into five figures, which made David physically exhausted!

After all, the sword light emitted by the five figures is also the strength obtained from David's body!

If it's just an illusion, how could it have attack power!

Song Qingping looked at David in surprise. He used the most powerful move just now, but he didn't want to kill David, and he didn't even control David!

But looking at David's panting appearance, Song Qingping also seemed to understand something, and then the corner of his mouth smiled slightly!

“David, no matter what move you use, it will consume a lot of spiritual power, and I can use the power of the law, this time, you will die!”

Song Qingping knew that David was at the end of the shot!

I saw that Song Qingping’s body took root like a big tree, and the vines went deep into the ground, and the breath of the whole person began to skyrocket!

Several vines began to twist, and then entangled together. The vines were constantly waving in the air, and they were getting faster and faster!

For a time, the entire void was swung rapidly, and a tornado appeared!

The tornado wrapped in endless power, spinning at an accelerating rate, and then heading towards David!

As long as David is involved, his body is strong, and he will be directly ground into flesh!

David’s eyes stared at the huge tornado in front of him. The huge suction force sucked everything around him, and then shredded it!

Hu Mazi and the others were all shocked and retreated into the distance!

But just when Hu Mazi was about to leave, she suddenly found that Zhou Jie, who was at the door, was slowly being sucked in by the tornado because of her lack of energy!

Hu Mazi was startled and jumped up. He didn’t care about his own safety at all. He stepped forward and hugged Zhou Jie, desperately trying to escape the suction of the tornado!

The wind was howling, and Hu Mazi struggled every step of the way, but he clenched his teeth and held Zhou Jie without letting go!

Zhou Jie was in Hu Mazi's arms, quietly looking at the old and ugly man in front of him!

But at this moment, Zhou Jie found that Hu Mazi had changed, he had become more handsome, and he had become a lot more burly!

In fact, this is the status of sesame seeds in Zhou Jie's heart, which is changing!

At this time, David looked at the huge tornado in front of him, and the terrifying atmosphere also made him feel the danger!

David held the Dragon Slaying Sword in both hands, and a divine dragon power entered into the Dragon Slaying Sword!

The Dragon Slaying Sword began to hum.

David shouted, the sword glow on the Dragon Slaying Sword soared, and a golden aura gushed out from the body of the Dragon Slaying Sword!

Soon this breath turned into a giant sword with a length of dozens of meters, hanging in the air like a barrier, blocking David's figure!

The golden light flickered, and the whole night became day!

"Cut..."

David waved vigorously!

That incomparably huge sword beam slashed towards the crazy tornado in an instant!

For a while, the two breaths collided, making a huge explosion!

The tornado was desperately approaching David, and the huge sword light was struggling to block it!

The terrifying aura continued to expand, and the entire secret realm began to twist!

“Stop, stop, if this goes on, the secret realm will collapse...”

Seeing this, Deacon Lu hurriedly shouted!

You must know that this secret realm is also created by using the magic circle. It is not indestructible. If such a huge force collides, the secret realm will collapse!

Hearing Deacon Lu's roar, Song Qingping frowned and lost his mind instantly!

Because he couldn't let the secret realm collapse, wouldn't the Demon Sect he had worked so hard for be useless!

But David didn't care, the collapse of the secret realm had no effect on David!

It is nothing more than the people of the Demon Sect, who can only live in the mundane world in the future, and there will be no danger to their lives!

With Song Qingping's distraction, David's eyes flashed coldly, knowing that the opportunity was coming!

Chapter 1934

David threw the Dragon Slaying Sword in his hand high and threw it out!

After the Dragon Slaying Sword circled in the air, it instantly slashed towards Song Qingping!

Song Qingping was startled, his body quickly retreated, and at the moment when Song Qingping retreated, the tornado was directly smashed by the huge sword glow!

The terrifying power spreads everywhere, and David's body was also blown back by the spreading power!

But then Song Qingping was miserable. The Dragon Slaying Sword had a sword spirit. Song Qingping hurriedly used the vines to trap the Dragon Slaying Sword!

But they were all cut off by the sharp sword glow of the Dragon Slaying Sword!

boom!

The Dragon Slaying Sword and the sword glow instantly slashed!

I saw that Song Qingping's arm was cut off, blood was pouring out, and the breath of the whole body instantly became sluggish.

Song Qingping looked at his severed arm, his eyes full of wonder.

Lingmu Jue disappeared. At this time, Song Qingping returned to his original appearance and half-kneeled to the ground!

“How can this happen, how can this happen...”

Song Qingping murmured to himself!

He is the peak of the Great Marquis, this is the secret realm of the Demon Sect, he can invoke the power of the law, and he uses the Spirit Wood Art!

Why is the result still like this?

Song Qingping looked at David in disbelief, he really couldn't understand why this was!

Why is David's strength in the middle stage of the Great Marquis, able to hurt himself!

The Dragon Slaying Sword returned to David's hands, and then David pointed at Song Qingping with his sword and said, “What skills do you still have, even if you use them, if you don't have them, then go to death...”

” The Dragon Slaying Sword was swung towards Song Qingping!

“Wait a moment.....”

Just when David was about to start, Zhou Jie suddenly stopped David!

David looked at Zhou Jie and said, "Miss Zhou, what do you mean? Are you going to intercede for Song Qingping?"

Zhou Jie shook his head: "I won't intercede for him, I just want to ask him why, why did he cheat I..."

Said, Zhou Jie walked to Song Qingping, looked at Song Qingping with anger in his eyes and asked, "You hurt me, you ruined my life, why? Why did you do this to me?"

Song Qingping lowered his head slightly, not daring to look into Zhou Jie's eyes, and said slowly: "I have no choice, I have been controlled by the Demon Heart Sect, they have given me poison, if I do not obey, they will let me die!"

Song Qingping explained, he wanted to win Zhou Jie's sympathy, and he might still have a life left!

"I don't want to hear this, I don't care if you betray the Demon Spirit Sect, but why are you doing this to me? Am I just a plaything for you, a tool for you to vent?"

Zhou Jie roared, what she said was just Song Song Qingping rudely raped her.

"No, no, I really love you, you are not a plaything, you have to believe me."

Song Qingping shook his head in denial!

"I don't believe it, I don't believe it, you are a beast..."

Zhou Jie cried, reaching out and hitting Song Qingping!

Song Qingping didn't move, and let Zhou Jie beat him. Soon a bright light flashed in Song Qingping's eyes. While everyone was not paying attention, he grabbed Zhou Jie and stuck one hand tightly on Zhou Jie's neck. !

This time, Zhou Jie was stunned, she wanted to break free, but she couldn't break free at all!

“David, get out of the way, you all get out of the way...”

Song Qingping held Zhou Jie hostage and shouted loudly!

He was about to escape, escaped from the secret realm of Demon Spirit Sect, and then went to Demon Heart Sect.

Seeing Zhou Jie being kidnapped, Hu Mazi became nervous!

“Song Qingping, if you fu*** dare to touch her, I'll smash him into ten thousand pieces.”

Hu Mazi yelled at Song Qingping!

But Song Qingping didn't care, and said with a cold smile: “You old slut, I know you like her, and you stare at her big white legs, but you can only look at it, and I was early I'm tired of playing, what right do you have to threaten me here?”

Chapter 1935

Song Qingping's words made Hu Mazi speechless!

Zhou Jie looked ashamed and scolded Song Qingping angrily: “Song Qingping, you bastard, kill me if you have the ability, kill me...”

“Mr. Chen, leave me alone, kill him, kill him. I got him...”

Song Qingping suddenly exerted force on his hand, and Zhou Jie was speechless in an instant!

“David, get out of the way, as long as you let me go, I won’t kill her.”

Song Qingping said to David.

“Whether you kill her or not doesn’t seem to have much to do with me. She’s from the Demon Sect, and we’ve only known each other for a short time, not even ordinary friends. Are you letting go?”

David sneered disdainfully.

Song Qingping was stunned when he heard it, and then he continued to increase his strength: “I tell you, I will really kill him, you think clearly...”

“Kill, you kill her, I will kill. You...”

David walked towards Song Qingping!

However, when David walked towards Song Qingping, he quietly gave Hu Mazi a look!

Hu Mazi understood and quietly came to Song Qingping’s side!

“Stop, you stop for me, and I’ll kill her when you take a step forward...”

Song Qingping started to step back and said loudly to David.

David sneered and didn't stop, which made Song Qingping panic a little!

But at this time, Song Qingping's attention was all on David's body, and he didn't notice that Hu Mazi had reached his side!

Just as Song Qingping continued to step back, a sharp palm wind suddenly came from the side!

I saw Hu Mazi shot at Song Qingping!

Seeing this, Song Qingping instinctively swung out his palm and moved towards Hu Mazi to block Hu Mazi's attack!

Because Song Qingping broke his arm, his palm would definitely release Zhou Jie!

David took the opportunity to grab Zhou Jie and hurriedly pulled it back from Song Qingping!

Bang!

Song Qingping followed Hu Mazi to the palm of his hand!

Although Song Qingping was injured, after all, he was the peak strength of the Marquis of Great Wu, and Hu Mazi was no match at all!

I saw Hu Mazi's body flew out instantly, and a mouthful of blood spurted out!

The flax fell heavily to the ground.

“Master Hu...”

Zhou Jie saw this, his eyes were full of relationships, and he rushed over!

Song Qingping turned around and wanted to run, but the Dragon Slaying Sword in David’s hand shot, and the Dragon Slaying Sword penetrated Song Qingping’s body directly.

Looking at his pierced body, Song Qingping fell to the ground with a thud!

To death, Song Qingping’s eyes have not closed!

On the other side, Zhou Jie hugged Hu Mazi’s head tightly and kept wiping the blood on the corner of Hu Mazi’s mouth.

“Master Hu, wake up, wake up...”

Zhou Jie shouted with concern!

As for Hu Mazi, her eyes were tightly closed, her head was in Zhou Jie’s arms, and a body fragrance penetrated into her nose!

David walked over and just glanced at Hu Mazi with a faint smile on the corner of his mouth!

“Mr. Chen, look at Master Hu, look at him...”

Zhou Jie asked David to look at Hu Mazi and treat him!

On the other hand, she looked at Song Qingping, who was dying, and ran over, grabbed a knife, and chopped at Song Qingping's body!

Blood splattered, and Song Qingping's body was almost chopped into minced meat by Zhou Jie. The scene was horrible.

On the other hand, David put one hand on Hu Mazi's wrist. With a slight force, Hu Mazi opened his eyes, and then winked at David desperately!

After Zhou Jie finished venting, she turned around and came over and asked anxiously, "Mr. Chen, how is Master Hu?"

David looked solemn, and then sighed: "Master Hu is seriously injured, I need Take it back to the hotel for treatment. "

After speaking, David looked at Jiang Wei and said, "Brother Jiang, send someone to carry Master Hu back to the hotel, I want to treat him."

Jiang Wei nodded and immediately ordered the Jiang family's People carried Master Hu away from the secret realm!

Chapter 1936

Zhou Jie was concerned about the safety of Hu Mazi, so he also went with him!

"Mr. Chen, thank you so much."

Deacon Lu stepped forward and said gratefully.

"Don't thank me, I'm doing it for myself too. As for your Demon Sect, you can handle it yourself."

After David finished speaking, he glanced at those Demon Sect people, and then left with Jiang Wei!

How Deacon Lu deals with those who betrayed by the Demon Sect, that is his business, David will not participate, nor will he care!

Back at the hotel, Zhou Jie was carefully wiping the blood from the corners of his mouth on the sesame seeds!

“Miss Zhou, I’m going to treat Master Hu, you should avoid it first!”

David said to Zhou Jie.

Zhou Jie nodded, and then walked out of the room. After leaving the room, David patted Hu Mazi on the shoulder: “Okay, Zhou Jie went out.”

Hu Mazi opened his eyes and said intoxicated: “It’s too similar. , too soft...”

Looking at Hu Mazi’s appearance, David couldn’t help sighing: “I thought you had changed your mind, but you are still the same.”

After swallowing Xiaoyu’s golden pill, Hu Mazi changed. After a lot, David thought that Hu Mazi would change completely!

“What the old way, I really like this girl, not just to sleep with her.”

Hu Mazi said solemnly.

“Then you don’t care that Zhou Jie’s body has been slept in?”

David asked.

Hu Mazi shook his head: "I don't care, I've slept with a lot of people, as long as she doesn't dislike me."

"That's fine, don't worry about it, I'll help you, lie down..."

David asked Hu Ma Lie down and closed your eyes again!

After David adjusted his mood, he walked out of the room, while Zhou Jie was waiting in the corridor. When he saw David coming out, he immediately greeted him.

"Mr. Chen, how is Master Hu?"

Zhou Jie asked.

"Hey!" David sighed, then hesitantly said: "Master Hu's internal organs were impacted, and he was seriously injured. I'm afraid... I'm afraid..."

David looked hesitant to speak, and asked Zhou Jie for a moment. The child is tense!

"Mr. Chen, you have to save Master Hu no matter what. He did this because he saved me. As long as you can save her, I can do anything."

After that, Zhou Jie wanted to kneel down to David . !

David hurriedly grabbed Zhou Jie and said, "Miss Zhou doesn't have to do this, and it's not that Master Hu can't be saved, but you need to pay a little."

“What do I need to pay?” Zhou Jie asked.

“This...this...”

David looked embarrassed, then whispered into Zhou Jie’s ear and said!

After speaking, David’s face was flushed, but Zhou Jie was very calm!

“As long as I can save Master Hu, I’m willing to do anything. I’m already a rotten woman, and there’s nothing I can’t do.”

After speaking, Zhou Jie opened the door and walked into the bedroom!

When David saw Zhou Jie walk into the bedroom, his heart was a little complicated. He didn’t know if it was right to deceive Zhou Jie like this, but seeing Zhou Jie like this, he should also have a good impression of Hu Mazi!

Looking at the time, I found that it was almost dawn, and David went back to his room to rest!

This night made him very tired, but David was lying on the bed, and soon he heard movement from his arm!

It was followed by the shouts of Zhou Jie and Hu Mazi.

This time, David was stunned. The two rooms were next to each other. I didn’t expect that the voice next door could be heard so clearly!

David, who was lying on the bed, closed his eyes, but he couldn't fall asleep. He heard the voices of Zhou Hao and Hu Mazi. It had been more than ten minutes, and he didn't mean to stop!

David abruptly sat up from the bed with a look of unrequited love!

He was simply looking for guilt for himself, and doing this with Hu Mazi, he couldn't sleep.

In the end, David had no choice but to go to Jiang Wei for a chat.

Chapter 1937

Jiang Wei saw David coming, made tea for David, and then the two sat face to face and chatted.

"Brother Jiang, all of your families have suddenly come to this place, is there something important happening?"

David asked Jiang Wei.

"Mr. Chen, didn't you already know that Penglai Island is the place where spiritual energy is revived, so we originally planned to go to Penglai Island. We need to occupy Penglai Island before the spiritual energy is revived, and then we can take the initiative."

Jiang Wei said.

"So many families want to go to Penglai Island, and then there will be a battle. Such a melee will bring disaster to every family."

David said.

"Of course I know these things, but now the major families and sects in the secret realm all want to occupy the place where the spiritual energy is restored, so that they can make adequate preparations before the spiritual energy of the whole world recovers. Our families are the secret realm. He is the spokesperson of the big family, so he can only follow orders."

Jiang Wei understood what David meant, but he couldn't be the master!

“Is there a way to stop the recovery of the spiritual energy? If the spiritual energy really recovers and the sects of the various secret realms leave the secret realm, then this time will be messed up, and all ordinary people will be unlucky.”

David knew that these immortal cultivating families After leaving the secret realm, there will be no one in the entire secular world who can restrain them, so ordinary people will become ants!

At that time, when the major sects and families are fighting for resources, it is the ordinary people who suffer!

All David wants to prevent the recovery of spiritual energy, and let those families in the secret realm stay in the secret realm all the time!

The reason why the secular world has the law of heaven and earth to suppress people in the secret realm is that it is God’s will. After the aura is revived, the whole world is in chaos.

“Mr. Chen, do you want to stop the aura from recovering?”

Jiang Wei was surprised, then shook his head and said: “I don’t know if I can stop it, but this spiritual recovery has been decided thousands of years ago. I’m afraid no one can stop it.”

David frowned slightly . , Regardless of whether he can prevent the recovery of spiritual energy, he will also go to Penglai Island to see it.

Unconsciously, David chatted with Jiang Wei until dawn. When David came out of Jiang Wei’s room and was about to go back to his room, he encountered Zhou Jie walking out of Humazi’s room with a rosy face!

The two looked at each other, and Zhou Jie’s face instantly turned red!

“Mr. Chen, you actually learned to lie...”

After Zhou Jie finished speaking, she turned around and ran away.

Hu Mazi stretched and walked out with a contented face!

After seeing David, he patted David directly on the shoulder and said, “David, thank you so much. If you need me in the future, just talk directly.”

Seeing Hu Mazi’s satisfied look, David smiled lightly: “Now that you are satisfied, you must treat others well in the future.”

“That’s natural, Zhou Jie will be my wife in the future.”

Hu Mazi nodded!

Just when David was about to go to rest, Xu Changsheng arrived with Shennong Ding!

Xu Changsheng is a star and night, for fear of delaying David’s affairs!

Looking at Shennong Ding, David was a little excited. He didn’t know what kind of medicinal herbs he could cultivate in the ten thousand years of Polygonum multiflorum.

After explaining a few words to Xu Changsheng, David asked Hu Mazi to protect the Dharma, and he began to refine the medicine pill!

However, in order to prevent accidents, David also asked Jiang Wei to send someone to guard his room!

He was really afraid that Hu Mazi was on his honeymoon at this time, so he might secretly go to sleep!

After placing the Shennong Ding, David threw the Ten Thousand Years He Shouwu lightly and threw it directly into the Shennong Ding!

Immediately afterwards, David sat cross-legged, and a light blue flame flickered on the palms of both hands. This was the spiritual fire for refining medicinal pills!

David flicked his fingers and realized that he was instantly thrown into the Shennong Ding, and soon the Shennong Ding was ablaze with roaring flames!

Chapter 1938

David closed his eyes slightly, held his breath, and focused all his attention on alchemy!

Under the scorching of the spirit fire, the ten-thousand-year-old Polygonum multiflorum slowly turned into a liquid, and a pleasant fragrance came out from the Shennong Ding!

Time flies...

In the blink of an eye, three days have passed, but at this moment, the inside of the Shennong Ding began to emit a bright and beautiful light!

The light is getting brighter and brighter, and even the entire hotel seems to be wrapped in this bright light!

Feeling the breath from David's room, whether it was Hu Mazi or Jiang Wei, they were all shocked!

And Zheng Anguo from the Zheng family saw the vision of the hotel and hurriedly brought Zheng Kai towards the hotel!

"Dad, what's going on? Why did a vision suddenly appear in the hotel?"

Zheng Kai asked Zheng Anguo on the road.

“This should be the birth of a divine elixir. It must be Mr. Chen who is using the ten thousand years of Polygonum multiflorum to concoct elixir...”

Zheng Anguo said excitedly.

Zheng Anguo followed Zheng Kai to speed up the pace, while in the hotel at this time, Hu Mazi followed Jiang Wei outside David’s room, waiting quietly!

Om.....

Suddenly, the Shennong Ding in David’s room made a buzzing sound, followed by a burst of light!

The colorful rays of light rushed into the sky in an instant. This bizarre sight caused many people to stop and watch, not knowing what happened!

At this time, on a hill not far from Nanhu, Ning Zhi looked at the sudden vision of Nanhu City with a solemn expression on his face!

After escaping from Nanhu, Ning Zhi didn’t leave. He was waiting for the news from Song Qingping. The next step was to go to Penglai Island, because they had already set a trap on Penglai Island!

If David goes to Penglai Island, then this trap will be able to deal with David, and it can also take advantage of the opportunity of aura recovery to revive the Gorefiend!

If David does not go to Penglai Island, then this trap is for other families, and they will not watch other families occupy Penglai Island.

“What the hell is this?”

Ning Zhi looked at the vision with a puzzled look on his face!

“Shen Pill was born, it must be David. I didn’t expect that the Wannian Herb was in his hands, and he would actually be able to practice Shen

Pill...” The magic envoy in Ning Zhi said slowly.

“Divine Pill?” Ning Zhi was at a loss. He didn’t know much about medicinal pills, and he didn’t even know what a divine pill was!

“Sacred pills are heaven-level pills. You must know that the higher the level of pills, the more difficult it is to refine, and the more demanding the pill furnace is.”

“I didn’t expect David to be able to refine pills. The most important thing is how could he have a pill furnace that can refine divine pills.”

“This David has more and more secrets. I hope that this time when the spiritual energy is recovered, this hidden danger can be completely eliminated.”

There was a bit of worry in the magician’s voice!

“Senior, there are experts around David to help, we are afraid it will be difficult to get rid of that David, right?”

At this time, Ning Zhi had a lot of lingering fears in his heart after the battle a few days ago, because every time he fought with David , all ended in failure.

“Are you afraid?” the

magician asked.

“I...”

Ning Zhi didn't know how to answer, but now Ning Zhi's previous ambitions began to waver as he was defeated by David again and again.

“Hmph, didn't you just fail a few times? You're too frightened to be scared. You're still a flame demon. When you've fully developed your physique, you don't have to be afraid.”

“And This time, I have informed Hei Jinpao that they came back and sent someone to help.”

The magician snorted coldly.

Ning Zhi saw that the black gold robe was dispatched, and his eyes suddenly filled with hope. You must know that the black gold robes are all at the level of the Martial Saint. If the black gold robes are dispatched, then David can only be captured obediently.

Chapter 1939

“This Song Qingping, it has been several days, and he has nothing at all!”

Ning Zhi looked at Nanhu City and said very dissatisfied.

They have been waiting for the news of Song Qingping, but for several days, they have not seen any movement from Song Qingping!

The current Ning Zhi and the others still don't know that Song Qingping is already dead at this time!

The entire Demon Sect was also undergoing major rectification, and Deacon Lu began to bloodshed some of Song Qingping's cronies.

boom!

Suddenly, there was a deafening explosion in the air, and colorful rays of light shot out in all directions!

And in the ray of light, an elixir wrapped in golden light all over the body exudes scorching heat like the sun!

This light compares the sun in the sky!

“Could that be the divine pill?”

Ning Zhi looked at the radiant pill in the air in surprise.

Immediately afterwards, a figure rose into the sky, reaching out and grabbing the medicine pill.

Soon, the medicine pill was caught, and the dazzling light disappeared instantly, and the whole air returned to calm!

David opened his hand and looked at the medicinal pill exuding a faint golden light, his heart was extremely excited!

“This... this is Ziyang Pill?”

David was full of excitement and trembled slightly!

He knows that this Ziyang Pill can make him rise from the strength of the middle stage of the Great Marquis to the later stage, and even to the strength of the peak of the Great Marquis!

In fact, when refining this Ziyang Pill, David also took the element of gambling. You must know that there is no 100% success rate in alchemy. The higher the level of the pill, the greater the chance of failure!

If David just absorbs and refines the ten thousand years of Polygonum multiflorum, the increase in strength will not be great, but it can be refined into this Ziyang Pill, which can make the strength increase by leaps and bounds!

But refining Ziyang Pill is also dangerous. If it fails, David will not only get Ziyang Pill, but also lose Ten Thousand Years Polygonum multiflorum, and even the spiritual power of this period will be wasted in vain.

It's just that this time David made the right bet, and there is also the credit of the Shennong Ding, the ancient Shen Ding, that is not a joke.

David slowly fell with Ziyang Pill, Hu Mazi and Jiang Wei had already rushed up!

"David, you... are you a refined elixir?"

Hu Mazi asked excitedly.

David smiled and nodded.

"You kid, you are too bold to actually make a divine pill. If this fails, it will be a waste of ten thousand years of Polygonum multiflorum. You really dare to gamble!"

Hu Mazi said in fear after a while.

"Isn't life just a gamble? No one knows what their future will be like."

David smiled lightly.

“You’re awesome, if it were me, I wouldn’t dare...”

Hu Mazi said with a thumbs up.

At this time, Zheng Anguo and Zheng Kai also arrived. After seeing David, Zheng Anguo’s eyes were full of envy!

“Mr. Chen, congratulations, congratulations, congratulations on your divine elixir.”

Zheng Anguo quickly congratulated!

“Tongxi, Tongxi, I promised to refine the Sanyuan Dan for Patriarch Zheng, I will write a prescription, you can prepare the materials.”

David said lightly.

Now that he has agreed, David will do it, and now that Shennong Ding is here, the refining of Sanyuandan will be easier!

Although the Sanyuan Pill is not a divine pill, it is also an earth-level pill, and it is also very helpful for the improvement of strength!

As soon as Zheng Anguo heard this, he nodded excitedly: “Okay, I’ll go get ready right away!”

David wrote a prescription for Zheng Anguo, and Zheng Anguo mobilized the entire Nanhu non-stop to search for the medicinal materials on the prescription!

It only took half a day to gather the medicinal materials. It can be seen that Zheng Anguo, the city lord, is not in vain.

That night, David used the Shennong Ding to train Zheng Anguo Sanyuan Dan, and David also practiced a few big tonic pills for Hu Mazi by the way!

With a lifeless game like Flaxseed, it is estimated that people will not die by then, and the kidneys will also be dead!

Chapter 1940

After Zheng Anguo got the Sanyuan Pill, he was so grateful to David that he could not wait to offer David as his ancestor!

And the flax seeds were very happy when they got the big tonic pills.

There is still a period of time before Penglai Island's spiritual qi recovery, so David wanted to use this time to cultivate and improve his strength. With the recovery of Penglai Island's spiritual qi, David knew that more and more masters would appear.

It is good to be able to prevent the recovery of spiritual energy. If it cannot be prevented, the order of the entire world will become more and more chaotic. Only David has enough strength to protect the people around him.

"Master Hu, I'm going to use Ziyang Pill to practice, so I still need you to protect the law."

David said to Hu Mazi.

"Don't worry, I promise to guard you, and a mosquito can't fly in..."

Hu Mazi said while patting his chest.

"Mr. Chen, if you are cultivating, why don't you come to my mansion, it's safer there, and I will issue a city closure order, and people will not be allowed to enter or leave."

At this time, Zheng Anguo said.

David thought for a moment, then nodded in agreement.

In the Zheng family mansion, it is indeed much safer than in a hotel!

The group went to Zheng's house. In order to protect David, Jiang Wei also brought people there, and did not rush to Penglai Island!

David sat cross-legged in the secret room that Zheng Anguo had prepared for him, holding the Ziyang Pill in his hand, the spiritual power like the galloping mountains and seas continuously rushed into David's body!

David swallowed the Ziyang Pill with one mouthful!

The terrifying aura swept through David's entire body. At this time, David seemed to be bathed in a sea of spiritual energy, and he could let him soar!

Concentrating on the heart, David's body began to appear small whirlpools, and the thick spiritual energy made David's surroundings full of white mist!

David frowned slightly. Although Ziyang Dan can improve his strength, the crazy impact made David have to work hard to guide and control that power!

David's strength is slowly improving, and his body is starting to become stronger.

Time passes minute by minute, half a month in the blink of an eye!

For the past half month, David remained motionless in the secret room!

“It’s been half a month, Mr. Chen will be fine, right?”

Zheng Anguo asked worriedly.

You must know that Shendan is good, but it also has a great impact on the body. If the body can’t bear it, it is likely to be dangerous.

“It’ll be fine, David’s boy is the real body of a golden dragon, a divine pill, and it won’t destroy his body.”

Hu Mazi was drinking a little wine and was not worried at all!

During this time, Hu Ma Zi was singing every night, and Zhou Jie became more and more charming under the moisturizing of Hu Ma Zi, and her skin became fairer and more attractive!

Seeing Zhou Jie, this flax child couldn’t put it down even more!

“Master Hu, is there really nothing wrong with Mr. Chen?”

Jiang Wei was also a little worried!

After all, it has been half a month, and there is no movement in the secret room, and they can’t even feel David’s breath! “Don’t worry, if I say it’s okay, it’s definitely okay. David’s body is

different from ordinary people. Even if he takes Shendan, I don’t think his realm will improve too much.”

Understand very thoroughly!

Seeing that Hu Mazi was so sure, Zheng Anguo and Jiang Wei didn't say anything anymore!

Another three days have passed, and there is still no movement in the secret room!

But at night, everyone had fallen asleep, and the bright moonlight was suddenly covered by dark clouds!

The entire sky became extremely dark, almost invisible!

Suddenly, a burst of light erupted in the secret room, directly illuminating the entire night sky as bright as day!

Bang rumbling.....

Suddenly there was an explosion, the hard secret room turned into powder in an instant, and David's body, like a meteor, jumped up and ran to the top of the mountain not far away!
