

A Man Like None Other Chapter 2131 – 2132

Chapter 2131

In the opinion of the consciousness, David's strength is definitely not the realm of the fifth-rank Martial Saint!

"There are so many things you didn't expect..." David's mouth was slightly raised, and his eyes were full of disdain!

"Even if your strength is strong, what's the use..."

After Awakening finished, he waved at the puppets, and the puppets stood up again!

There is a blood hole in the chest of these puppets, which looks very scary!

But with the words in the mouth of consciousness, the blood holes in the puppets began to glow, and they were all repaired immediately.

Soon several puppets rushed towards David again, and David also greeted him without showing weakness!

After a fight, these puppets were scarred again, and some of the puppets' arms and legs were cut off by David!

There is also a puppet's head, which was directly blown up by David!

David didn't believe it, even his head exploded, that consciousness can revive this puppet!

But under David's watch, the incantation in the mouth of the consciousness became louder and louder, and those puppets whose hands and feet were broken, and even their heads were beaten, all slowly recovered at this time!

Every puppet exudes a faint light, and all the injuries are being repaired quickly. Even the puppet whose head was blown out has now recovered as before!

This time, David was dumbfounded. You must know that the puppet corpse is not afraid of life and death, and has no thoughts, but if the head of the puppet corpse is really going to explode, it is impossible for the puppet corpse to survive.

"Hahaha, this puppet of mine is immortal and immortal, no matter how skilled you are, you will eventually be able to exhaust your energy and drag you to death..."

Consciousness laughed!

Then several puppets continued to attack David, and when David saw this, his brows were slightly wrinkled, his mind moved, and the Dragon Slaying Sword appeared in David's hands instantly!

The sword spirit of the Dragon Slaying Sword is already enlightened, and the power of the Dragon Slaying Sword alone is enough to resist a Martial Saint!

When David injected the power of the dragon into the Dragon Slaying Sword, a sound of dragon roar sounded.

A golden dragon hovers above the Dragon Slaying Sword!

“A good sword, really a good sword...”

Zheng Wu looked at the Dragon Slaying Sword in David’s hand, and a greedy light suddenly appeared in his eyes!

Seeing this Dragon Slaying Sword, he was even more excited than seeing a woman!

David held the Dragon Slaying Sword, and the sharp sword energy kept slashing out. Several puppets were stupid and didn’t know how to dodge. The body was instantly slashed with scars by the Dragon Slaying Sword, and even some puppets were cut off!

It’s a pity that it’s useless. These puppets will heal themselves in an instant, and their combat power will not be affected at all!

“Come on, kill him quickly, and take that sword from me...”

Consciousness urged those puppets to do it!

I saw a puppet waving a fist the size of a sandbag and smashed hard at David.

David stretched out his hand, grabbed the puppet’s fist directly, and penetrated into the puppet’s body with a powerful spiritual force!

The puppet exploded from within, and the entire body was blown into pieces!

But even if it was blown into pieces, the puppet finally merged slowly and turned into its original appearance!

At this moment, David’s mind flashed for a moment, followed by the wordless book in the sea of knowledge, showing all the information of this puppet!

David looked at the information in his mind in shock, and the expression on his face was extremely excited!

There is no way to identify human beings in the Book of Words without Words, but this puppet is not a human, nor is it a corpse, it is also made of various materials, so it is a kind of item, so the data of the puppet, the Book of Words without Words can be displayed.

Seeing David suddenly become so excited, everyone was stunned, wondering what happened to David, is he stupid?

“Hahaha, what kind of immortal puppet has weaknesses...”

David laughed wildly!

Immediately afterwards, a light blue flame appeared in the palm of his hand. David waved his hand, and the flame spread out instantly.

These light blue flames surrounded the puppets, and then began to burn violently!

When the consciousness saw this scene, his face changed greatly.

Chapter 2132

With the violent burning of the flame, several puppets turned into ashes, and there was no way to recover!

“You...how do you know the weakness of my puppet?”

Kai Wu looked at David in disbelief!

You must know that these puppets were cultivated with great effort, and now they have all been turned into ashes.

“What’s so difficult about this, I even know how you make these puppets.”

“So knowing the weaknesses of the puppets, there is nothing to make a fuss about!”

David said with a cold smile.

“You fart, this puppet refining technique is handed down from my teacher’s line, how could you know.”

“It was just discovered by you by mistake!”

“But you destroy my puppet, I will not let it go. Yours, you wait for me...”

After Awakening finished speaking, he jumped up and rushed to the side, this was his intention to escape!

“Hmph, how could the person who hurt my Dragon Gate let you go so easily...”

David snorted coldly, his body also jumped up, and his right hand suddenly grabbed forward!

A huge suction force directly controlled the consciousness and was caught by David!

“I think you have misunderstood. I didn’t kill you from Longmen. It must be the guy from Jueyuan who killed you from Longmen. If you want to seek revenge and find him, I am here to help.

” In his hand, he began to beg for mercy.

“Jueyuan?” David was taken aback.

“Yes, that Jueyuan is the host of this Kuchan Temple. I just called to help. I have no grievances with you, so you should let me go!”

Continued.

“Is what he said true?” David looked at Shi Qingpei and his son!

Feeling the sharp light in David’s eyes, Shi Qingpei could only nod his head and said, “It’s true!”

“I heard that, we really have no grudges, and I haven’t killed your people from Longmen, so hurry up and let it go. Me!”

“Otherwise, if you kill me, my master will not spare you. We are in the same lineage. If you kill me, you will cut off the development of our puppet temple!”

Awakening even threatened David Get up!

“As a monk, you mutilate girls at will, and you also practice what kind of joyful meditation. If a person like you won’t die, who will die...”

After David finished speaking, he slapped the enlightened head with a palm!

Consciousness opened his eyes wide and instinctively shouted.

But he realized that David’s palm was not photographed, but was directly placed on top of his head, followed by a huge suction force!

The strength within the consciousness is rapidly draining.

Consciousness panicked and wanted to struggle, but to no avail!

He could only helplessly watch his body getting weaker and weaker, and in the end it was done by human beings, and it was completely dead!

I don’t know how many girls have been absorbed by this consciousness. Now that he has been sucked up by David and turned into a mummified corpse, it can be regarded as retribution!

Shi Qingpei and Shi Yan’s father and son watched David suck the consciousness into a mummified corpse.

“Now it’s the two of you...”

David looked at Shi Qingpei and his son indifferently, as if he were dead!

“Uncle, save us, save us...”

Shi Yan shouted, but Jueyuan was in retreat at this time, where could he hear it!

David looked at Shi Qingpei's father and son so frightened, his heart was extremely happy, a huge coercion came, directly causing Shi Qingpei and Shi Yan to kneel on the ground!

"Today, I will let the two of you suffer to death..."

After David finished speaking, the bloodthirsty aura on his body continued to spread, covering the entire Kuchan Temple!

But just when David was about to do it, suddenly a thunderbolt in the sky hit a hall in the Kuchan Temple in an instant!

Immediately after that, from the hall, a breath shot straight into the sky, and soon in the air, a statue of Buddha appeared faintly!

David looked up at the air, his face instantly became solemn!
