

A Man Like None Other 2149 – 2150

Chapter 2149

You must know that what Tong Gonggong wants is to bring David back to the Tianlei faction alive, because only David is alive and is most valuable to them!

“It shouldn’t, but his move is really powerful. I don’t know if this kid will die!”

Liu Xing said slowly.

And David felt that vast power, holding the Dragon Slaying Sword tightly in both hands!

A wave of divine dragon power continuously poured into the sword body!

The dragon roar sounded, and a golden dragon circled behind David!

All the spiritual power in the dantian was released by David. After this blow, no matter whether he wins or loses, David has no ability to resist!

Along with David’s low roar, the sword glow on the Dragon Slaying Sword soared.

A golden sword beam shot out from the Dragon Slaying Sword, forming a huge golden giant sword!

Boom.....

The giant sword was cut down, and the ball of light in Tong Yougong’s hand was instantly thrown!

With a loud bang, these two breaths collided fiercely!

A large amount of energy spread out, and the surrounding Tianlei Sect disciples all looked painful, resisting this aura!

Even Liu Xing Liu Rui in the distance was affected by the aftermath, and his body swayed a bit, almost falling from the flying sword!

David’s body, like a fallen leaf, fell to the ground ruthlessly, and the wounds on his body continued to bleed!

And that Tong Gonggong is not much better at this moment, the whole person is like a beggar, kneeling on one knee, and green blood is dripping from several wounds on his body!

This time, the speed of Tong Yougong’s wound recovery was significantly slower!

“Master...”

After the aftermath, the disciples of Tianlei hurriedly rushed in front of Tong Yougong!

Tong Yougong took a deep breath and stood up slowly, looking at David lying on the ground with an incredible expression in his eyes!

“How could this be? This kid must have a secret. I want to transfer all his abilities to myself.”

“Go and catch him and bring him back to the Tianlei faction.”

Tong Yougong confronted several Tianlei factions. the disciple said.

At this moment, David’s body is extremely weak, but he still propped up the ground with his sword, stood up slowly, glared at Tong Yougong and said, “As a person from the Hidden World Sect, you didn’t keep your promise. You said that you would not bully too much. Little.”

“If we have the ability, the two of us continue...”

David wanted to raise the Dragon Slaying Sword, but now he doesn’t even have the strength to lift the Dragon Slaying Sword!

“Hmph, you only have one breath left now, even an ordinary person can easily kill you.”

“When I bring you back to the Tianlei faction, I will study you carefully, why are you a Martial Saint, It can make me so embarrassed.”

After Tong Yougong finished speaking, he waved his hands, and several Tianlei disciples stepped forward and arrested David!

David did not resist, because he did not have the strength to resist.

“Stop...”

At this time, Liu Xing and Liu Rui Yujian flew, and then jumped down!

Seeing Liu Xing and Liu Rui, Tong Yougong’s face became very ugly!

He forgot about these two!

“Liu Xing, what do you want to do?”

Tong Yougong took a deep breath and asked calmly.

“Tong Yougong, you can’t take this person away, we have to take it back to Chunyang Sect.”

Liu Xing said bluntly.

“I caught this man, why should I let you take it away?” Tong Yougong asked.

“There is no reason, I just want to take it away.”

Liu Xing said coldly.

This time, Tong Yougong's anger is not light, I saw Tong Yougong's face grim, gritted his teeth and said: "Liu Xing, are you planning to rob it?"

"I can tell you, with your ability, you can still Not my opponent."

After listening to Liu Xing, he raised his mouth and said: "Don't talk big, now you are injured, I can destroy you with just one hand.

"The genius of the door, now being beaten like this by a Wu sage, you still have the face to say?"

Chapter 2150

Liu Xing's words deeply hurt Tong Yougong, only to see Tong Yougong's breath burst out, glaring at Liu Xing: "Liu Xing, if you dare to rob people, believe me or not. The Tianlei faction directly wiped out your Pure Yang Sect." "As far as your Pure Yang Sect's strength is concerned, it will only take a few

minutes to destroy you."

If you want to study the methods of evil cultivation, if these are spread, other hidden world sects will not sit idly by, right?" Liu Xing said impatiently.

Tong Yougong frowned and stared at Liu Xing: "Aren't you really afraid of Yin Qi's confrontation between our two sects?"

"I devote myself to cultivation, but I always want to engage in some wicked ways, if you take this cultist away today, it will be the greatest shame of my Pure Yang Sect!"

"Bah, stop talking big. You took advantage of my injury and jumped out now. What's the difference between you and a despicable villain? Don't make yourself dignified." Tong Yougong spat fiercely.

Liu Xing shot his sword suddenly, pointed at Tong Yougong and said, "Give the person to me, get out of here now, and save your life."

"If you don't give him, then don't blame me for being rude, just You are now seriously injured, and you are not the opponent of our brothers and sisters!"

Liu Xing was full of murderous aura, and he was about to start!

Seeing this, Tong Yougong knew that if he really did it, he would definitely suffer a loss. He gave Liu Xing a vicious look and said: "Liu Xing, wait for me, this matter is not over, your Chunyang Sect is considered to be arguing with us Tianlei. Got on..."

After speaking, Tong Yougong waved his hand and said, "Let's go, let's go..."

Soon, Tong Yougong took the people away, while David suddenly spit out a mouthful of blood, his expression instantly dispirited, fainted in the past!

“Senior brother, will he die?”

Liu Rui asked when he saw this.

Liu Xing glanced at it and said, “I can’t die, I just fainted. We should go back and meet.”

After speaking, Liu Xing picked up David with one hand, and then Yu Jian flew towards Chunyangzong!

“Senior brother, he is now seriously injured again. If you carry him like this, will he die halfway?”

Liu Rui asked, seeing Liu Xing as if he was carrying a chicken.

“Junior sister, this guy is Xie Xiu, how can you still sympathize with him? Even if he is dead, he deserves it.”

Liu Xing hated Xie Xiu to the core. If he didn’t want to go back for business, he would have killed David directly. !

“Senior brother, that’s not what I meant, I just think that if you die, it’s hard to explain it

to Master when you go back!” Liu Rui hurriedly explained!

.....

The Chunyang Sect, Yue Buqun, the sect master, is explaining the cultivation method to his disciples!

Two figures then fell in front of Yue Buqun, it was Liu Xing and Liu Rui who had returned!

“Master, the power of belief just now was made by this kid...”

Liu Xing threw the unconscious David in front of Yue Buqun!

Yue Buqun frowned slightly when he saw David who was seriously injured: “You injured the person?”

“Master, it wasn’t the brother who injured him, but that Tong Gonggong.”

Liu Rui hurriedly explained.

Because of the rules of Chunyang Sect, disciples are not allowed to compete outside, hurt others at will, and cause disputes.

As a hidden world sect, what you have to do is to practice low-key, break through as soon as possible, and you can step into the ranks of immortals!

“Tong Yougong beat him? Is this person still involved with Lei Pai that day?”

Yue Buqun asked in confusion!

Seeing this, Liu Xing hurriedly followed Yue Buqun to repeat it carefully, and even described David as a heinous evil cultivator!

After Yue Buqun heard this, he looked at David in disbelief!
