

## **A Man Like None Other Chapter 1991 – 2000**

### **Chapter 1991**

Seeing Zhou Jie leaving and saying this, David could only nod his head: “Well then, we will leave in two days!”

Because it was too late, David didn’t bother him too much, got up and left, but David just walked out In Hu Mazi’s room, I heard Zhou Jie’s cry coming out again!

David smiled lightly, this flax is not very strong, and the skill on this bed is really unmatched...

The next day, David piled up the herbs sent by Longmen and Xu Changsheng!

Although this pile of medicinal herbs is a large amount of cultivation resources for others!

But for David, he didn’t know if this pile of herbs could push him into the ninth-rank Dawuhou.

David took out the Shennong Ding!

“Get up...”

David made a casual move, and a golden flame appeared in his palm, and then the flame seemed to be attracted, and instantly entered the Shennong Ding!

And the pile of spirit grass flew into the Shennong Ding one after another!

Crackling!

There was a sound in the Shennong Ding, and those herbs were instantly swallowed by the spirit fire, then turned into medicinal juice, and then turned into pills to solidify!

Soon, a pile of herbs has now turned into a dozen pieces of glittering spirit-gathering pills!

David looked at the Spirit Gathering Pill and began to swallow it without hesitation!

The medicinal effect of Juling Pill is very powerful, coupled with the refining of Shennong Ding, I thought it would be much stronger than directly absorbing medicinal herbs!

David swallowed them one by one, the spiritual power in his body was boiling and surging, and even his skin radiated bright light!

David could feel that he was getting closer and closer to the ninth-grade Great Marquis!

Two days later, a terrifying aura came from David's room!

Although David's promotion to a small realm requires several times, or even dozens of times, the resources of others!

But in the same way, the strength and shock brought by David's promotion to a small realm is also huge!

Although David at this time has only been promoted to the ninth-rank Great Marquis, the aura he exudes is much larger than before!

"Brother David broke through again..."

Long Xingxu felt the terrifying aura coming from David's room, and his eyes were full of envy!

David slowly stretched out his palm, and a faint ray of light faintly emitted from his palm. With the improvement of David's strength, David's physical body also became more powerful!

When he walked out of the room, Hu Mazi was already waiting for him!

"David, have you improved again?"

Hu Mazi asked with joy.

"It's just raised a small realm!"

David said slowly!

"You guy, raising a small realm is bigger than others' raising a big realm!"

Hu Mazi smiled, and then continued: "Aren't you going to say goodbye to your little lovers?"

"No need, save it. They are worried..."

David shook his head.

"I can say it, your little lover knows that you will leave without saying goodbye, and if you want to make trouble with you, don't say that I didn't remind you?"

Hu Mazi smiled with a deep meaning!

Looking at Hu Mazi's expression, David knew that Gu Linger and the others definitely knew that they were going to the island country.

Before David could speak, Gu Linger and the others had already arrived.

"David, you didn't tell us when you went to the island country?"

"If Sister Zhou Jie didn't tell us, we were still kept in the dark by you?"

"What do you think of us? What do you want to tell us?"

A group of women surrounded David and began to verbally criticize him!

This time, David was at a loss, and he didn't know how to explain it!

"Sisters, well, David is also thinking for us, I'm afraid we will worry."

"Let's not cause trouble for him, I hope he can be all right after he arrives in the island country!"

Ji Ruxue said, as the oldest The eldest sister, Ji Ruxue opened her mouth, and a group of women also closed their mouths!

After saying goodbye to a group of women, David and Hu Mazi left Longmen and embarked on a trip to the island country...

## Chapter 1992

Kyoto, International Airport!

David and Hu Mazi wore casual clothes, walked through the crowd, and started to get on the plane!

Because it is not the peak tourist season, there are not many people. The first class cabin made by David and Hu Mazi!

If it wasn't for the fear of being too high-profile, David would have no problem taking a private jet!

Not long after David and Hu Mazi sat down, a stylish and beautiful girl with sunglasses, shawl hair, and a very hot dress came over.

Underneath the girl are skinny jeans. At first glance, she looks like a big sister, attracting the attention of many people.

The girl took off her sunglasses and sat directly beside David.

At this time, the mobile phone in the girl's bag rang, the girl picked up the phone impatiently, and then connected!

A girl's mouth is full of island language. Fortunately, David understands the island language and knows what the girl is saying!

The girl was supposed to be urged by her family, so she was impatient!

"I'm already on the plane, the plane will take off soon, don't talk on the phone, turn it off..."

After that, the girl turned the phone directly into airplane mode!

Soon, the plane took off, David closed his eyes and rested, while Hu Mazi fell asleep, not even looking at the girl beside him. It seems that after Zhou Jie, Hu Mazi doesn't like to look at anything else. girl.

"Hello..."

Just when David closed his eyes and rested, the voice of the girl next door suddenly came!

David opened his eyes and looked at the girl suspiciously!

"Excuse me, excuse me, can you open it for me?" The

girl was holding a bottle of chewing gum in her hand, and she probably couldn't open the lid!

David smiled slightly, but the chewing gum opened the lid, and then gave it back to the girl!

The girl thanked him repeatedly, then took out a piece of chewing gum and handed it to David: "Give you one..."

David did not refuse, and threw it into his mouth!

Seeing David chewing gum and intending to continue to close his eyes to rest, the girl's gaze towards David has obviously changed a lot!

She became a little curious about David!

Usually, many men take the initiative to chat with her, but now she takes the initiative to chat with David, it seems that David doesn't like chatting with herself!

This aroused the desire in the girl's heart...

"Hello, my name is Yumiko, I am from an island country, I have been studying here, where are you from?"

Yumiko asked David with a smile.

"My name is David, I'm here..." David replied lightly.

"Then are you traveling to an island country? It doesn't seem to be a good season for traveling..."

Yumiko leaned her body toward David and asked in a low voice.

"I'm going to do something, not travel..."

David shook his head, then closed his eyes!

Seeing this, Yumiko was not good at talking to David, so she could only sit down boringly!

After the plane flew for several hours, it landed in Xijing, an island country. David got up and followed Hu Mazi off the plane!

And Yumiko followed closely behind David and the others!

“David, do you have a friend to pick you up? If not, I can ask my driver to take you back...”

Yumiko said to David.

“We have someone to pick up, thank you...”

David said with a faint smile.

After walking out of the airport, several luxury cars were lined up neatly outside the airport at this time, as if there were some important people on this flight.

When David and the others came out with Yumiko, more than a dozen bodyguards in suits and sunglasses immediately surrounded her!

David frowned, and the breath in his body began to surge!

He thought that his itinerary was exposed, and the Watanabe family knew that he had come to the island country, so they sent someone to kill him!

But the dozen or so bodyguards didn't even look at David, but directly surrounded Yumiko to protect Yumiko from going out!

### **Chapter 1993**

Only then did David know that these people came to pick up Yumiko, but looking at the posture, Yumiko's family must have a high strength!

“I really didn't expect this little girl to have such a good background. Looking at this battle, she is really good...”

Hu Mazi looked at the team that came to pick up Yumiko and couldn't help but sigh.

But just when Yumiko was about to get into the car, she suddenly stopped, turned to look at David, and shook the phone in her hand at David!

Soon, a bodyguard ran to David and handed David a note with Yumiko's phone number on it!

The convoy left. At this time, someone approached David's face and said enviously, "Young man, you are so lucky. I didn't expect that the eldest lady of the Watanabe family would take the initiative to leave a phone number for you."

David heard that, Suddenly he was stunned: "What? The eldest lady of the Watanabe family?"

"Yes, this is Miss Yumiko Watanabe, don't you know?"

The man looked at David in surprise.

"Oh, I know, I just met..."

David could only smile awkwardly, and then walked away!

However, David, who walked away, was still unable to calm down for a long time. He never thought that Yumiko would be the eldest lady of the Watanabe family!

In that case, Yumiko's full name should be Yumiko Watanabe.

"Young man, seize the opportunity, you won't have to worry about it for the rest of your life."

After the man finished speaking, he turned and left!

Hu Mazi looked at David dazedly, and suddenly laughed: "The world is so big, it's such a coincidence that you are sitting with the eldest lady of the Watanabe family on the plane."

"If she knew that you were going to destroy them, the Watanabe family. Yes, will I take the initiative to talk to you!"

David did not expect that things would be so coincidental, so he could only smile helplessly!

David followed Hu Mazi at the airport exit and waited for a while, while David was waiting for Kazuo Kawaguchi!

But it's been more than ten minutes, and no one has come, Hu Mazi said involuntarily: "David, Kazuo Kawaguchi will not betray you, right? You should kill him on the spot..."

Seeing that no one came to pick up, Hu Mazi muttered with anger on his face!

"Probably not. If he betrayed me, there should be a lot of people here by now."

David looked around and then said.

"Then we are waiting for five minutes. If no one answers, I will call my friend and ask him to pick us up!"

Hu Mazi looked at the time and said!

As soon as Hu Mazi's voice fell, a young man who looked at him hurriedly walked to David after looking around!

“Is that Mr. Chen?” the

young man asked.

David nodded: “Yes!”

“Come with me, Lord Kawaguchi asked me to pick you up...” The

young man turned around and left.

David followed Hu Mazi closely!

Soon, the young man took David and Hu Mazi to a commercial car, and then the car started to drive away quickly!

After more than an hour, the commercial car finally stopped in front of a villa!

The young man opened the car door and invited David and Hu Mazi in!

At this time, Kazuo Kawaguchi slowly appeared, then waved his hand and screened everyone around him!

“Mr. Chen, these few days, I have been suffering from poor energy and blood and a splitting headache. I have followed your instructions. Can you give me the antidote?”

Kazuo Kawaguchi asked David.

David took out a pill from his arms and threw it to Kazuo Kawaguchi!

Kazuo Kawaguchi swallowed it without hesitation!

After swallowing the antidote, Kazuo Kawaguchi's expression and spirit instantly improved a lot!

"Kawaguchi Kazuo, this antidote is only a temporary antidote, it can only help you temporarily suppress the toxin."

"If you want to be completely cured, then I will talk about it after I wipe out the Watanabe family."

David said. Kazuo Kawaguchi explained.

Kazuo Kawaguchi was stunned for a moment, his originally excited appearance suddenly turned cold!

#### **Chapter 1994**

However, Kazuo Kawaguchi's expression changed only for a moment, and then he smiled helplessly!

"Mr. Chen, how do you need me to help you? You can talk, but I also hope that you will keep your promise and give me the antidote in the end."

Kazuo Kawaguchi said.

"Of course, as long as you are obedient and obedient, the antidote will be given to you."

"Now, please introduce the Watanabe family to me. I met a man named Yumiko Watanabe today. She should be the eldest lady of the Watanabe family. Right?"

David asked.

“Have you met Yumiko?” Kazuo Kawaguchi was slightly taken aback, and then he started talking about the history of the Watanabe family.

The Watanabe family is a relatively large family in the island country, especially in Xijing, it controls almost the entire Xijing, even the official should give the Watanabe family some face!

Otherwise, Kazuo Kawaguchi can serve as a special envoy, but he will also be at the mercy of the Watanabe family!

The Watanabe family is prosperous and has many children, but now the direct leader who controls the entire Watanabe family is called Fumio Watanabe. This Watanabe Fumio is also Yumiko Watanabe’s father!

And the Watanabe Ichiro that David killed was the son of Watanabe Fumigan. Watanabe Fumigan had three sons, and Watanabe Ichiro was only one of them!

Watanabe Fumio and Watanabe Fumishi are brothers, but the two had a lot of conflicts in order to compete for the control of the Watanabe family!

Now it’s time to change the power and re-elect the leader of the Watanabe family, so the Watanabe family, which seems to be calm now, is already undercurrent!

In addition, Watanabe Fumio has only one daughter, Watanabe Yumiko, so it is unknown whether Watanabe Fumio can control the Watanabe family this time!

After hearing this, David was also amazed. He didn’t expect that this huge family was actually fighting openly and secretly, not monolithic!

“The one who instructed you to kill me was that Watanabe Fumigan?”

David asked.

Kazuo Kawaguchi nodded: “Yes, Watanabe Fumio’s daughter is studying in Daxia. It is impossible for him to order a bad relationship with Daxia officials. That will endanger his daughter’s safety!”

“This time, Watanabe Yumiko suddenly returned home in an emergency. It should be Fumio Watanabe who knew what we had done in Daxia, for fear that Daxia officials would be unfavorable to his daughter, so he recalled.”

Kazuo Kawaguchi’s explanation also reminded David instantly that when he got on the plane, Yumiko received That impatient phone call!

It should be urging her to return to the island country as soon as possible.

Now it seems that the Watanabe family is also full of factions, so David does not have to destroy the entire Watanabe family, as long as the Watanabe Wen’an lineage is destroyed, then no one will be looking for David trouble!

Maybe they can use the contradiction between Watanabe Fumio and Watanabe Fuman to provoke a fight between the two, so that David has a higher chance of destroying Watanabe Fuman!

Thinking of this, David decided to find a way to contact Yumiko Watanabe first, and by the way, test the tone of Fumio Watanabe!

“Kawaguchi Kazuo, you’d better keep it a secret about my coming to the island country. If I need your help, I will naturally come to you.”

“Remember, don’t think about playing tricks, even in the island country, in your territory. Come on, if I want to kill you, it’s easy...”

David threatened Kazuo Kawaguchi.

“No, absolutely not...”

Kazuo Kawaguchi shook his head quickly, this time he felt the breath of David, much stronger than a few days ago!

This made Kazuo Kawaguchi want to play tricks, but he didn’t dare!

In his opinion, David’s strength is a little too perverted. Nothing is impossible for David.

David followed Hu Mazi away from Kazuo Kawaguchi’s house, and was taken by Hu Mazi to see his friends for many years.

## **Chapter 1995**

At the same time, in the most luxurious villa group on the outskirts of Xijing, this is Watanabe Fumio’s home!

“Dad, you said I went to school well, what’s the matter with you calling me back?”

Yumiko Watanabe asked Watanabe Fumio very dissatisfied.

“Don’t go to Daxia to go to school during this period of time, and don’t run around, stay at home and wait for this period of time...”

Watanabe Fumio said with a solemn expression.

“Why? Don’t let me go to school, don’t let me go out, you want to suffocate me? I’m going to go out to play...”

Yumiko Watanabe yelled rebelliously!

“Yumiko, your father is also for your own good, how can you talk to him like this?”

At this time, Yumiko Watanabe’s mother Tanimoto Jiahui came out and reprimanded Yumiko!

Although Tanimoto Jiahui is over half a hundred years old, she is very young and looks like a sister to Watanabe Yumiko!

Moreover, she and Watanabe Fumio were in free love. After marriage, Yumiko was born, and Tanimoto Jiahui suffered a serious illness and lost her fertility!

Although the family and Tanimoto Jiahui have been persuading Watanabe Fumio to find a wife and leave him a boy who can inherit the lineage and inherit the clan, Watanabe Fumio refused!

In a big family like an island country, an infatuated man like Fumio Watanabe is simply rare!

“For my own good? Lock me at home for my own good?”

“I don’t want to talk to you anymore!”

Yumiko finished speaking, turned her head and ran out.

Looking at his daughter's back, Watanabe Fumio couldn't help sighing!

Seeing her husband like this, Tanimoto Jiahui gently stepped forward and comforted: "Fenxiong, your daughter will understand you sooner or later, but how will Daxia handle it? That Watanabe Wen'an is behind your back and made such a big thing, and killed a lot of officials."

"If we don't handle it well this time, I'm afraid it will be a catastrophe for our Watanabe family."

Watanabe Fumio frowned slightly: "I have sent a special envoy to Daxia to explain the situation, that Watanabe Fumigan has been vying with me for the position of the head of the family, and he will not miss this opportunity in this election."

"I am mainly afraid that he will attack our daughter, he knows that what I care about most is You and your daughter, if he threatens me with you and your daughter, I will have to retreat to him!"

"So you and your daughter should be careful these days, stay at home and don't go anywhere, even if Watanabe Fumigan No matter how daring you are, you wouldn't dare to break into the house."

"It's just that you and your daughter will suffer in this way..."

Watanabe Fumio gently stroked Tanimoto Jiahui's hair full of love and pity!

"As long as I'm with you, no matter how hard I suffer..." Tanimoto Jiahui leaned into Watanabe Fumio's chest!

At this time, Yumiko Watanabe had already run out of the house. Now that she is back, she intends to find friends to play. Anyway, she can't be bored at home!

"Miss, please go back..." Although the

two servants did not dare to stop Yumiko, they kept following, constantly persuading Yumiko!

“Are you two courting death? I’m just going out to play for a while, and you’ll just follow along, are you annoying?”

Yumiko angrily scolded the two servants!

“Miss, the head of the family has explained that you will not be allowed to go out, otherwise we will not be able to communicate with each other!” The

two servants had bitter expressions on their faces!

“Why, you listen to my dad, but don’t listen to me? He dares to kill you, and I dare...”

Yumiko said, and raised her palm!

But the two servants still didn’t move, and they didn’t plan to leave at all!

Seeing this, Yumiko didn’t dare to do anything, she was just trying to scare the two servants!

## **Chapter 1996**

Seeing that the two servants did not move, Yumiko could only snort coldly and continue to walk forward, while the two servants followed behind!

But just before Yumiko took two steps, she stopped abruptly and her face changed suddenly!

Before she could react, seven or eight men in black rushed out from both sides of the road, covering their faces, holding a samurai sword, and rushing directly towards Yumiko!

Seeing this, the two servants behind Yumiko drew their swords and rushed forward!

“Miss, run away...”

One of the servants roared!

Yumiko was a little surprised. You must know that in the island country, their Watanabe family is also one of the best, and in Xijing, no one dares to provoke their Watanabe family!

But today, someone actually took action against her, the eldest lady of the Watanabe family, in broad daylight, which is simply incredible!

But Yumiko couldn't help thinking about it. Her two subordinates were quickly hacked to death by random knives!

Yumiko can only turn around quickly and run away quickly!

At this moment, Yumiko's head is blank!

A few men in black are chasing after him, and it seems that Yumiko must be caught!

Just after running a distance, Yumiko's body suddenly hit a person, almost knocking Yumiko to the ground!

Yumiko looked up and found that she had bumped into David!

“It’s you?”

David and Yumiko were surprised at the same time!

None of them thought that they had just been separated from the airport for a short time, but they met here!

But before the two could speak, the men in black had already caught up!

Seeing someone chasing and killing Yumiko, David and Hu Mazi were both stunned. Just now, Kazuo Kawaguchi also said that the Watanabe family is the largest family in Xijing and almost controls the entire Xijing. How can anyone dare to hunt down the Watanabe family in broad daylight? what about the eldest lady?

When several men in black saw this, they immediately shouted at David and Hu Mazi: “If you don’t want to die, just get out of the way...” Kuo Meizi held

David’s arm tightly, and his eyes were full of anticipation: “Save me, save me...”

Seeing Yumiko’s expression, David smiled lightly: “A hero saves beauty, I’d be happy to...”

Seeing this, the men in black were instantly furious!

“Boy, if you want to be a hero to save the beauty, even kill you...”

After that, several men in black rushed up with samurai swords!

But just after taking a step, I saw David waved his hand, and several breaths spurted out, and the men in black instantly stood motionless as if they had been immobilized!

After a while, a large amount of blood began to flow out of the chests of several men in black, and then they fell to the ground with a thud!

Seeing this scene, Yumiko was stunned.

Although she can also practice the exercises, looking at David like this, it is like an existence like a fairy!

Hu Mazi looked at David and smiled secretly. He really wanted to use his mobile phone to take a picture of David's pretending to be at the moment, and then send it to those girls to see what happened to David!

David felt Hu Mazi's smile, and glanced at Hu Mazi secretly!

"David, you are amazing, you saved my life, my father will definitely repay you, or will you go home with me?"

Yumiko asked David with a bit of admiration in her eyes.

"No, I still have my own things to do..."

David shook his head!

At this moment, there was a messy footstep sound, and there were many people at the sound of it!

After David and Hu Mazi looked at each other, they left in a hurry, while Yumiko looked at David's back with a different kind of affection in her eyes!

"Yumiko, Yumiko..."

Watanabe Fumio shouted and ran towards Yumiko!

And behind Watanabe Fumio, there are dozens of samurai!

"Dad..."

After Yumiko saw Watanabe Fumio, she hurriedly rushed over, fearing for a while, if she hadn't met David, she didn't know what it would be like now.

### **Chapter 1997**

When Watanabe Fumio saw that his daughter was fine, he breathed a sigh of relief, but looking at the corpses not far away, Watanabe Fumio's face became very ugly!

"Yumiko, what happened? Did you kill those people?"

Watanabe Fumio asked.

Yumiko shook her head: "No..."

Then, Yumiko told Watanabe Fumio what happened, and Watanabe Fumio was simply furious, with murderous intent in his eyes!

“Yumiko, you said it was your Daxia’s friend who saved you and killed them. What about them?”

Watanabe Fumio asked.

“Let’s go, you come, they’ll go.”

Yumiko said.

Watanabe Fumio didn’t ask any more questions, but said to his subordinates: “Take all the corpses back and find out their identities...”

Soon, the corpses were carried away, and Yumiko was also protected and went home!

And David and Hu Mazi were hiding not far away, watching everything in front of them!

“David, you still said I’m a big pervert. I think you’re not much different from me. When you see an island girl, you can’t control it, right?”

Hu Mazi looked at David and said with a playful expression.

“Where do you want to go, I approached Yumiko Watanabe in order to break into the Watanabe family and disintegrate them from the inside.”

David explained.

“Then why didn’t you agree to that little girl just now and go home with her? Why are you still running?”

Hu Mazi asked in confusion.

“It’s called hard-to-find. If we agreed so proactively, Fumio Watanabe would definitely be wary of us.”

“Let’s just wait, I believe that Fumio Watanabe will definitely find a way to contact us. “

David smiled lightly, as if he was confident!

.....

Watanabe Fumio Villa!

Looking at the corpses in front of him, Watanabe Fumio’s face was very ugly!

“How is it? Have you found out your identity?”

Watanabe Fumio asked the servant.

“Patriarch, these people have no identities, so they can’t be found out at all...” The

servant shook his head!

“The only one who dares to do something to my daughter in Xijing is Fuman Watanabe. He has become mad because of his position as the head of the family!

” Do it to your daughter!

“Patriarch, but these people all suffered heavy chest injuries and died at the same time. The strength of the person who shot must be very strong.” The

servant analyzed!

“Well, I heard from Yumiko that her big Xia friend just waved her hand, and all these killers died. So it seems that this person is definitely a great Marquis, or even higher!”

“You go to the secret . Investigate this friend of Yumiko and see what his identity is!”

Watanabe Fumio ordered.

The servant nodded, then turned and left!

Just as the servant had just left, he heard a screeching sound from outside, followed by the sound of hurried footsteps!

“Damn, who the hell is going to do something to my eldest niece? People who dare to move our Watanabe family in Xijing are just courting death!”

“If I find out, I have to rip off his skin... “

A middle-aged man wearing a samurai uniform and walking in clogs walked in cursing!

This person is Fumio Watanabe, the younger brother of Fumio Watanabe!

At this time, there was a young man behind Watanabe Fumigan, looking at Swanwen, but there was always a bit of coldness in his eyes!

This young man is Watanabe Taro, the eldest son of Watanabe Fumigan.

Seeing Watanabe Fumigan coming, and also pretending to be pretentious, Watanabe Fumio felt sick in his heart!

“Brother, have you caught Yumiko’s murderer?”

As soon as Watanabe Fumigan entered the door, he asked Watanabe Fumio.

“The one lying on the ground is...”

Watanabe Fumio pointed to the corpses lying on the ground!

## **Chapter 1998**

Watanabe Fumigan glanced at the corpses on the ground, and was obviously stunned. Obviously, he didn’t know that these people were dead!

Watanabe Fumio carefully observed the change in his younger brother’s expression, his face was a bit cold!

“Brother, have the identities of these people been found out? Who is so bold and dare to do something to Yumiko?”

Watanabe Fumigan asked, pretending to be angry.

“These people have their identities erased, and I can’t find them out, but no matter who is behind the scenes, I will definitely find them out.”

Watanabe Fumio said in a cold voice.

That Watanabe Wen’an dodged his eyes, and nodded quickly: “Yes, we must find out, since Yumiko is fine, then I can rest assured that I won’t disturb my brother...

” son left.

As soon as he walked out of Watanabe Fumio’s house, Watanabe Fumian shouted at his son Watanabe Taro: “What the hell did you do, and who are you looking for? It’s just a bunch of trash.

” Bentaro was scolded, and he could only lower his head. He couldn’t understand why he sent so many people, but in the end he couldn’t catch Yumiko, but was killed instead!

Yumiko’s strength, he is still very clear, can’t do this at all!

“Dad, maybe Yumiko’s side is protected by a master, otherwise it won’t be like this.”

Watanabe Taro explained.

“What do you mean, that Watanabe Fumio has become wary and sent a master to Yumiko?”

Watanabe Fumishi narrowed his eyes slightly.

“Yes, I must have noticed, so we have to speed up the pace...”

Watanabe Taro nodded.

Watanabe Fumigan pondered for a moment, and then said: “Go and find Kazuo Kawaguchi, I want to discuss this with him.”

Watanabe Taro then left to invite Kazuo Kawaguchi, and Fumang Watanabe turned to look at Fumio Watanabe’s villa, his eyes sharp: “Wait, I will live here sooner or later...”

.....

Xijing , a slightly outdated tavern!

David sat at a table with Hu Mazi, and in front of them sat an old man who looked drunk, holding a jug in his hand, pouring wine into his mouth constantly!

David looked at the old man and said helplessly: “Master Hu, this is your old friend?”

Hu Mazi nodded: “Yes, it is him!”

“Just like him, he is as drunk as mud and drunk as his life. You told me that he is very strong, even more powerful than you?”

“You two, one lustful and the other greedy, are really good friends!”

David said with a wry smile!

Hu Mazi also had an embarrassed look on his face. He stepped forward and snatched the old man's jug and said, "Lao Fan, you have been in the island country for so many years, have you been drinking like this all the time?"

Lao Fan raised his eyelids and smiled slightly: "Life is too short, why not drink and have fun?"

After that, Lao Fan took a sip, and the wine in Hu Mazi's hand was sucked directly into Lao Fan's jug. in the mouth!

Seeing this scene, David realized that Hu Mazi did not lie, this old fan is very strong!

Because in that scene just now, David didn't feel the slightest aura fluctuations on Lao Fan's body, not the slightest breath!

But the wine in the jug can run out by itself and be sucked into the mouth of Lao Fan!

After drinking a pot of wine, Lao Fan wiped his mouth with satisfaction and said to Hu Mazi: "Old Hu, forget the price of the wine..." When Hu

Mazi heard this, he blew his beard and stared at him angrily, "I'm a big boy. Traveling all the way to the island country to find you, it's fine if you don't entertain me, and you even asked me to give you the drink money..."

"I'll come..." David got up, ready to go to the checkout!

When Lao Fan saw it, he immediately smiled: "Thank you very much. Since you are here, I will bring an extra pot of wine..."

**Chapter 1999**

With that said, Lao Fan asked the waiter to take another jug of wine, but David just smiled lightly and settled the bill!

Then he took out a stack of money and put it on the bar, and said to the waiter, "Put this money here, and this old gentleman will come to drink in the future, so he won't be allowed to collect the money..."

"Okay..." The waiter looked at With that pile of money, I hurriedly put it away!

"Hahaha, the little brother has the courage and the pattern, and is much better than the guy who is stalking Lao Hu."

"Let's go, take you to my house for a sit..."

Lao Fan laughed and hugged David's Shoulder!

Hu Mazi glared at the old fan, and then a few people walked out of the tavern!

Just as the three of them walked out of the pub, David felt that someone was following behind him, but when David was about to look back to see who it was, he was gently pressed on the shoulder by the old fan: "Don't Go back..."

When David saw this, he pretended not to know and continued to move forward!

Walking all the way to a secluded place, Lao Fan stopped, and his originally hazy eyes instantly brightened!

"If you don't want to die, just get out..."

Lao Fan's voice was very soft, but it had great penetrating power, and he could hear it clearly even if he was hundreds of meters apart!

After hearing Lao Fan's voice, I saw two warriors in samurai clothes coming out from the hidden place behind them!

"A bunch of bastards from the Watanabe family, dare to follow me?"

Lao Fan's eyes narrowed slightly, and an invisible murderous aura instantly enveloped the two samurai!

Seeing this, the two warriors trembled with fright, and hurriedly knelt on the ground: "Fan Ye spare your life, we dare not follow you, we are following this person..." The

two warriors pointed to David, but Lao Fan I also know that these people dare not follow him!

"This man is my friend, why are you following him?"

Lao Fan asked.

The two samurai looked at each other, but neither dared to say anything!

"Humph..." Lao Fan snorted coldly, and then let out a small breath, and saw a light mist instantly wrapping the two warriors!

"Ah..." The

two warriors cried out in pain.

"Fan Ye, yes... it's our master, let us investigate this person, because he saved our eldest young lady, our master wants to know the details of this person..."

A warrior couldn't bear the pain, and hurriedly said it !

Seeing this, Lao Fan waved his hand lightly, and the pain of the two warriors disappeared instantly, and they all stood up in fear!

“Now I know, he is my friend, go back and follow that boy Watanabe Fumio, don't hit my friend's mind.”

Lao Fan said coldly.

“I know, I know...” The

two warriors from the Watanabe family turned around and ran away in fright!

After the two warriors ran away, David and Hu Mazi looked at the old fan in shock!

None of them understand, Lao Fan is such a sloppy old drunk, why the warriors of the Watanabe family are afraid of him?

Also called a fan Ye.

Isn't it said that the Watanabe family is the largest family in the entire Xijing, and no one dares to provoke it?

Now in this situation, it seems that the people of the Watanabe family dare not provoke Lao Fan.

“Old Fan, what’s the situation? The warriors of the Watanabe family, how do they call you Master Fan, and why are they so afraid of you?”

Hu Mazi asked in confusion.

“Because they know that if they annoy me, I’ll kill them...”

Lao Fan smiled lightly.

Hu Mazi wanted to ask something else, but was interrupted by Lao Fan: “Okay, let’s talk about it when we get home...”

Hu Mazi followed David and walked with Lao Fan for more than half an hour before arriving at the outskirts. A village!

This village looks quiet and peaceful, and Lao Fan’s house is inside the village!

It’s a very dilapidated wooden house!

## **Chapter 2000**

David followed Hu Mazi into the wooden house, and couldn’t help being shocked by the simplicity of the wooden house!

There is no decent furniture in the room, but there are quite a few wine bottles!

“Lao Fan, you live here? It’s not better than a dog kennel.”

“What kind of work do you do in the island country? You can’t even feed yourself!”

Hu Mazi couldn't help but sigh.

David was also very surprised. According to Lao Fan's strength, it shouldn't be like this.

"Hey, it's hard to do business now, there's no way..."

Lao Fan sighed.

"What business are you doing?" Hu Mazi asked.

"Murdering business..."

Lao Fan said lightly.

"Murdering business?" Hu Mazi didn't understand for a while!

However, David reacted and said quickly, "Are you a killer?"

Lao Fan didn't hide it, and nodded without hesitation.

"You're a killer, and you've gotten this far? According to your strength, no one is looking for you to kill?"

Hu Mazi saw that Lao Fan was so mixed up, it must be a murder business and no one was looking for him!

Lao Fan shook his head: "It's not that no one is looking for it, it's that I can't find it..."

David and Hu Mazi were stunned by Lao Fan's words. They didn't understand what Lao Fan meant!

"Can't find it? How much does it cost you to kill someone? Can't find it?"

Hu Mazi asked curiously.

"Ten billion dollars..."

Lao Fan said casually.

This time, David and Hu Mazi were startled.

Ten billion dollars to kill a person?

It's no wonder that no one is looking for it...

"You've already gotten to this point, and you still pay tens of billions of dollars. Who is a fool who will look for you, can't you be cheaper and improve your living conditions first? "

Hu Mazi doesn't understand, this old fan has a problem with eating and drinking, and he even dares to open up a remuneration of tens of billions of dollars!

"You can eat or drink, but the price can't be changed, otherwise I'll lose my value..."

Lao Fan said with great style!

This sentence made Hu Mazi very speechless, but David asked strangely: “The warrior of the Watanabe family, why are you so afraid of you, is it because of your tens of billions of dollars in remuneration?”

“Of course not, Because I killed all the killers in Xijing in order to have business, so these people are very afraid of me!”

“It’s just that there are no killers in Xijing now, and no one is looking for me...”

Lao Fan said helplessly. .

Hu Mazi and David were all shocked when they heard that Lao Fan had killed the entire Xijing killer for the sake of business!

This kind of novel business acumen, it is estimated that only this old Fan can think of it!

For the sake of his own voice, he killed all his colleagues...

David admired Lao Fan very much, while that Hu Mazi looked at Lao Fan with a speechless expression!

“Old Fan, can you tell me about the Watanabe family? I’m here this time for the Watanabe family.”

David asked Lao Fan.

“He came to the Watanabe family?” Lao Fan was slightly taken aback!

Hu Mazi hurriedly explained, and repeated David’s grievances with the Watanabe family!

As soon as Lao Fan heard it, he understood and slowly said, "For the sake of buying me wine, I'll tell you some secrets you don't know..." As

Lao Fan spoke, David followed Hu Ma. The more I hear it , the more frightened I get...

It turns out that the Watanabe family can become one of the best families in the island country, and it can also become the largest family in the western suburbs, entirely because of the shrine behind the Watanabe family!

You must know that in the island country, everyone believes in shrines, and even sacrifices their lives for trumped-up gods!

The president of the Chizuru Shrine behind the Watanabe family, it is rumored that the ancient gods and spirits survived through the conversion of Shinto.

It's like being reincarnated!
