

A Man Like None Other Chapter 1961 – 1970

Chapter 1961

Although the middle-aged man was angry, he didn't dare to say anything. After all, their strength is really weak. In addition, each family has their own thoughts, and no one uses all their strength, so it is impossible for Hong Qianjiu and the others. opponent!

Seeing that no one dared to speak, Hong Qianjiu smiled in satisfaction, and gave David a provocative look.

David just broke the formation, Hong Qianjiu promised David to let him enter with him, but David did not agree!

Now he is going to make David regret it, and let David be blocked outside!

"Mr. Chen, what should we do?"

Jiang Wei asked anxiously.

Now that Hong Qianjiu is blocking the entrance, even they don't even want to enter!

"Wait..."

David spit out a word!

Then he turned his attention to Ning Zhi and the others not far away. Although Ning Zhi and the others had already taken off their black robes and mixed in with the crowd, they were still discovered by David.

Including that Lu Chang, also let David see, standing in the corner, seems to be deliberately avoiding the crowd!

Now these people are the most powerful people that David has seen. Since they are still waiting quietly behind, without the slightest movement, David also chooses to wait!

He wants to see who can't stand his temper first! "Senior, what should we do? Hong Qianjiu blocked the

entrance and prevented others from entering, then our plan to catch them all at once will fail." Ning Zhi asked the magic envoy. "Let's bring people up, and we must not let one family dominate, otherwise the plan will not be implemented easily." said the soul in Ning Zhi's body. What they want is that the major families have their own minds, and then snatch and fight, and finally kill each other, and in the end, they will wipe out all the rest!

In this way, this Penglai Island is the world of their Demon Heart Sect!

But now that Hong Qianjiu is the only family, it will be very difficult to deal with when more families are united!

After Ning Zhi heard this, he walked forward with four black gold robes!

In order to prevent anyone from recognizing him, Ning Zhi deliberately covered his face with a black scarf. He could not let others know that they were from the Kyoto Martial Arts Alliance!

At this time, Hong Qianjiu saw that everyone was honest, so he waved his hand and prepared to lead people into the ruins!

"Wait a minute..."

Ning Zhi stepped forward and called out Hong Qianjiu!

Seeing this, Hong Qianjiu passed him and looked at Ning Zhi: "Who are you, what's the matter?"

“It doesn’t matter who I am, I always want you to monopolize the ruins and not let us in, I’m not convinced...”

Ning Zhi said.

Hong Qianjiu frowned slightly: “You don’t accept it? Didn’t you see the battle just now? If you don’t accept it, what will happen to you, do you know?”

“I know, but I still don’t accept it.”

Ning Zhi provoked He opened his mouth and said, “The ruins are not yours. Why can you enter, but we can’t?”

“Why? With strength...”

Hong Qianjiu narrowed his eyes, and a coldness suddenly erupted from his body. With a great momentum, he punched Ning Zhi with one punch!

But Ning Zhi didn’t fight back or move!

Just after Hong Qianjiu arrived in front of Ning Zhi, a black golden robe behind Ning Zhi suddenly shot!

He kicked Hong Qianjiu with one kick, but Hong Qianjiu didn’t react at all, and was kicked out!

Rumbling...

Hong Qianjiu's body slammed heavily on the mountain, sending the rocks flying across the mountain!

A mouthful of blood spurted out, and Hong Qianjiu felt that his internal organs were about to shatter!

"Wu... Wu Sheng..."

Hong Qianjiu looked at the black gold robe who had just shot in shock, and his face became very ugly!

He didn't expect that there was a Wu Sheng here, and it seemed that Wu Sheng was still a servant!

You must know that a Martial Saint is in a family, and it is a god-like existence. How can it be a person?

Not to mention Martial Saint, if a family has a Martial Saint weapon, it can go sideways!

Hong Qianjiu couldn't understand why, is there still a family of Wu Sheng's current people in the secular world?

Chapter 1962

When the others saw the black gold robe that they had just shot, their faces were all solemn. Originally, everyone was about the same strength, but the sudden appearance of a Martial Saint clearly broke the balance!

At this time, Hong Qianjiu slowly looked at Ning Zhi, and then looked at the four black gold robes behind Ning Zhi, because the other party's aura was all hidden, so he was not sure now, the four people behind Ning Zhi were Not all Martial Saints!

If they are all Martial Saints, then they will accept their fate. There are four Martial Saints, what else is there to do with them!

“Who the hell are you?”

Hong Qianjiu frowned and asked Ning Zhi.

“I’ve said it all, I just see your actions being unfair, why are you the only one allowed to enter the ruins? The ruins are not yours. If you want to enter, we’ll all go in.”

“Do you think I’m right?”

Ning Zhi turned his head and asked the other family members.

“Yes, why do you own it yourself.”

“You have to come in together, or no one will go in.”

“If I annoyed me, I blew up and blew up this hill, and no one would play.”

Everyone echoed . With Ning Zhi, they were originally angry, but the strength of Hong Qianjiu was too strong, so they could only swallow it!

Now someone has stood up, and these people will soon stand in Ning Zhi’s camp!

Hong Qianjiu listened to everyone’s discussion, his face became very ugly, his eyes were full of anger and he looked at Ning Zhi!

If it weren’t for him, they would have already entered the ruins now, and maybe all the treasures inside would have been obtained!

“Don’t think that with the support of the Martial Saint, you can ignore us. With so many of us joining forces, what if there is a Martial Saint behind you?”

Hong Qianjiu said through gritted teeth.

He didn’t believe that the four people behind Ning Zhi would all be Martial Saints, so Martial Saints would be too worthless!

How did Hong Qianjiu know that in the secret realm, Martial Saints are indeed worthless, but people in the secret realm will not easily come to the secular world, so they mistakenly think that there are few Martial Saints, and they are all invincible existences!

“If you are not convinced, I can give you a chance to join forces, but if you lose, you must let everyone enter the ruins.” Ning Zhi said to

Hong Qianjiu.

Ning Zhi’s request made Hong Qianjiu a little confused. He didn’t understand why Ning Zhi always asked everyone to enter the ruins?

This is obviously not normal!

However, at this time, it was not something that Hong Qianjiu could consider carefully.

“Okay, I promise you, I don’t believe that the five of you can still carry so many of us to attack.”

Hong Qianjiu gritted his teeth, and the long sword in his hand began to buzz!

“It’s not five people, it’s four...”

After speaking, Ning Zhi stepped back, and the four black gold robes stood in front of Hong Qianjiu!

With a cold face, Hong Qianjiu looked at the many families in his alliance and said, “Whether we can occupy the ruins depends on this blow. I hope everyone will do their best.”

After speaking, Hong Qianjiu led the crowd . Go directly to the four black gold robes!

More than a dozen weapons, with endless energy, directly enveloped the four black gold robes.

These strengths are combined together, and the power is huge, like a meteorite from outside the sky, smashing at the four black gold robes!

And the faces of the four black gold robes were full of disdain. Facing the combined siege of a dozen people, the four black gold robes had a calm look on their faces. I saw four people raise their hands, and four incomparably overbearing auras spread in all directions. !

Hong Qianjiu and the others didn’t even have time to get close to the four black gold robes, so they instantly knocked that breath away!

More than a dozen people, without even touching the corners of the other party’s clothes, were directly knocked out. You must know that these people are all powerful in the late period of the Great Marquis, and some of them still hold the sacred weapon in their hands!

Chapter 1963

But even so, it is still vulnerable, so it seems that the four black gold robes are all Martial Saint strength, this is no doubt!

The people in Hong Qianjiu who fell to the ground looked at the four black gold robes in front of them in horror.

Four Martial Saints, this kind of strength is no longer what they can deal with!

When the other family members saw this scene, they all stood on Ning Zhi's side and started the team unconsciously.

But they didn't know that Ning Zhi's shot was not to fight for them, to help them, but to want their lives!

"Can we all go in now?"

Ning Zhi looked at Hong Qianjiu and asked with a sneer.

Hong Qianjiu didn't speak, just lowered his head. Facing absolute strength, he could only bow his head!

"Okay, everyone can enter in an orderly manner..."

Seeing this, Ning Zhi shouted directly!

When everyone heard it, they all swarmed into the ruins, you were fighting for me, and there was even a stampede!

Looking at the scene in front of him, a smile appeared on the corner of Ning Zhi's mouth.

"These people are not from ordinary martial arts families, they are magic cultivators..."

Zhou Jie looked at the four black gold robes, and said with a very ugly face.

Although the four black gold robes all changed their clothes, Zhou Jie felt it when they made the move!

After all, Demon Spirit Sect and Demon Heart Sect belong to the same lineage, Zhou Jie can feel the breath of the four black gold robes!

Seeing Zhou Jie say this, Hu Mazi and Ge Fuhai were all surprised!

David said indifferently: "I know, they are the black gold robes of the Kyoto Martial Arts Alliance, and the person covered in black gold is Ning Zhi."

"People from the Martial Arts Alliance?"

Hu Mazi and Ge Fuhai were all surprised . !

They did not expect that the people from the Martial Arts Alliance would come, and there were also four Martial Saints.

"Why do the people from the Martial Arts Alliance help the people of these noble families? Don't they want to take over the ruins and occupy this Penglai Island?"

Hu Mazi looked surprised, he couldn't understand why Ning Zhi did this!

David frowned slightly, and he couldn't understand what medicine Ningzhi's gourd was selling.

“We have to be careful. It seems that the sudden appearance of the ruins this time is more like a conspiracy.”

David reminded everyone!

At this time, Lu Chang’s expression was very solemn, and the appearance of the magic cultivator exceeded his expectations.

“Master, what should we do? Are we going in?”

a subordinate asked Lu Chang.

“Go in, since you’re here, go in and take a look, but don’t reveal your strength easily, just watch from behind.”

After Lu Chang finished speaking, he led the people towards the ruins!

When Lu Chang passed by David, he couldn’t help but glance at David, and David also looked at Lu Chang, and the two looked at each other, but quickly averted their eyes.

After everyone went in, David brought people in as well. Nearly a thousand people entered the ruins, but the ruins didn’t seem crowded at all, which shows that the area of the ruins is huge!

In the empty ruins, except for a stone-like altar in the middle, there is nothing!

In the face of this situation, everyone is stunned!

The ruins protected by such a powerful formation are actually empty, how is this possible?

Many people don't believe it, and they beat the stone wall everywhere, but there is no mechanism at all, and some people keep looking for it on the altar, and they find that it is just some stones!

"Ninth brother, what the hell is going on?"

Zhu Hao asked Hong Qianjiu.

They lost so much energy, and so many people died, when they entered the ruins, it turned out to be empty.

Hong Qianjiu frowned at this moment, and couldn't understand at all.

"Let people look for it carefully. I don't believe this place will be empty. There must be some mechanism."

Hong Qianjiu said.

Soon, Zhu Hao led people to search little by little.

Chapter 1964

On the other side, David looked at the empty ruins with a very solemn expression. He always felt that something was wrong!

Why use such a powerful formation to protect such an empty ruin?

And Ning Zhi, why let everyone enter this ruins?

Suddenly, David's eyes lit up, and he hurriedly said: "Withdraw, get out, let's get out of here."

"Mr. Chen, what's wrong?"

Jiang Wei asked inexplicably.

David did not explain, and Hu Mazi also looked surprised at this time: "It's broken, someone has set up a thunder array here, this is a trap, go away."

But when David and the others were about to turn around and leave the corridor, Suddenly, a terrifying strong wind hit, causing David and the others to hurriedly retreat!

"Hahaha, David, don't think about coming out."

Ning Zhi stood in the corridor and burst out laughing, and then he saw that the corridor was blocked by a boulder!

This sudden movement instantly attracted everyone's attention. Seeing that the corridor was blocked by boulders, many people began to panic!

"What's going on? What's going on here?"

"Why is the entrance blocked, who did it?" "How do

we get out? We won't be buried here, right?"

Many people hurriedly shouted !

At this time, lightning-like currents began to appear in the sky above the entire ruins, and blue rays of light continued to emerge!

Seeing this strange phenomenon, many people looked up to see it!

“Isn’t this a sign of spiritual qi recovery?”

Someone suddenly shouted, thinking that the vision was to revive spiritual qi!

But David knew in his heart that this was the Tianlei Array that Ningzhi and the others set up, and it was estimated that they wanted to kill everyone here!

Boom...

Suddenly, a bolt of lightning struck down and hit the ground instantly, directly smashing the ground!

When everyone saw this scene, they were all shocked. Looking at the dense blue light in the air, they were all shocked!

If this is all hacked, will they still be alive?

Rumbling...

Then there were several thunderbolts, and a few people couldn’t dodge and were directly killed.

Everyone was terrified and rushed towards the entrance desperately, but the entrance of the cave was blocked by boulders, and they couldn't get out at all!

Someone panicked and slapped the boulder, intending to smash the boulder and escape from here!

To know that many of them are the strength of the Great Marquis, it should be very easy to break a boulder.

But I didn't expect that the man slapped it out with a palm, and the boulder didn't move at all!

At this time, the thunder above the head slammed down again, killing many people in an instant!

This time, everyone panicked even more. The boulder couldn't be opened, so they would all die here sooner or later!

"Ninth brother, what should we do?"

Zhu Hao asked in a panic.

"How the hell did I know..."

At this time, Hong Qianjiu also panicked and was trapped here, obviously someone did it on purpose.

"I'll try..."

I saw Qiao Zhiyong, who had never spoken before, walked before the boulder!

Immediately afterwards, Qiao Zhiyong's body exuded the breath of the peak of Dawuhou, which shocked Hong Qianjiu and that Zhu Hao!

None of them thought that Qiao Zhiyong was the peak strength of the Great Marquis. It seemed that he had always hidden his strength!

Qiao Zhiyong's arrogant and domineering breath instantly slammed into the boulder!

Boom.....

I hit the giant stone with my palm, and the entire ruins flew into dust in an instant, but it was a pity that the giant stone remained untouched!

"This..."

Qiao Zhiyong was stunned, looking at the boulder in front of him, his face full of astonishment!

But just under Qiao Zhiyong's palm, a ray of light suddenly appeared on the boulder, and then the pattern of unicorns and beasts appeared on the boulder, as if it was carved.

Qiao Zhiyong looked at the unicorn monster, his brows were slightly wrinkled, and the anger on his body rose. As the peak of the Great Marquis, he couldn't even break a stone!

Chapter 1965

Bang bang bang...

Suddenly, a few palms swiped out, and a burst of flying sand and stone, but the boulder still did not move, not even a trace!

Qiao Zhiyong gasped slightly, cold sweat dripping down his forehead!

“Qiao Zhiyong, what’s the matter with you kid? You actually hide your strength? Do you want to mess with us behind your back?”

Zhu Hao yelled at Qiao Zhiyong, looking like he wanted to do something.

After all, several people are allied, and Qiao Zhiyong hides his strength, obviously he has his own small abacus!

Hong Qianjiu stopped Zhu Hao and reprimanded: “What time is it now, and there are still infighting, let’s work together to break the boulder.”

Although Hong Qianjiu was also very dissatisfied with Qiao Zhiyong at this time, but now he is There is no guarantee, the top priority is to break the boulder!

Just when Hong Qianjiu contacted everyone and wanted to work together to break the boulder, David spoke up.

“Don’t waste your efforts, even if you work together, you won’t be able to break this boulder.”

David said slowly.

Hong Qianjiu and the others all looked at David, then frowned and said, “David, what do you mean? Could it be that you can break this boulder?”

” It won’t move.”

David said.

“You are talking nonsense, if there is a formation on this boulder, how can I not feel it just now, I didn’t feel the existence of the formation in the few palms just now.”

Qiao Zhiyong retorted loudly, he just hit a few palms, but there is no Feel the existence of the formation.

“I think this guy is just talking nonsense. We don’t need to pay attention to him. Together, we can definitely break this stone.”

Zhu Hao gave David a disdainful look, and he didn’t believe what David said.

Hong Qianjiu nodded and could only give it a try, so the three of them, together with those from the sect family, moved towards the boulder in front of them with a palm.

The breath of Marquis Dawu criss-crossed, quickly intertwined, and slammed on the boulder.

With a deafening sound, the whole earth trembled, and with the continuous bombardment of the thunder, the entire ruins became a purgatory on earth!

But even so, the boulder remained motionless, which surprised everyone!

With so many people joining forces, they couldn’t shake the boulder, and they had to set their sights on David again.

“You don’t have to waste your efforts, just wait for death to come...”

Ning Zhi’s voice came in from outside!

Hong Qianjiu almost died of anger when she heard that Ning Zhi's voice, and the people from other noble families also scolded Ning Zhi. Now people finally know why Ning Zhi is so kind and wants everyone to enter the ruins. , this is simply a trap!

Hong Qianjiu looked at David and asked solemnly, "David, you said that the boulder was imprisoned by the formation, can you open it?"

"Of course you can." David smiled lightly.

"If you can, then open it up quickly..."

Hong Qianjiu said anxiously.

At this time, everyone else looked at David expectantly, as long as the boulder was opened, they could escape from here!

"Okay..."

I saw David walking in front of the boulder, golden light flashing on his palm, just like the sun in the dark night!

Everyone watched in shock, wanting to see how David broke the formation and opened the boulder!

I saw David patted the head of the unicorn monster with a palm.

David didn't slap the palm of his hand, but clapped it three times in a row!

But after the three palms, the boulder was also silent, and this moment made many people give up!

“It’s over, it looks like we’re really going to die here.”

“What is this David pretending to be, I really thought he could open the boulder.”

Everyone was very dissatisfied with David, but David himself was not affected in the slightest.

Chapter 1966

After three palms, David bit his middle finger, and then lightly smeared on the eyes of the unicorn monster.

Just after David’s blood dripped into the eyes of the unicorn, a white light suddenly flashed, and the unicorn on the boulder seemed to be alive, and his eyes kept looking around.

With a roar, the unicorn beast jumped directly from the boulder!

Seeing this, everyone was so frightened that they retreated again and again. Where have they seen such a strange beast, and it is still alive!

However, the unicorn strange beast did not attack anyone, but after a circle, a white light flashed across its body and disappeared.

At this time, the unicorn monster carved on the boulder disappeared!

This time, everyone looked at David in shock, they had never seen such a situation before!

You must know that the unicorn is a mythical beast, living such a big life, who has ever seen a mythical beast!

But this mythical beast has come, does it indicate that the spiritual energy will recover soon!

“Chen...Mr. Chen, that unicorn...where did that unicorn go?”

Jiang Wei asked David in shock.

He really wanted to look at the unicorn, and it would be even better if he could sit for a while!

David smiled and was about to explain, but Hu Mazi spoke up.

“That’s not a unicorn, it’s just an illusion. The stone was cast with the formation of a unicorn pressing the stone, so no one could destroy the boulder just now!

” This formation, no one can pick it up, it is just a very common formation to imprison objects, but some people have high vision and short knowledge, and they can’t see it at all!”

Hu Mazi’s words were obviously aimed at Hong Qian. Nine they listened.

Although Hong Qianjiu was very angry, it was not easy for him to have an attack. Because of what Hu Mazi said, he really couldn’t see any formation!

But at this time, the rolling thunder was still pounding, and many people had died, so no one was thinking about it. Seeing that the formation had been broken, Hong Qianjiu shattered the boulder with one palm!

The entrance opened, and everyone rushed out!

Everyone tried their best to run outside, for fear that they would slow down and be struck by the thunder that day!

But just as Hong Qianjiu was leading the people out, he just arrived at the door, and a few strong winds suddenly hit. Fortunately, Hong Qianjiu dodged quickly, but the people behind him were miserable. One was hit directly, and there was no sound in an instant!

Hong Qianjiu looked outside in horror, and found that Ning Zhi was blocking the exit with four black gold robes. As long as anyone dared to go out, they would definitely be massacred!

Four Martial Saints, guarding an exit, even if there are flies all the time, don't even think about flying out!

Hong Qianjiu didn't dare to go out, and desperately pushed his body back!

But the people behind were in a hurry and rushed out desperately!

The people who were in front for a while were pushed out one after another!

As soon as they went out, they were directly beheaded by several black gold robes. In the end, no one dared to move, and those who remained in the hall of the ruins had to avoid the bombardment of the thunder!

"Hahaha, you should just die. Since you are in, it is impossible for you to come out alive."

Ning Zhi laughed wildly outside!

Many people yelled at Ning Zhi, but he didn't care!

"Brother David, what should we do? We can't get out either, so Ning Zhi guarded the entrance of the cave with four black gold robes."

Long Xingxu asked David.

David frowned, looking at the empty ruins, he couldn't think of a way to come!

Now Ning Zhi is standing outside with four black gold robes to wait for work, even if David rushes hard, he will not be able to rush out.

Hong Qianjiu and the others also retreated. The entire corridor was already covered with corpses, and the corridor was blocked by these corpses!

Chapter 1967

"Ah..."

Some people were continuously struck by the thunder and screamed!

"David, don't you know the formation method, can you break the thunder formation this day, otherwise people will continue to die."

Hong Qianjiu said to David.

"What kind of thing are you? If you want Brother David to break the formation, I will break the formation for you. Aren't you guys awesome? Go by yourself!"

Long Xingxu scolded Hong Qianjiu angrily!

The two sides are no longer in the same camp, so Hong Qianjiu still has the face to come over and ask David to take action.

Hong Qianjiu was angered, and his face was pale with anger, but he didn't dare to make a sound!

He could see that they were trapped here, and now it is estimated that only David can go out without them.

Because only David knows the formation technique, as long as the formation eye is found, the thunder formation will be broken!

"Mr. Chen, please help us..."

"Yes, help us..."

At this moment, someone ran over and knelt in front of David!

No one wants to die, and no one wants to die, but looking at the constantly flashing blue light and the thunderbolt falling down at any time, everyone is haunted by the shadow of death!

Soon, people kept kneeling in front of David, and even those families who had formed an alliance with Hong Qianjiu had already fallen to the ground, no matter what alliance or not!

There are four Martial Saints guarding the outside, and the sky thunder array is constantly bombarding. If no one can save them, then they all really die here!

David looked at the people who were kneeling, frowning slightly, and quickly set his eyes on Zhu Hao!

Zhu Hao saw that David looked at himself, his whole body trembled slightly, and he hurriedly lowered his head, not even daring to look at David!

“Let him kneel down and beg me, and I will find a way to help you break the Thunder Formation...”

David pointed at Zhu Hao and said!

Everyone looked at Zhu Hao, and this time Zhu Hao became the focus of everyone!

“David, you want me to kneel down for you, even if I die, I won’t kneel...”

Zhu Hao gritted his teeth and roared!

As the eldest young master of the Zhu family, how could he kneel to others, and he and David still have a grudge, and it is even more impossible for him to kneel to David!

“Zhu Hao, just kneel down, don’t you want to watch us die?”

“That’s right, kneel down, you are not very talented, but your temper is not small, if you didn’t provoke Mr. Chen repeatedly, maybe he would Save us.”

“Kneel down, kneel down quickly...”

Everyone asked Zhu Hao to kneel as you spoke to Zhu Hao!

Zhu Hao’s face at this time is not to mention how ugly, trembling all over: “Shut up the fu**, I won’t kneel when I die...”

Zhu Hao is determined and not expensive, even if he follows everyone as an enemy!

“Kneel down for him...”

At this time, Hong Qianjiu, who was beside him, said slowly!

Zhu Hao was stunned for a moment, his face was very ugly and said: “Ninth brother, you...”

“I asked you to kneel for him, can’t you hear?”

Hong Qianjiu’s face turned cold, and killing intent rose from his body.

As the saying goes, one thing brings one thing down, Zhu Hao, who was originally determined not to kneel, saw Hong Qianjiu get angry, and finally slowly bent his legs and knelt down in front of David!

“David, now that Zhu Hao is kneeling down for you, can you break the thunder array this day?”

Hong Qianjiu asked David.

“No problem, you all stay away from that altar...”

David said lightly.

When David said this, everyone ran to the edge one after another, and then saw how David broke the thunder!

“Master Hu, please help me!”

David said to Hu Mazi.

“David, how do you want to break the formation, this day’s thunder formation is not an ordinary magic formation, it is not so easy to break.”

Hu Mazi reminded David.

“I know, I didn’t plan to break the Tianlei Array at all.”

David smiled lightly!

Chapter 1968

“Don’t plan to break it?” Hu Mazi was shocked: “You don’t plan to break the formation, and you promised those people what to do. Isn’t this to let them all target you?”

If these people all unite and deal with David himself, I am afraid David Ping is also difficult to deal with!

“I don’t plan to break the formation, but we can find a way to lead Tianlei to a place, so as long as we don’t go to that place, no one will be hit by Tianlei again!”

David explained.

Hearing that, Hu Mazi understood instantly, nodded and said, “This is a good idea, but where do you plan to lead the thunder of the day?”

“Have you seen the altar, lead the thunder to there, After all, it is the highest place in the entire ruins.”

David pointed to the altar and said.

“Okay, how are you going to lead?”

Hu Mazi asked.

“Just come with me...”

David took Hu Mazi up to the altar!

I saw David standing in the middle of the altar, and then said to Hu Mazi: “Master Hu, take me as Mou Jie, you use a spell to attract Tianlei...”

“David, you are crazy, you are Are you planning to bombard yourself with thunder?”

Hu Mazi asked in surprise.

“If there is no medium, there is no way to lead the thunder to a place. When the thunder gathers here and bombards me, I am looking for a chance to leave, and the thunder will continue to bombard in one place that day!”

“I have already I have seen it, although the thunder of the Thunder Array is powerful, it is far worse than the thunder calamity when I broke through, and it will not hurt me at all.”

David said confidently.

“David, think about it, this is not a joke.”

Hu Mazi reminded again.

“Don’t worry, you can start...”

After David finished speaking, he took out the Dragon Slaying Sword and raised it high above his head, which would be more attractive to thunder.

Seeing this, Hu Mazi could only take out a few spells, chanting words in his mouth, and suddenly threw the spells into the air!

Several spells began to spin in the air, and the flashing blue lightnings around them, as if attracted by something, began to converge towards the top of David’s head!

Everyone was surprised to see the scene in front of them, and they all grew their mouths! “Then what is David going to do? Is he going to endure the lightning

strike that day?”

“Isn’t David crazy?

“

Qianjiu looked at David with a solemn expression?

“Master, this guy is trying to provoke the thunderbolt, is he crazy?”

a follower beside Lu Chang asked in a low voice.

Lu Chang narrowed his eyes and said slowly, "I don't think he's crazy. This guy's body is very strong. I guess he has the confidence to withstand the thunderbolt that day!"

Lu Chang has been hiding his strength, standing in the middle of the crowd. In the middle, until the last moment, he didn't want to expose himself!

"Dad, this David is crazy, what is he doing? Isn't this courting death?"

Seeing that David was going to provoke Tianlei to bombard him, Ge Jiayi immediately disagreed and wanted to rush up to pull David down !

She can't let David have any accident. If David has an accident, she doesn't know how to live!

"Don't move, Mr. Chen must have his own plans and nothing will happen."

Ge Fuhai said, pulling Ge Jiayi forward.

"Jiayi, don't worry, Mr. Chen will be fine."

Jiang Wei is also full of confidence in David at this time!

Boom...

At this time, Tianlei has been led to the top of David's head, and countless blue lightnings are constantly shuttled!

Ka...

Suddenly, a thunderbolt struck down, and I saw that David's body began to emit blue light, and the whole person was directly hit!

David gritted his teeth, holding on to the power of that day's thunder.

Chapter 1969

After a thunderbolt, David didn't move at all, still holding the Dragon Slaying Sword in his hand!

Seeing this scene, many people were shocked. You must know that the power of thunder in this day is extremely terrifying. Many people were hit, and they were seriously injured if they didn't die!

But David was actually hacked, nothing happened, this body is too strong!

Rumbling.....

After only a short dozen seconds, another thunder struck down!

This time, the power of Tianlei is stronger and stronger, and David only feels that his internal organs are rolling!

"David, it's almost there, get out of the way..."

Hu Mazi shouted at David!

David has endured two thunderstorms. If he stays, he will be injured!

You must know that the power of Tianlei is stronger than ever.

However, David didn't move. He planned to find an opportunity to leave after suffering the power of a thunderbolt.

Boom.....

The third thunderstorm came down!

This time, the power of Tianlei was stronger than the previous two combined. David only felt that his legs were bent, and he almost couldn't stand!

But just when David felt a little unbearable, he suddenly felt a strange aura emanating from the altar under his feet!

This kind of breath is very strange. It follows David's feet and slowly enters David's body, making David feel relaxed in an instant!

David was shocked and looked down at the altar under his feet. It was just a pile of broken stones, and there was no magic circle on the stones.

But where did that breath come from?

Just when David was at a loss, and some did not understand, Hu Mazi suddenly jumped up and directly pushed David off the altar!

Just as Hu Mazi pushed David off the altar, a thunderstorm struck down again, but this time it hit directly on the altar, sending the stones flying all over the place!

"David, you are stupid, why don't you move, if you are hit again this time, you will definitely be injured."

Hu Mazi reprimanded David!

Seeing this, Ge Jiayi hurried over, hugged David tightly, and said worriedly, “David, are you okay? Are you okay?”

At this time, David was still thinking about the breath just now. Where it came from, motionless, not even blinking an eye!

Seeing this, Ge Jiayi hurriedly asked Hu Mazi, “Master Hu, what happened to David? Wouldn’t he be stunned by Tianlei?”

Hu Mazi waved his hand in front of David, but David still Do not move!

“I...I don’t know either, I shouldn’t have been fooled.”

Seeing David like this, Hu Mazi lost his mind for a while!

Ge Jiayi hugged David and cried.

At this time, Hong Qianjiu and the others also gathered around, and Zhu Hao was driving above his head, and there were still blue lightning flashes, and he quickly shouted angrily: “David, you liar, you even asked me to kneel, this day the thunder array Didn’t you break it?”

Zhu Hao shouted, David didn’t seem to hear it, and Hu Mazi glared angrily at Zhu Hao: “Shut up your fu**ing stinky mouth, now that day Lei If you are led to one place by David, there will be no thunder in other places!”

“He risked his life to lure away the thunder, what the hell are you calling?”

Hu Mazi’s scolding made Zhu Haoyi Don’t speak!

Everyone did see that the thunder was only bombarding on the altar that day, and other places became safe!

“The Thunder Array is no longer a threat, but how do we get out of here?”

Seeing that the Tianlei Array was no longer a threat, Hong Qianjiu began to think about how to leave!

Ning Zhi was guarding outside with four Martial Saints, and they couldn't rush out anyway.

“I know, I know...”

Suddenly, David muttered to himself: “There must be secrets under the altar, there must be...”

After saying that, David rushed towards the altar... ..

Chapter 1970

But when David rushed to the altar, there was a sudden loud noise, and a thunderbolt fell!

A huge force instantly sent David flying out.

This thunderbolt seems to be stronger than the previous one, and many people around can't bear the scattered power, and they all retreated!

When David steadied his body, he was surprised to find that the altar in front of him began to collapse little by little!

The stone cracked, revealing a dark, miniature version of the altar inside!

Everyone looked at it in surprise, no one could see what material this altar was made of!

Buzz...

Suddenly, the altar started to make a buzzing sound!

Everyone just felt dizzy for a while, and quickly blocked their ears!

And in this sound, the Tianlei Array collapsed and disappeared in an instant!

After the sound, a ray of light shot out from the altar, and the light instantly penetrated the entire hill!

Ning Zhi and others, who were guarding outside, suddenly saw a beam of light blazing out of the ruins toward the sky!

In mid-air, the light suddenly spread, and then the entire Penglai Island was enveloped by the light!

“What’s going on?”

Ning Zhi looked surprised!

“Isn’t there really a treasure in this ruin?”

said a black gold robe.

Just as he was talking, with the light covering the entire Penglai Island, the sky was like fog, and the vast fog began to cover Penglai Island!

“Resurrection of spiritual energy, these are spiritual energy...”

The magic envoy in Ning Zhi’s body instantly felt the continuous spread of a large amount of spiritual energy around him!

“This is the revival of spiritual energy. There must be treasures in the ruins that we don’t know about, rush in...” The

demon roared.

Ning Zhi also felt the changes around him, brought four black gold robes, and rushed directly into the ruins!

At the same time, David and the others in the ruins also felt the sudden changes around them!

“Sir, the spiritual energy is revived, the spiritual energy is revived. It seems that the altar is the key to start the spiritual energy recovery.”

A servant next to Lu Chang said excitedly.

“If this thing is obtained by our Lu family, wouldn’t we be able to create a place for spiritual energy recovery?”

Another servant said excitedly!

At this time, Lu Chang also trembled slightly because of his excitement.

The recovery of spiritual energy means that they can break away from the shackles of the secret realm, break away from the repression of the laws of heaven and earth, and walk freely in the secret realm and the mundane world.

“Prepare to start...”

Lu Chang said softly.

Several subordinates nodded, and they were immediately ready to fight!

After David looked at the altar, he understood that Penglai Island’s spiritual qi recovery was because of the altar in front of him. As long as the altar was broken, he could control the spiritual qi recovery.

“Master Hu, Brother Jiang, get ready to do it...”

David also whispered to Hu Mazi and the others.

At the same time, Hong Qianjiu looked at the dark, but small altar in front of him, and there was light in his eyes!

“Ninth Brother...”

Zhu Hao shouted to Hong Qianjiu excitedly!

“Tell everyone, get ready to do it...”

Hong Qianjiu also ordered excitedly!

Seeing that all forces in the secret realm are about to explode!

But at this time, Ning Zhi and four black gold robes had already killed him!

These people are like wolves entering the flock, and no one can stop them, and they immediately cut a bloody road to the front!

Ning Zhi looked at the radiant, dark altar with excitement in his eyes!

Hong Qianjiu's face became very ugly when he saw that Ning Zhi brought four black gold robes in and killed him!

David also frowned.

David would have some confidence if he only dealt with Hong Qianjiu and the others, but now Ning Zhi rushed in with four black gold robes, he was trying to destroy the altar, it was almost impossible!
