

A Man Like None Other Chapter 2083 – 2084

Chapter 2083

David didn't expect that Shi Qingpei was so cunning, he first lent himself a secret order, repaid Mr. Shi's kindness, and then he was looking for trouble for himself!

"Pavilion Master Shi, it's your son who colluded with the Demon Heart Sect. If you want to harm us, we're just fighting back. Your son himself caused this incident."

Hu Mazi took a step forward and explained to Shi Qingpei.

But who knew Shi Qingpei waved his hand and said: "I don't care what my son sits on, I only know that you beat my son and killed my people. If it spreads out, what will happen to my reputation of Bailian Pavilion?"

Davidjian This Shi Qingpei was unrepentant, so he could only open his mouth and say: "George Shi, you can count the losses, and I will pay you."

"I don't want money. For me, Bailian Pavilion, money is no different from waste paper!"

Shi Qingpei waved his hand.

"Then what do you want? I can give you anything you can like about me..."

David chose to be patient, he just wanted to get back with the secret order and rescue Sonya!

"I don't like the rubbish on your body. Kneel down now, apologize to my son, and let my son return the two slaps."

Shi Qingpei said lightly.

Seeing that his father was venting his anger, Shi Yan was in a good mood and looked at David with a sneer: "David, hurry up and kneel down and apologize to me, or else I'll have to impose conditions soon."

"You fu***..."

When Hu Mazi heard this, he was furious and was about to rush up, but was stopped by David!

"Master Hu, I will handle this matter myself..."

After David finished speaking, he then looked at Shi Qingpei coldly: "Do you really want me to kneel?"

"Of course, I have already investigated you, and I know that Mr. Shi takes good care of you, but don't think so, you just You can do whatever you want in my Bailian Pavilion!"

"I've already given Mr. Shi's face, and even if the king of heaven is here, you have to kneel down and apologize."

“This is already what I think of Mr. Shi’s face, and I will give you the most. It ‘s tolerant!”

“Otherwise you would have no chance to stand in front of me and speak.”

Shi Qingpei’s expression was cold, his eyes were full of indifference, at this time it was like a judge who was judging David’s life and death.

But David himself has no choice!

“There are people who can make me kneel, but unfortunately it’s not you, because you are not worthy...”

Seeing Shi Qingpei like that, David seemed determined to tear his face with himself, so David was no longer accustomed to him!

Shi Qingpei’s eyes narrowed slightly, and he said with a cold smile: “Do you really think that you can ignore our Bailian Pavilion when you have reached the realm of Martial Saint?”

“Today I will let you see the true strength of our Bailian Pavilion. If you want to kneel, I won’t let you kneel.”

After Shi Qingpei finished speaking, he suddenly took out the spirit bell!

Shi Qingpei knew that if he only relied on his strength, he would not be David’s opponent, but he had a spirit bell in his hand, so he was not afraid of David at all!

“What? Do you want to beat me with these little bells?”

David smiled disdainfully when he saw the bell that Shi Qingpei took out.

“Hey, David, don’t be complacent, this is the top-quality magic weapon that my father just refined!”

“Even if you are in the realm of Martial Saints, you still can’t escape the summoning of the Soul Bell. I will record you as a fool in a while.”

Shi Yan smiled playfully.

Shi Qingpei glared at Shi Yan angrily, and he almost died of anger. This stupid son, before he even started, actually told the other party the function of his magic weapon. Isn’t this a clear sign that people should prepare in advance?

A magical weapon like the Soul Bell, which can attack by divine consciousness, can attack unexpectedly, and it will be twice the result with half the effort.

But now Shi Yan told David about the function of the spirit bell!

Chapter 2084

David heard Shi Yan's words, and immediately understood in his heart, knowing that this bell is just a divine attack, and it can control a person's soul!

David now has a strong spiritual sense, and he also knows the heart-clearing mantra. Even if he is in a powerful spiritual sense magic weapon, don't try to control David!

"David, it's all your fault..."

After Shi Qingpei finished speaking, the bell in his hand shook suddenly.

Soon, the three bells made a crisp sound, and the sound waves from the bells, mixed with the power of divine consciousness, were constantly attacking David and Hu Mazi!

Hearing the voice, Hu Mazi suddenly felt his head twitching. He desperately used his divine sense to resist, but unfortunately it was useless at all!

Soon, Hu Mazi's eyes began to lose luster slowly, and the crisp bell sounded constantly in his mind!

David saw that Hu Mazi couldn't resist the attack of the soul-calling bell, so his lips moved slightly, and the heart-clearing mantra blurted out!

Suddenly, Hu Mazi only felt a golden light flashing in his mind, and the chaotic feeling just now was swept away!

At this time, Hu Mazi's head was clear and bright, more sober than ever!

That Shi Qingpei didn't know it yet, but he was still urging his energy, constantly shaking the spirit bell in his hand!

Hu Mazi glanced at David, and found that David's lips moved slightly, obviously using a spell to resist the attack of the Soul Consciousness Bell!

At this moment, Hu Mazi had a flash of inspiration, and out of nowhere, he also took out a bell!

However, the bell in his hand is obviously much larger, and there is only one, and it has some rust on it, very old!

clang clang.....

Hu Mazi vigorously shook the bell in his hand, making bursts of harsh sounds!

When Shi Qingpei saw that Hu Mazi also took out a big bell, he couldn't help being stunned, and after so long, the bell did not seem to have any effect on David and Hu Mazi, which made Shi Qingpei's face very ugly!

David looked at the big bell in Hu Mazi's hand and couldn't help but smile and said, "Where did Master Hu find such a bad guy?"

“This is my old buddy, and he has followed me through the streets of Kyoto for many years. I didn’t expect this to come in handy today.”

Hu Mazi grinned, and then shook the bell in his hand vigorously!

The harsh sound was made, and Shi Yan was so frightened that he hurriedly covered his ears!

Even Shi Qingpei hurriedly closed his breath and concentrated his mind, resisting the attack of divine consciousness!

But for a while, they didn’t feel that the voice had a divine attack.

“Dad, what’s going on? Why doesn’t your spirit bell work?”

Seeing that David and Hu Mazi were all fine, Shi Yan asked Shi Qingpei.

Shi Qingpei was also confused at the moment, how did he know what was going on?

“You... how come you haven’t been attacked by your divine sense?”

Shi Qingpei asked David and Hu Mazi, looking at them.

David just wanted to say something, but he was preempted by Hu Mazi: “My big bell, but the ancestors of the soul-calling bells in your hand, they will not work when they meet their ancestors.

” The bells are here to visit the ancestors...”

Hu Mazi’s words made Shi Qingpei’s face turn green, obviously he knew that Hu Mazi was talking nonsense!

“You fart, your broken bell is clearly an ordinary bell, it has no attack power at all, stop talking nonsense here!”

Shi Yan yelled at Hu Mazi loudly!

“Who said our bells have no attack power?” David smiled coldly, and then said to Hu Mazi: “Master Hu, shake them twice, let them see...”

Hu Mazi looked at David like that , I immediately understood, so I shook the bell in my hand vigorously!

Accompanied by the harsh sound, a golden light flashed in David’s mind, and the huge consciousness instantly covered Shi Qingpei and Shi Yan!

Shi Qingpei and Shi Yan only felt a headache, as if there were countless ants gnawing in their brains!
