

The Amazing Son In Law Chapter 111-120

Chapter 111

Qin Gang smiled respectfully and said, "Mr. Ye, thanks for your great kindness to the Qin family. Today is a bit rushed, and it is too late to prepare. Can I invite Mr. Ye to come to the Qin family tomorrow? Host a banquet at home to entertain you personally, to thank you for your great kindness."

"No, I have something else."

Marven shook his head coldly, and said, "Today's affairs, I think you did more of good deeds. I don't want to be too public, understand?"

Qin Gang was taken aback, and nodded again and again: "Qin understands! Mr. Ye will be useful to the Qin family in the future, just come to Qin."

After speaking, he quickly handed over a gold-plated business card with his personal mobile phone number on it.

Marven took it without looking, turned around, and took the Old Master to leave.

And Qin Gang kept watching the two of them disappear before glaring at Steven and said angrily: "From now on in Wrestrvel when you see Mr. Ye, you will bow respectfully and say hello to him, and don't cause me trouble again!"

Steven said aggrieved: "I didn't know that going to the street to buy something can offend a master."

Aoxue on the side gritted her teeth as she watched Marven's departure.

Although she admired Marven very much, she obviously still remembered Marven kicking her a** in her heart.

For a proud girl, this kind of thing is simply unforgivable.

Qin Gang sighed and comforted her: "Girl, don't retaliate against Mr. Ye, now our whole family is counting on Mr. Ye"

"Can he really help?" Steven mumbled.

Qin Gang scolded, "If you talk nonsense, I will break your leg!"

Steven shrank his neck, not daring to say more.

Aoxue stomped her feet bitterly, and said, "I know Dad, I will not provoke him."

The thought of her body still aching, she felt angry and uncomfortable.

"It's a pity," Qin Gang sighed, shaking his head.

Aoxue asked in surprise: "What a pity?"

Qin Gang glanced at her and said, "Unfortunately, Mr. Ye is already married. Otherwise, I think you two becoming good friends."

"Dad! What are you talking about!" Aoxue was so embarrassed and annoyed

On the way back, Dave was still very surprised.

The dignified Qin Patriarch is so respectful to his live-in son-in-law!

"Marven, are the things you told Qin Gang true?"

Dave doubted that his son-in-law was becoming more and more like a liar.

Marven chuckled and said, "It's a half-truth, half-truth, don't all scammers like to play tricks!"

After hearing this, Dave was shocked and reprimanded in a panic: "f*ck, you dare to lie to the Qin family, and you have received such an expensive bracelet. What if someone finds it turns back and reveals it? Won't they ruin our home!"

Marven shook his head and said, "It's not a big deal, you can return the bracelet to them, there is a rule of law, can they still kill me?"

Dave sighed and sighed. Obviously, he was worried, but after thinking about it, there was no other way. He could only take a gamble. Maybe Marven's quack trick was really effective?

After returning home, Marven went into the bedroom and took out the "Safety and Wealth" stone he had received from Ervin Jones.

And at this moment, Marven suddenly felt that surging energy penetrated into his body from the stone.

Marven suddenly felt warmth, and the entire chest and belly were uncomfortable.

Soon, layers of sweat, mixed with black impurities, were discharged from the body, and the body was extremely relaxed.

Chapter 112

After a while, Marven felt that there was a burst of energy in his body running through the veins.

This is aura!

When he looked at the stone again, Marven found that the stone had already contained aura, just like an ordinary stone.

Marven ran the cultivation method recorded in the Nine Profound Heavenly Scriptures, and couldn't draw aura from it.

Marven could only put the stone back in his pocket. Intuitively, he felt that this thing was extraordinary, but since he couldn't study it at this time, he could only wait until his cultivation level was improved.

Feeling sticky all over, Marven hurried to take a bath. When he finished the bath, it was already over 5 in the afternoon.

Avella called him.

On the phone, Avella told Marven that she was discussing project details at Emgrand Group. The BMW 760 modified 520 Marven bought for her happened to be restricted today. She didn't drive and wanted Marven to drive her 530. The Emgrand Group picked her up.

Marven was naturally obliged to call his wife.

So he immediately asked the old man for the car key, went downstairs, and drove to the Emgrand Group.

After arriving downstairs, Marven took out his mobile phone and dialed Avella.

Avella did not answer but quickly replied to him on WeChat.

"Marven, I'm still in a meeting with the project team. You can wait for me downstairs for a while. Thank you."

"Okay, then I will wait for you downstairs."

After Marven responded to Avella, he smoked outside the car while waiting.

At this time, Lori, the vice-chairman of the Emgrand Group, called him and asked: "Mr., have you been to the Emgrand Group?"

Marven asked curiously: "How do you know?"

Lori said, "I'm in my office, so I can see your car."

Marven raised his head and glanced, then smiled: "Are you looking for something to do with me?"

Lori said: "The young lady is still in meetings, and it may take a while, so I want to ask if you have time. If you have time, I would like to report to you about recent work."

Marven thought for a while. He hasn't taken care of the Emgrand Group's affairs recently, so he can't be ignorant of it for too long, so he said: "Hmm, you wait, I will come up."

Lori said: "Then go directly to your office, and I will report to you in your office."

"That is what I am doing."

After hanging up the phone, Marven stepped into the building, got on the elevator, and went straight to the chairman's office on the top floor.

When he walked out of the elevator door and headed for the office, a door behind him suddenly opened.

Elsa was planning to go to the bathroom at this time, but she didn't expect to see a familiar back when she left the house.

She didn't recognize that this figure was Marven, but felt that this figure was very similar to the god-level rich on YouTube!

Could it be that the chairman I have always wanted to meet finally came?

Elsa became excited immediately!

After all, the fundamental purpose of coming to Wrestrvel and Emgrand Group is to get close to the mysterious chairman, and then work hard to make herself his woman. In this way, the entire Dong family can be improved.

This is the mission that the entire family entrusted to her, and it is also the sustenance of the entire family in the future.

However, Elsa is also very depressed. She has been here for so many days, and she hasn't even seen the chairman's face. How can she develop a relationship with the chairman in a longer-term direction?

So now seeing the back of the chairman, Elsa is very excited!

She hurriedly walked a few steps, followed Marven, wanted to catch up to say hello, and then introduce herself!

Chapter 113

Marven heard the footsteps behind him, and the left light swept across the glass beside him, and suddenly realized that Elsa was behind him!

bad!

If Elsa is allowed to recognize him here, she will definitely think of him as the chairman of the Emgrand Group!

She might even think of him as the Ye Family's Young Master!

This is terribly bad!

So, seeing Elsa want to catch up, he quickly speeded up, stepped into the chairman's office, and locked the door.

Elsa didn't expect that the other party would suddenly speed up, and when the reaction came to chase, the other party had already entered the office.

Seeing Marven entering the office, Elsa was disappointed and muttered in a low voice: "Weird, why does this chairman seem to be hiding from me on purpose?"

Thinking of this, she still didn't give up, went to knock on the door, and said: "Hello, chairman, I am the new administrative director Elsa, I want to report to you."

Marven deliberately lowered his voice and replied: "Have you reported to Lori? The company does not allow leapfrog reporting, don't you know?"

"Sorry, Chairman, I forgot"

Elsa was frightened and nervous, and thought: "This chairman is so fierce, is he angry at her leapfrog report, or doesn't want to see her at all?"

However, Elsa didn't dare to stay at the door of Marven's office and had no choice but to leave.

Marven heard Elsa's footsteps getting farther and farther, and finally heaved a sigh of relief.

She almost recognized him, it was really dangerous!

He will have to think before coming to the Emgrand Group in the future, and Elsa is now the executive director of the Emgrand Group, and the office is on the same floor as herself.

In this way, the chance of being hit by her is too great.

It happened that Lori came over to report to him at this time.

Marven said to her, "Lori, you can arrange something for me."

Lori nodded: "Master, name it."

Marven said, "You help me change Elsa's position."

After speaking, he asked: "In our company, what position does not need to stay in the office all the time?"

"Sales, business." Lori replied: "These two positions often have to go out for business, basically not in the company."

"Okay." Marven nodded and said: "Then transfer her to be the sales director."

"No problem, I'll start arranging when I go back later." Lori agreed.

Subsequently, Lori and Marven discussed the company's recent situation.

Now, the new six-star hotel project of Emgrand Group has started, the site is located at the foot of Tueten Mountain, with beautiful scenery and an elegant environment.

After this hotel is completed, it will become the first six-star hotel in Wrestvel, which is extremely luxurious.

The hotel-related business is progressing very smoothly. It is expected to be completed within two years and be put into use in two and a half years' time. By then, the income ability of the Emgrand Group will rise to a new level.

Marven instructed her: "If my wife does a good job and has the leisure ability, you can allocate more business to her."

Lori immediately said: "You can rest assured, Master, I will definitely!"

Seeing that his wife was about to finish the meeting, Marven said to Lori: "You go and call Elsa to your office now, I'll take the opportunity to leave."

Lori nodded hurriedly, returned to her office, and called Elsa.

Chapter 114

Hearing that Lori had something to do with her, Elsa went to her office immediately.

At this time, Marven quickly went downstairs.

As soon as he went downstairs, he saw Avella walking out with a tired expression.

Avella was obviously exhausted from the cooperation, and said helplessly: "There are so many things now, I can't be too busy."

Marven asked distressedly, "Should I divide the work? Or you just don't do it."

"That won't work." Avella said: "It hasn't been long since I became the director, and my foundation is not stable. I must work hard, otherwise, my cousin will definitely get in."

Thinking of Jay, Avella couldn't help but feel annoyed. This person is particularly annoying, always opposing her, and always likes to do things that hurt others and put them at disadvantage.

On the way back, Avella closed her eyes in the car, and Marven focused on driving without disturbing her.

At this moment, in Lori's office.

Lori informed Elsa of the new appointment.

Elsa was a little surprised.

It hasn't been long since she accepted the job of Chief Executive Officer, and now getting transferred to sales. Why?

Lori explained to her: "I think you are very capable, and you are too talented to do administrative work in the company, and I looked at your resume. Your university studies are business management and marketing, and sales are the best. Suitable for your position, and sales are more important to the company. If you do this job well, you will have a better future!"

Lori didn't talk nonsense.

Sales positions are much more important than the administration.

Sales is the department where the company really pays.

The administration is a steward of the company, who is in charge of trivial matters.

Elsa didn't think too much, but instead felt that if she could do a good job in sales and bring actual profits to the company, then the chairman of the board should pay more attention to her in the future!

So, this is a good thing for her!

Out of Lori's office happily, the first thing Elsa did was to call her good girlfriend Avella.

As soon as the phone connected, she said excitedly: "Avella, I have been transferred to the sales director!"

"Really?" Avella got excited all of a sudden, and said: "This is really great! You are a sales talent, and you are too talented to be an administrative officer! Now you have more room to play and can make great achievements!"

"Hehe!" Elsa was also very happy, blurting out: "Why don't we have dinner together to celebrate? You call Marven as well."

Avella said with some embarrassment: "We are both getting home now. To be honest, I am really tired today. Can I get a rain check?"

Elsa knows that Avella has been working hard recently, so she hurriedly said, "Hmm! You have been working too hard lately. You work overtime frequently for meetings, so go back and have a good rest. Let's get together after you finish!"

"Okay." Avella said, "When I finish my work for a while, let's hang out together!"

Elsa smiled and said, "That's a deal!"

Hanging up the phone, Elsa felt a little lost.

She doesn't have any real friends in Wrester, the only good friend is Avella.

Now she moved to the position of sales director, the stage was bigger, it was a good opportunity to prove herself, but she couldn't find a person to celebrate it with.

Just as she sighed and sighed, the phone rang suddenly.

It turned out to be Jay who called!

Chapter 115

Seeing Jay was calling, Elsa didn't want to pick it up.

She didn't have a good impression of Jay, and she could see that Jay's motive was nothing more than to get close to her and achieve the purpose of attracting her.

However, she really didn't have any interest in such people, so she hung up the phone directly.

But Jay persevered. After a few consecutive times, Elsa reluctantly picked it up and asked coldly: "Jay, are you okay?"

Jay hurriedly said, "Elsa, I heard that you were transferred to the sales director?"

Elsa asked in surprise: "Wow you are so well informed?"

Jay smiled and said, "I happen to have a few friends working in your Emgrand Group. They said they had received new appointments from the company, so they told me."

"Yeah." Elsa said: "I am now the sales director."

"Congratulations! Congratulations!" Jay said excitedly: "This position is with real power, and there is a lot to do! You are really lucky this time!"

Elsa said lightly: "Thank you."

Jay said again: "Elsa, you see, you have been in Wrestrvel for some time, the previous time in Classic Mansion, the trouble was quite unpleasant, in order to express my apology, I want to invite you to dinner again, just today You have moved to the post of sales director again. It is a happy day. It should be celebrated. What do you think?"

Elsa said, "But I might have to work overtime tonight"

Jay said: "Elsa, this happy event is to be celebrated in time. Otherwise, you won't feel this joy tomorrow. You don't have many friends in Wrestrvel. I would not as well just find a place for the two of us to celebrate. what do you think?"

Elsa was slightly moved.

To be honest, she really wanted to celebrate.

However, Avella couldn't come, and she didn't know who to celebrate with for a while.

Now that Jay took the initiative to call, he could be regarded as giving himself a choice.

Although Jay is a bit hypocritical, it is better for two people to celebrate than one.

Thinking of this, Elsa said: "Then you can send me the address."

"Okay, I've made a reservation at the Wrestvel Hotel. After you arrive, just report my name."

Elsa nodded and said: "Okay, then I'll be over in a while."

Elsa left the company and took a taxi to the Wrestvel Hotel.

Although it is not as good as Classic Mansion, it can be regarded as one of the top restaurants in Wrestvel.

At this time, Jay was wearing a suit, arranging his oily head, and standing at the door with a gentle manner, waiting for Elsa.

However, the bandage on his hand completely destroyed the atmosphere he deliberately created.

Elsa's upper body casual clothes, lower body jeans, a youthful scene, the moment she got out of the car, she attracted all her eyes.

Jay and You Rongyan hurriedly greeted them and said, "Elsa, you are looking so beautiful today, please come in, you are all ready."

"Thank you." Elsa smiled politely.

The two were seated and soon the food was served.

Jay asked the waiter to bring a bottle of top-notch red wine and complimented him: "Elsa, today is a great day, so you have to drink something to celebrate!"

Elsa hurriedly said: "Don't drink the wine, let's have something else."

"How about that!"

Jay originally wanted to take the opportunity to get Elsa drunk and see if he could find a chance to start, but Elsa refused to drink as soon as he came up with this idea, which made him extremely disappointed.

Elsa waved her hand and said, "I'm sorry Jay, I'm not feeling well, so I really don't drink it anymore. I will drink some when I have a chance next time."

Chapter 116

In fact, Elsa can probably guess Jay's intentions, and her self-protection awareness is relatively strong, so she made up her mind not to drink with Jay tonight.

Jay couldn't help but feel depressed when he saw that he could not persuade her, but he didn't dare to show it.

Elsa nodded: "Thank you for understanding!"

At this moment, sitting at the table next to them, a young man who looked gentle was staring at Elsa forever.

After Elsa came in, he was attracted by Elsa's appearance and temperament.

In his opinion, this woman is really too beautiful, and she has an extraordinary temperament, just like a fairy coming to the world!

After observing for a while and discovering that this woman and the man opposite her were not a couple, the young man decided that he should not miss this opportunity.

After a while, the young man stood up, walked to the table of Elsa and Jay, and said to Elsa: "Hey lady, since you entered the hotel, I fell in love with you at first sight. I don't know if you want to stay. Give me a contact number?"

Elsa was stunned.

She didn't expect that she would meet someone who strikes up directly.

Jay was also very hot.

dmn, where did the silly fork pop up? Didn't you see that I was with this girl? You dare to come up and flirt with her, you fuking want to die?

So, before Elsa could speak, he said coldly: "Who are you? What are you doing here at our table?"

The young man said lightly: "What does it have to do with you when I talk to this lady?"

After that, he said to Elsa again: "Lady, I just stared at you for a long time. I didn't want to take the liberty to disturb you, but I was really moved by you. I came here for fear of missing this opportunity, so please forgive me. "

Jay exploded immediately!

dmn, what kind of dog, dare you fcking steal a woman from me?

So he immediately yelled: "I warn you, it's best to stay away if you know! If you dare to talk or peek, I will gouge your dog eyes!"

The young man turned to look at Elsa and asked, "Your boyfriend?"

Elsa shook her head.

The young man turned his head to look at Jay, and said, "Since you are not her boyfriend, then I can confess to this beautiful woman, it has nothing to do with you, right?"

Jay sneered and said, "I don't like you watching her, you can't watch her!"

The young man frowned and said, "You seem to be awesome?"

Jay sneered: "Boy, I'm from the Xiao family, stay away from me, don't cause trouble to yourself!"

Elsa felt a little disgusted.

She didn't like this young man's direct confession.

Secondly, she doesn't like Jay's attitude of being the number one in the world.

At this moment, the young man's face changed suddenly, staring at Jay and said coldly, "What the hell is the Xiao family? What the hell are you? I warn you, if you pretend to be so f*cking with me, or I will let see!"

Jay gritted his teeth immediately, and his heart was already extremely angry.

Anyone really dares to pretend to be forceful!

The first time he invited Elsa to dinner, he lost his face once. This time, if he doesn't give him some color, and then gets embarrassed again in Elsa's face, it would be even more useless to chase her.

Thinking of this, he said nothing, picked up the wine bottle on the table, and yelled: "What are you talking nonsense here! You are going to die!"

After all, a bottle hit the young man's head!

With a bang, the other party's blood flowed!

Chapter 117

The young man was smashed by him, and he was dizzy and almost untenable.

The people around were also taken aback by this sudden use of wine bottle.

Jay stared at the young man with blood on his face and sneered: "If you don't get out, I will break your leg!"

The young man gritted his teeth, covered his head, and said: "Okay, you have guts, you wait for me!"

After that, the young man clutched his smashed head and ran out in a hurry.

Jay laughed disdainfully, and said, "Fool, dare you to threaten me? I don't even ask, who is Jay afraid of in this city?"

After speaking, he deliberately said to Elsa with a smug look: "Elsa, there are such flies everywhere, don't be affected by him, let's continue to eat and leave him alone."

Elsa was not in a good mood after being so disturbed, she nodded and did not speak.

During the meal, Jay tried to invigorate the atmosphere several times, but Elsa didn't catch it.

In her eyes, Jay was not only incapable but also a little too reckless. Such a man couldn't stay in her eyes.

Jay originally thought that by standing up to that man directly in front of Elsa, should subdue her, but never expected that Elsa seemed to be a little more repulsive and disgusted with him.

This made him feel particularly depressed. He didn't expect that Elsa didn't like men who use violence. Isn't this shooting himself in the foot?

For a meal, Jay was extremely depressed.

He had just finished eating, he originally wanted to chat with Elsa a few more words to increase his relationship.

As a result, Elsa frowned and said: "It's late, I have to go back, thank you for your hospitality."

Jay was depressed and said, "Then I will drop you!"

Elsa shook her head: "No, I will just take a taxi."

At this time Elsa just wanted to quickly draw a line with Jay.

Jay was very angry, and said, "Then I will join you to the car, otherwise."

Elsa did not refuse, nodded, and got up and walked out.

Jay hurriedly followed.

He suffocated his stomach and wanted to make a romantic date. He took the opportunity to confess to Elsa, but he didn't expect that b@stard to ruin everything, there was no chance at all, and he seemed to have left a bad impression on Elsa.

"If I meet him again, I must kill him." Jay cursed bitterly.

At this moment, Marven had just finished eating and was clearing the dishes.

Avella said anxiously at this time: "Marven, there is a supplier quotation document in my bag, have you seen it?"

Marven shook his head: "I haven't touched your bag since I came back."

Avella thought for a while before she patted her forehead and said, "Oh, the documents should have fallen in the meeting room of the Emgrand Group. I have to use them tomorrow morning. Or you can drive me to fetch them!"

Marven smiled and said: "You are so tired. Take some rest. I'll get it for you."

Avella sighed and said, "I am really exhausted, so please do it for me. The document number is gy20191101."

Marven waved his hand and said, "It's not a big deal."

After that, Marven drove to the Xiao Group.

Here, Jay and Elsa had just left the hotel and came to the roadside.

Elsa was about to take a taxi, and at this moment, three Wang vans parked on the side of the road, and a dozen strong men suddenly got off and rushed over aggressively.

The dozen or so people are all black cloth masked, holding steel pipes, and they are here to seek revenge!

"Not good!" When Jay saw so many people running towards him, he was half-dead in shock.

Elsa also saw this scene, and her face paled in shock. She guessed that this group of people must be the young man who had just sought revenge. Looking at this posture, she was afraid that they would kill her!

Sure enough, a young man with gauze on his head stood up and shouted: "d*mn, that is the b@stard!"

As soon as the voice fell, everyone immediately rushed towards Jay with an order.

"I am the young master of the Xiao family! You dare to touch me!"

Jay was flustered and yelled pretentiously.

A strong man smiled contemptuously and slammed a steel pipe at him when he came up.

Chapter 118

Jay was so frightened that he almost wet his pants.

At this time, he was shocked and suddenly pushed Elsa out. Elsa uttered an ah, and she pushed him to the other side.

Taking advantage of this opportunity, Jay ran to his car, opened the door, and sat in, then started the car and fled the scene without hesitation.

Elsa is about to explode!

This Jay is really a b@stard!

He caused the trouble himself, but at the critical moment, he, a big man, actually pushed her, a woman, to block the gun and ran away?

In this world, can you find a second sc*m like him?

Seeing Jay run away, the young man cursed.

“This b@stard dropped the woman and ran by himself. What a waste!”

After all, he stared at Elsa and said coldly: “Beauty, call that b@stard back to me, otherwise, don’t blame me for being rude to you!”

Elsa blurted out: “I don’t know him well, please don’t involve me in your affairs.”

The young man pointed to his head holding the gauze and said coldly: “d*mn, I have sixteen stitches on my head. I can’t breathe, I can’t eat anything! If he doesn’t come to save you, you can tell me. Going home and letting Mr. cool off for a whole night is the compensation you have to pay!”

Elsa blurted out: “How can you do this! This is illegal!”

“Illegal?” The young man said coldly, “My words are the rule! After I finish you, you will find out what is legal and what is not!”

Elsa felt cold for a while, and her panic and despair almost obliterated her.

She hurriedly said: “I’ll call him now!”

After that, she took out his cell phone and called Jay.

Jay was driving desperately, thinking that the farther he could escape, the better when he suddenly saw Elsa calling him, and his heart shook.

That’s it!

d*mn, what bad luck!

He also said to get in touch with her and build a relationship with the Dong family, so that the family can ascend up.

This is all right, Elsa has been severely offended!

However, how dare he answers the phone at this time?

Answering the phone is nothing more than going back, even fools can guess the next step.

But, do you still have a life when you go back? The gang is aggressive and they also carry steel pipes, even if they don’t take his life, he is afraid he will be disabled for life.

Women are important, but life is more important!

So he decided to continue to escape, regardless of her call!

Elsa couldn't get through, and she was desperate.

She pleaded to the young man: "I can give you money, please let me go. It's really none of my business."

The young man grinned and said: "I don't want your money! I want your body!"

Elsa was so scared that she knew that if she didn't do anything, this person would not let her go.

So, while the other party was not on guard, she bit her silver teeth and kicked between the young man's legs.

The young man didn't expect that she would dare to resist. He was kicked straight in the crotch, his body moved with a scream of pain, and subconsciously waved his hand, stabbing her with a knife!

Elsa was about to escape, when she felt a sharp pain in her thigh, she screamed and fell to the ground.

A sharp dagger pierced her leg with blood flowing out.

"Smelly lady, you want to run!"

The young man became angry and grabbed her by the hair, and said with a sneer: "Congratulations, your success has angered me. Tonight, my brother and I will take good care of you!"

Elsa shed two lines of tears in despair.

She had declared her death sentence in her heart. She knew that this young man would not let her go, and she was afraid that she would really die in his hands.

In this case, it is impossible for anyone to save her.

She had never noticed that at this time, a black BMW car was gradually approaching. Marvin, who was driving, saw her at a glance, frowning suddenly!

Chapter 119

Elsa suffered severe pain in her leg, desperate in her heart, and tears kept streaming out.

Seeing her beautiful face with rain in pear blossoms, the young man became wicked, swallowed hard, and blurted out: "Get her in the car!"

Someone boomed next to him: "Master, when will we come with this beauty again?"

The young man said coldly: "When I'm done, let you come!"

After speaking, he reached out to grab her and get to the car.

At this moment, he suddenly heard several miserable screams from the periphery!

“what!”

Suddenly, several screams violently sounded.

The young man raised his head angrily and shouted sharply: “What’s the matter?”

But as soon as he looked up, he suddenly felt a strong wind hit the door!

Before he could dodge, he felt a sharp pain in his face, a hammer splashed all over his eyes, the bridge of his nose snapped off, and nosebleeds burst out suddenly.

Like a sledgehammer hitting his head, the young man screamed in pain, his body swayed and fell backward.

Just when he fell, he saw several accomplices behind him, lying on the ground like a dead dog, all motionless.

Elsa raised her head in horror, her beautiful eyes suddenly enlarged.

She saw a person wearing a black mask standing in front of her, his eyes as cold as a knife.

Elsa was surprised and happy, and exclaimed in her heart, who is he? Is he here to save her? Yes, he must be here to save her!

The youth’s face was bloody, and he fell to the ground and couldn’t get up.

This person shot too fast, and in a blink of an eye, the four people were released. The remaining masked people reacted for several seconds, rushing to him while roaring, and calling their comrades.

“You, who are you.” Elsa sat on the ground, looking up at the person in front of her.

This person didn’t answer, but quickly picked her up and ran deep into the alley.

Elsa panted, her heart pounding, she was still in shock.

Behind him came the stern shouts of the brawny men and the roar of motorcycles, clearly pursuing them with all their strength.

The whistling wind blew past her face, Elsa had lost too much blood on her legs, and, coupled with the panic, she could only hug this person weakly.

For some reason, she vaguely felt that the breath of this person seemed a bit familiar.

But she didn't know that this mysterious man hugging her was the husband of her good girlfriend, Marven.

Marven drove past here, but he happened to see Elsa being surrounded.

He was afraid that Elsa would have something serious, so he wore a mask and came to rescue her.

After being transformed by that ray of spiritual energy from the Wang stone, Marven's skills have become extremely good, and the speed was much faster than before.

In addition, there were so many alleys here, Marven quickly threw away the chasing soldiers.

He hugged Elsa and ran a long distance before coming to the depths of a park before stopping.

It's getting late and the plants are dense in the depths of the park. Even if the opponent catches up, they can hide their traces.

He put Elsa on the ground and frowned when he saw that her pants had been stained red with blood.

Although Elsa lost too much blood, she managed to stay awake, pale and grateful: "Thank you for saving me. Who are you?"

Chapter 120

Marven glanced at her but didn't say a word.

He has never looked down upon her, even if he reveals his true colors, what is the point? It's just annoying.

Therefore, it is better to hide to the end.

Moreover, he didn't take special care of Elsa, he only took care of his wife Avella's face before he tried to save her.

Seeing that Marven didn't say a word, Elsa also understood what the other party meant, and knew that the other party must not want to reveal the identity, so she was embarrassed to ask further.

But she has a strong personality, not the kind of woman who clings to men. Since the other party saved her, but she is not grateful for it, she always feels that she owes something in her heart.

Just as Elsa wanted to ask, she heard a hoarse and cold voice in her ears.

"Take off your pants."

Elsa raised her head in astonishment and saw the masked man's eyes look on her body, and she was suddenly angry.

Thought to escape the tiger's mouth, but fell into the wolf den again.

This is a wilderness, and the opponent is so skilled, even if she shouts to the sky, she can't escape the clutches.

In despair, Elsa gritted her teeth and said sternly: "Don't touch me, I will never be humiliated! If you dare to do anything to me, I would rather die!"

Marven was taken aback, deliberately suppressing the voice, pointing to her leg, and said: "Your hamstring has been injured, and the wound is close to the aorta. If it is not treated in time, it may become disabled. Now if the bleeding does not stop, it will send you to a coma. If you say the hospital, it's definitely too late to get to the hospital, what do you say?"

Elsa looked at him in amazement, her cheeks suddenly hot.

She thought that the other party wanted to be unruly to her, but she didn't expect

Seeing Elsa staring at him dumbfounded, Marven sighed in his heart.

Elsa asked him timidly: "Can you help me stop the bleeding?"

Marven nodded and said, "I have studied traditional medicine and can use acupuncture techniques to stop bleeding and slow down the injury. Then you will have time to go to the hospital for follow-up treatment."

"Thank you." Elsa's face flushed, her voice was as inaudible as a mosquito.

She couldn't help but glance at her wound, her heart was extremely contradictory.

This injury is impartial, just on the upper thigh, and she has to take off your pants.

But if she took it off, wouldn't she be seen by the other side?

The Dong family's upbringing is very strict, and Elsa never interacts with other men, let alone let men touch her body.

Moreover, the Dong family has a family doctor who is a well-known western doctor abroad. She does not believe that only acupuncture can stop bleeding and cure injuries.

Elsa thought for a while, and declined: "Thank you for your kindness, but please send me to the hospital first, I think I can hold it."

Marven frowned, how could he not know what the other party was thinking.

Elsa must feel that she is not injured to death now, so she wants to go to the hospital first.

But she knew that the reason she didn't feel that serious right now was because he secretly injected a trace of spiritual power into her body when he was holding her.

Otherwise, how could she have survived until now, having lost too much blood and died?

Seeing that Marven didn't speak, Elsa believed that the injury should not be so serious, so she wanted to stand up.

But as soon as she moved, the wound burst open, and a burst of blood spurted out.

Elsa's body became soft, she sat on the ground dizzy, her face extremely pale.

Marven frowned and said, "I just said that if you move around, this leg will definitely be broken. Even if you go to the hospital, there is no way to cure it. Not to mention that you have lost too much blood. It is possible to die in shock without waiting for the ambulance to come. You can choose whether to cure it now or die!"
