

A Man Like None Other 2145 – 2146

Chapter 2145

“Damn, chase me...”

Tong Yougong shouted angrily, and led people to chase David!

“Brother, what should we do?”

Liu Rui asked Liu Xing.

“We are also catching up. We can’t let the Tianlei faction take this guy away. This guy is an evil cultivator. If he is taken away by the Tianlei faction, the Tianlei faction will definitely use him.”

“We can’t let the evil cultivator revive...”

After Liu Xing finished speaking, he flew directly with his sword and chased after David!

David was in his dantian, and his spiritual power was condensed on his feet. His whole body was like lightning, and he ran forward rapidly!

David’s speed is fast, but Tong Gonggong’s speed is not slow, and soon catches up behind David!

“Boy, the person that my Tianlei faction likes is your creation. What are you running for?”

“As long as you are obedient, my Tianlei faction will never embarrass you.”

Tong Yougong faced Chen from behind . Ping persuaded!

The reason why he took David away was to study David and to know what method David used to attract such a huge power of faith!

There is also the evil cultivation kung fu practiced by David, which can absorb the strength of others to improve himself. This kind of kung fu is also what Tong Yougong wants!

“I said it, I don’t care about it at all.”

David ran forward with all his might, not believing what Tong Gonggong said at all!

“Hmph, as a Martial God, it would be a joke if I was escaped by your little Martial Saint.”

After Tong Yougong finished speaking, he jumped and fell directly in front of David, blocking David. Flat way.

Seeing this, David could only stop and look at Tong Gonggong vigilantly!

At this moment, the other disciples of the Tianlei faction also caught up and surrounded David!

David glanced at it and knew that it would be difficult for him to escape today, so he said coldly, "As a hidden world sect of yours, would you bully the less with more?"

"If you have the guts, the two of us will fight alone."

David knew that he could not escape, there was only one battle, so he wanted to stimulate Tong Yougong and let him fight alone with him!

If Tianlei sent these people together, David would not have the slightest chance of winning!

"Hmph, to deal with you, why should I bully the less, I am enough."

Tong Yougong snorted coldly, and then said to his subordinates: "You all step back and let me subdue this kid."

All the disciples of the Tianlei School ordered He nodded, and then stepped aside. Seeing this, David directly took out the Dragon Slaying Sword, activated his undamaged golden body, and exerted his breath to the extreme!

The Dragon Slaying Sword kept buzzing, a phantom appeared, and the sword spirit was also summoned by David!

Facing Tong Yougong, David knew that he had to go all out, and it would be best if he could defeat the enemy with one move!

Tong Yougong looked at the Dragon Slaying Sword in David's hand, his eyes full of greed.

"You kid is not very strong, but you have a lot of treasures on your body, but these treasures will soon be mine."

After speaking, Tong Yougong suddenly rushed towards David, and the speed was extremely fast.

David only felt that the figure flickered, that Tong Yougong had already arrived in front of his eyes, and the speed was astounding.

David's instinctive sword swung out, the sound of dragon chants sounded, and the terrifying sword light shot out instantly!

Facing David's sword glow, Tong Yougong didn't dodge or dodge, but kicked out quickly!

With this kick, I saw a group of condensed energy like a cannonball, slamming into the sword light fiercely!

boom!

There was a violent explosion, and the scattered aftermath instantly stirred up a burst of rubble!

On the other hand, David took a few steps back, and the hand holding the Dragon Slaying Sword was trembling slightly!

Tong Yougong fell in front of David, with a sneer on the corner of his mouth!

David frowned slightly. He is now holding the Dragon Slaying Sword and even sacrificed the sword spirit, but he has fallen behind. It can be seen that this Tong Gonggong's strength is really amazing!

Chapter 2146

"Today, I will show you the strength of the real Martial God..."

After speaking, Tong Yougong's body jumped up again, his feet turned into afterimages, and countless energy was like a cannonball. In general, whistled towards David!

"Nine Shadow Swordsmanship..."

David looked at the energy that filled the sky, waved the Dragon Slaying Sword in his hand, and countless sword shadows exuded golden light in the sky!

One , two, three...

A full six figures of David appeared, and each figure exuded a terrifying aura, and the six figures waved their swords at the same time, blocking the energy of the sky!

Bang bang bang... The

void trembled, the explosions continued, and the world seemed to tremble at this moment!

On the top of the mountainside, the rocks were flying, and the terrifying power forced the collapse of the mountainside into a deep pit!

In the blink of an eye, Tong Yougong kicked countless feet!

And David also relied on the Nine Shadows swordsmanship to wield countless sword beams!

Jianmang and strength collided in mid-air, making an explosion!

Liu Xing, who was not far away, saw this scene, and his face became a little ugly!

"I didn't expect this kid to rely on Wu Sheng's strength to fight so fiercely with Tong Yougong..."

Liu Xing didn't think that David, a Wu Sheng, was able to fight with Tong Yougong!

In his opinion, as long as Tong Yougong really makes a move, David is afraid that he won't be able to take a single move!

But now, looking at the fight between the two, David's strength is not inferior to himself.

Liu Xing's battle with Tong Yougong was not so intense, and after only a few moves, Liu Xing was defeated!

"This guy's swordsmanship is so strange. Those figures don't look like illusions. Every figure has an aura."

Liu Rui looked at David's useful nine-shadow swordsmanship, and asked very strangely.

"This kid is a little strange, and I don't know how he has such strength at such a young age."

"And the sword in his hand is obviously not a mortal thing, and the sword spirit has awakened."

"I still I really don't know, when did such a person appear in the martial arts world?"

Liu Xing also felt very strange.

"Senior brother, is it possible that this person came out of the secret realm?"

Liu Rui asked.

"Impossible. Although there are many masters in the secret realm, the mundane world they come from cannot exert their real strength at all, and the mundane world suppresses them."

"Otherwise, do you think we are hidden martial arts families, Is there such a relaxed and comfortable cultivation environment?"

"A lot of resources have been taken away by those families in the secret realm, and your cultivation will not be so fast."

Liu Xing shook his head and said.

"Master said that we are on an equal footing with those families in the secret realm. In the end, we will return to another way, and we will embark on a path of cultivation."

Liu Rui looked at Liu Xing and said inexplicably.

"Hey, how can it be so easy, if it's so easy, Master doesn't have to be unhappy every day."

Liu Xing sighed!

Just as the two were talking, the deafening roar had stopped, and the smoke and dust slowly dissipated!

Tong Yougong looked at David coldly!

At this time, David looked a little embarrassed. Although he used the Nine Shadows Sword Technique, he still suffered a few kicks.

"It's really interesting that a guy from the realm of Martial Saint can actually block my blow."

“What sword technique did you just use, you can instantly transform into five identical yourselves?”

“Yes, it’s not an illusion. , because those figures have offensive power, so it seems that you have a lot of secrets.”

“It seems that I want to bring you back to Tianlei School.”

Tong Yougong looked curiously in his eyes. David, now he really wants to thoroughly understand David!

David looked at Tong Yougong with sharp eyes, he knew that if he wanted to win, he had to use some means!
