

## A Man Like None Other Chapter 2089 – 2090

### Chapter 2089

#### The Gate of Hell

Demon Heart Sect Secret Realm!

David didn't know that Ning Zhi was rescued, but when he slowly opened his eyes, he found that it was already dawn!

"Yuqi, where are you?"

David looked at the vast forest around him, and there was no breath for more than ten miles, which meant that Sonya was not around here!

David didn't know how big this secret realm was. Although he entered the secret realm, if he wanted to find Sonya, it would be like finding a needle in a haystack!

But no matter what, since he came in, David must rescue Sonya before going out!

Unknowingly, David has walked more than ten miles. Along the way, David has been exuding divine consciousness, exploring everything around him, but he still has not found anything!

No breath was found, not even an animal!

"With such a rich spiritual energy and a comfortable environment, is there no one in this secret territory?"

David was a little guilty at this time!

After such a long time, even a person from the Demon Heart Sect has not met, David has some doubts, whether this secret realm is the secret realm of the Demon Heart Sect!

A full half day has passed, and David is still wandering around in the secret realm. Except for the mountains and boulders, there is not even a living thing in the whole secret realm!

At first, David didn't think much of it, but after a long time, David always felt that something was wrong with this secret realm!

There are no people or animals in this secret realm, as if it were a cage!

And when David was still looking for Sonya in the secret realm, in another secret realm hall of the Demon Heart Sect!

Seven people in purple robes are gathering together. These purple robes are all covered with black scarves, and their faces cannot be seen.

On the main seat is the power that is always shrouded in black mist!

Ning Zhi was in the next position, standing solemnly, with a nervous expression!

Even the demon beside him had stiff facial muscles and was extremely nervous!

Because everyone sitting here is the core figure of the Demon Heart Sect, because only the core high-level figures of the Demon Heart Sect deserve to have a purple robe.

Even though the Demon Envoy has been in the Demon Heart Sect for many years, he has never seen so many high-level leaders of the Demon Heart Sect gathered together!

Now that these people are all sitting together, it proves that something big will happen...

Almighty swept his eyes in the hall, and then slowly said: "Everyone, you can start..." The

seven purple robes Nodding, then everyone held a fist-sized black and gold ball in their hands!

Soon, these black and golden balls radiated light, and the seven rays of light finally converged together, and then a gate slowly appeared in the void!

I saw two hideous-looking heads on the door, which looked very scary!

Then Da Neng also took out a black gold ball, and flicked the surface of the black gold ball with his palm lightly, and a dazzling black light instantly shot at the door that appeared!

Crunching.....

Only a harsh and heavy voice sounded, the door was slowly opened, and then a shrill scream came from behind the door!

This voice made people get goosebumps all over, as if it came from the abyss of hell!

"Ning Zhi..."

Da Neng shouted to Ning Zhi.

Ning Zhi hurriedly stepped forward and knelt down: "This subordinate is..."

"This is the gate of hell, you go in now, when you can come out from it, you will be a true demon warrior, and you You will also change from a martial artist to a real monk!"

"By that time, you can survive for a thousand years, you can fly into the sky, you can even tear apart time and space, step into the world of heaven and man, and become a generation of demons..."

"Your physique is destined that you will not be just an ordinary warrior. Are you willing to accept the experience of the gate of hell?"

The voice of the powerful is very light, as if an elder is telling his child something!

## **Chapter 2090**

The grasshopper on a rope

Although he was talking to Ning Zhi in a questioning tone, but Ning Zhi himself knew that there was absolutely no room for negotiation!

He knew what the price of rejection would be.

That would be worse than death...

Ning Zhi raised his eyes and forgot about the gate of hell. Hearing the miserable sound coming from the gate of hell, he could only grit his teeth and said, "This subordinate is willing to..."

"Very well, I'm waiting for your return from the gate of hell..."

"Go..."

Da Neng waved his hand gently!

Ning Zhi stood up, his legs trembled slightly, and finally stepped in!

When Ning Zhi's body disappeared at the gate of hell, the gate slowly closed, the light disappeared, and the seven purple robes put away the black and golden ball in their hands!

The magic envoy looked at the disappearing gate of hell, and a drop of cold sweat slipped quietly from his forehead!

"Then David has entered the secret realm?"

Da Neng asked the magic envoy.

"Yes, then David has entered the secret realm, and the entrance to the secret realm has been closed by his subordinates. Without us opening the entrance, then David will never be able to get out." The

demon hurriedly said respectfully.

"Very good, then let him stay inside, don't worry about him."

Danny nodded!

The magic envoy said with a puzzled look: "Great, don't we send someone to kill that David? Wasting our secret realm just to lock up that David, isn't it a bit too wasteful?"

The magic envoy can't understand, since David has entered the secret realm, it is too easy for them to kill David!

Why is he still trapped in that secret realm?

To know that every secret realm resource is very precious to Demon Heart Sect!

It is incredible to use a whole secret realm to control David now!

“This David can’t die yet. If he wants to revive his spiritual energy, he will be of great use later...”

Da Neng explained!

“Resurrection of spiritual energy? Isn’t the recovery of spiritual energy already destroyed by David?” The magician is getting more and more confused now!

“Okay, you shouldn’t know, so don’t ask, I’ll give you a task now, go to the mundane world to find people with special physiques, and then catch them back, remember, they must not be killed...”

Da Neng said slowly!

“Da Neng, why do you want to arrest these people? If...”

“Okay, you are asking too many questions, let’s step back...”

Da Neng waved his hand gently without waiting for the magic envoy to finish speaking.

Only then did the magician realize that he had unknowingly asked questions that he should not have asked!

Fortunately, Da Neng did not get angry today!

The magic envoy wiped the cold sweat from his forehead, and quickly said: “Subordinates retire...”

When the magic envoy left, Da Neng looked at the seven purple robes and said, “Everyone, now that the secret realm conference is restarted, the eight secret realms will fall into chaos, and this is our chance.”

“I believe that none of you will be willing to be trapped in a secret realm for a lifetime. As cultivators, we all have a common goal, that is, to ascend to the heaven and human world and escape this cage-like secret realm!”

“And now is our chance. Although the aura recovery failed, as long as we find eight people with different special systems, we can truly open the door to hell, and then we can still recover the aura, and we can also get rid of the shackles of the secret realm.”

“Remember, The eight of us are grasshoppers on a rope. If one of us reveals his identity, no one can escape, and to open the real gate of hell, we need the eight of us to join forces.”

“It’s been hundreds of years, this may be our last chance to get out of the secret realm!” Almighty

's voice was a bit sad at the end!

However, none of the seven purple robes said a word, but it can be seen from their eyes that everyone has infinite longing!
