

A Man Like None Other Chapter 2127 – 2128

Chapter 2127

it.” “Okay, solve this chess game, and I can answer your question!”

Zhou Botong pointed to the chessboard in front of him and said.

David glanced at it and was immediately dumbfounded. He didn't know how to play chess at all. How could he solve the game?

“Senior Zhou, I'm really sorry, I don't know how to play chess, so I can't solve it!”

“But as long as you answer my question, I can give you any money you want,”

Davidru said.

“I don't know how to play chess, so don't bother me here, I'm not short of money at all, get out of here...”

Zhou Botong waved his hand impatiently!

This time, David was a little overwhelmed, so he could only stand there and quietly look at the chessboard in front of him.

And Zhou Botong ignored David and Ge Fuhai, and studied it carefully!

Just when David frowned slightly and didn't know what to do, he suddenly remembered the wordless book in his mind!

Thinking of this, David said, “Senior Zhou, if I solve this chess game, will you answer my question?”

“Of course, as long as you help me solve the chess game, I can answer any questions you have, provided that I want to know.”

“The world of martial arts is as vast as the sea, and not everything I know.”

Zhou Botong raised his head and said.

David nodded, then sat opposite Zhou Botong, and then lightly grabbed the chessboard with one hand!

Spiritual energy gently penetrated into the chessboard!

Soon David's mind flashed the history of the chessboard and the solution to the endgame in front of him!

David smiled slightly and said, “Senior Zhou, this chessboard is set up by the chess sage Master Huang. To break this endgame, the center must bloom...”

” Almost a seemingly unsolvable endgame was directly brought to life by David!

Zhou Botong looked at the scene in front of him, his eyes widened, and he was immediately stunned!

“I... I’ve been thinking about the endgame for so many years, but it’s so easy for you to break it?”

Zhou Botong’s face was full of incredulity: “You, this guy, even said that he can’t play chess!”

“But I promise you. , you can ask me now...” When David heard this, he hurriedly asked happily: “I want to ask Senior Zhou, do you know where the Kuchan

Temple is?”

Many people know about this Kuchan Temple, after all, there are many believers in the Kuchan Temple, you are also worth coming to me with this kind of question?”

Zhou Botong asked unexpectedly.

David was embarrassed, how did he know that so many people knew about this Kuchan Temple?

No one around him knew about it anyway!

“Okay, I’ll send you this question, what more questions do you want to ask?”

Zhou Botong said.

David thought for a while, and then said, “Senior Zhou, I want to ask if you know the Rebirth Spring? And are there many hidden world sects in the martial arts world?”

” Place, I don’t know, although I’m called a know-it-all, I’m not an immortal.”

“But there are indeed many hidden sects in the martial arts world. Among them, three and six sects are the most powerful. The martial arts world can create a storm!”

Zhou Botong replied!

“Senior Zhou, where are these hidden sects? Why can’t you see them?”

David continued to ask curiously.

“I promised to answer one of your questions, but you’ve asked too many questions. You’d better go back quickly.”

“Since those hidden world sects are not in the mountains, you’d better not mess with them, otherwise you will die ugly. !”

After Zhou Botong finished speaking, he waved his hand!

Seeing this, David could only get up and say goodbye!

However, he already knew the location of Kuchan Temple, and he wanted to seek revenge for Shi Qingpei and his son. As for the matter of finding the Rebirth Spring, David decided to start with those hidden world sects.

Because David felt that such a rare thing in the Rebirth Spring, it must be in the sphere of influence of a hidden world sect, so it was unknown.

David said goodbye to Ge Fuhai, and then went straight to the Kuchan Temple!

You must know that this time David was full of anger, and this time he must torture Shi Qingpei and his son to death!

Chapter 2128

At this time, Shi Qingpei and his son are enjoying themselves in Kuchan Temple!

It's almost like an emperor's treatment. After all, there are many believers in Jueyuan, and some devout believers will do whatever they ask them to do!

This also makes Shi Yan reluctant to think about Shu! "Dad, do you think that David will come to Kuchan Temple?" Shi Yan asked Shi Qingpei. "It doesn't matter if he comes or not, if he doesn't dare to come, then we will call your uncle and go to Kyoto again. I will definitely force David out this time!" Shi Qingpei said with a sneer.

"My uncle is too good. Not to mention so many disciples, there are still so many believers who enjoy it every day and can cultivate..." "The cultivation of the power of faith is much more convenient than finding resources everywhere!"

"I also I want to be someone like Uncle." Shi Yan said with envy in his eyes. "Fart, is my artifact refining technique going to ruin your hand?" "You can learn artifact refining with me in the future!" Shi Qingpei glared at Shi Yan and said.

"I don't want to learn, what can I do for a long time? It's not because I was beaten by David, and everything is gone." "In the end, I still have to ask my uncle for help. Item refining is too wasteful.!" Shi Yan said shaking his head.

"You know the shit, if I can practice top-quality magic tools, even treasures, fairy weapons, let alone David, even the entire martial arts world, I will destroy it with a wave of my hand!" "Even those in the secret realm. Dude, I'm going to shiver when I see it." Shi Qingpei reprimanded Shi Yan loudly!

"Okay, don't brag, let's talk about it when you can master the fairy weapon..."

Shi Yan didn't bother to talk to his father, got up, and prepared to leave!

At this moment, Jue Yuan walked in.

Seeing Jue Yuan walking in, Shi Yan stepped forward to help him with a flattering expression: "Uncle, do you have any orders? Just send someone to call me!"

Shi Yan treated Jue Yuan at this time, but he could it's far more affectionate than treating my own father.

Shi Qingpei looked at Shi Yan like that, although he felt uncomfortable, after all, people had to bow their heads under the eaves.

"Senior brother, what's the matter with you?"

Shi Qingpei asked.

"There are signs of a breakthrough in my current strength, so I have to retreat and breakthrough!"

"The two of you are living here to eat and drink. I have arranged everything!"

Jueyuan said to Shi Qingpei and his son. .

"Ah? Uncle, are you going to retreat?"

"But what if that David calls? We're afraid we won't be able to beat him?"

Shi Yan's face was full of worry!

He was scared of being beaten by David!

"Don't worry, eldest nephew, I have already explained to a friend of mine that he will sit in the Kuchan Temple during my retreat. If David dares to come, he will surely come and go!"

Jueyuan said .

"Uncle, what's your friend's strength? Then David's strength is not weak, at least the strength of the late Martial Saint!"

Shi Yan was still a little worried, he was afraid that the person Jueyuan was looking for would not be able to beat David!

"Hahaha, is this kid questioning my strength?"

After Shi Yan finished speaking, he heard a burst of hearty laughter, followed by a fat monk in a monk's robe walking in!

Just after the monk came in, the whole room was instantly filled with coercion!

Shi Yan and Shi Qingpei didn't pay attention, they were all crushed to the ground!

“Enlightenment, these two are my junior brother and senior nephew, don’t make trouble...”

Jueyuan said to the fat monk.

“Hahaha, Jueyuan, your junior brother and junior nephew, you are really rubbish, no wonder you invited me here!”

Zhengwu laughed and put away that coercion!

When Shi Qingpei and his son heard this, they immediately blushed with embarrassment!

“My junior brother is in the art of refining, so his strength is almost, but his art of refining, you can’t compare!”

Jueyuan is helping Shi Qingpei to regain some face!

“Okay, don’t talk about those, you know the rules, one woman a day, I don’t want those crooked melons and cracked dates, I want beautiful women!”

Awakening waved his hands.

“Don’t worry, it’s ready.” Jueyuan said.
