

A Man Like None Other 2137 – 2138

Chapter 2137

At this time, David, holding the Dragon Sword, looked at Jue Yuan coldly: “I said, even if you are an old martial artist, I have killed you, but you are just a new martial arts god. , how could it be my opponent!”

David’s face did not show the slightest arrogance, his expression was very calm, as if he was stating a fact!

Ke Jueyuan doesn’t believe it at all. He doesn’t believe that David, a fifth-rank Martial Sage, can kill the Martial God. This is beyond his cognition range. This is impossible!

Unless David deliberately concealed his strength, it is almost impossible to hide the strength of the Martial God to the Martial Saint!

“Boy, don’t be mad...”

After Jue Yuan finished speaking, he suddenly grabbed his hands towards the void!

In an instant, countless belief powers appeared between heaven and earth, many of which were purple belief powers condensing towards the void in front of Jueyuan!

At this moment, those believers who were kneeling down not far away were constantly falling down, and the aura and the power of faith in their bodies were all absorbed by Jueyuan!

Even so, believers continue to die, but the rest of the people are still kneeling in place, reciting scriptures in their hearts!

When David saw this, his brows were tightly wrinkled together, and he suddenly roared: “Why don’t you leave quickly, why are you still kneeling and worshiping reverently?”

“This is a devil, not the god in your heart, and I didn’t see the people around you. Are everyone dead...”

David roared, hoping that these ordinary believers will leave here soon, or they will all die here!

“Hahaha, they won’t listen to you. These people are my most devout believers. Even if I let them die, they will not hesitate!”

Jueyuan laughed, and the power of faith in front of him quickly condensed into one. The purple long sword is condensed with the power of the most devout faith!

“If the believers like me are here, my power will be inexhaustible. Today I will let you taste my power!”

Jueyuan held a purple long sword and went straight to David!

David also used his breath to the extreme, and the indestructible golden body exuded a dazzling golden light at this moment, and then he also held the Dragon Slaying Sword and jumped up!

Shi Qingpei and his son hid far away, watching all this in surprise. Whether it was David or Jueyuan, the aura they exuded could easily make their father and son die!

Jueyuan was in the air, the purple long sword in his hand shook, and then a terrible breath spread out instantly!

This breath enveloped the Kuchan Temple, and then the entire Kuchan Temple was shaking, and the Buddha statues in the Kuchan Temple even began to move!

There are a total of twelve Buddha statues. At this moment, all of them are like coming to life, soaring into the sky and heading straight for David!

“Haha, boy, you’ve been fooled, I really thought I would hit you hard...”

Jueyuan laughed, and his body fell back to the ground instantly!

And the twelve Buddha statues directly surrounded David, and the power of the twelve Buddhas waved towards David together!

David snorted coldly, his face full of disdain, no matter how many Buddhas came, it would be useless!

But just when David was about to swing his sword to meet him, he suddenly felt a colicky pain in his abdomen, and then his spiritual power instantly dissipated, and there was no way to condense it!

Boom.....

David didn’t have time to dodge at all, and was directly hit by the power of the twelve Buddhas!

The undamaged golden body shattered in an instant, and the golden scales slowly disappeared!

And David’s body fell to the ground, directly smashing the ground into a deep pit!

David lay motionless in the deep pit, and the discomfort in his body still existed!

Qi sinks into his dantian, and after David took his spiritual power away for a week, he found out that it turned out that David had just absorbed the strength of enlightenment, and absorbed so much power of faith, gathered in the body, and did not have time to refine the body. Unwell!

Chapter 2138

At this moment, David remained motionless, and began to frantically turn his mind to concentrate, slowly refining it.

“Haha...hahaha...”

Jue Yuanjian David was motionless, he looked up to the sky and smiled, very proud!

And Liu Xing couldn't help but sighed and said: "This kid, in the realm of Martial Saint, actually forced Jue Yuan, this old bald donkey to use the twelve Buddhas of Kuchan Temple, and he has some skills!

"As soon as the Twelve Buddhas move, the Kuchan Temple of Jueyuan will no longer exist, and it will be necessary to go to another place again."

At this moment, Liu Xing can be regarded as a little recognition of David's strength!

After all, David was only a fifth-rank Martial Saint, and Jueyuan was indeed a Martial God. In the end, he used Kuchan Temple's unique trick, the Twelve Buddhas, to kill David!

"Brother, Master asked us to investigate the power of faith. Now that the person is dead, how can we investigate it?"

Liu Rui asked.

"Then take the body back and let the master study it..."

Liu Xing said.

Liu Rui nodded and said, "Okay!"

Then the two of them floated down towards the Kuchan Temple!

"Master, what should we do?" At this time, the people from the Tianlei faction asked Tong Yougong.

"Of course I'm going down. Even if I die, I have to take that kid's body away. It can attract such a huge power of faith. This kid's body must be different from ordinary people!

"Float down!

At this moment, Jueyuan is standing on the edge of the deep pit, looking at David who is motionless, his eyes are full of heat!

David has too many treasures. Although he is dead, those treasures will not disappear.

The most precious thing is the Dragon Slaying Sword in David's hand, which is a top-grade spirit sword!

"Uncle, is this guy dead?"

At this moment, Shi Yan came over, looked at David in the deep pit, and asked Jueyuan.

"Of course he died. Under the attack of the Twelve Buddhas, there is still no one who can survive!"

"I have used these twelve Buddhas twice. Forced to use twelve Buddhas."

"After today, Kuchan Temple will no longer exist, and I have to find another place!"

Jueyuan said with a sigh.

“Senior brother, hurry up and bring this kid’s body up. He has the secret order of our Bailian Pavilion on him, and many of our magic tools in the Bailian Pavilion have been stolen by him!

” It’s a storage ring, there will definitely be a lot of good things in it...”

Shi Qingpei urged Jue Yuan!

Jueyuan listened, just as he was about to jump out of the deep pit and pick up David’s body, he was attacked by a terrifying aura and blocked it directly!

“Master Jueyuan, stay safe...”

At this time, Liu Xing and Liu Rui had already landed in front of Jueyuan, and then said lightly.

Seeing this, Jue Yuan frowned slightly and said: “Liu Gongzi of Chunyang Sect, Miss Liu, I don’t know why you suddenly have time to come to my Kuchan Temple?”

“We are here for him...”

Liu Xing David pointed to the deep pit and said. This time, Jueyuan

felt bad, and asked carefully: “What? This David, does he still have a relationship with your Pure Yang Sect?”

Temple can compare.

Even the man, the woman, and the two young people in front of him, Jueyuan couldn’t afford to offend them. They were all martial gods, and he had just been promoted to the god of war!

It’s just that Jueyuan doesn’t understand, how could this hidden world sect suddenly follow David?

If it really does matter, now that he killed David, wouldn’t it be a dead end?

“There is no origin, we don’t know him, it’s just that this kid has attracted a lot of faith and was discovered by the respected master, so we sent us to investigate!”

“Now we are going to bring this kid’s body back to the respected master. Researched!”

Liu Xing said lightly.
