

## A Man Like None Other Chapter 2093 – 2094

### Chapter 2093

Hearing Mr. Shi's rude words, several girls were stunned, but the tension in front of Mr. Shi disappeared a lot in an instant!

"Mr. Shi, I hope you can rescue David, as long as you can rescue David, let me die..."

Ji Ruxue walked forward slowly and knelt directly in front of Mr. Shi!

Seeing this, the other girls also fell to their knees, begging Mr. Shi to rescue David from the secret realm!

"None of you are David's woman, but why is that?"

Mr. Shi glanced at the girls and asked.

"Brother Chen saved my life, my life belongs to him, in order to save him, I can die..."

Xiaoru slowly raised her head and said firmly.

Among them, Xiao Ru is the youngest, but with the firmness in her eyes, it can be seen that she can indeed sacrifice for David!

"Among us, some people have been saved by David, and some have admiration for him. In short, we are all willing to die for David, and we hope that Mr. Shi can help him..."

Ji Ruxue weighed heavily I gave Mr. Shi a kowtow!

Mr. Shi looked at the girls with some relief, and then smiled lightly: "I don't know how David would feel when he knew that you were willing to die for him..."

"But remember, in this society, your life is worthless at all, even if you sacrifice your life, it will not change anything for the current David!"

"If you really want to help that David, the only thing you can do is to improve your own strength. When he encounters difficulties, help him, instead of kowtowing and begging for help..."

Mr. Shi's words are like thorns, stabbed in the hearts of the girls!

Although they all have some strength, as David's strength is getting higher and higher, the difficulties they encounter are getting bigger and bigger.

And they seem to be unable to do anything except pray to David every day...

"Thank you Mr. Shi for teaching!"

Ji Ruxue kowtowed to Mr. Shi again!

At this time, they all swear in their hearts that they must practice hard and become a woman who can help David!

Instead of only creating confusion for David and making a useless vase...

“I will give you a set of exercises now. As for how much you can understand, that is your own talent and good fortune!”

Mr. Shi finished, With a wave of the palm of the hand, a flash of light flashed in the minds of the girls!

When the girls saw this, they quickly thanked Mr. Shi!

“Okay, you can go out...”

Mr. Shi waved his hand and told Ji Ruxue and the others to retreat!

But just as the girls got up and were about to leave, Mr. Shi pointed at Xiaoru and Wu Meier and said, “You two stay...”

Xiaoru and Wu Meier looked puzzled, but they stayed. come down!

When the other girls left, Mr. Shi’s face became solemn!

“You two are different from ordinary people, do you know that?”

Mr. Shi asked the two of them.

“I’m Ice Crystal. It was because of Brother Chen that I was able to live until now!”

Xiaoru said.

“I also know that I have a natural charismatic body, but I have never used my special physique to harm others!”

Wu Mei’er also hurriedly said.

“Since you both know that you have a special constitution, are you two willing to sacrifice for David?”

“If you want David to escape from the secret realm, you two need to take risks!”

Mr. Shi asked with a serious look.

“I do, my life is given by Brother Chen.” Xiaoru nodded without hesitation!

Wu Meier hesitated for a while, then nodded and said, “I am also willing, although I have never admitted that I like David, but David has already taken root in my heart.

## Chapter 2094

Seeing that both of them agreed, Mr. Shi brushed his palm lightly on the table, and a golden light flickered out!

Immediately afterwards, Xiaoru and Wu Meier saw that a book appeared out of thin air on Mr. Shi's desk!

The cover of the book is very simple, even a little worn!

"Take this book, you two don't leave the capital for half a step, remember one thing, no one is allowed to read this book, including the two of you!"

"As long as you see David, hand over this book to He, do you understand?"

Xiaoru and Wu Mei'er nodded their heads in disbelief!

In fact, they don't understand at all, what does Mr. Shi mean!

Even more do not understand, David has been trapped in a secret realm, how can they see David?

"Okay, take your books and leave, don't mention this to anyone..."

Mr. Shi waved his hand!

Wu Mei'er stepped forward, put the book in her arms, and then walked out of the Dharma Protector Pavilion!

"Xiaoru, Mei'er, what did Mr. Shi say when he left you two?"

Ji Ruxue hurriedly asked when the two of them came out.

"I didn't say anything, I just asked a question about our physique."

Wu Meier explained.

After all, most of the things about her and Xiaoru's special physique are known!

"Okay, let's go back. Since Mr. Shi has taught us the exercises, I hope the sisters can practice more and help David as soon as possible!"

Ji Ruxue said to the girls.

.....

In the days that followed, all the girls began to practice desperately!

And Hu Mazi and the others are still trying to find a way to rescue David from the secret realm!

Now only Xiaoru and Wu Meier seem to be at a loss!

The two were together every day, and Wu Meier even took the book with her, and didn't dare to let go!

But a few days passed in the blink of an eye, and the two of them were walking on the street all day, not knowing how to meet David.

I don't understand what Mr. Shi said! " Sister

Mei'er, we can't do this either. Everyone else is cultivating, so we just hang out all day.

"

In the corner of a restaurant, he said listlessly.

"What does Mr. Shi mean? I don't understand. I've been thinking these days whether it is because of the special constitution of the two of us that there is a way to see David, so Mr. Shi gave us the book.?"

Wu Meier said thoughtfully.

"But how do you go to see Brother David? He is locked in a secret realm. Master Hu and the others have no choice."

Xiaoru pouted, looking at the food in front of her, she had no appetite at all!

"Two little sisters, if you are unhappy about something, tell your brother, my brother will help you solve your problems..."

At this time, two guys dressed in trendy fashion cards came over!

Xiaoru and Wu Meier just glanced at the two guys, but didn't pay attention to them!

Seeing that Xiaoru and Wu Mei'er didn't speak, the two men didn't even recognize their lives, so they sat directly with Xiaoru and the others!

When Xiaoru was irritable at this time, she saw two short-eyed guys approaching and chatting up, and she suddenly became angry!

"You two, get out of here, don't wait for me to get angry..."

Xiaoru glared at the two guys fiercely and said.

One of the guys saw that Xiao Ru was talking madly, and immediately raised the corner of his mouth and said, "Little sister, you are not a big person, but you are quite mad when you talk. Don't ask me, the two of us..."

Before the words were finished, Xiao Ru saw He pressed his hands gently on the table, and soon the table became frost at a speed visible to the naked eye, and then the frost spread to the two men in an instant!

The two men only felt cold all over, but before they could react, they were all frozen, and even their hair and eyebrows were covered with frost!

“Xiaoru...”

Seeing this, Wu Meier hurriedly stepped forward and pulled Xiaoru, then looked around and said, “Let’s go, you’re going to cause panic in the downtown area...”

Wu Mei Er pulled Xiao Ru and left without even taking a few bites of the good meal!
