

## A Man Like None Other Chapter 1981 – 1990

### Chapter 1981

“It’s just that the soul is incomplete, it’s all right now.”

Gorefiend said lightly.

Ge Yuhan got up and looked at David and the others blankly. Although she had some impressions of David at this moment, she didn’t seem to know anything!

Seeing this, Ge Fuhai and Ge Jiayi hurriedly took Ge Yuhan away. Ge Yuhan still remembered Ge Fuhai, after all, they were the Ge family!

“How’s it going, young man? Have you thought about it, do you want me to teach you your mind, teach you martial arts, or do you want some magical weapon?”

Gorefiend asked David.

But who knows, David shook his head.

When it comes to cultivation techniques, his Concentrating Heart Art is a superior immortal art art, and when it comes to divine weapons, the Dragon Slaying Sword in his hand is also a superior spirit sword!

Seeing David shaking his head, the Gorefiend frowned slightly: “What do you want?”

“None of us want it. I just want to know who my father is. Can you help me?”

David looked at the Gorefiend and asked .

“That’s not easy, you force out a drop of blood essence!” The

Gorefiend said casually.

Seeing this, David frowned, and from the center of his eyebrows, a drop of blood essence slowly seeped out, and finally floated in the air!

Gorefiend stretched out a finger, and then lightly touched the drop of blood essence!

That drop of blood was instantly sucked into the Gorefiend’s body!

Immediately afterwards, David saw the Gorefiend’s face change wildly, from surprise, to shock, and finally to fear...

At this time, even the Gorefiend’s breathing became a lot faster!

This time, David was a little overwhelmed. He didn’t understand how the Gorefiend had such an expression.

After a while, the Gorefiend let out a long sigh of relief!

The forehead was already covered with cold sweat!

“Senior Gorefiend, do you know who my father is?”

David hurriedly asked.

The Gorefiend nodded, which made David very happy. He had long wanted to know who his father was and what his identity was. Why do many people call him the son of a dragon?

Is his father really a dragon?

But while David was waiting for the Gorefiend to answer him, the Gorefiend slowly said, "I think I know why the old demon passed on your Holy Light Fist, and this old guy must have seen something.

"I know who your father is, but I can't say it, but I can tell you one thing, your father is someone I can't even look up to..."

When David heard this, he was stunned, because in his eyes, this Gorefiend was just like Like a fairy, the ability of the Gorefiend, just wave his hand, the whole world is afraid to disappear!

And his father, turned out to be a figure that the Gorefiend can't even look up to?

Who is your own father?

Just when David was thinking, Gorefiend suddenly frowned, his face was very ugly, and his expression became hideous!

"Senior Gorefiend, what's wrong with you?"

David hurriedly asked.

"The power of the law of heaven and earth is too perverted, and I can't breathe when it is suppressed."

Gorefiend said with a frown.

Now that the altar has been destroyed, and the recovery of spiritual energy has disappeared, the stronger a person like Gorefiend is, the more he will be suppressed by the laws of heaven and earth.

“I also practice immortal law, why can’t I feel the power of the law of heaven and earth?”

David is very strange, why is he also a cultivator, but he can’t feel the suppression of the power of the law of heaven and earth?

“What are you kidding, your bloodline, the law of heaven and earth is a piece of shit, it dares...” The

Gorefiend seemed to feel that he was about to leak his mouth, hurriedly braked, and said quickly: “I’m leaving here, if we are destined, I hope to see you in the Heaven and Human Realm...” After

speaking, the Gorefiend grabbed a hand towards the void, and even tore the space apart, revealing a black hole.

“You can go with me, you can’t survive here, I’ll help you restore your body if you have a chance.”

Gorefiend said, taking the soul of the Holy Maiden of Guanghan Palace and jumping directly into the black hole!

“Hey...Senior Gorefiend, what is the Heaven and Human Realm?”

David wanted to ask, what is the Heaven and Human Realm, and where is the Heaven and Human Realm, but the Gorefiend has long since disappeared, and the black hole has disappeared.

## Chapter 1982

The Gorefiend was gone, and the scene fell into a dead silence!

Everyone saw the power they had never seen before!

What Great Marquis, what Martial Saint, in the face of absolute power, is simply an ant!

“Mr. Chen...”

Jiang Wei stepped forward at this time and wanted to ask David what to do next!

The altar was destroyed, and the recovery of spiritual energy stopped. I don't know where the next spiritual energy recovery will be, and I don't know when it will appear!

“Let's go...”

Now that the aura recovery has stopped, there is no need for David to stay on Penglai Island!

Davidren turned and left, Hong Qianjiu and the others stared at David in a daze, no one spoke or stopped, especially that Zhu Hao, who was looking at David at the moment, except for fear, there was no more arrogance. color!

Only Lu Chang looked at David with a bit of heat and fighting intent in his eyes!

He really wanted to compare with David, but he was in the mundane world and couldn't exert his full strength, so he could only hope that David had the opportunity to go to the secret realm!

David, who had already left, suddenly stopped, he seemed to sense Lu Chang's eyes, and turned to look at Lu Chang: "Are you from the secret realm of Thunder Gate?"

Lu Chang nodded, knowing that David knew the secret realm, He is not surprised at all, because the people who come here are the spokespersons of the major secret realm families!

"If there is a chance, I will definitely go to your secret realm for a walk..."

After that, David turned around and left without saying anything!

Zixiao Mansion is in the secret realm of Thunder Gate. If David wants to rescue his mother, he must find a way to go!

But now his top priority is to find the secret realm where Sonya is imprisoned!

Fortunately, Zhou Jie was with him, looking for the secret realm of the Demon Heart Sect and opening the secret realm, all by Zhou Jie!

After all, the Demon Spirit Sect and the Demon Heart Sect are in the same line, even if the method of opening the secret realm is the same.

Leaving Penglai Island, David and the others went straight to Kyoto!

After being away for so long, David knew that the women in the family should have missed him long ago!

.....

Kyoto, the secret realm of Demon Heart Sect!

Da Neng looked at the magic envoy who had already become a pool of mud, and his face was very ugly!

Ning Zhi and four black gold robes knelt on the ground, feeling the mighty majesty, no one dared to look up!

“You said that the blood demon resurrected and beat him like this?”

Da Neng asked coldly.

“It wasn’t a fight, it was just a glance...”

Ning Zhi answered truthfully.

At that time, it was indeed the Gorefiend who just glared at the demon envoy, and he became like this!

Danny is not talking, but he can hear his heavy breathing, obviously a little nervous!

One glance, and let his demon envoys become like this!

Needless to say about that terrifying power?

Even if he came forward in person, he probably wouldn’t be able to hold the opponent’s slap!

“Why does the Gorefiend want to help the guy David...”

Dang Meng couldn't understand what the Gorefiend was thinking.

"Almighty, the Gorefiend said that we are not worthy of being a demon, and also killed the souls of the four black-gold robes..."

Ning Zhi said hurriedly.

"What?" Da Neng was stunned for a moment, then he waved his hand gently, and a breath wrapped the four black gold robes!

"Sure enough!"

Da Neng frowned, he felt the crisis for the first time!

If a big devil like Gorefiend wants to help David, then they don't have to think about touching David a hair!

Suddenly, Da Neng waved his hands, and five spirit spirits appeared instantly, and then five spirit spirits were possessed within Ning Zhi and the others!

"I've summoned five souls for you again. Don't worry about David during this time. You can practice with your own souls, and let the magicians heal their wounds well..."

Da Neng said coldly.

"As ordered..." Ning Zhi and the others nodded!

“By the way, what happened to the girl?”

Danny asked.

“Then Sonya is locked in a dungeon in a secret realm, it’s very safe.”

Ning Zhi replied.

“Okay, back off...”

Danny waved his hand.

After Ning Zhi and the others left, Da Neng’s body slowly disappeared!

### **Chapter 1983**

Kyoto, Red Lotus Palace.

Ji Ruxue, Gu Linger, Wu Meier, Xiaolan...

All the girls were happily waiting at the gate of the Red Lotus Palace when they knew that David was going back to Kyoto!

Because they knew that when David came back, he would definitely come to the Red Lotus Palace to see them!

Ever since David found a place around Kyoto for Ji Ruxue and moved the Red Lotus Palace, Gu Linger and the other girls have been living in the Red Lotus Palace!

After all, the red lotus palace is all girls, so it is more convenient to live, and you can chat every day and so on.

While many girls were waiting, David and the others got off the plane, and just after walking out of the airport, David was stopped by two uniformed law enforcement officers!

“Mr. Chen, Mr. Shi wants to see you, please come with us!” The

two team members said politely to David.

David frowned slightly, he just came back, he wanted to see Gu Linger and the others, but now Mr. Shi sent someone to stop him directly at the airport!

But because it was Mr. Shi looking for it, David couldn't refuse, so he could only let Hu Mazi and the others go back first!

David followed the two team members into the car, and then asked a little strangely: “Where is Captain Xing?”

Because when Mr. Shi wanted to see David, Xing Jun himself came forward.

But this time only two team members were sent, which made David a little strange!

David's words made the two team members look sad, but no one said anything!

But looking at the faces of the two team members, David had a bad feeling in his heart!

After the car arrived at the Law Enforcement Pavilion, David got out of the car, and the pavilion master of the Law Enforcement Pavilion, Zao Wou-Ki, was waiting at the door!

Seeing David arriving, he quickly greeted him and said, "Mr. Chen..."

"Pavilion Master Zhao, is something wrong with Captain Xing?"

David asked Zhao Wuji.

Zao Wou-Ki looked around, then nodded: "Mr. Shi is also angry about this, Captain Xing was beaten up, and his life and death are still unknown..."

David frowned instantly when he heard this: "Who did it? What?"

David couldn't understand, there are still people who dare to attack the law enforcement team, you must know that the law enforcement team is personally led by Mr. Shi, who dares to provoke Mr. Shi?

"You better let Mr. Shi talk to you, he is waiting for you inside!"

Zao Wou-Ki brought David to the front of the room, and then left!

There are some things that he, the pavilion master of the Dharma Protector, can't know.

David walked into the room and saw Mr. Shi smoking, his face was very ugly!

"Sit down..."

Mr. Shi said lightly when he saw David's arrival.

David sat respectfully in front of Mr. Shi. David himself didn't know what was going on. He always had a nervous feeling in front of Mr. Shi.

"Mr. Shi, Captain Xing he..."

David didn't know how to ask.

"He can't die..." Mr. Shi took a deep breath of the cigarette, and then stomped the cigarette butt under his feet: "Do you know how Captain Xing was injured?"

David shook his head.

"He was injured by Kazuo Kawaguchi, and the Watanabe family has now openly confronted us for revenge."

Mr. Shi said!

When David heard this, his face instantly flashed with incomparable anger!

The Watanabe family never gave up their pursuit of him, but Mr. Shi stopped him, so the Watanabe family wanted to assassinate David, but they couldn't even cross the border!

But this time, Kazuo Kawaguchi dared to hurt Xing Jun, which proves that his face has been torn apart!

Not secretly, but openly coming to chase and kill David!

“These guys, damn it...”

David gritted his teeth, the anger on his body was burning, and his breath kept rising!

Mr. Shi felt David’s breath, and was slightly surprised: “Eighth-rank Dawuhou?”

David nodded, and then told Mr. Shi about the acquisition of Wannian He Shouwu in Nanhu!

#### **Chapter 1984**

After listening to Mr. Shi, he couldn’t help sighing: “One thousand-year-old Polygonum multiflorum has allowed you to be promoted to the eighth-rank Great Marquis. I really don’t know how you should cultivate in the future. I’m afraid that if all the resources are given to you, it will be difficult to break through. Wu Sheng!”

“It seems that you should go to the secret realm, so that you can improve your strength.”

David was slightly taken aback: “Mr. Shi also knows the secret realm?”

Seeing David’s expression, Mr. Shi suddenly smiled: “I know, far more than what you have seen...”

“Does Mr. Shi know where the secret realms around the capital are?”

David asked hurriedly, because Sonya was locked in the secret realm, so David asked. Ping wants to find the secret realm of Demon Heart Sect and rescue Sonya!

“There are so many secret realms, there are hundreds of them around Kyoto alone, how could I know where they are.”

Mr. Shi replied.

When David heard it, he was very surprised when he arrived: “Mr. Shi, aren’t there eight great secret realms, and some small secret realms? There are so many secret realms around Kyoto alone?”

David never dared to think, how could so many suddenly appear ‘s secret realm!

“What you know is only some relatively large secret realms, and there are still people living in them. Some secret realms are already unowned secret realms. If the people in the secret realms have died, they have become unowned secret realms!

” Resources exist, so many unowned secret realms have also become a place of contention for some big families, but these secret realms are difficult to find.”

Mr. Shi explained.

“The Unowned Secret Realm? Whoever found it, then it belongs to whoever owns it?”

David asked with fiery eyes.

If this is the case, then David will find an unowned secret realm, and he can move the Dragon Gate and even the Red Lotus Palace into it, and there will be his own world!

And David has become the real ruler of this world!

It's just that David is enjoying it beautifully, but Mr. Shi throws a pot of cold water!

“Theoretically, who finds it belongs to who, but it is very difficult to find the unowned secret realm. After all, no one has come in and out for many years, and there is no trace of it at all. I think the probability of finding the unowned secret realm is only one in a thousand! “

And even if you discover the unowned secret realm and become the master of the secret realm, can you keep the secret realm? If you are found out by other big families, you will be driven away.”

“When you are incapable, even if I'll give you a secret realm, but you can't keep it!”

Mr. Shi said.

After hearing this, David fell into contemplation. It is no wonder that the Demon Sect rarely sends people in and out of the secret realm of the sect.

This is to protect oneself and avoid being discovered where the secret realm enters and exits.

If the families of the Eight Great Secret Realms knew where the Demon Sect's Secret Realm was, it would probably be on their doorstep!

The secret realm is the site, and those noble families and sects, which one doesn't want to have more sites!

However, David's desire for the secret realm at this time is already extremely strong. If he is in the secret realm, David can practice normally!

And you don't have to worry about the dangers of the people around you. After all, in the secret realm, there is almost no threat from the secular world!

At this time, David still didn't know that with a map of 90,000 miles of mountains and rivers, he could roam the Eight Mysteries at will, and even find a fart unowned Mystery!

"Mr. Shi, let's talk about the secret realm later, this time Captain Xing was injured by those guys in the island country, what are you going to do?"

David asked.

"What else can I do? Of course I killed..."

"I just let Kazuo Kawaguchi run away, but he will definitely come to you, so I remind you to be careful, and this kid is already at the peak of the strength of the Great Marquis. We will soon break through the Martial Saint."

Mr. Shi told David.

David nodded: "Okay, I will pay attention. In addition, I will inform Elder Xu of Yaosheng to come and treat Captain Xing in person, so that Captain Xing will not lose his strength and become disabled."

"Okay, this is also true. I came to you, the second thing I want to say, you can do it right away!"

Mr. Shi waved his hand!

## **Chapter 1985**

David got up and walked out of the Law Enforcement Pavilion, and then notified Xu Changsheng to bring the best medicinal herbs from Yaoshen Valley to the Law Enforcement Pavilion to treat Xing Jun.

When David returned to the Red Lotus Palace, he found that there was no one to greet him at the door!

Walking into the Red Lotus Palace, David always felt that the atmosphere was weird. The disciples of the Red Lotus Palace looked at David and laughed secretly!

“Xiaomi, where are your sisters and the others?”

David asked after seeing Xiaomin!

“I don’t know, my sisters said they were going to pick you up at the airport, didn’t you see it?”

Xiaomin said.

“Go pick me up? Didn’t you see it?”

After David finished speaking, he turned around and was about to leave. He was going to see what was going on!

But just as David turned around, he found that the door of the Red Lotus Palace was closed.

Immediately after Gu Linger, Ji Ruxue and the others rushed out!

“We waited for you for a long time, what did you do?”

A group of girls surrounded David and asked loudly!

This made David bewildered, saying that peony flowers are also romantic.

However, facing these beautiful beauties, Davidping just wanted to escape quickly!

It's hard to explain clearly, these girls let him go!

Just as David was fighting with Gu Linger and the others, in the outskirts of Kyoto, a middle-aged man wearing gray cloth and a hat was rushing towards the city of Kyoto!

This person is dirty, and many people hide far away when they see it, and it looks like they have escaped from somewhere!

Although the man's clothes were dirty, there was an embarrassing cold glow in the man's eyes!

This person is the one who escaped the catastrophe???? Kawaguchi Kazuo!

After David destroyed the island's secret stronghold in Daxia, Kazuo Kawaguchi was severely criticized when he returned home!

And let him bring the people of the Watanabe family back to Daxia to kill David completely!

It's just that as soon as they reached the border, they were intercepted by Xing Jun!

In the past, when they saw this, they would run away and find another time. After all, they didn't want to conflict with the official!

But who knew that a member of the Watanabe family followed the law enforcement team and even killed a law enforcement team member!

This time, the war broke out. Because of the low strength of the law enforcement team, all were killed, and Xing Jun was also seriously injured!

Mr. Shi was furious and ordered people to destroy these people!

In the end, all the members of the Watanabe family brought by Kazuo Kawaguchi died, and only Kazuo Kawaguchi escaped!

But he didn't dare to go back to China. Now he has to kill David, so he won't be punished when he returns to China!

"David, it's you who made me fall into such a field, I'm going to smash your corpse into ten thousand pieces..."

Looking at the Kyoto in front of him, Kazuo Kawaguchi's eyes were full of anger!

When night falls, the nightlife in Kyoto begins, surrounded by neon lights, many people wearing gorgeous clothes and walking on the spacious streets!

Not far from the Dragon Gate, Kazuo Kawaguchi was sitting in the corner wearing ragged clothes, staring at the gate of the Dragon Gate!

Soon, a member of Longmen came out and walked into an alley!

Seeing this, Kazuo Kawaguchi followed like a ghost!

Then there was a scream from the alley, and Kazuo Kawaguchi walked out, frowning slightly and said, "Then David is not in the Dragon Gate?"

"

Now David is surrounded by a group of girls, his face is covered with notes, and a group of people are playing cards!

"David, don't be rude, take your card back quickly..."

Xiaolan yelled at David!

The other girls also talked about David. Anyway, it was just one person who said it, and a group of people helped to besiege him.

David himself is weak!

At this moment, David's cell phone rang, and it was Long Xingxu's call.

As soon as the call was connected, Long Xingxu's anxious voice came: "Brother David, something happened, one of our Longmen members was killed..."

"What?" David stood up suddenly!

When a group of girls saw David's expression was wrong, no one dared to speak.

**Chapter 1986**

“Brother David, one of our members went out and was found killed in an alley. The murderer has not been caught yet!”

Long Xingxu said it again!

David’s face became extremely ugly, and his brows furrowed tightly!

“Wait for me...”

David threw the card in his hand and rushed out of the room!

A bunch of girls didn’t dare to make a sound!

Because they can really feel the killing intent on David!

“Sister Ruxue, do we want to go take a look?”

Gu Linger asked Ji Ruxue.

Among them, Ji Ruxue is the biggest, so they all listen to Ji Ruxue.

“No, let’s not make trouble for David.”

Ji Ruxue knew that if they went, they would only make trouble for David!

David rushed to Longmen non-stop. When he entered the room, he saw the body of the killed member of Longmen placed in the room!

David squatted down and carefully inspected the member's wound, his face was extremely solemn!

"Brother David, do you know who did it?"

Long Xingxu couldn't understand, who would attack Longmen!

You must know that in Kyoto, Longmen is already the largest sect, and even the Kyoto Martial Arts Alliance has occupied it!

Coupled with David's popularity, who would dare to follow David against him?

But at this time, David already had a goal in his heart, and it must be the hand of Kazuo Kawaguchi!

But in order not to cause unnecessary panic, David did not say anything, but said to Long Xingxu: "Notice, everyone in Longmen is not allowed to go out alone at night..."

"Got it!" Long Xingxu ordered Nod!

After he was instructed to go down, David walked out of the dragon gate and wandered aimlessly on the street, wondering if he could meet Kazuo Kawaguchi!

David released his breath without hesitation, and he wanted to let Kazuo Kawaguchi feel it.

But after a full hour, Kazuo Kawaguchi was not found at all. David felt that Kazuo Kawaguchi should not dare to stay in the city for a long time. After all, this is Kyoto, and Kazuo Kawaguchi is still being hunted down!

In this case, David walked towards the outskirts, his breath spreading for several miles!

Soon, David felt a powerful aura approaching. This breath belonged to Kazuo Kawaguchi. Seeing that Kazuo Kawaguchi did not hide his breath, he wanted to tell David that he was here!

Seeing this, David stopped moving, quietly waiting for Kazuo Kawaguchi!

Soon, Kazuo Kawaguchi arrived in front of David, and seeing that David was quietly waiting for him, Kazuo Kawaguchi smiled coldly: "David, are you waiting for me on purpose?"

David looked at Kazuo Kawaguchi like a beggar, nodded: "I'm waiting to kill you..."

"Kill me?" Kazuo Kawaguchi laughed: "The last time you were lucky enough to escape, this time you are not so lucky, you still want to kill me"

Did you bring a helper? If you are on your own, how dare you face me so easily."

Kazuo Kawaguchi looked around, he wanted to see if David had brought a helper!

"Don't look at it, it's just me, where can I help you when I kill you..."

David said lightly.

“Are you too arrogant?”

Kazuo Kawaguchi’s breath began to surge slowly, and the breath of the peak of the Great Marquis instantly enveloped Davidping himself!

“Let’s go further, the province’s influence will affect other people...”

This place has just left the city, David is afraid that the battle between them will affect ordinary people.

“Hmph, my mission is to kill you, I don’t care about the rest...”

After speaking, Kazuo Kawaguchi stepped forward, and then punched David!

Kazuo Kawaguchi made a ruthless attack without hesitation.

David felt a gust of wind blowing, and suddenly golden light flashed on his body, and the undamaged golden body instantly activated, wrapping his body!

## **Chapter 1987**

clang!

With a crisp sound, Kazuo Kawaguchi smashed David with a fierce punch, but made a deafening crisp sound, but David’s body was not injured in the slightest!

The use of ten thousand years of Polygonum multiflorum, as well as the power to bear the law in the Demon Sect, have made David’s body even more sturdy!

“Do you all like sneak attacks? Are you afraid that you won’t be able to beat me?”

David turned to look at Kazuo Kawaguchi, his eyes full of contempt.

Seeing this scene, Kazuo Kawaguchi's face became extremely ugly, and there was a bit of disbelief in his eyes!

But just when David was about to move forward, Kazuo Kawaguchi pulled out the samurai sword in his hand, and then swung down the sword. The light of the sword contained a powerful force and shot towards David!

David turned around, facing the sharp knife, calmly waved his fist!

This punch may seem unremarkable, but it contains the power of opening up the world!

Boom.....

A huge sound, the whole ground was shaken by smoke and dust!

The earth was shaking like an earthquake, and people a few kilometers around ran out of the room one after another!

This is why David wants to avoid here!

There are too many residents here, and the big night is very influential.

Kazuo Kawaguchi's ray of light was instantly shattered by David's unremarkable punch, and the terrifying blade disappeared!

Kazuo Kawaguchi was amazed, but when he saw that David was calm, as if he knew the result for a long time!

“David, in such a short period of time, your strength has increased again...”

Kazuo Kawaguchi said with a cold face.

“If you want to kill me, then do your best!”

David said quietly looking at serial port Kazuo.

Kazuo Kawaguchi looked at David, his brows furrowed tightly, David’s strength seemed to be somewhat beyond his prediction.

“David, don’t be too happy...”

After speaking, Kazuo Kawaguchi’s body suddenly burst out!

The samurai sword in his hand flashed even more, as if terrifying power was brewing!

Swipe.....

The katana made a sound of rubbing in the air.

“Hundreds of people cut...”

Kazuo Kawaguchi roared, and the samurai sword in his hand burst out with urging rays of light!

In an instant, countless swords and swords shot towards David!

These sword lights and sword shadows contain powerful power, the entire space begins to distort, and the sound of breaking the air is endless!

These swords, lights, swords and shadows slashed directly on David's body, and bursts of fire came out!

This is the rhythm to chop David into minced meat!

Dangdangdang.....

David didn't dodge, let the blade slash on his body again and again!

The undamaged golden body began to crumble, and the scales fell off and disappeared!

In the end, David relied on his powerful body to resist Kazuo Kawaguchi's attack!

"Bro..."

I saw David roared suddenly, and a dazzling golden light erupted from his body!

The bright golden light instantly illuminates the surroundings!

Bang bang bang .....

The blade after another is still swinging from Kazuo Kawaguchi's samurai sword, hitting David continuously!

David was carrying Kazuo Kawaguchi's Hundred People Slash, and at this moment the ground under his feet could not bear it, and began to collapse, and cracks appeared one after another!

Boom.....

David's body suddenly burst out with a golden ball of light, and the scattered golden light instantly defeated Kazuo Kawaguchi's blade!

And the place under David's feet collapsed several meters deep in an instant!

Kazuo Kawaguchi felt a terrifying force coming, and hurriedly stepped back!

Looking at the smoke and dust in front of him, Kazuo Kawaguchi raised the corner of his mouth slightly!

"Too arrogant, to dare to bear my 100 kills without resistance, arrogance comes at a price..."

Kazuo Kawaguchi slowly walked towards the collapsed place!

When the smoke cleared, Kazuo Kawaguchi discovered that there was still David's shadow in the deep pit!

**Chapter 1988**

“What about people?”

Kazuo Kawaguchi frowned.

“Are you looking for me?”

At this moment, David’s voice came out from the air!

Kazuo Kawaguchi hurriedly looked up and saw that David’s clothes had already been shattered at this time, but his body was intact!

The whole body exudes golden light, like a god!

“How...how is this possible?”

Kazuo Kawaguchi couldn’t believe his eyes!

“Nothing is impossible, you are just an ant in front of me, do you really think you can kill me?”

David sneered.

“David, you are too arrogant, I don’t believe that you can’t kill you...”

Kazuo Kawaguchi was in a hurry, he raised the samurai sword in his hand, and energy was being input into the samurai sword!

The samurai sword began to hum, and terrifying power emanated from the blade!

“Go to hell...”

Kazuo Kawaguchi roared, and the samurai sword in his hand instantly burst into a dazzling light!

This light is comparable to the sun and the moon, and it contains terrifying power!

boom!

Kazuo Kawaguchi slashed down with a knife, and the light reached several meters and slashed towards David!

In front of this several meters of light, David in mid-air seemed a lot slimmer.

However, David did not dodge or dodge, and was still suspended in mid-air!

In the blink of an eye, the terrifying light came to David, and David opened his arms, as if he was welcoming the terrifying light!

The rays of light fell on David, collided with the golden light on David's body, staggered, and firelights fell from the air!

From a distance, it seems that there is a big fireworks in mid-air, constantly setting off!

As the flames continued to fall, the ray of light that Kazuo Kawaguchi swung out became shorter and shorter!

In the end, it disappeared, but David was hanging in mid-air intact!

This knife of Kazuo Kawaguchi was abruptly consumed by David's powerful body!

"This..."

Kazuo Kawaguchi swallowed, unable to believe what was in front of him!

He is the peak of the Great Marquis, and he can break through to the strength of the Martial Saint in no time!

But in front of David, it was so unbearable!

He couldn't imagine that at such a young age, David's strength actually reached the level of Martial Saint?

"Is this all your strength?"

David looked down at Kazuo Kawaguchi and said coldly: "If this is all your strength, then I should send you back to your hometown!"

"Ah..."

Kazuo Kawaguchi seemed to be Like crazy, he kept waving rays of light towards David, and the samurai sword in his hand hummed one after another!

Dangdangdang...

But Kazuo Kawaguchi's attack completely broke David's body and was blocked directly, causing no harm to David at all!

Soon, Kazuo Kawaguchi lost his strength, his forehead was covered in sweat, and he was out of breath!

"With this little skill, you dare to kill me..."

After David finished speaking, his figure floated down from the air!

Kazuo Kawaguchi saw David coming towards him, holding his samurai sword in both hands, his eyes were full of cold light, and he gritted his teeth!

boom.....

David smashed his fist down from top to bottom, and the huge fist carried an incomparably strong wind!

Seeing this, Kazuo Kawaguchi hurriedly waved his samurai sword to block!

But just as the samurai sword in his hand touched David's fist, it broke in two in an instant!

Kazuo Kawaguchi looked at the samurai sword with only the hilt left in his hand, his face was extremely ugly!

"You dare to destroy my samurai sword, this is something of the royal family..."

Kazuo Kawaguchi roared!

“Hmph, what kind of bullshit, what is the royal family, is my sword powerful?”

David stretched out his hand, and the Dragon Slaying Sword appeared in David’s hand!

### **Chapter 1989**

The body of the sword exudes a faint gray light, and it also continuously emits the sound of dragon roars!

As soon as the Dragon Slaying Sword appeared, Kazuo Kawaguchi felt tremendous pressure, and his body took two steps back unconsciously!

Not to mention the pressure David brought to Kazuo Kawaguchi, just this Dragon Slaying Sword made him start to tremble!

If David took out the Dragon Slaying Sword from the beginning, Kazuo Kawaguchi probably wouldn’t do it, he would turn his head and run away.

He did not expect that in a short period of time, David’s strength increased, and even the weapons in his hand increased greatly!

There was panic in Kazuo Kawaguchi’s eyes, and he said to David: “David, in fact, I was forced by the Watanabe family to kill you. If I didn’t do this, the Watanabe family would never let me go. “

Kawaguchi Kazuo sympathized with Bo, he was afraid that David would kill him!

“Are you afraid?” David raised his mouth: “Don’t you island people hate failure the most? As long as you fail, you will kill yourself...”

“No, no, not every islander will do that, I I hope you can let me go, so that you can be safe.”

“If you kill me, the Watanabe family will continue to send people, and then you will have no peace in your life.”

“You think about it . , let me go, I won’t be returning to the island country, but I will pass the message to the Watanabe family, I’m chasing you!”

“As long as I’m still alive, they won’t send anyone else.”

Kazuo Kawaguchi analyzed David Well, he just wants to live!

“Killing you, the Watanabe family wouldn’t be able to send someone here...”

David said slowly.

“Why?”

Kazuo Kawaguchi was taken aback!

“Because of killing you, I will destroy the Watanabe family, so that they will never have a chance to send someone to kill me...”

David had long thought that when Kazuo Kawaguchi was killed, he would go to the island country and completely eradicate the Watanabe family!

He can't keep such a hidden danger, and he can't let the brothers of the law enforcement team die in vain for himself...

"David, you dare to go to the island country and destroy the Watanabe family? Do you know how powerful the Watanabe family is?"

"And even if you go to the island country, can you find the Watanabe family? Can you enter the Watanabe family?"

"If you plan to break in hard, I believe you won't be able to get out of the island country."

"Even if you are a Martial Saint, think It is impossible to destroy the Watanabe family and retreat completely!"

Kazuo Kawaguchi thought that David was crazy to have such an idea!

David frowned slightly. In fact, he also knew that what Kazuo Kawaguchi said was true.

When he went to the island country, David was not familiar with the place, how did he find the Watanabe family, and even if he did, how would he get close to the Watanabe family?

Even if the Watanabe family is destroyed, how can they retreat?

These are questions.

Seeing David's brows slightly wrinkled, Kazuo Kawaguchi hurriedly continued: "David, as long as you don't kill me, I can help you, and I am willing to take you to the island country, but I have long despised the domineering and domineering Watanabe family. "

It's hard for even the imperial power to control the Watanabe family now, they are too inflated!"

Kazuo Kawaguchi is trying his best to persuade David to let go of himself, which shows how much Kazuo Kawaguchi fears death!

David looked at Kazuo Kawaguchi's nervous look, and took out a pill from his pocket and handed it over!

"This is a pain pill. As long as you eat it, I won't kill you, but you have to listen to me, because only I have the antidote for this thing!"

"Otherwise, you will die in extreme pain. ."

David said slowly, and then observed the change in Kazuo Kawaguchi's expression!

Kazuo Kawaguchi took the pill without hesitation and swallowed it directly!

Now, as long as he can survive, he can.

Seeing Kazuo Kawaguchi swallowing the pill, David smiled lightly: "Okay, you can go, but remember, you must get the antidote within

three days." "I will go to the island country in these three days. I believe you have the ability to find me."

"Okay, okay, okay..."

Kazuo Kawaguchi nodded again and again, then turned around and ran away.

## Chapter 1990

David returned to Longmen and felt a turbulent aura in his body. Just following the battle with Kazuo Kawaguchi, David felt like he was about to break through!

Although a ten-thousand-year-old *Polygonum multiflorum* only allowed David to be promoted to the eighth-rank Dawuhou, he was only one step away from the ninth-rank Dawuhou!

Just after fighting against Kazuo Kawaguchi, David could really feel a throbbing in his body!

“Brother David, have you found the murderer?”

Long Xingxu asked when he saw that David was back.

David nodded: “Go ahead and lift the restrictions, I have driven people away, they are island rogues!”

“In addition, you take out some of the medicinal herbs stored in Longmen, and I want to refine some medicinal herbs...”

Long After Xing Xu heard this, he nodded and hurriedly made arrangements!

Later, David informed Xu Changsheng and asked him to bring more herbs when he came to Kyoto to treat Xing Jun!

David wants to use these medicinal herbs to make a spirit-gathering pill, and try to see if he can break through to the ninth-rank Great Marquis!

If he can break through, then he will have a little more confidence when he goes to the island country!

After explaining, David walked out of the room and slowly looked at the direction of the Martial Arts Alliance. At this time, the Martial Arts Alliance had already become an office space in Longmen!

“Yuqi, where are you?”

David sighed. Although he knew that Sonya was locked in a secret realm, where did he go to find that secret realm?

David is going to the island country to deal with the affairs of the Watanabe family, so the search for the secret realm can only be done by Hu Mazi and Zhou Jie!

Even if David was there, he wouldn't be able to help in finding the secret realm of the Demon Heart Sect, so Zhou Jie had to do it!

So David walked towards the two people's room. He planned to tell the two people about his trip to the island country!

But as soon as he walked to the door of the room, he heard Zhou Jie's screams, David's face was slightly red, and he could only wait outside for the two people to finish talking!

David was smoking a cigarette and waited for half an hour before there was no movement in the room, and the voice of the flax rang: “David, come in...”

David pushed open the door and walked in, Zhou Jie's face was full of expression Pei Hong, quickly poured a cup of tea for David!

“David, you don't sleep at night, so you ran to listen to my wall. You have so many women, just choose any one who can't sleep with you...”

Hu Mazi said to David with a playful look on his face.

“You know I’m outside, and I’ve been working on it for so long. I’m looking for you for something!”

“I’m going to the island country in the past two days to deal with personal affairs, so it’s up to you and Zhou to find the secret realm of the Demon Heart Sect. Miss.”

David said seriously.

“Go to an island country? What are you going to do in an island country? Make a small movie?”

Hu Mazi joked.

“I’m not kidding you, I really went to the island country!”

Then David told Hu Mazi about the law enforcement team and Kazuo Kawaguchi today!

When Hu Mazi heard this, he immediately put away the smile on his face, gritted his teeth and said, “Damn, these island country ronin, it’s almost endless, but it’s too dangerous for you to go to the island country by yourself, and the Watanabe family is not like you. It’s so unbearable as you imagine, you can’t destroy their family alone!”

“I’ll accompany you, I have friends on the island, and I can still help when I arrive.”

“No, you have to follow Miss Zhou to find the Demon Heart Sect . As for the secret realm, I hope I can find the secret realm when I come back.” David shook his head!

“I’m afraid that you won’t be able to come back, so I’ll accompany you. Looking for the secret realm, Zhou Jie can do it himself. The entrance to the secret realm must be near the Martial Arts Alliance, so it shouldn’t be difficult to find...”

Hu Mazi was worried about David’s safety and insisted on following David!

“Mr. Chen, let Master Hu go with you. You are alone, and you are not familiar with your life. There are indeed too many dangers.

” I can feel it.”

Zhou Jie said to David!
