

A Man Like None Other Chapter 2115 – 2116

Chapter 2115

“I know...” David nodded!

“Is it worth dying for a few women?”

Mr. Shi asked.

“It’s worth...” David still nodded.

But who knows, Mr. Shi suddenly burst into anger, slapped the table suddenly and said: “It’s worth it, is your life just living for a few women?”

“I tell you, women can only be your side. Immortal cultivators pay attention to throwing away their emotions and desires, in order to truly become an immortal.”

“Look at your current appearance, looking for life for a few women...”

Davidping was surprisingly calm when facing the furious Mr. Shi.

“If becoming an immortal needs to be cast aside, then I’d rather not become an immortal. I don’t want to become an immortal, I’m just forced to helpless...”

“I am willing to die to save them, and I know they are also willing to die to save me. The...”

David said word by word!

Listening to David’s words, Mr. Shi’s anger slowly disappeared!

“Hey, since ancient times, love and hate...”

“I know you came for those three girls. If you want to save them, send them back to the secret realm...”

“Only in that secret realm, they If you insist on not sending them back, they won’t be able to hold on for a day.”

Mr. Shi sat back again and said in a flat tone.

“Why, why is this?”

“What is the wordless scripture? What is the Wuya Cave? And what secrets does the Secret Realm of the Asking Sect hold?”

“Why did they become like this? why?”

David got a little excited and asked Mr. Shi loudly.

“There are some things that you should know, you will definitely know, but you shouldn’t know, so don’t ask. You know too much, it’s not good for you!”

Mr. Shi said.

David stared at Mr. Shi, he wanted to see what Mr. Shi was thinking, but unfortunately he couldn’t!

“Since you know everything, why do you want Xiaoru and Mei’er to give me that wordless book?”

“You know they will become like this when they enter the secret realm, right?”

“Why let them Do this?”

David asked again.

“If they don’t do it, can you stand here and talk to me now?”

“And they are all willing to die for you.”

“You have to learn to look at everything, life, old age, sickness and death, the reincarnation of heaven, this is fate, You can’t change your fate!”

“The women around you will eventually die for you. This is their fate and your fate!”

“The suffering you will experience in the future will be 10,000 harder than it is now. Times...”

Mr. Shi’s voice was like a heavy hammer, hitting David’s heart heavily!

David was stunned on the spot, and he didn’t react for a long time!

“No, I don’t believe in fate, and I don’t believe in fate, why should I go through hardships? Why me?”

“I just want to be with the girl I like, and I just want to see my parents and let them enjoy family happiness! “

I just want to be an ordinary person, I just want to be an ordinary person...”

David trembled slightly all over, roaring loudly...

“As I said, this is your destiny, this is your destiny, and you can’t change it...”

“Maybe the moment you become the master, you can change your destiny!”

“Since you can’t change your destiny now, Then go with it, or you will suffer even more!”

“Go...”

Mr. Shi waved his hand gently!

A force instantly knocked David out, and then the door closed tightly!

Chapter 2116

“David...”

Looking at David who was covered in scars, Xing Jun stepped forward and helped him up!

At this time, David’s eyes were blank, and his whole person was like a dementia!

Slowly, David looked up at the vast sky!

A stern look flashed in his eyes!

“I don’t believe in fate, my fate is up to me...”

David roared suddenly!

The voice contained rolling spiritual power, and it spread throughout the entire Kyoto!

David dragged his injured body back to Longmen!

At this time, everyone gathered at the Dragon Gate to discuss countermeasures together!

Seeing David’s scars, everyone was shocked!

To know David’s current strength, ordinary people do not have the ability to let him suffer such a serious injury.

“David, what’s wrong with you?”

Seeing this, Hu Mazi hurriedly asked.

David shook his head, did not speak, but looked at Long Xingxu and said, “Xingxu, send someone to carry your sister-in-law and the others, and come with me...”

“Brother David, where are we going?”

Long Xingxu asked.

“Go to the Martial Arts Alliance...”

David said weakly.

Looking at David like that, Hu Mazi knew that David must have suffered a heavy blow, and the blow was not physical, but heart, otherwise David would not be what he is now!

Even if David's body is seriously injured, as long as he still breathes, David will not have this decadent trend!

Everyone followed David to the backyard of the Martial Arts Alliance. With David chanting the spell, the entrance to the secret realm slowly opened!

David took Sonya and the others back into the secret realm!

Originally, Hu Mazi and the others wanted to go in with David, but they were stopped by David!

Because David doesn't know, if everyone enters the secret realm, will they have the same symptoms as Sonya and the others!

After entering the secret realm, Sonya and the others quickly woke up, which made David feel at ease!

"Brother David, why have we returned to the secret realm again?"

Xiaoru asked in confusion as she looked at the surrounding environment.

"You three listen to me..."

David told the three of them exactly what happened.

"Don't worry, I will find a way to rescue you and not let you be trapped here forever."

David said firmly.

"Actually, it's good to live here, and the environment is not bad..."

Sonya knew that David was definitely not feeling well at this time, so she smiled slightly.

"No wonder we went to Mr. Shi. Mr. Shi wanted to ask if we would like to die for Brother David."

"I also asked if sister Meier and I had a special constitution, and then gave the book to us."

"So it turns out . He knows everything, he must know that we can meet Brother David and give him the book!"

At this moment, Xiao Ru wanted to understand what Mr. Shi said!

"Mr. Shi asked if you have a special constitution?" David frowned slightly, as if thinking of something, and grabbed Sonya's hand!

David's face became ugly as the spiritual power penetrated into Sonya's body!

Immediately afterwards, David grabbed Xiaoru and Wu Meier's hands and checked them again!

Only after this inspection did it find that all the special physiques on the three of them had disappeared!

“You three, take a look, has the special physique on your body disappeared?”

David said in surprise.

Soon, the three of them checked it out, and they found that their special physiques had all disappeared. At this time, they were no different from ordinary people!

“How could this be?”

Xiaoru’s face was full of incredulity. She had to know that her ice crystals were born, and she tried her best to get rid of them. Later, she met David and saved one!

Then she started to practice again, and Xiaoru slowly got rid of the death threat brought by this special physique!

But now it has disappeared. With the disappearance of the special physique, the strength of Sonya and Xiaoru has also dropped a lot!

“It must be related to the Wuya Cave, let’s go and see...”

David guessed that the disappearance of Sonya’s special physique must be related to the Wuya Cave, so he planned to investigate again.
