

A Man Like None Other Chapter 2121 – 2122

Chapter 2121

Shi Yan looked at Hu Mazi, and his qi and blood suddenly surged!

“Old man, David didn’t dare to come out, but you actually came, and you have your share in destroying my Bailian Pavilion. Today, I will kill you first...”

After Shi Yan finished speaking, the aura on his body soared, and he didn’t wait for Hu Mazi. Stand firm and shoot it out with a slap in the face!

Hu Mazi didn’t dare to follow Shi Yan head-on, so he could only throw out a few talismans in an instant. With the sound of an explosion, the talismans thrown by Hu Mazi were blown up one by one by Shi Yan!

Seeing this, Hu Mazi suddenly stepped back, and then backhandedly took out the purple gold gourd from his arms!

Accompanied by a flash of purple light, terrifying power erupted from the purple gold gourd!

Shi Yan was already close at hand, and he didn’t have time to dodge. He was instantly knocked to the ground by the burst of power from the Zijin Gourd.

“Son...”

Shi Qingpei hurried forward and helped Shi Yan up!

“What a powerful instrument, it’s a good thing...”

Jueyuan looked at the purple gold gourd in Hu Mazi’s hand, with a greedy gleam in his eyes!

“Senior brother, that purple gold gourd is a high-grade magic weapon, you have to be careful...”

Shi Qingpei reminded Jueyuan!

“Hmph, what can I do with a magic weapon?”

Jue Yuan snorted coldly, then grabbed it in the void and grabbed it towards Hu Mazi!

Hu Mazi only felt a huge suction hit, his face changed slightly, and the purple gold gourd in his hand burst into light again!

One after another, purple rays of light shot out from the purple gold gourd!

Containing the power of the infinite Dao, it goes directly towards Jueyuan!

There was an explosion in the void, and the world seemed to crack under the purple gold gourd!

Jueyuan frowned slightly: "This purple gold gourd is more than a high-grade magic weapon..."

After saying that, with a wave of his sleeve robe, a chaos appeared, and the purple rays of light hit the chaos and disappeared in an instant!

Hu Mazi was stunned for a moment. He wanted to move the Zijin Gourd here, but Jue Yuan's figure flashed before his eyes!

I saw Jueyuan stretched out his hand and grabbed the purple gold gourd directly, the breath on his body was shocked, Hu Mazi had to let go, and the whole person was shocked and flew out!

The fallen Hu Mazi heard bursts of explosions all over his body, followed by blood arrows shot out one after another, and all the bones and tendons of the body were broken by the shock!

After spitting out a mouthful of blood, Hu Mazi fainted instantly!

Jueyuan is playing with the purple gold gourd in his hand, his face is full of excitement!

"Let David come out and die, or we will start killing!"

Shi Qingpei was very happy when he saw that Hu Mazi, who had destroyed their Bailian Pavilion, had become a cripple!

Now as long as David is abolished, their revenge will be avenged!

"I... Our Sect Master is really not here..."

A member of the Dragon Sect said bravely.

"Perhaps that David is really not here!" Jue Yuan exudes a breath, covering the entire Longmen!

He didn't notice the existence of a master in Longmen!

"When David comes back, tell him to go to Kuchan Temple to find me. I am Shi Qingpei, the pavilion master of Bailian Pavilion."

"If he wants to hide, I will come to him..."

Shi Qingpei was afraid that the delay would be too long. Time brought Mr. Shi in, so he put down his harsh words and left!

When Jueyuan and the others left, the people in Longmen began to clean up!

Long Xingxu and Hu Mazi were both seriously injured, and Longmen was headless for a while, and no one could come up with an idea!

But soon, Zhou Jie came, along with Ji Ruxue and the others!

After seeing the seriously injured Long Xingxu and Hu Mazi, everyone's faces were very solemn!

"Send someone to Yaoshen Valley to invite Elder Xu to come..."

"Also, keep the news closed, and don't leak the news of Long Xingxu and Master Hu's injuries!"

"Repair the gate as soon as possible, so that too many people can't know that Longmen was injured. People are provoking and sabotaging!"

"One more thing is to get David back as soon as possible and let him take charge of the overall situation!"

When everyone was a little overwhelmed, Ji Ruxue calmly began to arrange!

After all, Ji Ruxue is also the master of the first palace, and she also has some experience in managing sects!

Chapter 2122

In addition, Ji Ruxue is older, and everyone knows her relationship with David, so everyone is obedient to Ji Ruxue's words!

Soon, some people went to Yaoshen Valley to invite Xu Changsheng, some people started to repair the damaged door, and some people specifically blocked the news!

You must know that the current Longmen can be regarded as the largest sect in the entire Kyoto martial arts world, and David is also an idol sought after by many sect families in the Kyoto martial arts world!

If Longmen makes people provocative, then the gate is destroyed, and many people are killed, it will have a great impact on the reputation of the entire Longmen and David.

Under Ji Ruxue's leadership, Longmen regained its stability. After Xu Changsheng got the news, he rushed over quickly!

But when Xu Changsheng saw the injuries of Long Xingxu and Hu Mazi, his expression became solemn.

"Elder Xu, how are they? Is there any help for Hu Mazi?"

Zhou Jie asked Xu Changsheng nervously.

"Miss Zhou, Master Hu's injury is too severe, the muscles and bones of the whole body are broken, I am afraid it will be difficult to save Daluo Jinxian."

"Even if he can save his breath, I am afraid that he will never be able to stand up again and become a crippled person. Yes!"

Xu Changsheng sighed softly.

"This..."

Zhou Jie looked at the unconscious Hu Mazi, and tears flowed instantly!

“Elder Xu, you must save Hu Mazi...”

Zhou Jie said, and was about to kneel down for Xu Changsheng!

“Miss Zhou, don’t do this, I really can’t do anything...”

Xu Changsheng’s face was full of embarrassment!

“Elder Xu, is there nothing you can do?”

Ji Ruxue asked Xu Changsheng.

“I don’t know if there is a way, I can only let the owner of the valley see for himself!”

Xu Changsheng slowly shook his head!

“But David is in the secret realm now, no one knows when he will come out!”

Ji Ruxue frowned.

David brought Sonya and the others into the secret realm. No one can tell when they will come out, but Hu Mazi and the others can’t wait for their injuries!

“I can only do my best now and try to keep Master Hu and the others as long as possible. I really can’t do anything else!”

Xu Changsheng said helplessly.

“I’m going to the secret realm to find Mr. Chen...”

Zhou Jie decided to enter the secret realm to find David in person!

“Miss Zhou, don’t be impulsive, David said it, although the secret realm is not dangerous, if you enter it, you may not be able to get out. Xiaoru, Meier, and the others are the best examples!”

Ji Ruxue persuaded Zhou Jie.

“Even if I’m trapped in a secret realm, I have to find Mr. Chen...”

Zhou Jie’s eyes were firm!

Seeing that Zhou Jie was so determined, Ji Ruxue could only exhort: “Miss Zhou, then you must be careful, don’t talk to him when you see David, so as not to make him too anxious and make some mistakes!”

“Okay, I see!” After Zhou Jie finished speaking, she went straight to the entrance of the secret realm in the backyard of the Martial Arts Alliance!

Opening the entrance to the secret realm, Zhou Jie entered the secret realm without hesitation!

At this time, David and the others are still in Wuya Cave!

David has been pondering these statues and wants to understand what is going on with these statues.

And who the hell is the person who didn't see his face?

Eight Daoist Sect elders suddenly turned into statues, and a sect as big as Dao Sect suddenly disappeared!

It seems that there are many unknown secrets!

And David seems to understand the secret, only in this way can Sonya and the others get rid of it completely!

“David, don't worry too much. Even if we are trapped in this secret realm, there is no danger, and the environment here is quite good.”

“Some things need to be taken slowly, I believe you'd better be able to Let's get out of here!”

Sonya persuaded David!
