

## A Man Like None Other 2147 – 2148

### Chapter 2147

I saw David waving it gently, and the Dragon Slaying Sword disappeared, along with a few figures!

Seeing that David put the sword away, Tong Yougong smiled lightly: “What? I understand. You want to follow me?”

“It is impossible to follow you unless you carry me...”

David said After that, a light flashed on the right hand.

“Hahaha, even if you use a weapon, you are not my opponent. Do you still want to defeat me with your bare hands?”

Tong Yougong laughed and didn’t care!

“Holy Light Fist...”

David shouted angrily, and then the light in his hand became as dazzling as the sun!

Immediately after that, a punch hit Tong Yougong, and the overwhelming force made the entire void distorted and deformed!

Tong Yougong just raised his hand slowly, a surging force in his body condensed in his hand, and directly grabbed David’s fist!

Bang.....

a muffled sound, David’s punch was directly caught by that Tong Yougong.

“Just this little skill, don’t resist...”

Tong Yougong raised the corner of his mouth and looked at David contemptuously!

But David didn’t seem to be surprised, he never thought that this punch could knock down Tong Yougong!

Just when Tong Gonggong was paying attention to David, suddenly on his side, a ray of light flashed!

The Dragon Slaying Sword that had disappeared appeared, and it slashed at Tong Gonggong’s arm with one strike!

Tong Yougong frowned and retreated suddenly.

However, this sword still slashed on Tong Gonggong’s arm, causing the blood on Tong Gonggong’s arm to flow out instantly!

David was very annoyed when he saw this. He thought that this sword could cut off Tong Yougong's arm. Now it seems that the strength of the sword spirit is too weak!

Looking at his injured arm, Tong Yougong's anger burned.

"Boy, I don't have the patience to play with you anymore..."

After Tong Yougong finished speaking, bursts of green light radiated from the wound, and the wound healed quickly under the green light!

David looked at it in disbelief, he really didn't understand what kind of ability this Tong Gonggong was!

"I heard that the Tianlei faction violated the law and secretly used genetic technology, and now it seems to be the case..."

Liu Xing looked at Tong Yougong's self-healing wound, and said with a gloomy expression!

"Senior brother, I have to report this matter to my master. I heard what my master said. If you violate the rules, you will suffer a catastrophe."

"Maybe, then our entire martial arts world will suffer."

Liu Rui's face said worriedly.

Liu Xing nodded, his eyes staring at Tong Gonggong.

At this time, the anger on Tong Yougong's body was already burning, and his hands were like eagle claws, shining with silver light!

A sharp breath is constantly rising!

"I will make you pay the price..."

Tong Yougong's voice fell, and the whole person instantly disappeared from David's eyes!

David frowned, and then he waved back the Dragon Slaying Sword in his hand!

Dang.....

The Dragon Slaying Sword seems to have chopped something hard, which directly shook David's hand to the point of numbness!

Before David could see clearly, he only felt a strong wind blowing!

Immediately after that, David's body flew upside down, David's indestructible golden body instantly shattered in front of his chest, and blood flowed out immediately!

Looking down at the wound on his chest, David's face became even more solemn!

You must know that his indestructible golden body is extremely hard, even if there is no indestructible golden body protection, his physical body cannot be broken by anyone.

But now that Tong Gonggong kept breaking his indestructible golden body, even his physical body was broken!

"What a hard body, it just scratched a layer of skin..."

Tong Yougong was a little surprised, but as soon as he stepped on the ground, his body instantly moved towards David!

To deal with a Martial Saint, Tong Yougong has attacked several tricks one after another, which has made him impatient for a long time!

### **Chapter 2148**

Tong Gonggong's speed was so fast that a huge air current was set off, sweeping like a hurricane!

One after another terrifying energy roared towards David!

"Nine Shadow Swordsmanship..."

David saw this and performed the Nine Shadows Swordsmanship again!

The power of the dragon was running wildly in David's body, and the dragon crystal on his chest also burst into a dazzling light at this time!

Countless sword beams were instantly cut out from the Dragon Slaying Sword!

In mid-air, Jianmang and strength collided constantly, and from time to time there would be missing strength, hitting David ruthlessly!

David gritted his teeth and persisted!

At the same time, one after another sword light also passed through the energy and hit Tong Yougong's body!

What Tong Yougong thought was a crushing battle turned into a life-threatening battle!

Soon, the smoke dissipated, and David and Tong Gonggong stood side by side!

David's body was already covered with scars, blood was constantly spilling from the corners of his mouth, and Tong Yougong's clothes were also tattered, some scars were emitting a faint green light, and the wounds were quickly repaired!

Obviously, Tong Yougong was not seriously injured, but for Tong Yougong, it was humiliating enough. Dealing with a Martial Sage turned him into what he is now!

“Boy, I’m getting more and more curious about you. You are the first to force me to be like this, and you’re only a Martial Saint.”

Tong Yougong said as he walked towards David.

Tong Yougong’s body exudes a terrifying aura, which wraps David and makes David lose his ability to move!

“Senior brother, this guy is going to be taken away by Tong Yougong, what should we do?”

Seeing this scene, Liu Rui asked Liu Xing.

“Let’s start, I’ll hold that Tong Yougong for a while, you take that kid and leave quickly, you mustn’t let this evil cultivator fall into the hands of the Tianlei faction.

” In the future, even those of us who are hidden from the world will not have a quiet life.”

Liu Xing said to Liu Rui.

“Senior brother, you...”

Liu Rui wanted to say something, but suddenly found that David, who had been suppressed by Tong Yougong and couldn’t move, was burning with flames at this moment!

Under the crimson flames, David actually slowly raised the Dragon Slaying Sword!

The sky-high sword energy suddenly erupted!

Tong Yougong was stunned, with a surprised expression on his face. He never thought that David, who was injured so badly, would be able to escape the suppression of his own breath and exude such a terrifying sword aura!

“How is that possible? This kid even has the power to fight back?”

Liu Xing’s eyes widened, looking at David in disbelief.

You must know that he couldn’t last so long in Tong Yougong’s hands, and even suffered such a serious injury, I am afraid that he has long lost the strength to resist!

But now David still has the ability to resist!

Obviously Liu Xing’s strength, if you look at it this way, there is no Davidqiang at all, but David is obviously only the realm of Wu Sheng!

At this moment, Liu Xing was confused!

Originally, he looked down on David at all, but at this time he had to admit that David's strength was indeed stronger than himself!

The strength shown by a Martial Saint is even stronger than that of a Martial God!

Liu Xing's cognition is being greatly impacted, he doesn't understand what is going on in the end!

"I didn't expect you to have the ability to resist, this time I will make you give up completely..."

Tong Yougong's hands slowly waved in the void, and a faint light began to appear, and then it became brighter and began to spin!

The terrifying breath is accelerating with the strong wind!

At this time, in front of David's eyes, there seems to be a spinning sun, and the endless power seems to be swallowing everything!

"Senior brother, is Tong Yougong motivated to kill? How can such a powerful move be used."

Seeing this, Liu Rui asked in confusion.
