

A Man Like None Other 2143 – 2144

Chapter 2143

Liu Xing didn't say anything, but Tong Yougong laughed and said: "Jueyuan, you are only a new martial arts god, even if you are a bull and horse for our Tianlei faction, we will not look down on you. Ah, it's a waste of resources..."

Jueyuan heard this, although he was out of breath, but there was nothing he could do. He couldn't cope with a David, and he didn't dare to offend Tong Gonggong!

"Boy, since you are pressing step by step, don't blame me for perishing with you..."

Come on, Jueyuan suddenly sparsely crushed the Buddha beads in his hand, and Buddha lights slowly rose from the Buddha beads!

Looking at the Buddha lights, Jueyuan kept reciting scriptures in his mouth, and blood began to slowly seep out from his forehead!

"You want to burn blood essence?" Seeing this, David knew that Jueyuan was going to burn blood essence, and he was fighting with himself!

However, David would not give him this chance. If Jueyuan's blood was burned, David would not be able to absorb his strength.

David suddenly grabbed at Jueyuan with a claw, and a ray of Buddha light slammed into David's hand to stop David!

However, David didn't pause at all, grabbed Jueyuan's head directly, activated the Concentration Art, and the huge suction force immediately began to absorb Jueyuan's strength!

The slowly rising Buddha lights are all blazing towards David at this moment!

But David was indifferent, not even blinking his eyes!

These Buddha lights hit David like a tickling!

Jue Yuan's eyes were wide open, he looked at David in horror, and in the end, David drained his strength and turned into a mummified corpse!

Everyone who saw this scene frowned tightly!

Especially Liu Xing, his eyes flashed with murderous intent.

"This kid turned out to be an evil cultivator, no wonder the martial arts realm is so powerful..."

Liu Xing said through gritted teeth.

It can be seen that Liu Xing hated Xie Xiu to the bone, and Liu Rui's face was gloomy at this time, and his eyes were fixed on David!

I don't know what this pure Yangzong has to do with the evil cultivator!

Let the two of them hate so much!

On the other hand, Tong Yougong frowned slightly, with a somewhat complicated look in his eyes. David absorbed Jue Yuan's strength, which exceeded his expectations!

At this time, David felt the gazes from several people, but he did not look at them, but turned his head and left!

Because David can see that although these people are young, they are powerful, and each of them is in the realm of the god of war!

Entering the realm of the Martial God at such an age, and he is still unknown in the martial arts world, and David does not know him at all, which means that these people must be from the hidden world sect!

Now David doesn't know much about the Hidden World Sect, so he doesn't want to provoke them!

"Stop..."

But just as David was about to leave, Tong Yougong spoke up!

Then several men brought by Tong Yougong immediately surrounded David!

"What are you doing?"

David looked at Tong Yougong and asked.

"It's nothing, I just want to make friends with you. You just absorbed the strength of the old bald donkey Jueyuan, did you use the evil cultivation method?"

Tong Yougong asked David with a smile.

"No comment..."

David looked at Tong Yougong vigilantly and said.

"Hahaha, you don't have to be nervous. Even if you use an evil cultivation technique, so what? Cultivation is to increase your strength. You can do whatever you want. As long as you have strength, who cares what technique you use."

Tong Yougong laughed, stepped forward and patted David on the shoulder, as if he was trying to get closer to David!

It's just that David dodged gently, avoiding Tong Gonggong!

Tong Yougong was stunned for a moment, but he didn't get angry, but continued: "I admire you very much, you can send me back to Tianlei, if you have a talent like you, if you are alone, there is no development at all. "

"Tianlei faction?" David frowned!

He had never heard of the Tianlei faction in the martial arts world.

Chapter 2144

Seeing David's expression, Tong Yougong smiled and said, "You haven't heard of our Tianlei faction, but I believe you must know the hidden world sect, your current ability is also in the martial arts world. It's one of the best, so many people must be looking forward to that horse..."

"But your martial sage's strength, in our Tianlei faction, is only the worst disciple, look at them, which one is not higher than you? "

Tong Yougong pointed at the disciples of the Tianlei School surrounding David.

The strength of these Tianlei Sect disciples is indeed not low. The worst is the strength of the peak of Wu Sheng, which is also higher than David!

"But you don't have to be discouraged. You rely on the strength of Martial Saint to kill Jue Yuan, the old bald donkey who has just been promoted to the Martial God. This proves that you are very capable. Our Tianlei School welcomes a talented person like you!"

Tong Yougong is constantly throwing olive branches to David!

"I'm sorry, I have other things to do, and I don't want to join any Tianlei faction..."

David shook his head, turned around and wanted to leave!

However, several disciples of the Tianlei faction blocked the way and did not intend to let David leave!

"It's not a question of whether you want it or not, because no one can refuse our Tianlei faction. I'm not discussing with you, it's an order..."

Tong Yougong said very domineeringly.

David frowned: "What if I insist on not going with you?"

"Then I will break your leg and carry you away..."

Tong Yougong said without hesitation.

"Just because you don't have that ability..."

David's eyes narrowed, his body exuding bursts of fighting intent!

"Hahaha...hahaha..."

"You frog at the bottom of the well, wouldn't you think that if you killed a Jue Yuan, you would feel invincible in the world, right?"

"That is far from a new Martial God. He doesn't even have the power of a real Martial God. Today I will show you what the power of a Martial God is..."

After speaking, Tong Yougong slowly raised his arm, that is With this slight lift, a powerful breath burst out instantly.

The terrifying breath rolled towards David like a wave, rushing endlessly...

David suddenly felt that the surrounding air seemed to be condensed, and even the void seemed to be distorted!

David's face changed slightly, as if several mountains were pressing on David's body!

Pfft.....

David gritted his teeth and knelt on one knee on the ground, the bones on his body clucked, the skin on his body became blood red, and the huge pressure made the blood begin to penetrate the skin!

David's breathing became rapid, and the cold sweat on his forehead was constantly falling!

Seeing David like this, Tong Yougong raised the corner of his mouth slightly, his eyes full of disdain!

A Martial Saint is a Martial Saint, no matter how high the talent is, there is no way to fight against the real Martial God!

"Remember, I don't care how high your status or reputation is in the martial arts world, but in the eyes of our Hidden World Sect, it's all trash..."

Tong Yougong said contemptuously.

David didn't say a word, lowered his head, and the cold sweat kept dripping down!

"How about it? Follow me obediently, or let me break your leg?"

"You can choose the second choice..."

Tong Yougong said to David.

"If, I don't choose anything..."

David raised his head suddenly, and then a powerful breath burst out from David's body!

Tong Yougong was stunned for a moment. He didn't expect David to be able to emit such a powerful breath under his own suppression!

But just as he was stunned for a moment, David had already punched a holy light fist and smashed a disciple of the Tianlei School into the air.

Just now, David was deliberately showing weakness, letting Tong Gonggong relax his vigilance, and then find an opportunity to escape!

Although David was not afraid to fight with Tong Yougong, Tong Yougong also brought several Tianlei disciples. If these people went together, David would not be an opponent.

What's more, there are two people, Liu Xing and Liu Rui, who are looking at him with murderous intent. David doesn't know what these two people are doing, so he can only find a chance to escape!
