

## **A Man Like None Other Chapter 2011 – 2020**

### **Chapter 2011**

“Mr. Chen, you... you are a god, but I am ignorant. I neglected Mr. Chen.”

Watanabe Fumio hurriedly stepped forward to apologize!

If you know that David is a god, it is to enshrine David.

“God?” David was stunned, not understanding what Watanabe Fumio said!

Seeing this, Hu Mazi hurriedly explained it to David, only then did David know that it was Lao Fan who did it!

You must know that the islanders believe in gods very much.

“Patriarch Watanabe, you can take me to find Watanabe Wen’an now.”

David has just been promoted, so he can’t wait to find someone to really show it.

“Okay!” Watanabe Fumio nodded again and again...

.....

Watanabe Fumaki Villa!

It is not far from Watanabe Fumio’s villa, only a few miles away.

At this time, Watanabe Fumishi and his son Watanabe Taro were watching the direction of Watanabe Fumio's villa.

"Father, what happened just now? Is it going to rain heavily?"

Taro Watanabe asked in confusion.

Watanabe Wen'an also frowned slightly, with a puzzled look on his face: "No, I haven't heard that there will be a heavy rainstorm, how can the sky suddenly change?"

"Don't worry, hurry up and prepare, go to your great-grandfather's place. , the general election is imminent, this time I must sit in the position of the head of the family."

Watanabe Fumigan walked back to the room.

But not long after Watanabe Fumigan returned to his room, Watanabe Fumio brought David!

Looking at the door in front of him, David kicked it with one kick, and the pure copper door was instantly smashed by the kick!

Hearing the movement, the guards of Watanabe Fumigan's house rushed out with samurai swords, and dozens of people directly surrounded David!

Watanabe Bunkishi also walked out of the room angrily!

When he saw that it was Watanabe Fumio with a young man, he couldn't help frowning!

“Brother, what do you mean? Are you bringing someone to smash my door?”

Watanabe Fumigan asked Watanabe Fumio.

“I’m not here to smash your door, I’m here to find you, haven’t you always wanted to avenge your son? Your enemy is right in front of your eyes.”

Watanabe Fumio pointed at David and said.

Watanabe Wen’an was stunned for a moment, then looked at David, frowned and said, “Is he David?”

David nodded: “Yes, I am David, and I killed Ichiro Watanabe.”

“Impossible, then David was killed by Kazuo Kawaguchi long ago, how could you still be alive.”

Watanabe Fumigan didn’t believe it at all!

David smiled lightly: “If you don’t believe it, you can call Kazuo Kawaguchi and ask, will it be clear soon?”

“Just like Kazuo Kawaguchi, he is also worthy of killing me?”

David’s words made Watanabe Fumigan’s face change. It was a little ugly, and then he winked at Taro Watanabe, which was to ask Taro Watanabe to call Kazuo Kawaguchi to confirm!

However, Taro Watanabe fought for a long time, and Kazuo Kawaguchi did not answer. At this time, Watanabe Bunkishi narrowed his eyes and began to believe.

“Brother, as the head of the Watanabe family, but you colluded with the enemy, what is your intention? Don’t you know that he is the murderer of Ichiro?”

Watanabe Fumian asked Watanabe Fumio.

But who knew that Watanabe Fumio smiled coldly: “Wen’an, you don’t need to say anything. In order to compete with me for the family master, what can’t you do? Now the brotherhood between you and me has been broken!”

“You colluded with Kazuo Watanabe, an old man, and deliberately wanted to send Yumiko to the shrine. I will never agree.” When

Watanabe Fumigan heard this, he couldn’t help sneering: “Watanabe Fumio, you thought you colluded with this. David, can you resist Grandpa’s orders? What you did today saved me a lot of trouble...”

“Go ahead, kill this kid for me...”

Watanabe Fumigan waved his hand, and dozens of people immediately The guards all rushed towards David.

## **Chapter 2012**

“Stop, I’m still the head of the Watanabe family, you all step down...”

Watanabe Fumio said a word, and the guards all stopped in fright!

After all, they are all servants of the Watanabe family, and they dare not refuse to obey when the head of the family speaks.

“Do it, I will let you do it...”

Watanabe Fumigan roared, but those people didn't dare to move at all!

You must know that the hierarchical system of the island country is very strict. Now Watanabe Fumio is still the head of the Watanabe family, and they have to listen to the words of the head of the family!

Seeing this, Watanabe Fumigan angrily broke open and cursed, but there was absolutely nothing he could do!

“Watanabe Wen'an, you are dead today...”

David looked at him coldly, and slowly walked towards Watanabe Wen'an!

Seeing this, Watanabe Funkishi pulled Watanabe Taro and kept retreating, all the way back into the room!

Bang.....

Suddenly, there was a loud noise in front of David, followed by a white smoke!

David waved his hand, and the white smoke dissipated, but Watanabe Fumigan and Watanabe Taro disappeared!

“It's broken, he escaped through a secret passage in his villa...”

Seeing this, Fumio Watanabe couldn't help frowning!

"Don't worry, they can't escape..."

David closed his eyes slightly, and his consciousness instantly enveloped the area for several kilometers!

Soon the whereabouts of Watanabe Fumigan and Watanabe Taro were captured by David.

"Let's go..."

David said, and his figure disappeared in an instant!

Seeing this, Watanabe Fumio hurriedly chased after him!

Following the breath of Watanabe Fumigan, David chased towards the foot of Mount Fuji!

.....

Kazuo Watanabe's hut at the foot of Mount Fuji!

At this time, outside the hut, a large number of samurai gathered!

And Kazuo Watanabe is in the hut, and has a meeting with many of the Watanabe family's collateral!

"Wenxiong hasn't moved at all in the past few days. I don't think he will send his daughter to the shrine."

An elder from a collateral clan said.

“Yes, I also heard that Watanabe Fumio has been secretly contacting Daxia, as if he wanted to get Daxia’s help, and the family moved to Daxia.”

“I also heard that Watanabe Fumio found the killer Fan. Grandpa, I want to spend tens of billions of dollars to kill my grandfather!”

Some collateral began to keep saying cautiously, Kazuo Watanabe didn’t say a word, but his wrinkled face was already full of anger!

“Hmph, I really thought I was getting old. If I don’t ask about family affairs, he can ignore me.”

Kazuo Watanabe snorted coldly!

At this moment, the door of the room was suddenly knocked open, and Watanabe Fumigan and Watanabe Taro rushed in in a panic.

Seeing that it was Watanabe Fuman, and still so panicked, Kazuo Watanabe frowned and said, “You bastard, no matter how big or small, can you break into this place casually?”

“Grandpa save me, grandpa save I, my eldest brother brought David to kill him, he wanted to kill me, and he also said that he wanted to kill my grandfather together.”

Watanabe Fuman shouted at Kazuo Watanabe!

“What?” Kazuo Watanabe stood up suddenly!

The others also exclaimed in surprise. Unexpectedly, Watanabe Fumio actually tore his face and publicly chased and killed his own younger brother!

“Then who is David?”

At this moment, someone asked Watanabe Fumigan.

“It’s the guy who killed my son Ichiro Watanabe. I heard that he is very strong.”

Watanabe Fumigan explained.

“Daxia people? It seems that this Watanabe Fumio is really determined to follow Daxia...”

Hearing this, Watanabe Kazuo became even more angry!

However, Qiandaochuan, who had been closing his eyes, slowly opened his eyes: “Whoever dares to come here to make trouble will only die...”

Qiandachuan held a samurai sword, slowly got up, and looked out the window sharply. !

“With Master Qiandaogawa here, doesn’t Watanabe Fumio really have the courage to chase here?”

A high-level executive said.

“Come, come with me, I want to kill this traitor.”

Kazuo Watanabe said slowly.

When Watanabe Funkishi and Watanabe Taro saw this, they hurried forward and helped Kazuo Watanabe to walk outside!

### **Chapter 2013**

At this time, David and Watanabe Fumio are chasing closely!

After Bian Wenxiong saw the direction of chasing, there was a little panic in his eyes!

“Mr. Chen, we... Shall we wait for Fan Ye? In front of us is the ancestral house of our Watanabe family, where Kazuo Watanabe lives. The Qiandao River must be there, I’m afraid...”

Watanabe Wen Xiong was afraid that David himself would not be able to deal with Qiandaochuan!

Although David was hit by thunder today, but without real insight into David’s strength, Fumio Watanabe was still a little worried!

After all, if this fails, none of their family members will even want to live!

“If you are afraid, you can go back. When I kill them all, I will inform you...”

David kept walking, still heading towards the foot of Mount Fuji!

When Watanabe Fumio saw this, he could only bite the bullet and keep up!

Soon, David arrived in front of the wooden house at the foot of Mount Fuji. Looking at the hundreds of samurai in front of the wooden house, as well as Kazuo Watanabe and others, David stopped!

Kazuo Watanabe looked at Watanabe Fumio and David coldly, and shouted angrily: “Watanabe Fumio, you scum of the Watanabe family, you actually colluded with the Daxia people to kill your younger brother, it’s just damn...”

Du Although Yifu Bian is near, his voice is as loud as a bell.

Watanabe Fumio didn’t dare to speak, and he didn’t know how to refute it. If they hadn’t forced him to send his daughter to the shrine, Watanabe Fumio wouldn’t have gotten to where he is now!

With Kazuo Watanabe’s anger, hundreds of samurai surrounded David and Watanabe Fumio.

Although these people are also members of the Watanabe family, they just won’t listen to Fumio Watanabe. These people are samurai from those collateral families, and they won’t listen to Fumio Watanabe at all.

“Watanabe Fumio, you are the shame of our Watanabe family. If I don’t kill you today, I will be sorry for the ancestors of my Watanabe family...”

“Watanabe Fumio, you are a beast, not as good as pigs and dogs...”

... ..

Some collaterals of the Watanabe family scolded Watanabe Fumio, and Watanabe Fumio was overjoyed when he saw this situation.

“Stop talking nonsense with him, kill them...”

Kazuo Watanabe said coldly.

As soon as the words fell, hundreds of samurai rushed towards David and Watanabe Fumio!

Watanabe Fumio's face turned pale all of a sudden, and he exerted the energy in his body to the extreme!

On the other hand, David was facing hundreds of warriors, his eyes were full of indifference and disdain!

Even when he was not promoted to Martial Saint, he was not afraid of these warriors!

What's more, the current David has been promoted to Martial Saint!

"Hmph, a bunch of ants..."

David snorted coldly, using his hand as a knife, and waved it gently!

A dazzling ray of light shot out from his hand in an instant. Driven by the huge spiritual power, the ray of light began to skyrocket, suddenly becoming several meters long, and then volleyed down!

In the void, the light instantly drew a blade that was more than ten meters long!

The blade was extremely sharp, and instantly cut off the dozens of warriors who were rushing in front of them!

"Ah..." The

screams rang out!

The bloody smell is mixed with all kinds of unpleasant smells, which makes people feel sick!

The samurai who was not cut off by the laziness and rushed behind, did not stop in time, and kept tripping over by the corpse in front!

For a time, many samurai were covered with blood and internal organs!

This terrifying scene made all the warriors feel as if they had suffered a heavy blow, and they were all scared and dumbfounded!

At this moment, even Kazuo Watanabe and those collateral members of the Watanabe family were stunned, their faces filled with disbelief!

Especially Watanabe Fumio, who was beside David, opened his mouth wide and looked at David blankly.

“Using qi as a sword seems to be almost meaningless, it is not as powerful as the Dragon Slaying Sword...” As

he spoke, the Dragon Slaying Sword suddenly appeared in David’s right hand!

The Dragon Slaying Sword exuded bursts of green light, terrifying coercion, and instantly overwhelmed the panicked warriors to the ground. Some warriors knelt on one knee, not wanting to fall on the ground full of blood and internal organs!

**Chapter 2014**

David held the Dragon Slaying Sword and swung forward suddenly, the blue sword light instantly brought afterimages in the air, the whole person seemed to be cut off from the void, and the sound of air explosions continued to sound. , and the remaining dozens of warriors, all under this sword, died!

Two strokes, just two strokes!

Hundreds of warriors have fallen in a pool of blood at this moment, and have no breath!

You must know that these samurai are not ordinary people, they are all elites of the Watanabe family, but in front of David, they were killed like chopping melons and vegetables.

Hundreds of people just disappeared, the bloody smell in the air stimulates everyone's brain!

Kazuo Watanabe's aged body is shaking constantly, and he has long lost his composure!

And Watanabe Funkishi and his son, they were so scared that they almost wet their pants!

And Qiandaochuan's pupils shrank, looking at David as if he was facing a great enemy, and tightly holding one hand on his worn-out samurai sword.

"Chen...Mr. Chen...No...Master, please kill the people here and save the lives of me and the little girl..."

Watanabe Fumio knelt at David's feet, his face respectful and worshipful, his head tightly Knock on the ground.

At this moment, in Watanabe Fumio's heart, David is already the real god and their master!

Seeing Fumio Watanabe's actions, Kazuo Watanabe and other collateral people were all furious.

"Qiandao, kill this kid, and cut that traitor Watanabe Fumio with a thousand swords..."

Watanabe Kazuo said with red eyes.

After hearing this, Qiandaochuan slowly pulled out the quaint samurai sword in his hand and threw away the scabbard in his hand. Qiandaochuan held the sword in both hands with a solemn expression on his face!

Seeing David beheading hundreds of warriors with his own eyes, Qiandaochuan did not dare to be careless!

Although Qiandaochuan's samurai sword is simple and outdated, the moment when the blade comes out of the body, there is still a burst of chill!

There is an inseparable reason why Qiandao Chuan can become a master of kendo, and the samurai sword that follows him is also inseparable!

This samurai sword cuts iron like mud and is extremely sharp!

Brush...

Qiandaochuan gently waved the samurai sword in the air, and instantly a white horse was cut out in an instant. Get crushed!

While the others were shaken by the cold sword light...

Feeling the breath of the samurai sword in Qiandagawa's hand, the people of the Watanabe family felt a little more settled, especially Kazuo Watanabe.

"Fumio Watanabe, you traitor of the Watanabe family, you actually colluded with the people of Daxia to do something to your relatives."

"Today is your death, including your family, and your daughter..."

Kazuo Watanabe's eyes He looked at Fumio Watanabe full of viciousness.

When Watanabe Fumio saw that Watanabe Kazuo mentioned his family, the corners of his eyes began to twitch.

"I beg the master to kill everyone..."

Watanabe Fumio knelt in front of David and pleaded.

"Okay..."

David looked down at Fumio Watanabe and spit out a good word!

The good words came out, and the Dragon Slaying Sword in David's hand instantly burst into a sword energy, and the sword energy was vertical and horizontal, heading towards Kazuo Watanabe and others!

Seeing this scene, Kazuo Watanabe and the others turned pale with fright, and kept hiding behind Qiandagawa!

Qiandagawa frowned, and the samurai sword in his hand also waved vigorously!

A silver blade exploded instantly and collided directly with David's sword glow!

Boom.....

With a loud noise, the sword beam was directly smashed, and the burst of energy began to shoot towards the surroundings. Those warriors who were already dead were injured by the burst of energy at this time, and the corpses were directly All shredded.

The scene became more cruel and bloody!

#### **Chapter 2015**

's just that Kazuo Watanabe and the others became happy when they saw it.

Qiandaochuan easily blocked David's blow, which instantly made them full of confidence.

They even began to think about how to torture David to follow that Watanabe Fumio.

However, none of these people noticed that Qiandagawa was clenching the hands of the samurai sword, trembling slightly at the moment!

Qiandagawa's face was very solemn, and his knife was not as simple as Kazuo Watanabe and the others saw.

Thinking that Qiandaochuan had tried his best from the very beginning, because facing David, he did not dare to be careless!

“You protect the old man and go first...”

Just when Kazuo Watanabe and the others were full of confidence and joy, Qiandagawa spoke up!

Qiandaochuan’s words instantly stunned everyone.

“Master Qiandao, why do we take grandpa to go first? Can’t you beat that David?”

“Yes, as soon as Master Qiandao makes a move, if you don’t kill that David, we have to watch them die tragically.”

“Then David killed so many of us, we must not let him go.”

These people from the Watanabe family shouted!

It seemed that they didn’t want to leave at all, but wanted to see how David and Watanabe Fumio died.

Seeing the idiots of the Watanabe family, Qiandagawa began to plan how to escape. If he lost to David, he would escape by himself, leaving these idiots of the Watanabe family alone.

“Master Qiandao, I believe in you, so I can’t go anywhere, this is my place...”

After Kazuo Watanabe finished speaking, he even had someone move a chair and sit down!

Seeing this, Qiandaochuan could only be speechless for a while...

As the so-called ignorant and fearless, it is these people who are talking about.

At this time, David, after following the Qiandaochuan to make a move, instantly understood the strength of the Qiandaochuan!

If he had encountered Qiandaochuan two days ago, David would not have any confidence!

But at this time, David has already stepped into the realm of Martial Saint, and if he wants to deal with this Qiandaochuan, it is just a matter of grasping it!

“Your Excellency is so powerful, you must be a well-known figure in Daxia. I hope you can find your way back and don’t interfere in the affairs of the Watanabe family.”

“If you have any misunderstanding with the Watanabe family, I am willing to follow the Watanabe family on behalf of the family. Your Excellency, I apologize.”

Qiandaochuan lowered his stance and said to David.

“Master Qiandao, what do you mean? As a native of the island country, how can you apologize to the people of Daxia?”

“They are not worthy at all, they are just a bunch of sick men...”

Kazuo Watanabe saw Qiandaochuan actually following David. Being so polite, he suddenly looked angry.

Kazuo Watanabe dislikes Daxia people the most, and is very stubborn.

Qiandagawa glanced at Kazuo Watanabe and wanted to say something, but he didn't say it.

However, after David heard the words of Kazuo Watanabe, a terrifying killing intent burst out from his body instantly!

"If you can block my move, I can spare your life."

"And these people must die..."

David's cold eyes swept over the people of the Watanabe family, who had already been killed. David sentenced to death!

"Okay!"

Qiandagawa nodded.

As long as he blocks the next move, Qiandaochuan will leave without hesitation.

Seeing Qiandagawa's promise, Kazuo Watanabe and the people of the Watanabe family were all stunned.

Before they could react, David raised the Dragon Slaying Sword aloft, and the Dragon Slaying Sword faintly exuded a blue light!

"Cut..." The

sword qi whistled, and a golden dragon soared into the air, emitting a long roar, and the terrifying aura moved towards the Qiandao River!

“Broken...”

Seeing this, Qiandaochuan’s face changed wildly. He didn’t expect David’s seemingly ordinary sword to contain such a huge amount of energy, especially the golden dragon transformed into sword energy, which seemed to devour everything. !

## **Chapter 2016**

And Kazuo Watanabe and the others, seeing the golden dragon roaring over, were already scared and dumbfounded!

They never thought that there would be such a miraculous means even with an ordinary sword swing!

Is that human being?

Just like a fairy.

Qiandagawa held the samurai sword in his hand, ignoring the people of the Watanabe family.

The dazzling blade shot out in an instant, like a bolt of lightning slashing from the sky, instantly slashing towards the golden dragon!

This sword brought together all the strength of Qiandaochuan, and he did not dare to slack off in the slightest!

“Boom...” The

sword qi and the blade collided again!

It's just that this time David did not swipe at will, but added the power of the dragon to the sword of the Dragon Slaying Sword!

With a burst of sound, the scattered energy once again made the scene bloody!

David stood still with the Dragon Slaying Sword in his hand, and Qiandaochuan didn't move either!

Qiandagawa's hand was still holding the samurai sword!

"Master Qiandao, Master Qiandao..."

Watanabe Wengan softly called Qiandaochuan twice, but unfortunately Qiandaochuan stood motionless as if he hadn't heard it!

When Watanabe Fumigan stood in front of Qiandao River and wanted to check it out, he found that Qiandao River's eyes were wide open and his eyes were not moving.

Looking down, I can see the neck of Qiandao River, a thin red line is constantly expanding!

"Ah..."

Watanabe Fumigan exclaimed in horror!

It was Watanabe Fumigan's exclamation that instantly caused a wave of fluctuations in the space!

However, Qiandagawa's head suddenly fell from his body and rolled in front of Kazuo Watanabe!

Until this time, Qiandagawa's body went straight down!

Kazuo Watanabe looked at Qiandagawa's head under his feet, and the whole person was stunned!

In their hearts, Qiandaochuan was an invincible kendo master!

Now he was actually beheaded by David with a sword, and even his head was chopped off.

Looking at Qiandagawa's corpse, none of the Watanabe family members responded yet!

All of them were dumbfounded, unable to believe everything in front of them!

"This...how is this possible?"

Kazuo Watanabe muttered.

No one answered him, because these people from the Watanabe family are all in a state of confusion at the moment!

After a long time, these talents of the Watanabe family really reacted!

When they looked at David's eyes, they were full of endless fear!

David is so terrifying, they don't even know how to describe it!

Many of the Watanabe family's collateral, but they looked at Watanabe Fumigan angrily, with reproach in their eyes!

If Watanabe Wen'an hadn't provoked David, how could David come to the island country to trouble their Watanabe family?

But now no matter how much you blame, it's too late!

At this time, Watanabe Fumio looked at Qiandagawa who was killed by a sword, and admired David even more.

Kneeling at David's feet all the time, he didn't dare to lift his head!

David held the Dragon Slaying Sword and walked towards the people of the Watanabe family step by step!

Seeing David walking over with murderous intent, all the people in the Watanabe family were so frightened that their faces changed drastically!

"Watanabe Wen'an, it was you who brought disaster to my Watanabe family. You caused all this, and you must be responsible for it."

"Go and apologize to Mr. Chen right now, and then use your life. Atonement..."

Seeing this, Kazuo Watanabe could only push Watanabe Fuman out.

After all, the target of David's revenge is that Watanabe Fumigan, as long as Watanabe Fumigan dies, they may still have a way to live!

"Yes, it's all caused by you, and you have to bear it yourself."

"Don't implicate us, our Watanabe family doesn't have you."

After Kazuo Watanabe fell into trouble, others also accused Watanabe Wen. shore!

This made Watanabe Fumigan look surprised!

## **Chapter 2017**

"Grandpa..."

Watanabe Fumigan looked at Kazuo Watanabe!

"If you don't die, do you still want us to be buried with you?"

"If you die, your family won't have to worry about it."

Kazuo Watanabe glared at Fumigan Watanabe!

Watanabe Fumigan was helpless, he could only take a step forward, and then knelt down in front of David!

David looked at that Watanabe Wen'an coldly, without saying a word, just kicked a samurai sword in the past!

Watanabe Fumigan looked at the samurai sword in front of him, he understood what David meant!

Slowly picking up the samurai sword, Watanabe Wen'an looked up at David: "I can die, but I hope you can let other people go..."

But David didn't even look at Watanabe Wen'an. Ignore him!

Seeing this, Watanabe Fumigan sighed helplessly, gently wiped the blood on the samurai sword, and suddenly stabbed him in the abdomen!

But just as Watanabe Fumigan stabbed himself in the abdomen, a cold light flashed in his eyes, followed by a flick of his wrist, and the samurai sword turned!

He stabbed David in front of him fiercely.

At this time, David was very close to Watanabe Fuman, and he was unprepared!

Pfft...

This knife was directly stabbed in David's abdomen by Watanabe Fumigan!

But just when Watanabe Fumigan was happy, he suddenly found that the samurai sword seemed to be stuck after stabbing a certain distance.

No matter how hard Watanabe Fumigan tried, he couldn't stab in again!

Watanabe Wen'an was startled, he looked up suddenly, and found that David was looking at him with a sneer!

Immediately afterwards, Watanabe Fumaki only felt a flash of white light in front of his eyes.

Watanabe Wen'an's head was cut off by David's sword, and the samurai sword fell off Watanabe Wen'an's hand!

At this time, the guys in the Watanabe family could see clearly that the samurai sword did not penetrate David's abdomen.

Not even the slightest wound was left!

David, who was promoted to Martial Saint, is not someone who can break through the strength of his physical body.

Pfft...

This time, everyone in the Watanabe family knelt down, and even the mighty Watanabe Kazuo knelt to the ground tremblingly!

They are all begging for David's forgiveness, praying that David can let them go!

Looking at the people of the Watanabe family who were kneeling in a row, David didn't have the slightest pity in his eyes!

"Fumio Watanabe..."

David shouted!

Watanabe Fumio slowly got up and walked towards David!

“The matter of the Watanabe family, you solve it yourself...”

After that, David put away the Dragon Sword and took a few steps back!

When Watanabe Fumio saw this, he picked up a samurai sword directly from the ground, and slowly walked towards the people of the Watanabe family who were kneeling on the ground!

Watanabe Fumio’s eyes are full of complicated expressions!

“Fumio, what are you doing? I’m your grandfather...”

Kazuo Watanabe shouted to Watanabe Fumio, shaking his body.

The rest of the Watanabe family also started playing emotional cards with Fumio Watanabe, hoping that Fumio Watanabe could let them go!

Watanabe Fumio holds a samurai sword, and his heart is very entangled and painful!

If David killed these people, Watanabe Fumio would not feel much.

But if he was allowed to do it himself, Watanabe Fumio was very entangled!

Watanabe Fumio slowly turned his head to look at David.

He hoped to get the answer from David.

At this time, whether David let him do it or let him go, Watanabe Fumio will obey without hesitation!

But who knows that David did not give Watanabe Fumio any instructions!

Instead, turn around and walk towards the road you came from!

Whether Fumio Watanabe will do it, David will not care!

If Bian Wenxiong did not hesitate to let these people go, David would kill him without hesitation.

Because David once said to Qiandaochuan that these people in the Watanabe family must die.

David at this time was just a test for Fumio Watanabe.

“Ah...”

David just turned around when a scream came from behind!

Watanabe Fumio's eyes were red, as if he was in madness, he kept hacking and killing his own people!

**Chapter 2018**

Watanabe Fumio Villa!

Hu Mazi and Lao Fan are lying in a luxurious hot spring!

There is a good liquor beside Lao Fan, and next to Hu Mazi are two young girls, who are gently massaging Hu Mazi! “Lao Fan, do you think David can beat that Qiandaochuan

?” Hu Mazi asked worriedly. After all, Hu Mazi doesn’t know these warriors in the island country, so I don’t know if David can beat him! “Don’t worry, if the guess is good, with just one move, Qiandaochuan will be killed.” “I guess I will be back soon...” Lao Fan drank his wine leisurely! As soon as the voice fell, David came back with Watanabe Fumio! “Dad...” Yumiko saw that Watanabe Fumio was back, so she hurried forward and asked, “Dad, how is it?” “Those people were killed by the master, including that Qiandagawa.” Watanabe Fumio said excitedly. “Master?” Yumiko was taken aback. “Yes, Mr. Chen will be the master of our Watanabe family in the future, and the people of our Watanabe family must unconditionally obey the master’s words.” Watanabe Fumio said. Yumiko looked at David’s back in surprise, but David didn’t say a word. David didn’t have much interest in being the owner of the Watanabe family! Maybe after this time, he will never come to the island country again! David walked to the backyard of the villa and saw Lao Fan and Hu Mazi were leisurely soaking in the hot spring, and Hu Mazi had two girls waiting on him, he couldn’t help but smile!

Seeing this, Hu Mazi quickly got up and drove the two girls away.

“David, how is it? Can you do that Qiandao River?”

Hu Mazi asked.

“One move...” David said lightly.

“Old Hu, I’ll just say, to deal with that Qiandaochuan, it’s just a trick.”

Lao Fan said with a laugh.

“Master Hu, you’re ready, we’re going back.”

David planned to go back to China, but now Watanabe Wen’an is dead, he wants to go back and find a way to Sonya.

After all, rescuing Sonya was the most important thing.

And this trip to the island country, David was promoted to Wu Sheng, which made David more confident and rescued Sonya.

“Go back? Leave so soon?”

Hu Mazi was taken aback.

“Yes!” David nodded.

Although Hu Mazi was a little reluctant, there was nothing he could do.

But when Watanabe Fumio saw that David was going to return to China, he knelt in front of David with a thud.

“Please help us, the Watanabe family, to get rid of the control of Qianzuru Shrine.”

Watanabe Fumio knows that although everyone in the Watanabe family has been dealt with now, no one is threatening his position as the head of the family!

But has the divine society let him go?

After David leaves, the shrine will definitely trouble him, and their family may die even worse.

David looked blankly at Fumio Watanabe: "I can help you kill Qiandagawa, which is a reward for your snow lotus, I have no obligation to help you destroy Qianhe Shrine, and I also I don't have that time."

"Master, my Watanabe family is willing to follow the master forever and contribute resources to the master every year..."

Watanabe Fumio keeps kowtow to David!

"David, I think you should stay. The resources in Qianhe Shrine are much richer than those of these martial arts families, and each shrine will have their own gods!"

"The strength gathered in the bodies of these gods should be It's what you want."

Lao Fan persuaded David with a glass of wine.

David glanced at Lao Fan, and after a moment of contemplation, he nodded: "Okay..."

Seeing David's agreement, Fumio Watanabe was full of excitement!

At night...

David was lying on the bed, his thoughts were all about how to rescue Sonya!

Then came the sound of soft footsteps.

David stood up abruptly, but saw that the door was pushed open, and Yumiko walked in naked!

### **Chapter 2019**

Snow-white fragrant shoulders, slender thighs, and emotion in his eyes!

David was stunned, but saw Yumiko kneeling in front of him!

“Master, I will wait for you to fall asleep at night...”

Yumiko’s face turned red, she looked at David with fiery eyes, and she kept touching David with both hands!

Moreover, Yumiko’s breathing was hot and fast, and she seemed to feel like she was going to eat David!

Seeing this, David frowned slightly, his finger lightly touched Yumiko’s eyebrows, and a spiritual force entered Yumiko’s body instantly!

Yumiko’s fiery eyes disappeared instantly, and then she became a little panic and shy!

David grabbed the sheet and wrapped it directly on Yumiko’s body!

At this time, Yumiko, looking at her appearance, two lines of clear tears flowed out!

“Go and tell your father, since I promised to stay, I will completely let the Watanabe family get rid of the shrine, so he doesn’t have to.

After that, David slowly closed his eyes and began to practice!

The road to cultivation is extremely long. David knew that he couldn't stop, because there were many people and many things waiting for him...

Yumiko looked at David's indifferent appearance, and was a little lost for a while.

Heart throbbing!

Originally, Watanabe Fumio asked Yumiko to come Yumiko is unwilling to accompany David, but for the sake of her family and her parents, Yumiko can only take some medicine by herself, so she has the courage to come to David's room!

But she did not expect that David would be so good Concentration, I don't have a single thought about her!

Yumiko stood up slowly and looked at David with a dazed look. After a full ten minutes, Yumiko left!

Seeing Yumiko leave, David opened his eyes and exhaled heavily!

David is also a man, how could he not react when such a stunner is in front of him!

However, David knew that he couldn't go beyond that step, Sonya was still suffering now, and he must never do anything wrong to Sonya.

.....

The news of Watanabe Fumian and Watanabe Kazuo was killed quickly spread in the island country!

Moreover, the Qiandao River beside Kazuo Watanabe was also beheaded!

For a time, all kinds of speculations followed!

Because there is no job, everyone can only guess who did it.

Many people speculated that Watanabe Fumio did it, but with Watanabe Fumio's strength, it was impossible to kill Watanabe Kazuo who was protected by Qiandao River.

Some people say that it is a master from Daxia who has hatred with the Watanabe family, so they attack the Watanabe family!

But why is Fumio Watanabe, the head of the Watanabe family, nothing at all?

This doesn't make sense...

In addition, Watanabe Fumio deliberately created public opinion, so who killed Kazuo Watanabe and Qiandagawa, it became a mystery for a while!

But at this time, there was a person who felt the smell of danger!

This person is Kazuo Kawaguchi, although Kazuo Kawaguchi did not see it with his own eyes, David killed Qiandao River and killed the people of the Watanabe family.

However, he can conclude that these people were killed by David, because there will be no second person to do so!

As for why Watanabe Fumio is fine, the only explanation is that Watanabe Fumio colluded with David!

In this way, David can take revenge, and that Watanabe Fumio can eradicate his dissidents and continue to be the head of the Watanabe family.

Both are good for both, so it's normal to collude!

"Come on, prepare the car..."

Thinking of this, Kazuo Kawaguchi shouted hurriedly.

At this time, in Qianzuru Shrine, four people wearing traditional costumes of the island country are sitting opposite each other!

One of them was an old man who kept his eyes slightly closed and did not open his mouth.

And among the four, there is a woman with a beautiful face, but there is a bit of chill in her eyes!

Sitting at the top is a middle-aged man, this man is Koichi Ono, the president of Chizuru Shrine.

## **Chapter 2020**

"The Watanabe family encountered such a change, and they don't even know who did it. How can we save the face of Chizuru Shrine?"

Ono Hiroshi said with a look of anger and cold eyes.

“I’ve seen Qiandachuan’s wound. He was killed by someone with a sword, and his head was chopped off.”

“There are only a handful of people in the entire island country who can kill Qiandachuan with one sword, so I think it’s very likely that it’s another country. A master.”

Beside Ono Hiroichi, a man with a samurai sword in both hands said.

This man exudes a strong breath, and there is an abyss-like terror in his eyes!

This person is Tanaka Maki, who is more famous than that Qiandao River.

In terms of kendo attainment, this Tanaka Maki can completely rank in the top three of the entire island country, and his strength is even higher than that of Qiandao River!

Even with Ono Hiroshi, Tanaka Maki is not inferior!

“Mieko, what do you think of this?”

Ono Hiroshi asked, looking at the only woman among them.

Mieko stood up slowly, her fiery figure unobstructed.

I saw Mieko slowly walking towards the door, and the whole person became more and more pale, and finally disappeared into the room!

It’s just that everyone else is not surprised, and did not show the slightest surprise!

Soon, Mieko's figure appeared, but at this time there was one more person in her hand!

This person used to be a guard of the Watanabe Fumishi family, and also a member of the Watanabe family!

After seeing Koichi Ono, the man fell to his knees with a puff!

"Tell the president what you know..."

Mieko said slowly.

"Yes Yes Yes....."

That person didn't dare to be slighted, and hurriedly explained what he saw that day in full!

But what he saw was that Fumio Watanabe brought David to find the family of Fumika Watanabe and hunted down Watanabe Fuman and his son.

As for whether Kazuo Watanabe and Qiandagawa were killed by Fumio Watanabe, he doesn't know!

After listening, Ono Hiroshi frowned slightly: "Fumio Watanabe and brothers Fumio Watanabe, in order to compete for the position of the head of the family, killing each other is nothing. After all, this is a society where the weak eat the strong.

" Who killed Qiandagawa, right?"

Mieko nodded: “The president is right, this really doesn’t prove that Kazuo Watanabe and Qiandagawa will be killed by them, not the young man who Bian Wenxiong brought with him. , I believe the president will be interested.”

After speaking, Mieko took out a photo and put it on the table, and the person on the photo was David!

“Who is this person?” Ono Hiroichi frowned slightly!

“Looks so young, I seem to have seen it somewhere...”

Tanaka Sanaki looked at the photo carefully and fell into deep thought!

“President, Tanaka-sama, this person is David, he is a new master in Daxia, and it is this person who killed Watanabe Fumigan’s son Watanabe Ichiro, so the Watanabe family has a deep relationship with David. “

And this time, the person that Watanabe Fumio brought is this David. I heard that this time, in order to assassinate David, Watanabe Fumigan found Kazuo Kawaguchi and took him to Daxia, and he also followed Daxia. Xia Guan had a conflict, and because of this, David came to the island country.”

Mieko explained.

“Kawaguchi Kazuo?” Ono Hiroshi was stunned for a moment, and then said: “Go and bring Kawaguchi Kazuo right away, I have to ask myself what’s going on!”

But just after Ono Hiroshi finished speaking, one of his men came down to report!

“Mr. President, Kazuo Kawaguchi is visiting and waiting outside...”

said his subordinate.

This is simply to say that Cao Cao, Cao Cao is here!

“Let him in...”

Ono Koichi said.

Soon, Kazuo Kawaguchi walked into the shrine, did not dare to look up at all, and knelt directly in front of Koichi Ono!
