

A Man Like None Other Chapter 2061 – 2070

Chapter 2061

“What about it? Tell me quickly, as long as you can enter the secret realm and rescue Yuqi, you can pay any price...”

David asked hurriedly.

“I know that there is a Bailian Pavilion in Buyun Mountain, and there is a Heavenly Secret Order in this Bailian Pavilion. I heard that this Heavenly Secret Order can open the entrance to any secret realm!”

“It’s just that this Heavenly Secret Order is the town of this Bailian Pavilion. It is a treasure of the pavilion, so it is not easy to borrow it, but the pavilion master of Bailian Pavilion likes to collect all kinds of instruments, if there are instruments that he likes, he can lend that day’s order!”

Zhou Jie replied David said.

“Bai Lian Pavilion, Heaven’s Secret Order?” David frowned slightly: “Why have I never heard of it?”

Although David entered the martial arts world not long ago, with the improvement of his strength and fame, his popularity in the martial arts world also increased. High, I have a general understanding of many sects in the martial arts world!

Even the family of the spokespersons of the secret realm, David can understand a thing or two now, but he has never heard of the Bailian Pavilion sect!

“Mr. Chen doesn’t know, although the Bailian Pavilion is in the secular world, it rarely deals with martial arts families in the secular world. The Bailian Pavilion is in contact with all the families in the various secret realms!”

“Because the Bailian Pavilion can Refining the magic weapon, coupled with the fact that there is a secret order in hand, many secret realm families have dealt with Bailian Pavilion.”

Zhou Jie explained with David.

David suddenly realized, so he asked: “Where is Bailian Pavilion in Buyun Mountain? I will look for it now...”

“I don’t know the specific place, I just listened to it when I was in the Demon Sect. Others have mentioned it.”

Zhou Jie shook his head and said.

David knew about Buyun Mountain, but Buyun Mountain stretched for hundreds of kilometers, where did he go to find that Bailian Pavilion?

Moreover, Bailian Pavilion has little contact with the Martial Dao family. Even if David inquires about other families, he may not know the news!

If you are rushing to the Demon Sect to ask other people now, it is too far away and a waste of time!

Just when David was at a loss, he suddenly thought of Mr. Shi!

Since Mr. Shi knows even the Heaven and Human Realm, maybe he also knows about the Hundred Refinements Pavilion!

Thinking of this, David turned around and walked out. He was going to ask Mr. Shi!

“David, where are you going?”

Seeing this, Hu Mazi hurriedly asked.

But Davidren has gone far, and he has no idea what he is going to do!

“You have secured the entrance to the secret realm, and I’ll go after him...”

Hu Mazi knew that David was angry now, and he was afraid that David would do some irrational things, so he chased after him!

When Hu Mazi chased David to the Dharma Protection Pavilion, Hu Mazi was stunned!

He didn’t understand what David was doing here!

“David, what are you doing here? Do you want the officials to help you find that Bailian Pavilion?”

Hu Mazi stepped forward and asked David.

“Yes, I’m going to ask Mr. Shi...”

David nodded and said!

When Hu Mazi heard this, he was immediately shocked: “David, you don’t want to die. You know that when you see Mr. Shi, you need to be summoned. Who dares to disturb Mr. Shi without being summoned.”

“I advise you not to mess with him. Mr. Shi, although Mr. Shi treats you well, you have to be measured!”

Hearing that David was going to find Mr. Shi, Hu Mazi’s face became very ugly!

“Don’t worry, nothing will happen, Mr. Shi will never embarrass me...”

David said.

However, Hu Mazi held David firmly and did not let him in.

At this moment, Xing Jun came out from the inside, and after seeing David and Hu Mazi, he was slightly taken aback!

“David, you are really at the door. Mr. Shi said just now that he asked me to come out and invite you in...”

Xing Jun’s words also surprised David. Obviously, Mr. Shi knew that he had come!

Chapter 2062

“Master Hu, let go, this time Mr. Shi summoned...”

David said to Hu Mazi.

Only then did Hu Mazi let go, and David continued: “Would you like to go in with me?”

“No, I won’t go in...”

Hu Mazi stepped back again and again, and when he saw it, he was afraid to see Mr. Shi !

David smiled. Having been in contact with Mr. Shi for so long, David didn’t think Mr. Shi was scary, and he was sometimes kind.

David followed Xing Jun into Mr. Shi’s room, and then Xing Jun pushed it out!

“David, came to see me early in the morning, did you want to come over after drinking last night?”

Mr. Shi said with a slight smile.

David shook his head: “Mr. Shi, I came to you to ask if you know Bailian Pavilion?”

“Yes, and Shi Qingpei, the pavilion owner of Bailian Pavilion, has some connections with me...”

Mr. Shi said.

“Origin? What origin? Then Mr. Shi must know the exact location of Bailian Pavilion.”

Seeing Mr. Shi know, David was overjoyed!

“Of course I know, you are looking for Bailian Pavilion, do you want to get the secret order and open the entrance to the secret realm?”

Mr. Shi said with a smile.

David was stunned, he didn't understand, how could Mr. Shi seem to be able to see through his mind and even guessed everything!

“Yes, I found a secret entrance in the backyard of the Martial Arts Alliance, and my girlfriend is probably locked inside!”

David said truthfully.

“I’ll tell you the address of Bailian Pavilion, and then I’m giving you a token. You just need to find Shi Qingpei with it, and he will naturally lend it to the Heavenly Secret Order!”

After Mr. Shi finished speaking, he directly picked up a brush from the table, and then threw it to David, and also gave the exact address of Bailian Pavilion!

David took the brush, and a streak of consciousness covered the brush. He found that the brush was just a very ordinary brush, without the slightest fluctuation of spiritual energy!

David didn’t understand how this very ordinary brush could become a token!

But he didn’t dare to question Mr. Shi. He could only thank him and withdrew from the Dharma Protector Pavilion!

“David, how is it, have you asked?”

Hu Mazi asked when he saw David coming out.

David nodded: “I’ve asked, we’re going to Bailian Pavilion...”

David was about to leave again just a day after he came back.

Although Gu Linger and the others were reluctant, they knew that David was also trying to save Sonya, so they could only pray that David had a smooth journey!

The most reluctant are Hu Mazi and Zhou Jie!

Taking advantage of the gap between waiting for the bus, Hu Mazi followed Zhou Jieyun for a while, and then set off with David!

And just when David followed Hu Mazi to Bailian Pavilion in Buyun Mountain, a brilliance flashed in the secret realm of Demon Heart Sect, and Ning Zhi and the Demon Envoy slowly walked out of the brilliance!

At this moment, Ning Zhi's body exuded a strong aura, with a strong sense of oppression!

"As expected of the flame demon body, your physique and bloodline have already begun to develop. In such a short period of time, you have broken through the martial arts and reached the strength of the fourth-grade martial arts."

"With your flame body constitution, even if you meet a fifth-rank Martial Saint, you will be able to win!"

The envoy looked at Ning Zhi with admiration and said.

"It's all about the cultivation of the almighty and the magician. I will do my best in the future and work hard for our sect!"

Ning Zhi said very modestly.

"Very well, I know that you have been trying to find that David to avenge your father's death, so here is your chance!"

"Then David found the entrance to our secret realm and tried to forcibly break the entrance to the secret realm, but failed, so I want you to go out and stop that David from stepping into our secret realm!" The

demon said lightly.

“Lord Demon Envoy, no matter how powerful the entrance to our secret realm is, we can’t open it. Even if we don’t stop it, then David can’t step into the secret realm, right?”

Ning Zhi said with some doubts!

Chapter 2063

After all, the entrance to the secret realm has been added with a spell, unless there is a spell to enter the secret realm, don’t even think about entering it!

“You are more than that. Although brute force can’t open the entrance to the secret realm, there is one thing that can. I believe that the guys from the Demon Sect must have told David. Maybe David has already set off to look for it.

” If he really gets it, he can easily enter our secret realm, not only can he enter the secret realm of the dungeon, but even the secret realm where we are now cultivating, he can easily enter.” The

demon’s face showed worry.

“What is so powerful?”

Ning Zhi was full of surprise.

“The secret order of Bailian Pavilion...”

“You can go to Bailian Pavilion and talk to them in the name of our Demon Heart Sect. I hope they can help. If you can capture David alive, it would be the best!”

“If not, Then he will be beaten to death, and he must not be allowed to live again this time!” After the

magician finished speaking, he took out a small gourd only ten centimeters long, with a red rope tied to the gourd!

“The pavilion master of Bailian Pavilion is a master of refining tools, but he only likes to collect magic tools in his life. If you take this thing, I believe he will definitely help when he sees this thing.” The

magic envoy took the small gourd Hand it to Ning Zhi!

Ning Zhi looked at it, and said with a confused expression: “Master Magician, isn’t this small gourd a high-level magic weapon?”

“Don’t ask, just do as I say!”

“When the time comes, then The pavilion master of Bailian Pavilion, I will tell you the beauty of this gourd.” The

magic envoy waved his hand!

Ning Zhi knelt down on one knee, nodded heavily and said, “This subordinate will never disgrace his mission, and he will definitely bring back that David...”

.....

Buyun Mountain, Bailian Pavilion!

Bailian Pavilion is located in the hinterland of Buyun Mountain. It is almost isolated from the world, and ordinary people cannot find it at all.

Because of the steep mountain road, ordinary people cannot reach it!

But for warriors or monks, it doesn't matter how difficult the road is!

At this time, at the entrance of Bailian Pavilion, Ning Zhizheng looked up at the very majestic gate. There were no guards on both sides of the gate, only two dragon and tiger sculptures, and looking into the depths from the gate, there was nothing inside. No, it's dark!

From the Bailian Pavilion, an invisible sense of oppression made Ning Zhi feel a little nervous!

Because there was no guard at the door, and there was no way to report it, Ning Zhi walked straight towards the Bailian Pavilion!

But just as he stepped into the door, two terrifying breaths suddenly attacked him!

Ning Zhi was stunned for a moment, followed by the dragon and tiger sculptures on both sides. At this moment, they actually came to life, breathing out a terrifying breath and pounced on Ning Zhi!

Seeing this, Ning Zhi suddenly retreated, and directly withdrew more than ten meters!

When Ning Zhi's body exited the Bailian Pavilion, the fierce dragon and tiger just now turned into a sculpture again!

Cold sweat broke out on Ning Zhi's forehead: "What a powerful magic weapon, no wonder it is called the Holy Land of Item Refining..." No one

could have imagined that although there were no guards at the entrance, there were two magic tools to guard it. What a great handwriting!

In the martial arts family of the entire secular world, I am afraid that you will not be able to find such a generous hand.

“Who is coming...”

At this moment, a middle-aged man in a robe walked out and shouted sharply at Ning Zhi!

“Next is Ning Zhi of the Demon Heart Sect, who came here to see the pavilion master of Bailian Pavilion.”

Ning Zhi said very politely.

Although he has now reached the strength of a fourth-rank Martial Saint, and this middle-aged man is only a great Marquis, Ning Zhi does not dare to show the slightest disrespect!

“People from Demon Heart Sect?” The middle-aged man was stunned for a moment, and then said, “Come in with me...”

Ning Zhi followed the middle-aged man into Bailian Pavilion!

Although he had already entered the Bailian Pavilion, Ning Zhi’s eyes could only see a distance of about ten meters, and the rest of the place was shrouded in darkness!

It is almost impossible to see the entire Bailian Pavilion. Ning Zhi guessed that this Bailian Pavilion must also be shrouded by a huge magic weapon, which will cause this situation!

Chapter 2064

middle-aged man took Ning Zhi to a living room, then knocked on the door and said, "Master, the people from the Demon Heart Sect ask to see you..."

"Are you annoying, this is the first one." There was a very impatient growl from the room, but then he said, "Let him come in..." The

middle-aged man pushed open the door and said to Ning Zhi: "Go in, but according to the rules, you only have half an hour..."

Ning Zhi was stunned, he didn't know that Bailian Pavilion had such rules.

But half an hour is only half an hour, and what he wants to explain can be finished in half an hour!

After Ning Zhi went in, he saw a young man sitting on a chair, about his age, with a folding fan in his hand, and a very beautiful girl behind him was massaging the young man!

The young man raised his eyes and looked at Ning Zhi, who came in, and then squinted his eyes and said, "Half an hour, pick it yourself, pick it up, let's look at the goods and negotiate the price..."

Ning Zhi was stunned by this sentence. However, when he saw that the room was full of various instruments, he understood what the young man in front of him meant!

This is to treat him as the person who came to buy the magic weapon, but Ningzhi didn't come to buy the magic weapon!

"I'm sorry, I'm not here to buy magic weapons, I'm here to find the pavilion master of Bailian Pavilion!"

Ning Zhi said lightly.

Hearing that Ning Zhi was looking for the pavilion master, the young man opened his eyes again and looked at Ning Zhi with a bit of vigilance in his eyes: "What are you asking my dad for? You..."

Ning Zhi heard that the young man on the opposite side was the young pavilion master of Bailian Pavilion, so he hurriedly smiled and said, "It turned out to be the young pavilion master, I am disrespectful. A magic weapon ." When the

young man heard that Ning Zhi was here to deliver the magic weapon, his expression immediately became enthusiastic, and he waved to the girl behind him and said, "Let's go out..."

The girl obediently retreated, and the young man stood up and said to Ning Zhi, "Please sit down, my name is Shi Yan, I don't know Xiongtai Zun's name?"

"My name is Ning Zhi..."

Ning Zhi nodded slightly!

"Oh, Brother Ning, please sit down..."

Shi Yan asked Ning Zhi to sit down, and poured a cup of tea for Ning Zhi himself: "I don't know what magic weapon Ning brother brought to my father?"

"This... .."

Ning Zhi hesitated, then said, "Young pavilion master, Lord Demon Envoy explained at that time that you have to hand over the magic tool to the pavilion owner, because only the pavilion owner can use this magic weapon."

Shi When Yan heard this, his brows slightly wrinkled: "Brother Ning, my father retreats and refines the equipment. I'm afraid he won't be able to leave for a while. Since you don't trust me, please come back..."

Ning Zhi saw that Shi Yan was a little nervous. Annoyed, he hurriedly said, “Young Pavilion Master has misunderstood, how could I not trust you, I’m just afraid that you don’t know how to activate this magic weapon when you hand it over to the Young Pavilion Master!”

After speaking, Ning Zhi took the small gourd. Come out and put it on the table!

Shi Yan looked at the small gourd in front of him, and started to play with it!

I saw that this little gourd looked very simple, and I couldn’t feel any aura fluctuations in it.

“Are you sure this is a magic weapon?”

Shi Yan asked in disbelief.

“Young pavilion master, our magic envoy did say that this is a magic weapon, but I don’t know how to activate it.”

Ning Zhi said truthfully.

“Strange, how could there be a magic weapon in my hand, and I still can’t feel it?”

Shi Yan frowned slightly, and then said to Ning Zhi, “Brother Ning, wait here, I’ll go back when I go...”

Shi Yan Left with the gourd.

I saw Shi Yan took the gourd and went to a room in the backyard. The room was very dark. Inside, a white-haired old man was snoring loudly!

Chapter 2065

“Old Yan...”

Shi Yan shouted softly, and the old man opened his eyes instantly!

“Shi Yan, is there another magic weapon that you don’t understand?”

After seeing that it was Shi Yan, Yan Lao stood up and asked with a yawn.

“Old Yan, someone did send a magic weapon. I don’t understand it. I hope Mr. Yan can identify it!” After speaking

, Shi Yan took out the gourd!

This old Yan is the appraiser of Bailian Pavilion. Most of the instruments can be seen through his hands, and the grade of the instruments can be seen. Even the pavilion owner Shi Qingpei respects this old Yan, so this Shi Yan Facing Yan Lao, he was also polite.

I saw Old Yan pick up the small gourd and play with it twice, suddenly there was a hint of surprise in his eyes!

Seeing Yan Lao’s expression, Shi Yan’s heart was shocked, and he quickly asked: “Yan Lao, is this really a magic weapon?”

“Yes, and this is a high-quality magic weapon.”

Yan Lao's face was full of excitement, Then he picked up a mallet beside him and tapped lightly on the gourd!

I don't know what incantation was in Yan Lao's mouth, but the gourd, which seemed to be simple and outdated, began to flash purple light at this moment!

The light soared into the sky and brightened the whole room!

Shi Yan looked at the light, and the whole person was stunned!

As Yan Lao's spell slowly ceased, the light gradually faded away!

At this moment, the old and simple gourd became radiant, and bursts of huge aura were emitted from the gourd!

"Old Yan, this... what magic weapon is this?"

Shi Yan asked in surprise.

"This is a purple-gold gourd, which contains the power of heaven and earth. I heard that this purple-gold gourd used to be a thing of the demon world. I don't know how it got into your hands."

Yan Lao said puzzled.

"Old Yan, this gourd is from the Demon Heart Sect."

Shi Yan hurriedly explained.

“Oh...” Yan Lao nodded, and then reminded Shi Yan: “They sent such a precious magic weapon, they must have asked for something, your father is currently in retreat and refining, you have to be cautious about some things, Don’t agree to other people’s demands.”

Yan Lao knows that no merit is not rewarded, since the other party sent such a good magic weapon, it must be asking for Bailian Pavilion, Shi Yan is too young, so Yan Lao will tell he!

“Don’t worry, Mr. Yan, I know what to do!”

Shi Yan nodded, then left with the gourd!

As soon as he walked out of the room, Shi Yan injected the energy of meaning into the gourd. In an instant, the gourd burst into a terrifying light, and the huge aura spread around, and the entire Bailian Pavilion began to shake!

The Bailian Pavilion is protected by the magic weapon. At this moment, the aura emanating from the gourd clashes with the Bailian Pavilion’s protective magic weapon, which causes the Bailian Pavilion to shake!

Seeing this, Shi Yan hurriedly withdrew his energy, and the terrifying aura slowly disappeared!

“It’s such a powerful force that it almost destroyed our Bailian Pavilion’s protective magic weapon...”

Shi Yan looked at the gourd in his hand, his eyes were full of heat!

When Shi Yan returned to the room, Ning Zhi was still waiting anxiously. When he saw Shi Yan came back, he quickly got up and said, “Young Pavilion Master, how is it?”

“Brother Ning, the gourd that your Demon Heart Sect sent is indeed a gourd. It’s a good instrument, but you won’t be rewarded for no merit, do you have any requests to our Bailian Pavilion, if you have anything, just say it!”

Shi Yan asked bluntly.

Seeing that Shi Yan was so direct, Ning Zhi said truthfully, “Brother Ning, we gave you this magic weapon from Bailian Pavilion, and we just hope that you can help our Demon Heart Sect catch someone!”

“Who is it?” Shi Yan asked.

“Catch David, then David wants to step into the secret realm of my Demon Heart Sect, but he can’t open the entrance to the secret realm at all, so he is very likely to come back to your Bailian Pavilion to borrow the secret order!

” Yes, I hope Bailian Pavilion will not lend him the Heavenly Secret Order, and help us catch him!”

Ning Zhi said.

Chapter 2066

“David?” Shi Yan thought for a moment, then suddenly his eyes lit up: “I seem to have heard of this name, the brat who is particularly arrogant in the martial arts world today, and seems to be taking Kyoto martial arts into account. The alliance is destroyed!”

Because Bailian Pavilion doesn’t have much dealings with the martial arts world, Shi Yan knows very little about David, and he doesn’t even know that behind the Kyoto martial arts alliance is the Demon Heart Sect!

When Ning Zhi heard Shi Yan said that David had destroyed the Martial Arts Alliance, he obviously twitched inwardly!

“Yes, it is this person. He has some grievances with our Demon Heart Sect, so we hope that Bailian Pavilion can help us catch him!”

Ning Zhi nodded!

“Don’t worry about this, do you really think that anyone can borrow the secret order of our Bailian Pavilion?”

“Also, if you want to catch him, I can help, but after catching David, I don’t want to. Let this matter get out.”

“After all, our Bailian Pavilion is in business, and we don’t want to get involved in your so-called secret realm battle!”

Shi Yan said to Ning Zhi.

The reason why Bailian Pavilion can exist stably is because Bailian Pavilion only sells refining equipment, and will not participate in battles!

Moreover, Bailian Pavilion also has a magic weapon that makes all secret realms jealous, that is the order of heaven!

Because of the secret order, the entrance to any secret realm can be opened, and no secret realm dares to follow the Bailian Pavilion as an enemy!

If this makes Bailian Pavilion send the secret order to the hostile secret realm, it will not be worth the loss!

“Young pavilion master, rest assured, no one will know about this matter except you and I. Then David will not be able to leave our Demon Heart Sect alive.”

Ning Zhi assured Shi Yan.

“It’s the best, I promise you!”

Shi Yan said with a faint smile!

Seeing that Shi Yan agreed, Ning Zhi was also very excited. As long as David dared to come to Bailian Pavilion, he would definitely not be able to escape!

At this moment, a member of Bailian Pavilion came over and said to Shi Yan, “Eldest young master, there are two people outside the door asking to see you.

” It’s annoying...”

Shi Yan’s face was full of displeasure, and then he asked, “Who are they here? If it’s not important, let them go away, I don’t have time to receive them.”

“Master, that person said His name is David...”

said the Bailian Pavilion member.

As soon as the words fell, Shi Yan and Ning Zhi were both stunned. They didn’t expect to say Cao Cao, and Cao Cao was here!

“Quickly invite them in...”

Shi Yan ordered.

Just when the members of Bailian Pavilion went to invite David and them, Shi Yan asked Ning Zhi to hide.

At this moment, David and Hu Mazi at the door, looking at the mighty door of Bailian Pavilion and the dragon and tiger sculptures on both sides, couldn't help sighing!

"Using two instruments to guard the gate, this Bailian Pavilion is really a big deal."

Hu Mazi looked at the dragon and tiger sculpture in front of him, his eyes were full of shock!

"Two, please come in..."

At this time, the members of Bailian Pavilion came to David and Hu Mazi and said!

David followed Hu Mazi into Bailian Pavilion!

After entering a hall, both David and Hu Mazi were stunned by the sight in front of them.

Immediately all around are placed magic tools, what kind of magic tools are available!

All kinds of magic tools make Hu Mazi a little dazzled!

David glanced at the instruments and found that although there are many varieties of instruments, there are very few high-grade instruments, and they are all very common instruments!

"You two, are you here to buy magic instruments?"

At this moment, Shi Yan walked out and asked David and Hu Mazi.

“We didn’t come to buy magic weapons, we wanted to borrow something from Pavilion Master Shi.”

David said very politely, “May I ask who you are??”

“My name is Shi Yan, and Pavilion Master Bailian is my father. “

Shi Yan introduced himself!

Chapter 2067

“Oh, it turns out to be the young pavilion master, my name is David...”

David hurriedly shook hands with Shi Yan!

After all, it is to borrow other people’s things, so it should be polite!

“My dad is currently in retreat and refining, and he won’t be out in a short time. What do you want to borrow?”

Shi Yan asked David.

In fact, he has long known that David borrowed the secret order, but he just pretended not to know!

When David heard that Shi Qingpei had retreated, he could only follow Shi Yan and said, “Young Pavilion Master, we came this time to borrow your Heavenly Secret Order. When we run out, I will give it back!”

“What? Borrowing the Heavenly Secret Order? You What a joke, the Heavenly Secret Order is the treasure of our Bailian Pavilion, how can it be easily loaned to others?”

Shi Yan said with a cold snort.

David also knew that the other party would never lend the Heavenly Secret Order to him easily, so he hurriedly took out the brush given by Mr. Shi and said to Shi Yan, “Young Pavilion Master, this is what Mr. Shi asked me to give to your father, He said that after your father sees it, he will understand...”

Shi Yan took the brush, glanced at it casually, and threw it back!

“What rubbish, isn’t this just an ordinary brush? And what Mr. Shi you said, I don’t know at all?”

Shi Yan was a little impatient!

This time, David was a little overwhelmed, Shi Qingpei went into seclusion, and Shi Yan didn’t know Mr. Shi, how could he borrow the secret order?

“Young Pavilion Master, I really need the Heavenly Secret Order to save people, you can give me a condition, how can I lend the Heavenly Secret Order to me?”

David asked in a pleading tone.

“Do you have a very good magic weapon on your body? If so, I can consider exchanging it with you to let you use the Heavenly Secret Order!”

Shi Yan looked at David and asked.

“Yes, I have a storage ring here, can you see it?”

David took off his storage ring!

But who knew that Shi Yan didn’t even take a look at it and said, “We have a lot of magic tools with this storage function, and this thing is useless...”

Shi Yan didn’t look down on the storage ring at all!

David saw this, so he opened the storage ring, took out the Qiankun circle and said: “Young Pavilion Master, what do you think of the Qiankun circle? This is a space magic weapon and can be shuttled to any place at will!”

Seeing David Shi Yan reached out and took the Qiankun circle he took out, but he touched it lightly in his hand twice, and said with a sneer, “This space magic tool has been broken and has not been used many times, and this space magic weapon has not been used much. The distance that the tool travels can’t be too far, it’s not a good magic tool!”

“But after all, it is a space magic tool, it’s barely okay, are there any other magic tools?”

David shook his head: “I really don’t have anything on me. I have a magic weapon, but if the Young Pavilion Master is willing to lend me the Heavenly Secret Order, I can make a few Essence Essence Pills for Bailian Pavilion in return.”

“You can still make pills?” Shi Yan was a little surprised! “Of course, David is the valley owner of Yaoshen

Valley, do you think he can concoct alchemy?” said Hu Mazi on the side. “In that case, let me borrow it from you once!” Shi Yan nodded, and then put the Qiankun Sword into his arms! Seeing this, Ning Zhi, who was hiding in the back, was so angry that he was itching to know that this Universe Circle was his, and David took it from him! Now David actually took out the Qiankun Circle and used it as a bargaining chip! “Thank you so much, Young Pavilion Master!” David hurriedly thanked him! “You two come with me...”

Shi Yan took David and Hu Mazi out of the hall, and then walked towards the courtyard in the depths of Bailian Pavilion!

“David, why do I feel that the Bailian Pavilion is weird, and it’s so easy to lend us the Heavenly Secret Order?”

Hu Mazi said a little flustered.

“Don’t talk, just follow me...”

David didn’t let Hu Mazi speak, and David’s humble expression just now disappeared, replaced by a deep look!

Chapter 2068

“Oh, it turns out to be the young pavilion master, my name is David...”

David hurriedly shook hands with Shi Yan!

After all, it is to borrow other people’s things, so it should be polite!

“My dad is currently in retreat and refining, and he won’t be out in a short time. What do you want to borrow?”

Shi Yan took David and Hu Mazi out of the hall, and then walked towards the courtyard in the depths of Bailian Pavilion!

“David, why do I feel that the Bailian Pavilion is weird, and it’s so easy to lend us the Heavenly Secret Order?”

Hu Mazi said a little flustered.

“Don’t talk, just follow me...”

David didn’t let Hu Mazi speak, and David’s humble expression just now disappeared, replaced by a deep look!

Chapter 2069

Hu Mazi stopped talking and followed closely behind David.

Shi Yan took David and the others into a secret room. The secret room was very dark. As soon as they entered the secret room, David and Hu Mazi felt the oppressive force in the secret room!

David and Hu Mazi were stunned for a moment, they both stopped their steps at the same time, and Shi Yan quickly explained: "Don't be nervous, because this secret order is too precious, so my father put it in this secret room, and put it inside. The purpose is to suppress the strength of those who enter the secret room."

"This is to prevent someone from forcibly taking away the secret order. As long as you leave the secret room, the pressure will disappear, and it will not affect your body. If it causes any impact, please rest assured."

Seeing what Shi Yan said, David and Hu Mazi continued to walk towards the secret room, but just after taking two steps, the door behind David and them suddenly closed!

David frowned slightly, and then looked at Shi Yan in front of him, but he had already walked outside through another exit. Just when David and Hu Mazi wanted to go out through another exit, the door of that exit was also blocked. 's close!

David and Hu Mazi were trapped in a secret room, and there was no secret order in this secret room at all!

Crunching...

A harsh sound rang out, and the originally dark secret room became brighter, and the surroundings became transparent.

When David and Hu Mazi saw Shi Yan at this time, they were looking at them with a sneer!

"Young Pavilion Master, what do you mean?"

David asked Shi Yan with a cold face.

“It doesn’t make any sense, it’s just that someone asked me to catch you, it’s that simple...”

Shi Yan said with a sneer.

“Did Ning Zhi ask you to do this?”

David asked calmly.

Shi Yan was slightly taken aback: “How do you know?”

“Not only do I know, but I also know that he is here!”

After David finished speaking, he then looked behind Shi Yan: “Ning Zhi, come out, think Take revenge on me, but dare not face me, the dignified eldest young master of the Ning family, who used to be the leader of the younger generation in the martial arts world in Kyoto, is he so cowardly now?”

David’s voice fell, and Ning Zhi slowly walked out. , glared at David and said: “David, in fact, I want to thank you, if you hadn’t pushed me to this stage, my strength would not have reached the current level, and I would not have known that I was a special physique!

” It’s not that Lord Demon Envoy wants your body, why should I try to catch you up, I will kill you directly and make your soul fly away.”

Although David was locked in a secret room at this time, there was no panic on his face. , said with a faint smile: “Do you think that even if you arrest me?”

Ning Zhi was stunned and looked at Shi Yan.

“No one can escape the people who are locked in this secret room. The pressure inside will make you an ordinary person. How can you escape?”

Shi Yan said to David.

He also said this to Ning Zhi, so that Ning Zhi can rest assured that David can't escape...

“No one has ever escaped?” David sneered: “Did you imagine your broken room too perfect... ..”

“Why, can you still escape from the secret room?”

Shi Yan took two steps forward with provocation in his eyes.

David did not speak, but answered him with practical actions!

I saw David clenched his fist, golden light flashed above his fist, and then he punched the wall of the secret room with one punch!

Boom...

A loud bang, the terrifying spiritual power instantly smashed the secret room, and with no less energy, a gust of wind blew up the approaching Shi Yan and flew out!

The secret room is not strong, because everyone who enters the secret room is suppressed by the suppression force, so it is impossible to have the ability to open the secret room!

Chapter 2070

“Just here, you want to trap me?”

David walked out with a sneer!

Shi Yan got up from the ground and looked at David with disbelief in his eyes!

“This...what’s going on here? Isn’t the strength in your body suppressed?”

Shi Yan didn’t understand why David wasn’t suppressed!

“I said, don’t imagine your own things too perfect...”

David sneered disdainfully.

The laws of heaven and earth have no way to suppress David’s strength, let alone the suppressing power emanating from a mere suppressing magic weapon!

Shi Yan’s face became extremely ugly, he did not expect that David’s strength was not suppressed!

“David, since I can’t trap you, I will kill you today. I believe that the magician will not blame me...”

Ning Zhi saw David break free from the secret room, not only was he not angry, but his eyes were full of intense Strong excitement!

Because only in this way can he really fight with David!

He can take revenge for his father, for the Ning family...

At this time, Ning Zhi’s incomparable self-confidence, the strength of the fourth-rank Martial Saint, looking at the entire martial arts world, can be said to be an invincible existence!

“There are too many people who want to kill me, but unfortunately no one succeeds, and you are no exception...”

David smiled slightly.

In Ning Zhi's eyes, this smile is the biggest humiliation and provocation to him!

Ning Zhi's obsidian-like eyes exuded a cold and fierce light, giving people an infinite sense of oppression.

And David also exudes a strong killing intent, and the entire Bailian Pavilion is shrouded in a chilling aura!

"Let's make a break today..."

Ning Zhi clenched his fists, his aura was constantly erupting.

The breaths of the two sides collided instantly, and bursts of explosions sounded, and the entire void was shaking!

Seeing this, Hu Mazi and Shi Yan hurriedly stepped back.

The fight between the two Martial Saints, even if it is the aftermath, is not something they can bear!

"Go to hell..."

Ning Zhi couldn't bear his killing intent in the collision of breaths, and took the lead in attacking David.

Ning Zhi punched David with a punch, and the force of the martial arts swept out.

Facing Ning Zhi's fierce punch, David was very calm, and there was no trace of fear in his eyes. Carry it behind your back and stand still!

In a pair of cold eyes, there is disdain and ridicule!

Shi Yan on the side was very surprised to see that David didn't move. He had to know that Ning Zhi's punch on the opposite side, but the power of the Martial Saint, was able to knock down a hill, but David was not able to deal with this punch. not moving at all!

Could it be that he was frightened by the power of this punch and was too frightened to move?

Shi Yan guessed inexplicably, but Hu Mazi on the side was a little anxious!

Although Hu Mazi knew that David's strength was very strong now, when he was in the island country, even that Kuroki Kawasaki was no match!

But this does not mean that David can be so relaxed and motionless against a Martial Saint, right?

To know the duel of the Martial Saints, it is a little mishap and the soul will be dissipated.

"David, be careful..."

Hu Mazi shouted, he didn't want David to risk his life in order to pretend!

However, Hu Mazi's shout seemed to be useless at all, David seemed to have not heard it, and remained motionless!

David stood motionless, in Ning Zhi's eyes, it was a great insult to himself!

Ning Zhi gritted his teeth, and the strength in his hands increased a bit again!

Boom...

Ning Zhi's punch hit David fiercely!

A huge force exploded on David's body, and the surrounding buildings and trees turned into powder in an instant, like a tornado-like aftermath, constantly destroying the surroundings
