

The Amazing Son In-law chapter 1251-1260

Chapter 1251

At this time, the insults upstairs had escalated.

The middle-aged woman scolded angrily: "Why did I give birth to a money-losing girl like you? I worked so hard to support you to study and go to college. You haven't made money for your family for two years, so you rushed to give birth to others. My child, I knew you were such an unconscionable thing. When you were born, you should have been thrown away!"

The young woman cried and said, "Mom, I went to college and relied on student loans. I still repay the loan. At that time, you didn't want me to go to college. You wanted me to marry as soon as I was 18. Said that the earlier a girl marries, the more valuable it is."

"I tried my best to get admitted to the university. You still didn't let me go to school. You almost tore up my admission letter and threatened me that if I went to university, you wouldn't pay me a cent for living expenses. These things Have you forgotten?"

"Now you say you worked so hard to provide me for college. Have you provided me a penny?"

The middle-aged woman scolded angrily: "The Old Lady gave birth to you to be the greatest favor to you. You don't know how to be grateful, and you're still clamoring with me here, turning you back!"

The young woman cried and said, "I don't want to yell at you, I just want to reason with you!"

"The four years I was in college were not easy. All my living expenses had to rely on me to work and make money."

"But I am a girl who is not in good health and often gets sick. The little money earned by working is not enough."

"In school, if it weren't for Carden, who had been helping me take care of myself, I might not have been able to graduate from college at all! I might have starved to death!"

"Carden knew about my family situation at that time, but he never disliked me, so as long as he is willing to marry, I am willing to marry, even if there is no gift of a penny, I am still willing to marry!"

The middle-aged man scolded, "You b@stard, do you think the bride price is for you to decide? Do you think the bride price is for you? The bride price is for your brother to buy a house. Your brother will marry a wife and give birth. My child, this money will depend on the inheritance of our old Zhang family! If you don't have a penny and you just marry like this, wouldn't you want to drive your mother and me to death?"

The young girl stubbornly said: "No matter what, I will marry Carden today, even if I take a taxi to Wrestvel to marry him, or even walk to marry him, I will marry!"

There was a crisp sound.

The middle-aged man scolded angrily: "I will kill you, shameless loser! You patted your bu.tt and left, leaving our family of three here. We are just a 30-year old house. Your brother can marry and have children?"

When Avella heard that he had started upstairs, he immediately pulled Marven and said, "Let's go over quickly!"

Originally, Avella felt that it was indeed inappropriate for this family of four to argue about themselves as an outsider at home, and now it is somewhat embarrassing to go upstairs.

But when she heard the hands upstairs, she didn't care about it.

The couple rushed to the 5th floor, and Avella immediately slapped the door of 501.

After a while.

A wicked young man opened the door and looked at Avella and Marven vigilantly: "Who are you looking for?"

Avella said, "Are you Xiaofeng? I'm Avella, your sister's high school classmate, do you remember me?"

Upon hearing this, the ailing young man immediately said in surprise: "Oh, it's Avella! Of course I remember you! Avella, I haven't seen you in a few years, you are more beautiful than before!"

Marven saw that this kid saw his wife's eyes full of scorching heat, and he was a little dissatisfied. He asked Avella, "Wife, who is this little brother?"

Avella introduced: "This is Xiaofeng, the brother of classmate Isabella."

Chapter 1252

After speaking, he introduced Xiaofeng: "Xiaofeng, this is my husband Marven."

"Husband?" Xiaofeng asked in surprise: "Sister Avella, are you married?"

Avella nodded and smiled: "I have been married for more than three years. Where is your sister? Is she at home?"

At this moment, a girl with red five-fingerprints on her face came over, pretending to smile and said: "You are here so early!"

This girl is also pretty and has a good figure. She can definitely be regarded as the upper-middle class.

It's just that the girl is wearing a very cheap wedding dress, and it can even be seen that the lace part of the wedding dress is a little off.

A man and a woman walked out of the room again. The couple looked like they were in their early fifties with a cold expression. Looking at Avella, they asked Isabella, "Who are these two people? They came here for what? What are they doing?"

Isabella said: "Avella is my high school classmate. She has been to our house before, but you two may have forgotten."

Avella said politely: "Hello, aunt and uncle. By the way, I haven't introduced yet. This is my husband Marvin."

Marven nodded slightly at the family, without speaking.

The middle-aged woman questioned suspiciously: "Isabella, what does it mean for the two of them to come to our house?"

Isabella said, "I ask Avella to drive and take me to Wrestvel."

"What?!" The middle-aged woman gritted her teeth and cursed: "You loser are really determined to marry that b@stard?!"

Isabella nodded, and said stubbornly: "If I make up my mind, it won't change!"

After finishing speaking, she said to Avella: "Avella, I'm sorry to trouble you, you made a special trip so far."

Avella hurriedly said, "Isabella, what are you doing so politely with me?"

Isabella smiled with satisfaction and said: "Avella, it's not too early, it will take a long time to drive, or let's start now."

"Good." Avella nodded and said, "Then let's go now."

"Wait a minute!"

At this time, the middle-aged man with a fierce face stood in front of Isabella and said coldly: "You are a loser, the more you talk about you, the more capable you are, right?"

"I'm telling you, even if the king of heaven is here today, I can't take you out of this door!"

"Also, I have already greeted your sister-in-law. She has an acquaintance in the obstetrics and gynecology department of the county hospital. She can also work overtime to help with an operation on weekends. You will honestly follow me to the county hospital to get rid of it, and don't deal with that b@stard Carden from now on!"

"Impossible!" Isabella said categorically: "I cannot kill my child, and no one can stop me from marrying Carden. Unless it is Carden who does not want to marry me, otherwise, even if you want Cut off relations with me, and I want to marry today!"

The middle-aged man immediately picked up a rolling pin that was as thin as his wrist, and pointed it directly at Isabella's face with the tip of the rolling pin, and cursed with his canthus: "If you dare to go out of this door, I will hit your leg. Break it! Even if I break your leg, I can sell you to the disabled in the countryside for 200,000. Saying nothing will make you cheap for that Carden!"

Chapter 1253

Marven hadn't spoken all the time, but when he saw Isabella's father, he even picked up the rolling pin and suddenly became angry.

It's nothing more than talking cold words and personality attacks and insults. After all, it was his wife who came to help send off her friend, not to take care of other people's housework, so all he thought was to drive the car and leave quickly to complete the task of sending off the the girl.

However, seeing that the other three people, parents and younger brother, are such as\$holes, he is really intolerable.

So he blocked his wife Avella and Isabella behind him, looked at Isabella's father, and said coldly: "Do you know that all your actions are illegal? You interfere with your children's marriage? Freedom is against morality; personal assault is against the law; the intention to sell daughter is again a criminal act!"

Isabella's father said in a cold expression, "How old are you? What does our family's affairs have to do with you? Before I kick you out, you dare to pretend to be in my house? "

Marven said with a shame: "Today is forced, I still pretend to be!"

After that, he said to Avella and Isabella: "It's getting late, let's leave now, if anyone dares to stop, I will not forgive him!"

In fact, Isabella is now in a hurry, because if she goes to the hotel prepared by her mother-in-law and misses the auspicious time booked by her mother-in-law, she will definitely be even more dissatisfied with her.

It doesn't matter if her mother-in-law gives her face, the point is, she doesn't want her to put pressure on her fiancé.

In fact, her mother-in-law has always looked down upon her, and she has been desperately preventing her fiancé from marrying her, because their family really feels that the situation in their family is too far from them and is not worthy of their family.

However, the fiancé has been under pressure and repeatedly said that he did not want to marry. This time, the two of them used the method of unmarried first pregnancy in order to get married. Finally, it was considered as a compromise with the in-laws.

Therefore, it doesn't matter if in-laws embarrass her a little. As long as today, she will be able to be with her fiancé in good faith.

So she seriously said to her parents and brothers: "I know you are very dissatisfied with me, but for the past two decades, I have always obeyed your instructions, obeyed your wishes, and taken into account your feelings. , The only I thing that didn't follow you was to enter the university. Now, it's the second time that I didn't follow you. I hope you can consider it for me. After all, I am also a human being, not the assets and tools of the Zhang family. I also pursue happiness. right!"

"You pursue a bullsh*t!" Isabella's father shouted angrily: "I will never allow you to step out of this door today!"

Marven said coldly: "You are not qualified to stop this matter today. You dare to stop and try."

Isabella's brother yelled angrily: "dmn! She won't let me get married, then she won't even want to get married! You outsider get out of the way, be careful that I fcking kill you!"

Marven raised his hand and slapped him sharply, slapped him to the ground with a slap, and turned around several times.

When Isabella's father saw that his precious son had been beaten, he gritted his teeth and picked up the rolling pin, and slammed Marven on the head.

"Our Zhang family has a single pass for several generations. If you dare to beat my son, I will kill you!"

Seeing the strength of the opponent's smashing at Marven, Avella was big enough to smash a person's head into a scoop, and said nervously, "Marven, be careful!"

Marven didn't move, just looking at the oncoming rolling pin, the next second, he waved his hand violently, and directly cut off the thick wooden rolling pin with his bare hands!

Chapter 1254

Isabella's father used all his strength and felt that the stick was hitting hard steel. Then, a violent vibration came from the tiger's mouth. He immediately let go of his hand and hugged himself because of the pain. Screamed at his wrist.

Look at the rolling pin, it has been broken in two!

This shocked Isabella's father!

Such a hard rolling pin can also be cut by hand, and the other party seems to have nothing at all. This guy looks like a practitioner!

How can he afford such a character? In case he beats himself into a concussion with a punch, he will find someone to make sense. After all, he is just an old sling with no money and no power. After being beaten, there is no way to find someone to help avenge...

Thinking of this, he couldn't help but become jealous of Marven.

Seeing that he was afraid to step forward, Marven said to Avella and Isabella: "Let's go."

Although Isabella's father and younger brother were full of anger, they did not dare to step forward to stop them at this moment.

Isabella's mother sat on the ground and cried and cried, "You have no conscience. I raised a daughter like you and really blinded my son! If you just leave like this, go and marry That Carden, I just jumped directly from our stairs, and let me die!"

"Mom..." Isabella cried and knelt down and begged: "I beg you to let me fulfill my dream this time. Give me two years. I must find a way to make more money for my brother. For the first payment of a house, if you agree, I will do what you say. If you don't agree, then I have nothing to do. No matter how you force me, I must marry Carden for the sake of the child in my stomach today! "

Isabella's mother cried hoarsely: "I don't care, your brother can't wait for two years. You must buy the house within half a year at most. If you agree, give your brother a note, oh no, it's better to give Your brother writes an IOU of 300,000, and the IOU states that it will be repaid within half a year. If you write it, I will let you go. If you don't write it, I will show it to you!"

"Yes!" Isabella's younger brother Xiaofeng also hurriedly said: "Sister, you write me an IOU. I will go back to the blind date. People ask me about the house, so I can use the IOU to talk about things and let the girl relax her heart!"

Isabella collapsed, and blurted out, "Where can I get 300,000 in half a year! Are you trying to force me to death?"

Isabella's mother yelled: "If we don't force you, how can we know how good you are? Anyway, you have to write this 300,000 IOU today, or if you don't write it!"

"Impossible!" Isabella completely gave up, stood up, and said blankly: "I can't live for you for everything. Since you don't agree to my solution, then forget it and I will not support you."

After she finished speaking, she was cruel and said to Avella: "Avella, let's go."

Avella nodded and took her down the stairs. Marven followed behind, staring at the family of three.

The two men did not dare to come forward. The woman saw Isabella really gone, so she cried and said: "Things with no conscience, go, and I will jump down here when you go. You wait. Collect the corpse!"

This time, Isabella did not look back, nor did she wipe the tears that kept falling.

After the three of them went downstairs, Xiaofeng said anxiously: "Dad, Mom, she just married like this, what can I do! If I can't ask a wife, then I will die!"

As soon as Isabella's mother heard this, she immediately got up from the ground, ignoring the dirt on her a**, gritted her teeth and said: "Come! Even if I have to lay under the wheel today, I will stop her!"

Chapter 1255

When Marven and Avella took Isabella all the way out of the community, Isabella was still wiping tears.

Avella was always comforting, but Marven didn't come forward wisely.

When they came out of the community, the two people parked two supercars on the side of the road, and the passers-by who had been competing for a photo surrounded them.

Marven stepped forward to separate the crowd in front of the Aston Martin, and then opened the passenger's door to let Isabella sit in first.

Looking at the Aston Martin one77 in front of her, Isabella was stunned. She asked in surprise: "Avella, this car..."

Avella smiled and said, "My husband asked his friend to borrow this. Don't worry, these two supercars will drive you to your in-laws' house, and they will definitely save you face!"

Isabella said guiltily: "Avella, I meant that your BMW was already very good when I saw it. I didn't expect you to find a friend to borrow a car for me, and to take favors in front and back. How embarrassed."

Avella said earnestly: "Girl, we have been classmates for many years, and we are still good sisters. I must do my best when you get married for such a big thing. Do you still have to be polite to me for this kind of thing? "

With that, she patted Isabella on the shoulder and smiled: "Okay, don't be so polite. Get in the car quickly, we have to go back, otherwise it will be too late."

Isabella nodded lightly with red eyes, and said seriously: "Avella, thank you!"

Avella gave her a comforting smile, then helped her and sat in this Aston Martin.

At this time, Isabella's family who rushed over suddenly saw them and rushed over.

Seeing that the other party drove two weird-looking cars, Isabella's mother hurriedly said to her husband: "You lie in the front and I lie in the back!"

Isabella's father nodded, and then the couple lay under the wheel one after another.

Isabella's mother sullen her heart and shouted coldly: "If you want to leave today, you will run over the two of us!"

At this moment, Xiaofeng was a little dumbfounded.

His parents don't know super sports cars, but as a young man, he is a stinky silk who dreams of having a lot of money all day long. He is naturally very familiar with sports cars.

So he recognized the origins of these two cars at a glance, and he was astonished as if struck by lightning!

There are tens of millions of luxury cars, and there is no third one in Wrester.

The only two cars are here.

So Xiaofeng was very frightened. He couldn't figure out why Avella and her husband could afford to drive two such expensive top luxury cars?

Could it be that her husband has a big background?

Thinking of this, Xiaofeng couldn't help but trembled.

Can afford to drive such an expensive luxury car, that proves that the other party's worth is more than billions.

If it irritate them, can his family survive?

At this moment, Marven looked at Xiaofeng and said lightly: "I am not a very good person, and my endurance is not very strong. I will give you 10 seconds to solve this, otherwise you will take the consequences."

Marven is also very clear that it is impossible for a young man like Xiaofeng not to know Aston Martin and Bugatti Veyron. As long as he can recognize this car, he knows that he is someone he can't afford. In this case, he will definitely take his disgusting parents away.

When Xiaofeng heard Marven say this, his whole body trembled with fright, and hurriedly reached out to pull his mother, and said anxiously: "Mom, get up quickly, how can you lie here!"

His mother curled her eyebrows and said, "How can I change your house if I don't lie here? Did your brain kick the donkey?"

Xiaofeng almost cried. He lowered his voice and gritted his teeth in his mother's ear and said, "Mom, are you crazy? We can't afford these two people! The two cars alone are worth 100 million!"

Chapter 1256

"What the h*ll?!"

When Xiaofeng's mother heard this, her eyes suddenly became dark!

One billion, what is this concept?

Even if there are 1 million, he is already a very rich man in her eyes. If there are 10 million, he is a big man who they can't afford to provoke, and a billion is just like a god.

What's more, people are not worth 100 million, but they drive two cars, and only two cars are worth 100 million!

Thinking of this, she hurriedly asked: "What you said is true. Are these two weird cars really worth so much money?"

Xiaofeng nodded like smashing garlic, and while pulling her, he said: "Can I still lie to you? You think I don't want a house. But in this case, how can we force it... just in case you offend a big man? , Our family has to suffer!"

Xiaofeng's mother shivered in shock, and quickly got up from the ground, and then went to the other end to pull her husband.

Xiaofeng's father still didn't understand what was going on, so Xiaofeng whispered in his ear again.

It didn't matter to say that, his face turned pale with fright.

Xiaofeng said to Marven with fear and respect: "Brother, I'm sorry to trouble you, I hope you will not remember the villain..."

Seeing that the family hid wisely, Marven said in a cold voice: "Okay, if you know it, I don't want to see you anymore. Get out quickly and keep rolling, otherwise you will be at your own risk!"

Xiaofeng quickly complimented and said: "Don't worry, big brother, we'll get out of here, get out of here."

Marven ignored them, got into the cab of the Bugatti Veyron, started the engine, and started the car first.

At this time, his mobile phone received a text WeChat from Avella, the content read: "Husband, do you know a friend who makes a wedding dress? I want to pay for Isabella to rent a better wedding dress, her set of dress is too old."

Marven's five fingers flew, and he returned a message to his wife: "Wrap it on me."

Avella sent another message: "Height is about the same as me, just a little thinner than me. Look at me and help me determine the size. Thank you husband!"

Marven replied: "Wife, don't be so polite with your husband."

Later, while driving, he called Warnia.

After all, it is something that girls like wedding dresses are very concerned about. He thinks that if you look for big bosses like Mr. Orvel or Issac, they definitely don't know much about it.

However, Warnia must be very knowledgeable about these, and it must be right to find her.

Warnia didn't expect to receive Marven's call early in the morning, and she was immediately overjoyed.

Since she took the initiative to give a kiss to Marven on his birthday, she hasn't seen Marven again, mainly because there is no good opportunity and excuse.

She was a little scared at first, afraid that Marven would alienate from her in the future, but now she received his call and it immediately relieved her heart.

So she couldn't hide her joy and asked, "Mr. Ye, what can I do for you?"

Marven asked her: "Warnia, do you know who has the best wedding dress in Wrestvel?"

"Wedding dress?!" Warnia asked in surprise: "Mr. Ye, what do you want to do with the wedding dress?"

Marven said: "My wife's high school classmate got married today, but lacks a decent wedding dress, so I want to ask if you can help me solve one."

Warnia smiled and said, "Of course I can! It is an honor for Warnia to work for Mr. Ye!"

After speaking, she explained: "Yes, I forgot to tell you. The only Verawan bridal shop in the province is invested by me. There are many top wedding dresses designed and made by Verawan. You know your wife's classmates Body size? I will prepare a set that fits her."

Chapter 1257

Verawan is the world's most famous Chinese wedding dress designer.

Even when the daughter of former US President Clinton got married, she wore wedding dresses designed by her.

Beckham's wife Victoria wore the wedding dress she designed when she married Beckham, and the famous Britney Spears and the granddaughter of the Macau gambling king all wore her wedding dress to the wedding hall.

With Verawan's international influence, she generally only opens stores in top big cities around the world. The reason why she opened her store in the second-tier city of Wrestvel is mainly because she has a good personal relationship with Warnia, and Warnia likes her designs very much. Wedding dress, so Warnia invested in a shop.

Generally speaking, the price of a wedding dress designed by Verawan is more than several hundred thousand.

The vast majority of people are just hopeless.

Marven knew very well that his wife Avella friend was in not in a better position. After seeing that she had been treated unfairly, he must hope to help this poor classmate raise her eyebrows.

Therefore, when Warnia said that she wanted to prepare Verawan's wedding dress for him, he agreed without hesitation.

However, he knew in his heart that everything needed a degree, so he said to Warnia, "Warnia, this is just my wife's high school classmate, so you don't put too much energy into it, and don't put a brand new value expensive. Bring the wedding dress. It's best if you use the wedding dress you rent out. Just bring it and lend me for a day."

Warnia said hurriedly: "Mr. Ye, what are you polite to me, it's a wedding gift I give to your wife and her classmates."

Marven said earnestly: "No need Warnia, if it is given, this matter will change its flavor."

As he said, he said again: "The ancients said, "Give me enlightenment and fight my grudges. Giving enough is a kindness. If you give too much, it might turn into hatred. My wife just wants her classmates to wear a beautiful wedding dress." Married, so borrowing for one day is enough."

Although Marven is the young master of the Ye family, he has been struggling all the way at the bottom for many years, seeing a lot of ugliness of human nature. He knows very well in his heart that sometimes helping people cannot be too thorough.

Sometimes, some things are not done as perfect as possible, but to be just right. Otherwise, the effect must be too far.

It's like a friend's child is sick and hospitalized and needs to borrow 20,000, and you are really able to help, then you can lend him 20,000.

If 20,000 is not enough by the time, let's talk about the problem of not being enough, but you can't take the initiative to give others 200,000 when others open to borrow 20,000.

Warnia also knew Marven's intentions, so she hurriedly said, "Mr. Ye, please rest assured, I understand that, I will let people prepare a wedding dress specially for rent."

"Okay." Marven said satisfied: "Well, I am going to go directly to the hotel now. If you are ready there, then I can take her to your bridal shop first, put on her wedding dress and then go to the hotel. "

"No problem!" Warnia hurriedly said, "Then I will send you the address of the bridal shop!"

Soon, Marven received a location on WeChat.

He directly changed this positioning into the navigation destination, and drove directly to lead the wife and Isabella behind, towards Warnia's bridal shop.

The two top supercars got off the highway and drove all the way into the city. However, they did not go directly to the Hilton Hotel where Isabella had her wedding today.

Isabella found that the route didn't seem right, and asked Avella beside her in surprise: "Clai, did you take the wrong way? The Hilton Hotel is not this way."

Avella smiled slightly and said, "It's okay, let's just follow Marven. Our car drives faster on this road, so time is still too much."

Isabella wanted to ask what happened, but after thinking about it, she gave up.

Chapter 1258

She felt that Avella was so good to her, she would definitely not harm her.

Marven drove the car directly to Warnia's bridal shop.

When he stopped the car, even Avella was a little surprised.

She just asked him to find a friend and borrow a better wedding dress, but she didn't expect him to borrow it here!

This is the brand store of the world's top wedding dress designer Verawan!

Even Avella himself did not dare to expect to have the opportunity to wear such a top wedding dress.

Unexpectedly, her husband still has resources in this area.

Isn't it a bridal shop, should he also look at Feng Shui?

When she was thinking, Marven had already pushed the door and got out of the car.

At this time, a tall, charming, and noble woman walked out of the bridal shop. Avella discovered that this woman she knew, and she was the eldest of the Song family, Warnia.

Warnia came to congratulate her when her studio first opened.

At that time, Avella felt that in front of a wealthy lady like Warnia, she was indeed a little inferior and somewhat at a loss as to what to do.

At this time, seeing Warnia again, Avella's heart suddenly retreated, and she didn't want to get out of the car to face her face to face.

However, when she thought that she had to help Isabella try on the wedding dress, it was impossible to hide in the car forever, so she had to bite the bullet and walk down.

Warnia had already arrived in front of Marven at this time, and respectfully said with an affectionate smile on her face, "Mr. Ye, you are here."

Marven asked curiously: "Why are you here too?"

Warnia smiled and said, "Mr. Ye, you have a wedding dress requirement. Naturally Warnia will come to serve you in person."

As he was talking, he suddenly saw Avella walking down from the Aston Martin one77 behind him, her expression flashed with envy and jealousy, and said to Marven: "Madam Ye is here too."

Marven nodded. At this moment, Isabella got out of the car anxiously, so Marven said to Warnia, "The one next to wife is her high school classmate. Today she is getting married, so please prepare for her as soon as possible. A wedding dress that fits, we have to go after she puts on the wedding dress."

Upon hearing this, Warnia said to Avella and Isabella quickly: "Mrs. Ye, and this lady, please move to the store to try the wedding dress."

Isabella saw the huge brand logo on the door and found that this was Verawan's bridal shop. She exclaimed: "Avella, this...what does this mean?"

Avella was shocked himself, but still pretended to be calm and said: "I asked Marven to help you borrow a more suitable wedding dress, so he brought us here."

With that said, she said to Warnia somewhat unnaturally: "Miss Song, I didn't expect you to be here. I will trouble you with this matter today."

Warnia smiled indifferently and said seriously: "Mrs. Ye, you don't have to be so polite with me. You and Mr. Ye are both my distinguished guests. As long as you speak up, I will definitely serve you both."

Afterwards, she stood dignified and made a gesture of asking, saying, "Please come inside!"

Chapter 1259

Avella and Isabella were a little nervous, wondering if they should go in at this time.

Both of them knew that this brand of wedding dresses were expensive, and they were definitely not affordable for ordinary people.

In general bridal shops, a slightly higher-end custom wedding dress can cost tens of thousands a day.

The wedding dress designed by Verawan can be rented for one day at least in six figures.

If you buy it, it will be more expensive, at least several million!

Isabella felt that she doesn't deserve to wear such an expensive wedding dress. Even if she just touched it, she was afraid that it would be broken by others, and she was afraid that she could not afford it.

So let alone go to the wedding in such an expensive wedding dress.

And Avella didn't want Marven to owe too much favor to her.

Marven saw that the two of them were still in a daze at this time, and said with a smile: "What are you two still trying to do? Go in, we are running out of time."

Avella came back to her senses now, the time was indeed late, and if it was delayed, she would be late, so there was no other choice at the moment.

If Isabella doesn't choose a wedding dress from Warnia, then she can only wear this old wedding dress on her to attend the wedding.

On the way here, she asked Isabella about the origin of this wedding dress. She rented it from a very small wedding dress shop in the suburbs of the county for 300 a day in order to save money.

She herself has been looked down upon by her in-laws. If she was still wearing such a cheap wedding dress, even a wedding dress where the lace had been shed, then her in-laws would look down on her even more.

So she took Isabella's hand and said, "Isabella, let's go in quickly and let Miss Song help you choose a wedding dress that fits you."

Isabella nervously said: "Avella, the wedding dresses here are too expensive, I dare not wear..."

Avella said hurriedly: "If you don't wear it, you can only wear this set on you. By then, your mother-in-law will not know what to say. You see that Marven has borrowed such an expensive car. Since we want to show a pomp, then stand up all the way with pomp and let your in-laws take a look!"

After speaking, she looked at Warnia and said gratefully: "Miss Song, I really troubled you today. This is my high school classmate Isabella. Today she is getting married. Could you please help me choose a fitting wedding dress for her?"

Warnia nodded and smiled, and said, "Mrs. Ye, you are too polite. Please leave it to me about Isabella."

"But..." Isabella still hesitated.

Avella went out and took Isabella's hand directly, and walked to the bridal shop, saying: "It's nothing but today, you can't let your in-laws look down on you again!"

Isabella was pulled closer to this bridal shop by Avella, and as soon as she entered the door, she was shocked by the luxurious wedding dresses inside.

No woman dislikes wedding dresses, so the two of them just took a look and were deeply attracted by the wedding dresses in the store.

Warnia, the eldest lady of the Song family and the current head of the Song family, acted as a waiter. She brought them both to a row of wedding dresses and said with a smile: "Mrs. Ye, Isabella. This wedding dress is usually used for leasing. Isabella can choose any one from here today."

Avella hurriedly asked, "Ms. Song, are the sizes suitable? My classmate's body is relatively thin."

Warnia laughed and said: "These wedding dresses are very cleverly designed, and there are many adjustments inside, so as long as most people wear them, they will look exactly the same as tailor-made, so you can rest assured."

After all, Warnia looked at Isabella again and smiled and said: "If Isabella is fancy, please tell me, I will let the wedding assistant to try on the wedding dress for you."

Isabella couldn't make up her mind for a while, after all, for her, the things here were completely beyond her imagination.

So she pinned her hopes on Avella who was beside her.

Chapter 1260

Avella helped her choose a very beautiful tube top wedding dress, and said: "I think this one is very suitable for you, it is dignified and elegant, and it also shows the collarbone, which is very temperamental."

Isabella hesitated for a moment, and said: "Then let you, I really don't know how to choose..."

Warnia smiled and said: "Mrs. Ye has a very good vision. This wedding dress has the highest appearance rate here, and I think this one is also very suitable for Isabella's figure and temperament."

Immediately afterwards, Warnia greeted two very professional wedding assistants. The two immediately took off the wedding dresses and respectfully took Isabella to the fitting room.

After a few minutes.

Isabella wore a white and elegant tube top wedding dress, somewhat unnatural, walked out of the fitting room.

Avella's eyes suddenly lit up and exclaimed: "Isabella, you are really beautiful in this wedding dress!"

Isabella said shyly: "This wedding dress is too delicate and too expensive. I have playing drums in my heart for fear that I might break it..."

Warnia said with a smile at this time: "Ms. Isabella, you don't need to have such a heavy psychological burden. Since you are Mrs. Ye's friend, you don't have to worry about this wedding dress being worn by you. Let me take any responsibility."

Isabella said nervously, "How embarrassing..."

Warnia smiled and said, "Ms. Isabella, there is nothing to be embarrassed about. The wedding dresses in our shop are fully insured. If there is a problem, we will discuss with the insurance company. You can wear it with confidence."

Isabella was relieved when she heard that there was insurance.

Seeing that there is not much time left, Marven said to Avella and Isabella: "Since this wedding dress is suitable, let's just wear it and leave, otherwise it will be too late."

Avella nodded and said, "Okay, let's go to Hilton!"

After that, she looked at Warnia and said with gratitude: "Miss Song, thank you so much for today!"

Warnia smiled slightly: "Mrs. Ye, you are polite, this is what I should do."

When Isabella heard Warnia say her own name, she was stunned, as if struck by lightning!

Warnia?

Isn't this the famous Miss Song? !

My God, the Song family is the largest family in Wrestvel!

The Song family's eldest lady is so polite to Avella and her husband?

How did my high school classmate suddenly become so powerful?

At this time, Marven also said: "Miss Song, thanks for your hard work, we will leave first."

Warnia's beautiful eyes shone with luster, and said with a smile: "Mr. Ye, why are you so polite."

As she said, she thought of the situation when she kissed Marven at the time, and her cheeks turned a little blush.

When Avella saw this scene, her heart was tense!

Why would Warnia be shy of her husband? !

This kind of shyness is obviously not the state that normal friends should have!
