

## A Man Like None Other Chapter 2097 – 2098

### Chapter 2097

in the secret territory!

Wu Mei'er and Xiao Ru were both still in a coma, and Sonya shouted to them from the side!

“Xiaoru,

Mei'er, wake up, wake up...” Sonya looked both excited and worried!

After so long, she finally saw someone she knew well!

After a while, Xiaoru and Wu Meier woke up leisurely, and when they saw Sonya, they were also surprised!

“Sister Yuqi? You...is it really you?”

Xiaoru looked at Sonya in disbelief!

Wu Meier pinched herself hard: “We're not dreaming, right?”

“Xiaoru, it's me, you're not dreaming...”

Sonya's eyes were full of tears, and she hugged Xiaoru tightly. together!

“Sister Yuqi, I finally saw you. For so long, I miss you so much, everyone misses you!”

“Brother David was sealed in a secret realm in order to find a way to save you...”

Xiaoru also cried bitterly . Runny, hug Sonya tightly!

When Sonya heard Xiaoru mention David, she quickly wiped her tears and said, “Xiaoru, tell me in detail what happened to David?”

“I...I don't know much...”

Xiaoru She has been living in the Zhao family. After all, she and Zhao Chuang are already set for life, and it is normal to live in the Zhao family!

So Xiaoru doesn't know much about David!

“Let me tell you...”

Wu Meier said, and then explained in detail how David tried to enter the secret realm in order to save Sonya, and then was sealed inside!

“This fool, there are many secret realms in the Demon Heart Sect, how can he know which secret realm I am locked in...”

“This is obviously the conspiracy of the Demon Heart Sect...”

Although Sonya said with her mouth, she was full of heart. Full of touching, after all, David went to save her regardless of his life, which shows her status in David’s heart!

“Sister Yuqi, why are you here? Where is this place?”

Xiaoru asked curiously.

“This is also a secret realm of the Demon Heart Sect. I have been changed to several places, but I just don’t know why the two of you will appear in this secret realm!”

Sonya said.

“We were arrested...”

Xiaoru told Wu Meier that she and Wu Meier met an old man and were later arrested!

“You must have met the demon envoy of the Demon Heart Sect. That old guy is very strong.”

“But why did the Demon Heart Sect arrest you two?”

Sonya frowned slightly, and she couldn’t understand!

During the time when the Demon Heart Sect was imprisoned, Sonya actually knew a lot about the Demon Heart Sect, and she also knew many people in the Demon Heart Sect!

After all, what the Demon Heart Sect wants is the blood of Sonya, so they serve Sonya deliciously and deliciously, and in the secret realm, there is no limit to Sonya’s freedom!

Because even if Sonya walks around casually, it is impossible to leave the secret realm. This is also to allow Sonya to cooperate with the blood draw!

It is precisely because of this convenient condition that Sonya has a preliminary understanding and understanding of Demon Heart Sect!

“We don’t know why we were arrested, but Mr. Shi handed us a book in advance, saying that if he saw David, he would give it to him, and he also asked if we were willing to sacrifice for David.”

Wu Meier Said to Sonya.

“What book, bring it to me to see...”

Sonya asked.

Sonya doesn't know much about Mr. Shi, after all, she spends a lot of time in the Demon Heart Sect.

Wu Meier took out the book and handed it to Sonya!

Sonya looked at the very simple and even worn out book in her hand with a blank expression on her face!

But when Sonya was about to open it, she was stopped by Xiaoru: "Sister Yuqi, can't open it, Mr. Shi said, this book can only be opened by Brother David..."

### **Chapter 2098**

Sonya could only return the book to Wu Meier, and then said, "How are you two now? If possible, we need to familiarize ourselves with this secret realm first!"

"We're fine..."

Xiaoru and Wu Meier both nodded!

Afterwards, Sonya brought two people and began to get acquainted with this secret realm, but along the way, Sonya did not find a person from the Demon Heart Sect.

I haven't even encountered a monster. You must know that there are monsters in such a big secret realm, and monsters are also resources in the secret realm. The final destination is to be swallowed by the beast pill to help others cultivate. !

But this secret realm has nothing, not even a trace of living creatures...

But the environment of this secret realm is very good, not very bad, which also makes Sonya and the three girls suffer a lot less!

After walking a distance, Wu Meier couldn't hold it anymore!

After all, she is just an ordinary person, unlike Sonya and Xiaoru, who can hold on even if she doesn't eat or drink!

Seeing Wu Meier like that, Sonya could only stop and rest!

"Xiaoru, you are optimistic about your sister Meier, I'll find something to eat and see if there are any wild fruits or something."

Since there are no living creatures in this secret realm, I can only find some wild fruits to satisfy my hunger!

Sonya was looking for something to eat, and just not far from them, David was sitting cross-legged, and the Concentration Technique was running to the extreme, absorbing the spiritual energy of heaven and earth!

During this time, he has turned the entire secret realm again, but he can't find the exit at all, whether it is a mountain peak or a river, he still can't find a place to go out!

There is chaos all around the secret realm. David once tried to pass through this chaos like he was in the Demon Sect to see if he could get out of the secret realm!

As a result, he couldn't even take a step into the land of chaos. The land of chaos was full of turbulent flow of time and space, and there was no way to pass through it.

Now David can only work hard to cultivate and improve, and he is pinning his hopes on Hu Mazi and the others, thinking of a way to open the entrance outside!

But when David was cultivating, a wave suddenly flashed in his mind. This is the manifestation of the breath fluctuation detected by the divine sense!

"Someone?"

David suddenly opened his eyes, with indescribable excitement on his face!

Following the feeling of his own consciousness, David quickly moved towards the place where the breath fluctuated!

At this time, Sonya was looking for something to eat, and she didn't notice that someone was approaching her!

In this way, the two are getting closer and closer...

With the distance pulled in, David can clearly feel that this breath is very familiar!

"Yuqi's breath? Could it be Yuqi? Is she really imprisoned here?"

David had incredible excitement on his face, and the pace under his feet was getting faster and faster!

Soon, a figure appeared in front of David.

When David saw this figure clearly, the whole person was stunned for a moment, and he stood there dumbfounded, as if he had been immobilized!

The expression on David's face is also very complicated, from surprise to excitement, from excitement to doubt...

He clearly turned the entire secret realm once, and there was no one at all, but at this time, why did Sonya suddenly appear?

At this time, Sonya looked up and found David standing blankly, which made Sonya instantly stunned!

The two of them just stood there blankly, looking at each other, no one said a word, but the excitement and excitement in the eyes of the two were unabashedly revealed!

“David...”

Finally, after the two looked at each other for a few minutes, Sonya shouted and ran directly towards David!

“Yuqi...”

David also rushed towards Sonya!

Soon, the two hugged tightly, feeling the temperature on Sonya’s body, David injected a force of spiritual power into Sonya’s body!
