

## A Man Like None Other Chapter 2079 – 2080

### Chapter 2079

“Is there any loss to the Ge family?”

David asked with concern.

Ge Cangsheng shook his head: “Not yet, because we have formed an alliance with Tianluolou, and no sect family has targeted us.”

“But I believe it will not be calm for long. The secret realm conference has been cancelled for many years, and it will be next month. It ‘s restarted.”

“At that time, due to resource allocation, conflicts of interest, many people will die, and the battle between the major secret realms will also reappear.” When

David heard this, his brows slightly wrinkled, he prevented the aura from recovering, It is to prevent the life of the world from being ruined!

But who knew that after the recovery of spiritual energy was blocked, the world of immortal cultivation in the secret realm fell into turmoil!

“Old Ge clan, what is the secret realm conference for?”

David asked inexplicably.

“Many years ago, the eight secret realms held a secret realm conference every year, and each secret realm would select representatives to participate in order to compete for and allocate resources from other secret realms!”

“The winning side of the secret realm conference is qualified to go to the other lost secret realm to select resources. It’s just that with the rumors of the recovery of spiritual energy, the secret realm conference has ended!”

“All the sects and families are actively preserving their strength, waiting for the recovery of spiritual energy...”

“But now the recovery of spiritual energy has come to nothing, and all the secret realms are in vain. The conference has restarted.”

Ge Cangsheng explained.

“Where will the Secret Realm Conference be held? After all, the place where it will be held will definitely have an advantage.”

David asked.

“The venue is not in these eight secret realms, but will be held in an unowned secret realm. The unowned secret realm has poor resources and is not willing to occupy it, so it has become the venue for the conference!”

“In this way, for every secret realm, it is It’s fair.”

Ge Cangsheng said.

“Then the Ge family came to me, what do they want me to do?”

David was puzzled, after all, with the current strength of David, he was not qualified to participate in a battle like this secret realm conference!

Don’t look at David’s invincible existence in the secular world, but in the secret realm, that’s nothing!

To know that there are as many martial arts as dogs in the secret realm, there are not many martial saints of the Ge family alone.

Like Ge Yuhan, who is only in his twenties, he has already reached the strength of a Martial Saint!

“Mr. Chen, I came to you because I wanted you to participate in the Secret Realm Conference...”

Before Ge Cangsheng finished speaking, David quickly waved his hand and said, “Forget it, don’t joke around, I have the strength now, go To participate in the secret realm conference, isn’t that self-inflicted humiliation?”

“Mr. Chen, I invited you to the secret realm conference, not to let you compete, but to familiarize you with the eight secret realms.”

“There is a more important reason. , that is, many families in the eight secret realms have begun to collude with the Demon Heart Sect!”

“There is no hope for the recovery of spiritual energy, these families are going to collude with the Demon Heart Sect, using the Demon Heart Sect to not be suppressed by the laws of heaven and earth, and want to occupy the entire secular world. “

And I also heard that they are looking for something that can be artificially controlled to restore spiritual energy.”

Ge Cangsheng said slowly.

“Manipulating the aura recovery?” David looked a little surprised!

But it seems that this Demon Heart Sect is really stronger than I imagined. If there is another family in the secret realm that cooperates with the Demon Heart Sect, it will be even more difficult for me to completely destroy the Demon Heart Sect!

“Old Ge clan, when will the secret realm conference be held? I need to arrange a time!”

David asked Ge Cangsheng.

“The fifteenth of next month!”

Ge Cangsheng said.

“Okay, then I will take a good look at the people in these eight secret realms!”

David nodded heavily!

David participated in this secret world conference to broaden his horizons, otherwise, if he stayed in the secular world, David would always be a frog at the bottom of the well!

After leaving the Ge family, David counted the time, he had to rescue Sonya before the secret realm conference started!

The most urgent task now is to get the Heavenly Secret Order!

“I hope the pavilion master of Bailian Pavilion is a reasonable person...”

David took the brush given by Mr. Shi and sighed softly!

He didn't want to go to Bailian Pavilion to get the Heavenly Secret Order, and he was encountering some obstacles!

## **Chapter 2080**

Bailian Pavilion!

As the pavilion master, Shi Qingpei finally left the customs, and in Shi Qingpei's hand, he was still holding a string of bells!

There are three bells in this string, shining with golden light and looking very beautiful!

But when Shi Qingpei left the customs, he looked at the messy Bailian Pavilion, and was stunned in place!

“Who, who did it?”

Shi Qingpei's face flushed with anger, and he shouted angrily!

You must know that Bailian Pavilion Sulai does not deal with those martial arts families in the secular world, so there is no conflict!

And those sect families in the secret realm, when they come to the secular world, will be suppressed by the laws of heaven and earth, and they will not dare to cause trouble!

Although there are many secret realm families who want the secret order of Bailian Pavilion, but Shi Qingpei does not sell it, and it is precisely because of the existence of the secret order, those secret realm families will respect Bailian Pavilion very much!

But now, when Shi Qingpei just left the customs, he saw that his Bailian Pavilion was in a mess, how could he not be angry!

“Dad, you can figure it out...”

Seeing this, Shi Yan was full of grievances, and rushed over with hot tears in his eyes!

“Yan’er, what the hell is going on?”

Shi Qingpei asked with a cold face.

“Dad, let Mr. Yan tell you!” Shi Yan knew that he had the right to speak, and he did not have the weight of Mr. Yan, so he let Mr. Yan speak!

“Pavilion Master, when you were in retreat, there was a boy named David who wanted to borrow the secret order.”

“I told him that the Heavenly Secret Order is the treasure of our Bailian Pavilion. It is not borrowed, and it is stored by the pavilion owner. We don’t know where it is.”

“But David didn’t believe it at all and made a scene of us. Bailian Pavilion killed several of us, and even made the young pavilion the main one.”

Yan Lao told the story again!

But that old Yan didn’t know much, and he only listened to Shi Yan’s words! “David?” Shi Qingpei

’s murderous aura filled his body: “Will this guy be that powerful? Are all of us in Bailian Pavilion vegetarian?”

Then David may have already reached the strength of Wu Sheng, and our magic weapon has no effect on him...”

“Hmph, what can Wu Sheng do, this time I retreated and refined it into a soul bell, even if Wu Sheng was in front of me, it would still be worthless. You will be obedient...”

Shi Qingpei said with a disdainful expression holding the bell in his hand.

“Pavilion Master, you have really practiced the spirit bell. No one in our Bailian Pavilion need be afraid now .

“

said.

“Dad, that David will definitely come again. You must avenge me and take care of this guy!”

Shi Yan said loudly.

Now that his father is out of the country, Shi Yan has confidence in his heart!

“You can rest assured, as long as he dares to come, I will make him pay the price. No one dares to make trouble in my Bailian Pavilion.”

Shi Qingpei’s eyes flashed with cold light, but soon, he seemed to think of something , so he asked: “This David sounds familiar, is it the David who destroyed the Kyoto Martial Arts Alliance?”

“Yes, it’s him, the people of the Demon Heart Sect are still chasing this guy.”

Shi Yan nodded and said.

Hearing this, Shi Qingpei frowned slightly: “I heard that this guy is very appreciated by Mr. Shi, and he has built the largest dragon gate in Kyoto!”

“Who cares who appreciates him, this guy is holding an ordinary Broken calligraphy brush, tell me it’s Mr. Shi’s token!”

“Let me just throw him away, it’s just an ordinary calligraphy brush, the token is shit...”

“And I don’t know who that Mr. Shi is.”

Seeing that his father mentioned this matter, Shi Yan said nonchalantly.

Shi Yan didn’t care, but Shi Qingpei did. After hearing that David had Mr. Shi’s brush in his hand, Shi Qingpei’s expression changed instantly!

“Dad, what’s the matter with you, shouldn’t you let David go just because of a brush?”

Shi Yan asked hurriedly.

“Don’t worry, I’m measured...”

After speaking, Shi Qingpei turned and left
