

A Man Like None Other Chapter 2051 – 2060

Chapter 2051

The magma under the foot continues to gather heat on Kuroki Kawasaki!

The energy that has just been consumed will be replenished in an instant!

That is to say, the strength of Kuroki Kawasaki can always be maintained at its peak!

This is also the reliance of Kuroki Kawasaki. It is precisely because of this reliance that Kuroki Kawasaki will be confident!

“I want to see how long your clone can last...”

Kuroki Kawasaki said, waving his knife and rushing towards David again!

And David recalled all the clones, after all, a large number of clones will speed up the consumption of David’s spiritual power!

Kuroki Kawasaki can extract power from magma, but David can’t, he can’t convert heat into spiritual power!

Kuroki Kawasaki’s samurai sword, constantly waving in mid-air, has changed dozens of moves in an instant, making people dazzled!

David also swung his sword and slashed...

Dang...

A burst of fire splashed, and the sound quickly spread around!

At the moment when the weapons collided with each other, the two had already fought countless times!

The magma in the crater began to be splashed everywhere by the strong winds scattered everywhere!

Dang.....

After another crisp loud noise, the two people’s bodies were separated in an instant!

Kuroki Kawasaki looked at David, a shock flashed in his eyes!

He did not expect that after fighting for so long, David did not show any signs of exhaustion, but he was still full of energy and aura!

And David looked at Kuroki Kawasaki, and the fighting spirit in his eyes was stronger. The stronger the opponent, the more excited David was!

Because of a strong opponent, David can absorb more strength!

“Happy, keep coming...”

David held the Dragon Slaying Sword and smiled coldly. The fighting spirit on his body continued to rise, and there was no sign of weakening!

The Dragon Slaying Sword was raised high, and then a sword was swung out!

This sword actually carried the sound of dragon chants, and the sword energy instantly turned into a golden dragon, soaring into the air and cruising in the air.

Seeing this, Kuroki Kawasaki’s face showed an unprecedented solemnity. The samurai sword quickly slashed out from his hand, and the sword lights kept slashing at the golden dragon!

Dang.....

The sword qi and the sword light slammed together again!

Kuroki Kawasaki felt the huge anti-shock force, and his body involuntarily stepped back a few steps!

The samurai sword in his hand began to tremble constantly, as if he was afraid of the golden dragon in front of him!

David did not stop, and now Kuroki Kawasaki has fallen behind, this is David’s opportunity!

I saw the cold light in David's eyes skyrocketing, and the fighting spirit was churning.

"Nine Shadow Swordsmanship, the first sword..."

David's Dragon Slaying Sword continued to flash light, followed by a cyan light lasing out of the Dragon Slaying Sword!

This ray of light turned into a human figure. Although I couldn't see the appearance, I couldn't tell the difference between male and female, but it could be clearly seen that it was definitely one person!

"Sword Spirit..."

When David saw this, there was a bit of surprise in his eyes.

He did not expect that the sword spirit in the Dragon Slaying Sword had already formed, and although it had not yet grown and matured, it could now emerge from the sword!

If the sword spirit finally takes shape, then David will have a powerful helper by his side!

The sword spirit stood on top of the golden dragon, with a look of disdain for the heroes!

Seeing this, Kuroki Kawasaki looked gloomy and terrifying.

He didn't expect that the Dragon Slaying Sword in David's hand had already produced a sword spirit, and the sword spirit had not yet been formed, and it could already come out of the sword, and the breath it exuded was extremely tyrannical!

Kuroki Kawasaki began to increase all the energy in his body, and the samurai sword in his hand was shaking, but Kuroki Kawasaki was trying hard to control it!

The magma under his feet began to slowly solidify and turn black because a lot of heat was absorbed by Kuroki Kawasaki!

The sword spirit rode the golden dragon and roared towards Kuroki Kawasaki.

Kuroki Kawasaki gritted his teeth and tried his best to pick up.

Bang!

The rays of light radiated, and Kuroki Kawasaki's body took a few steps back again, and a small gap appeared in the samurai sword in his hand!

Chapter 2052

At this moment, Kuroki Kawasaki is actually afraid!

Although he can continuously absorb energy, David seems to have inexhaustible power in his body. Even if Kuroki Kawasaki continues to absorb energy, he will be defeated by David!

Just when Kuroki Kawasaki was thinking of countermeasures, David jumped up with a sword and bullied himself.

The blue light flashed out!

He will not give Kuroki Kawasaki the slightest chance to breathe, because every pause will allow Kuroki Kawasaki to recover more energy in his body. It is impossible for David to give him this chance!

The blue light blazed, and Kuroki Kawasaki did not dare to be careless, and waved his knife to meet him again!

A violent explosion sounded, and Kuroki Kawasaki's body retreated again.

David's move is faster than one move!

Kuroki Kawasaki can only passively greet him. The energy in his body consumes a lot of energy. Even if he can absorb the heat from the magma, it is difficult to restore it all at once!

Kuroki Kawasaki had a cold sweat on his forehead, he was panting heavily, and his samurai sword was full of pits and holes!

Seeing that it is about to break, but Kuroki Kawasaki has no choice, and still has to rely on this samurai sword to hold on!

David is getting more and more excited, the spiritual power in his body is constantly erupting, the dragon crystal on his chest is also shining, and the power of the dragon is constantly filling David's body!

David saw that Kuroki Kawasaki was at the end of the fight, so he put away the Dragon Slaying Sword. What he wanted was not to kill Kuroki Kawasaki, but to absorb the strength of Kuroki Kawasaki!

Seeing David put away the Dragon Slaying Sword, Kuroki Kawasaki knew that this was his last chance!

"Shadow Slash..."

Kuroki Kawasaki burst out with the last strength, his eyes were even more scarlet, he suddenly raised the samurai sword in his hand, and the whole body and the samurai sword were almost merged into one.

The sword glow rose into the sky, and the white sword glow even rushed out of the crater, so that people outside the crater could clearly see the terrifying sword glow!

Immediately after, Kuroki Kawasaki stepped out, and the knife in his hand slashed down, and the victory or defeat was here!

Just after Kuroki Kawasaki delivered this blow, the samurai sword in his hand could no longer withstand it, and it broke into several knots in an instant!

Looking at the samurai sword with only the hilt left, Kuroki Kawasaki dazedly threw away the hilt in his hand!

No matter how this blow, this will be the last attack!

Now he can only hope that this blow of his own can directly wound or kill David!

“Humph...”

Who knows, in the face of Kuroki Kawasaki’s final blow, David actually let out a sneer!

Immediately after he punched it out, only a muffled sound was heard, and the entire void was smashed into a black hole in an instant!

Although David can’t use the law of space now, he can’t rely on his own strength to tear open the void abruptly and go where he wants to go!

However, if you want to smash a void crack with one punch, David can still achieve it!

The knife of Kuroki Kawasaki instantly slashed into the crack of the void and disappeared without a trace!

The crack in the void disappeared immediately, but the residual power of David's punch did not disappear!

Yu Wei smashed hard on Kuroki Kawasaki's body, and Kuroki Kawasaki's body flew out instantly, fell heavily on the stone wall, and a mouthful of blood spurted out.

Kuroki Kawasaki's face was rapidly aging, and soon it became the appearance of an old man, with a wrinkled face and slow breathing, as if he was about to die!

There was no luster in Kuroki Kawasaki's eyes, but with his hands on the ground, the heat of the magma in the ground was continuously absorbed into the body by Kuroki Kawasaki!

David walked towards Kuroki Kawasaki step by step, but Kuroki Kawasaki didn't move, and he couldn't move at all. At this time, his body had already aged rapidly and had no energy at all!

"Even if I die, it's impossible for you to absorb my strength..."

Kuroki Kawasaki saw David's attempt and said slowly

Chapter 2053

"Do you think you still have the right to choose?"

David showed a sneer!

Now Kuroki Kawasaki is the meat on the chopping board, and David can eat whatever he wants!

"After all, I'm one step short. If I can really step into the god of war, you can't be my opponent at all..."

Kuroki Kawasaki's face was full of regret!

If he really breaks through Wu Sheng and reaches the realm of Wu Shen, then David will definitely not be his opponent!

Although Toyotomi Hideyoshi and the others are all gods of war, they are all just a remnant of the soul, and their strength is greatly reduced.

But he is different. If he can break through the Martial God, then he is the real living Martial God, the supreme existence of the real Martial Dao world!

In the world of martial arts, the supreme god of martial arts, there is no higher realm...

"Even if you break through the god of martial arts, the result will be the same..."

David's eyes were indifferent, and he walked towards Kuroki Kawasaki step by step!

They are only warriors after all, and they don't understand what the world of Xiu Xianjie looks like!

What if you reach the god of war?

Really in the secret realm, in the realm of immortality, it is not the same worthless...

Kuroki Kawasaki looked at David, he did not understand why David was so confident, but he knew that his own strength, Never let David absorb it!

Soon, Kuroki Kawasaki let out a sharp roar, and the spirit inside his body suddenly rushed out, turning into a black smoke and trying to escape!

At this level, as long as the soul is immortal, Kuroki Kawasaki will have the possibility of resurrection sooner or later!

And David looked at Kuroki Kawasaki who wanted to escape, and couldn't help but snorted coldly!

Then he suddenly opened his mouth and took a breath!

A huge suction force instantly sucked the soul of Kuroki Kawasaki into the body!

Only a pair of Kuroki Kawasaki's skins were left outside, and under the scorching of the magma, it began to burn!

It quickly turned to ashes.

The island nation's number one master almost broke through Kuroki Kawasaki, the god of war, and disappeared like this!

No trace left!

Outside the crater, everyone looked up at the top of the crater, and no one dared to go up!

But at this time, there has been no sound coming out of the crater for a long time!

Is the battle over?

Who finally won?

But everyone thought it was Kuroki Kawasaki!

Because Kuroki Kawasaki is the first person in the island country and the spiritual pillar of the island country's martial arts circle.

No one would think that Kuroki Kawasaki would lose!

"It should be over, David's body can be carried out..."

Muto Shinichi looked at the crater that had not moved for a long time, and said slowly!

But just when they were about to go to the crater and carry David's body out!

Suddenly, a figure on the crater slowly floated up!

I saw the figure's body floated directly to the crater, and then walked down step by step!

When everyone saw this figure, they were all shocked and stunned!

"This... what's going on?"

Muto Shinichi looked at David in disbelief, and walked down step by step, his face became extremely ugly!

“Where is Senior Kuroki Kawasaki?”

“How could Senior Kuroki Kawasaki let him out, why didn’t he kill him?”

“This guy, wouldn’t he be begging for mercy with Senior Kuroki Kawasaki?”

Many people were talking in confusion!

And only Kazuo Kawaguchi seemed to understand something, and his face became uglier than eating shit!

David walked down step by step, and everyone consciously gave way!

“Chen...Mr. Chen, what about Senior Kuroki Kawasaki?”

Muto Shin pair asked David.

David glanced coldly at Muto Shinichi, but with just one glance, Muto Shinichi felt that a mountain was pressing down in an instant, and he knelt down with a thud!

“The first person in your island country is no longer there. In the future, only one god of your island country is allowed, and that is me...”

David’s voice was very calm, even very light!

But these words can make all the islanders present really hear it!

Chapter 2054

and as soon as the words fell, David burst out with incomparably powerful coercion!

This coercion directly enveloped the entire Mount Fuji, and everyone felt the pressure and fell to the ground involuntarily!

Although they didn't believe it, they didn't believe the spiritual sustenance in their hearts, so they lost like this, and even lost their lives!

But now David stood in front of them, exuding majesty like a fairy, and he had to make them believe it!

"Welcome Lord God..."

At this moment, someone shouted from the crowd!

And this person is Kazuo Kawaguchi. Kazuo Kawaguchi deceived David and told Kazuo Watanabe a lot of information.

Now David not only destroyed the four major shrines, but also killed Kuroki Kawasaki. How about the entire island country, is there anyone else who is David's opponent?

In order to survive, Kazuo Kawaguchi could only try his best to curry favor with David!

It's just that Kazuo Kawaguchi shouted, but no one followed him and shouted!

Although David killed Kuroki Kawasaki, it will take time for the martial arts community in the island country to accept this fact.

Moreover, if you want to make the island countries surrender to the martial arts world, you also need means!

When Kazuo Kawaguchi saw that no one was following him, he felt embarrassed and hurriedly lowered his head.

David just glanced at Kazuo Kawaguchi, and then looked at Muto Shindao: “If there are still people in your island country who are not satisfied, you can come to me at any time, and I will stay here for a few days...”

After David finished speaking, his body The shape jumped up and floated down the mountain!

Looking at David’s soaring figure like an eagle, everyone in the island nation’s martial arts world fell into contemplation!

Until David’s figure completely disappeared, Muto Shinichi’s eyes looked coldly at Kazuo Kawaguchi!

“You shameless traitor, embarrassing the martial arts world of my island country, and today I will betray you to death...”

Muto Shin was furious!

Afterwards, all the people in the martial arts world swarmed, and Kazuo Kawaguchi was so sad that he didn’t say anything, and the whole person was smashed to a pulp by everyone.

The news of David beheading Kuroki Kawasaki quickly exploded in the island country!

Although many people in the martial arts world of the island country tried their best to block the news, it was of no use at all!

For a time, people in the martial arts world of the island country became street rats, ridiculed and abused!

Many younger generations in the martial arts world of the island nation have been clamoring for a collective dispatch to prove the martial arts world of the island nation and avenge Kuroki Kawasaki!

However, they were all suppressed by Muto Shinichi and the older generation, because they knew that when these people went, there was no other outcome than death!

Before David, these people were not even ants!

The Watanabe family, under the leadership of David, has become the most powerful family in the entire island country!

Watanabe Fumio began to build a shrine for David, shape statues, and let believers make offerings and worship!

And although the martial arts world of the island country failed to find someone who could suppress David, no one really compromised. They did not agree with David, and it was even more impossible to worship David as a god!

After all, no matter how powerful David is, he is also a native of Daxia, and the unique arrogance of their islanders makes these guys in the martial arts world refuse to bow their heads!

David locked himself in the room and spent three days completely refining the spirit of Kuroki Kawasaki!

It made David's strength jump to the fifth-rank Martial Saint, and now David really encounters the Martial God, and he is not afraid at all!

What's more, the Dragon Slaying Sword in his hand has already come out of his body. With time, the Dragon Slaying Sword in David's hand may be able to fight a Martial Saint alone!

“Master, now you have millions of believers in the island country, but those in the island country’s martial arts world still refuse to worship you.”

Watanabe Fumio saw that David’s cultivation was completed, so he reported in a low voice.

“Don’t worry about them, I have my own way...”

After David finished speaking, he got up and walked out of the room!

Looking at the bright moon in the sky, David jumped, and the whole person jumped up hundreds of meters, as if he jumped onto the moon at once!

When Watanabe Fumio saw this scene, he couldn’t help opening his mouth and was shocked!

David took a few vertical jumps and landed steadily on the center of Xijing, a very luxurious palace!

Chapter 2055

This is the highest place in the entire Xijing, and it is also the most luxurious palace.

Because here is the highest spiritual leader of the entire island country, the land emperor Yuzuo of the island country.

At this time, Yuzuo was in front of the living room window, admiring the bright moon in the sky!

In the past few days, things in the martial arts world of the island country have also made him a little bit overwhelmed!

Suddenly, Yuzuo noticed that someone was standing on the roof of the palace!

He couldn’t believe it, he took off his glasses and wiped them, then continued to put them on and looked at them carefully!

But this time, he didn’t see any figure!

Yuzuo let out a long sigh, knowing that this is the place with the tightest security, how could anyone stand on the roof.

It must be because I haven't had a good rest these days, my eyesight is blurry...

Yuzuo touched his iconic mustache and was about to go back to his room to go to sleep. He had to go to rest early, and he had hallucinations during this time!

But just as Yuzuo turned around, he was stunned and stood there dumbfounded!

Because he saw a young man sitting on the sofa in his living room, sipping his red wine!

"Who are you?"

Yuzuo asked in horror.

You must know that without his permission, no outsiders can enter, not to mention that it is still night, no one can enter!

But now, someone is sitting right in front of him!

"My name is David..."

David gently shook the wine glass in his hand, and then took a sip: "The wine is good..."

When Yuzuo heard the word David, his body was obviously shocked!

Because he knows that the person who has turned the entire island country's martial arts world upside down recently is called David.

“You... what are you doing here with me?”

Yuzuo said as he approached, because there was an alarm there!

“It’s useless for you to sound the alarm, it’s just to let your guards kill more people.”

“I just came to chat with you, I’m not malicious, relax...”

David smiled lightly, then sat down. In a gesture of invitation, he said, “Please sit down...”

If you didn’t know it, you would have thought that David was the master here!

Yuzuo looked at David, and finally withdrew his hand from the alarm, and carefully sat opposite David!

“What do you want to talk to me about?”

Yuzuo asked in a low voice.

“I know your status and rights in the island country. Now I just want you to order that the stubborn guys in the island country’s martial arts world will all enshrine my idols. Now that Kuroki Kawasaki was killed by me, except for your island country. If you worship me, can you find a second person?”

David said coldly.

When Yuzuo heard this, his brows frowned slightly: “I will not participate in the affairs of the martial arts world. How do those in the martial arts world choose, that is their right...”

“You mean, don’t you give orders?”

David His eyes narrowed slightly.

“Yes...”

Yuzuo nodded heavily, but at this moment his heart was shaking desperately!

“Since you don’t give orders, I don’t mind letting your island country change to another land emperor...”

After David finished speaking, his breath suddenly burst out!

Immediately after, a lively golden dragon appeared from behind David, and its mighty figure continued to hover in the air!

Although Yuzuo is a noble emperor, he is just an ordinary person. How could he have seen such a scene!

Looking at the golden dragon swimming in the air, Yuzuo was dumbfounded, his whole body was shaking constantly, and his pants almost didn’t urinate!

Although he has always heard that the martial arts world has cultivated to a certain level and can condense gas into a god, but he has never seen it!

Seeing David like this now, the whole person is stunned!

“Since you don’t agree, then I will kill everyone in the martial arts world of the island country, and I will be the emperor of the island country...”

David’s aura soared again, and Jin Long’s big copper bell-like eyes were deadly. Look at Yuzuo!

Chapter 2056

Jin Long opened his bloody mouth and charged towards Na Yuzuo!

Yuzuo was so scared that he urinated instantly, and hurriedly said: “Okay, okay, I’ll listen to you...”

Seeing this, David waved his hand, and Jinlong instantly retreated!

“I plan to recruit now, and I will send someone to announce it tomorrow.” Yuzuo trembled and assured David!

“Okay, I hope you didn’t lie to me, because you know what’s the end of lying to me...”

David said, his breath subsided, and the golden dragon disappeared instantly!

After drinking the red wine in front of him, looking at the full moon in the sky, David’s body floated up!

Yuzuo looked at David and floated away like this, and the security in his palace was like a waste, he knew that he must promulgate this edict!

There is no way, those guys in the martial arts world are not as good as others, even the first person in the martial arts world, Kuroki Kawasaki, was killed, and there is no one in the martial arts world who can compete with David!

Yuzuo took out the edict and wrote it overnight. Just before dawn, he ordered someone to promulgate it!

When it was three shots in the sun, David stretched and woke up!

Watanabe Fumio was excited to find David!

“Master, master, it’s a big happy event, the emperor has issued an edict, and everyone in the martial arts world will enshrine your idol. Those stubborn guys in the martial arts world have to worship you as a god now.”

Watanabe Fumio He said with the edict issued by Yuzuo.

David just glanced at it without the slightest expression, because he already knew the result!

“Watanabe Fumio, now that the island country’s affairs have been settled, I believe that no one will dare to touch your Watanabe family in the short term, and I will also go back.”

David said to Watanabe Fumio.

When Watanabe Fumio heard this, his mood instantly lost a lot, and his eyes were full of reluctance:
“Master, I will definitely help you look after the island country, and I will send people to send you all the resources regularly!”

“But ...but...”

Watanabe Fumio seems to have something to do, so he is embarrassed to say it!

“If you have anything, just say it.” David said.

“Master, Yumiko has been going to school in Daxia, so this time I hope she can go back to Daxia with the master and continue to finish her studies.”

“If the master likes her, she can always be by the master’s side!”

Watanabe Wenxiong said.

“Yumiko is still young and should finish her studies. As for serving me, I’ll talk about it later!”

David didn't dare to take Yumiko back to serve him!

If the women in the family knew about this, I guess they would have good fruit to eat!

David found Hu Mazi and brought Yumiko to go back to China!

"Lao Fan, come back with us, what's the point of you being alone here?"

Hu Mazi said to Lao Fan.

"Don't go, I'm fine here, and after this time, I don't have to pretend to be unpredictable, even if my strength is low, those guys in the island country martial arts world will treat me as a master. "

Now the gods they worship are my friends, and I can boast that in the island country now..."

Lao Fan said with a smile on his face.

"Fan Lao, thank you very much for these few days in the island country..."

David is still very grateful to Lao Fan. If Lao Fan hadn't asked Watanabe Fumio to take out the Fuji Snow Lotus, David's strength would not have broken through at all. to Wusheng!

Then there will be no such things later, and David's strength cannot grow so fast in the island country!

"What's there to be grateful for, now you have become the god of the island country, and my worth has risen with the tide."

Lao Fan smiled slightly.

Soon, David and the others boarded the plane and embarked on the road back to China. On the plane, David looked at his fists. This time, when he went back, he wanted to completely destroy the Demon Heart Sect..

Chapter 2057

Kyoto Airport!

Gu Linger, Ji Ruxue and the others knew that David came back today. After all dressed up, they went to the airport to meet David!

Several girls were waiting outside the airport, which attracted the attention of many people!

At this time, Zhou Jie was also among them. Today, she also specially dressed up to pick up the flax!

Soon, the figures of David and Hu Mazi appeared at the airport, and the two walked out slowly!

Seeing David and the others getting off the plane, these girls all swarmed up!

But when they saw that behind David was a young, very beautiful girl, they were all stunned!

“I didn’t expect you to come to pick me up...”

David smiled slightly when he saw Gu Linger and the others.

Several girls ignored David, but stared at Yumiko behind David.

“Oh, Yumiko, take a taxi to school by yourself, I won’t send you off...”

David said when he saw Gu Linger and the others were always staring at Yumiko.

“Okay master, when I have time, can I find you to play?”

Yumiko smiled slightly.

“Ah? This...Is it okay...”

David seemed overwhelmed by Yumiko's question!

"Goodbye master, goodbye Master Hu..."

Yumiko waved her hand, then took a taxi and left!

After Yumiko left, Gu Linger and Xiaolan stared at David!

"David, you are really getting better and better. No wonder you went to an island country. When you went to an island country, this maid played..."

Xiaolan asked angrily.

"What are you talking about, you misunderstood, let me explain to you..."

David knew that these people had misunderstood!

"What's the misunderstanding, go back and explain..."

Ji Ruxue spoke up!

As the eldest sister Ji Ruxue opened her mouth, several girls directly controlled David and stuffed it into the car!

Seeing David like that, Hu Mazi burst out laughing!

Zhou Jie stepped forward to mention Hu Mazi's ear and said, "You went to the island country, didn't you mess up? I know that the women in the island country are not honest..."

"No, absolutely not, I promise..."

Hu Ma Zi hehe smiled, then picked up Zhou Jie and left.

.....

Evening time!

David found Hu Mazi, and he planned to ask Zhou Jie how the search for the secret realm of Demon Heart Sect was going on during this time!

But when David arrived in Hu Mazi's room, he heard some indescribable voices inside!

David was speechless for a while, he could only light a cigarette and wait!

After half an hour, the sound in Hu Mazi's room gradually disappeared!

When Hu Mazi opened the door and found that David was standing at the door, he couldn't help but said: "David, why are you here? When did you come?"

"I've been here for half an hour..."

David was white. A look at the flax!

Hu Mazi smiled and invited David into the room!

At this time, Zhou Jie also got dressed, and greeted David with a blushing face!

“Zhou Jie, how are you doing about the secret realm of the Demon Heart Sect?”

David asked directly.

“Mr. Chen, I have already discovered a secret realm of Demon Heart Sect, but I don’t know if your girlfriend is imprisoned. I didn’t dare to open it rashly when you weren’t here!”

Zhou Jie said.

“Where?” David said excitedly.

“It’s in the backyard of the Martial Arts Alliance. The entrance to this secret realm is right there. I have told Long Xingxu to send someone to guard it.”

“But I haven’t seen anyone come out of that entrance these days, I don’t know. Is this secret realm abandoned, or is there another way out!”

Zhou Jie said.

“Let’s go, take me to see...”

David got up impatiently and wanted to have a look!

“David, it’s already late at night. What else are you going to see? Let’s talk about it tomorrow. The secret realm can’t be escaped. If it is really the secret realm of the Demon Heart Sect, we have to plan well, and we can’t be too reckless...”

Hu Mazi I know that David is eager to save people, but he can’t act recklessly!

David nodded, he also knew that he was too impatient!

After chatting with Zhou Jie for a few more words, David left!

Because he knows that Hu Mazi has just returned, and it is estimated that he will not sleep this night...

Chapter 2058

After coming out of Hu Mazi’s residence, David planned to go back to Longmen, but he just took two steps when he met Xing Jun!

“Captain Xing, how is your injury?”

David asked quickly when he saw that it was Xing Jun.

“It’s been fine for a long time, and now I’m stronger than before...”

Xing Jun waved his fist twice.

“It’s so late, what are you doing here?”

David asked.

“Of course I came to see you. Mr. Shi knew that you were back, and he set up a special banquet to invite you to dinner!”

“I can tell you that you are the first person who can be invited to dinner by Mr. Shi alone...”

“Mr. Shi is very happy this time, don’t you know, when he heard that you secretly went to the island country to take revenge, Mr. Shi was worried!”

“Later, Mr. Shi activated the secret personnel who had been in the island country for many years, that is, To help you!”

Xing Jun whispered following David.

“Enable secret personnel? Who?”

David was stunned, then frowned slightly!

When he was in the island country, no one seemed to help him.

At this moment, David suddenly remembered a person, that is Lao Fan!

Although Lao Fan is a good friend of Hu Mazi, from the very beginning, David felt that Lao Fan took special care of him!

Including the situation of the island country that Lao Fan introduced to him at the beginning, and the fact that he forced Watanabe Fumio to hand over the snow lotus, but the snow lotus Lao Fan gave it to David.

You must know that David and Lao Fan just met by chance. Although Lao Fan kept saying that he repaid David for buying wine, no one would repay such a valuable thing.

David made a breakthrough by relying on the snow lotus.

And David fought with Kuroki Kawasaki later, and Lao Fan directly inquired about the news of Kuroki Kawasaki!

Want to know what character Kuroki Kawasaki is?

Was his confidential information so easy to find out?

In addition, this time Hu Mazi invited Lao Fan to return to China, but Lao Fan shied away and never came back!

With these kinds of performances, David suddenly felt that this old fan was probably the person who was secretly activated by Mr. Shi!

Otherwise, relying solely on the relationship between Lao Fan and Hu Mazi, Lao Fan does not need to help himself like this...

“I don’t know who this secret person is. If you want to know, you should ask Mr. Shi in person!”

After Xing Jun finished speaking, he turned and walked forward, while David followed closely behind!

At this time, in the Dharma Protectorate of Kyoto, the lights were bright!

There is a very sumptuous dinner table in the hall, Mr. Shi sat quietly in the first place, with a polite appearance!

After David walked into the hall, Mr. Shi smiled slightly: "Sit down..."

David nodded and sat opposite Mr. Shi!

Mr. Shi's eyes stared at David, but David was a little uncomfortable!

"Your talent and guts really exceeded my expectations..."

"Your strength has grown so fast these days that I can't even imagine..."

"And your guts, you actually ran alone. The island country has become the god of the entire island country, and dares to break into the emperor's palace at night..."

"I can't see through you more and more now!"

Mr. Shi said slowly.

"Actually, I don't want to, but after the revenge, the guys in the island country don't want me to go, so I can only play with them for a few days!"

David smiled helplessly.

"Hahaha, look at how cheap and good-looking you are."

"Okay, let's start eating, I specially prepared a good wine for you today!"

Mr. Shi said, with a wave of his palm, the wine glass in front of him Instantly flew towards David!

David reached out his hand to pick it up, only to feel his arm numb, and almost let it go!

David looked at Mr. Shi in shock, knowing that he is now a fifth-rank Martial Saint, and his real strength is comparable to the peak of Martial Saint!

But he didn't want to catch the cup that Mr. Shi threw at will, it would make his arm go numb!

it" "Pour the wine yourself..."

Mr. Shi said.

David sobered up from the shock, and then poured himself a glass of wine!

The two started drinking and chatting while drinking...

"Doesn't it feel good to have destroyed the shrine in the island country and become a god in the hearts of the people of the island country?"

Mr. Shi asked.

David didn't speak, just nodded!

He was really cool in his heart, and at the moment his self-confidence was bursting.

He feels that his current strength can completely destroy that Demon Heart Sect!

Seeing David like this, Mr. Shi smiled lightly: "But I want to tell you, even if you can dominate the entire martial arts world now, it is nothing special, because these people in the martial arts world have never been taken seriously!"

"Secret realm There are countless masters in it, even the forces behind the Martial Dao Alliance will never be as unbearable as you see..."

"Your road is still long, very long..."

Mr. Shi said slowly, his expression also Become more and more dignified!

David looked at Mr. Shi, he always felt that he had never really looked through Mr. Shi for so long!

Including Mr. Shi's strength, David can't figure it out now!

"Mr. Shi, do you know the Heaven and Human Realm?"

At this moment, David remembered the Heaven and Human Realm that the Gorefiend told him!

David didn't even know what the Heaven and Human Realm was.

"Who told you about Heaven and Human Realm?"

Mr. Shi frowned slightly.

David told Mr. Shi about what happened in Penglai Island. When he heard that it was said by the Gorefiend, Mr. Shi's face was obviously much calmer!

"Since you want to know, then I'll tell you that there are countless worlds in the entire time and space, but because they are in different time and space dimensions, they can't feel it at all!"

"As you are now The secret realm discovered is average, although they are in the same time and space, but not many people know the existence of the secret realm!"

"And this world is also a world, but it is no longer the same dimension as the current world..."

“Wait for you . When the strength is truly able to travel through time and space, you can go to other worlds at will!”

Mr. Shi explained to David!

David looked at Mr. Shi in astonishment. He wondered, how did Mr. Shi know this?

After a meal, when David left, there were many complicated emotions in his heart!

Originally, he had absorbed the strength of so many Martial Saints in the island country, and he had already reached the fifth-rank Martial Saint. This kind of invincible existence in the entire Martial Dao world made David somewhat at ease, so he thought about returning to the country, The first thing is to destroy the Demon Heart Sect!

But now listening to Mr. Shi’s words, adding that Mr. Shi’s arms numb when he casually waved his wine glass at the beginning, David realized that his ability has not yet reached the point of disdain for others!

This night, David thought a lot, and he found more and more that Mr. Shi’s identity became more and more obsessed!

The next morning!

Hu Mazi and Zhou Jie found David!

The three came to the former site of the former Kyoto Martial Arts Alliance. At this time, it has become the site of Longmen, and there are disciples of Longmen guarding the door!

Seeing David coming, the disciples all stood upright and shouted loudly, “Hello, Sect Master...”

David nodded slightly, then walked in!

“Brother David...”

Seeing David coming, Long Xingxu hurried up to meet him!

“How is it? During this time, there is nothing wrong here, right?”

David asked.

“No, after Miss Zhou told me to send more staff, I watched it myself and didn’t notice anything unusual!”

Long Xingxu said.

“Well, now take us to see...”

David said.

Chapter 2060

Long Xingxu brought David and the others to the backyard. Originally, this was where the dungeon of the Martial Arts Alliance was located, but after the Martial Arts Alliance was destroyed by David, there was no dungeon here!

David glanced at Zhou Jie, and Zhou Jie raised her hands slowly, as if she was groping for something!

Soon, her palms stopped in mid-air, and then light flashed from the palm of her hand!

“Miss Zhou, is this the entrance to the secret realm?”

David asked when Zhou Jie didn't move.

Zhou Jie nodded: “Yes, the entrance to the secret realm is here, and I can be sure that it is the secret realm of the Demon Heart Sect, because the breath at the entrance is very similar to our Demon Spirit Sect!”

David was immediately excited when he heard this: “Then Hurry up and open it...”

After Zhou Jie heard this, the light in her palm flickered brighter, and she began to chant words, as if she was chanting a spell!

Immediately afterwards, a black hole appeared in the void, and then the black hole became larger and larger.

Seeing this, David's eyes flashed with excitement, and he couldn't wait to jump towards the black hole!

Om...

Just when David was about to pass through the black hole, suddenly his body seemed to be hit by a huge force and bounced straight out!

David looked at Zhou Jie with a surprised expression, and at this time Zhou Jie also frowned and said, “Although this Secret Realm of Demon Heart Sect is similar to ours, they just added an extra spell, which is like a door. It's like they added an extra lock.”

“Although I can open a lock, I can't open the extra lock...”

Zhou Jie explained to David!

When David heard this, he frowned. Obviously, the Demon Heart Sect had taken precautions. He knew that David would definitely use his relationship with the Demon Spirit Sect to open their secret realm, so he added an extra spell at the entrance of the secret realm. !

Looking at the secret realm so close at hand, David knew that Sonya was here now and could no longer suppress her inner anger!

David's aura began to rise crazily, and golden light flashed above his fists!

"David..."

Seeing this, Hu Mazi hurriedly shouted!

But at this time, David's eyes began to congest and became scarlet!

"Break it for me..."

David punched and slammed out the entrance of the secret realm!

This punch broke the void in an instant, and there was a sound of breaking the void!

The rumbling sound resounded like thunder, resounding throughout the capital!

David's punch, I'm afraid he can flatten a mountain!

What's strange is that David's punch hit the black hole at the entrance of the secret realm, but there was no wave at all. The incomparably powerful punch disappeared in an instant, as if being swallowed by the black hole!

Seeing this, David threw another punch, and each punch was a bit more powerful!

After a dozen punches in a row, David's forehead was already full of sweat, but the entrance to the secret realm in front of him did not change at all!

David gasped heavily and looked helplessly at the entrance to the secret realm in front of him!

"Mr. Chen, it's useless. No matter how powerful you are, you can't break the entrance to this secret realm at all."

"Because the entrance to this secret realm is not a real thing, it's like a crack in time and space, so your strength is fundamental. It won't cause any harm!"

Zhou Jie persuaded David.

"Then what should I do? What should I do? Are you just watching Yuqi suffer inside?"

David was a little broken!

Even if he is now the strength of a fifth-rank Martial Saint, but facing the secret realm, he is still powerless!

At this time, David suffered a deep blow. He was full of self-confidence at the beginning, but now he has disappeared!

"Mr. Chen, if you want to open the secret realm, it's not impossible, but..."

Zhou Jie stopped talking.
