

## **A Man Like None Other Chapter 2071 – 2076**

### **Chapter 2071**

Although Hu Mazi and Shi Yan had already retreated, they could still feel the power of the aftermath and resisted desperately, but the surrounding buildings suffered!

The wind dissipated, the dust fell, and the whole yard was in a mess, as if it had been devastated by a storm!

And David stood quietly, not moving a single bit, not even the slightest change in his expression and eyes!

It's just that in David's contemptuous eyes, there is even more disdain!

Shi Yan looked at the messed up yard and felt deeply distressed. This was all their Bailian Pavilion's family business. If his father saw this when he went out of the customs, he would probably break his legs!

But when Shi Yan saw David who didn't move, his eyes were full of surprise!

At the same time, Ning Zhi's eyes were wide open, and his face changed dramatically: "This... this is impossible, how can this happen?"

Ning Zhi looked at David who was unscathed, his face full of disbelief!

You must know that he cultivated hard and continuously improved his strength, just to kill David one day!

Now that he has reached the strength of Wu Sheng, coupled with his physique as a flame demon, he feels that he can easily kill David.

But I didn't want it to end up like this!

This is the power of the Martial Saint, the most powerful force in the entire martial arts world, why can't it hurt David?

Ning Zhi couldn't figure it out, and even more couldn't figure it out...

"Nothing is impossible, do you think your Martial Saint's power is the most powerful force in the martial arts world? It's a frog at the bottom of the well."

"Not to mention that you are a mere Martial Saint . , even if it's the god of war, I've killed a few..."

David said with a disdainful corner of his mouth!

The reason why David stood still and was beaten by Ning Zhi, the reason why he said these words was to completely destroy Ning Zhi's psychology!

This guy has always had a huge mind and is good at calculating, so David wants to destroy his mind!

Sure enough, David's words left Ning Zhi momentarily stunned.

"Martial God, Martial God?"

Ning Zhi muttered to himself, in his cognition, he didn't know what the Martial God was at all, and there was no Martial God in his knowledge!

He always thought that the Martial Saint had reached the peak of the martial arts world. Even if it was a Martial Saint, how many would there be in the entire martial arts world?

I have worked hard to cultivate to the Martial Saint, and I have almost cultivated to the peak of the martial arts world!

Now there is a Martial God again, an existence that is more powerful than Martial Saint!

Ning Zhi's mentality was suddenly unbearable!

"Would you like to see the power of the Valkyrie? I'll let you open your eyes..."

After David finished speaking, he raised his hand and slapped Ning Zhi!

Clap .....

With a crisp sound, Ning Zhi only felt his body light up, and then he became dizzy!

Ning Zhi found that at this moment he was rushing towards the air at a high speed, and the huge airflow impacted his body!

Hu Mazi and Shi Yan's eyes widened, looking up at Ning Zhi who had already turned into a black spot!

David's slap actually sent a person flying.

Is this going to go to outer space?

After an unknown amount of time, Ning Zhi's body fell heavily!

Bang.....

After a loud noise, Ning Zhi's body smashed directly into the ground, causing a burst of dust!

Shi Yan swallowed his saliva, some couldn't believe what was in front of him!

Ning Zhi tried his best to get his body out of the ground, half of his face was already deformed and twisted, and it looked very terrifying!

At this time, there was finally a trace of fear in the eyes of Ning Zhi looking at David...

This is the result that David wanted!

"Don't believe him, he is not a god of war, don't forget that you are a

flame demon body..." The soul spirit in Ning Zhi's body felt the fear in Ning Zhi's heart, so he reminded!

"Yes, I am a flame demon body, how could I be afraid of him..."

"Ah..."

Ning Zhi roared, and his body began to emit rays of brilliance!

Under this brilliance, Ning Zhi's body was actually changing.

Soon, flames seemed to be burning around Ning Zhi, and the temperature of the entire Bailian Pavilion instantly increased a lot!

## **Chapter 2072**

"Today, I want you to taste the power of my flame demon body..." "Exploding

..."

I saw the flames around Ning Zhi condensed and turned into a fireball, heading towards the flames. With David burst into the shot!

David still carried his hands on his back, his eyes showing indifference.

"It's useless, your physique is worthless in my eyes..."

After that, David's body began to burst into golden light, and golden scales covered the whole body. Behind him, a golden dragon flashed, constantly circling!

Just when the fireball reached David's eyes, David raised his hand and grabbed the fireball directly with his hand, and the energy above the fireball instantly wrapped David, and even the raging flames began to burn!

"Hmph, I want you to be buried in the sea of fire..."

Seeing this, Ning Zhi couldn't help but snorted coldly!

David, who was burning with flames, did not struggle, he still stood motionless, looking at the fireball in his hand, a sneer appeared on the corner of his mouth!

“What's yours, then I'll give it back to you...”

David threw the fireball at random, and then the fireball rushed towards Ning Zhi in a crushing posture!

Boom.....

The fireball hit Ning Zhi's body firmly, causing Ning Zhi to spurt out a mouthful of blood, and his body even took a few steps backwards!

At this moment, Ning Zhi's body almost collapsed, and his chest was dripping with blood...

The flame on David's body was extinguished. Under the burning flame, David's golden armor looked even more dazzling!

As if the golden armored god of war descended to earth!

Looking at his body, Ning Zhi had no fighting spirit at all at this moment. He found that he had no strength to fight back in front of David!

“Relying on the strength of the soul sorcery, do you also want to defeat me?”

David walked towards Ning Zhi step by step!

Seeing David walking towards him, Ning Zhi's eyes were full of fear!

Just when he got up and wanted to escape, he was hit by David with a punch, and he couldn't get up at all!

The breath on Ning Zhi's body was rapidly wilting, and his entire body was almost shattered!

At this moment, a black mist floated out of Ning Zhi's body, and then quickly fled to the distance!

"Want to leave?"

David snorted coldly, he knew the souls in Ning Zhi's body!

I saw David open his mouth and take a sharp breath, and a huge suction force instantly sucked the black mist into his mouth!

Ning Zhi looked at the scene in front of him, and his eyes were full of surprise!

David's strength is beyond his imagination!

"Go to hell..."

David looked at Ning Zhi who was seriously injured, there was no pity in his eyes, he raised his foot and stepped on it!

With this step down, Ning Zhi will burst his brain and die!

“David, wait a minute...”

At this moment, Hu Mazi stopped David.

David was stunned for a moment, put his feet back, looked at Hu Mazi and said, “Master Hu, what’s the matter with you?”

Hu Mazi walked quickly to David, and then whispered in David’s ear!

David nodded again and again, and then said: “Then you are optimistic about this Ning Zhi, I will handle the rest!”

After that, David looked at Shi Yan coldly!

Shi Yan felt David’s gaze, and his body trembled slightly!

“Where is the secret order?”

David asked Shi Yan coldly.

“Heaven... Heavenly Secret Order was kept by my father, and I don’t even know where it is!”

Shi Yan said with a trembling body.

“I don’t know? Then take me to see your father...”

David won’t leave if he can’t get the secret order.

“My father is in retreat, so I can’t disturb him at all, so...”

Shi Yan didn’t finish his words, but saw David wave his hand, and Shi Yan’s body fell heavily to the ground!

At this time, many people from Bailian Pavilion rushed over with various instruments!

Seeing this, Shi Yan shouted loudly, “Hurry up and stop him...”

After Shi Yan finished speaking, those people rushed towards David.

### **Chapter 2073**

it” and Shi Yan got up and ran straight to that Yan Lao’s room, because he knew that only Yan Lao could save him now!

Looking at the rushing members of Bailian Pavilion, David did not show any mercy!

Since Shi Yan and Ning Zhi partnered to deal with him, Bailian Pavilion was his enemy!

To treat the enemy, David will not have the slightest mercy!

I saw David waved his big hand, and a golden light flashed, and a Great Marquis was swept away!

Others were holding the magic weapon and did not dare to approach, and they all launched the magic weapon and went towards David!

For a time, the radiance of the magic weapon was brilliant, and a series of spells hit David!

You must know that Bailian Pavilion is famous for its refining tools, and the magic tools in the hands of these Bailian Pavilion members are definitely not ordinary things.

So many magic weapons came together towards David, but David was not afraid at all!

In the face of absolute strength, any magic weapon is futile!

I saw David's palms together, and the terrifying aura swept the entire Bailian Pavilion!

For every palm of these, a member of Bailian Pavilion will die, and David has no scruples.

Soon, the magic tools in the hands of these Bailian Pavilion members were shattered by David's powerful breath, and everyone vomited blood.

In just a few minutes, the dozen or so members of Bailian Pavilion who were holding magic tools had all become icy corpses!

Not far away, Ning Zhi watched this scene, with mixed feelings in his heart...

David didn't even look at the dead Bailian Pavilion members, but went straight towards Shi Yan!

With Shi Yan's breath, David soon caught up!

When Shi Yan saw David chasing from behind, he was completely frightened!

More than a dozen members of the Bailian Pavilion holding magical instruments, let David rush over so quickly!

“Yan Lao save me, Yan Lao save me.....”

Shi Yan shouted!

Soon, the old man Yan came out of the room, looked at Shi Yan who was panicked and said, “Young pavilion master, what’s wrong with you?”

“Old man Yan, this David wants to kill me, you save me, save me “...”

Shi Yan was scared to death and hid behind Yan Lao!

Yan Lao looked at David, frowned slightly and said: “Why did you break into my Bailian Pavilion, and you still want to attack our Young Pavilion Master?”

David glanced at Yan Lao and found that Yan Lao was at most Da Wu. Hou Chu’s strength was not even as high as those of the Bailian Pavilion members just now!

He didn’t understand why Shi Yan asked this old man to save him, because this old man’s strength was obviously not his opponent!

“I just came to Bailian Pavilion to borrow Heaven’s Secret Order, but I don’t want you young pavilion masters to conspire with others to murder me. I am a person who will have revenge.”

David said coldly.

“Borrowing the secret order?”

When Yan Lao heard this, he laughed loudly: “Do you think anyone can borrow the secret order of our Bailian Pavilion? You don’t even look at what you are...”

Yan Lao His face turned cold, his body suddenly trembled, and several chains with flickering cold light flew out of his clothes in an instant. Each chain had a jagged thing in front of it, like a python with bared fangs!

Seeing this, David knew that although this old Yan was not very powerful, he was indeed a master of using instruments!

“Since you don’t borrow it, then I can only grab it...”

After David finished speaking, his figure disappeared in a flash, heading towards Shi Yan!

As long as Shi Yan is under control, David does not believe that Bailian Pavilion will not hand over the secret order!

When Yan Lao saw this, the chains on his body staggered out in an instant, directly staggered in mid-air into a big net, shrouded in David!

“Hmph, ignorance...”

Davidping couldn’t help sneering at the chains like pythons!

Such a big gap in strength, even with the use of tools, can’t make up for it at all!

David's palm shone with light, stretched out his hand and grabbed the chain, followed by a tug of both hands!

#### **Chapter 2074**

The seemingly strong and ferocious iron chains broke in an instant with the gentle pull of David, and those chains were scattered all over the floor!

Seeing this, Yan Lao couldn't help but widen his eyes, and his eyes were full of incredible!

"Master, what about the purple gold gourd?"

Seeing this, Yan Lao hurriedly followed the purple gold gourd that Shi Yan wanted!

When Shi Yan heard this, he hurriedly took out the Zijin gourd and handed it to Elder Yan.

Yan Lao found the purple gold gourd, and an aura instantly penetrated into the gourd!

In an instant, the gourd radiated purple light, and a terrifying aura erupted from the gourd!

Seeing this, David frowned slightly, he could feel the power of this gourd.

"High-grade magic weapon?"

David frowned, the golden light on his body was a masterpiece, and the undamaged golden body was brought to the extreme.

The power of the dragon is constantly wandering, and in the air behind David, a golden dragon slowly emerges!

When Yan Lao saw David like this, his face was very ugly, but the matter was over, he could only give it a shot.

Yan Lao urged the Zijin Gourd, and a terrifying aura shrouded the entire Bailian Pavilion!

Immediately after, terrifying brilliance spurted out from the gourd, like a rocket!

Every beam of brilliance actually contains extremely terrifying power, which is not inferior to the power of Martial Saint.

David clenched his fists tightly, and there was a golden dragon wrapped around his entire arm, and he let out a burst of dragon groans.

“Broken...”

David threw a punch, and the strength of each punch turned into a golden dragon!

Boom...

boom...

boom...

David's fist strength collided with the brilliance erupting from the gourd, making a deafening sound!

The terrifying aftermath caused the entire Bailian Pavilion to shake, the surrounding houses collapsed one after another, and the ground began to collapse!

Even the mountains in the distance are flying in chaos, constantly rolling down boulders!

Soon, the old Yan's face changed, a mouthful of blood spurted out, and the brilliance in the purple gold gourd disappeared immediately!

David put away the power of the dragon, and his face became slightly ugly!

"Old Yan, Mr. Yan..."

Seeing this, Shi Yan hurriedly supported Mr. Yan.

David walked towards the two people step by step: "Now hand over the secret order, maybe I can survive..."

Looking at David's cold expression and the murderous intent in his eyes, Shi Yan felt a little regretful, I regret that I promised that Ning Zhi!

Why did he agree to follow Ning Zhi to deal with David?

If he knew that David's strength was so terrifying, even if he was given a good magic weapon, he would not agree.

But there is no one in the world that sells regret medicine.

“Then... we really don’t know where that machine is. It was kept by my father.”

Shi Yan was so frightened that he almost cried, and explained to David.

But how could David listen? He stretched out his hand, grabbed Shi Yan’s collar, and picked him up!

“I’m asking you again, where is the secret order?”

David’s murderous aura had already wrapped Shi Yan’s whole body.

At this time, Shi Yan only felt that he had fallen into the abyss, and the cold air was coming from the bottom of his heart!

Shi Yan was too frightened to speak!

“The secret order that day was really put by the pavilion master. We really don’t know. Even if you kill us, it’s useless at all.”

Seeing this, Yan Lao hurriedly followed David.

David looked at it like this, they really didn’t know where the secret order was, so they said: “Then take me to see your pavilion master.”

“Our pavilion master retreats and refines the equipment. Before the time is up, no one will be able to see it. For him, you can wait for a few days, and the cabinet leader should be able to leave the customs on the tenth day.”

Yan Lao carefully explained.

For fear of offending David, he asked David to kill Shi Yan!

David sighed helplessly, and let go that Shi Yan to the ground!

“When your pavilion master leaves the customs, you will say that I have come to find him...”

After David finished speaking, he snatched the Zijin gourd from Old Yan’s hand, turned around and left

#### **Chapter 2075**

He can’t just run around in vain, and this purple gold gourd should be compensated by Bailian Pavilion!

Seeing that David took the Zijin gourd, no one dared to say anything, whether it was Yan Lao or Shi Yan!

David walked back. Seeing this, Hu Mazi quickly asked: “How is it, have you found the secret order?”

David shook his head: “It seems that this guy really wants to take us into the secret realm, but fortunately you stopped it just now. I didn’t kill Ning Zhi.”

“Then what should we do now?” Hu Mazi asked.

“Go back first, if you want to get the secret order, you need the pavilion master of Bailian Pavilion to go out.”

“Let’s let this Ning Zhi lead us to open the entrance to the secret realm. If it doesn’t work, let’s go to Bailian Pavilion again. !”

After David finished speaking, he stepped forward and directly picked up Ning Zhi!

At this time, Ning Zhi, like a dead dog, was carried away by David!

David and the others returned to the capital. Although they didn't get the secret order, they captured Ning Zhi. It was a worthwhile trip, and they also got a purple gold gourd!

However, this purple gold gourd is not very useful to David. David's current strength can no longer use this purple gold gourd.

"Master Hu, it's very hard for you to go to Bailian Pavilion with me. Let me give you a gift..."

David said.

Hu Mazi was stunned for a moment, then looked at David vigilantly: "What are you doing, kid? Why do you want to give me a gift all of a sudden? I can tell you, I only like women..."

David was stunned for a moment, then laughed and scolded: "You What the hell are you thinking, I took out a magic weapon from Bailian Pavilion, it is of no use to me, so I want to give it to you."

"What? You stole a magic weapon from Bailian Pavilion? Ruined, even stealing other people's magic tools..."

Hu Mazi was full of surprise.

"What is stealing? Don't speak so badly, I didn't steal it, I stole it..."

David laughed!

“Hahaha...”

Hu Mazi also burst into laughter!

When David took out the Zijin gourd, Hu Mazi’s laughter stopped instantly, and he looked at the gourd in shock.

“This... this is a purple gold gourd, a high-grade magic weapon...”

Hu Mazi exclaimed.

“Nonsense, if I don’t like a low-grade magic weapon, I’ll ask you if you want it?”

David said with a sullen face.

“Yes, of course I will...” Hu Mazi snatched the Zijin gourd in one hand, then hugged David and was about to kiss him.

David pushed Hu Mazi away and said: “I can tell you, I only like women...”

Hu Mazi smiled: “David, thank you so much, this thing is more important than a woman...”

“What is more important than a woman Huh?” I don’t know when, Zhou Jie actually came.

Seeing Zhou Jie, Hu Mazi said instantly: "Nothing is as important as you, I've missed you for the past two days..."

After saying that, Hu Mazi actually hugged Zhou Jie and walked away!

David was speechless...

When he came to the room where Ning Zhi was being held, David smiled coldly as he looked at Ning Zhi, who was sluggish and curled up!

"David, kill me, it's useless for you to keep me, and I can't open the entrance to the secret realm."

"I'm just a pawn of the Demon Heart Sect, they won't tell me to open the entrance to the secret realm. The spell!"

Ning Zhi said to David.

The current Ning Zhi is desperate for death, because living in such fear is the greatest pain!

"You don't have to rush to death, even if you can't open the entrance to the secret realm, I will keep you, because I want to see if the Demon Heart Sect attaches great importance to you!"

"Since your special physique has been developed, I will keep you. I believe that the Demon Heart Sect does not treat you as an ordinary chess piece, otherwise your strength will not grow so fast!"

David lit a cigarette and said slowly.

## Chapter 2076

Regardless of whether Ning Zhi can open the entrance to the secret realm or not, David has to give it a try, because he has no other choice, unless he is waiting for ten days for the pavilion master of Bailian Pavilion to exit, Borrow the Heavenly Secret Order!

After hearing this, Ning Zhi gave a wry smile, stood up against the wall, and then stretched out his hand towards David.

David threw a cigarette to Ning Zhi and lit it for him!

Ning Zhi took a deep breath and then spit it out!

“You underestimate the Demon Heart Sect. You have never seen the power of the Demon Heart Sect. I am just a chess piece in the Demon Heart Sect.”

Ning Zhi finished speaking, and began to smoke hard!

“Devil Heart Sect is stronger than Gorefiend?”

David asked.

“Uh...”

Ning Zhi was choked immediately, because he had seen the strength of the Gorefiend, and the Demon Heart Sect would definitely not be able to compare to the Gorefiend.

“However, with your current strength, it is wishful thinking to destroy the Demon Heart Sect!”

Ning Zhi said after being stunned for a while.

“Really?” David smiled lightly and slowly exhaled a puff of smoke: “I will save your life and let you watch me destroy the Demon Heart Sect, I know you are very unconvinced, I will let you You are convinced!”

“No matter what kind of special physique you are, you will never be able to defeat me, forever...”

After David finished speaking, he dropped the cigarette butt in his hand, turned around and walked out!

Ning Zhi quietly looked at the cigarette butt in his hand and fell into deep thought...

The next morning, David ordered Long Xingxu to escort Ning Zhi to the entrance of the secret realm of Demon Heart Sect!

And David, Hu Mazi and Zhou Jie also rushed over!

Zhou Jie stepped forward and waved his palms lightly, and the entrance to the secret realm appeared, but there was still a spell, so they could not enter the secret realm!

“The entrance to this secret realm, go and open it...”

David said to Ning Zhi.

“I said, I can’t open it, and I don’t know the spell at all, I’m just a chess piece.”

Ning Zhi shook his head!

“Go and open...” David continued as if he didn’t hear Ning Zhi speak.

“I can’t open it, I...”

Ning Zhi wanted to explain, but saw David lightly tap Ning Zhi’s shoulder with a hand, and suddenly a spiritual force penetrated into Ning Zhi’s body!

Soon, Ning Zhi felt the pain of ten thousand ants eating his heart, and his whole face became hideous!

The intense pain caused Ning Zhi to scream shrilly!

He wanted to die, because this torture was more painful than death!

It’s a pity that he can’t die, he can only bear this kind of pain!

“Go and open the entrance, I’ll let you go...”

David looked down at Ning Zhi and said indifferently.

“I...I really don’t know, really...”

“You kill me, kill me...”

Ning Zhi begged to David!

“I won’t kill you, I want you to witness to see if I can destroy the Demon Heart Sect.”

David said coldly.

Everyone looked at Ning Zhi and wailed in pain, but no one sympathized!

At this moment, the entrance to the secret realm suddenly fluctuated, and then a figure appeared in front of everyone!

“Lord Demon, Lord Demon, save me...”

After seeing the figure, Ning Zhi seemed to see hope and desperately called for help!

But the magic envoy didn't seem to see Ning Zhi, but looked at David coldly, and said in a domineering manner: “David, let him go, or your girlfriend will be in danger.”

“I can let him go, but you have to let my girlfriend go first...”

David said to the magic envoy.

“Are you haggling with me? Do you have the qualifications?”

“This Ning Zhi is just a little bastard, our Demon Heart Sect doesn't care at all, and don't forget, your girlfriend is still in our hands.”

With that said, the magician waved his palm lightly, and a picture quickly appeared in the void, and inside it was the imprisoned Sonya!
