

A Man Like None Other Chapter 2001 – 2010

Chapter 2001

And there are many masters and some hidden organizations in this Thousand Crane Shrine!

The Watanabe family is nothing but a subordinate family of Chizuru Shrine, specializing in providing resources and money.

Hearing what Lao Fan said, David's brows furrowed tightly!

If this is the case, then David wants to destroy the Watanabe family, even if it is the line of Watanabe Wen'an, I am afraid it will be a little difficult!

There is also Kazuo Kawaguchi, when he introduced the Watanabe family to David, he didn't mention the Chizuru Shrine at all!

Obviously it was deliberately concealed, it seems that Kazuo Kawaguchi did not really surrender to David!

"In this way, I'm afraid it won't be so easy to destroy the Watanabe family..."

Hu Mazi said solemnly.

"It's up to people..."

Lao Fan said lightly, then picked up the wine and started drinking again!

Seeing this, David knew that this was the end, and he still followed his own plan, so he stopped thinking about it and started drinking with Lao Fan!

.....

Watanabe Fumio's villa!

Listening to the reports of the two subordinates, Watanabe Fumio's face was full of shock!

"Who is that young man? It's Fan Ye's friend? If it seems, I really want to meet him in person!"

Watanabe Fumio is now full of curiosity about David!

So he said to his subordinate: "Go and invite Miss..."

Soon, Yumiko was found, and Watanabe Fumio quickly asked: "Yumiko, tell your father the truth, what is the name of the friend who saved you? How did you meet?"

"Dad, what are you asking about?"

Yumiko looked at Fumio Watanabe vigilantly.

She knew that her father was a very thoughtful and suspicious person. If David's information was revealed, Yumiko was afraid that Watanabe Fumio would be rude to David!

"Dad wants to thank others well, so of course he has to know the other party's information, you tell me..."

Watanabe Fumio asked anxiously.

When Yumiko saw this, she could only tell the truth. After hearing that Yumiko just met David on the plane, Watanabe Fumio's face changed a little!

He wasn't sure whether David's encounter with Yumiko was deliberately designed!

"Then what's his name, do you know?"

Watanabe Fumio asked again.

"He said his name was David, but I think it's true..."

Yumiko said.

"David?" Fumio Watanabe was stunned for a moment, frowning slightly: "Why is this name so familiar, I seem to have heard it somewhere..."

At this time, a subordinate stepped forward and whispered in Watanabe Fumio's ear. , I saw Watanabe Fumio's eyes suddenly widen, his face full of surprise!

"It's not really him, is he? Would he have the courage to come to the island country?"

Fumio Watanabe couldn't believe it!

"Dad, what did you say?"

Yumiko asked in confusion as she looked at Fumio Watanabe.

“Oh, nothing, you go to rest...”

Watanabe Fumio sent Yumiko away, and his heart began to become a little anxious!

If David is really the David who killed Ichiro Watanabe, it would be inappropriate for Watanabe Fumio to see David at this time!

Moreover, when David came to the island country, it was obvious that he came to their Watanabe family!

In this way, David’s encounter with Yumiko should have been designed, and he suddenly rescued Yumiko, all to gain trust!

Watanabe Fumio originally wanted to see David, but this time he was a little overwhelmed. After all, David didn’t know the real situation of the Watanabe family, and he would definitely put the debt of chasing him on the Watanabe family. !

As the head of the Watanabe family, Fumio Watanabe will bear the brunt of David’s revenge!

Watanabe Fumio still doesn’t know, David already knows everything about their Watanabe family!

Chapter 2002

“Patriarch, if David really came to the island country to take revenge, you are in danger. I heard that David is the number one person in Daxia Kyoto.”

“And even the capital of Kyoto. The Martial Arts Alliance was destroyed by him, and he also created Longmen, which is the first martial art in Kyoto!”

“Now that the general election is imminent, there are internal and external troubles. If David is here to make trouble, we will be in trouble.”

A servant Very worried, he said to Watanabe Fumio.

Why doesn't Watanabe Fumio know, but what can he do now?

“This Watanabe Fuman can't provoke anyone, but he has to provoked this person, and this account is estimated to be on my head.”

Watanabe Fumio cursed at Watanabe Fuman!

If it wasn't for Watanabe Fumigan who went to Daxia again and again to seek revenge on David, how could David come to the island country?

Isn't that the death of a son?

Watanabe Fumigan has three sons, so what if one dies!

“Patriarch, since the eldest miss knows David, why don't we make use of the eldest lady and explain with David that the pursuit of him is not what we did.”

“If we can win the help of David, Then we have a good chance of winning in the next general election!”

“I have already inquired, that Watanabe Fumigan is already contacting the old man...” The

servant whispered.

“What? Then Watanabe Fumigan went to contact grandfather? Grandpa is over ninety years old, and he doesn’t ask about family affairs at all. Could it be that Watanabe Fumigan can still talk about it?”

Watanabe Fumio looked surprised!

This grandfather in Watanabe Fumio’s mouth is called Kazuo Watanabe, not the grandfather of Watanabe Fumio and Watanabe Fumishi, but their grandfather’s brother!

Kazuo Watanabe is over ninety years old, and he stopped asking about family affairs for a long time. As the oldest and oldest person in the Watanabe family, Kazuo Kazuo is considered the soul of the Watanabe family!

Kazuo Watanabe is still very influential in the family. I believe that many collaterals of the Watanabe family will listen to Kazuo Watanabe’s words!

If Watanabe Fumaki really got the help of Kazuo Watanabe, then it is impossible for Watanabe Fumio to be re-elected as the head of the family.

Another more important reason is that Kazuo Watanabe can directly contact the Chizuru Shrine behind the Watanabe family!

Although the Watanabe family is a subordinate family of Qianzuru Shrine, but Watanabe Fumio is the head of the family, it is more difficult to enter the shrine than to go to the sky!

But Kazuo Watanabe is different. He can go to the shrine to worship at any time, and say a few words with the shrine executives!

“No, I can’t wait any longer, prepare the car immediately and go to the ancestral house...”

Watanabe Fumio felt a strong sense of crisis at the moment, he also wanted to see Kazuo Watanabe, and hoped that he would not interfere in family affairs!

Just when Watanabe Fumio rushed to meet Watanabe Kazuo, at this time in Watanabe Fuman’s villa!

Taro Watanabe has already found Kazuo Kawaguchi!

“Kawaguchi-kun, sit down, sit down...”

Upon seeing Kazuo Kawaguchi, Watanabe Fumigan warmly greeted him!

Kazuo Kawaguchi just smiled, but did not sit down, but said to Watanabe Wen’an: “I don’t know what else the second master is looking for me?”

“Kawaguchi-kun went to Daxia and helped me so much, I Of course I want to thank you.”

Watanabe Fumigan smiled lightly, then winked at his son!

Soon, Taro Watanabe brought a wooden box, which contained snow lotus flowers. Although it was not big, it could be seen at a glance that it was the snow lotus flowers on Fuji Snow Mountain!

You must know that the snow lotus grows extremely slowly, even this kind of small snow lotus, I am afraid that it will take more than a hundred years to grow, especially the snow lotus on the Fuji Snow Mountain, which grows even more slowly!

Now in the Bushido of the island country, all the samurai are proud of owning a snow lotus in Fuji Snow Mountain, so this kind of snow lotus is very rare and expensive!

Chapter 2003

“Second Master, you...what are you doing?”

Kazuo Kawaguchi’s eyes went straight when he saw the snow lotus flower. He didn’t understand what happened to Fumigan Watanabe. !

“You helped me get revenge, of course I want to repay you, although some people have been damaged, but that is nothing.”

Watanabe Fumigan said.

This time, Kazuhiro Kawaguchi felt a little ashamed, after all, he couldn’t kill David at all, he just deceived Watanabe Fuman.

But looking at the snow lotus flower in front of him, Kazuo Kawaguchi knew that if he didn’t take it, he wouldn’t take it...

“Then thank you second master.”

Kazuo Kawaguchi hurriedly took the snow lotus flower from Taro Watanabe’s hand!

Kazuo Kawaguchi couldn’t put it down when he looked at the snow lotus like snow!

Seeing this scene, Watanabe Fumigan smiled slightly!

“Kawaguchi-kun, I have one more thing, I want to ask you a favor...”

Watanabe Fumigan said.

“Second Master, please tell me...”

At this time, Kazuo Kawaguchi only had snow lotus flowers in his eyes, and he would probably agree to whatever Watanabe Fumigan said!

“I want you to capture Yumiko...”

Watanabe Fumigan said.

When Kazuo Kawaguchi heard this, the excitement on his face disappeared instantly.

Then he threw the Snow Lotus back to Taro Watanabe.

“Second Master, I don’t want to participate in the affairs of your Watanabe family, and I hope you can understand that I still have something to do, so I’m leaving...”

Kazuo Kawaguchi turned around and ran away!

Kazuo Kawaguchi is not stupid. He will not participate in such a big family battle. He knows that no matter who wins in the end, he will become the victim in the end!

Seeing Kazuo Kawaguchi frightened away, Watanabe Fumigan couldn't help but scolded: "A coward, just a coward..."

"Dad, what should we do next? I'm afraid we're trying to beat Nayumiko's idea, I guess it's very difficult. So..."

Watanabe Taro asked.

Because of this failure, Watanabe Fumio will definitely strengthen the security around Yumiko, and even prevent Yumiko from going out!

"Hmph, even if there is no threat from Yumiko, this time the owner of the house will take a seat."

"Follow me to the ancestral house..."

Watanabe Fumigan said with a gloomy expression.

.....

On the outskirts of Xijing, at the foot of Fuji Snow Mountain, there is a simple wooden house. This is the ancestral house of the Watanabe family. The Watanabe Kazuo who lives here is the oldest member of the Watanabe family!

Watanabe Fumio led someone to drive here, looking at the wooden house in front of him, there were still hundreds of meters away, Watanabe Fumio got off the car and started walking.

Although he is the head of the Watanabe family, he still needs to show respect and etiquette to his elders.

Going all the way to the wooden house, Watanabe Fumio gently knocked on the door!

Soon, the door slowly opened, and Fumio Watanabe walked in, only to find that there were already many people in the wooden house at this time, and it seemed that something was being discussed!

This made Fumio Watanabe's heart stunned, because Kazuo Watanabe didn't ask about things for a long time, and he wouldn't let so many people bother him.

This situation is very rare today, and as the head of the Watanabe family, no one has notified him!

Seeing Fumio Watanabe coming, many people stood up and bowed. After all, Fumio Watanabe, who is the head of the family, has a higher status than these people!

There were only two people who didn't get up. One was Kazuo Watanabe, who was sitting at the top with sparse hair and lost teeth, and the other was a middle-aged man wearing a samurai uniform beside Kazuo Watanabe!

The middle-aged man knelt down next to Kazuo Watanabe, and placed a slightly old samurai sword in front of him. Although the man's eyes were full of indifference and disrespect, Fumio Watanabe did not dare to complain at all!

Because this man is Qiandao River, a famous kendo master in Xijing, a samurai sword has long been superb, and no one knows his true strength!

And Qiandao River has been by Kazuo Watanabe's side since he was young, and until now, he has dutifully guarded Kazuo Watanabe's safety!

Chapter 2004

This is why Kazuo Watanabe is so old, although he does not ask about the affairs of the Watanabe family, he can still be the soul of the Watanabe family.

With the existence of Qiandao River, Kazuo Watanabe can enjoy his old age so peacefully...

Just as Fumio Watanabe sat down, soon the door was knocked open again!

I saw Watanabe Fumigan also walked in.

When Watanabe Fuman saw the situation in front of him, he was also slightly taken aback, especially when he saw Watanabe Fumio also, Watanabe's heart was very complicated!

"You two came just in time, sit down..."

Kazuo Watanabe waved his hand!

Soon, everyone sat down and quietly waited for Kazuo Watanabe to speak. At this time, no one dared to make a move or show any disrespect to Kazuo Watanabe!

Because they know that even if it is the slightest change, they will be greeted by the sharp samurai sword of Qiandao River!

"There is news from Qianzuru Shrine that we need our Watanabe family to deliver resources and money in advance this year."

Kazuo Watanabe said slowly.

“Grandpa, I have already prepared resources and money, and I can deliver them at any time.”

Watanabe Fumio said immediately.

The general election is approaching, Watanabe Fumio needs to express himself!

“Very good!” Kazuo Watanabe nodded, and then continued: “I heard that some time ago, the warriors of our Watanabe family had a conflict with the Daxia official and killed a lot of the Daxia official?”

” Yes, I have also investigated this matter. It was Watanabe Fumigan who instructed people to go to Daxia to hunt down the enemy, and there was a conflict with Daxia officials. This had a very bad impact on our Watanabe family. I have already sent people to go. Daxia explained this matter.”

Watanabe Fumio saw Kazuo Watanabe mentioned this matter, and immediately told everything he knew!

He wants to take advantage of this, so that Watanabe Fumigan can't compete with himself for the position of the head of the family!

At this time, there is no brotherhood between the two of them!

Fumio Watanabe glared at Fumio Watanabe, and opened his mouth to explain: “Grandpa, I...”

Watanabe Fumigan wanted to explain, but was interrupted by Kazuo Watanabe with a wave of his hand!
“Wan An, you have done a good job. Our Watanabe family will not be slaughtered. We will avenge

our revenge, especially in the face of Daxia people.”

Immediately after that, he nodded and said, “Follow Grandpa’s teachings...”

This time, Fumio Watanabe was a little dumbfounded. He originally wanted to take advantage of this to suppress Fumian Watanabe, who knew it would turn out like this!

At this time, Kazuo Watanabe looked at Fumio Watanabe with a cold face: “Fumio, as the head of the Watanabe family, you took the initiative to send someone to apologize, which is simply detrimental to the face of our Watanabe family.

” I also heard that you actually sent your daughter to study in Daxia? I think you have forgotten what kind of blood is flowing in your body.”

“Now your daughter has been contaminated and needs to be sent to the shrine for purification...” “

Kazuo Watanabe’s words instantly made Fumio Watanabe like five thunders!

Everything else is fine, even if he doesn’t sit in the position of the head of the family!

But to send his only daughter to the shrine for purification, Watanabe Fumio is afraid that he is not willing to kill him!

Because he knew what would happen if he sent his daughter to the shrine!

“Grandpa, I...”

Watanabe Fumio wanted to fight, not to send his daughter to the shrine!

But Kazuo Watanabe didn't listen at all, he waved his hand directly and said: "That's it, you all step back..."

Everyone got up and left, and Watanabe Fumio had no choice but to leave!

As soon as he went out, Watanabe Fumio saw Watanabe Fuman looking at him with a mocking sneer on his face!

"My good brother, I advised you not to send Yumiko to Daxia, but you didn't listen. Now, Yumiko was sent to the shrine, and you may never see her in this lifetime."

"My poor niece . Ah, still so young, so beautiful, hippie and tender..."

Watanabe Fumigan smiled.

Chapter 2005

Fumio Watanabe glared at Fumio Watanabe, and finally he could only leave angrily!

He did not dare to openly attack Watanabe Fumigan, after all, he is still the head of the family, and even Watanabe Fumigan's brother!

Watanabe Fumio returned home angrily. Upon seeing this, Tanimoto Jiahui hurriedly stepped forward to help Watanabe Fumio change his clothes, and then asked, "Fumio, what makes you so angry?"

Watanabe Fumio followed today's events and followed Tanimoto Huiyi said, Tanimoto Jiahui was stunned in place!

After a while, Tanimoto Jiahui said emotionally: “No...Impossible, I will never send my daughter to the shrine. If you dare to send your daughter to the shrine, I will die for you to see...”

Du Seeing this, Bian Fumio hurriedly hugged his wife distressedly: “I don’t want it either, but what can I do...”

Watanabe Fumio didn’t want to, but this was an order from Kazuo Watanabe, not to mention it might be from a shrine Order, what ability does Fumio Watanabe have to defy?

“We can go. The farther we go, the better. You don’t want to be the head of this family...”

Tanimoto Jiahui said.

“Go? Where to go? Even if they escape to the ends of the earth, they will find it.”

Watanabe Fumio shook his head!

“I don’t care, I don’t care, anyway, I will never let you send your daughter to the shrine...”

Tanimoto Jiahui yelled, like crazy!

Watanabe Fumio looked helpless, but fortunately there is no set time, they can delay it, and they are trying to figure out a way!

.....

Three days have passed...

David and Hu Mazi have been drinking with Lao Fan every day, drinking and sleeping, and drinking when they wake up!

“David, it’s been three days. You don’t dare to use hard-to-get-to-know. Then Fumio Watanabe didn’t come to you.”

Hu Mazi said listlessly.

Although I drink and sleep every day, the environment here is too bad, and more importantly, there are no women at all. If Zhou Jie came along, Hu Mazi might not be so anxious!

David also frowned slightly: “It shouldn’t be, I saved his daughter, why does he have to meet and thank me?”

David also felt strange, why Watanabe Fumio didn’t come to see him, since the last time he sent After people tracked and investigated themselves, there was no news of the Watanabe family!

I didn’t see that Watanabe Fumio sent someone, which made David a little unsure!

“What are you two talking about, come and drink...”

Lao Fan greeted David and Hu Mazi!

But neither of them moved this time.

When Lao Fan saw this, he walked over with the jug and said, “Don’t worry, people have already arrived, and they will be there within ten minutes...”

After Lao Fan finished speaking, he started drinking on his own, David and Hu Mazi both had some surprised, I don't know if this old Fan is drunk.

Soon, a few minutes later, outside Lao Fan's dilapidated house, Watanabe Fumio came with a gift and Yumiko!

"Watanabe Fumio, bring the little girl to meet Fan Ye..."

Watanabe Fumio shouted politely outside!

"Come in..."

Lao Fan closed his eyes slightly and said lightly.

This time, David and Hu Mazi were a little confused. I don't understand how this old fan knew that Watanabe Fumio would come?

Watanabe Fumio took Yumiko into the broken house, and then took out a bottle of wine and put it in front of Lao Fan.

"Master Fan, this is for you..."

Watanabe Fumio is very polite.

But that old Fan didn't even look at it, and said slowly: "No merit, no reward, if you want to kill me, just put the money into my account..."

Watanabe Fumio suddenly looked embarrassed, he Where can there be tens of billions of dollars to find Lao Fan to kill!

“David, thank you very much for the first two days. If it weren’t for you, I’m afraid I would have been arrested...”

Yumiko stepped forward and said to David happily

Chapter 2006

“It’s just a little effort.” David smiled lightly!

“Mr. Chen, thank you for helping the little girl, because I was a little busy the past two days, so I only came to thank you now.”

Watanabe Fumio stepped forward and followed David very politely.

“I said it, it’s just a little effort.”

Davidping faced Watanabe Fumio with a calm face!

This makes Fumio Watanabe a little puzzled. If David is here for revenge, why is he so calm when he sees him, and there is not even a trace of concealment in his eyes!

“Are you tired? Say something.”

“Fumio Watanabe, I don’t believe you found this place just to thank David...”

Lao Fan asked impatiently.

This time, Fumio Watanabe was asked for a moment and didn't know what to say.

After hesitating for a moment, Fumio Watanabe said: "Mr. Chen, I know the purpose of your visit to the island country this time, but there is one thing I hope to be able to explain to you clearly, the person who has been chasing you, even though we are crossing the border. The Bian family, but that was all done by my brother Watanabe Fumigan."

"I don't know about this at all, including this time against the Daxia official, I have always been kept in the dark. After learning about this, I immediately sent someone to apologize and explain the situation!"

"I have no intention of going against Daxia officials, nor against Mr. Chen, I hope Mr. Chen can understand..."

Watanabe Fumio looked on his face . Sincerely, he was very afraid that David would not believe him!

But just after Watanabe Fumio finished speaking, David smiled lightly and said, "Patriarch Watanabe, I already understand what you said. on the head."

"Mr. Chen already knows?" Watanabe Fumio couldn't help but be stunned. He didn't understand how David knew. After all, only Watanabe's internal seniors knew about these things.

"Then Kazuo Kawaguchi has already told me that since I can let him come back from Daxia alive, there must be a reason."

David said lightly.

When Watanabe Fumio heard this, he breathed a sigh of relief. Since David already knew about it, he didn't need to worry about it.

“And I still know that the election of the Watanabe family is imminent. Your brothers are both fighting for the position of the head of the family. I have killed that Watanabe Fumian now. For you, is it the biggest beneficiary?”

Since Watanabe Fumio Choosing to tell the truth, David didn't intend to hide it either. He wanted to see if he could get some resources from Watanabe's house!

After all, now Watanabe Fumio also wants to let Watanabe Fumaki die, and the two people's goals are the same.

But who knows, after Fumio Watanabe heard it, he sighed: “Actually, the position of the head of the family is no longer important to me. I only hope that my daughter can live a happy life...”

Watanabe Fumio put Yumiko. Yumiko was stunned when she told the story about being sent to the shrine!

“Patriarch Watanabe, what do you mean, you want me to take Yumiko with me?”

David asked puzzled.

Watanabe Fumio nodded: “Yes, because only in this way can Yumiko live a stable life. I know Mr. Chen's influence in Daxia. As for the killing of Watanabe Fumian, I will help Mr. Chen to complete it.

” In this case, you, the head of the Watanabe family, can't do it, and I am afraid that even your life will be threatened? After all, who of you dare to disobey the order of the shrine?”

David asked.

“For Yumiko, this is the only way, as long as Yumiko can live happily.”

Fumio Watanabe’s eyes are full of firmness and love, the kind of love of a father who can sacrifice everything for his children!

He negotiated this decision with his wife, Tanimoto Yoshiki, because only in this way can Yumiko escape!

Chapter 2007

“No...no...” Yumiko cried bitterly and rushed towards Watanabe Fumio: “Dad, I’m not going, I’m not going anywhere, I want to be with you...”

“Yumiko, listen to me, you don’t know what you will suffer if you are sent to the shrine, you are still young, you will understand later, you follow Mr. Chen, I believe that Mr. Chen will protect you... ..”

After that, Watanabe Fumio looked at David and said, “Of course I won’t let Mr. Chen help in vain. Our Watanabe family will donate a batch of resources to the shrine. I plan to give all of these to Mr. Chen as a reward. ...”

This time, David was a little overwhelmed, he originally came to destroy the Watanabe family, but now it has become like this.

Do you really want to go back with Yumiko and a batch of resources?

Suddenly brought back a beautiful island country, can’t explain it?

But just when David was at a loss and didn’t know how to answer Watanabe Fumio, Lao Fan on the side said, “Older Watanabe, don’t show off your father and daughter’s relationship here, play emotional cards, say Tell me about your other ways...”

After hearing Lao Fan say this, Fumio Watanabe's face instantly turned red with embarrassment.

"Fan Ye, I do have another way..."

Watanabe Fumio could only smile awkwardly.

"Patriarch Watanabe said to come and have a look..."

David asked.

"That's why I hope Mr. Chen will take action and kill that Watanabe Wen'an, as well as that Watanabe Kazuo. As long as these people die, the entire Watanabe family will be under my control."

"Of course . Mr. Chen's remuneration will definitely be very rich."

Watanabe Fumio said.

"But in this case, you still have to obey the order of the shrine."

"Yumiko was not sent away the same way."

David asked in confusion.

Watanabe Fumio shook his head: "When the Watanabe family is under my control, the shrine will not be able to give up the entire Watanabe family for my daughter."

“And it is very possible to send my daughter to the shrine. It is Kazuo Watanabe’s own idea, as long as he dies, no one will pursue this matter.” After

David heard this, he continued to ask, “You can do it yourself, after all, you are still the head of the Watanabe family. , why do you want to pay me to do it?”

“Because he doesn’t have the strength, even if Kazuo Watanabe’s Samurai Qiandagawa, even if he brings all the masters with him, Fumio Watanabe is not necessarily an opponent.”

Fumio Watanabe didn’t say anything . , Lao Fan on the side explained.

“Fan Ye is right, that Qiandagawa is a famous kendo master, no one knows his true strength, so...”

Watanabe Fumio smiled awkwardly!

“Then you are sure that I can beat that Qiandaochuan?” David asked suspiciously.

After all, Fumio Watanabe doesn’t know about his own strength, so how can he guarantee that he can beat the Qiandao River?

If he fails, doesn’t he also suffer?

Watanabe Fumio did not speak, but looked at Lao Fan who was beside him.

The meaning is very obvious. If David is not an opponent, then let Lao Fan take action. After all, Lao Fan and David are friends!

And David also instantly understood what Watanabe Fumio meant, and he wanted to use him to ask Lao Fan to take action!

“Ten billion dollars, who do you want me to kill, who do I kill...”

Lao Fan said slowly when he saw Fumio Watanabe looking at him.

Watanabe Fumio looked embarrassed: “Fan Ye, I really can’t give out tens of billions of dollars, but I will try my best to give everything I can. You and Mr. Chen are friends, I hope...”

“Stop, friends are friends, and business is business. They can’t be confused. If you can’t show it, then don’t talk about it.”

Lao Fan didn’t give face at all, which made Watanabe Fumio very embarrassed!

Chapter 2008

However, after Lao Fan finished speaking, he continued: “If you have no money, there is another way...”

“What way?” Watanabe Fumio asked happily.

Because in his opinion, the only expert he can find is Lao Fan who can fight with Qiandao River, so if Watanabe Fumio has a way, he must hire Lao Fan!

“I heard that you have a 10,000-year-old Fuji Snow Lotus in your hand. If you hand over this thing, I can consider it!”

Lao Fan said lightly.

This sentence made Fumio Watanabe instantly stunned on the spot!

Because he owns the Ten Thousand Years Snow Lotus, no one knows about it, not even the top officials of the Watanabe family or even the shrine.

Otherwise, this snow lotus would have been required to be handed over to the shrine.

But it is such a secret matter, how did Lao Fan know about it?

Watanabe Fumio is very puzzled, but since Lao Fan said it, he must know for sure!

“Fan Ye, actually... In fact, that snow lotus flower has already dried up now, it’s just a specimen, and it has no value.”

Watanabe Fumio explained.

“I don’t care if it’s valuable or not, I just ask if you are willing to take it out?”

Lao Fan asked Watanabe Fumio, staring intently.

“This...” Watanabe Fumio hesitated, then looked at Yumiko, and finally gritted his teeth: “Okay, I’m willing to take it out, as long as Fan can kill that Qiandagawa.”

“Hahaha, don’t worry . Well, then Qiandaochuan is dead...”

When Lao Fan heard this, he burst out laughing!

David and the others followed Watanabe Fumio to the Watanabe family's villa. You must know that this is the place where the head of the Watanabe family lives, and it is the core location!

But David came here at this time. If Watanabe Fumio found out, he would probably be pissed off!

“Watanabe Fumio, take out what you promised. We have to see your sincerity. If you are full of sincerity, let alone Kazuo Watanabe, even if you destroy the Qianzuru Shrine, it is not impossible. It ‘s...”

Lao Fan said in a serious tone.

When Watanabe Fumio heard this, he nodded again and again and ordered people to bring a lot of resources, while he went to the bedroom himself. After a while, he came out with a transparent glass box!

Inside that glass box, there is indeed a snow lotus flower, but the snow lotus flower has dried up, so you can't feel the slightest spiritual energy at all!

Lao Fan took the snow lotus, his eyes were straight, and he smiled lightly: “This is a good thing...”

Lao Fan carefully put away the snow lotus, and then said to Watanabe Fumio: “Okay, here it is. We will arrange a place to live, so you don't have to worry about the affairs of the Watanabe family.”

Seeing this, Fumio Watanabe nodded quickly and brought the largest villa to Lao Fan and David to live in!

“Lao Fan, this snow lotus flower is already like this, what do you want this thing for?”

Hu Mazi asked Lao Fan very puzzled.

“What do you know, I have a way to bring this snow lotus back to life.”

Lao Fan said, gently opened the glass box, then took out a pot of wine from his waist, and poured it directly into it!

Hu Mazi followed David with a confused look. Wouldn't this old fan come to the bar with Wannian Xuelian?

But soon, a magical scene happened, along with the snow lotus being soaked in wine, the snow lotus actually began to slowly come to life, and the color slowly became brighter!

Immediately afterwards, a large amount of spiritual energy in the room began to spread continuously, and a light breath made people feel relaxed and happy!

Seeing this, Hu Mazi and David are both envious. If they can make this ten thousand year snow lotus flower into a medicinal pill, it will be able to improve their strength.

If it is David, it is estimated that he can break through to Wu Sheng, but this snow lotus is old Fan, they can't grab it!

Chapter 2009

“Lao Fan, you have taken someone's belongings now, are you sure you will kill that Qiandaochuan

?” Hu Mazi asked Lao Fan. Lao Fan shook his head: “I'm not sure...” Hu Mazi was stunned:

“You're not sure, how dare you brag about it, and even destroy the shrine, are you bragging too much?”

“I'm not bragging . Yeah, I'm not sure, but someone is sure!” Lao Fan said.

“Who?” Lao Fan pointed at David: “He, he can definitely beat the Qiandao River, and with his strength, even if the shrine is destroyed, it should be no problem.” “Me?” David was stunned .

“I’m not as powerful as the Great Marquis of Wu right now, and I’m not as powerful as you said.” “You will soon become a Martial Saint.” Lao Fan said, but he threw the Wannian Snow Lotus directly to David:

“Take this thing Here, after adding other resources, I think you will definitely be able to break through. When you break through to Martial Saint, the Watanabe family, and the Qianhe Shrine are just floating clouds in your eyes.”

“For me?” David’s eyes widened in disbelief. He didn’t expect Lao Fan to give such an expensive thing to himself. “You pay for the drink for me, and I’ll give you this thing, and it’s considered even.” “Besides, this thing is useless in my hands...

” Lao Fan smiled lightly. David didn’t understand what Lao Fan meant, but seeing Lao Fan suddenly shot at David, David also shot in a hurry! When the two palms touched each other, David’s eyes showed surprise!

Because he found out that Lao Fan has a forbidden force in his body, which seems to be controlling his strength!

Moreover, Lao Fan’s strength is not as high as he imagined, and now it is at most the sixth-rank Great Marquis.

How can this kind of strength make many people afraid?

Seeing David’s appearance, Lao Fan smiled slightly and said, “When I killed all the killers in Xijing, it was a sensation, but it also attracted a master from the island country to come forward, and directly abolish my cultivation base and only keep it for the Marquis of Great Wu. Realm, and the power of the taboo.”

“No matter how I cultivate, it is impossible to increase my cultivation base, so I can only increase the remuneration for assassination to tens of billions of dollars, in order to prevent people from looking for me. “

With my current strength, it is impossible to assassinate people any more. I have lived on my previous fame all these years.”

“The reason why I agreed to that Watanabe Fumio is because I know that your strength is a little better, and Watanabe is more than capable.” Fumio’s 10,000-year-old snow lotus can also help you a lot.”

Lao Fan’s words made David feel a burst of sadness.

“Fan Lao, don’t worry, I will find a way to break the forbidden power in your body.”

David said firmly.

But Lao Fan waved his hand: “No, I’m fine this way. I’ve long since lost my pursuit of strength. It’s more comfortable to drink and have fun.”

Hu Mazi looked at Lao Fan, he didn’t expect his old friend , there is such an experience!

David made the ten thousand year snow lotus flower and some resources into a medicinal pill, and then swallowed it!

A strong spiritual energy is constantly wandering!

A week later, a large black cloud suddenly appeared over Watanabe Fumio's villa, covering the entire sky.

This sudden vision made many people stop and watch, and Watanabe Fumio even raised his head with a solemn expression!

Suddenly a vision appeared from the sky, which was probably going to be detrimental to their family!

Only Hu Mazi and Lao Fan were full of excitement!

"I didn't expect that this kid David would break through so fast..."

Lao Fan said slowly.

"The real body of the golden dragon, this kind of bloodline is not a joke, let's stay away, we will be struck by the thunder for a while, and I will be stunned in an instant."

Hu Mazi said, and hurriedly left the villa!

Lao Fan is also behind Hu Mazi, dodging far away!

Chapter 2010

Rumbling.....

The black clouds are getting lower and lower, and along with the rumble of thunder, it seems to cover the entire villa of Fumio Watanabe's family.

"Dad, this... What the hell is going on here? I'm afraid..."

Yumiko looked at the scene in shock and hid behind Watanabe Fumio!

Tanimoto Jiahui was also pale, clutching Watanabe Fumio's clothes tightly!

At this moment, Fumio Watanabe himself was shocked, but because of his wife and daughter, he could only try to keep calm!

click!

Suddenly, a flash of lightning flashed across and slashed straight on the villa where David was!

Rumbling.....

Under this lightning bolt, the villa suddenly collapsed with a bang!

"Ah..."

Yumiko screamed in fright and kept stepping back!

Watanabe Fumio also hurriedly pulled his wife back, looking at the originally intact villa, which was now in ruins, and Watanabe Fumio felt a little uncomfortable!

At this time, Fumio Watanabe saw Lao Fan and Hu Mazi running over, and hurriedly asked, "Master Fan, what happened? How could this be?"

"Fumio Watanabe, your family will be lucky in the future, and the gods will descend from the sky. It's ..."

Lao Fan said with a little playfulness.

“God descended from the sky?”

Watanabe Fumio was stunned, but a surprise flashed on his face soon!

Ka...

Another flash of lightning flashed down, slashing at the place just now!

At the moment when the lightning struck, I saw David’s body exuding a faint golden light, slowly rising up!

The lightning struck David’s body, and David’s body felt as if he had suffered an electric shock, and bursts of burnt smell came out!

“This...”

Watanabe Fumio widened his eyes when he saw this scene.

“David...”

Yumiko shouted involuntarily!

But David didn’t seem to hear it, his eyes were closed, his body exuded golden light, and he floated in the air motionless!

Ka...

bang rumbling.....

Tianlei began to bombard David's body continuously!

Lao Fan looked at David in midair and couldn't help but sighed: "I've never seen it, just being promoted to the Out of Aperture Realm, to be so moving, to suffer such a thunderstorm..."

Hu Mazi couldn't help but be amazed: "This time David is promoted, I am afraid that no one in the entire world will be his opponent anymore."

Watanabe Fumio listened to the conversation between the two, and his face was also stunned!

Because he doesn't know what the out-of-body realm is at all, let alone the world of the world. In their eyes, there is only the existence of the martial arts realm, and they don't know that there are immortal cultivators and the existence of secret realms in this world!

Rumbling....

The thunder is still falling, Yumiko watched nervously, sweat on her forehead, her fists clenched tightly, she should be worried about David!

When the ninth thunderbolt struck down, the black clouds in the sky began to drift away.

The bright sun shines back on the earth again, and David's body is slowly descending!

“This... Is this David the god Fan said?”

Watanabe Fumio looked up at David, his face full of incredulity!

“Yes, go meet your gods...”

Lao Fan nodded!

Watanabe Fumio hurriedly took his wife and daughter towards David!

Hu Mazi followed Lao Fan and walked over!

“David, you...you broke through?”

Hu Mazi asked happily.

David nodded and felt the aura of qualitative change in his body. David did not expect that the improvement of a great realm would increase his strength so much!

At this moment, David’s body is like jade, emitting a faint cyan light. Even if he has not activated his indestructible golden body, David can still resist the attack of Martial Saint with his physical body!
