

A Man Like None Other Chapter 2021 – 2030

Chapter 2021

“Meet the president...”

Although Kazuo Kawaguchi is not weak, he has also served as a special envoy to the island country.

But in the face of these people in the shrine, he can only bow his head. After all, in the island country, the status of the shrine is the highest.

“Kawaguchi Kazuo, what are you doing here at the shrine?”

Ono Hiroichi asked.

“Lord President, I know who killed Kazuo Watanabe and Chishimagawa.” Kazuo

Kawaguchi said.

“Who is it?” Ono Hiroichi stood up excitedly.

“It should be Watanabe Fumio and David.” Kawaguchi Kazuo replied.

“Is this the person?” Ono Hiroshi handed a photo to Kazuo Kawaguchi.

Kazuo Kawaguchi glanced at him and said, “Yes, it’s him, this person is David.”

“This guy is young enough to kill Qiandagawa, what kind of strength is he?”

Tanaka Maki frowned.

“If I go back to Lord Tanaka, I don’t know what the strength of this person is, but the strength of my peak Marquis of Great Wu was defeated by him.”

Kazuo Kawaguchi followed his experience in Daxia to a few people. once again.

“I beg the president to save me...” The

reason why Kazuo Kawaguchi said everything is to get the protection of the shrine!

As for the poison David gave him, as long as the gods of the shrine can come forward, it will be lifted in minutes!

“Hmph, a Daxia person dares to deceive me like this.”

Ono Hiroichi exudes a breath as majestic as the ocean.

Immediately after that, a white light shot out, and the white light hit Kazuo Kawaguchi and spread out instantly!

“You are not poisoned, it should be that David who lied to you.”

Hiroshi Ono said.

“Boss, I’m...”

Kazuo Kawaguchi didn't believe it, but just as he was about to speak, Mieko glared back.

"Are you questioning the president's words?" Mieko said coldly.

"Don't dare, don't dare..."

Kazuo Kawaguchi shook his head quickly, and then slowly withdrew from the shrine!

"Mieko, since this Watanabe Fumio eats inside and out, you can take over the Watanabe family."

"As for David, let Tanaka

-kun deal with it." "I don't want to disturb the gods for this trivial matter."

Ono Koichi said.

"Yes..."

Mieko and Tanaka Maki stood up at the same time and bowed in response!

After Mieko and Tanaka Maki both left, the old man who had never spoken slowly got up, and then suddenly opened his mouth wide!

A black mist rushed out of the mouth, and then rushed into the statues of gods behind the shrine!

Upon seeing this, Ono Hiroshi hurried forward to support the old man's body and put it in a dark pavilion!

Just after Chizuru Shrine discussed a plan to deal with Watanabe Fumio and David, the action started immediately!

But David and the others didn't know at all that a few people lived happily in Watanabe's villa!

David is waiting, because the shrine in the island country holds a priest event every year.

And David planned to take the Qianhe Shrine in one pot at this priestly event.

David's daily life is taken care of by Miko.

On this day, David was basking in the sun, Yumiko brought a glass of juice, squatted beside David, and put the straw into David's mouth!

"Master, please drink the juice..."

Yumiko said sweetly.

"Yumiko, you don't need to call my master every day, just call my name."

David is a little conflicted about the word master...

"Master, you are the master of our Watanabe family, I can't call your name, our island country. A family is only allowed to have one master, and once identified, one will follow for life."

Yumiko said in a low voice.

As soon as David heard it, he didn't care anymore. Call it whatever you like!

But just when David was about to open his mouth to drink the juice, his brows suddenly wrinkled, and his eyes looked coldly at the wall of the villa.

Chapter 2022

"Master, what's the matter?"

Yumiko hurriedly asked when David's expression changed.

"There are guests here..."

David said with a cold smile.

"Guest?" Yumiko looked at the door suspiciously, then followed David's gaze, but saw nothing.

"Master, is there no one?"

Yumiko asked in confusion.

"It will be there soon!"

David said, and suddenly stretched out his hand and grabbed it, and an invisible force burst out instantly, slamming towards the wall.

On the originally empty wall, a black shadow suddenly flashed past, jumped directly off the wall, and quickly retreated!

“Someone broke in...”

Seeing this, Yumiko shouted directly!

When the people of the Watanabe family saw this, they chased after them one after another.

Not long after chasing out, I heard the sound of a fight, and then a man in tights was escorted back by Watanabe Fumio!

I saw that the man was caught, but he still had a calm expression on his face, as if there was no trace of fear!

“Who are you? Why did you sneak into my Watanabe house?”

Watanabe Fumio asked the man.

The man gave Watanabe Fumio a cold look, but did not speak, but turned his head gently, revealing a tattoo on his neck!

The tattoo is in the shape of a scorpion, and the tail of the scorpion is very long, as if it pierced deeply into the skin!

Seeing this tattoo, Watanabe Fumio's complexion suddenly changed.

"Poisonous scorpion? Are you Mieko's subordinates?"

Watanabe Fumio asked in surprise.

The man sneered and said, "Since you know, why don't you let me go quickly? Otherwise, our Lord Mieko will not let you go." The

man's arrogant demeanor made David feel very uncomfortable!

"Fumio Watanabe, who is this Mieko?"

David asked.

"Back to the master, this Mieko is the head of an intelligence department under the Qianzuru Shrine, specializing in collecting information for the shrine and monitoring some families below the shrine."

"There are some senior ninjas in this department, because Mieko is beautiful, but She is ruthless, and her ninjas, everyone has a scorpion tattoo, so many people call her a femme fatale."

Watanabe Fumio explained in detail with David!

"It seems that the shrine has already suspected you..."

David said with a slight smile.

“It should be!” Watanabe Fumio nodded!

“Watanabe Fumio, you’d better let me go, our Mieko-sama is right behind and will be there soon.” The

man still didn’t feel his dangerous situation, and he was still threatening Watanabe Fumio!

“Aren’t you afraid of death?”

David asked curiously when he saw that the man was caught and was so arrogant.

“Hmph, none of us are afraid of death.” The

man snorted coldly, his eyes very cold and disdainful!

“Very good, I like people who are not afraid of death...”

David said, with a gentle wave, a force instantly wrapped the man!

The man only felt his body tighten, and then it became difficult to breathe, and his face turned red!

“Master Hu, this guy is handed over to you, but don’t let him die easily, because he is not afraid of death...”

David snorted softly.

I saw Hu Mazi jumped out of the villa, stretched his waist and said, “You bastard, look for me for such trivial matters...”

After that, Hu Mazi took out a spell and simply recited a few words. The spell, directly threw the spell on the man!

Soon, from all directions, dense ants and bugs began to crawl out, and they surrounded the man directly.

Immediately afterwards, the man’s screams spread throughout the villa!

Chapter 2023

Just listening to the scream, you can feel the pain of the man at this time!

The expressions of Yumiko and Watanabe Fumio changed, and their hearts also trembled.

Looking at David’s indifferent appearance, it seems that the man screaming beside him has nothing to do with him!

“Watanabe Fumio, you are so courageous, you know it’s my person, and you dare to do it...”

At this moment, a charming shout sounded!

Watanabe Fumio’s heart trembled because he heard Mieko’s voice at this time!

It’s just that at this time, he couldn’t see where Mieko was at all, and he only heard her voice and didn’t see her.

And the guards of Watanabe's house suddenly fell to the ground inexplicably and died, and they all had a long wound on their necks!

This time, Watanabe Fumio became very panicked!

Because he heard that voice, Mieko was very close to him, but he couldn't see that Mieko at all!

In addition, his subordinates kept falling to the ground inexplicably, making Watanabe Fumio's face very ugly!

"Hmph, something pretending to be a ghost..."

David snorted coldly and waved it casually!

Slap.....

A crisp sound, not far from Watanabe Fumio, Mieko's figure instantly appeared, one hand covering the red and swollen face, looking at David angrily!

"You are that David, and you have two strokes, no wonder you were able to kill Qiandachuan with one sword..."

Mieko's eyes narrowed, and she said with murderous intent.

"Not only can I kill Qiandaochuan with one sword, but I can also kill you with one sword..."

David slowly got up.

David, who was promoted to Martial Saint, is full of incomparable self-confidence at this moment!

Mieko felt the killing intent on David, and involuntarily took two steps back!

And David's body trembled slightly, and a majestic breath instantly enveloped the entire villa area!

Soon, a famous ninja was forced to show his figure, and under the pressure of David's breath, these ninjas knelt down one by one, and their faces became very ugly!

Seeing this scene, Mieko's expression became a little frightened, and there was a trace of fear in her eyes!

The strength David showed at this moment has exceeded her imagination!

"Hmph, the sick man from East Asia who came from the summer, dares to act wild in our island country..."

With a cold snort, an equally huge breath collided with David's breath in an instant!

This time, Mieko and her subordinates felt the pressure relieved, and they all stood up!

I saw a middle-aged man in a samurai uniform with his hands on his chest and a samurai sword in his hand walked slowly into the courtyard of the villa!

"Tanaka Maki?"

Watanabe Fumio's pupils shrank suddenly when he saw the person coming, and the expression on his face became very unnatural!

Yumiko leaned on David's side and said, "Master, this person is called Tanaka Maki. He is the top three kendo masters in the island country, and he is much more powerful than that Qiandagawa..."

Although Yumiko is only a student, she is right. This Tanaka Maki also knows very well, which shows how well-known this Tanaka Maki is in the island country.

Tanaka Maki walked towards David expressionlessly, and stopped just a few meters away from David!

He looked David up and down and said, "You are the one who killed Qiandaochuan?"

"Yes!" David nodded lightly!

It seems that killing Qiandaochuan is too common for David!

"Since you can seal the throat of Qiandao River with a sword, it proves that your swordsmanship is good, show your weapon."

Tanaka Maki slowly drew out his samurai sword!

But David shook his head: "No, my swordsmanship is not good, I can only say that Qiandaochuan's swordsmanship is too bad."

"Such bad swordsmanship can still be called a master in your island country..."

” It seems that the swordsmanship of your island country is nothing more than that.”

“Hmph...”

David’s last sneer was full of disdain and ridicule!

At this moment, Tanaka Maki’s dull face had an angry look!

Chapter 2024

it.” “Send your sword.” Tanaka Maki’s eyes narrowed, and the murderous aura on his body instantly rose.

“To deal with you, I don’t need to use the sword, because once I use the sword, you will never have a chance.”

David said lightly.

“Arrogant...”

Tanaka Maki roared angrily: “I never attack an unarmed person, use the sword, today I will let you taste the real swordsmanship of our island country...”

Looking at Tanaka Maki, David turned his head Looking at Hu Mazi: “Master Hu, that little girl will be left to you to deal with...”

Hu Mazi glanced at Mieke, hehe smiled and said, “Don’t worry, I will take good care of her.”

Mieko felt Hu Mazi . The squinting eyes in his eyes, his face flushed with anger!

David, on the other hand, walked to the willow tree to the side and broke a willow branch from the tree.

“Now that I have a weapon, you can shoot at me!”

David said to Tanaka Maki.

“Uh...”

Tanaka Maki was instantly stunned by David’s actions.

“Boy, do you want to beat me with a willow branch?”

Tanaka Sanaki roared angrily!

He felt that David was deliberately disgusting him and mocking him!

“One willow branch is enough, I didn’t want to use the willow branch.”

David took the willow branch and stepped out, his breath burst out instantly.

The power of the divine dragon was injected into the willow branch, and a mediocre willow branch instantly radiated a faint light. The originally soft willow branch became extremely hard at this moment!

Tanaka Sanki was completely irritated. You must know that in the island country, he is admired by everyone, and now he is being played by David!

The samurai sword in Tanaka Maki's hand began to hum and trembled slightly!

The samurai sword exudes a bloodthirsty breath, and it is obvious that countless souls have died under this samurai sword!

"Om..."

Tanaka Maki moved, and the samurai sword in his hand made a buzzing sound, followed by a vigorous swing!

A terrifying blade rushed towards David in an instant, and the entire void was under this blade, and black holes appeared one after another!

A single knife shatters the void, and a black hole emerges. This power can be imagined!

On the other hand, David unhurriedly greeted him with the willow branch in his hand!

The willow branches and the katana slammed into each other!

Dang.....

A crisp sound, the collision between the willow branch and the samurai sword, there will be a metal collision sound!

Boom.....

Immediately followed by an explosion, the scattered aftermath instantly blew the people around, and even the villa not far away was blown into a mess.

David's figure took two steps back, and the willow branch in his hand also turned into two!

Looking at that Tanaka Maki again, he just took a step back, holding the samurai sword in one hand, nothing out of the ordinary!

It seems that this blow Tanaka Maki is slightly better!

But at this time, Tanaka Maki himself didn't think so. He saw that the samurai sword in his hand had a gap in the blade, which was just cracked by the willow branch.

And Tanaka Maki's wrist began to go numb, and the hand holding the samurai sword kept shaking!

This blow, Tanaka Maki didn't get any benefit. David just used a willow branch to make his samurai sword pop out of the gap and make his arm go numb!

This kind of terrifying strength and feeling, only Tanaka Sanaki can understand!

If David was not using a willow branch, but a genuine sword, the result of the sword just now might be very different.

Mieko, who was on the side, saw that Tanaka Maki had the upper hand, and knew that she couldn't hesitate, so she waved her hand and rushed towards Watanabe Fumio with her subordinates!

Mieko's task is to capture Fumio Watanabe or kill him, and she temporarily controls the Watanabe family!

Chapter 2025

Watanabe Fumio is not afraid at all. With Hu Mazi and Lao Fan around, this Mieko can't do anything about him!

Mieko charged towards Kazuo Watanabe with her ninjas.

Just after two steps, the figure became thinner and lighter, and finally disappeared!

These people used ninjutsu, which made Watanabe Fumio frown!

"Hmph, dare to use tricks to bluff people!"

Hu Mazi snorted coldly, then took out several spells, and sprayed blood on the spell!

"Broken..."

Hu Mazi threw the spell in his hand into the air, and the sky above the villa suddenly turned red!

The red shrouded, Mieko and those ninjas, who had disappeared, were instantly exposed!

"Kill..."

Watanabe Fumio shouted, and the guards of Watanabe's house rushed to kill them!

For a time, the sound of killing in the entire villa compound was overwhelming, and there was fighting everywhere!

And only David followed the area where Tanaka Maki was standing, and no one approached!

David threw away the only half of the willow branch left in his hand, and said coldly to Tanaka Maki: "Go ahead, you have one more chance..."

This time, Tanaka Maki didn't hesitate or ask David take out the weapon!

Because he knew that if David really showed his weapon, he would not necessarily be David's opponent!

"Go to hell..."

Tanaka Maki shouted, and the light on the samurai sword shot up!

Immediately after, the blade like wind and electricity slashed towards David in an instant!

Tanaka Maki doesn't believe it, David has no weapons, and with his flesh and blood, he can still block his knife!

Seeing this, Yumiko couldn't help but exclaimed: "Master, be careful..."

David's face was calm, and bursts of red light began to flash in his right hand!

Just when Tanaka Maki's samurai sword arrived in front of David, David suddenly grabbed it!

David's right hand directly grabbed Tanaka Maki's samurai sword. How powerful is this sword?

Even if it is a small mountain, it is estimated that it can be split by this Tanaka Maki!

But at this time, Tanaka Maki's samurai sword was caught by David!

However, David's hand was not injured in the slightest, which made Tanaka Maki dumbfounded and looked at David in disbelief!

Tanaka Maki wanted to pull out the samurai sword, but no matter how hard he tried, he found that the samurai sword would not move at all!

At this moment, panic appeared in Tanaka Maki's eyes.

"As I said, this is your last chance..."

David finished speaking, only to hear the samurai sword in Tanaka Maki's hand click!

The samurai sword was broken instantly in David's hand!

David held the half of the samurai sword and waved it forward...

The terrified Tanaka Sanaki only felt a flash of coldness in front of his eyes, and then he felt a chill in his neck!

Tanaka Maki touched his neck in horror!

As the blood spurted out, Tanaka Sanaki could only throw away the samurai sword and grabbed his neck with both hands, hoping that the blood loss would be slower!

Tanaka Maki's face was ferocious and fearful, and the look in David's eyes was incredible!

He tried to open his mouth to say something, but couldn't say a word.

In the end, Tanaka Maki's eyes became more and more slack, and his body fell heavily!

Looking at this scene in front of Yumiko, she couldn't say a word in shock!

Maki Tanaka represents an invincible existence in their hearts!

When they were very young, Maki Tanaka was a rare master in the island country. The former Yumiko also admired Maki Tanaka, hoping to become a master of kendo like him!

But what about now?

The object of her worship since childhood was beheaded like an ant in front of David at this moment.

And beheading is so easy!

Yumiko's reverence for David became stronger in her eyes, and she couldn't help kneeling in front of David, shouting loudly for the master!

Chapter 2026

Mieko, who was fighting with Hu Mazi at the moment, suddenly panicked when she saw Tanaka Maki who fell to the ground!

To know that Tanaka Maki's strength is far above her, she was also beheaded by David!

Will she still have a good end?

But just when Mieko was distracted, she was slapped on the chest by Hu Mazi, and the whole person flew out!

"Damn, it's quite soft..."

Hu Mazi was slightly taken aback!

And after Mieko was hit with a palm, her body actually became transparent in mid-air, and then disappeared from Hu Mazi's sight!

Hu Mazi was reminiscing about the palm just now, but suddenly found that Mieko was gone, and suddenly panicked, and hurriedly threw out a few spells, hoping to make Mieko appear!

It's a pity that a few spells didn't work, and Mieko seemed to disappear into another dimension out of thin air!

"Since you're here, you can't leave."

David snorted coldly, and then grabbed it from afar!

An invisible force was suddenly released, and then in mid-air, a huge palm appeared, which could almost cover the entire villa!

Mieko's figure was instantly revealed under this palm, and she kept retreating back!

It's a pity that David's strength is too strong, and Mieko can't resist it with such a light grasp of the void!

A huge suction force instantly made that Mieko move towards David, and finally fell directly into David's hands!

Mieko's neck was tightly stuck by David, her face full of hideousness!

"Forgive my life...forgive my life..."

Mieko began to beg for mercy in pain!

"Don't you say that you ninjas would rather die than give in? Why are you begging for mercy?"

David was a little surprised.

Even the ninja man from the beginning looked like he would rather die than give in, but now Mieko, who is in charge, started begging for mercy.

"Forgive your life, spare your life..."

Mieko continued to beg for mercy.

Seeing that David even beheaded Tanaka Maki, Mieko knew that she could not escape David's palm at all, so she could only beg for mercy!

It's just that David didn't intend to let Miekeo go, and David will never be soft on the enemy!

Miekeo also saw the killing intent in David's eyes.

Miekeo's eyes were pitiful at the moment, and she kept suggesting something to Hu Mazi with her eyes!

Seeing Miekeo like that, Hu Mazi couldn't help licking her lips.

Seeing this, David let go of that Miekeo directly, and then said to Hu Mazi: "Master Hu, this woman will be handed over to you..."

After Miekeo was released, she breathed desperately and hurriedly climbed to Hu Ma. in front of the child!

"Forgive your life, spare your life..."

Miekeo hugged Hu Mazi's thigh and kept rubbing against Hu Mazi!

"Get up, get up quickly..."

Seeing this, Hu Mazi hurriedly helped Miekeo up!

At this moment, Miekeo's eyes are full of autumnal waves, full of charm!

Now Miekeo finally breathed a sigh of relief, because she could see that Hu Mazi was reluctant to kill her.

“Master, as long as you take my life, I am willing to do anything for the master, and I will serve the master well.”

Mieko pretended to be weak and leaned on Hu Mazi!

Hu Mazi looked like he was enjoying it, and both Watanabe Fumio and Lao Fan were speechless!

Lao Fan opened his mouth to remind Hu Mazi, but was stopped by David!

David wanted to see what Hu Mazi would do with this Mieko!

Mieko leaned on Hu Mazi with a smile on the corner of her mouth, she finally didn't have to die now.

“Are you really willing to do anything for me?”

Hu Mazi said to Mieko.

Chapter 2027

“Of course, I promise, as long as the master speaks, I can do it now...”

Mieko looked at Hu Mazi affectionately, raised her hand and assured.

Mieko can see that Hu Mazi is a very lecherous person!

When two people are fighting, Hu Mazi's eyes are not honest!

And with that palm just now, Hu Mazi also seemed to be hitting her in the chest on purpose!

That's why Mieko looked at Hu Mazi for help, but seeing Hu Mazi's grim expression now, Mieko felt that she had made the right bet!

"Very good, I like this kind of obedient woman the most..."

Hu Mazi smiled and stroked Mieko's face lightly, and Mieko made a shy look, like an unmanned girl!

The way Mieko was, she almost vomited when she saw Yumiko beside her.

In the whole island country, who doesn't know who Mieko is, a beautiful snake and a scorpion, is now pretending to be an innocent girl.

"Since you are so obedient, how about I want you to die now?"

Hu Mazi looked at Mieko and said playfully.

Mieko was stunned for a moment, panic flashed in her eyes, but she hadn't waited for her to react!

I saw that Hu Mazi's hand that was stroking her face suddenly slapped her head fiercely!

Pfft...

With this palm down, Mieko's head burst like a watermelon in an instant, and a cloud of blood sprayed into the sky!

This sudden scene made everyone stunned!

“A stinky woman who also wants to seduce me, she really treats me as a rubbish, is I so tasteless?”

Hu Mazi wiped his hands and spat fiercely at Mieko’s corpse!

Yumiko’s heart trembled, she really didn’t understand, David and Hu Mazi, the two people who came by the plane with her, what kind of character are these!

Such a casual and indifferent murder, and the method is cruel, it is completely inconsistent with the image of the two people!

“Fumio Watanabe, the priest of Chizuru Shrine, when will it be held?”

David asked.

“Go back to the master, it will be held tomorrow.”

Watanabe Fumio hurriedly said.

“That’s good, I’ll go to that shrine tomorrow, and I’ll meet the gods of your island country...”

David smiled lightly!

“The master is the real god, the others are just fake gods...”

Watanabe Fumio hurriedly touted David!

.....

Inside Chizuru Shrine!

Ono Hiroshi sat in the room at one end, while the outside of the shrine was busy at this time!

The tall altar has been built, and there are not many stands yet. Tomorrow is the day of their Thousand Crane Shrine sacrifice ceremony!

Every shrine in the island country attaches great importance to the day of its own priest ceremony!

You must know that the shrine depends on the development of believers, and the sacrificial ceremony is the time to display the shrine. If it is held well, it can recruit a lot of believers!

And the number of believers also represents the influence of the shrine in the island country!

“Hmph, tomorrow is the day of the sacrificial ceremony, why there is no news from Tanaka Maki and Mieko.”

Ono Hiroichi frowned slightly!

“Whether there is news of the two of them or not, tomorrow’s sacrificial ceremony must not go wrong...”

At this time, an old man walked out from behind Koichi Ono, who was sitting with Koichi Ono and Sanaki Tanaka a few days ago!

“God, I will definitely make this sacrificial ceremony a success.”

Upon seeing this, Ono Hiroshi hurriedly knelt down.

Except for Ono Koichi, no one knew that this old man was the incarnation of a god!

“Well, when I recover the power of the gods, I will help you break through.” The

old man said lightly.

“Thank you gods...”

Ono Hiroichi knelt on the ground, not daring to lift his head!

He felt the gods leave all the time, and then he slowly got up, his forehead was already full of cold sweat!

Ono Koichi prayed, praying that tomorrow’s sacrificial ceremony could be successfully completed.

Chapter 2028

next day!

David and the others went to Qianhe Shrine!

Chizuru Shrine is on the top of Mount Fuji, where it is cold and foggy all year round!

But even so, today, the day of the sacrificial ceremony, cannot stop many believers from going to the shrine!

I saw many believers walking towards the top of the mountain step by step!

But there is a very strange phenomenon, that is, many believers have a young girl with them!

And every girl is dressed up and dressed very beautifully.

Even the clothes are the traditional women's clothes of the island country!

This makes David and Hu Mazi feel very strange!

"Fumio Watanabe, why do these people bring so many girls when they go to worship?"

David asked inexplicably.

"Master, because every year at the ceremony of priests, the gods may choose girls. As long as the gods like them, the girl's family can flourish."

"So many people will bring the most beautiful young girl in the family on this day. I came here dressed up."

Watanabe Fumio explained.

"Damn, what the hell is this god? Isn't this also an old pervert..."

Hu Mazi scolded angrily when he heard it!

However, although Hu Mazi scolded, he couldn't hide the envy in his eyes. Hu Mazi had never experienced this feeling like choosing a concubine!

"Where did those selected girls go in the end?"

David asked.

Watanabe Fumio shook his head: "I don't know, no one knows the whereabouts of the selected girl, but the family has grown rapidly, and no one has asked about the girl's whereabouts."

After hearing this, David couldn't help but smile coldly: "The god of Qianhe Shrine is quite interesting..."

Soon, David and the others came to the shrine and saw a very magnificent building standing on the top of the mountain!

It is very difficult to build such a huge building on top of this mountain.

It can be seen that the strength of this Thousand Crane Shrine is not weak!

At this time, thousands of people have gathered in the Peak Plaza, and these are all believers of Qianhe Shrine!

In front of an altar built, Ono Hiroichi was wearing a samurai uniform, sitting quietly on a chair, looking at the thousands of believers in front of him, his face full of joy!

When the time was up, Ono Hiroshi gave an impassioned speech, which made the hearts of those believers surging!

Just when the popularity of the crowd was high, Ono Hiroichi ordered people to slowly launch a sculpture!

However, the sculpture was covered with black cloth, so it was impossible to see what was inside!

“The great gods bless us, and we have to give everything we have to give back to our gods...”

Ono Hiroichi cut his finger directly!

I saw the blood flowing out of the fingers, not dripping on the ground, but slowly floating in the air!

When thousands of believers saw this, they all cut their fingers, some directly bit them, and all the blood that flowed out slowly floated into the air!

“David, what the hell is going on?”

Hu Mazi was a little stunned when he saw this scene!

Speaking of techniques, Hu Mazi knows a lot, but he has never seen this!

David also frowned slightly, and did not speak, but watched quietly!

I saw the blood pooling together in the air.

As the black cloth on the sculpture slowly opened, a sculpture wearing armor and holding a samurai sword was revealed.

The blood condensed in the air slowly fell on the sculpture, and the bright red blood was absorbed by the sculpture in an instant!

And the two eyes of the sculpture suddenly flashed red light!

Upon seeing this, Ono Hiroshi hurriedly knelt to the ground!

And those other believers also knelt down and shouted: "Martial God, Martial God..."

Chapter 2029

it", David and the others were a little embarrassed, because all the believers bowed down.

Only David and the others were standing, looking very abrupt!

Ono Hiroshi looked up, and when he saw Watanabe Fumio, his face changed instantly!

Because he ordered Mieko to deal with Watanabe Fumio, but he didn't want Watanabe Fumio to appear at the scene of the priest ceremony?

Although Ono Hiroichi discovered David and the others, he didn't say anything, because this is a sacrificial ceremony that needs to be held stably!

If Ono Hiroshi asked Watanabe Fumio to question or make trouble at this time, it would be a big sin.

"What the hell is this god?"

Seeing the sculpture, Hu Mazi couldn't help but swear!

This foul language caused many believers to look up!

Watanabe Fumio hurriedly explained: "Master Hu, this used to be the sculpture of Toyotomi Hideyoshi Wushen hundreds of years ago, and the god worshipped by this Thousand Cranes Shrine is him!

" To be a god?"

Hu Mazi snorted in disdain!

Although Hu Mazi's voice is not loud, it can be heard clearly by everyone!

This time, everyone looked at Hu Mazi with angry eyes!

Ono Koichi's eyes were also slightly condensed, and there was a strong killing intent in his eyes!

This shows that they are making trouble during their sacrificial ceremony!

But Hu Mazi didn't care, they had come here to look for trouble.

Watanabe Fumio smiled awkwardly: "Master Hu, compared with the thousands of years of civilization in Daxia, these hundreds of years are really nothing..."

At this moment, there are already many believers with murderous expressions on their faces. If Hu Mazi dares to say more, they will do it without hesitation!

Even Ono Hiroichi couldn't control it, his body trembled slightly, and he kept suppressing!

Because today is too important for their Chizuru Shrine, there is nothing he can do!

"Invite a few of them in..."

Just as Ono Hiroshi was shaking all over, an old voice came into his ears!

When Ono Hiroshi saw this, he could only get up, and then looked at Fumio Watanabe coldly and said, "Fumio Watanabe, you people come in with me..."

Fumio Watanabe looked at David beside him, only to see David Nodding, they walked towards the shrine this time!

And the sacrificial ceremony has also been suspended!

Thousands of believers watched David and the others walk into the shrine, with envy in their eyes!

You must know that these believers are not qualified to enter the shrine at all.

Some believers who have believed in it for more than ten years are all because they have stepped into the shrine!

Just stepping into the shrine, Koichi Ono couldn't hold back his anger any longer, he turned to look at Fumio Watanabe and said: "Fumio Watanabe, you damn, you dare to bring people to provoke the shrine openly, and you are still sacrificing the ceremony. One day!"

Ono Koichi's anger instantly enveloped Watanabe Fumio!

Watanabe Fumio's face changed, you must know that it was difficult for Watanabe Fumio to meet Ono Hiroshi before.

Now being so reprimanded by Ono Koichi, Watanabe Fumio is really scared!

"I'm coming to meet your gods. If you have anything, you can come to me..."

David's breath also burst out instantly, directly suppressing Ono Koichi's breath!

"You?" Ono Hiroshi looked at David and instantly remembered: "You are David, the guy who killed Qiandagawa?"

"Yes, but you can add one more person now, that Tanaka Maki is also killed by me. Yes ."

David smiled lightly.

"What? You killed Tanaka-kun?"

"Impossible, absolutely impossible..."

Ono Hiroichi didn't believe that David could kill Tanaka Maki.

"Is there anything impossible, that Tanaka Maki and Mieko are both dead, don't you think about what's going on when you can't see them?"

David asked with a sneer.

This sentence instantly made Hiroshi Ono wide-eyed and filled with murderous aura!

Chapter 2030

“Bring them in...”

An old voice sounded, and the killing intent on Ono Hiroichi instantly disappeared!

He could only glare at David fiercely and continued to walk towards the depths of the shrine with them!

Soon a few people came to a divine hall. The divine hall was full of majesty, but under the majesty, there was a faint chill!

Ono Hiroshi brought David and the others into the temple!

The sanctuary is very large, with some precious jade on the ground, as well as many incense burners and portraits.

In the very center, an old man with a dry body was kneeling in front of a divine case!

Seeing the old man, Hiroichi Ono kneeled down reverently and pressed his forehead to the ground!

“Sit down...” The

old man said slowly, his voice seemed to come from the distant horizon!

David stepped forward and casually sat opposite the old man!

But Fumio Watanabe and the others did not dare to do it.

Because although this old man is thin, he has a kind of majesty on his body. Under this majesty, Watanabe Fumio and the others are unconsciously nervous!

Even Hu Mazi, who had a disdainful face just now, became solemn when he saw the old man!

“It’s been a hundred years, and it’s the first time I’ve seen Daxia here...”

“Let me introduce myself. I’m Toyotomi Hideyoshi. You must have heard my name.” The

old man looked at David , There is a look in his eyes that can see through the world!

Under the eyes of the old man, Watanabe Fumio and Hu Mazi did not dare to look directly, because they felt that the old man’s eyes could see through their minds.

David didn’t care, looked at Toyotomi Hideyoshi with a playful look on his face and said: “You are just a ray of spirit, so don’t bluff people with your name, now your strength is probably one-tenth of that without your body. “

And the reason why you can’t see the Daxia people is because you can’t get out of this shrine. As long as you leave here, your spirit will disappear immediately...”

“Bold, you dare to curse the gods like this...”

Ono Hong pair scolded David angrily!

“God?” David sneered and looked at the old man: “It’s just a corpse to bring back the soul, why is it so lofty?”

“Hahaha, it doesn’t matter whether you borrow a corpse to bring back your soul, or whether your soul will live forever.”

“The important thing is you . This golden dragon is actually coming to me on its own initiative, I can only say that it is God’s will, that I have been devout for these years, and that I have moved God...”

Toyotomi Hideyoshi was not angry, but he laughed!

Hearing Toyotomi Hideyoshi’s words, Hu Mazi’s face instantly became very ugly. It seems that this old guy knows the physique of David’s real golden dragon. This is an attempt on David’s physical body!

After all, if David’s physique can be taken over, it is a great opportunity for these guys whose soul is attached to the rebirth!

However, David was not surprised, on the contrary, he behaved very calmly!

“Do you like my body?”

David asked lightly.

“Of course, before I saw you, I didn’t know how long it would take for me to see the sun again.”

“But now God’s will is so, so I can see you, so it’s time for me to see the sun again.”

Toyotomi Hideyoshi looked excited. said.

Seeing Toyotomi Hideyoshi’s excited look, David had a playful look on his face: “Are you so sure that you can get my body?”

“Hmph, even if I’m just a wisp of divine soul now, in this shrine, I’m also the ruler, I’m also a god, you can’t escape from my palm.”

“If you obediently hand over your body, I can. Let your spirit be immortal and find you a body again.”

“These friends of yours can also leave safely...”

Toyotomi Hideyoshi snorted coldly.
