

A Man Like None Other Chapter 2129 – 2130

Chapter 2129

at the foot of the southwest cliff peak!

David looked at the steep mountain. He never thought that someone would build a temple on such a steep place!

But even if it is steep, this is like walking on the ground for David!

After a few jumps, David went to the top!

Soon, David's figure appeared in Kuchan Temple, looking at the majestic building of Kuchan Temple and the believers who were kowtowing step by step. David did not understand how these believers climbed up in such a steep place. of.

How much perseverance and determination it takes for an ordinary person to climb to this place!

In order not to hurt these ordinary people, David waved his palm lightly, and saw that the mountain gate of the Kuchan Temple began to shake violently and began to collapse!

Seeing this, those believers hurried out of the Kuchan Temple, running far away one by one!

"Dad, what's going on? Isn't that David here?"

Shi Yan asked Shi Qingpei in a panic when he heard the sound.

"I don't know either, go out and have a look..."

Shi Qingpei said as he walked out of the room.

As soon as the two walked out of the room, they saw that the mountain gate of Kuchan Temple was collapsing, and David was standing not far away.

David saw the figures of Shi Qingpei and his son, and his murderous aura instantly rose!

"David, I didn't expect you to really dare to come..."

Seeing that it was really David, Shi Yan sneered.

"You father and son want to court death, and I can't let you down..."

David said, walking forward slowly!

Seeing David coming over, Shi Yan was a little cowardly, and couldn't help but take two steps back!

At this time, more than a dozen monks with tyrannical breaths also ran out in a hurry, seeing that their mountain gate was destroyed, all of them were full of anger!

“It’s this guy who ruined the mountain gate, hurry up and catch him...”

Shi Qingpei said to the dozen monks who ran out.

The dozen or so monks also knew about Shi Qingpei’s relationship with Jueyuan, so they all rushed towards David!

The corner of David’s mouth showed a trace of disdain. Facing a dozen monks rushing towards him, David remained motionless, and a terrifying pressure was suddenly released from his body!

An incomparably powerful aura, centered on David, spreads around!

The breath vibrated, the entire Kuchan Temple was shaking, and these monks had not rushed to the front, they were all crushed by this huge force!

One by one fell to the ground, no one could lift their heads!

Seeing this scene, Shi Qingpei and Shi Yan were both quite frightened. It must be known that the strength of the dozen or so monks in the Kuchan Temple is not weak, all of them are the strength of the Great Marquis!

Some even reached the peak of Dawuhou, but they all fell down before reaching David!

“Just based on these garbage, you can’t hurt me in Kyoto. Who is the guy who shot at my Dragon Gate?”

David asked Shi Qingpei. ,

because he knew that with the strength of Shi Qingpei and Shi Yan alone, it was impossible to beat Hu Mazi like that!

Shi Qingpei and Shi Yan were so frightened that their faces were ugly, but they didn’t tell Jueyuan directly!

When David saw this, the pressure on his body broke out again. Those monks who fell to the ground only felt a tightness in their chests, and then vomited out a big mouthful of blood!

Although Shi Qingpei and Shi Yan were far away, they both felt the terrifying pressure and insisted on gritting their teeth!

“Someone is making a fuss at Kuchan Temple, and I can’t even play with women...”

At this time, a loud voice came!

There was an endless breath in the voice, which directly defeated the coercion on David.

Those monks who were lying on the ground only felt their bodies lighten, and hurriedly got up and ran away. Shi Qingpei and Shi Yan also often let out a sigh of relief!

David frowned slightly, looking at the place where the sound came from.

I saw that the consciousness was disheveled, and carrying a girl who was also disheveled in her hand, she walked out slowly and came to David!

Even in front of everyone, a hand of enlightenment is still wandering around the girl!

Chapter 2130

girl was obviously shy and scared, and closed her eyes tightly.

Seeing this scene, David frowned even deeper: "You are a monk, you are so shameless, it's damn..."

"Hahaha, what happened to my monk? Lao Tzu is a Buddhist monk, and you can't do it without a woman for a day!"

"You are a little guy with the strength of the fifth-rank Martial Saint, and you dare to come to the Kuchan Temple to make trouble. I'm afraid you are tired of living?"

Hahahaha laughed, and he didn't care about David's accusations!

"Master Zheng Wu, stop talking nonsense with him, just kill this guy."

Shi Yan hurriedly said to Zheng Wu, but with a pair of eyes, he couldn't help but glance at the woman in Zheng Wu's arms!

"It's not a matter of minutes to kill him."

Zheng Wu smiled lightly, and suddenly pushed the woman in his arms to one side, and then pressed a hand on the woman's head!

After a while, the woman turned into a mummified corpse!

Seeing this scene, Shi Yan was frightened enough!

"Hahaha, women's taste is good..."

Zheng Wu laughed, and then the wide sleeve robe gently waved, and then in front of them, the void began to shake continuously!

With the shaking of the void, several puppets slowly drilled out from the ground!

These puppets look very scary, and they exude a terrifying aura!

David looked at these puppets and couldn't help frowning. Each of these puppets had reached the strength of Wu Sheng.

David found that these puppets were not puppet corpses made of corpses, because it was impossible to find so many Wu Sheng corpses, and using corpses to make puppet corpses, the strength of the puppet corpses would be much lower than when the body survived. , So if you want to refine a Martial Saint's puppet corpse!

I am afraid that at least one corpse of the late Martial Saint will be found, and this kind of corpse of the late Martial Saint is too difficult to find, and there are almost no corpses.

Therefore, these puppets are not refined puppet corpses at all, but are cultivated by themselves in a special way.

The aura on this puppet is much stronger than that of a puppet corpse!

“Being able to cultivate Martial Saint's puppets by yourself, it seems that you, a flower monk, have some skills...”

David looked at those puppets with great interest!

“My ability is more than that. If you meet me today, you are unlucky...”

Say it, with a big wave of consciousness, a few puppets rushed towards David!

These puppets have no minds, so they don't even know what fear is!

All of them burst out with their greatest strength, raised their fists, and smashed towards David fiercely!

David suddenly retreated, and several puppets slammed into the ground, instantly smashing a deep hole in the ground!

“Hahaha... David, now I'll see if you're mad or not, and I'll see how you deal with these Martial Saints' puppets alone!”

“Their strength is not only Martial Saints, but they also have no thoughts and are not afraid of death. I want to see how you deal with these puppets!”

Shi Yan laughed wildly!

“Since you want to see it, then I'll let you see it...”

David finished speaking, and light flashed on his palms!

David didn't have the slightest pressure to deal with these few puppets in the Martial Saint Realm!

These guys don't have a mind, and following a robot makes no difference!

I saw David clenched his fists, and his figure suddenly rushed forward, and then like a streamer, he rushed into the puppets!

bang bang bang

Only a loud noise was heard, and all the puppets flew out!

Then he fell heavily to the ground.

Seeing this scene, the enlightened brow wrinkled, he did not expect David's strength to be so strong!

In the blink of an eye, a few puppets of the Martial Saint level can be knocked out!

"Boy, I didn't expect you to hide your strength..."

Zheng Wu said coldly.
