

The Amazing Son In-Law Chapter 1191-1200

Chapter 1191

After agreeing with Aoxue that he would definitely go to watch her game, Marven took her back to the banquet scene.

At this time, some guests came to the banquet site, and the atmosphere gradually became lively.

Old Song heard that Marven was here, and he hurried out to say hello, but when he came out, Marven had already gone out with Aoxue.

As soon as Marven went back, Mr. Song greeted him and said happily, "Oh, Mr. Ye, you have been gone for many days!"

Marven looked at the Song, and smiled slightly: "Mr. Song, you are still very strong in spirit, have you been in good health recently?"

Mr. Song said with a grateful expression: "Mr. Ye, thanks to you, the dying Old Master can regain his second spring."

Then he asked Marven: "Mr. Ye, how are you doing these days?"

Marven nodded and smiled: "I'm not bad, everything is the same."

Mr. Song said vaguely: "Mr. Ye, you seemed a bit unhappy with the Wu family before. Since the birthday banquet, the Wu family hasn't made things difficult for you, right?"

Marven smiled and said, "What can they do if they make things difficult, just a bunch of clowns."

Mr. Song's expression was full of admiration.

He knew that Marven had the ability to reach the sky. Although the Wu family was the No. 1 family in the south of the Yangtze River, they still couldn't handle Mr. Ye.

At this moment, Honor walked over and whispered in the Old Master's ear: "Grandpa, Mr. Kevin from the Orgeyon Kevin family is here."

Old Master Song was surprised and said, "Mr. Kevin is really here?"

"Yes." Honor said: "Mr. Kevin's car has just entered the villa area and he will be here soon."

Father Song nodded and said, "Call Warnia, let's go out together to meet him."

After finishing speaking, he turned around and said to Marven with an apologetic look: "Mr. Ye, please forgive the old and bad greetings. There is also a distinguished guest coming from afar from Orgeyon. I will go out to meet him."

Marven didn't take it seriously, and nodded gently.

Zak Chen on the side was a little surprised. He whispered to Marven: "Mr. Ye the Kevin family is in Orgeyon. It is a second-class family. The overall strength in the Orgeyon can be ranked sixth or seventh. It's a far cry, but their family's assets add up to five or six hundred billion. The Song family is just in the early 100s. It stands to reason that the Kevin family should not look down on the Song family, knowing why their young master came here."

Marven smiled indifferently, and said: "Although I don't know the specific situation of the Kevin family, with the strength of the Kevin family, in a place like Orgeyon where the dragon and the tiger are hidden, it is really difficult to go further. What do you think they will do if it is advancing?"

Zak Chen thought about it carefully, and said: "If there is no way to go locally, then it can only spread to the surrounding areas."

After speaking, he asked in surprise: "Mr. Ye do you mean that the Kevin family might want to develop in Wrestvel?"

Marven smiled and said: "Wrestvel is just a springboard, and the Kevin family must have realized that this time is a good opportunity for southward development."

"Because the Wu family has given up the position of the first family in Wrestvel, the key now is who will be the first family in Wrestvel. Although the strength of the Song family is slightly weaker, it is not without a chance."

"If I were the custodian of the Kevin family, then I would definitely find a relatively good family in Wrestvel, and then unite with him to help him become the first family in Wrestvel, and at the same time let him be loyal to myself and become his external power."

"In this case, I have already extended my tentacles into Wrestvel, and at the same time have laid the foundation for Wrestvel."

Zak Chen said: "Mr. Ye I understand what you mean. It seems that this is the case with the Kevin family. It should be because of the Song family and want to cooperate with the Song family."

Marven nodded: "The Kevin family is here for Miss Song's birthday party at this time. I guess they have deeper thoughts, and maybe even want to marry into the Song family."

Chapter 1192

Zak Chen frowned and said, "Mr. Ye if the Kevin family is married, they may not be able to look at the Song family."

Marven smiled and said: "The key depends on the status of Mr. Kevin sent by the other party in the Kevin family. If he is the eldest son of the Kevin family, then the possibility is really small, but if he is just one of many descendants. , And it may be the one who doesn't show up very much. If he is sent to marry Warnia, the Kevin family is not at a loss, right?"

Zak Chen thoughtfully said: "According to what you said, it is indeed not a loss. The Kevin family seems to be quite prosperous. Among the young children of this generation, there should be six or seven males."

Marven said: "This intermarriage is like Tian Ji's horse racing. The opponent's overall strength is stronger than yours. It doesn't mean that each of his horses is stronger than your best horse. Maybe his inferior horse is not as good as yours. Wait for the horse."

Zak Chen nodded again and again: "Mr. Ye what you said is very reasonable, I have been taught!"

Marven waved his hand and said with a smile: "You have been cultivating in Wrestvel for many years. I believe you can understand this point. Even if you don't want to understand it for a while, you can figure it out clearly with a single sentence."

At this moment, Paul, who was doing nothing with a wine glass not far away, really looked at Marven with admiration.

He felt that Marven had refreshed his impression of him again.

Because he didn't expect that the entire upper class people in Wrestvel would even respect Marven.

The one who followed Marven and whispered to him at this time was the spokesperson of the Ye family in Wrestvel.

Even he is so respectful to Marven, which shows how much influence Marven has in Wrestvel.

At this time, someone in the banquet hall suddenly shouted: "The third young master of the Orgeyon Kevin family is here!"

This sentence caused an uproar in the entire banquet hall.

The Orgeyon Kevin family can rank in the top 10 in Orgeyon's strength, with total assets of more than 500 billion, a deep family background and superior strength.

In terms of asset size alone, the Kevin family is at least 5 times that of the Song family.

The third young master of the Kevin family unexpectedly came to Wrestvel to attend the birthday party for Miss Song family. This made everyone feel an unusual taste.

Some people even exclaimed: "Does the Kevin family want to marry the Song family?"

Some people also said: "It is very possible that Miss Song is so beautiful, so temperamental, and capable, but in the eyes of Orgeyon's big family, she is definitely a good daughter-in-law!"

Zak Chen said to Marven: "Mr. Ye the third young master of the Kevin family is actually quite good in the Kevin family."

Marven asked with great interest: "How so?"

Zak Chen explained: "The Kevin family had four males in the previous generation. Each of them has at least two children, and each of them has a son. This third young master is the only son of the second child of the Kevin family. Third, but strength and influence can be ranked second."

Marven nodded and said with a smile: "It seems that the Kevin family wants to use their middle-class horse to fight the Song family's superior horse."

Zak Chen smiled slightly and said, "I think Miss Song may not be able to see him."

Marven asked curiously, "Why did you say this?"

Zak Chen said earnestly: "Mr. Ye you shouldn't fail to see it. In Miss Song's eyes, it has always been shining to you, a man. I believe Miss Song must like you very much. Get up, let alone the third young master of the Kevin family, even if all the young masters of the Kevin family add up, it's not as good as you in case."

Marven waved his hand and said: "In the future, please don't say anything like this. Miss Warnia is not yet married, and I am a married man. If you say this kind of words, it will affect her reputation. ."

"Understand." Zak Chen nodded and said, "Mr. Ye don't worry, I will also tell you that."

Chapter 1193

Soon, a well-dressed young man walked in, surrounded by the Song family.

Honor and his father Tianming, have been following the young man's side, appearing very diligent.

Father Song and Warnia also followed, but her's expression was a little cold.

Marven looked at the young man, he was about 27 or 28 years old, his expression was very arrogant.

Zak Chen on the side said calmly: "I see the third young master of the Kevin family, it seems like a dragon came to the fish pond. He certainly would not have imagined that you, the real dragon, live in this small fish pond in Wrestvel."

Marven smiled slightly, not commenting on what he said.

In fact, Marven didn't care. Others put on airs in front of him.

No matter how big other people's airs are, it is their own business. As long as they don't provoke them to pretend to be forceful, they don't bother to control him.

The crowd exclaimed in exclamations, and no one expected that the third young master of the Kevin family would actually come.

Among them, there are many pauper families who want to have a relationship with the Kevin family. They look at the third young master of the Kevin family, like a greedy cat seeing the fish.

The Song family accompanied the third young master of the Kevin family into the banquet hall. Elder Song took the lead to lead him to Marven, and respectfully introduced Marven, saying: "Third Young Master, this is the famous master Marven Ye from Wrestvel. He is Song's lifesaver, just like you, a young talent and dragon among the people."

The third young master of the Kevin family looked at Marven, and felt that this kid didn't seem to have any great things, and he was nothing more than an ordinary person in his clothes.

The third young master of the Kevin family was about to sneer Marven with contempt, but he didn't expect that with a glance, Avella saw Zak Chen.

The third young master of the Kevin family naturally knew Zak Chen, after all, Zak Chen belonged to the Ye family.

Moreover, the Ye Family's power is much stronger than that of the Kevin family. Even the Kevin family wants to curry favor with the Ye Family, so he was surprised to see Zak Chen here.

Then he looked at Marven again, and suddenly felt that Zak Chen was here. This kid was named Ye, so would he be the young master of the Ye family?

Thinking of this, the third young master of the Kevin family said to Marven politely: "Oh, it turned out to be Marven, who looked up for a long time. Some time ago, I wanted to visit Ye's house, but I didn't get my wish. I didn't expect to see him here."

Marven smiled indifferently and said, "This gentleman should have admitted the wrong person. I am not the young master of the Ye family, but my surname is Ye."

The third young master of the Kevin family hurriedly looked at Zak Chen, and asked with some respect: "Mr. Zak Chen, you are from the Ye family. Isn't this the young master of the Ye family?"

Zak Chen smiled and said: "You have also heard Mr. Ye say that he just happened to have the last name Ye."

The Third Young Master of the Kevin Family nodded, and when he looked at Marven, his eyes were full of disdain.

Chapter 1194

A so-called Mr. Feather Ye dare to compare himself with him, is he a sh!t?

Thinking of this, he was too lazy to talk to Marven again, hugged Zak Chen, and smiled: "I didn't expect Mr. Zak Chen to be here today. I was planning to visit Shangri-La tomorrow."

Zak Chen said lightly: "The Third Young Master is polite. I wonder why the Third Young Master has time to come to Wrestvel?"

The third young master of the Kevin family glanced at Warnia and said with a smile: "My sister and Miss Warnia were classmates abroad back then. This time I came to Wrestvel to talk about cooperation with

the Song family. I originally planned to come in two days. But I heard that today is Miss Warnia's birthday, so I came here early."

With that, he took out a very exquisite gift box from his pocket. After opening it, a shiny ruby necklace appeared inside. He said to Warnia, "Miss Warnia, I personally selected this necklace for you. A natural ruby from Africa."

Everyone looked into the box one after another, and saw that there was a beautiful necklace in the box, which was also inlaid with a crystal clear ruby almost the size of an egg.

Many people present involuntarily exclaimed.

Everyone also knows the goods, knowing that this ruby is extremely valuable.

Seeing that everyone was startled by his ruby necklace, the third young master of the Kevin family smiled triumphantly and said: "Miss Warnia should also know that ruby is the most expensive of all gemstones. The price is one carat in the world. It's going to sell for tens of thousands, especially for such a particularly pure ruby, and it has 26 carats. I also found Tiffany's best master jeweler, polished this gem, and finished the setting. The price of this one is more than 20 million U.S.D., and I hope Miss Warnia will like it."

Many people are envious, their eyes are almost falling off.

It was incredible to receive a gift of \$20 million on a birthday.

But Warnia didn't seem to be interested in the necklace at all. She said calmly, "Mr. San, this necklace is too expensive, I can't collect it."

"Is there anything you can't take?" The third young master of the Kevin family said with a smile: "It's nothing more than a string of necklaces. For the Kevin family, it's just a drop in the bucket. I also think this necklace really matches Miss Warnia's temperament, so I bought it as a gift for you, so you don't have to be polite to me, just accept it."

Warnia said with a serious face: "Mr. San you are too polite. As the saying goes, you can't afford to be rewarded for nothing. How can I just accept such an expensive gift from you? I take it for you, but please take this necklace back."

The third young master of the Kevin family suddenly looked a little gloomy, and asked her: "Miss Song, why are you and me so polite? This time, not only for your birthday, but also for the in-depth cooperation with your Song family. You are so polite at the beginning, how can this cooperation continue?"

Honor on the side hurriedly said: "Warnia, what do you want? The Third Young Master gave you such a good gift, how can you neglect the hard work of the Third Young Master? Don't hurry up!"

Honor's father Tianming also nodded again and again: "Warnia, don't look at it. Whoever would give such a large gift on a birthday would be so generous."

Warnia said stubbornly: "I know that the gifts from the Third Young Master is very generous, and I am very grateful, but I really can't accept such a valuable gift. Please forgive me. This is a matter of my personal principle, not for the third young master or If you have any comments on this necklace, please don't get me wrong."

Grandpa Song also came out at this time and said, "Mr. San, your gift is indeed too expensive. Warnia is embarrassed to accept it. It is normal. Please forgive me."

The third young master of the Kevin family frowned and asked, "Mr. Song, do you and Miss Warnia look down on me or our Kevin family?"

Chapter 1195

The third young master of the Kevin family suddenly began to attack, making Grandpa Song feel quite difficult.

He knew that the Song family was not as strong as the Orgeyon Kevin family, so he was cautious and polite, but his politeness was only out of politeness, and he didn't really want to take this opportunity to build a relationship with the Kevin family.

After all, the Old Master has seen everything in the wind and rain in his life, so he can see at a glance what the purpose of the third young master of the Kevin family came here today.

Regardless of how the Kevin family wants to cooperate with the Song family, the third young master of the Kevin family must have ideas about his granddaughter Warnia.

If it were put in the past, if the Kevin family really wanted to marry the Song family, it would be too late for him to be excited.

But now he really have no interest in them.

Because in the eyes of Mr. Song, the best grandson-in-law candidate is Mr. Ye, who is close to him.

If Mr. Marven could become his grandson-in-law, he wouldn't want to change even if he was the richest man in the world.

What's even more rare is that his granddaughter is also enamored with Mr. Ye.

??? If it weren't for Mr. Ye's Rejuvenation Pill, I am afraid that he would be dead now, so how can he have such a healthy posture?

So in the eyes of Mr. Song, no one in this world can be compare to Marven.

Because what Marven can bring to him is precious life.

When Tianming next to him saw this, he was afraid that his father would offend Young Mr. Kevin, so he hurried forward and said, "Oh, thank you so much, Mr. Kevin. This gift is so expensive, I must have liked Warnia too, but the character of this child is It's relatively dull and doesn't speak well, so I, as an uncle, take her to accept this gift, and thank Mr. Kevin for her!"

Warnia still wanted to talk, but the Old Master Song winked at her.

Mr. Song whispered in her ear, "Listen, don't hit the smiley man with your hand, let's accept it first, and then return it to him privately after the banquet."

Warnia nodded her head when she saw that grandpa said so.

Then, the third young master of the Kevin family, accompanied by Tianming and Honor, entered the banquet hall and took a seat.

The third young master of the Kevin family has eyes above the top, and he has a heart for everyone and dismisses him. He only greeted Zak Chen: "Mr. Zak Chen, sit together?"

Zak Chen wanted to see Marven subconsciously, but he remembered that Marven didn't want to reveal his identity, and he really wasn't suitable for having too much open communication with him.

Just when he was about to reject the Third Young Master of the Kevin family, Old Mr. Song on the side said to Marven: "Mr. Ye, let's get together!"

There are six tables in the banquet hall, but one of them is the main guest table.

As the name suggests, the main guest table is for the host to entertain the most distinguished guests.

The Old Master of the Song family, with Tianming, Honor, and Warnia, sits in the ten-seat guest seat.

The remaining six seats will be ranked by seniority based on the strength of everyone present.

Tianming and Honor father and son naturally invited the third young master of the Kevin family to take a seat, and Mr. Song invited Marven to also sit at this table.

The remaining four seats were given to Zak Chen, Lori, Tailai and Qin Gang.

Although Solmon Wang's strength was not bad, he was worse than Qin Gang, so he could not sit in the main guest seat.

Little Chili, although Aoxue wanted to be with her father, sitting at the same table with Mr. Ye.

Chapter 1196

But because the seats were full, she could only sit with Zhovia.

Before the feast started, the Old Master stood up and said a word of thanks.

When speaking of thanking the guests in the thank-you speech, Mr. Song said as soon as he came up, "Thank you very much, Mr. Ye, for attending the birthday party of Mr. Song's granddaughter today!"

As soon as Mr. Song said this, the third young master of the Kevin family who was sitting in the main guest table, his expression turned black.

what the h*ll?

Is this Song family's Old Master so ignorant of praise? He drove over to enjoy granddaughter's birthday party, but he didn't put himself in the first place of thanks?

Thinking of this, he couldn't help but glance at Marven at the same table.

This kid looked plain and unremarkable, and he had no idea why the Song family Old Master was so polite to him.

After he thanked Marven, he thanked the third master of the Kevin family.

Seeing that he was actually robbed of the c position by Marven's unknown origin, the third young master of the Kevin family felt angry.

At this moment, the Old Master Song finished his speech, so Warnia went up to thank him.

The dignified and majestic Warnia, like Mr. Song, is the first to thank Marven when thanking guests.

When they talked, their big talking eyes looked at Marven with affection, and said seriously: "Thank you very much, Mr. Ye, for taking the time to attend my birthday party in his busy schedule. I am flattered."

After thanking Marven, Warnia said again: "In addition to thanking Mr. Ye, Warnia also thanks all the friends who are here today, thank you for your support."

After speaking, Warnia bowed to everyone.

The third young master of Kevin's nose is almost crooked.

Although the Old Master Song ranked himself second, he thanked him for his appreciation by naming him.

But when he arrived at Warnia, she didn't even mention his name, completely conflating him with others, which really made him angry.

At this time, he whispered to Honor next to him: "What is the origin of Marven?"

Honor has always been very upset with Marven, but he did not dare to neglect him. At this time, seeing that the third young master of the Kevin family seemed to be dissatisfied with Marven, so he said in a smooth way: "This Marven is our more famous live-in son-in-law in Wrestvel. At the same time, he is also a well-known Feng Shui master, who seems to know traditional medicine, so people call him Mr. Ye."

After hearing this, the third young master of the Kevin family couldn't help but curl his lips: "What kind of sh!t Ye master, who knows some feng shui and can teach traditional medicine, dare to call himself a master? This kind of parallel imports in Orgeyon has long been known to be killing the Time."

Honor hurriedly said: "What the Third Young Master said is that our Wrestvel is a small place, but you don't think the place is small, but this temple is small and windy, and there are many kings in shallow water. Anyone who dares to call a true dragon in this pond ."

"Calling a true dragon in vain?" The third young master of the Kevin family snorted coldly, raised his eyebrows and asked, "Does this Marven claim to be a true dragon?"

Honor said in a low voice: "I don't know if he claims to be himself, but in the rivers and lakes of Wrestvel, he is called the Real Dragon Leaf Mr. among others."

The third young master of the Kevin family sneered: "He is a real dragon on earth? I Delon Kevin is also a dragon, and the dragon of the Kevin family in Orgeyon, I want to see today, who is the real dragon on earth!"

Honor hurriedly slapped a flattering: "If Marven really compares with you, it will be so much inferior, I am afraid that you will not even be able to compare with him."

"That's natural." The third young master of the Kevin family glanced at Marven with his nostrils in the sky, and sneered in his heart: "The smelly rag from a small place dared to steal my limelight. Today, the young master crossed the river. Let's get the operation done with you first, and let the old b@stards in Wrestvel have eyes long, knowing who is the real dragon on earth!"

Chapter 1197

Delon Kevin wanted to compare Marven in public, so he asked directly from the main guest seat: "Mr. Ye, right? I heard that you have a nickname called True Dragon on Earth, is it true?"

Marven smiled indifferently, and said indifferently: "The so-called real dragon in the world is also a nickname given by some friends from the rivers and lakes." +

Delon sneered, and said with a bit of sarcasm: "Mr. Ye, I am Kevin is very curious about what birthday gift you have prepared for Miss Warnia today? A real dragon like you is definitely unusual for a shot, right?"

Marven smiled and said, "To be honest, I didn't know Miss Warnia before that she was going to have a birthday banquet today. After I knew it for a while, I hurriedly prepared a little gift. It's nothing more than to show my heart. ."

The more modest Marven was, the more Delon wanted to slap him in the face in public.

So he clung to Marven and didn't let go, and asked, "Why is Mr. Ye so humble? I just want to know what gift you have prepared. You can tell everyone or show it, OK? "

After speaking, Delon said again: "By the way, since Mr. Ye is a Feng Shui master, let me first guess, is it a piece of talisman paper that Mr. Ye gave to Miss Warnia, or a talisman? "

Marven smiled faintly: "Mr. Kevin is really smart, he's very close."

When Delon heard this, he immediately smirked and said: "Our family has a subordinate who makes small commodities in Yiwu. I heard him say that the amulet sold at Yiwu Small Commodity Market is only a few cents apiece. How much is Master Ye wholesaler? If Master Mr. Ye wholesaler is more expensive, then I can introduce this servant to meet you and provide you with a cheaper source of goods."

Honor heard this with a smile, his father Tianming also felt a little uncontrollable, but the other people on the table looked a little ugly.

After all, Marven has always been admired by everyone. In everyone's eyes, whether he is Mr. Ye or simple Marven, he is an incomparable existence for ordinary people.

Now this Delon dared to attack Marven as soon as he came, making everyone feel a little unhappy.

Zak Chen almost subconsciously wanted to slap Delon directly. he doesn't know any good or bad dog things, opening a pair of dog eyes and pretending to be coercive to his master is really f*cking blind.

But thinking about it carefully, he resisted the urge again.

It is very simple to draw this Delon, but once you are here and draw Delon on the spot, then it is very likely that Marven's identity will be guessed.

Marven was smiling at this moment.

He didn't pay attention to Delon at all.

If Delon is more acquainted with his own well, he might as well let him pretend to be a force here.

But this guy actually provokes him blindly, so he has to show him some color.

So Marven quietly instructed Zak Chen to take out his mobile phone and record the video secretly. Then he looked at Delon and said with a smile: "Mr. Kevin is really a dragon and a phoenix. The first time I saw him this day, I felt that Mr. Kevin was very different. The magnanimity of the shot really surprised me."

Hearing Marven's compliment, Delon's smile became even thicker. He thought Marven had confessed to himself.

Unexpectedly, Marven immediately asked: "Mr. Kevin said just now that the necklace you gave is worth 20 million U.S.D. I wonder if it is true or not?"

Delon said in a arrogant and cold voice: "My Kevin family is in Orgeyon, and it is also one of the top ten family. A necklace of 20 million USD is not worth the fraud."

Marven nodded and smiled: "Then Mr. Kevin, guess what, how much is the gift I gave Miss Song worth?"

Delon sneered: "Although I didn't see what you gave, I guess it will definitely not exceed 10,000."

Chapter 1198

Marven smiled and said: "Mr. Kevin, tell you the truth, the gift I gave not only exceeded 10,000, but also much more expensive than your necklace."

When Delon heard this, his whole body suddenly became furious: "Where the h*ll are you from, how dare you pretend to be in front of me?"

Marven smiled and asked, "If the gift I give is really more expensive than your necklace, what do you say?"

Delon snorted coldly: "So many people witnessed that if your gift is really more expensive than the necklace I gave, I will eat this necklace on the spot."

Marven clapped his hands and applauded, and said with a smile: "Very good, then it's a deal."

Delon frowned and said, "Mr. Ye, if the gift you give is not as expensive as mine, what do you say?"

Marven smiled and said, "If it's not as expensive as yours, I will eat the set of tableware in front of you."

When Delon heard this, he laughed and said, "This set of tableware is made of bone china. What if you can't eat it anymore?"

Marven said calmly: "If I really lose, then even if this set of tableware is broken, I will eat a lot of it in my stomach."

Upon hearing this, Warnia hurried to persuade Marven: "Mr. Ye, why do you have to be familiar with him? Even if you really give Warnia a piece of paper, it is worth a thousands in Warnia's eyes."

Marven smiled slightly: "Miss Song, don't worry, I have always been sure of what I do."

Delon saw that Warnia was so upholding Marven, and his heart was annoyed.

Afterwards, he patted the table, stood up and applauded: "Okay! Mr. Ye really has the style of a master. There are so many people present today, then we will let them be a testimony. If the gift you give to Miss Song is really better than mine. If the gift is expensive, I will swallow the ruby necklace I gave, but if the gift you give is not as expensive as I gave it, you won't be able to swallow one less piece of porcelain for this set of tableware!"

Marven nodded and said with a smile: "In this case, please ask Miss Song to take out the present from me."

Warnia was a little worried, and took out the small gift box that Marven gave to her.

She hasn't opened the gift box yet, so she doesn't know what it contains.

Marven said to Warnia a little apologetically: "Miss Warnia, I'm sorry to give you the gift, I want you to open it in person and show it to everyone."

Warnia quickly and respectfully said: "Mr. Ye, you are too polite."

Marven smiled and said, "Then please Miss Warnia to open this gift box in public."

When Delon saw the gift box in Warnia's hand, which was not as small as a ring box, he sneered and said, "With such a small size, even if you have no diamonds in it, my ruby is expensive."

Marven smiled and said: "Diamonds are just carbon elements. In my eyes, there is no essential difference between a diamond and a piece of coal, so why would I give Miss Warnia such a vulgar gift?"

When Delon heard what Marven said, his heart was immediately annoyed.

Marven, this kid, it is clear that he is vulgar.

So he snorted coldly: "Don't be silly here, let everyone see what the hell is your gift! I really don't believe it. The things in such a small box can be worth more than a 20 million ruby. Expensive! This set of bone china tableware, you fcking have it!"

Chapter 1199

At this moment, most of the people present gave Marven a cold sweat.

Although everyone knows that Marven is very good, and even has a lot of accomplishments in metaphysics, they really don't believe that Marven can compare to Delon for this kind of purely more than money.

The strength of the Kevin family is indeed much stronger than those of the Wrestvel family. From the perspective of the scale of assets, Delon came to Wrestvel, that is, the Raptors crossed the river.

Because in Wrestvel, no one has beaten Delon.

No one can beat him even in the whole Wrestvel comes together.

Moreover, the \$20 million ruby necklace is almost at the top in the ruby world.

Even an egg-sized diamond may not be worth so much.

So everyone is speculating about what exactly is in the little box that Marven gave to Warnia that would make Marven so confident that it would be more expensive than 20 million USD.

Warnia carefully unpacked the gift box at this time. When the small square gift box inside was exposed, everyone present became even more worried.

This kind of gift box does not look like a high-end thing, because the real good things, the gift boxes for packaging, are also very elegant.

But Marven looked like he was in a gift shop, and he bought one at random, which was worth a few hundred at most.

At this time everyone thought Marven was defeated.

After seeing the gift box, Delon laughed disdainfully and said, "Mr. Ye, what is worth more than 20 million USD in such a broken box, is it a bit too cheap?"

Marven said indifferently: "The value of a thing is not judged by its packaging, so although Mr. Kevin is dressed well, your value may not be higher than those of ordinary people."

Delon asked with a cold snort, "What do you mean by this? You mean, the value of this young master is not as high as yours?"

Marven smiled slightly: "It's just an analogy. If you really want to think like this, then I can't help it."

As he said, Marven spread his hands helplessly, his face full of confidence.

Delon was uncomfortable, but he was too lazy to talk to him, so he said in a cold voice: "Hurry up and let everyone know, I'm still waiting to see how you eat these utensils."

Warnia looked at Marven with a worried expression. At this moment, she didn't know if she should open the gift box.

Marven gave her a relieved expression and smiled indifferently: "Miss Warnia, since Mr. Kevin thinks so, see what is inside, then open it and let him take a look."

Warnia nodded and gently opened the lid of the gift box.

It doesn't matter if you open it, a strange fragrance immediately rushes out of the gift box.

Mr. Song, who was sitting next to Warnia, felt like a lightning strike when he smelled this smell!

He is too familiar with this taste, because this is the magical rejuvenation pill that made him at least 20 years younger!

At this time, someone on other tables also exclaimed: "Oh my God, it is really a rejuvenation pill!"

"Mr. Ye's handwriting is really too big, right? Miss Warnia's birthday, he actually gave a rejuvenation pill?!"

"I really envy Miss Warnia, who can receive such grace from Mr. Ye!"

Many people who came to Warnia's birthday party today have also attended the birthday banquet of the Song family.

Everyone saw with their own eyes the magical scene that happened when Mr. Song took the Rejuvenation Pill.

At that moment, everyone was full of ultimate desire for Rejuvenation Pill.

There is no doubt that everyone is rich, even if there is no such wealth as the Kevin family, but at least they have a lifetime of glory and wealth.

Chapter 1200

Tailai, who was with them on the table, was shocked and speechless!

He is the richest man in Haicheng, and in terms of wealth, he is not much worse than the Song family.

And he has also reached old age this year, and he can obviously feel that his body is much worse than before.

This is irreversible no matter how much money is spent.

So he dreamed that he would have the opportunity to have a rejuvenating pill, even if he was asked to take out one-tenth of his assets, he would not regret it.

Because he knows that apart from the rejuvenation pills, even if he spends several billion, he cannot buy back 20 years of youth.

Macau gambling king Stanley Ho, he is really a very rich super rich, but he is over 90 years old, and there is no way he can buy back his youth.

The only thing he can do is to spend several hundred million to the hospital every year to let the hospital save his life.

However, the time bought from the hospital can only delay death, so what if you live for two years, three years, or even five years?

The five years that he spent several billions on buying back just lasted his life and couldn't change his dying physical state.

If it can make his body go backwards and return to a younger state in five years or even longer, then for him, not to mention spending billions, even spending 10 billion is worth it.

At this time, what everyone sees is not money anymore, but things that are more important than money.

Such as time, such as youth, such as health, and life span.

So for them, there is nothing more fascinating than a Rejuvenation Pill.

It is very rare that even a dying person will be able to restore health and prolong life with it.

Even Warnia herself observed at this rejuvenating pill, so shocked that she couldn't say a word!

She never dreamed that Marven would give her such a valuable gift!

In her own eyes, the value of this rejuvenation pill is 10 times, 20 times, or even hundreds of times that of Delon's ruby necklace!

Warnia's eyes were instantly blurred by tears.

She looked at Marven with affectionate eyes, choked and said, "Mr. Ye, how dare Warnia to accept such a valuable gift from you..."

Marven smiled slightly and said indifferently: "I will give it to you, and you will accept it. What's the dare to accept?"

Elder Song, who was on the side, was so excited that he was going to pass out.

After taking a rejuvenating pill, he has a more intense desire for rejuvenating pill.

After you have something, you will know how amazing it is.

After taking a rejuvenating pill, Mr. Song felt that the whole person was regaining his youth. Since then, he has been enjoying the magical taste brought by his 20-year younger body, while also looking forward to the opportunity to further improve his body.

At the same time, he was also worried that if 20 years later, he became the dying Old Master again, whether he could still ask for another rejuvenation pill from Mr. Ye.

After all, it has a life span of 20 years, and everyone will be crazy about it.

And now, Mr. Ye actually gave another rejuvenation pill to his granddaughter.

If he treats his granddaughter better, maybe she will be willing to give this rejuvenating pill to him!

Delon found that everyone was shocked at that gray pill, which made him very upset.

So he snorted heavily and sneered: "Where did you get such a powerful pill? Just this tattered thing, dare you say that it is more expensive than my ruby necklace?!"
