

A Man Like None Other Chapter 2087 – 2088

Chapter 2087

I'm here to save you

and the secret realm of the Devil's Sect can't be compared. Although David doesn't know how big the secret realm of the Devil's Sect is, it is definitely bigger than the secret realm of Devil's Sect On a lot!

The secret realm of the Demon Sect is only the size of a sect, but this place is like a world!

What David didn't know was that this was just one of the secret realms controlled by the Demon Heart Sect...

David dissipated his consciousness and wanted to feel Sonya's breath. By the way, let's see if there is anyone else here!

But after David's consciousness dispersed, he found that this place is actually very big, even if David's consciousness is very powerful at this time, even if he can detect it from a dozen kilometers away, but at this time, he found nothing!

No trace of Sonya was detected, or even signs of other people's activities!

"Could it be that the Demon Heart Sect is not in this secret realm?"

David frowned slightly!

It is said that the Demon Heart Sect can create a super-powerful alliance organization in the secular world like the Kyoto Martial Arts Alliance, so the Demon Heart Sect's power must not be small!

But he used his divine sense to investigate, and he found no one!

Seeing this, David could only find a place to sit down and rest for a while, and search for it after dawn.

After all, he is not familiar with this secret realm. If he rashly searches around at night, he is afraid that it will be a waste of time!

David sat cross-legged, feeling the aura of heaven and earth constantly pouring into his body!

And just when David was in the secret realm, a man in a black robe walked slowly at the gate of the Kyoto Dragon Gate!

Because the sky was dark, the guards at Longmen were not able to see the faces of the people who came!

"Who are you? Dare to trespass the Dragon Gate?" The

guard stepped forward and stopped the black-robed man.

The man in black robe did not speak, but suddenly shot, smashing the guard's head with a palm!

When the other guard saw this, he was about to shout loudly, but the man in black robe instantly grabbed his throat.

With a slight force, the guard's throat was instantly crushed!

Looking at the corpses of the two guards, the man in black robe slowly raised his head!

Under the illumination of the light, the gloomy face of the demon was revealed!

After showing a strange smile, the magic envoy slowly walked towards the Dragon Gate!

Along the way, I met a lot of people from Longmen, and they were all killed by the magician, and they dared to do it without the slightest hesitation!

When he came to the dungeon where Ning Zhi was imprisoned, the magic envoy just waved his palm slightly, and the entrance to the dungeon was directly opened!

At this moment, Ning Zhi was squatting in the corner with no expression on his face.

The soul in the body was destroyed, and Ning Zhi's strength also dropped a lot!

Only now did Ning Zhi understand that the strength improved by the soul is not his own after all. Once the soul disappears, the strength will also be greatly reduced.

At this moment, the door of the dungeon was suddenly opened, and Ning Zhi stood up suddenly, with fear in his eyes, because he did not know how David would treat him!

But when the magic envoy walked into the dungeon from outside, Ning Zhi's face instantly showed surprise!

"Master Demon Envoy..."

Ning Zhi hurriedly stepped forward and knelt down toward the Demon Envoy.

He thought that the Demon Heart Sect had already given up on him, after all, the Demon Envoy said that he was just a pawn of the Demon Heart Sect!

Now it seems that Demon Heart Sect still cares about him.

"Follow me..." The

magic envoy looked at Ning Zhi and said indifferently.

Ning Zhi nodded, got up quickly, and followed behind the demon!

The two walked out of the dungeon, but as soon as they walked out of the dungeon, Long Xingxu and dozens of people instantly surrounded the magic envoy and Ningzhi!

Seeing someone rescue Ning Zhi, Long Xingxu sternly shouted: "Bold madman, dare to break into my Longmen forbidden area, and even kill our people, are you impatient?" The

demon looked at Long Xingxu, the corners of his mouth could not help but raised: "Hmph, even a mere Marquis of Wu dares to shout like this..."

Chapter 2088 was fooled

After speaking, the magician waved his hand, and a huge and sharp wind moved towards Long Xingxu and others!

With this simple wave of his hand, Long Xingxu and many people from Longmen flew out backwards!

Through the confrontation, Long Xingxu knew that the strength of the magic envoy was too strong, and they were probably not opponents!

But since he was asked to guard the house, Long Xingxu couldn't easily let someone rescue Ning Zhi!

Seeing Long Xingxu and the others not giving way, a cold light flashed in the demon's eyes, and then the breath on his body began to erupt!

A powerful and terrifying aura instantly enveloped the entire Longmen.

Long Xingxu and the others suddenly felt an invisible pressure hit, and then many people fell to the ground one after another!

Long Xingxu gritted his teeth and wanted to bear the pressure to his death, but the disparity in strength was too great, and finally Long Xingxu was crushed to the ground with a thud!

The hard bluestone slabs on the ground were severely cracked!

Looking at the fallen dragon gate crowd, the corner of the magic envoy's mouth slightly raised: "Hmph, a bunch of rubbish, do you want to stop me too?"

"Today I will let that David take a look and follow our Demon Heart Sect to oppose it. The price..."

After speaking, the aura on the magician's body began to soar, and the pressure on the people of Longmen instantly increased sharply!

Some people have started to vomit blood, and their lives are rapidly being lost!

"So blatantly doing evil in Kyoto, do you think I don't exist?"

At this moment, a figure descended from the sky, and then a soft breath descended on everyone's heads!

Everyone in Longmen only felt their bodies lighten, and they all stood up one after another!

Long Xingxu also stood up, and when he saw the person who came suddenly, he was suddenly surprised, and hurriedly stepped forward and said, "Long Xingxu welcomes Mr. Shi..."

Mr. Shi just nodded slightly, and then his face was calm. Look at the magician!

The magic envoy and Ning Zhi saw that Mr. Shi suddenly arrived, and their faces became extremely ugly!

"Mr. Shi, this is a personal grievance. It should have nothing to do with your officials. I hope you don't interfere." The

magician said to Mr. Shi.

Mr. Shi frowned slightly and waved his palm lightly!

Snapped!

With a crisp sound, the demon's left face instantly became red and swollen!

"You, a little devil, dare to speak to me in such a tone, I think you are tired of living."

Mr. Shi's face began to turn cold!

The magician covered his face, his expression sluggish.

Now that he has recovered his main body, he has the strength of the Martial Saint, but even the strength of the Martial Saint is so vulnerable in front of Mr. Shi!

"Mr. Shi, then David arrested me as a disciple of the Demon Heart Sect. I will rescue him now, will Mr. Shi not care?" The

magic envoy looked at Mr. Shi nervously and asked.

"You can save the people of your Demon Heart Sect, but if you dare to kill the people of Longmen, I will never forgive you..."

Mr. Shi said with a stern look.

Seeing this, the envoy could only bring Shi Yan and quickly escaped from the Dragon Gate!

The appearance of Mr. Shi can be regarded as saving the lives of dozens of Longmen disciples!

"Mr. Shi, then... that Ning Zhi was taken away, what should we do next?"

Long Xingxu boldly asked Mr. Shi.

“That’s your business, what’s it to me?”

After Mr. Shi finished speaking, his body was slowly disappearing!

“Mr. Shi, Mr. Shi...”

Long Xingxu shouted desperately as if it was of no use, Mr. Shi soon disappeared without a trace.

Looking at the corpses on the ground and some seriously injured Longmen members, Long Xingxu hurriedly called for help!

However, Ning Zhi was rescued, and Long Xingxu didn’t know how he would explain after David came back!

At this moment, Hu Mazi and Zhou Jie came back. They tried many times, but they couldn’t open the entrance to the secret realm. They could only come back temporarily to find a way!

After hearing that Ning Zhi was rescued by the magic envoy, Hu Mazi knew that they were fooled. It was estimated that the other party deliberately lured David into the secret realm, and they took the opportunity to rescue Ning Zhi!
